**PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 24, 2006**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies from the shareholders of Knight Transportation, Inc. to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 24, 2006. **THE ENCLOSED PROXY IS SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY.** If not otherwise specified, all proxies received pursuant to this solicitation will be voted (i) FOR the director nominees named herein; (ii) FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal year 2006; and (iii) with respect to any other matters properly brought before the Annual Meeting, in accordance with the recommendations of the Board of Directors, or, if no recommendations are given, in accordance with the judgment of the proxy holders.

This Proxy Statement, the proxy card, and our Annual Report were first mailed on or about April 14, 2006, to shareholders of record at the close of business on April 6, 2006 (the "Record Date").

The terms "we," "our," "us," or the "Company" refer to Knight Transportation, Inc. and its subsidiaries.

Voting Rights

Only holders of record of our Common Stock, par value \$0.01 per share ("Common Stock"), at the close of business on the Record Date are entitled to vote at the Annual Meeting, either in person or by valid proxy. Except in the election of directors, shareholders are entitled to one vote for each share held of record on each matter of business to be considered at the Annual Meeting. In the election of directors, cumulative voting is required by law. *See* "Required Vote; Cumulative Voting." As of the Record Date, there were issued and outstanding approximately 85,811,556 shares of our Common Stock, entitled to cast an aggregate 85,811,566 votes on all matters subject to a vote at the Annual Meeting, other than in the election of directors, where the shares are entitled to an aggregate 343,246,224 votes in the election of directors; 257,434,668 in the election of Class II directors and 85,811,566 in the election of the Class I director. Votes cast at the Annual Meeting will be tabulated by the Inspector of Elections and the results of all items voted upon will be announced at the Annual Meeting.

Quorum Requirement

In order to transact business at the Annual Meeting, a quorum must be present. A quorum is present if a majority of the issued and outstanding shares of Common Stock as of the Record Date are represented at the Annual Meeting in person or by proxy. Shares that are entitled to vote but that are not voted at the direction of the holder (called "abstentions") and shares that are not voted by a broker or other record holder due to the absence of instructions from the beneficial owner (called "broker non-votes") will be counted for the purpose of determining whether a quorum is present.

Required Vote; Cumulative Voting

Election of Directors. Directors are elected by plurality of the votes cast, which means that the director nominees receiving the highest number of votes for their election will be elected as directors. Abstentions and broker non-votes are not counted as votes for the election of any director nominee. Under the Constitution of the State of Arizona, as well as Section 10-728 of the Arizona Revised Statutes, shareholders have cumulative voting rights in electing directors of an Arizona corporation. Cumulative voting means that each shareholder, when electing directors, has the right to cast as many votes in the aggregate as he, she, or it has voting shares multiplied by the number of directors to be elected. For example, this year three Class II directors and one Class I director will be elected. If a shareholder has 100 shares of Common Stock, the shareholder is entitled to cast a total of 400 votes (300 votes in the election of the Class II directors and 100 votes in the election of the Class I director). Therefore, in the election of Class II directors, the shareholder may cast 300 votes for a single director nominee or distribute those votes among the Class II director nominees as the shareholder determines.

Other Matters. Approval of the other matters submitted to shareholders for consideration and action at the Annual Meeting requires that the number of votes cast for the matter exceeds the number of votes cast against the matter. Abstentions and broker non-votes will be disregarded in determining whether a matter has been approved. In other words, abstentions and broker non-votes will be counted neither as votes for nor as votes against a matter.

Right to Attend Annual Meeting; Revocation of Proxy

Returning a proxy card now will not interfere with your right to attend the Annual Meeting or to vote your shares personally at the Annual Meeting, if you wish to do so. Shareholders who execute and return proxies may revoke them at any time before they are exercised by giving written notice to the Secretary of the Company at our address, by executing a subsequent proxy and delivering it to the Secretary of the Company, or by attending the Annual Meeting and voting in person.

Costs of Solicitation

We will bear the cost of solicitation of proxies, which we expect to be nominal and will include reimbursements for the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding Common Stock. Proxies will be solicited by mail and may be solicited personally by directors, officers, or our employees, who will not receive any additional compensation for any such services.

Annual Report

The information included in this Proxy Statement should be reviewed in conjunction with the Consolidated Financial Statements, Notes to Consolidated Financial Statements, Reports of our Independent Registered Public Accounting Firm, and other information included in our 2005 Annual Report to Shareholders that was mailed on or about April 14, 2006, together with this Notice of Annual Meeting and Proxy Statement, to all shareholders of record as of the Record Date.

How to Read this Proxy Statement

This Proxy Statement contains the proposals to be considered by shareholders at the Annual Meeting, as well as important information concerning, among other things: our management and our Board of Directors; executive compensation; transactions between the Company and our officers, directors, and affiliates; the stock ownership of management and other large shareholders; the services provided to us by and fees of Deloitte & Touche LLP, our independent registered public accounting firm; and instructions for shareholders who want to make proposals at the 2007 Annual Meeting of Shareholders. *Each shareholder should read this information before completing and*

returning the enclosed proxy card.

PROPOSAL NO. 1. - ELECTION OF DIRECTORS

Our Board of Directors presently consists of nine members. The directors are divided into three classes, with each class serving a three-year term. The shareholders elect approximately one-third of the Board of Directors each year. Three Class II directors and one Class I director will be elected at the Annual Meeting.

Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Gary J. Knight, G.D. Madden, and Kathryn L. Munro for election as Class II directors and Richard J. Lehmann for election as a Class I director, at the Annual Meeting.

Each Class II director nominee will be elected to serve until the 2009 Annual Meeting of Shareholders or until his or her successor shall have been duly elected and qualified or his or her resignation or removal, whichever occurs first. Each of the Class II director nominees has consented to serve a three year term.

On February 8, 2006, upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors appointed Mr. Lehmann to fill a vacancy created by the resignation of Timothy M. Kohl, who resigned as a Class I director on February 8, 2006. Although the term of our Class I directors does not expire until the 2008 Annual Meeting of Shareholders, Arizona law provides that the term of a director appointed to fill a vacancy expires at the next shareholders' meeting at which directors are elected. As a result, Mr. Lehmann is standing for election as a Class I director at the Annual Meeting and will be elected to serve until the 2008 Annual Meeting of Shareholders or until his successor shall have been duly elected and qualified or his resignation or removal, whichever occurs first. Mr. Lehmann has consented to serve a two year term.

If any of the nominees named above should become unavailable to serve as a director, the Board of Directors may designate a substitute nominee. In that case, the proxy holders will vote for the substitute nominee designated by the Board.

Applicable Corporate Governance Requirements

Our Common Stock has been listed on the New York Stock Exchange (the "NYSE") since December 30, 2004, and therefore we are subject to the listing standards, including standards relating to corporate governance, embodied in applicable rules of the NYSE. Prior to listing on the NYSE, our Common Stock was listed on the Nasdaq National Market and we were subject to the listing standards, including standards related to corporate governance, embodied in applicable rules of the National Association of Securities Dealers, Inc. (the "NASD").

Corporate Governance Guidelines

Our Board of Directors has adopted corporate governance guidelines to further its goal of providing effective governance of the Company's business and affairs for the long-term benefit of our shareholders. A copy of the corporate governance guidelines is available free of charge on our corporate website at <http://www.knighttrans.com/shareholders/corpgov/govguide.cfm>, and is available in print to any shareholder who requests it. The Nominating and Corporate Governance Committee is responsible for periodically reviewing the corporate governance guidelines and recommending changes as appropriate to ensure the effective functioning of our Board of Directors and high quality corporate governance.

Code of Ethics

The Board of Directors has adopted a Code of Ethical Conduct that applies to all directors, officers, and employees of the Company. In addition, the Company maintains a Policy Governing Responsibilities of Financial Managers and Senior Officers (the "Financial Responsibilities Policy") that applies to our senior executive officers (Executive Vice President or above), Chief Financial Officer, Chief Accounting Officer, Controller, and any other employees who are responsible for the management of the Company's funds or for the operation and maintenance of the Company's financial accounting and reporting system. The Board of Directors and Its Committees

Board of Directors

Meetings of the Board of Directors. During the year ended December 31, 2005, our Board of Directors met on four regularly scheduled occasions and held two special meetings. Each of the directors attended 75% or more of the meetings of the Board of Directors and the meetings held by all of the committees of the Board on which he or she served. In addition, the Company encourages its directors to attend its Annual Meetings of Shareholders. All nine of the Company's then-current directors attended the 2005 Annual Meeting of Shareholders.

Independent Directors. In accordance with NYSE Rule 303A.02(a), the Board of Directors affirmatively determines the independence of each director after reviewing the findings and recommendations of the Nominating and Corporate Governance Committee. Upon the recommendation of the Nominating and Corporate Governance Committee, the Board has determined that Donald A. Bliss, G.D. Madden, Michael Garnreiter, Mark Scudder, Kathryn L. Munro, and Richard J. Lehmann are independent. Except in their capacities as directors or as holders of an immaterial amount of securities of other entities, neither Mr. Bliss, Mr. Madden, Mr. Garnreiter, nor Ms. Munro either directly or in his or her capacity as a partner, shareholder, officer, or similar position of another organization, has or in the past three years had any business or financial relationship with the Company or any of its subsidiaries. Mr. Scudder is a principal of a law firm to which the Company paid approximately \$144,000 for legal services in 2005 and which currently provides legal services to the Company. Based upon information regarding the law firm's total revenues for each of the past three years supplied by Mr. Scudder, the Board of Directors has determined that the relationship between the Company and Mr. Scudder is not material. Mr. Lehmann is the founding principal of a bank to which the Company maintains a \$5,000,000 deposit. Based upon information regarding the bank's total deposit base and the substantial deposits the Company maintains with other financial institutions, including Wells Fargo and JP Morgan, the Board of Directors has determined that the relationship between the Company and Mr. Lehmann is not material. Neither Mr. Bliss, Mr. Madden, Mr. Garnreiter, Mr. Scudder, Ms. Munro, nor Mr. Lehmann nor any of their immediate family members has or had any of the disqualifying relationships with the Company or its subsidiaries specified in NYSE Rule 303A.02(b).

Executive Sessions. In 2005, pursuant to NYSE Rule 303A.03, our independent directors held two meetings, referred to as "executive sessions," at which only the independent directors were present. The Chairman of the Nominating and Corporate Governance Committee acts as the presiding director for all executive sessions. Donald A. Bliss currently serves as the Chairman of the Nominating and Corporate Governance Committee and will continue in that capacity following the Annual Meeting. Our non-management directors, who are comprised of the independent directors listed above and Randy Knight, met once in 2005. Our independent and non-management directors will each continue to hold at least one meeting annually at which only independent and non-management directors are present, respectively.

Communication with Directors. Our Board of Directors provides a process for shareholders to send written communications to the entire Board or individual directors. If you wish to send a communication to the entire Board of Directors, your communication should be addressed as follows: The Board of Directors, Knight Transportation, Inc., c/o Timothy M. Kohl - Secretary, 5601 West Buckeye Road, Phoenix, Arizona 85043. The Audit Committee

Purpose, Functions, Composition, and Meetings. The primary purpose of the Audit Committee is to assist the Board of Directors in its oversight of

- the integrity of the Company's financial statements;
- the qualifications, independence, and performance of the Company's independent registered public accounting firm; and
- the Company's compliance with legal and regulatory requirements related to financial reporting.

As more fully outlined in the Audit Committee's charter, the primary functions of the Audit Committee include:

- making determinations regarding the selection and retention of the Company's independent registered public accounting firm and reviewing and pre-approving such firm's fees and the proposed scope of its services; and
- reviewing, and meeting with the Company's management, internal auditors, and independent registered public accounting firm, as applicable, to discuss the Company's financial statements and financial and related disclosures, accounting policies and principles, internal control systems, and financial reporting processes.

The Audit Committee currently is comprised of Donald A. Bliss, G.D. Madden, and Michael Garnreiter, with Mr. Garnreiter serving as the Chairman of the Committee. Each member of the Audit Committee satisfies the independence and other audit committee membership criteria set forth in NYSE Rule 303A.07. Specifically, each member of the Audit Committee:

- is independent under NYSE Rule 303A.02;
- meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"); and
- is financially literate, as the Company's Board of Directors has interpreted such qualification in its business judgment.

The Audit Committee met five times during 2005. Other than Mr. Salmon, a former member of the Committee who was absent from one meeting, each member of the Audit Committee attended all of the Audit Committee meetings during 2005.

Audit Committee Financial Expert. The Board of Directors has determined that at least one "audit committee financial expert," as defined under Item 401(h) of Regulation S-K, currently serves on the Audit Committee. The Board of Directors has identified Michael Garnreiter as an audit committee financial expert. Mr. Garnreiter is independent, as independence for audit committee members is defined under applicable NYSE rules.

Audit Committee Charter. Since 1994, the Audit Committee has operated pursuant to a written charter detailing its purpose, powers, and duties. In March 2005, the charter of the Audit Committee was amended and restated to comply with NYSE requirements. A copy of the Audit Committee's charter is available free of charge on the Company's website at <http://www.knighttrans.com/shareholders/corpgov/charterofauditcom.cfm> and is available in print to any shareholder who requests it.

Report of the Audit Committee. In performing its duties, the Audit Committee, as required by applicable rules and regulations promulgated by the SEC, issues a report recommending to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K, and relating to certain other matters, including the independence of our independent registered public accounting firm. The *Report of the Audit Committee* follows.

The Report of the Audit Committee shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference.

Report of the Audit Committee

The Audit Committee oversees the accounting and financial reporting processes of the Company and the audit of the financial statements of the Company. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains an independent registered public accounting firm that is responsible for conducting an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States), and issuing a report thereon.

In undertaking its responsibilities, the Audit Committee has discussed the Company's financial statements with management and the Company's independent registered public accounting firm and, in issuing this report, has relied upon the responses and information provided to the Audit Committee by management and the independent registered public accounting firm.

For the fiscal year ended December 31, 2005, the Audit Committee has reviewed and discussed the audited financial statements with management and Deloitte & Touche LLP, the Company's independent registered public accounting firm. Specifically, the Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380, *Communication with Audit Committees or Others with Equivalent Authority and Responsibility*), which include, among other things:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the accounting firm's conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Statement No. 1 (*Independence Discussions with Audit Committees*) and discussed with the independent registered public accounting firm its independence.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Michael Garnreiter, Chairman
G.D. Madden, Member
Donald A. Bliss, Member

The Nominating and Corporate Governance Committee

Purpose, Functions, Composition, and Meetings. In February 2003, the Board of Directors established a nominating committee to recommend to the Board potential candidates for election as directors. In November of 2004, the nominating committee was reconstituted as the Nominating and Corporate Governance Committee. During 2005, the Nominating and Corporate Governance Committee was comprised of Michael Garnreiter, Kathryn L. Munro, and Donald A. Bliss, with Mr. Bliss serving as Chairman. In February 2006, Richard J. Lehmann was appointed to replace Mr. Garnreiter as a member of the Nominating and Corporate Governance Committee.

The purposes of the Nominating and Corporate Governance Committee are to assist the Board in improving the corporate governance of the Company, to train members of the Board, to improve the Board's governance functions, and to assist the Company in obtaining the highest quality independent directors. As more fully detailed in the Nominating and Governance Committee's charter, the primary functions of the committee include:

- evaluating the composition of the Board and selecting and recommending nominees for election or reelection to the Board or for appointment to fill Board vacancies;
- developing and implementing regular and emergency succession plans for the Company's senior management positions; and
- reviewing and developing policies or making recommendations concerning other aspects of the Company's corporate governance, such as the Board committee structure, the Company's corporate governance guidelines, director training and evaluation programs, and potential conflicts of interest.

All current members of the Nominating and Corporate Governance Committee are independent, as independence for nominating committee members is defined under applicable NYSE rules. In 2005, the Nominating and Corporate Governance Committee held seven meetings.

The Nominating and Corporate Governance Committee met in March 2006 and recommended that the Board of Directors nominate Gary J. Knight, G.D. Madden, and Kathryn L. Munro, for election as Class II directors and Richard J. Lehmann for election as a Class I director. Except for Mr. Lehmann, all of the director nominees are standing for re-election. One of our non-management directors initially recommended that the Nominating and Corporate Governance Committee consider Mr. Lehmann as a possible director candidate.

Nominating and Corporate Governance Committee Charter. A written charter for the Nominating and Corporate Governance Committee was adopted in March 2005. A copy of the charter is available free of charge on our website at <http://www.knighttrans.com/shareholders/corpgov/charterofnominate.cfm> and is available in print to any shareholder who requests it.

Process for Identifying and Evaluating Director Nominees. Director nominees are chosen by the entire Board of Directors, after considering the recommendations of the Nominating and Corporate Governance Committee. As a matter of course, the members of the Nominating and Corporate Governance Committee review the qualifications of various persons to determine whether they should be considered as candidates for membership on the Board of Directors. The Nominating and Corporate Governance Committee also accepts recommendations of director candidates from other outside directors, executive officers of the Company, advisors of the Company, and shareholders. The Company does not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees.

The Nominating and Corporate Governance Committee will review all candidate recommendations, including those properly submitted by shareholders, in accordance with the mandate contained in its charter. This will include a review of the person's judgment, integrity, independence, management or business skills and experience (particularly with public companies and companies in the Company's industry or other industries related to the Company's business), prominence and reputation in their profession, knowledge of corporate governance issues and Board functions, commitment to attend and actively participate in meetings and related Board activities, other commitments and responsibilities, and such other factors as the Nominating and Corporate Governance Committee determines are appropriate in light of the needs of the Board and the Company. With regard to specific qualities and skills, the Nominating and Corporate Governance Committee believes it necessary that: (i) at least a majority of the members of

the Board of Directors qualify as "independent" under NYSE Rule 303A.02; (ii) at least three members of the Board of Directors satisfy the audit committee membership criteria specified in NYSE Rule 303A.07; and (iii) at least one member of the Board of Directors eligible to serve on the Audit Committee has sufficient knowledge, experience, and

- 11 -

training concerning accounting and financial matters so as to qualify as an "audit committee financial expert" within the meaning of Item 401(h) of Regulation S-K.

In addition to the qualifications and considerations described above, our corporate governance guidelines contain the following director eligibility criteria that impact the director nomination process:

- a mandatory retirement age of 82 for all directors, subject to waiver by a majority of the Board;
- director term limits of 20 years, following March 2, 2005, for all directors, subject to waiver by a majority of the Board;
- no director may serve on more than five public company boards of directors, including the Company's Board; and
- the Chief Executive Officer of the Company may not serve on more than two other public company boards of directors in addition to the Company's Board.

Consideration of Director Candidates Recommended by Shareholders. The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders, provided that the following procedural requirements are satisfied. Candidate recommendations should be mailed via certified mail, return receipt requested, and addressed to the Nominating and Corporate Governance Committee, Knight Transportation, Inc., c/o Timothy M. Kohl - Secretary, 5601 West Buckeye Road, Phoenix, Arizona 85043. In order to be considered, a shareholder recommendation must: (i) be received at least 120 days prior to the first anniversary of the date of the proxy statement for the prior year's Annual Meeting (by December 15, 2006 for director candidates to be considered for nomination for election at the 2007 Annual Meeting of Shareholders); (ii) contain sufficient background information, such as a resume and references, to enable the Committee to make a proper judgment regarding the qualifications of the proposed nominee; (iii) be accompanied by a signed consent of the proposed nominee to serve as a director if elected and a representation that such proposed nominee qualifies as "independent" under NYSE Rule 303A.02 or, if the proposed nominee does not qualify, a description of the reason(s) he or she is not "independent"; (iv) state the name and address of the person submitting the recommendation and the number of shares of the Company's Common Stock owned of record or beneficially by such person; and (v) if submitted by a beneficial shareholder, be accompanied by evidence that the person making the recommendation beneficially owns shares of the Company's Common Stock.

The Compensation Committee

Purpose, Functions, Composition, and Meetings. The purpose of the Compensation Committee is to review, analyze, recommend, and approve all aspects of executive compensation. As more fully outlined in the Compensation Committee's charter, the primary functions of the Compensation Committee include:

- reviewing and approving corporate goals and objectives relating to the compensation of the Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of those objectives, and determining and approving the Chief Executive Officer's compensation based upon this evaluation;
- reviewing and making recommendations to the Board regarding the compensation of the Company's other executive officers;
-

reviewing and approving all forms of incentive compensation, including stock options and other stock-based awards, and deferred compensation to the Company's executive officers; and

- administering the Company's stock option plan as in effect from time-to-time.

- 12 -

From January to November, 2005, the Compensation Committee was comprised of Kathryn L. Munro, G.D. Madden, and Mark Scudder, with Mr. Scudder serving as Chairman. In November 2005, Mr. Scudder resigned from the committee and Ms. Munro was appointed as the Chairperson of the committee. The Compensation Committee met twice in 2005 to approve executive bonuses for fiscal 2005 and issue its *Report on Executive Compensation* for inclusion in the proxy statement relating to the 2005 Annual Meeting of Shareholders. At those meetings the Compensation Committee also reviewed the compensation of the Company's directors who are not 10% shareholders, officers, or employees of the Company ("Outside Directors").

Compensation Committee Charter. In March 2005, the charter of the Compensation Committee was amended and restated to comply with NYSE requirements. A copy the current charter is available free of charge on our website at <http://www.knighttrans.com/shareholders/corpgov/charterofcompcom.cfm>, and is available in print to any shareholder who requests it.

Additional Information. Additional information concerning the Compensation Committee and Compensation Committee interlocks, as well as the Committee's *Report on Executive Compensation* for fiscal 2005, are set forth under "Executive Compensation."

The Executive Committee

The Executive Committee of the Board was established in November 2000. The Executive Committee is authorized to act on behalf of the Board of Directors when the Board of Directors is not in session. The current members of the Executive Committee are Kevin P. Knight, Gary J. Knight, Donald A. Bliss, and Mark Scudder. The Executive Committee met once in 2005.

Director Compensation

The Board of Directors, upon the recommendation of our Compensation Committee, establishes the form and amount of compensation paid to our Outside Directors. In 2005, our Outside Directors received annual compensation of \$9,000, plus a fee of \$750 for attending each meeting of the Board of Directors, a fee of \$500 for attending Audit Committee meetings, a fee of \$500 for attending Nominating and Corporate Governance Committee meetings, a fee of \$750 for attending Compensation Committee meetings, and a fee of \$450 for all other Board committee meetings. In addition, each of the Chairpersons of the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee received an annual fee of \$2,500, in addition to other director fees. We also reimburse directors for travel and other related expenses incurred in attending a meeting.

Outside Directors have the option to accept shares of our Common Stock in lieu of cash compensation and fees for their service on the Board and its committees. If this option is elected, we issue Common Stock on February 15 and August 15 of each year in payment of accrued compensation and fees for the preceding six month periods ending December 31 and June 30, respectively. The number of shares issued is determined by dividing the amount of the accrued compensation and fees by the closing market price of our Common Stock as of the trading day prior to issuance.

Upon their election or appointment to the Board, Outside Directors receive an automatic non-qualified stock option grant covering 2,500 shares of Common Stock equal to the fair market value on the date of grant. In addition to the initial stock option grant, in 2003 we adopted an annual stock option grant program for Outside Directors. Under this program, Outside Directors receive a non-qualified stock option grant covering 1,000 shares of Common Stock on June 1 of each calendar year. The exercise price of these

options is the fair market value on the date of grant. In connection with this program, Outside Directors who had served on the Board for at least three years as of December 31, 2002, were granted a catch-up, non-qualified stock option for 1,000 shares of Common Stock at an exercise price equal to the fair market value on June 2, 2003, the date of grant. Except for the 1,000 share catch-up option described in the preceding sentence, all non-qualified stock options granted to an Outside Director, including the initial grant, are forfeitable if the Outside Director resigns within one year of the date of grant.

Directors who are employees or 10% shareholders of the Company do not receive compensation for Board or committee service. We do, however, reimburse them for travel and other related expenses.

Other Board and Corporate Governance Matters

Director Evaluation Program. The Nominating and Corporate Governance Committee is responsible for developing and implementing a director evaluation program to measure the individual and collective performance of directors and the fulfillment of their responsibilities to the Company's shareholders, including an assessment of the Board's compliance with applicable corporate governance requirements and identification of areas in which the Board might improve its performance. The Nominating and Corporate Governance Committee also is responsible for developing and recommending to the Board of Directors for approval an annual self-evaluation process for the Board designed to assure that directors contribute to the Company's corporate governance and to its performance.

Director Orientation and Training. The Nominating and Corporate Governance Committee is responsible for developing and implementing an orientation program for new directors. Under this program, new non-management directors are provided with a variety of materials to assist them in familiarizing themselves with the Company, its management structure and operations, and key legal, financial, risk management, and operational issues, as well as the policies, procedures, and responsibilities of the Board and its committees. New non-management directors also meet with members of our senior management and other non-management directors as part of their orientation.

The Company periodically provides materials to directors on various subjects to assist them in understanding the Company's business and operations and in effectively discharging their duties.

Authority to Engage Advisors. Each of the Audit Committee and the Nominating and Corporate Governance Committee is conferred by its charter with explicit authority to engage its own independent advisors, including legal counsel, accountants, and, in the case of the Nominating and Corporate Governance Committee, search firms, at the Company's expense.

Management Succession Planning. The Board of Directors has adopted a management succession plan which identifies emergency and potential long-term successors to the Company's Chief Executive Officer, President, Chief Financial Officer, and certain other key members of senior management. The Nominating and Corporate Governance Committee, following consultation with the Company's Chief Executive Officer, is responsible for making an annual report to the Board of Directors with regard to management succession planning. After reviewing this report and consulting with the members of the Nominating and Corporate Governance Committee and the Chief Executive Officer, the Board of Directors makes any changes or updates to the management succession plan that it determines are appropriate.

Employment Agreements

We currently do not have any employment contracts, severance, or change-of-control agreements with any of our Named Executive Officers.

Stock Option Plan

We maintain a stock option plan that is designed to enable directors, officers, and certain key employees of the Company, including drivers, to participate in the ownership of the Company. The stock option plan is administered by the Compensation Committee, and permits the grant of incentive and non-qualified stock options, as well as restricted stock awards.

401(k) Plan

We also sponsor a 401(k) Plan. The 401(k) Plan is a profit sharing plan that permits voluntary employee contributions on a pre-tax basis under section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, a participant may elect to defer, and have us contribute to his or her 401(k) Plan account, a portion of his or her compensation. The 401(k) Plan also provides that we may make a discretionary matching contribution, which for fiscal 2005 was a maximum of \$625 per participant. The 401(k) Plan's assets are held and managed by an independent trustee. Under the 401(k) Plan, participants have the right to direct the investment of employee and employer contributions among several investments. The investments include shares of our Common Stock, subject to limitations on certain executives.

Our discretionary matching contributions to a participant's account vest over five years and are held in trust until distributed pursuant to the terms of the 401(k) Plan. An employee is eligible to participate in the 401(k) Plan if he or she has attained age 19 and completed 1,000 hours of service within a 12 month period. Distributions from participant accounts are not permitted before age 59-1/2, except in the event of death, disability, separation from service, or certain financial hardships.

Compensation Committee Interlocks and Insider Participation

From January to November, 2005, the Compensation Committee was comprised of Kathryn L. Munro, G.D. Madden, and Mark Scudder, with Mr. Scudder serving as Chairman. In November 2005, Mr. Scudder resigned from the committee and Ms. Munro was appointed as the Chairperson of the Committee. Neither of the current members of the Compensation Committee nor Mr. Scudder is or has been an officer or employee of the Company. Mr. Scudder is a principal of Scudder Law Firm, which provided legal services to the Company in 2005 and which will provide such services in 2006. The amount of fees paid to Scudder Law Firm by the Company did not exceed 5% of Scudder Law Firm's gross revenues for the year ended December 31, 2005. During 2005, none of our executive officers served as a member of the board of

directors or compensation committee (or other committee performing equivalent functions) of any entity that had one or more executive officers serving as a member of our Board of Directors. *See* "Certain Relationships and Related Transactions" for a description of certain transactions between us and our other directors, executive officers, or their affiliates, and "Corporate Governance - The Board of Directors and Its Committees - Director Compensation" for a description of compensation of the members of the Compensation Committee.

The Compensation Committee of the Board of Directors has furnished the following Report on Executive Compensation:

Compensation Committee Report on Executive Compensation

Compensation Philosophy. The Compensation Committee is responsible for determining and approving the compensation of the Company's senior executive officers, including the Chief Executive Officer. The Committee seeks an overall compensation program that links executive compensation with the values, objectives, business strategy, management incentives, and financial performance of the Company. The Company's compensation program for senior executive officers generally consists of three components:

- a base salary;
- a performance-based annual cash bonus determined primarily by reference to objective financial and operating criteria; and
- long-term incentives in the form of stock option or other stock-based awards or grants.

Each element of the Company's compensation program serves a somewhat different purpose. The Committee's philosophy is to pay base salaries at levels that reward executives for ongoing performance and that enable the Company to attract, motivate, and retain highly qualified executives. The annual bonus program is designed to reward executives for their contributions to the Company's financial and operating performance and is based primarily upon the Company's financial results and certain operating statistics that the Committee identifies each year as important to the Company. Stock-based awards are intended to align executive and shareholder long-term interests by creating a strong and direct link between executive pay and shareholder return.

The Compensation Committee believes that the mix of short- and long-term compensation components described above enables the Company to attract and retain highly-qualified executives, reward those executives for their contributions to the Company's growth and profitability in specific ways, and ensure that the incentives of the Company's executives are aligned with the best interests of the Company's shareholders.

Compensation of the Chief Executive Officer. In July 2005, a specially constituted Compensation Committee of the Board of Directors of the Company, composed exclusively of outside directors, engaged Frederic W. Cook & Co., Inc. as an independent compensation consultant, to assist the Compensation Committee in establishing a compensation package for Kevin P. Knight, the Company's Chairman of the Board and Chief Executive Officer.

Based on its evaluation, the Committee adopted the following compensation package for the Chief Executive Officer. Certain components of the package were approved by the shareholders in December 2005. The Committee believes Mr. Knight's compensation is reasonable compared with the compensation paid to chief executive officers at similar companies.

Salary. The Committee approved an increase in the annual base salary of the Chief Executive Officer of \$80,000, to \$540,000, with such increase to be effective in August 2005. The Committee also approved an annual travel allowance, effective August 3, 2005, for the Chief Executive Officer, in an amount determined annually by the Committee and set at \$150,000 for 2005.

Bonus. The Committee recommended the adoption of a performance-based bonus opportunity for the Chief Executive Officer under which he was eligible to receive a maximum cash bonus equal to 60% of his new annual base salary. Under the bonus arrangement, the Chief Executive Officer's bonus opportunity was based upon specified revenue and earnings per share growth, the continued success of Knight Refrigerated, and the successful launch of Knight Brokerage.

Following the Company's announcement of financial results for the year ended December 31, 2005, the Compensation Committee determined that all of the objective elements under the 2005 bonus program for the Chief Executive Officer were satisfied. With regard to the components based upon the continued success of Knight Refrigerated and the successful launch of Knight Brokerage, the Committee also determined that a full award was appropriate, based upon the revenue and profitability of Knight Refrigerated and its successful acquisition of Edwards Bros. Inc., as well as the initial progress made by Knight Brokerage. As a result of the foregoing, the Committee approved a \$324,000 bonus for the Chief Executive Officer for 2005.

Stock Options. As noted above, the Compensation Committee believes there is considerable benefit in ensuring that a portion of the compensation of each of the Company's senior executives, particularly the CEO, is tied to the Company's long-term performance as reflected by appreciation in its stock price. As a result of its evaluation of Mr. Knight's overall compensation, the Committee determined that Mr. Knight's overall compensation, and in particular his equity compensation, had been lower than was warranted by the Company's performance and the compensation of other chief executive officers. Accordingly, on August 19, 2005, the special Compensation Committee approved a one-time grant of an option for prior services for Mr. Knight to purchase 750,000 shares (adjusted to give effect to a 3-for-2 stock split on December 23, 2005) of the Company's common stock at an exercise price equal to the closing price of the Company's stock on the date of grant, with the option vesting immediately and remaining exercisable for a term of ten (10) years after the date of the grant. The Committee also adopted a guideline that any annual stock option granted to the Chief Executive Officer for years after 2005, should fall within a range of 150% to 250% of the next higher annual stock option award made to the Company's senior executives, excluding the Chairman and Chief Executive Officer.

Compensation of Other Executive Officers. In August 2005, the Compensation Committee reviewed and made the following recommendations regarding the compensation of the Company's other senior executive officers:

Salaries. The Compensation Committee recommended that the annual base salary of (i) Timothy M. Kohl be increased \$45,000 in continued recognition of his promotion to the position of President of the Company and the increase in responsibilities attendant to his new position; (ii) Gary J. Knight, the Company's Vice Chairman, remain unchanged; (iii) Keith T. Knight, the Company's Executive Vice President and manager of its California operations, be increased \$25,000; (iv) Casey Comen, the Company's Executive Vice President of Sales, be increased \$50,000 in recognition of his increased responsibility over the sales department; and (v) Dave Jackson, the Company's Chief Financial Officer, be increased \$25,000.

Bonuses. The Compensation Committee recommended the adoption of a performance-based bonus opportunity under which Timothy M. Kohl was eligible to receive a cash bonus of up to 40% of his new base salary, and each of Gary J. Knight, Keith T. Knight, Casey Comen, and Dave Jackson was eligible to receive a cash bonus of up to 30% of his new base salary.

The factors used to determine the amount of bonus payments to these executives included specific sales and earnings growth targets, the successful expansion of new service centers, cash collection benchmarks, and other personal goals as determined by the Compensation Committee.

Based on the Company's financial results for 2005 and on evaluation of the other bonus criteria, the Company's executive officers other than the CEO achieved between 67% and 100% of their goals. Accordingly, the Compensation Committee approved 2005 bonuses in the following amounts: Timothy M. Kohl - \$116,000; Gary J. Knight - \$41,000; Keith T. Knight - \$63,000; Casey Comen - \$50,000; and Dave Jackson - \$20,000.

Stock Options. In 2005, the Compensation Committee granted the Company's executive officers, other than the CEO, an option to purchase shares of the Company's Common Stock, with an exercise price equal to the fair market value of the underlying Common Stock on the date of the grant, in the following amounts: Timothy M. Kohl - 37,500 shares; Casey Comen - 7,500 shares; Dave Jackson - 15,000 shares; Gary J. Knight - 22,500 shares; and Keith T. Knight 30,000 shares (all amounts have been adjusted to give effect to a 3-for-2 stock split on December 23, 2005).

Under our cash bonus plan adopted last year and approved by the shareholders in December 2005, future annual bonuses under the plan for all of our executive officers will be based primarily on objective criteria listed in the plan. In addition, the Compensation Committee may award cash bonuses for achievements outside the objective factors. However, such additional bonuses may not exceed one-third of the maximum amount achievable under the objective factors except in extraordinary circumstances.

The Committee believes that the annual salaries and other compensation of the Company's Chief Executive Officer and other senior executive officers described above were reasonable compared with the salaries and total compensation of other senior executive officers at similar companies.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Acquisition of Property from Affiliate

In September 2005, we purchased land and a building from a member of our Board of Directors for \$4.5 million. This transaction was approved by the Executive Committee of the Board of Directors after an appraisal, completed in March 2004, valued the property at an estimated \$4,525,000. The facility purchased is located at 5601 West Buckeye Road, Phoenix, Arizona and contains our corporate headquarters, along with several operating divisions. Prior to this purchase, we had been leasing this facility from this board member since our inception in 1989. The purchased property has additional space which is under long-term rental agreements with unrelated parties. These lease agreements have been assigned to us as part of the purchase agreement, and we will receive monthly rental income for this additional space of approximately \$22,000 per month.

Disposition of Investments in Affiliates

Concentrek. In April 1999, we invested \$200,000 to acquire a 17% equity interest in Concentrek, Inc. ("Concentrek"), which is a logistics company based in Jenison, Michigan, with the intent of investing in the non-asset transportation business. Kevin Knight, Gary Knight, Keith Knight, and Randy Knight were also investors in Concentrek, and collectively held approximately 43% of Concentrek's issued and outstanding stock. Our investment in Concentrek was approved by a majority of our Outside Directors. In September 2005, we sold 100% of our investment interest in Concentrek after conducting arms-length negotiations with unrelated parties. The Board of Directors reviewed and approved this sale. We received proceeds from the sale that satisfied all outstanding loans and investments in Concentrek, which resulted in a net gain of approximately \$600,000.

Knight Flight. In November 2000 we acquired a 19% interest in Knight Flight Services, LLC ("Knight Flight") which purchased and operates a Cessna Citation 560 XL jet aircraft. We originally invested \$1.7 million in Knight Flight to assure access to charter air travel for the Company's employees. The remaining 81% interest in Knight Flight was owned by Randy Knight, Kevin Knight, Gary Knight, and Keith Knight. In 2003, we recorded an approximate \$300,000 reduction in the carrying value of our investment in Knight Flight to more closely reflect the fair value of the primary asset of that entity. In June 2005, we sold 100% of our investment interest in Knight Flight to related parties at its book value of approximately \$1.4 million, which did not result in a gain or loss. The purchase price for the sale of our interest in Knight Flight was based upon its book value, and the terms of this transaction were approved by our Nominating and Corporate Governance Committee.

Other Transactions with Affiliates

The Knight family has been involved in the transportation business for a number of years, and family members of Kevin Knight, Gary Knight, Keith Knight, and Randy Knight have been employed by us since our inception. The Knight family members are employed on the same terms and conditions as non-related employees. During 2005, we employed and compensated in excess of \$60,000 in total compensation four individuals who are related to our principal shareholders and senior executive officers. The aggregate total compensation paid to these four individuals in 2005 was \$391,423.

See "Executive Compensation - Compensation Committee Interlocks and Insider Participation" for a description of transactions between us and members of our Compensation Committee or their affiliates.

**PROPOSAL NO. 2. - RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed Deloitte & Touche LLP ("Deloitte & Touche") to serve as the Company's principal independent registered public accounting firm for fiscal 2006. Deloitte & Touche also served as our principal independent registered public accounting firm in fiscal 2005. At the Annual Meeting, our shareholders are being asked to ratify the appointment of Deloitte & Touche as the Company's independent registered public accounting firm for fiscal 2006. A representative of Deloitte & Touche is expected to be present at the Annual Meeting and to be available to respond to appropriate questions, and such representative will have an opportunity to make a statement at the Annual Meeting if he or she desires to do so.

Approval by our shareholders of the appointment of the Company's independent registered public accounting firm is not required by law, any applicable NYSE rule, or by the Company's organizational documents, but the Board of Directors is submitting this matter to our shareholders for ratification as a corporate governance practice. Ultimately, the Audit Committee retains full discretion and will make all determinations with respect to the appointment and retention of the independent registered public accounting firm.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF
THE APPOINTMENT OF DELOITTE & TOUCHE AS THE COMPANY'S INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM.**

CHANGE IN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As previously reported in our Current Report on Form 8-K filed with the SEC on March 23, 2004, KPMG LLP ("KPMG") resigned as our principal independent registered public accounting firm on March 16, 2004. The resignation related to an inability of KPMG and the Audit Committee of the Company's Board of Directors to reach an agreement on audit and related fees for fiscal 2004.

The report issued by KPMG in connection with our financial statements for the fiscal years ended December 31, 2003, and December 31, 2002, respectively, did not contain an adverse opinion or a disclaimer of opinion, nor was either such report qualified or modified as to uncertainty, audit scope, or accounting principles, except the fiscal 2003 audit report of KPMG contained the following explanatory paragraph:

The consolidated financial statements of Knight Transportation, Inc. and subsidiaries as of December 31, 2001 and for the year then ended were audited by other auditors who have ceased operations. As described in Note 1, these consolidated financial statements have been revised to include the transitional disclosures required by Statement of Financial Accounting Standards No. 142, *Goodwill and Other Intangible Assets*, which was adopted by the Company as of January 1, 2002. In our opinion, the disclosures for 2001 in Note 1 are appropriate. However, we were not engaged to audit, review, or apply any procedures to the 2001 consolidated financial statements of Knight Transportation, Inc. and subsidiaries other than with respect to such disclosures and, accordingly, we do not express an opinion or any other form of assurance on the 2001 consolidated financial statements taken as a whole.

During the fiscal years ended December 31, 2003 and December 31, 2002, and the subsequent interim period preceding KPMG's resignation on March 16, 2004, there was no disagreement with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of KPMG, would have caused KPMG to make a reference to the subject matter of such disagreement in connection with its reports, and there occurred no "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K.

We have provided KPMG with a copy of the foregoing statements. A copy of KPMG's letter to the SEC, dated March 23, 2004, stating its agreement with such statements was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the SEC on March 23, 2004.

As previously reported in our Current Report on Form 8-K filed with the SEC on April 12, 2004, on that date the Audit Committee approved the engagement of Deloitte & Touche as the our principal independent registered public accounting firm for fiscal 2004.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table shows the fees for professional services provided by Deloitte & Touche and KPMG for the audit of our annual financial statements and internal control over financial reporting for the fiscal year ended December 31, 2005, the audit of our annual financial statements for the fiscal year ended December 31, 2004, and the review of financial statements included in our quarterly reports on Form 10-Q during those periods, as well as fees billed by Deloitte & Touche and KPMG for other services rendered during those periods:

Since July 30, 2002, our Audit Committee has maintained a policy pursuant to which it pre-approves all audit, audit-related, tax, and other permissible non-audit services provided by our principal independent registered public accounting firm in order to assure that the provision of such services is compatible with maintaining the accounting firm's independence. Under this policy, the Audit Committee pre-approves, on an annual basis, specific types or categories of engagements constituting audit, audit-related, tax, or other permissible non-audit services to be provided by the principal independent registered public accounting firm. Pre-approval of an engagement for a specific type or category of services generally is provided for up to one year and typically is subject to a budget comprised of a range of anticipated fee amounts for the engagement. Management and the independent registered public accounting firm are required to periodically report to the Audit Committee regarding the extent of services provided by the accounting firm in accordance with the annual pre-approval and the fees for the services performed to date. If management believes that a new service, or the expansion of a current service, provided by the principal independent registered public accounting firm is necessary or desirable then such new or expanded services are presented to the Audit Committee for its review and approval prior to the engagement of the accounting firm to render such services. No audit-related, tax, or other non-audit services were approved by the Audit Committee pursuant to the *de minimus* exception to the pre-approval requirement under Rule 2-01, paragraph (c)(7)(i)(C), of Regulation S-X during the fiscal year ended December 31, 2005.
