**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 29, 2003**

Solicitation and Voting of Proxies

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form PRE 14A

This Proxy Statement is being furnished to Stockholders of Pacific Premier Bancorp, Inc. (the "Company") in connection with the solicitation by the Board of Directors of the Company ("Board of Directors" or "Board") of proxies to be used at the Annual Meeting of stockholders (the "Annual Meeting") and all postponements or adjournments of the Annual Meeting. The Annual Meeting will be held on May 29, 2003 at 10:00 a.m., Pacific Time, at the corporate headquarters of Pacific Premier Bank, 1600 Sunflower Avenue, 2nd Floor, Costa Mesa, California, 92626. The 2002 Annual Report to Stockholders, including consolidated financial statements for the fiscal year ended December 31, 2002, accompanies this Proxy Statement, which is first being mailed to record-holders of the Company's common stock (the "Common Stock") on or about April 29, 2002.

Regardless of the number of shares of Common Stock owned, it is important that record-holders of a majority of the shares be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it, signed and dated, in the enclosed postage-paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, signed proxy cards will be voted "FOR" the election of the nominees for director named in this proxy statement, "FOR" the amendment to the Company's Certificate of Incorporation reducing the number of authorized shares of Pacific Premier Bancorp, Inc., and "FOR" the ratification of the appointment of Vavrinek, Trine, Day & Co., LLP as independent auditors of the Company for the fiscal year ended December 31, 2003. Stockholders may also vote by telephone.

Other than the matters set forth on the attached Notice of Annual Meeting of Stockholders, the Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy committee of the Board discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting and at any adjournments thereof, including whether or not to adjourn the Annual Meeting.

A proxy may be revoked at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a Stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.

The cost of solicitation of proxies on behalf of the Board will be borne by the Company. In addition to the solicitation of proxies by mail, American Stock Transfer and Trust Company, a proxy solicitation firm, will assist the Company in soliciting proxies for the Annual Meeting and will be paid a fee of \$1,500, plus out-of-pocket expenses. Directors, officers and other employees of the Company and its subsidiary, Pacific Premier Bank, F.S.B. (the "Bank") may also solicit proxies personally or by telephone, without additional compensation therefore. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so.

Voting Securities

The securities which may be voted at the Annual Meeting consist of shares of Common Stock of the Company, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting, except as described below. There is no cumulative voting for the election of directors.

The Board of Directors has fixed the close of business on April 1, 2003 as the record date (the "Record Date") for the determination of Stockholders of record entitled to notice of and to vote at the Annual Meeting and at any adjournments thereof. The total number of shares of Common Stock outstanding on the Record Date was 1,333,572 shares.

As provided in the Company's Certificate of Incorporation, record-holders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote in respect of the shares held in excess of the Limit. A person or entity is deemed to beneficially own shares owned by an affiliate of, as well as, by persons acting in concert with, such person or entity. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

The presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote (after subtracting any shares in excess of the Limit pursuant to the Company's Certificate of Incorporation) is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form PRE 14A

As to the election of the directors set forth in Proposal 1, the proxy card being provided by the Board of Directors enables a Stockholder, (i) to vote "FOR" the election of the nominees proposed by the Board of Directors or (ii) to "WITHHOLD" authority to vote for the nominees being proposed. Under Delaware law and the Company's Bylaws, directors will be elected by a plurality of votes cast, without regard to either (a) broker non-votes, or (b) proxies as to which authority to vote for the nominee being proposed is withheld.

As to the approval of Proposals 2 and 3 and all other matters that may properly come before the Annual Meeting, by checking the appropriate box, you may: (i) vote "FOR" the proposal; (ii) vote "AGAINST" the proposal; or (iii) "ABSTAIN" with respect to the proposal. Under the Company's bylaws, unless otherwise required by law, all such matters shall be determined by a majority of the votes cast, without regard to either (a) broker non-votes, or (b) proxies marked "ABSTAIN" as to that matter.

Proxies solicited hereby will be returned to the Company's transfer agent, American Stock Transfer and Trust Company and will be tabulated by inspectors of election designated by the Board of Directors, who will not be employed by, or be directors of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

PROPOSAL 1. ELECTION OF DIRECTORS

The Board of Directors of the Company currently consists of seven (7) directors and is divided into three classes. Each of the seven members of the Board of Directors of the Company also presently serves as a director of the Bank. Directors are elected for staggered terms of three years each, with the term of office of only one of the three classes of directors expiring each year. Directors serve until their successors are elected and qualified.

The nominees proposed for election at the Annual Meeting are John D. Goddard and Kent G. Snyder.

In the event that any of the nominees is unable to serve or declines to serve for any reason, it is intended that the proxies will be voted for the election of such other person as may be designated by the present Board of Directors. The Board of Directors has no reason to believe that the persons named will be unable or unwilling to serve. Unless authority to vote for the nominees is withheld, it is intended that the shares represented by the enclosed proxy card, if executed and returned, will be voted "FOR" the election of the nominees proposed by the Board of Directors. In accordance with the Bylaws of the Company, the election of a director requires the approval of a plurality of the outstanding shares of Common Stock.

Certain Relationships and Related Transactions

On January 17, 2002 the Corporation closed a transaction with New Life Holdings, LLC, an unrelated third party, (the "Investor") to issue \$12 million in notes and warrants to purchase 1,116,400 shares of the Company's Common Stock. Mr. Ezri Namvar, a director, owns a controlling interest in the Investor as described below. In the transaction, the Investor obtained the right to designate three directors to the Boards of the Company and the Bank for certain time periods, as described below. In addition to Mr. Namvar, the Investor has appointed Messrs. Marr and Palmer to fill the un-expired terms of their predecessors. Mr. Namvar and his related entities own a 75% interest in U.S. Properties Group LLC in which Mr. Marr's firm, Charter Holdings LLC serves as the managing member. Additionally, Mr. Marr serves as development manager, on a fee basis, for several properties that are owned by entities in which Mr. Namvar and his related entities have an equity interest.

Ownership interests in the Investor are held entirely by family members of Mr. Namvar. Mr. Namvar directly holds a 50 percent ownership share and a 75 percent controlling and voting interest in the Investor. Mousa Namvar, a brother of Mr. Namvar, holds an 18 percent interest in the Investor.

The sale of the note and warrant was made pursuant to a Note and Warrant Purchase Agreement (the "Agreement") entered into by the Company and the Investor. The Company issued to the Investor a Senior Secured Note Due 2007 (the "Note") in the initial principal amount of \$12,000,000, and bearing interest at an initial rate of 12% (increasing over time to 16%) and a warrant (the "Warrant") to purchase up to 1,166,400 shares of the Company's Common Stock at an exercise price of \$.75 per share. The Company pledged the stock in its subsidiaries and its Participation Contract as collateral to secure the Note. The Participation Contract is a contractual right from the sale of certain residual mortgage-backed securities to receive 50% of any cash realized, as defined, from the residual mortgage-backed securities. During 2002, the Company paid the Investor \$1.4 million of interest on the Note.

Upon exercise of the Warrant, which is freely assignable in whole or in part in denominations of not less than 10,000 shares, the Investor or its assignee(s) (the assignees, together with the Investor, the "Warrant Holders" and each a "Warrant Holder") shall have the right to purchase during specified periods a total of up to 1,166,400 shares of Common Stock. Pursuant to the Warrant, on or before the first anniversary of the Closing, the Warrant Holder will be able to purchase 116,640 shares of Common Stock representing in total approximately 8.0% of the Common Stock. After the first anniversary of the Closing, but on or before the second anniversary of the Closing, the Warrant Holder will be able to purchase the initial 116,640 shares of Common Stock, plus an additional 116,640 shares

7

of Common Stock representing in total approximately 14.1% of the Common Stock. After the second anniversary of the Closing, but on or before the third anniversary of the Closing, the Warrant Holder will be able to purchase the 233,280 shares of Common Stock available during the first two years after the Closing, plus an additional 116,640 shares of Common Stock representing in total approximately 20.8% of the Common Stock. After the third anniversary of the Closing, but prior to the tenth anniversary of the Closing (the "Expiration"), the Warrant Holder will be able to purchase the 349,920 shares available during the first three years after Closing, plus the remaining 816,480 shares of Common Stock available under the Warrant. Based on 1,333,572 shares outstanding at December 31, 2002, if the entire warrant were exercised, the shares issued upon its exercise would constitute approximately 47% of the Company's outstanding stock. As of April 1, 2003, the Warrant Holders have not exercised their rights to purchase any shares.

Possible Future Changes in Control

Under the federal securities laws, "Control" is generally understood to refer to the possession, direct or indirect, of the power to direct, or cause the direction, of its management and policies of a company whether through ownership of voting shares, by contract, or otherwise. Thus, the Investor's rights under the Agreement to designate three of seven directors, its status as a lender to the Company and the partial or entire exercise of its warrants over time (as described above) may, at a subsequent date, constitute a change in control of the Company under federal securities laws, if a given Warrant Holder or a group of affiliated Warrant Holders were to exercise all or a significant portion of the Warrants.

If upon exercise, a Warrant Holder would own 25% or more of the issued and outstanding Common Stock, then approval by the OTS shall be required as a condition to exercise and if upon exercise a Warrant Holder would own between 10% and 25% of the issued and outstanding Common Stock, then OTS approval may be required and, if required, such OTS approval would be a condition to exercise.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder) and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent Stockholders are required by SEC regulation to furnish the

Company with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that each of the officers, directors and greater than ten percent Stockholders have complied with all filing requirements that are applicable to them, under Section 16(a), during the past fiscal year.

Board of Directors Meetings, Board Committees and Compensation of Directors

The Board of Directors of the Company conducts its business through meetings of the Board of Directors and through activities of its committees. The Board of Directors of the Company meets monthly and may have additional special meetings upon the request of the Chairman of the Board. During the year ended December 31, 2002, the Board of Directors of the Company held 13 meetings. Each of the directors of the Company attended at least 90% of the total number of the Company's Board meetings held and committee meetings on which such directors served during 2002.

8

The Board of Directors of the Company maintains committees; the nature and composition of which are described below:

Audit Committee. In April 2002, the Chairman of the Board of Directors appointed Messrs. Goddard, Palmer and Snyder to constitute the Audit Committee. The members of the committee accepted their appointment and the Board of Directors approved the appointments. The Audit Committee is responsible for selecting and communicating with the independent auditors, reporting to the Board on the general financial condition of the Company and the results of the annual audit, and is responsible for ensuring that the Company's activities are being conducted in accordance with applicable laws and regulations. The Audit Committee and the internal auditor of the Company met 5 times during 2002. The Company's board has adopted a written charter for the Audit Committee, a copy of which is attached hereto as Exhibit "A".

No member of the Audit Committee, other than in this capacity as a member of the Board of Directors or Audit Committee, may accept any consulting, advisory or other compensation fee from the Company. Each of the Audit Committee members are independent directors.

Pacific Premier Bancorp, Inc. Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2002 with management and with the independent auditors. Specifically, the Audit committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other things:

Methods used to account for significant unusual transactions;

The effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

The process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and

Disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants, Vavrinek, Trine, Day & Co., LLP, required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*. Additionally, the Audit Committee has discussed with Vavrinek, Trine, Day & Co., LLP, the issue of its independence from the Company. Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on form 10-K for the fiscal year ended December 31, 2002.

The Compensation Committee may from time to time retain independent compensation consultants to assist it in the exercise of its responsibilities, including developing compensation plans and providing comparative data regarding the Bank's compensation policies.

Directors' Fees. Currently, all outside directors of the Company receive a monthly retainer of \$450. In addition, outside directors of the Bank receive a monthly retainer of \$2,000 for serving on the Bank's Board of Directors, while the Chairman of the Board of the Bank receives a monthly retainer of \$2,500. No committee fees are paid to Board Committee members.

Option Plan. The Company maintains the 2000 Stock Incentive Plan, effective as of June 14, 2000.

Executive Compensation

The report of the Compensation Committee and the stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Committee Report on Executive Compensation.

Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chief Executive Officer and other executive officers of the Company and the Bank. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale and considerations that led to fundamental compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Committee of the Board of Directors of the Company, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement. The Bank's compensation programs are designed to provide the Bank's employees, including the Bank's executive officers, with competitive annual salaries, benefits and the potential to earn cash bonuses based upon period measurable performance. In addition, key employees, including executive officers, have the potential to receive one or more grants of stock options under the Company's 2000 Stock Incentive Plan. The Compensation Committee believes that the combination of programs provides reasonable incentives to the Bank's executive officers to meet or exceed the Bank's annual or multi-year financial and operational goals, and reasonably aligns the interests of such officers with those of the Company's Stockholders.

Executive Compensation. Base salaries for the executive officers, including the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") are established by the Compensation Committee based on the recommendations of management which consider, and apply subjectively on

10

the following factors, as appropriate: individual performance and achievement, areas of responsibility, position, the extent to which the officers' skills are in demand and internal and external comparability.

For fiscal year 2003, the Company's and the Bank's executive officers are eligible to receive bonuses based on individual and Company performance.

The Committee believes that it is important for key employees to have long-term incentives through an equity interest in the Company. Accordingly, the Company has granted and will continue to grant key employees stock options pursuant to the 2000 Stock Incentive Plan. The Compensation Committee of the Company grants options upon a review of the recommendations of the President/CEO/COO.

2002-2004 Incentive Compensation Plan. In December 2001, the Bank adopted the 2002-2004 Incentive Compensation Plan for employees of the Bank, except for commissioned employees, which provides for performance-based cash bonuses based on individual performance and the Bank's overall financial performance. For fiscal year 2002, compensation incentives were paid pursuant to the 2002-2004 Incentive Compensation Plan.

Executive Compensation Chief Executive Officer. The Company and the Bank hired Mr. Gardner in February 2000 as Chief Operating Officer. Mr. Gardner was promoted to President and Chief Executive Officer in August 2000. The President/CEO/COO base salary is \$250,000 per annum. In determining Mr. Gardner's salary of \$250,000 per annum upon his promotion to President and Chief Executive Officer, the Committee took into consideration the amount of salary that had been paid to his predecessor, Mr. Gardner's relative years of service and experience as a chief executive officer, a report conducted on behalf of the Board by the compensation consulting firm of Nash and Company, and competitive salaries paid to individuals in comparable positions. In determining Mr. Gardner's incentive compensation for 2003, the Company's Chairman of the Board and the Chair of the Compensation Committee reviewed Mr. Gardner's performance during 2002 as President, Chief Executive Officer and Chief Operating Officer. Based upon that review, the Company's successful recapitalization, and Mr. Gardner's implementation of the Bank's strategic plan in 2002, the Compensation Committee recommended and the Board unanimously approved an incentive award to Mr. Gardner of \$100,000. In addition, Mr. Gardner is eligible to receive an additional incentive award of \$50,000, exclusive of his 2003 bonus, and a review of his base salary if the Bank reaches certain operational goals prior to June 30, 2003.

Mr. Gardner has entered into employment agreements as President, Chief Executive Officer and Chief Operating Officer with the Company and the Bank that specifies his base salary. In addition, Mr. Gardner and the Senior Vice President, Chief Financial Officer and Secretary of the Company and the Bank, Mr. John Shindler also participates in other benefit plans available to all employees, including the 401(k) Plan and the 2002-2004 Incentive Compensation Plan. Details related to Mr. Gardner's compensation package are fully described in the "Employment Agreements" section of this Proxy Statement.

The Company and Bank Employment Agreements for Mr. Gardner each provide for a three-year term. The Bank Employment Agreement provide that the Board of Directors may extend, for a one-year period upon the same terms and

conditions as are set forth in the Employment Agreement, if a majority of the disinterested members of the Board of Directors affirmatively votes to so extend the contract on or prior to the then applicable expiration date (January 5, 2004). The Bank Employment Agreement provides that Mr. Gardner will receive a Base Salary of \$250,000 per year and a car allowance of \$1,000 per month. The Employment Agreements provide for termination by the Company and the Bank for cause at any time as defined in the Employment Agreements. Option Plan. The Company maintains the 2000 Stock Incentive Plan, under which all employees of the Company are eligible to receive options to purchase Common Stock. The Plan provides discretionary awards to officers and key employees as determined by a committee of non-employee directors.

Transactions with Certain Related Persons

The Financial Institutions Reform, Recovery and Enforcement Act ("FIRREA") requires that all loans or extensions of credit to executive officers and directors, made by the Bank, must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features.

The Bank's current policy provides that no loans will be made by the Bank to its executive officers and directors.

It is the policy of the Company that all permissible transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of any class of its common stock and affiliates thereof, contain terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons and are required to be approved by a majority of independent outside directors of the Company not having any interest in the transaction.

PROPOSAL 2.

PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO REDUCE THE NUMBER OF AUTHORIZED SHARES

The Proposed Amendment. The Company's Board of Directors has approved a proposal, subject to stockholder approval, to amend Article Fourth of the Company's Certificate of Incorporation to reduce the authorized number of shares of Preferred Stock, \$.01 par value per share, from 5,000,000 to 1,000,000 shares, and to reduce the authorized number of shares of common stock, \$.01 par value per share, from 25,000,000 to 15,000,000 shares. The proposed amendment would not change the par value of the shares of the Company's Common Stock or Preferred Stock or affect the legal rights of holders of existing shares of Common Stock.

Purpose and Effect of Proposed Amendment. As of the Record Date, the Company had 25,000,000 authorized shares of Common Stock of which 1,333,572 shares of Common Stock were issued and of which no shares of Preferred Stock were issued. In addition, as of the Record Date 195,000 shares of Common Stock were reserved for future issuance pursuant to the Company's 2000 Incentive Stock Plan and 1,166,400 shares of Common Stock were reserved for issuance pursuant to the exercise of the Warrant, resulting in an aggregate of 22,305,028 shares remaining available for issuance by the Company after all of these options and the Warrant are exercised. The Board of Directors of the Company believes that it is in the best interests of the Company and its stockholders to decrease the number of authorized but un-issued shares of the Common Stock and Preferred Stock. The Board of Directors believes that the reduction in the number of authorized shares of Common Stock and Preferred Stock will permit the Company to save approximately \$53,000 per year in Delaware franchise taxes, while still maintaining a sufficient number of authorized shares to permit the Company to act promptly with respect to possible future financing, possible acquisitions, additional issuances and for other corporate purposes.

Stockholder Vote Required. The affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock is required for approval of the proposed amendment to the Certificate of Incorporation. If this proposal is approved, the proposed Amendment will become effective upon filing of a certificate of amendment to the Certificate of Incorporation with the Secretary of State of Delaware, which filing is expected to take place shortly after stockholder approval. Should such stockholder approval not be obtained, then the number of authorized shares will remain the same.

Recommendation of Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO REDUCE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND PREFERRED STOCK.

15

PROPOSAL 3.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company's independent auditors for its fiscal year ended December 31, 2002 were Vavrinek, Trine, Day & Co., LLP, independent public accountants. The Audit Committee of the Board of Directors considered the qualifications and experience of Vavrinek, Trine, Day & Co., LLP, and, in consultation with the Board of Directors of the Company, has appointed them as independent auditors for the Company for the current fiscal year which ends December 31, 2003. Although the submission of the matter to the stockholders is not required by law, the Audit Committee and Board of Directors desire to obtain the stockholders' ratification of such appointment. A resolution ratifying the appointment will be offered at the Annual Meeting. If the resolution is not adopted, the adverse vote will be referred to the Audit Committee for further review.

Representatives of Vavrinek, Trine, Day & Co., LLP are expected to be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from Stockholders present at the Annual Meeting.

Audit Fees. The aggregate fees for professional services rendered for the audit of the Company's fiscal year ended December 31, 2002 and the reviews of the financial statements included in the Company's Forms 10-K for fiscal year ended December 31, 2002 was \$109,000 for Vavrinek, Trine & Day. During the fiscal year ended December 31, 2002, no other fees were billed by the Company's independent auditors, including, but not limited to, any fees with respect to financial information systems design and implementation.

Change In Company's Principal Accountant. As reported in the Company's Form 8-K dated February 5, 2002, the Company terminated the relationship with its principal independent accountant Grant Thornton LLP on January 30, 2002. During the Company's two most recent fiscal years up to and through January 30, 2002, there were no disagreements with Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Grant Thornton LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form PRE 14A

Grant Thornton LLP's report on the Company's financial statements for the fiscal years ended December 31, 2000 and 1999, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to audit scope or accounting principles. The December 31, 1999 report did not contain any uncertainties. However, the December 31, 2000 report did contain an uncertainty regarding the Company's ability to continue as a going concern.

During the Company's prior fiscal years up to and through January 30, 2002, Grant Thornton LLP did not advise the Company of any "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

As reported in the Company's Form 8-K dated February 5, 2002, Vavrinek, Trine, Day & Co., LLP was engaged as the Company's independent accountants for the fiscal year ended December 31, 2001, to audit the Company's financial statements.

Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted FOR ratification of the appointment of Vavrinek, Trine, Day & Co., LLP as the independent auditors of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF VAVRINEK, TRINE, DAY & CO., LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY.

ADDITIONAL INFORMATION

Stockholder Proposals

To be considered for inclusion in the Company's proxy statement and form of proxy relating to the 2004 Annual Meeting of Stockholders, a Stockholder proposal must be received by the Secretary of the Company at the address set forth on the Notice of Annual Meeting of Stockholders not later than December 22, 2003. If such Annual Meeting is held on a date more than 30 calendar days from May 29, 2003 a Stockholder proposal must be received by a reasonable time before the proxy solicitation for such Annual Meeting is made. Any such proposal will be subject to 17 C.F.R. 240.14a-8 of the Rules and Regulations under the Exchange Act.

Notice of Business to be conducted at an Annual Meeting The Bylaws of the Company provide an advance notice procedure for a Stockholder to properly bring business before an Annual Meeting. The Stockholder must give written advance notice to the Secretary of the Company not less than ninety (90) days before the date originally fixed for such meeting; provided, however, that in the event that less than one hundred (100) days notice or prior public disclosure of the date of the meeting is given or made to Stockholders, notice by the Stockholder to be timely must be received not later than the close of business on the tenth day following the date on which the Company's notice to Stockholders of the Annual Meeting date was mailed or such public disclosure was made. The advance notice by Stockholders must include the Stockholder's name and address, as they appear on the Company's record of Stockholders, a brief description of the proposed business, the reason for conducting such business at the Annual Meeting, the class and number of shares of the Company's capital stock that are beneficially owned by such Stockholder and any material interest of such Stockholder in the proposed business. In the case of nominations to the Board of Directors, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement or the proxy relating to an Annual Meeting any Stockholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received. Since no notice that a Stockholder intends to present a proposal at the Company's 2003 Annual Meeting of Stockholders was received by the Company on or before March 31, 2003, the Company will have discretionary authority to vote on any Stockholder proposal presented at the meeting.

Other Matters Which May Properly Come Before the Annual Meeting The Board of Directors knows of no business, which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Stockholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

Whether or not you intend to be present at the Annual Meeting, you are urged to return your proxy card promptly. If you are then present at the Annual Meeting and wish to vote your shares in person, your original proxy may be revoked by voting at the Annual Meeting. However, if you are a Stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.

The committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The primary responsibility of the audit committee is to oversee the company's financial reporting process on behalf of the board and report the results of their activities to the board.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the committee may supplement them as appropriate.

1. The committee shall have a clear understanding with management that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of the company's shareholders.
2. The committee shall have the ultimate authority and responsibility to select, retain, determine the compensation of, evaluate, and where appropriate in the exercise of their business judgment, replace the company's independent auditors.
3. The committee shall discuss with the auditors their independence from management and the company, including matters in the written disclosures required by the Independence Standards Board. The committee shall require the independent auditors to periodically provide written statements to the company delineating all relationships that may impact on its independence.
4. The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation.
5. The committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the company's system to monitor and manage business risk, and legal and ethical compliance programs, including the company's code of conduct.
6. The committee shall review the interim financial statements with management and the independent auditors prior to the filing of the company's quarterly report on Form 10-Q.

The audit committee must declare in the Annual Proxy Statement it has reviewed and discussed with management the audited financial statements and discussed with

3

independent auditors those matters required to be disclosed by the Statement on Auditing Standards No. 61.

7. The committee shall review with management and the independent auditors the financial statements to be included in the company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.
8. The committee shall over-see the adequacy of the company's system of internal controls, including obtaining from the external auditors management letters or summaries on such internal accounting controls. The committee shall be directly responsible for the resolution of disagreements between management and the auditors regarding financial reporting.

9. The committee shall over-see the legal and other compliance programs established by management and the board.
10. The committee shall review CEO and CFO certifications required by the Sarbanes-Oxley Act with the CEO and CFO to determine the adequacy of the due diligence undertaken to support the certification. The CEO and CFO must certify the adequacy of disclosure and underlying disclosure controls and procedures in annual and quarterly reports.
11. The committee shall review activities of its operating subsidiaries and all related party transactions.
12. The committee shall recommend to the board that the audited statements must be included in the company's Annual Report. This disclosure to appear over the names of each committee member.

The committee shall determine that the company has complied with corporate governance disclosure requirements. At such time as required by the rules and regulations of the Securities and Exchange Commission, the company shall disclose in its 10K whether it has adopted a "code of ethics" for senior financial officers and if not, to explain why not.

The committee shall establish procedures for: (1) the receipt, retention and treatment of complaints received by the company regarding accounting, internal accounting controls, or auditing matters; and (2) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. Sarbanes-Oxley requires protection of "whistleblowers" and tasks the audit committee with ensuring that such protection exists and is meaningful.

The committee shall review reports or certifications presented by management disclosing any significant deficiencies and material weaknesses in the design or operation of internal controls, and any fraud whether or not material that involves management or other employees who have a significant role in the company's internal controls.

The committee shall engage independent counsel and other advisors as deemed necessary, at the company's expense, to assist the committee in exercising its oversight responsibilities.

4

The committee shall pre-approve all audit and permissible non-audit services to be performed by the external auditor, provided that the auditor may not be hired to provide any of the following services:

bookkeeping or other services related to accounting records or financial statements of the audit; o financial information systems design and implementation; o appraisal or valuation services; o fairness opinions or contribution in kind reports;

actuarial services

internal audit outsourcing services;

management functions or human resources services;

broker or dealer, investment adviser or investment banking services;

legal services and expert unrelated to the audit; or

any other service the Public Company Accounting Oversight Board determines is impermissible. Anything provided to the contrary above notwithstanding, pre-approval of non-audit services is not required if:

the aggregate amount of all such non-audit services provided to the company constitutes 5% or less of the total amount paid by the company to its independent auditor during the fiscal year in which the non-audit services are provided;

such services were not recognized at the time of the engagement to be non-audit services; *and*

such services are promptly brought to the attention of the audit committee and are approved by the audit committee or by one or more members of the audit committee to whom authority to grant such approvals has been delegated by the audit committee prior to the completion of the audit.

6. MEETINGS

The audit committee will meet with the company's external auditors upon the completion of the annual audit (which meeting may be held without the presence of management, at the committee's discretion), and at such other times as it deems appropriate, to review the external auditors' examination and management report.

The committee shall meet at least quarterly with the internal auditors and as many additional times as may be required by regulatory authority and/or as the committee deems necessary. Minutes of the meetings will be prepared and after review and approval by the committee, will be submitted to the full board of directors for their review.

The following agenda items will be routinely discussed at the time of each periodic meeting of the committee:

Internal audit reports issued and management's corrective action response.

Previous Audits Follow-Up Report.

Report from the bank's compliance officer [to include criminal filings of Suspicious Activity Reports (SAR)].

7. REPORTS

The audit committee will at least once a year, record its summaries of recommendations to the board in written form that will be incorporated as a part of the minutes of the board. Some areas of attention the audit committee should focus on when developing this report include:

The financial accounting policies and the related industry accounting practices.

The report of the independent auditors and the internal auditors.

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form PRE 14A

The reports of legal counsel with respect to significant commitments, contingencies, and governmental compliance.

The reports of a special investigation concerning the review of the corporation's financial affairs, such as political contributions.
