Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

As permitted by Section 102(b)(7) of the Delaware General Corporation Law (the DGCL), the Registrant's Restated Certificate of Incorporation (the Charter) includes a provision that eliminates the personal liability of its directors to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability

of a director (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not made in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to further eliminate or limit the personal liability of directors, then the liability of a director of the Registrant shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

The indemnification provisions in the Registrant's Charter may be sufficiently broad to indemnify the officers and directors of the Registrant under certain circumstances from liabilities arising under the Securities Act. As permitted by Section 145 of the DGCL, the Registrant's Charter provides that in the case of a threatened, pending or completed action or suit by or in the right of the Registrant against any person who is or was a director or officer of the Registrant by reason of such person holding such position, the Registrant shall indemnify such person for expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of the action or suit; provided that such person is successful on the merits or otherwise or such person acted in good faith in the transaction which is the subject of such action or suit, and in the manner such person reasonably believed to be in or not opposed to, the best interest of the Registrant, including, but not limited to, the taking of any and all actions in connection with the Registrant's response to any tender offer or any offer or proposal of another party to engage in a Business Combination (as such term is defined in Article XIV of the Charter) not approved by the board of directors. However, such director or officer shall not be indemnified in respect of any claim, issue or matter as to which such person has been adjudged liable to the Registrant unless (and only to the extent that) the Court of Chancery or the court in which the suit was brought shall determine, upon application, that despite the adjudication, but in view of all the circumstances, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

In addition, as permitted by Section 145 of the DGCL, the Registrant's Charter provides that in the case of a threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative), other than a suit by or in the right of the Registrant, against any person who is or was a director or officer of the Registrant by reason of such person holding such position, the Registrant shall indemnify such person for amounts actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, including, but not limited to, expenses (including attorneys' fees), amounts paid in settlement, judgments and fines; provided that such person is successful on the merits or otherwise or such person acted in good faith in the transaction which is the subject of such suit, and in the manner such person reasonably believed to be in or not opposed to, the best interest of the Registrant, including, but not limited to, the taking of any and all actions in connection with the Registrant's response to any tender offer or any offer or proposal of another party to engage in a Business Combination (as such term is defined in Article XIV of the Charter) not approved by the board of directors, and, with respect to any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful. The termination of such suit by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, in itself, create a presumption that such officer or director failed to satisfy the standard described above.

The Charter also provides that (i) the Registrant may pay in advance any expenses (including attorneys' fees) which may become subject to indemnification, but only if the officer or director receiving such payment undertakes in writing to repay the same if it is ultimately determined that such person is not entitled to indemnification by the Registrant, (ii) if Delaware law is amended to permit further indemnification of directors and officers of the Registrant, then the Registrant shall indemnify such persons to the fullest extent permitted by Delaware law, as so amended, (iii) the indemnification and advancement of expenses provided for in the Charter or otherwise granted pursuant to Delaware law shall not be exclusive of any other rights to which a director or officer may be entitled, (iv) any repeal or modification of the applicable provisions of the Charter by the stockholders of the Registrant shall not adversely affect any right or protection of a director or officer existing at the time of such repeal or modification, and (v) Registrant may purchase and maintain insurance on behalf of any person who holds or who has held a director or officer position against any liability asserted against and incurred by such person in any such position, or arising out of his or her status as such, whether or not the Registrant would have power to indemnify such director or officer

against such liability under the Charter.

In addition to the above and as approved by the Registrant's board of directors, the Registrant maintains director and officer liability insurance indemnifying the directors and officers of the Registrant for certain liability incurred by them.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the Exhibit Index at the end of this registration statement.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been

advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
