Item 3.03

Material Modifications to Rights of Security Holders.

As more fully described in Item 5.07 of this report, at a special meeting of stockholders of The Monarch Cement Company held on Friday, December 5, 2014, the Company's stockholders approved the following matters:

An amendment to the Company's Articles of Incorporation, whereby the Company will effect a 1-for-600 reverse stock split (the "Reverse Stock Split") of its capital stock, par value \$2.50 per share (the "Capital Stock"), and Class B capital stock, par value \$2.50 per share (the "Class B Capital Stock" and, together with the Capital Stock, the "Stock"), and as a result of which each stockholder owning of record fewer than 600 shares of either class of Stock before the Reverse Stock Split will have the shares of such class cancelled and converted into the right to receive \$30.00 for each share of such class held of record prior to the Reverse Stock Split in lieu of receiving a fractional post-Reverse Stock Split share of such class; and

An amendment to the Company's Articles of Incorporation to take effect immediately following the Reverse Stock Split, whereby the Company will effect a 600-for-1 forward stock split (the "Forward Stock Split" and, together with the Reverse Stock Split, the "Reverse/Forward Stock Split") of each one issued and outstanding share of its Capital Stock and Class B Capital Stock (and including each fractional share of such class in excess of one share).

On December 5, 2014, the Company filed with the Secretary of State of the State of Kansas:

A Certificate of Amendment to the Company's Articles of Incorporation to effect the Reverse Stock Split at 6:00 p.m. Central Time on December 17, 2014 (a copy of which Certificate of Amendment is attached hereto as Exhibit 3.1 and incorporated herein by reference); and

A Certificate of Amendment to the Company's Articles of Incorporation to effect the Forward Stock Split at 6:01 p.m. Central Time on December 17, 2014 (a copy of which Certificate of Amendment is attached hereto as Exhibit 3.2 and incorporated herein by reference).

As a result of the filing of the two Certificates of Amendment referred to above:

Each holder of record of fewer than 600 shares of our Capital Stock or Class B Capital Stock immediately before the effective time of the Reverse Stock Split will be eligible to receive a cash payment of \$30.00 (subject to any applicable U.S. federal, state and local withholding tax) per pre-Reverse Stock Split share of such class of Stock, without interest, and will no longer be a stockholder of the Company with respect to such class; and

Any holder of record of 600 shares or more of either class of our Stock immediately prior to the effective time of the Reverse Stock Split will not receive any cash payment with respect to such class of Stock in connection with the Reverse Stock Split, and the number of shares of such class of Stock held by such stockholder will not change as a result of the Reverse/Forward Stock Split.

Stockholders who hold their shares in street name, through a broker, bank or other nominee, will be treated in accordance with the procedures of their nominee, but the Company intends that Stock held in street name will be treated in the same manner as Stock that is held of record.

As a result of the effectiveness of the Reverse Stock Split on December 17, 2014, we anticipate that the Company will have fewer than 300 stockholders of record of each class of our Stock and, in that case, the Company then would be eligible to terminate the registration of our Stock under the Securities Exchange Act of 1934. The Company intends thereupon to file a Form 15 with the Securities and Exchange Commission for that purpose. Upon the filing of a Form 15 with respect to its Stock, the Company's obligation to file periodic and current reports under the Securities Exchange Act of 1934 would be immediately suspended. We anticipate that deregistration of the Company's Stock would be effective 90 days after the date of that filing, and thereupon the Company's obligation to comply with the requirements of the proxy rules and to file proxy statements under Section 14 of the Exchange Act will be terminated.

The above description of the Certificates of Amendment referred to above, the Reverse Stock Split and the Forward Stock Split is qualified in its entirety by reference to the two Certificates of Amendment, a copy of which are attached hereto as Exhibits 3.1 and 3.2, respectively.

2. A proposal to approve, subject to stockholder approval of Proposal 1 above and final action by the Board of Directors, an amendment to the Company's Articles of Incorporation to take effect immediately following the Reverse Stock Split, whereby the Company will effect a 600-for-1 Forward Stock Split of each one issued and outstanding share of its Capital Stock and Class B Capital Stock (and including each fractional share of such class in excess of one share).
