Item 8.01 Other Events

On January 1, 2009, AGL Resources Inc. (AGL Resources) adopted SFAS 160, “Noncontrolling Interests in Consolidated Financial Statements” (SFAS 160), which provides that the noncontrolling interest should be reported as a separate component of equity on its consolidated statements of financial position. SFAS 160 also requires that any net income attributable to the noncontrolling interest be presented separately in its consolidated statements of income. As a result, net income from noncontrolling interest is reported after net income in order to report net income attributable to the parent and the noncontrolling interest. The adoption of SFAS 160 has no effect on AGL Resources’ calculation of basic or diluted earnings per share amounts attributable to AGL Resources, which will continue to be based upon amounts attributable to AGL Resources.

AGL Resources has recast its consolidated financial statements and applied the presentation and disclosure requirements retrospectively for the years ended December 31, 2008, 2007 and 2006 in accordance with the guidance set forth in SFAS 160 and is filing this Current Report on Form 8-K to file updated consolidated financial statements for each of the three years in the period ended December 31, 2008. In connection with this consolidated financial statement recasting, AGL Resources is updating the following information that appeared in its Annual Report on Form 10-K for the year ended December 31, 2008:

- Consent of Independent Registered Public Accounting Firm, attached as Exhibit 23 to this report and incorporated herein by reference;
 - Item 1, “Business” of AGL Resources’ Annual Report on Form 10-K, attached as Exhibit 99.1 to this report and incorporated by reference;
- Item 6, “Selected Financial Data” of AGL Resources’ Annual Report on Form 10-K, attached as Exhibit 99.2 to this report and incorporated herein by reference;
- Item 7, “Management’s Discussion and Analysis of Financial Condition & Results of Operations” of AGL Resources’ Annual Report on Form 10-K, attached as Exhibit 99.3 to this report and incorporated herein by reference; and
- Item 8, “Financial Statements and Supplementary Data” of AGL Resources’ Annual Report on Form 10-K, attached as Exhibit 99.4 to this report and incorporated herein by reference.

This Current Report on Form 8-K does not reflect events occurring after February 5, 2009, the date AGL Resources filed its Annual Report on Form 10-K for the year ended December 31, 2008, and does not modify or update the disclosures therein in any way, other than as required to reflect the noncontrolling interest disclosures as described above and set forth in Exhibits 99.1, 99.2, 99.3 and 99.4 attached hereto.
