Item 8.01 – Other Events.

The filing of the Company's Form 10-K, including its audited financial statements, for the fiscal year ended June 30, 2010 has been delayed due to the fact that the Company has not been able to complete the necessary audits required. In June 2010, the Company acquired RTR Global Investments LLC as its wholly owned subsidiary. The Company is in the process of completing the necessary audits of RTR Global's financial statements to allow for consolidated financial statements for both companies to be included in our Form 10-K. We plan to file the Form 10-K as soon as the audited consolidated financial statements are available.

The filing of the Form 10-Q for the first quarter ended September 30, 2010 is also delayed pending the completion of the audit of RTR Global's financial statements.
