FORWARD LOOKING INFORMATION

This document contains forward-looking statements. Such statements include, but are not limited to, (i) statements about the benefits of a merger between Central Pacific Financial Corp. (CPF) and CB Bancshares, Inc. (CBBI), including future financial and operating results, costs savings and accretion to reported and cash earnings that may be realized from such merger; (ii) statements with respect to CPF 's plans, objectives, expectations and intentions and other statements that are not historical facts; and (iii) other statements identified by words such as believes , expects , anticipates , estimates , intends , plans , targets , projects and other similar expressions. These statements are based on current beliefs and expectations of management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: (1) the business of CPF and CBBI may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the merger may not be fully realized or realized within the expected time frame; (3) revenues following the merger may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption, including, without limitation, difficulties in maintaining relationships with employees, customers, clients or suppliers, may be greater than expected following the merger; (5) any necessary approvals for the merger may not be obtained on the proposed terms; (6) the failure of CPF 's and CBBI 's shareholders to approve the merger; (7) competitive pressures among depository and other financial institutions may increase significantly and may have an effect on pricing, spending, third-party relationships and revenues; (8) the strength of the United States economy in general and the strength of the Hawaii economy may be different than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on the combined company 's loan portfolio and allowance for loan losses; (9) changes in the U.S. legal and regulatory framework; and (10) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on the combined company 's activities.

Additional factors that could cause actual results to differ materially from those described in the forward-looking statements can be found in CPF 's and CBBI 's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) filed with the Securities and Exchange Commission (SEC) and available at the SEC 's Internet web site (www.sec.gov). All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to CPF or CBBI or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. CPF and CBBI do not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statement is made.

CPF will amend its registration statement on Form S-4 to register shares of CPF common stock to be issued in this transaction. The registration statement is not final and will be further amended. The registration statement will include a joint proxy statement/prospectus for solicitation of proxies from CPF and CBBI shareholders, in connection with meetings of such shareholders at a date or dates subsequent hereto. Investors and security holders are urged to read the registration statement and joint proxy statement and any other relevant documents (when available) filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information. Investors and security holders may obtain a free copy of documents filed with the SEC at the SEC's Internet web site at (www.sec.gov). Such documents may also be obtained free of charge from CPF by directing such request to: Central Pacific Financial Corp., 220 South King Street, Honolulu, Hawaii 96813, Attention: David Morimoto, (808) 544-0627; or from CBBI by directing such request to: CB Bancshares, Inc., 201 Merchant Street, Honolulu, Hawaii 96813, Attention: Investor Relations, (808) 535-2518.

CPF and CBBI, and their respective directors and executive officers and certain other persons may be deemed to be participants in the solicitation of proxies from the shareholders of CBBI and CPF in connection with the merger. Information about the directors and executive officers of CPF and their ownership of and interests in CPF stock is set forth in the proxy statement for CPF's 2004 Annual Meeting of Shareholders. Information about the directors and executive officers of CBBI and their ownership of and interests in CBBI stock is set forth in the proxy statement for CBBI's 2004 Annual Meeting of Shareholders. Additional information regarding the interests of those participants may be obtained by reading the joint proxy statement/prospectus regarding the proposed transaction when it becomes available.
