PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 23, 2013

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Unico American Corporation, a Nevada corporation (the "Company"), for use at the Annual Meeting of Shareholders of the Company to be held at the Hilton Garden Inn, 24150 Park Sorrento, Calabasas, California 91302, on May 23, 2013, at 2:00 p.m. local time. Accompanying this Proxy Statement is a proxy card, which you may use to indicate your vote as to each of the proposals described in this Proxy Statement. If you are planning to attend our Annual Meeting and require directions to the meeting, please call 818-591-9800, Extension 565.

All shares represented by proxies that are properly completed, signed, and returned to the Company prior to the Annual Meeting and which have not been revoked, will be voted in accordance with instructions contained in the proxies. At the Annual Meeting, the scheduled matters to be acted upon by the shareholders are the election of eight (8) directors to hold office until the next annual meeting of shareholders and until their successors are elected and qualified, the advisory approval of the compensation of the three (3) named executive officers, and the advisory vote on the frequency of shareholder votes on named executive compensation. The Board of Directors recommends a vote FOR the nominees for director listed in the proxy. The Board of Directors recommends a vote FOR the proposal regarding a non-binding advisory vote on executive compensation; and a vote for three years in response to the proposal regarding an advisory vote on the frequency of future advisory votes on executive compensation. In the absence of voting instructions to the contrary, shares represented by properly executed proxies will be voted in accordance with the foregoing recommendations. The Company does not know of any other matter that will be

presented for action at the Annual Meeting, but if any other matter is properly presented, the persons that are named in the accompanying proxy will vote thereon in accordance with their best judgment. A shareholder may revoke his or her proxy at any time before it is voted either by filing with the Secretary of the Company at its principal executive offices a written notice of revocation or a duly executed proxy bearing a later date or by appearing in person at the Annual Meeting and expressing a desire to vote his or her shares in person.

The close of business on April 10, 2013, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the record date, the Company had outstanding 5,341,147 shares of common stock, the only outstanding voting security of the Company. For each share held on the record date, a shareholder is entitled to one vote on all matters to be considered at the Annual Meeting. The Company's Articles of Incorporation do not provide for cumulative voting. Directors are elected by a plurality of the votes cast and abstentions and broker non-votes are counted for the purposes of determining the existence of a quorum at the meeting but not for purposes of determining the results of the vote.

The Company will bear the cost of the Annual Meeting and the cost of soliciting proxies, including the cost of preparing, assembling and mailing the proxy material. In addition to solicitation by mail, officers and other employees of the Company may solicit proxies by telephone, facsimile, or personal contact without additional compensation.

The Company's principal executive offices are located at 23251 Mulholland Drive, Woodland Hills, California 91364-2732. The approximate mailing date of this Proxy Statement and the Company's proxy card is April 17, 2013.

ELECTION OF DIRECTORS

The Company's Bylaws provide for a range of three to eleven directors and allow the Board of Directors to set the exact number of authorized directors within that range. The current number of authorized directors is eight (8). Directors are elected at each Annual Meeting of Shareholders to serve thereafter until their successors have been duly elected and qualified. Each nominee is currently a director having served in that capacity since the date indicated in the following table. All nominees have advised the Company that they are able and willing to serve as directors. If any nominee refuses or is unable to serve (an event which is not anticipated), the persons named in the accompanying proxy card will vote for another person nominated by the Board of Directors. Unless otherwise directed in the accompanying proxy card, the persons named therein will vote FOR the election of the eight nominees listed in the following table.

The following table sets forth all of the Company's executive officers and indicates the position with the Company, tenure as director and age as of April 10, 2013 for each person nominated for election as a director:

This experience with the Company provides the members of the Board of Directors a thorough understanding of the Company's policies and processes, rules and regulations, risks and mitigating solutions and controls environment.

Set forth below are the names of the nominees for election to the Board of Directors, along with their present and prior positions, principal occupations and the specific individual qualifications and skills of such directors that contribute to the overall effectiveness of the Board of Directors and its committees.

Cary L. Cheldin, Chairman of the Board of Directors, has served as Chairman, President and Chief Executive Officer since April 1, 2009. From 1991 to 2009 he was Executive Vice President of the Company and prior thereto he served as Vice President from 1986 to 1991 and as Secretary from 1987 to 1991. Mr. Cary Cheldin has been a director of the Company since 1983 and has held management positions in the Company since 1986. The Company believes that Mr.

Cary Cheldin's knowledge of and expertise in the insurance industry and his historical experience and understanding of the Company's underwriting, claims management and rate-making processes qualify him for service on the Board of Directors.

Lester A. Aaron has served as the Company's Treasurer, Chief Financial Officer and as a Director since 1985 and Secretary from 1991 to 1992. Mr. Aaron has extensive knowledge and expertise in the property and casualty insurance industry, financial reporting, taxation and investments and is an inactive certified public accountant. The Company believes that Mr. Aaron's background and his 35 years of experience with the Company qualify him for service on the Board of Directors.

During the 25 years prior to joining Unico American Corporation as General Counsel, Mr. Kinigstein was a partner in several law firms, including the law firm of Cooper, Epstein and Hurewitz for approximately 10 years. The Company believes that Mr. Kinigstein's extensive legal experience, as well as experience as a law firm partner, qualifies him for service on the Board of Directors.

Erwin Cheldin is the Company's former President, Chief Executive Officer and Chairman of the Board. Mr. Erwin Cheldin retired from being an employee of the Company effective April 1, 2009. Mr. Erwin Cheldin became an officer and director of the Company in 1969. Mr. Erwin Cheldin has over 50 years of experience in all phases of the property and casualty insurance industry. The Company believes that Mr. Erwin Cheldin's historical knowledge of the Company and its operations and long standing service to the Company qualify him for service on the Board of Directors.

George C. Gilpatrick is the Company's former Vice President of Management Information Systems. Mr. Gilpatrick served the Company as Vice President from 1981 until his retirement in April 2008 and as a director since 1985. The Company believes that Mr. Gilpatrick's knowledge and expertise in the data processing field and his past experience directing the Company's information systems as well as his experience as a director of the Company, qualify him for service on the Board of Directors.

Warren D. Orloff is a retired actuary with over 40 years' experience specializing in retirement plans. From 1990 until retiring in 1997, he was an independent actuarial consultant for pension administration firms. He is a Fellow of Society of Actuaries, Fellow of Conference of Consulting Actuaries, and member of Academy of Actuaries. The Company believes that Mr. Orloff's experience as an actuary, business owner and independent consultant qualify him for service on the Board of Directors.

Donald B. Urfrig has been a consulting engineer in the areas of project management and integrated product development since 1996. In addition, he is also a private investor and owner of commercial and agricultural businesses for the past 37 years. From 1963 to 1996 he worked in the aerospace industry in both technical and management positions. The Company believes that the diversified work experience of Mr. Urfrig as business owner, investor and executive manager qualify him for service on the Board of Directors.

Samuel J. Sorich is a respected representative of the California insurance industry for more than 25 years. Mr. Sorich has been a consultant to the insurance industry regarding, among other things, regulatory and legislative matters since 2011. From 2002 to 2010 he served as president of the Association of California Insurance Companies (ACIC), California's longest established property/casualty insurance trade association. From 1985 to 2002, prior to joining the ACIC, he served as regional vice president of the National Association of Independent Insurers (NAII), a predecessor association of the Property Casualty Insurers Association of America (PCI). The Company believes that Mr. Sorich's experience as an attorney and his experience in the insurance industry qualify him for service on the Board of Directors.

Except for Cary L. Cheldin, who is the son of Erwin Cheldin, none of the executive officers or directors of the Company are related to any other officer or director of the Company. The executive officers of the Company are

elected by the Board of Directors. Cary L. Cheldin serves in his present office pursuant to an employment agreement with the Company. The employment agreement of Cary L. Cheldin was amended September 21, 2012, to extend the end of the term of the agreement from December 31, 2014 to December 31, 2017.

Messrs. Erwin Cheldin, Cary L. Cheldin, Lester A. Aaron, and George C. Gilpatrick who hold approximately 52.66% of the voting power of the Company have agreed to vote the shares of common stock held by each of them so as to elect each of them to the Board of Directors and to vote on all other matters as they may agree. As a result of this agreement, the Company is a "Controlled Company" as defined in the NASDAQ Stock Market ("NASDAQ") Listing Rules. A Controlled Company is exempt from the requirements of the NASDAQ Listing Rules requiring that (i) the Company have a majority of independent directors on the Board of Directors, (ii) the Compensation Committee be composed solely of independent directors, (iii) the compensation of the executive officers be determined by a majority of the independent directors or a compensation committee comprised solely of independent directors and (iv) director nominees be elected or recommended either by a majority of the independent directors or a nominating committee comprised solely of independent directors. The Board of Directors has determined that each of Messrs. Orloff, Urfrig and Sorich are independent directors as defined by the NASDAQ Listing Rules.

During the year ended December 31, 2012, the Company's Board of Directors held one meeting. The independent directors met without any management directors or employees present four times during the year ended December 31, 2012. Non-employee directors receive \$2,000 each quarter plus \$1,000 for each board meeting they attend. All directors attended at least 75% of the combined total meetings of the Board of Directors and the committees on which they served.

Director Compensation

The compensation of the Company's non-employee directors paid by the Company for the last completed fiscal year is as follows:

<u>Name</u>	<u>Fees Earned or Paid in Cash</u>	<u>Total</u>
	\$	\$
Erwin Cheldin	9,000	9,000
George C. Gilpatrick	9,000	9,000
David A. Lewis, CPCU (1)	5,000	5,000

Samuel J. Sorich	6,000	6,000

(1) Mr. Lewis did not stand for re-election as a director at the Annual Meeting in 2012

Board Leadership Structure

The Company's eight-member Board is led by Chairman Cary L. Cheldin. Mr. Cary Cheldin is also the Company's President and Chief Executive officer. The Company's Chief Financial Officer, Lester A. Aaron and its Vice President & General Counsel and Secretary, Terry L. Kinigstein are also members of the Board. The remaining five members include the retired Chairman, President and Chief Executive Officer, Erwin Cheldin, the retired Vice President of Management Information Systems, George Gilpatrick, and three independent directors. The Board does not have a lead independent director.

Mr. Cary Cheldin is the son of a founder of the Company and has been an executive officer of the Company since 1986 and a board member since 1983. He was first elected Chairman of the Board, President and Chief Executive Officer effective April 1, 2009.

The Board of Directors has determined that combining the Chairman and Chief Executive Officer positions is the appropriate leadership structure for the Company at this time and provides effective oversight of management and strong leadership of the independent directors and shareholders. The Board believes that combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision making and alignment on corporate strategy. The Board believes this leadership structure is particularly appropriate for the Company at this time given Mr. Cary Cheldin's continuity of service with the Company since 1980. As the individual with primary responsibility for managing the Company's day-to-day operations, Mr. Cary Cheldin is best positioned to chair regular Board meetings and ensure that key business issues and risks are brought to the attention of the Board and the applicable

committees.

The Board of Directors is primarily responsible for assessing risks associated with the Company's business. However, the Board delegates certain of such responsibilities to other groups. The Audit Committee is comprised of three independent board members and it oversees the financial reporting processes of the Company and the audits of the Company's financial statements. The Audit Committee also reviews with management the Company's policies and procedures with respect to risk assessment and risk management, including reviewing certain risks associated with our financial and accounting systems, accounting policies, investment strategies, regulatory compliance, insurance programs and other matters.

Committees of the Board of Directors

The Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The members presently consist of Warren D. Orloff, Donald B. Urfrig, and Samuel J. Sorich. The Audit Committee of the Board of Directors oversees the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. It has a written charter, a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee met four times during the year ended December 31, 2012, and held one meeting subsequent to the year ended December 31, 2012, to discuss accounting and financial statement matters related to the year ended December 31, 2012. Messrs. Orloff, Urfrig, and Sorich are independent and in compliance with the independent standards applicable to audit committee members contained in the NASDAQ Listing Rules. The Board of Directors has determined that the Company does not have an "Audit Committee Financial Expert" as defined by the SEC serving on the Audit Committee. The Board of Directors believes that the members of the Audit Committee are able to read and understand financial statements of the Company, are familiar with the Company and its business, and are capable of fulfilling the duties and responsibilities of an Audit Committee without the necessity of having an "Audit Committee Financial Expert" as a member.

The Board of Directors has also established a Compensation Committee presently consisting of Messrs. Cary Cheldin, Aaron, and Orloff. Messrs. Cary Cheldin and Aaron are executive officers of the Company. This Committee considers and recommends to the Board of Directors compensation for executive officers. The Compensation Committee held one meeting during the year ended December 31, 2012. The Compensation Committee does not have a charter.

The Company does not have a Nominating Committee of the Board of Directors. The Board of Directors consists of eight members. Since four directors, of which two are presently executive officers, control approximately 52.66% of the voting power of the outstanding common stock of the Company, the Board of Directors believes that it is appropriate not to have a Nominating Committee. If there were a new nominee for Director to be considered, it is expected that all of the directors would participate in the process. The Board of Directors does not have a formal policy with regard to the consideration of any director candidates recommended by shareholders. The Board of Directors, however, would consider qualified nominees recommended by shareholders. Shareholders who wish to recommend a qualified nominee should submit complete information as to the identity and qualifications of the person recommended to the Secretary of the Company at 23251 Mulholland Drive, Woodland Hills, California 91364-2732. The Board of Directors generally requires that nominees be persons of sound ethical character, be able to represent all shareholders fairly, have no material conflicts of interest, have demonstrated professional achievement, have meaningful experience, and have a general appreciation of the major business issues facing the Company. The Board of Directors does not have a formal process for identifying and evaluating nominees for director. The Board of Directors does not have a formal policy regarding diversity, but as described above considers a broad range of attributes and characteristics in identifying and evaluating nominees for election to the Board of Directors. The Board of Directors views diversity broadly to include diversity of experience, skills and viewpoint in addition to more traditional diversity concepts. Absent special circumstances, the Board of Directors will continue to nominate qualified incumbent directors whom the Board of Directors believes will continue to make important contributions to the Board of Directors.

Communications with the Board of Directors

The Company provides a process for shareholders to send communications to the Board of Directors or any of the directors. Shareholders may send written communications to the Board of Directors or any director, c/o Secretary, Unico American Corporation, 23251 Mulholland Drive, Woodland Hills, California 91364-2732. All communications will be compiled by the Secretary of the Company and will be submitted to the members of the Board of Directors or to the individual director to whom it was addressed on a periodic basis. The Company does not have a policy with regard to directors' attendance at the Annual Meeting of Shareholders. Five of the directors attended the 2012 Annual Meeting of Shareholders.

Code of Ethics

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics may be obtained without charge upon written request to the Secretary, Unico American Corporation, 23251 Mulholland Drive, Woodland Hills, California 91364-2732.

This agreement is terminable by the Company or Mr. Cary Cheldin at any time upon written notice. Mr. Cary Cheldin's agreement provides for, among other things:

A minimum annual base salary of \$297,400 which was increased by the March 24, 2010 amendment to no less than \$315,000 as a result of the changes in his offices and responsibilities. The annual base salary is subject to increase from time to time at the discretion of the Board of Directors.

An annual bonus provided that the Company's consolidated net income (prior to deductions for income taxes and current bonuses paid to all executive officers of the Company, including Mr. Cary Cheldin, but after deducting discretionary bonuses paid to all employees) for the most recent four fiscal quarters ending prior to such payment date is equal to or greater than \$4 million. The amount of the bonus is determined by the Board of Directors, in its discretion, but it is not to be less than \$54,000, less any amounts paid as a discretionary bonus since the immediately preceding January. The agreement does not prevent the Board of Directors from electing, in its discretion, to grant a discretionary bonus in the event the net income goal of \$4 million is not met.

Mr. Cary Cheldin is entitled to employment benefits, including holidays, personal leave, sick leave, vacation, health insurance, disability insurance, life insurance, and pension plans as provided by the Company's policies in effect from time to time. The disability insurance is required to be in an amount sufficient to provide compensation to Mr. Cary Cheldin, if disabled, equal to 70% of the compensation that Mr. Cary Cheldin would be entitled to under the agreement. Benefits cannot be reduced from those provided to Mr. Cary Cheldin as of December 15, 2007. If the agreement is terminated by the Company for cause or by Mr. Cary Cheldin for other than a breach by the Company, payments of base salary, bonus, and benefits shall cease. Mr. Cary Cheldin is entitled only to payments of accrued but unpaid salary and vacation for periods or partial periods that occurred prior to the date of termination. Cause, as defined in the agreement, includes chronic alcohol or drug addiction by Mr. Cary Cheldin, fraud or unlawful appropriation of any money or other assets or properties of the Company by Mr. Cary Cheldin, a material breach by Mr. Cary Cheldin of the terms of his employment agreement which is not cured within ten (10) days after the Company has given Mr. Cary Cheldin written notice describing such material breach, the conviction of Mr. Cary Cheldin of any felony involving moral turpitude or any other serious crime involving moral turpitude, Mr. Cary

Cheldin's gross moral turpitude relevant to his office or employment with the Company, and Mr. Cary Cheldin's willful engagement in misconduct which is demonstrably and materially injurious to the Company.

If the agreement is terminated by the Company without cause or by Mr. Cary Cheldin on account of a breach of the agreement by the Company, Mr. Cary Cheldin is entitled to (a) immediate payment in full of his salary for the remainder of the term of the agreement, without discount or mitigation, (b) his bonus for the remainder of the term of the agreement (without giving effect to the termination), and (c) his benefits for the remainder of the term of the agreement (without giving effect to the termination).

The Company has the option to terminate the agreement if Mr. Cary Cheldin becomes permanently disabled and is no longer able to perform the essential functions of his position with reasonable accommodation, provided that the Company has provided the required disability insurance benefit as part of his benefits. The agreement terminates on the death of Mr. Cary Cheldin, which is not considered a termination by the Company without cause.

An annual bonus provided that the Company's consolidated net income (prior to deductions for income taxes and current bonuses paid to all executive officers of the Company, including Mr. Aaron, but after deducting discretionary bonuses paid to all employees) for the most recent four fiscal quarters ending prior to such payment date was equal to or greater than \$4 million. The amount of the bonus was determined by the Board of Directors, in its discretion, but was not to be less than \$49,500, less any amounts paid as a discretionary bonus since the immediately preceding January. The agreement did not prevent the Board of Directors from electing, in its discretion, to grant a discretionary bonus in the event the net income goal of \$4 million was not met.

Mr. Aaron was entitled to employment benefits, including holidays, personal leave, sick leave, vacation, health insurance, disability insurance, life insurance, and pension plans as provided by the Company's policies in effect from time to time. discretionary bonuses paid to all employees) for the most recent four fiscal quarters ending prior to such payment date was equal to or greater than \$4 million. The amount of the bonus was determined by the Board of Directors, in its discretion, but it is not to be less than \$15,000, less any amounts paid as a discretionary bonus since the immediately preceding January. No stock options, stock appreciation rights or stock awards were granted to any named executive officer during the year ended December 31, 2012.

Options/SAR Exercises and Stock Awards Vesting in Last Fiscal Year and Unexercised Options/SAR and Stock Awards at Fiscal Year End

No stock options or stock appreciation rights were exercised by, nor any stock award vested in favor of, any named executive officer during the year ended December 31, 2012; and no options, stock appreciation rights or stock awards were held by any named executive officer at December 31, 2012.

Stock Option Plans

The Company's 1999 Omnibus Stock Plan (the "1999 Plan") that covered 500,000 shares of the Company's common stock (subject to adjustment in the case of stock splits, reverse stock splits, stock dividends, etc.) was adopted by the Board of Directors in March 1999 and approved by shareholders on June 4, 1999. None of the options were granted to a named executive officer. The 1999 Plan was terminated by its terms on March 15, 2009. As of December 31, 2012, all grants had been exercised or expired.

The Company's 2011 Incentive Stock Option Plan (the "2011 Plan") covers 200,000 shares of the Company's common stock (subject to adjustment in the case of stock splits, reverse stock splits, stock dividends, etc.) and was adopted by the Board of Directors in March 2011 and approved by shareholders on May 26, 2011. During the year ended December 31, 2012, options to purchase 8,760 shares of common stock were granted to one non-executive employee. These shares will vest and become exercisable on March 1, 2021. The 2011 Plan is administered by the Board of Directors or a committee authorized by the Board of Directors, consisting of at least two directors each of whom is not an officer or employee of the Company and meeting the qualifications set forth in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended. The administrator has complete discretion to select the optionees and to establish the terms and conditions of each option, subject to the provisions of the 2011 Plan.

Options granted under the 2011 Plan are intended to be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and may be granted only to employees of the Company or its subsidiaries. The exercise price of options granted under the 2011 Plan may not be less than the fair market value of the Company's Common Stock on the date of grant. The exercise price of an incentive stock option must be 110% of the fair market value of the stock if such option is granted to an employee who holds more than 10% of the total combined voting power of the Company's voting securities.

In accordance with the rules under the Code for incentive stock options, the 2011 Plan provides that incentive stock options granted to any particular employee under the 2011 Plan may not "vest" for more than \$100,000 in fair market value of the stock (measured on the grant date) in any calendar year. If incentive stock options granted to an optionee would vest for more than \$100,000 in any calendar year, then such incentive stock options will, to such extent, be treated as non-statutory stock options.

In general, upon termination of employment of an optionee, all options granted to such person which were not exercisable on the date of such termination will immediately terminate, and any options that are exercisable on such termination date will be exercisable for a period of thirty (30) days (one year or such shorter period as determined by the administrator in the case of termination by reason of death or disability) following termination of employment.

Options granted under the 2011 Plan may not be exercised more than 10 years after the date of grant (5 years after the date of grant if the grant is to an employee who owns more than 10% of the total combined voting power of all classes of capital stock of the Company). The exercise price under any option may be paid in cash, recourse notes or shares of Common Stock already owned or, in the case of a "net exercise," covered by the option, as may be determined by the administrator. Under the 2011 Plan, shares subject to canceled or terminated options are available for subsequently granted options.

Under the 2011 Plan, in the event of a Change of Control Event, the vesting of each option shall (contingent upon the consummation of the Change of Control Event) be accelerated to a date prior to the effective time of the Change of Control Event as the Board of Directors shall determine (or if the Board of Directors shall not determine such a date, to the date that is five (5) business days prior to the effective time of the Change of Control Event) and all options will terminate if not exercised at or prior to the effective time of the Change of Control Event. Alternatively, in the event of a Change of Control Event, the Board of Directors may provide that an option holder may not exercise his or her option but will receive a payment, in such form as determined by the Board of Directors, equal in value to the excess, if any of (i) the value of the property that the option holder would have received upon the exercise of the option following the acceleration of the vesting of the option over (ii) the exercise price which would have been payable by the option holder in connection with such exercise. A "Change of Control Event" will be deemed to have occurred upon the consummation of (i) a sale of all or substantially all of the Company's assets (other than to a wholly-owned subsidiary or subsidiaries of the Company) in one transaction or a series of related transactions, or (ii) any merger, consolidation or other business combination transaction of the Company with or into another corporation, entity or person, other than a transaction in which the holders of at least a majority of the shares of voting capital stock of the Company outstanding immediately prior to such transaction continue to hold (either by such shares remaining outstanding or by their being converted into shares of voting capital stock of the surviving entity) a majority of the total voting power represented by the shares of voting capital stock of the Company (or the surviving entity) outstanding immediately after such transaction, or (iii) the direct or indirect acquisition by way of a tender or exchange offer by any person, or persons acting as a group, of beneficial ownership or a right to acquire beneficial ownership of shares representing a majority of the voting power of the then outstanding shares of capital stock of the Company or (iv) the complete liquidation or dissolution of the Company.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company's executive compensation program is designed to attract, motivate and retain a talented team of executives to achieve the Company's corporate objectives and to increase long term shareholder value. The Company seeks to accomplish this goal in a way that rewards performance that is aligned with its shareholders' long-term interests. The Company believes that its executive compensation program achieves this goal and is strongly aligned with the long-term interests of its shareholders.

Pursuant to Section 14A of the Exchange Act, the Company is submitting a proposal to its shareholders for an advisory vote on the compensation of its named executive officers. This proposal, commonly known as a "say-on-pay" proposal gives shareholders the opportunity to express their views on the compensation of the Company's named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers.

Accordingly, the following resolution is submitted for shareholder vote at the 2013 Annual Meeting:

"RESOLVED, that the shareholders of Unico American Corporation approve, on an advisory basis, the compensation of its named executive officers as disclosed in the Proxy Statement for the 2013 Annual Meeting pursuant to Item 402 of Regulation S-K, including the compensation tables and other narrative compensation disclosures."

The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the 2013 Annual Meeting is required to approve the compensation of the named executive officers as described in this Proxy Statement. The vote is advisory, which means the vote is not binding on the Company, the Board of Directors and the Compensation Committee.

However, the Compensation Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

The Board of Directors recommends that shareholders vote FOR the approval, on an advisory basis, of the compensation of the named executive officers, as disclosed in this Proxy Statement.

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES

ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, the Company is submitting a proposal to its shareholders for an advisory vote as to whether the shareholder advisory vote to approve the compensation of our named executive

officers referred to above should occur every one, two or three years. Shareholders may cast a vote on the preferred voting frequency by choosing one year, two years or three years or may abstain from voting in response to the resolution set forth below.

“RESOLVED, that the shareholders determine on an advisory basis, whether the preferred frequency of an advisory vote on the executive compensation of the Company’s named executive officers set forth in the Company’s proxy statement should be: (a) yearly or (b) every two years or (c) every three years.”

After careful consideration, the Board of Directors recommends that future advisory votes on executive compensation occur every three years (triennially). The Board of Directors believes that this frequency is appropriate, since it encourages a longer-term view of compensation by shareholders, allowing them an appropriate timeframe to evaluate the Company’s performance and overall effectiveness of the executive compensation program. In addition, the Company believes that a triennial advisory vote on executive compensation reflects the appropriate time frame for the Compensation Committee and the Board of Directors to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with shareholders to the extent needed, to develop and implement any adjustments to its executive compensation programs that may be appropriate in light of a past advisory vote on executive compensation, and for shareholders to see and evaluate the Compensation Committee’s actions in context. Finally, a triennial vote will provide the Company with the time to thoroughly consider shareholder sentiments and implement any changes after careful consideration of the Board of Directors.

Shareholders will be able to specify one of four choices for this proposal on the proxy card: three years, two years, one year or abstain. Shareholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Company, the Board of Directors and the Compensation Committee.

The Board of Directors recommends that shareholders vote to conduct future advisory votes on executive compensation every three years.
