Although the management of New Peoples Bankshares, Inc. (the "Company") has been working diligently to complete all the required information for its annual report on Form 10-K for the year ended December 31, 2008, and a substantial part of such information has been completed as of this date, the Company and its auditors are unable, without unreasonable effort or expense, to complete the disclosures for the Form 10-K on or before March 16, 2008. The Company expects that there will be no material changes to the operational results that it has previously reported.

The delay in the filing will allow the Company to complete its evaluation of internal control over financial reporting as of December 31, 2008, as required by Section 404 of the Sarbanes-Oxley Act of 2002. The Company has identified significant deficiencies that may constitute one or more material weaknesses in its internal control over financial reporting.
