-
- (A) Member of Audit Committee
 - (C) Member of Compensation Committee
 - (E) Member of Executive Committee
 - (N) Member of Nominating and Corporate Governance Committee

During the fiscal year ended October 31, 2003, the Directors held six meetings. The Directors have four standing committees: an Audit Committee, a Compensation Committee, an Executive Committee and a Nominating and Corporate Governance Committee. Each Director attended at least 75% of the aggregate total number of meetings held during the fiscal year by the Directors and by all committees of which such Director is a member.

The Audit Committee consists of three non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities. The Committee's primary duties are to: (i) monitor the integrity of the Company's financial statements, financial reporting processes and systems of internal controls regarding finance and accounting matters; (ii) monitor the Company's compliance with legal and regulatory requirements relating to the foregoing; (iii) monitor the independence and performance of the Company's independent auditors and internal auditing function; (iv) provide an avenue of communication among the Board, the independent auditors, management and persons responsible for the internal audit function; and (v) prepare an Audit Committee report as required by the

SEC to be included in the Company's annual proxy statement. The Board of Directors has approved a written charter for the Audit Committee, the full text of which is attached to this Proxy Statement as Appendix A. The charter may also be viewed on the Company's website at <http://www.ubproperties.com>. The Audit

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

Committee has sole authority to appoint, retain, oversee and, when appropriate, terminate the independent auditors of the Company. The Committee reviews with management and the independent auditors the Company's quarterly financial statements and internal accounting procedures and controls, and reviews with the independent auditors the scope and results of the auditing engagement. Messrs. Robert R. Douglass, Peter Herrick and George J. Vojta are the current members of the Audit Committee. The Board of Directors has determined that Mr. Peter Herrick, Chair of the Committee, meets the standards of an "Audit Committee Financial Expert" as that term is defined under the Sarbanes-Oxley Act of 2002.

The Compensation Committee consists of three non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The Compensation Committee held one meeting during the fiscal year ended October 31, 2003. Key responsibilities of the Compensation Committee include: (i) reviewing the Company's overall compensation strategy to assure that it promotes shareholder interests and supports the Company's strategic objectives; (ii) reviewing and approving corporate goals and objectives relevant to compensation of the Company's Chief Executive Officer and President, evaluating those officers' performance in light of those goals and objectives and establishing the compensation of the Company's Chief Executive Officer; (iii) reviewing and recommending to the Board compensation for Directors; (iv) administering the Company's Stock Option Plan and Restricted Stock Plan and approving bonus or cash incentive plans used to compensate officers and other employees; and (v) preparing a report to be included in the Company's annual proxy statement. The Board of Directors has approved a written charter for the Compensation Committee, the text of which may be viewed on the Company's website at <http://www.ubproperties.com>. Messrs. E. Virgil Conway, Robert R. Douglass and George H. C. Lawrence are the current members of the Compensation Committee.

The Executive Committee held two meetings during the fiscal year ended October 31, 2003. In general, the Executive Committee may exercise such powers of the Directors between meetings of the Directors as may be delegated to it by the Directors (except for certain powers of the Directors which may not be delegated). Messrs. Willing L. Biddle, Peter Herrick, Charles D. Urstadt and Charles J. Urstadt are the current members of the Executive Committee.

The Nominating and Corporate Governance Committee was chartered after the close of the fiscal year ended October 31, 2003 and accordingly did not meet during that fiscal year. The Nominating and Corporate Governance Committee consists of five non-employee Directors, each of whom is independent as defined in the listing standards (as amended from time to time) of the New York Stock Exchange. The principal responsibilities of the Nominating and Corporate Governance Committee are to: (i) establish criteria for Board membership and selection of new Directors; (ii) recommend nominees to stand for election to the Board, including incumbent Board members and candidates for new Directors; (iii) develop and recommend a set of corporate governance principles and evaluate compliance by management and the Board with those principles and the Company's Code of Business Conduct and Ethics; and (iv) with the assistance of the Chief Executive Officer and other members of the Board, develop and periodically review succession planning for the Chief Executive Officer.

Nominees for the Board are typically identified by non-management members of the Board. The Committee will consider written recommendations from shareholders of the Company regarding potential nominees for election as Directors and the Committee does not intend to evaluate such nominees any differently than other nominees to the Board. The Nominating and Corporate Governance Committee does not have specific minimum qualifications for Committee-recommended Director nominees. However, the Committee expects to adopt formal, specific objective criteria prior to consideration of Director nominees for the 2005 Annual Meeting of Shareholders. Consistent with past practice, the Board anticipates that minimum criteria will include the following:

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

- a candidate's demonstrated integrity and ethics consistent with the Company's Code of Business Conduct and Ethics;
- a candidate's willingness to represent the best interests of all of the Company's shareholders and not just a particular constituency; and
- a candidate's willingness and ability to participate fully in Board activities, including active membership and attendance at Board meetings and participation in at least one committee of the Board.

6

The Board has not adopted a numerical limit on the number of public company boards on which its Directors may serve; however, the Committee will consider the demands on a candidate's time in selecting nominees. In addition, the Committee will take into consideration such other factors as it deems appropriate, including:

- the appropriate size and diversity of the Company's Board of Directors;
- the needs of the Company with respect to the particular talents and experience of its Directors and the interplay of the candidate's experience with that of other Board members;
- a candidate's judgment, skill and experience with businesses and organizations comparable to the Company; and
- a candidate's experience in real estate, business, finance, accounting rules and practices, law and public relations.

The Company requires that at least a majority of its Directors satisfy the independence criteria established by the NYSE and any applicable SEC rules, as they may be amended from time to time. In addition, the Committee will consider the financial literacy and financial background of nominees to ensure that the Board has at least one "audit committee financial expert" on the Audit Committee and that Board members who might serve on the Audit Committee satisfy the financial literacy requirements of the NYSE. The Committee believes it appropriate for at least one key member of the Company's management to participate as a member of the Board.

Shareholders can suggest qualified candidates for Director by writing to the Company's corporate secretary at 321 Railroad Avenue, Greenwich, CT 06830. Submissions timely received (as described under "Other Matters" on page 26) and which comply with the criteria outlined in the preceding paragraphs will be forwarded to the Chairperson of the Nominating and Corporate Governance Committee for review and consideration.

Mr. Mueller is being nominated for election to the Board for the first time. Mr. Mueller was initially brought to the attention of the Board of Directors by a non-management Director prior to the formation and chartering of the Nominating and Corporate Governance Committee. Mr. Mueller's nomination and the nomination of three currently serving Directors was made by the Board, acting as a whole, with Messrs. Biddle, C.D. Urstadt and C.J. Urstadt, being all of the non-independent Directors, abstaining from the vote.

The Board of Directors has approved a written charter for the Nominating and Corporate Governance Committee, the text of which may be viewed on the Company's website at <http://www.ubproperties.com>. Messrs. E. Virgil Conway, Robert R. Douglass, Peter Herrick, George H. C. Lawrence and George J. Vojta are the current members of the Nominating and Corporate Governance Committee.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Directors and officers, and persons who own more than 10% of a

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

registered class of the Company's equity securities, to file initial reports of ownership and reports of changes in ownership of such equity securities with the Securities and Exchange Commission ("SEC"). Such persons are also required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that, with respect to the period from November 1, 2002 through October 31, 2003, its Directors, officers and greater than 10% beneficial owners complied with all Section 16(a) filing requirements, except that a Form 4 filing for Mr. Biddle, relating to the acquisition of 555 shares of Common Stock by Mr. Biddle's wife and 1,070 shares of Common Stock by a trust for the benefit of the issue of Mr. Biddle and for which Mr. Biddle is a co-trustee, was inadvertently not filed, but was later reported in a Form 5 filing.

At the Annual Meeting, the stockholders of the Company will be requested to elect four Directors, one belonging to Class II and three comprising Class I. The affirmative vote of the holders of not less than a majority of the total combined voting power of all classes of stock entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting, subject to quorum requirements, will be required to elect a Director.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR
APPROVAL OF THE NOMINEES FOR ELECTION AS DIRECTORS.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS OF THE COMPANY

Ernst & Young LLP, independent auditors, provided auditing and other professional services to the Company during the fiscal year ended October 31, 2003.

The Audit Committee has, subject to ratification by the stockholders of the Company, appointed Ernst & Young LLP to audit the financial statements of the Company for the ensuing fiscal year and recommends to the stockholders that such appointment be ratified. Representatives of Ernst & Young LLP will be present at the Annual Meeting with the opportunity to make a statement if they so desire. Such representatives will also be available to respond to appropriate questions.

The affirmative vote of the holders of not less than a majority of the total combined voting power of all classes of stock entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting, subject to quorum requirements, will be required to ratify the appointment of Ernst & Young LLP as independent auditors of the Company.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR
RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP
AS INDEPENDENT AUDITORS OF THE COMPANY.

PROPOSAL 3 AMENDMENT OF THE DIVIDEND REINVESTMENT AND SHARE PURCHASE PLAN

The Company first adopted the Dividend Reinvestment and Share Purchase Plan (the "DRIP Plan") in 1982 and registered 500,000 shares of Common Stock for issuance under the DRIP Plan. The principal purpose of the DRIP Plan is to provide all

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

holders of Class A Common Shares and Common Shares with a convenient and economical way to purchase additional Class A Common Shares and Common Shares, respectively, without the payment of brokerage commissions or service charges. In 1994, the Board of Directors of the Company approved an increase in the number of shares to be authorized under the DRIP Plan and registered an additional 250,000 shares of Common Stock for issuance under the DRIP Plan. Following the creation of the Class A Common Stock in 1998, the Board approved and registered an additional 250,000 shares of Class A Common Stock for issuance under the DRIP Plan.

As of January 5, 2004, there remained 143,534 Class A Common Shares and 81,627 Common Shares available for issuance under the DRIP Plan.

As a result of two public offerings of additional Class A Common Shares within the last two years as well as increased demand for participation in the DRIP Plan by holders of Common Shares, the Board of Directors has approved an amendment to the DRIP Plan, subject to approval of the stockholders, to increase the number of shares registered for issuance under the DRIP Plan by an additional 400,000 shares each of Class A Common Shares and Common Shares.

Set forth below is a summary of the principal provisions of the DRIP Plan.

Summary of the Dividend Reinvestment and Share Purchase Plan

Reinvestment of Dividends. Participants may reinvest cash dividends on all Class A Common Shares or Common Shares registered in their names in additional Class A Common Shares or Common Shares, respectively. Participants also may reinvest cash dividends on less than all Class A Common Shares and Common Shares registered in their names in additional Class A Common Shares and Common Shares, respectively, and continue to receive cash dividends on the remaining Class A Common Shares and Common Shares. The reinvestment of dividends is made on the date when the dividend becomes payable. Participants become owners of Class A Common Shares or Common Shares purchased under the DRIP Plan as of the date of purchase. The price of Class A Common Shares or Common Shares purchased from the Company with participants' reinvested cash dividends (the "Purchase Price") is determined by the higher of (x) 95% of the closing price of the Class A Common Shares or Common Shares, as applicable, on the dividend payment date or (y) 100% of the average of the daily high and low sales prices of the Class A Common Shares or Common Shares, as applicable, for the period of five trading days ending on the dividend payment date (in each case as reported on the New York Stock Exchange Composite Tape). If

8

there is no trading in the Class A Common Shares or the Common Shares on the NYSE for a substantial amount of time during any trading day in the five-day period, or if reporting on the New York Stock Exchange Composite Tape is subject to reporting error, the applicable Purchase Price will be determined by the Company on the basis of such market quotations as the Company and the agent who administers the DRIP Plan deem appropriate. Should daily high and low prices of the Class A Common Shares or Common Shares no longer be reported for the New York Stock Exchange-Composite Transactions, then the Company, upon consultation with the Agent, will identify such other public reports or sources as the Company deems appropriate to obtain daily trading prices of its Class A Common Shares and Common Shares. Holders of Class A Common Shares and Common Shares who do not choose to participate in the DRIP Plan continue to receive cash dividends, as declared.

Source of Class A Common Shares and Common Shares and Use of Funds. Class A Common Shares and Common Shares purchased under the DRIP Plan come from authorized, but unissued Class A Common Shares and Common Shares of the Company.

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

Class A Common Shares and Common Shares will not be purchased in the open market. Since shares are purchased from the Company, the Company will receive additional funds to make investments in real estate and for other purposes.

Administration of the DRIP Plan. The Bank of New York (the "Agent") administers the DRIP Plan for participants, keeps records, sends statements of account to participants after each purchase and performs other duties relating to the DRIP Plan. The Agent purchases Class A Common Shares or Common Shares from the Company, as agent for the participants in the DRIP Plan and credits the shares to the accounts of the individual participants. All costs of administration of the DRIP Plan are paid by the Company. There are no brokerage fees for purchase of Class A Common Shares or Common Shares because shares are purchased directly from the Company. However, if a participant requests the Agent to sell shares in the event of the participant's withdrawal from the DRIP Plan, the Agent deducts any brokerage commissions and transfer taxes incurred. Also, brokers and nominees may impose charges or fees in connection with their handling of participation in the DRIP Plan by nominee and fiduciary accounts.

Federal Income Tax Consequences. For U.S. federal income tax purposes, distributions paid by the Company which are reinvested in additional Class A Common Shares or Common Shares are treated in the same manner as normal cash distributions. Distributions that are designated as capital gain dividends are taxable as long-term capital gain to the extent of the Company's net capital gain for the year, regardless of how long the participant has held the underlying shares. Distributions other than capital gain dividends generally are taxable as ordinary income to the extent of the Company's current and accumulated earnings and profits. If the Company makes distributions in excess of its current and accumulated earnings and profits, such distributions constitute nontaxable returns of capital to the extent of the participant's tax basis in the shares with respect to which the distributions are paid, and taxable gain to the extent of any excess. The participant's tax basis in shares generally will equal the amount that the participant paid for such shares.

Participants will recognize gain or loss upon a sale, redemption or other taxable disposition of Class A Common Shares or Common Shares, such as when shares are sold either by the participant or by the Agent at the participant's request when the participant withdraws from the DRIP Plan or when the participant receives a cash payment for a fractional share credited to the participant's account upon withdrawal from or termination of the DRIP Plan. Such gain or loss generally is measured by the difference between the amount realized on the taxable disposition of the shares and the participant's basis in such shares. In general, capital gain realized by a U.S. individual, estate or trust on a taxable disposition of Class A Common Shares or Common Shares that are held (i) for one year or less will be treated as short-term capital gain taxable at ordinary income rates, or (ii) for more than one year will be subject to a maximum tax rate of 15 percent. For corporations, capital gains are generally taxed at the same rate as ordinary income.

In general, capital losses realized by a corporate holder of Class A Common or Common Shares on a taxable disposition of Class A Common or Common Shares are deductible only against capital gains. A noncorporate holder of Class A Common or Common Shares (i.e., an individual, estate or trust) is subject to a similar rule, except that he or she may deduct up to \$3,000 of excess capital losses against ordinary income each year. The net capital losses of a corporate holder of Class A Common or Common Shares not allowed in the year realized generally may be carried back three years and carried forward five years from the loss year. The capital losses of a noncorporate holder of Class A Common or Common Shares may not be carried back, but such losses may be carried forward indefinitely.

The summary above discusses only U.S. Federal income tax considerations relating to the ownership of Class A Common or Common Shares and participation in the DRIP Plan. This summary is based on the provisions of the Internal Revenue Code of 1986, as amended, and regulations, rulings and judicial decisions thereunder, as in effect on the date hereof. In particular, this summary does not address the tax treatment of holders of Class A Common or Common Shares who are subject to special tax rules, including, without limitation, dealers in securities, insurance companies, banks, tax-exempt entities or qualified pension and profit-sharing plans. Holders of Class A Common or Common Shares are advised to consult their own tax advisers as to the U.S., state, local and other tax consequences of the ownership of Class A Common or Common Shares and participation in the DRIP Plan.

The affirmative vote of the holders of not less than a majority of the total combined voting power of all classes of stock entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting, subject to quorum requirements, will be required to amend the DRIP Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR
THE AMENDMENT OF THE DIVIDEND REINVESTMENT AND SHARE PURCHASE PLAN

PROPOSAL 4
AMENDMENT OF THE RESTRICTED STOCK AWARD PLAN

In 2002, the shareholders of the Company approved an Amended and Restated Restricted Stock Award Plan (the "Plan") which amended and restated the Company's Restricted Stock Award Plan originally adopted in 1997 and amended in 2000. The principal purpose of the Plan is to promote the long-term growth of the Company by attracting, retaining and motivating directors and key management personnel possessing outstanding ability and to further the identity of the interests of such personnel with those of the Company's stockholders through stock ownership opportunities. Pursuant to the Plan, directors and management personnel of the Company, selected by the Compensation Committee, may be issued restricted stock awards.

As of January 5, 2004, awards representing 301,125 shares of Class A Common Stock and 685,000 shares of Common Stock had been issued under the Plan and there remained 48,875 shares of Class A Common Stock and 15,000 shares which, at the discretion of the Compensation Committee, may be awarded in any combination of Class A Common Stock and Common Stock, available for future awards.

In order to be able to continue to attract, retain and motivate qualified individuals as directors and officers of the Company, the Board of Directors has approved, subject to stockholder approval, an amendment to the Plan that would increase the maximum number of shares of restricted stock available for issuance thereunder from 1,050,000 common shares (350,000 shares each of Class A Common Stock and Common Stock and 350,000 shares which, at the discretion of the Compensation Committee administering the Plan, may be awarded in any combination of Class A Common Stock or Common Stock) to 1,650,000 common shares, of which 350,000 shares shall be Class A Common Stock, 350,000 shares shall be Common Stock and 950,000 shares, at the discretion of the Compensation Committee administering the Plan, shall be any combination of Class A Common Stock or Common Stock.

Set forth below is a summary of the principal provisions of the Plan.

Summary of the Restricted Stock Award Plan

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

Grant of Restricted Stock Awards. If Proposal 4 is approved, the Compensation Committee would be authorized to grant restricted stock awards up to 1,650,000 common shares (350,000 shares each of Class A Common Stock and Common Stock and 950,000 shares which, at the discretion of the Compensation Committee, may be awarded in any combination of Class A Common Stock or Common Stock). The participants eligible to receive the restricted stock awards are management personnel selected by the Compensation Committee, in its discretion, who are considered to have significant responsibility for the growth and profitability of the Company as well as Directors.

10

Principal Terms and Conditions of Restricted Stock Awards. Each restricted stock award will be evidenced by a written agreement, executed by both the relevant participant and the Company, setting forth all the terms and conditions applicable to such award as determined by the Compensation Committee. Such terms and conditions shall include (i) the length of the restricted period of the award; (ii) the restrictions applicable to the award, including without limitation the employment or retirement status rules governing forfeiture, and the prohibition against the sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period; and (iii) the eligibility to share in dividends and other distributions paid to the Company's shareholders during the restricted period.

Lapse of Restrictions. If a participant's status as an employee or non-employee Director of the Company is terminated by reason of death or disability, the restrictions shall lapse on such date. If such status as an employee or non-employee Director is terminated prior to the lapse of the restricted period by reason of retirement, the restricted period will continue as if the participant had remained in the employment of the Company. The Compensation Committee has the authority to accelerate the time at which the restrictions may lapse whenever it considers that such action is in the best interests of the Company and of its stockholders, whether by reason of changes in tax laws, a "change in control" as defined in the Plan or otherwise.

Tax Consequences. The Company is required to withhold taxes to comply with federal and state laws applicable to the value of restricted shares when they are released from risk of forfeiture. Upon the lapse of the applicable restrictions, the value of the restricted stock will be taxable to the relevant participant as ordinary income and deductible by the Company.

Compliance with SEC Requirements. No certificates for shares distributed under the terms of the Plan shall be executed and delivered to participants until the Company shall have taken any action then required to comply with the Securities Act of 1933, as amended, the Exchange Act and applicable SEC requirements.

Adjustments to the Plan. If the Company subdivides or combines its outstanding shares of Class A Common Stock or Common Stock into a greater or lesser number of shares or if the Compensation Committee shall determine that a stock dividend, reclassification, business combination, exchange of shares, warrants or rights offering to purchase shares or other similar event affects the shares of the Company such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan, the Compensation Committee may make adjustments to the number and class of shares which may be awarded and the number and class of shares subject to outstanding awards under the Plan.

(1) On August 14, 1998, the Company paid a stock dividend in the form of one share of Class A Common Stock for each outstanding share of Common Stock (the "Stock Dividend"). In connection with the Stock Dividend, each of the directors' options to purchase shares of Common Stock awarded prior to the Stock Dividend (each an "Existing Option") is deemed to be, upon his election with respect to each Existing Option: (i) an option (each, a "Common Stock Option") to purchase such number of shares of Common Stock as shall be equal in aggregate fair market value to the aggregate fair market value of the shares of Common Stock issuable pursuant to the related Existing Option; (ii) an option (each, a "Class A Stock Option") to purchase such number of shares of Class A Common Stock as shall be equal in aggregate fair market value to the aggregate fair market value of the

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

shares of Common Stock issuable pursuant to the related Existing Option; or (iii) an option (each, a "Combination Option") to purchase such number of shares of Common Stock and such number of shares of Class A Common Stock, in each case, as shall be equal to the number of shares of Common Stock issuable pursuant to the related Existing Option.

The exercise price for the purchase of one share of Common Stock and/or one share of Class A Common Stock pursuant to any Common Stock Option, Class A Stock Option or Combination Option has been set according to the proportional allocation of the exercise price for the purchase of one share of Common Stock pursuant to the related Existing Option, such proportional allocation being determined according to the fair market values of the underlying shares of Common Stock (ex-Stock Dividend) and Class A Common Stock.

The figures presented in this column (except for those relating to Charles J. Urstadt, Willing L. Biddle, James R. Moore and Raymond P. Argila) assume, in connection with the determination of the number of Common Shares issuable upon exercise of options exercisable within 60 days by the respective individuals listed below, that such individuals will elect the Common Stock Option with respect to all of such options. If any such individual elects the Combination Option or the Class A Stock Option with respect to any or all of such options, the number of Common Shares issuable upon exercise of options exercisable within 60 days, the total number of Common Shares beneficially owned and the Percent of Class would be less for such individual.

(2) The figures presented in this column (except for those relating to Charles J. Urstadt, Willing L. Biddle, James R. Moore and Raymond P. If any such individual elects the Combination Option or the Common Stock Option with respect to any or all of such options, the number of Class A Common Shares issuable upon exercise of options exercisable within 60 days, the total number of Class A Common Shares beneficially owned and the Percent of Class would be less for such individual.

The aggregate number of shares of restricted stock held on October 31, 2003 and the value thereof as of such date were as follows: Urstadt, 90,000 Class A Common Shares and 200,000 Common Shares (\$3,859,500); Biddle, 106,250 Class A Common Shares and 243,750 Common Shares (\$4,657,188); Moore, 48,500 Class A Common Shares and 21,500 Common Shares (\$940,975); and Argila, 14,000 Class A Common Shares and 6,000 Common Shares (\$268,900). Dividends on shares of restricted stock are paid as declared. During the year ended October 31, 2003, Mr. Moore became fully vested in 5,750 shares each of Class A Common Stock and Common Stock that were granted as restricted stock in 1998. Mr. Argila became fully vested in 2,500 shares each of Class A Common Stock and Common Stock that were granted as restricted stock in 1998.

(2) Consists of a discretionary contribution by the Company to the Company's Profit Sharing and Savings Plan (the "401(k) Plan") allocated to an account of the named executive officer and related excess benefit compensation.

Director Compensation

Other than Messrs. C.J. Urstadt and Biddle, each Director is entitled to an

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

annual retainer of \$18,000 and compensation of \$1,500 for each Director meeting and each committee meeting attended. The chairmen of the Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee each are entitled to an additional annual retainer of \$3,000.

Excess Benefits and Deferred Compensation Plan

Effective November 1, 1996, the Directors adopted the Urstadt Biddle Properties Inc. Excess Benefit and Deferred Compensation Plan, a non-qualified deferred compensation plan. The Plan is intended to provide eligible employees with benefits in excess of the amounts which may be provided under the Company's tax-qualified Profit Sharing and Savings Plan (a 401(K) plan), and to provide such employees with the opportunity to defer receipt of a portion of their compensation. Participation is limited to those employees who earn above the limit on compensation under the Company's Profit Sharing and Savings Plan, currently \$200,000.

Under the Plan, a participant is credited with an amount equal to the contributions which would have been credited to the participant if the \$200,000 compensation limitation under the Profit Sharing and Savings Plan did not apply.

Amounts credited under the Plan vest under the same rules as under the Profit Sharing and Savings Plan. In addition, each Participant may elect to defer the receipt of a portion of his or her compensation until a later date. Amounts credited under the Plan are increased with interest at a rate set from time to time by the Compensation Committee. For the fiscal year ended October 31, 2003, the Company paid interest on deferred compensation accounts at a rate based upon the rate of interest applicable to United States Ten Year Treasury Notes plus two percent. In the event of a change of control (as defined in the Plan), the Compensation Committee may in its discretion accelerate the vesting of benefits under the Plan.

Effective as of January 1, 2000, the Excess Benefit and Deferred Compensation Plan was amended by creating a trust to hold funds allocated under the Plan. Members of the Compensation Committee act as trustees of the trust. Eligible participants in the Plan may elect to have all or a portion of their deferred compensation accounts in the Plan invested in the Company's Class A Common Stock, Common Stock or such other securities as may be purchased by the trustees in their discretion.

Change of Control Agreements

The Company has agreements with each of its executive officers, including Messrs. Urstadt, Biddle, Moore and Argila, under which, in certain circumstances following a Change of Control of the Company (as defined in such agreements), the Company would pay severance benefits to such persons. If, within 18 months following the Change of Control, the Company terminates the executive's employment other than for cause, or if the executive elects to terminate his employment with the Company for reasons specified in the agreement, the Company will make a severance payment equal to a portion of such person's base salary, together with medical and other benefits during such period. Messrs. Urstadt, Biddle, Moore and Argila would each receive a severance payment equal to their respective twelve month salaries plus benefits. The salaries of Messrs. Urstadt, Biddle, Moore and Argila are currently \$290,000, \$260,000, \$220,000 and \$165,000, respectively. Each of such agreements has an indefinite term.

Stock Options

The Company maintains a Stock Option Plan pursuant to which 824,093 shares of the Company's authorized but unissued Common Shares and 743,003 shares of the Company's Class A Common Shares have been reserved for issuance upon the exercise of options which have been or may be granted under the Plan. The

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

persons eligible to participate in the Plan are such key employees of the Company as may be selected from time to time by the Compensation Committee in its discretion, as well as non-employee Directors. The Plan is administered by the Compensation Committee.

There were no grants of stock options made under the Stock Option Plan in the fiscal year ended October 31, 2003.

16

Prior to enactment of the Sarbanes-Oxley Act of 2002, the Compensation Committee authorized loans to finance the exercise of stock options granted to executive officers. One loan is outstanding to Willing L. Biddle in the principal amount of \$1,300,000. The loan has a ten-year term, subject to extension at the discretion of the Compensation Committee, bears interest at a fixed rate based upon the rate of interest applicable to United States Ten Year Treasury Notes plus two percent and is secured by a pledge of the related shares. The loan becomes due on termination of employment by the Company, but is automatically extended for seven months following termination of employment other than for cause.

The following table sets forth, for the executive officers named in the Summary Compensation Table, information concerning the fiscal year-end value of unexercised options and SARs.

Restricted Stock Plan

Under the Company's Restricted Stock Award Plan (the "Plan"), 350,000 shares each of the Company's authorized but unissued Class A Common Shares and Common Shares and 350,000 shares, which at the discretion of the Compensation Committee may be awarded in any combination of Class A Common Shares and Common Shares, have been reserved for issuance in connection with restricted stock awards that have been or may be granted under the Plan. The persons eligible to receive restricted stock awards are selected by the Compensation Committee, in its discretion, from among management personnel who are considered to have significant responsibility for the growth and profitability of the Company and non-employee Directors. The Plan is administered by the Compensation Committee.

Each restricted stock award is evidenced by a written agreement, executed by both the relevant participant and the Company, setting forth all the terms and conditions applicable to such award as determined by the Compensation Committee. Such terms and conditions shall include (i) the length of the restricted period of the award, (ii) the restrictions applicable to the award, including (without limitation) the employment or directorship status rules governing forfeiture and restrictions on the sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period, and (iii) the eligibility to share in dividends and other distributions paid to the Company's stockholders during the restricted period.

If a participant ceases to be employed or ceases to be a director prior to the lapse of the restricted period by reason of death or disability, the restrictions shall lapse on such date. If a participant ceases to be employed or ceases to be a director by reason of Retirement (as defined in the Plan), all awards of restricted stock continue to vest as if Retirement had not occurred until such time as the restrictions lapse.

The Compensation Committee has the authority to accelerate the time at which the restrictions may lapse whenever it considers that such action is in the best interests of the Company and of its stockholders, whether by reason of changes in tax laws, a "change in control" (as defined in the Plan), or otherwise.

As set forth under "Proposal 4 - Amendment of the Restricted Stock Award Plan", the Board of Directors has approved, subject to approval of the stockholders of the Company, an amendment to the Plan which would increase the number of shares available for issuance under the Plan to 1,650,000 common shares, of which 350,000 shares shall be Class A Common Stock, 350,000 shares shall be Common Stock and 950,000 shares, at the discretion of the Compensation Committee administering the Plan, shall be any combination of Class A Common Stock or Common Stock.

Equity Compensation Plan Information

The Company has two compensation plans under which equity securities have been authorized for issuance and have been issued to employees and non-employee Directors; the Restricted Stock Award Plan and the Stock Option Plan. Each of these plans has been approved by the Company's shareholders. For a description of the Restricted Stock Award Plan, see Proposal 4 at page 10 and also page 18 in this proxy statement. For a description of the Stock Option Plan, see page 16.

The following table shows for these plans as a group the number of Class A Common Shares and Common Shares to be issued upon exercise of options outstanding at October 31, 2003, the weighted average exercise price of these options and the number of Class A Common Shares and Common Shares remaining available for future issuance at October 31, 2003, excluding shares to be issued upon exercise of outstanding options.

Report of Compensation Committee on Executive Compensation

Overview

The Compensation Committee of the Board of Directors is composed of three independent, non-employee Directors, none of whom have interlocking relationships as defined by the SEC. The Committee is responsible for approving the Company's overall compensation strategy, determining the compensation package for the Chief Executive Officer, including base salary, cash bonus and long-term compensation and for administering the Company's Stock Option Plan and Restricted Stock Plan. The Committee believes that compensation should be structured to attract and retain high quality executives, with an emphasis on long-term incentive compensation that is related to the performance and profitability of the Company. Thus, in making its recommendations regarding compensation, the Committee attempts to align the financial interests of the Company's executive officers with those of its shareholders.

Executive Compensation

The Chief Executive Officer makes recommendations to the Compensation Committee, based on the Company's performance evaluation procedures, concerning the compensation to be paid to the executive officers of the Company other than himself. The Committee retains final authority to approve any such compensation. During the year ended October 31, 2003, the principal components of compensation paid to the Company's executive officers included base salary, cash bonus awards, long-term incentive compensation consisting of restricted stock awarded under the Company's Restricted Stock Plan and other benefits such as health insurance.

In approving compensation for executive officers, the Committee evaluated the potential long-term profitability of the Company by considering a variety of factors and criteria including stock price, projected and actual cash flow, leasing activities, new acquisitions and other factors. The Committee examined competitive compensation information for executive positions of comparable responsibility with similarly sized REITs which the Committee believes are representative of the companies against which the Company competes for executive talent. These companies may not be identical to the NAREIT peer group included in the performance graph in this proxy statement. The total direct compensation (base salary plus annual cash bonuses and long-term incentives) paid to executive officers was aimed at between the 50th and 75th percentiles. By targeting base salaries close to the 25th percentile, the emphasis is on long-term incentive compensation using the Restricted Stock Plan and Stock Option Plan, thus providing the Company's key executives with a direct incentive to improve the Company's performance and enhance shareholder value. The Restricted Stock Plan provides that the recipient does not become vested in restricted stock until after a specified time after it is issued. The Compensation Committee determines the vesting period which may range between five and ten years after the date of grant. Unless an exception is approved by the Compensation Committee, if the executive leaves the Company other than by retirement, death or disability, unvested stock is forfeited. Restricted stock awards serve as both a reward for performance and a retention device for key executives and help to align their interests with all shareholders.

Edgar Filing: URSTADT BIDDLE PROPERTIES INC - Form DEF 14A

For the year ended October 31, 2003, the Compensation Committee recognized that the performance of the Company (as determined from such measures as growth in net income, asset size and total return to stockholders) met or exceeded the Board's expectations and ranked very favorably when compared against other companies engaged in the same or similar business.

CEO Compensation

The Compensation Committee believes that the Chief Executive Officer's demonstrated leadership abilities and his continued commitment to the Company's principal objectives, including new acquisitions, the sale of non-core assets, capital financing, leasing and cost containment, in the face of a changing retail environment have positioned the Company for potential long-term profitability and are deserving of special recognition. The Committee considered the Chief Executive Officer's successful execution of strategic transactions, noting the private offering of 400,000 shares of a new Series C preferred stock. The Committee recommended to the Board of Directors and the Board of Directors approved an increase in Mr. Urstadt's annual salary from \$285,000 to \$290,000 and awarded him a cash bonus of \$30,000. The Committee also awarded Mr. Urstadt restricted stock in the amount of 81,250 Common Shares and 6,250 Class A Common Shares under the Restricted Stock Plan.

20

Other Compensation

The Compensation Committee believes that the leadership of Mr. Biddle during fiscal 2003 in all areas of operations, including particularly new acquisitions and increased leasing, also warrants special recognition. The Committee noted Mr. Biddle's role in the growth of the Company (real estate assets increased by approximately 28% and operating income increased by approximately 39%) and awarded Mr. Biddle restricted stock in the amount of 93,750 Common Shares and 6,250 Class A Common Shares under the Restricted Stock Plan. The restricted stock awarded to both Messrs. Urstadt and Biddle is subject to continued employment and vests after ten years. In the event of a change in control, the restricted stock would become 100% vested.

The Committee believes that the total compensation paid to Messrs. Urstadt and Biddle was appropriate in light of the results achieved by the Company under their leadership. By placing greater emphasis on restricted stock awards tied to the Company's performance, the Committee believes that the compensation of the Chief Executive Officer and President is more directly linked to performance on behalf of all shareholders.

Report of Audit Committee

The Audit Committee of the Company's Board of Directors consists of the three non-employee directors listed below. Each of the members of the Audit Committee is independent, as such term is defined by the listing standards of the New York Stock Exchange (as amended from time to time). The Company's Board of Directors has adopted a written charter for the Audit Committee. Subsequent to the close of the fiscal year ended October 31, 2003, the Audit Committee amended the charter and the amended charter was approved by the Board of Directors on January 9, 2004. A copy of the charter, as amended, is attached to this Proxy Statement as Appendix A. The duties of the Audit Committee are summarized in this Proxy Statement on page 5 and are more specifically set forth in the charter.

The Audit Committee has reviewed and discussed with management and Ernst & Young LLP, the Company's independent auditor, the disclosures made in "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the audited financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2003. This review included a discussion with the independent auditor of the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received and reviewed the written disclosures and the letter from the independent auditor required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and discussed with the auditor the auditor's independence. The Audit Committee has considered whether (and has determined that) the provision by Ernst & Young LLP of the services described below under "Fees Billed by Independent Auditors" is compatible with maintaining Ernst & Young LLP's independence from both management and the Company.

In reliance upon the review and discussions referred to above and the report of Ernst & Young LLP, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended October 31, 2003 for filing with the SEC.

Among its responsibilities, the Audit Committee has sole authority to retain, set the terms of engagement of, evaluate and, when appropriate, replace the independent auditor. The Audit Committee has appointed Ernst & Young LLP to audit the financial statements of the Company for the ensuing fiscal year and recommends to the stockholders that such appointment be ratified (See Proposal 2).

Audit Committee:

All Other Fees include amounts billed to the Company primarily related to SEC filings in connection with the Company's sale of equity securities.

On May 21, 2002, Ernst & Young LLP was appointed as successor independent auditors of the Company, replacing Arthur Andersen LLP for the fiscal year ended October 31, 2002.

Audit Committee Pre-Approval Policy

Provisions of the Sarbanes-Oxley Act of 2002 which require Audit Committee pre-approval of all services to be performed by the independent auditor became effective during the Company's 2003 fiscal year. Since the effectiveness of such provisions on May 6, 2003, the Audit Committee approved, prior to engagement, all audit and non-audit services provided by the Company's independent auditors and all fees to be paid therefore. The Audit Committee has pre-approved all audit services to be provided by the Company's independent auditors related to reviews of the Company's quarterly financial reports on Form 10-Q for the year ending October 31, 2004. All other services are considered and approved on an individual basis.

SOLICITATION OF PROXIES AND VOTING PROCEDURES

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, solicitations may also be made by personal interview, facsimile transmission or telephone. Directors and officers of the Company may participate in such solicitation and will not receive additional compensation for such services. Arrangements will also be made with custodians, nominees and fiduciaries for forwarding of proxy solicitation material to beneficial owners of Class A Common Shares and Common Shares and the Company will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith.

The presence, either in person or by properly executed proxy, of a majority of the Company's outstanding Class A Common Shares and Common Shares is necessary to constitute a quorum at the Annual Meeting. Each Common Share outstanding on the Record Date entitles the holder thereof to one vote and each Class A Common Share outstanding on the Record Date entitles the holder thereof to 1/20 of one vote. An automated system administered by the Company's transfer agent tabulates the votes.

The election of the Directors, the ratification of the appointment of the Company's auditors, the amendment of the Company's Dividend Reinvestment and Share Purchase Plan and the amendment of the Company's Restricted Stock Award Plan each requires the affirmative vote of a majority of the total combined voting power of all classes of stock entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting. Abstentions will thus be the equivalent of negative votes and broker non-votes will have no effect with respect to such proposals, as any Class A Common Shares or Common Shares subject to broker non-votes will not be present and entitled to vote with respect to any proposal to which the broker non-vote applies.

Each of the Proposals presented to the Company at the Annual Meeting is being presented as a separate and independent Proposal and no Proposal is conditioned upon adoption or approval of any other Proposal.

This is the responsibility of management and the independent auditor.

In carrying out its responsibilities, the Committee and its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances and, accordingly, the Committee may diverge from the foregoing functions as appropriate given the circumstances.

DELEGATION
