## Edgar Filing: ACNB CORP - Form DEF 14A

### Table of Contents

Shareholders of record at the close of business on March 9, 2012 (the annual meeting record date), are entitled to vote at the meeting. The Corporation's records show that, as of the annual meeting record date, 5,945,809 shares of the Corporation's common stock, par value \$2.50 per share, were outstanding. On all matters to come before the annual meeting, shareholders may cast one (1) vote for each share held. Cumulative voting rights do not exist with respect to the election of directors.

You may vote your shares by completing and returning a written proxy card. You may also vote in person at the meeting. Submitting your voting instructions by returning a proxy card will not affect your right to attend the meeting and vote, if you later decide to attend in person. If your shares are registered directly in your name with ACNB Corporation's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Corporation. As the shareholder of record, you have the right to grant your voting proxy directly to the proxyholders or to vote in person at the meeting. The Corporation has enclosed a proxy card for your use.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and you are also invited to attend the meeting. However, because you are not the shareholder of record, you may not vote your street name shares in person at the meeting, unless you obtain a proxy executed in your favor from the holder of record. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

By properly completing a proxy, you appoint Frank Elsner, III and Marian B. Schultz as proxyholders to vote your shares, as indicated on the proxy card. Any signed proxy card not specifying to the contrary will be voted **FOR**:

1. Fixing the number of Directors of ACNB Corporation at fourteen (14);
2. Fixing the number of Class 1 Directors at six (6);
3. Fixing the number of Class 2 Directors at four (4);
4. Fixing the number of Class 3 Directors at four (4);
5. Electing one (1) Class 1 Director to serve for a term of one (1) year and until her successor is elected and qualified;
6. Electing four (4) Class 2 Directors to serve for terms of three (3) years and until their successors are elected and qualified;
7. Electing one (1) Class 3 Director to serve for a term of two (2) years and until his successor is elected and qualified;
8. Approving the non-binding vote on executive compensation; and,
9. Ratifying the selection of ParenteBeard LLC as ACNB Corporation's independent auditors.

You may revoke your written proxy by delivering written notice of revocation to Lynda L. Glass, Executive Vice President, Secretary & Chief Governance Officer of the Corporation, or by executing a later dated proxy and giving written notice of the revocation to Ms. Glass at any time before the proxy is voted at the meeting. Proxyholders will vote shares represented by proxies on the accompanying proxy card, if properly signed and returned, in accordance with instructions of shareholders.

Although the Board of Directors knows of no other business to be presented, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will

be voted in accordance with the recommendations of the Board of Directors. This proxy statement is being mailed to the Corporation's shareholders on or about March 27, 2012.

***Quorum and Vote Required for Approval***

As of the close of business on March 9, 2012, the Corporation had 5,945,809 shares of common stock, par value \$2.50 per share, outstanding.

Under Pennsylvania law and ACNB Corporation's Bylaws, the presence of a quorum is required for each matter to be acted upon at the meeting. A majority of the outstanding shares of common stock, represented in person or by proxy, constitutes a quorum. Votes withheld and abstentions are counted in determining the presence of a quorum for a particular matter. Broker non-votes are not counted in determining the presence of a quorum for a particular matter as to which the broker withheld authority. Each share is entitled to one (1) vote on all matters submitted to a vote of the shareholders. All matters to be voted upon by the shareholders require the affirmative vote of a majority of shares voted, in person or by proxy, at the annual meeting, except in cases where the vote of a greater number of shares is required by law or under ACNB Corporation's Articles of Incorporation or Bylaws. In the case of the election of directors, the candidates receiving the highest number of votes are elected. Shareholders are not entitled to cumulate votes for the election of directors.

If a quorum is present, fixing the number of directors of the Board of Directors, fixing the number of directors in each class, approving the non-binding proposal on executive compensation, and ratifying the independent auditors for the year ending December 31, 2012, requires the affirmative "**FOR**" vote of a majority of all votes cast, in person or by proxy. Abstentions and broker non-votes are not deemed to constitute "votes cast" and, therefore, do not count either for or against the proposals. Abstentions and broker non-votes, however, have the practical effect of reducing the number of affirmative votes required to achieve a majority for the matter by reducing the total number of shares voted from which the required majority is calculated.

If a quorum is present, the shareholders will elect the nominees for director receiving the highest number of "**FOR**" votes cast by those shareholders entitled to vote for the election of directors. The proxyholders will not cast votes for or against any director nominees where the broker withheld authority.

**GOVERNANCE OF THE CORPORATION**

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and executive management believe promote this purpose, are sound, and represent best practices. We continually review these governance practices, Pennsylvania law (the state in which we are incorporated), rules and listing standards of The Nasdaq Stock Market, SEC regulations, as well as best practices suggested by recognized governance authorities. Currently, our Board of Directors has twelve (12) members. Under the SEC and Nasdaq standards for independence, all non-employee directors and nominees meet the standards for independence. This constitutes more than a majority of our Board of Directors. Only independent directors serve on our Audit Committee, Nominating Committee, and Compensation Committee.

***Leadership Structure***

The Corporation chooses to separate the roles of Chairman and President & CEO. The President & CEO is responsible for implementing the strategic direction of the Corporation, as determined by the Board of Directors, and the day-to-day leadership and performance of the Corporation. The Chairman oversees the agenda for and presides over Board of Director meetings, as

Table of Contents

well as provides leadership to the Board and facilitates communication between the Board of Directors and executive management. The Corporation believes that even though the Corporation's Chairman of the Board is not considered independent under the SEC and Nasdaq standards for independence, he is best suited to serve as Chairman of the non-employee directors because he is the most familiar with the Corporation's business and industry. The Corporation also has formally designated a lead independent director, the Vice Chairman of the Board, who chairs the Corporation's Executive Committee.

***Risk Oversight***

The Board of Directors has a role in overseeing the Corporation's risks as a whole and at the committee level. The Audit Committee is primarily responsible for overseeing the risks the Corporation faces on behalf of the Board of Directors. The Audit Committee works closely with the Corporation's Chairman of the Board, President & CEO, and ACNB Bank's Chief Risk Officer, as well as with other members of management with respect to matters relating to risk management. The Audit Committee receives reports on risk management, including management's assessment of risk exposures (including risks related to liquidity, credit, operations, and regulatory compliance), and the processes in place to monitor and control such exposures. The Audit Committee may also receive updates, from time to time, between meetings from management relating to risk oversight matters. The Audit Committee provides updates on its risk management activities to the full Board of Directors via the committee's meeting minutes. Further, members of management may make presentations on risk management to the full Board of Directors or another committee of the Board of Directors.

In addition to the Audit Committee, other committees of the Board of Directors consider the risks within their areas of responsibility. For example, the Compensation Committee considers the risks that may be implicated by the Corporation's compensation practices. Also, the Strategic Planning Committee assesses the risks associated with the Corporation's executive management succession plans. The Corporation's Chairman of the Board and President & CEO work closely with these committees.

***Director Independence***

In determining each director's and nominee's independence, the Board of Directors considered loan transactions between the bank and the individuals, their family members, and businesses with which they are associated. The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board (in addition to those listed above and those transactions set forth under "Transactions with Directors and Executive Officers" below) in reaching its determination that the directors are independent.

<b>Name</b>	<b>Independent</b>	<b>Other Transactions/ Relationships/Arrangements</b>

***Shareholder Communications***

The Board of Directors has formal shareholder communications processes for the submission of shareholder proposals and nomination of directors, as described below. In addition, shareholders may contact any member of the Board personally, by telephone or by written correspondence including email. Written communications received by the Corporation from shareholders are shared with the full Board as deemed appropriate.

***Submission of Shareholder Proposals***

In order for a shareholder proposal (other than director nominations) to be considered for inclusion in ACNB Corporation's proxy statement for next year's annual meeting, the written proposal must be received by the Corporation no later than November 27, 2012. Proposals may be sent to Lynda L. Glass, Executive Vice President, Secretary & Chief Governance Officer of ACNB Corporation, at 16 Lincoln Square, P.O. Box 3129, Gettysburg, Pennsylvania 17325.

All proposals must comply with SEC regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. If a shareholder proposal is submitted to the Corporation after November 27, 2012, it is considered untimely; and, although the proposal may be considered at the annual meeting, the Corporation is not obligated to include it in the 2013 Proxy Statement.

***Employee Code of Ethics***

Since May 1994, ACNB Bank, formerly Adams County National Bank, has had a Conflict of Interest/Code of Ethics. In 2003, as required by law and regulation, the Corporation's Board of Directors first adopted a Code of Ethics which is applicable to our directors, officers and employees.

The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics to ACNB Bank's Chief Risk Officer. We have filed a copy of the Code of Ethics with the SEC as an exhibit to the Form 8-K filed by the Corporation on March 19, 2010.

**ELECTION OF DIRECTORS**

*Nomination of Directors*

The Corporation has a standing Nominating Committee with a charter. Recommendations to the Board of Directors as to the nominees for election as directors at the Annual Meeting of Shareholders are provided by the Nominating Committee. The Nominating Committee will consider shareholder-recommended nominees for director, and shareholders who desire to propose an individual for consideration by the Board of Directors as a nominee for director should submit a recommendation in writing to the Secretary of the Corporation in compliance with the requirements of Article II, Sections 202 and 203, of the Corporation's Bylaws. Any shareholder who intends to nominate a candidate for election to the Board of Directors must notify the Secretary of the Corporation in writing not less than fourteen (14) days prior to the date of any shareholder meeting called for the election of directors.

*Qualification and Nomination of Directors*

The Corporation's Articles of Incorporation and Bylaws authorize the number of directors to be not less than five (5) and not more than twenty-five (25). They also provide for three (3) classes of directors with staggered three-year terms of office that expire at successive annual meetings. Pursuant to Article II, Section 205, of the Corporation's Bylaws, directors who reach the age of seventy-two (72), prior to the date of the annual meeting when such director's term expires, may not stand for reelection to the Board of Directors. Currently, the number of directors is set at twelve (12): Class 1 consists of five (5) directors, Class 2 consists of four (4) directors, and Class 3 consists of three (3) directors. However, pursuant to Article 11 of the Corporation's Articles of Incorporation and Article I, Section 105, of the Corporation's Bylaws, at each shareholder meeting for the election of directors, the shareholders determine how many directors will be elected to serve in each class. The Board of Directors believes that it is in the Corporation's best interest to fix the number of directors to be elected at the 2012 Annual Meeting at fourteen (14). The proposed fourteen (14) member Board of Directors will consist of six (6) Class 1 Directors, four (4) Class 2 Directors, and four (4) Class 3 Directors. Shareholders will elect one (1) Class 1 Director to serve for a one (1) year term and until her successor is elected and qualified, four (4) Class 2 Directors to serve for three (3) year terms until their successors are elected and qualified, and one (1) Class 3 Director to serve for a two (2) year term until his successor is elected and qualified.

The Nominating Committee believes that a director nominee must have the following attributes/qualifications before being recommended as a nominee: stock ownership in the Corporation, the willingness to commit time, a commitment to independence, a commitment to the Corporation's community, financial competence, a good reputation, integrity, good communication skills, and the willingness and ability to speak up for the interests of the Corporation. A director nominee shall also have expertise that strengthens the Board of Directors. When evaluating potential director nominees, the Nominating Committee considers the skills and expertise of the current Board members and seeks director nominees with knowledge, skills and abilities that enhance and complement rather than duplicate the experiences and skills already represented on the Board of Directors. Further, the Nominating Committee ensures director nominees complement the Corporation's strategic vision and direction, a fundamental priority for the Board of Directors. The Nominating Committee follows the same process for evaluating shareholder-recommended nominees for director.

The Nominating Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating Committee believe that it is essential that members of the Board of Directors represent diverse viewpoints and experience. In considering candidates for the Board, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards.

*Executive Compensation*

## Edgar Filing: ACNB CORP - Form DEF 14A

The Compensation Committee and the Board of Directors of the Corporation seek to establish fair compensation policies in order to attract, motivate, reward and retain competent managers whose efforts will enhance the Corporation's profitability and growth. The Compensation Committee treats compensation as an evolving process depending on the strategic objectives of the Corporation, as determined by the Board of Directors at that time.

Table of Contents

**The Role of the Executive Officers in Setting Compensation**

The President & Chief Executive Officer discusses the Executive Vice President, Secretary & Chief Governance Officer's and the Executive Vice President, Treasurer & Chief Financial Officer's performance with the Compensation Committee and provides insight on merit compensation. The Compensation Committee, without input from other executive officers, reviews the performance of the President & Chief Executive Officer and the Chairman of the Board. The Compensation Committee then reports on the performance of the executives and recommends compensation levels to the Board of Directors.

The Board of Directors of Russell Insurance Group, Inc., the insurance subsidiary, recommends the compensation level for the President & Chief Executive Officer of Russell Insurance Group, Inc. to the Compensation Committee, which reviews the recommendation and subsequently makes an independent recommendation to the Board of Directors of ACNB Corporation.

The members of the Board of Directors of the Corporation, using their respective business judgment and after hearing the Compensation Committee's report, determine the compensation levels for all Named Executive Officers. The Named Executive Officers do not participate in the determination process of their respective annual base salaries and are not present when their respective compensation is discussed by the Compensation Committee or discussed and approved by the Board of Directors.

**The Role of a Consultant in Setting Compensation**

For compensation awarded in the year of 2011, the Compensation Committee engaged Larry R. Webber, an independent executive compensation advisor, to assist the Committee in fulfilling its responsibilities. Mr. Webber's engagement did not create a conflict of interest, and Mr. Webber did not provide additional services to the Corporation or any of its subsidiaries.

Mr. Webber presented a 2011 executive compensation review which he prepared for the Compensation Committee and advised the Committee with regard to compensation for the Named Executive Officers, except the President & Chief Executive Officer of Russell Insurance Group, Inc.

The Compensation Committee also engaged Bank Financial Services Group (BFS Group) to provide an analysis of the supplemental executive retirement plans (SERPs). BFS Group furnished the Committee with information regarding SERP expenses and the benefits the Corporation and Bank will receive from bank-owned life insurance policies upon the death of the Named Executive Officers. The representative from BFS Group also discussed SERP benefits provided by other local financial institutions. BFS Group provides bank-owned life insurance policies and back office administrative services for SERP benefits.

**Benchmarking**

In 2011, the Corporation, through the services of Mr. Webber, benchmarked its compensation policies against a peer group approved by the Compensation Committee and consisting of the following institutions:

1. Eastern Virginia Bankshares, Inc., Tappahannock, VA
2. Middleburg Financial Corporation, Middleburg, VA
3. National Bankshares, Inc., Blacksburg, VA
4. C&F Financial Corporation, West Point, VA
5. Old Point Financial Corporation, Hampton, VA

Mr. Webber's report presented information on the Corporation and the peer comparison of 2010 return on average assets (ROAA), return on average equity (ROAE), and earnings per share (EPS) growth. Mr. Webber obtained the relevant data from SNL Financial, a provider of financial services financial data. The Compensation Committee chose ROAA as a metric because it illustrates how efficiently the Corporation is using its assets over time and does not reflect intermediate highs or lows. The Compensation Committee chose ROAE because it gauges the Corporation's profitability over the year as a percentage of shareholders' equity. The Compensation Committee chose EPS growth to emphasize the Corporation's compensation philosophy of sustaining and enhancing long-term investor value.

ACNB Corporation exceeded its peers with regard to ROAA, ROAE and EPS growth as illustrated by the following tables extracted from Mr. Webber's report:

**2010 ROAA**

**2010 ROAE**

**2010 EPS GROWTH**

Table of Contents

Mr. Webber's report also compared base salary, at-risk awards, and total compensation based upon information gained from 2010 proxy material. Although the Corporation exceeded its peers in the metrics comparison, the total compensation of the President & Chief Executive Officer; Executive Vice President, Secretary & Chief Operating Officer (now Executive Vice President, Secretary & Chief Risk Officer); and, Executive Vice President, Treasurer & Chief Financial Officer was lower than their peers as illustrated below:

<b>Chief Executive Officer &amp; President</b>	<b>Executive Vice President, Secretary &amp; Chief Operating Officer (now Executive Vice President, Secretary &amp; Chief Risk Officer)</b>	<b>Executive Vice President, Treasurer &amp; Chief Financial Officer</b>
--	---	--

When Mr. Webber presented his analysis, the ACNB Bank title for Lynda L. Glass, as a Named Executive Officer, was Executive Vice President, Secretary & Chief Operating Officer and, therefore, the information which he presented was based upon the duties of a chief operating officer. Since then, Ms. Glass has taken on new responsibilities and her title has changed; however, there was no coincident increase in salary.

The three above-referenced Named Executive Officers' at-risk cash bonuses as a percentage of salary were lower than their peers by approximately 17% to 29%. The Corporation and Bank did not provide equity awards in 2010; whereas, ACNB Corporation's peers awarded their Named Executive Officers up to 35% of their base salary in equity awards. The President & Chief Executive Officer's and the Executive Vice President, Treasurer & Chief Financial Officer's base salary continue to be lower than their peers. The Executive Vice President, Treasurer & Chief Financial Officer's base salary was raised by \$20,000 to close the gap in the disparity among his salary and his peers.

The Compensation Committee also benchmarked ACNB Bank's supplemental executive retirement plans to the information provided by BFS Group. The financial institutions included in BFS Group's report included Farmers and Merchants Trust Company, CNB Financial Corporation, Orrstown Bank, Codorus Valley Bancorp, Inc., and ESSA Bank & Trust. The information provided indicated that the payout period for ACNB Bank's supplemental executive retirement plans was shorter than that provided a majority of the peers. Also, the benchmarking indicated that the payout amounts were generally lower than the peer group's payout amounts. As a result of this information, the Compensation Committee determined to lengthen the payout period and to adjust the amount of the payouts.

Additionally, the Corporation participates in an annual compensation survey and receives the results of the survey from L.R. Webber Associates, Inc., a compensation and benefits consulting firm which is not affiliated with Mr. Webber. The human resources manager of the Corporation's banking subsidiary interacts with the consulting firm and the applicable results of the survey are available to the Compensation Committee for review. The survey includes general compensation information and salary ranges for executives of financial institutions throughout Pennsylvania. The survey is not used to benchmark any specific element of executive compensation to any specific financial institution or group of financial institutions, but is only used as an educational source as to the current trends in compensation at financial institutions primarily in Pennsylvania.

Table of Contents

In addition to the L.R. Webber Associates, Inc. survey, the Corporation receives information on compensation trends of financial institutions nationwide through resources provided by the American Bankers Association. The Compensation Committee also reviews the proxy material of other financial institutions in an effort to become more versed in the form of compensation awarded to executives at financial institutions and reviews educational material regarding executive compensation provided at various seminars and conferences attended by Compensation Committee members throughout the year.

**The Role of the Shareholders' Say on Pay Vote**

At the 2011 Annual Meeting of Shareholders, the shareholders overwhelmingly voted in favor of approving the compensation of the Corporation's Named Executive Officers as presented in the Compensation Discussion and Analysis found in the Corporation's proxy statement dated March 28, 2011. The Compensation Committee will take the results of the vote, as well as the shareholders' vote on the frequency of the say on pay vote, into consideration in awarding compensation in 2012 consistent with the policies and practices outlined in the Compensation Discussion and Analysis and in providing for an annual say on pay vote.

**Components of Compensation**

While the specific amount of compensation provided to the Corporation's executives may differ, the components of compensation are generally the same for our Named Executive Officers. For 2011, the Corporation's executive compensation and benefits package consisted primarily of base salary, retirement plans, and employee health and welfare benefit plans.

**Base Salary**

The Compensation Committee believes that base salary should be the primary component of compensation. Fixed compensation provides the executive with the security of knowing that the majority of his or her compensation is not tied to market fluctuations. The amount of base salary is designed to retain Named Executive Officers who can further the strategic objectives of the Corporation and provide leadership to the Corporation. In recommending base salary, the Compensation Committee does not take into consideration any other forms of compensation which are and which may not be offered to the Named Executive Officers. The Compensation Committee believes that, by providing compensation without delay in the form of base salaries, it will successfully further the Corporation's goals of providing a stable environment for its Named Executive Officers which, in turn, encourages them to maintain the safety and soundness of the Corporation.

Base salaries for our Named Executive Officers are established based upon their respective responsibilities, individual performance, longevity with the Corporation, and key Corporation performance measures including profitability and growth. The Compensation Committee and the Board of Directors of the Corporation do not assign specific quantitative measures to profitability and growth or performance targets, but uses its business judgment to determine if the Corporation's profitability and growth are sufficient enough to allow the Corporation the flexibility to award merit increases such that the increase would be a safe and sound practice. The Named Executive Officers are expected to assist the Corporation in sustaining and enhancing long-term investor value by maintaining the safety and soundness of the Corporation, enforcing internal controls deemed appropriate by our auditors and regulators, executing the strategic plans as prioritized by the Board of Directors, providing leadership and organizational development, and assisting in public relations. A Named Executive Officer's capacity to perform these tasks and achievement of these tasks are taken into consideration in determining whether the Named Executive Officer has performed as expected or has had outstanding performance. Except for the Executive Vice President, Treasurer & Chief Financial Officer's base salary which was raised in part to reduce the disparity among his base salary and his peers, the Named Executive Officers' salaries were raised only approximately 3.1%. The Social Security cost of living adjustment

Table of Contents

was 3.6% for 2011. Although the Compensation Committee was pleased with the performance of the Named Executive Officers, the increase in their respective base salary was a reflection of the current state of the economy and the desire to preserve the assets of the Corporation and its banking subsidiary and not a true reflection of their performance.

The Board of Directors of Russell Insurance Group, Inc. recommends the amount of cash compensation for the President & Chief Executive Officer of Russell Insurance Group, Inc. to the Compensation Committee which reviews the recommendation. The Compensation Committee then makes an independent recommendation to the Board of Directors of ACNB Corporation, which sets the amount of cash compensation for all Named Executive Officers. The base amount and forms of compensation awarded the President & Chief Executive Officer of Russell Insurance Group, Inc. are based upon previous contract negotiations, the performance of Russell Insurance Group, Inc., and the role that the President & Chief Executive Officer of Russell Insurance Group, Inc. performs in the highly relationship-oriented industry of insurance sales.

Bonus Awards

The Corporation does not have a formalized bonus plan for all Named Executive Officers. The President & Chief Executive Officer of Russell Insurance Group, Inc. is the only Named Executive Officer who has a formalized bonus structure which is addressed in his employment agreement. Given that his duties include marketing and sales, the Board of Directors of Russell Insurance Group, Inc. believes that offering him a formalized bonus will increase the profitability of the subsidiary, and therefore the Corporation, because it incents him to exceed \$1 million in pre-tax profits in a calendar year. Beginning in 2011, the bonus structure is equal to five percent (5%) of the pre-tax income (based on historical agency accounting system) earned by Russell Insurance Group, Inc. during the preceding calendar year, provided that the actual pre-tax profits for that year exceeds \$1 million; further provided, however, if Russell Insurance Group, Inc. is assessed with impairment charges, then the Board of Directors of Russell Insurance Group, Inc. may, at its sole discretion, award, adjust, or not award the bonus for any year in which impairment charges are applied to the Russell Insurance Group, Inc. income statement. This new bonus structure also contains a clawback provision allowing the Corporation to recoup the appropriate funds if the Corporation is required to restate all or a portion of its financial statements as a result of or related to a restatement of Russell Insurance Group, Inc.'s financial statements and if the Corporation determines in its sole discretion that it is required by state or federal laws or regulations to implement the clawback provision.

The Corporation may authorize discretionary bonus awards for the Named Executive Officers for the purpose of rewarding exceptional effort and performance. The Corporation has not set forth specific criteria for awarding bonuses, but treats each year's performance on a case-by-case basis and uses the Compensation Committee members' experience and individual business judgment when determining whether a bonus is appropriate.

The Corporation may provide a holiday bonus annually to employees of its banking subsidiary. For the year of 2011, the bonus was one percent (1%) of the employee's regular earnings. This discretionary bonus is intended to reward employees for their service throughout the year. As the discretionary bonus is awarded to all eligible employees, the amount of the bonus is not taken into account when determining executive compensation.

Retirement Plans

The Compensation Committee believes that retirement benefits are another important way to provide long-term financial security to employees, thus encouraging longevity and a low employee turnover rate. As the defined benefit plan and 401(k) plan are tax qualified retirement plans, the Corporation's retirement plans are not tied to Corporation or individual performance.

Table of Contents

*Defined Benefit Plan*

The Corporation's banking subsidiary, ACNB Bank, maintains a defined benefit plan which is available to all eligible employees hired on or before March 31, 2012. The plan provides a prospective benefit commencing at age sixty-five (65) for the employee's lifetime. If an employee has completed thirty (30) or more years of service, the employee is eligible to retire at age sixty-two (62) and receive full benefits. The plan contains a five (5) year vesting provision to ensure that the plan rewards employees for longevity. The amount paid under the plan is based upon a formula outlined in the plan and which is applicable to all ACNB Bank employees. The defined benefit plan is a very effective tool for employee retention and for providing long-term incentive compensation. All Named Executive Officers, with the exception of the President & Chief Executive Officer of Russell Insurance Group, Inc., are employees of ACNB Bank and are eligible to participate in the plan.

*401(k) Plan*

Both ACNB Bank and Russell Insurance Group, Inc. maintain a 401(k) plan which allows employees to save their own money for retirement, to earn a matching contribution from the subsidiary, and to direct the investment of all funds in the 401(k) plan. The percentage of match contributed to the Named Executive Officer's account is the same as contributed to all other eligible employees in each plan and is prescribed by the Internal Revenue Code. These plans are viewed as a necessity to successfully hire and retain employees in a competitive marketplace. All Named Executive Officers participate in ACNB Bank's 401(k) plan, except the President & Chief Executive Officer of Russell Insurance Group, Inc. who participates in Russell Insurance Group, Inc.'s 401(k) plan.

*Supplemental Executive Retirement Plan*

In 2011, the Corporation provided a supplemental executive retirement plan (SERP) to the Chairman of the Board, President & Chief Executive Officer, and Executive Vice President, Secretary & Chief Risk Officer of ACNB Bank. Based upon the presentation of BFS Group and the information provided by Mr. Webber, which is discussed in more detail in *The Role of a Consultant in Setting Compensation*, the Compensation Committee determined to provide a SERP agreement to the Executive Vice President, Treasurer & Chief Financial Officer and to increase the retirement benefit to the President & Chief Executive Officer and the Executive Vice President, Secretary & Chief Risk Officer to offset a recent reduction in the Named Executive Officers' benefits under the Bank's defined benefit plan. The SERPs were and are being designed to account for some of the limitations with traditional pension plans, and are intended to provide essential executive officers with an incentive to remain with the Corporation until retirement as opposed to terminating employment before retirement to work for a competitor. The triggering events for payment under the SERP agreements are reaching retirement age as delineated in the SERP agreement, change in control followed by termination of employment, or death. Benefit amounts for a termination prior to retirement age will be determined by the individual's number of years of service encouraging longevity with the Corporation. The SERP provides no current remuneration to the applicable Named Executive Officers and, therefore, is not taken into consideration when determining base salary.

Health and Welfare Plans

Health and welfare plans are not tied to the Corporation or individual performance. The cost of providing such benefits to all eligible employees is not taken into account when determining specific salaries of the Named Executive Officers and is a cost of doing business.

Table of Contents

*Insurance Plans*

Group life, group disability, vision, and health insurance are available to all eligible employees. Such plans are standard in the industry and in the geographic area for all industries, as well as necessary to compete for talented employees at all levels of the Corporation.

*Supplemental Life Insurance Plan*

The Corporation's supplemental life insurance plan provides a split-dollar share of death benefits to the Named Executive Officer's beneficiary, depending upon the Named Executive Officer's eligibility to receive payments. The plan is funded with bank-owned life insurance and is used to provide an additional benefit to certain officers, including the Named Executive Officers, with a minimal cost to the Corporation. Split-dollar life insurance plans are widely available in the banking industry because the Corporation will recover its plan costs upon the death of the Named Executive Officer and the Named Executive Officer's beneficiary will receive a split of the insurance proceeds. Although this benefit does not provide any current remuneration to the Named Executive Officer, it provides further incentive for longevity with the Corporation as it provides the executive the ability to provide some benefit to his or her family after his or her death. As the Corporation will recover its plan costs, the cost of the plan is not taken into consideration when determining base salary.

*Long-Term Care Insurance*

The Corporation provides long-term care insurance to certain officers, including the Named Executive Officers employed by the Corporation's banking subsidiary, ACNB Bank. The cost of providing this benefit is offset by interest earned on bank-owned life insurance on the life of the Named Executive Officer. Long-term care insurance is seen as an additional benefit used to attract and retain competent executives at minimal cost; therefore, the cost of the plan is not taken into consideration when determining base salary or other benefits.

Perquisites

The Corporation provides either a Corporation-owned or Corporation-leased vehicle to the President & Chief Executive Officer of ACNB Bank and to the President & Chief Executive Officer of Russell Insurance Group, Inc. The provision of a Corporation vehicle to these individuals is a customary benefit in the financial services industry as individuals in these positions frequently engage in public relations on behalf of the Corporation, ACNB Bank and/or Russell Insurance Group, Inc.

Equity Compensation

In 2009, the shareholders approved a restricted stock plan for the benefit of employees and directors of ACNB Corporation and ACNB Bank, as determined by the Compensation Committee. The plan is intended to advance the best interests of the Corporation and its shareholders by providing those persons who have responsibility for the Corporation's growth with additional incentives by encouraging them to acquire an ownership interest in the Corporation and, thereby, further encouraging them to contribute to the success of the Corporation and ACNB Bank. The price volatility inherent in any form of performance-based equity compensation remains the main reason why other forms of compensation will be relied upon more heavily than equity compensation. The Compensation Committee has not yet granted any shares of restricted stock given the current state of the economy. The Compensation Committee is also still engaging in a thorough analysis of the industry and review of criteria to determine the best method to enhance shareholder value by providing an incentive to its executives under the plan. The Corporation has not instituted an equity ownership requirement for its Named Executive Officers.

Table of Contents

*Employment Agreements*

The Corporation and one of its subsidiaries have entered into employment agreements with the President & Chief Executive Officer, Executive Vice President, Secretary & Chief Governance Officer, and Executive Vice President, Treasurer & Chief Financial Officer, as well as the President & Chief Executive Officer of Russell Insurance Group, Inc.

Triggering Events

The employment agreements with the President & Chief Executive Officer, Executive Vice President, Secretary & Chief Governance Officer, and Executive Vice President, Treasurer & Chief Financial Officer are similar and any difference is found in payment amounts which are adjusted given the respective role in the Corporation and the current trends in the financial services industry. In determining the triggering events in these agreements, the Corporation used triggering events which are standard and prevalent in the industry. The contracts are designed to compensate the Named Executive Officer if the Named Executive Officer is terminated without cause, is terminated after a change in control, or terminates employment for good reason. As the agreements are three (3) years in duration and as the Named Executive Officer has agreed to noncompetition provisions in the agreement, the Corporation believes that it is only appropriate that if the Named Executive Officer is terminated without cause or if the Corporation imposes a condition of employment upon the Named Executive Officer which would be considered a good reason for the Named Executive Officer to terminate employment under the agreement (in effect, if the Corporation breaches the agreement), then the Named Executive Officer should be paid the predetermined amount as damages as a result of the Corporation violating the employment agreement. Alternatively, if the Corporation undergoes a change in control and as a result the Named Executive Officer's employment is terminated by either the Named Executive Officer or the successor Corporation, the Corporation believes that it is in the best interests of the shareholders to provide the Named Executive Officer with security in order to ensure that decisions regarding potential changes in control are made in the best interests of the shareholders and that personal concerns regarding subsequent employment are minimized. The contracts give the Named Executive Officer the security of knowing that if he or she is terminated in one of those scenarios that he or she will receive some form of compensation during the transition phase from working for the Corporation to finding another position. In addition, the contracts contain a noncompetition provision, whereby the Named Executive Officer is not allowed to compete with the Corporation or solicit customers or employees of the Corporation for a specific period of time. The time period in which the Named Executive Officer receives compensation is related to the time period that the noncompetition provision is in effect.

The three (3) year contract for the President & Chief Executive Officer of Russell Insurance Group, Inc. contains a payment trigger if his employment agreement is terminated without cause or he terminates employment for good reason. Therefore, if he terminates employment without good reason, he will not receive any payment. If there is a change in control, he will only receive a payment if a subsequent termination of employment meets the definition of a termination without cause or a voluntary termination for good reason. Given his role at Russell Insurance Group, Inc., and not at the Corporation, the Compensation Committee believes the triggering events are appropriate.

Vesting

Given the number of years which the respective Named Executive Officers have worked for the Corporation or a subsidiary, specifically, twelve (12) years for the President & Chief Executive Officer, twenty-seven (27) years for the Executive Vice President, Secretary & Chief Governance Officer, and six (6) years for the Executive Vice President, Treasurer & Chief Financial Officer, the Compensation Committee did not feel that it was necessary to attach any additional vesting requirements upon the Named Executive Officers' agreements. In addition, the most recent agreements for the President &

Table of Contents

Chief Executive Officer and Executive Vice President, Secretary & Chief Governance Officer and the President & Chief Executive Officer of Russell Insurance Group, Inc. replaced previous agreements which did not contain vesting requirements.

Accounting and Tax Treatments

In the case that one of the events which trigger a payment under the ACNB Bank employment agreements occurs and a payment is made, if the payment is subject to the Internal Revenue Code Section 4999 (also referred to as 280G) penalty, then the Named Executive Officer will receive additional compensation such that, after taxes, the Named Executive Officer will receive what he or she is entitled to under the agreement. The gross-up provision is standard in employment agreements given to Named Executive Officers at Pennsylvania community banks and is intended to place the Named Executive Officer in the same financial position that the parties intended. The gross-up amount is not taken into consideration when determining annual base salary or other annual compensation awards, but was taken into account when determining the amount of each triggering event in the respective contract.

**Material Differences in Compensation Awarded to Each Named Executive Officer**

The Named Executive Officers receive base salaries commensurate with their positions, responsibilities and past performance as recommended by the Compensation Committee and approved by the Board of Directors of ACNB Corporation using their respective business judgment. The amount of net income generated by Russell Insurance Group, Inc. is also taken into consideration when determining the President & Chief Executive Officer of Russell Insurance Group, Inc.'s base salary and bonus which is based upon a formula provided in his employment agreement and discussed in more detail in *Bonus Awards*.

All Named Executive Officers receive a base salary, access to a 401(k) plan, and health and welfare plans. All Named Executive Officers, with the exception of the President & Chief Executive Officer of Russell Insurance Group, Inc., receive the discretionary bonus given to all eligible employees and are eligible to participate in the defined benefit plan.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on the review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in ACNB Corporation's proxy statement.

This report is furnished by the Compensation Committee.

**EXECUTIVE COMPENSATION AND EMPLOYEE BENEFITS**

In 2011, ACNB Bank's Chief Risk Officer provided the Board of Directors with a risk assessment report for the Corporation's incentive compensation programs. The Board of Directors concluded that the programs are balanced, do not motivate imprudent risk taking, and are not reasonably likely to have a material adverse effect on the Corporation.

Table of Contents**Summary Compensation Table**

***Equity Compensation***

In 2009, the Corporation's shareholders approved the ACNB Corporation 2009 Restricted Stock Plan which allows the Corporation to grant up to 200,000 restricted shares under the plan. The Compensation Committee may grant restricted stock to employees and directors of ACNB Corporation and ACNB Bank contingent, for example, upon the employee, director, Corporation or Bank meeting specified goals or the employee or director remaining employed or affiliated with the Bank for a specific period of time. To date, no restricted stock has been granted under the plan.

***Clawback Provisions***

As Mr. Russell's employment agreement is currently the only arrangement which provides compensation based upon financial information which may be required to be reported under securities law or which may have an effect on the financial information reported, it is the only arrangement to which a clawback applies. All bonuses under Mr. Russell's employment agreement earned after January 1, 2011, are subject to the clawback provision.

***Supplemental Life Insurance Plan***

In January 2001, ACNB Bank implemented a supplemental life insurance plan for certain officers of the Bank to provide death benefits for each officer's designated beneficiaries. Beneficiaries designated by an officer are entitled to a split dollar share of the death proceeds from the life insurance policies on each officer which vary depending on the officer's age at death, employment status with the Bank at the time of death, and eligibility to receive payments. The plan is unsecured and unfunded, and there are no plan assets. The Bank has purchased single premium bank-owned life insurance (BOLI) policies on the lives of the officers and intends to use income from the BOLI policies to offset the plan benefit expenses.

***401(k) Plan***

ACNB Bank maintains a defined contribution profit-sharing 401(k) plan. ACNB Bank is the plan sponsor and plan administrator. The plan is subject to certain laws and regulations under the Internal Revenue Code, and participants are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974.

An employee is eligible to participate in the plan after working for six (6) months and attaining the age of twenty (20) years and six (6) months. An eligible employee is automatically enrolled in the 401(k) plan, and the Bank will automatically withhold 4% of the employee's wages unless otherwise directed. ACNB Bank matches a percentage of the employee's contribution. In 2011, ACNB Bank's contribution equaled 100% of the employee's contribution up to a maximum of 4% of earned compensation. Effective January 1, 2000, ACNB Bank adopted a "safe harbor" provision for its 401(k) plan, which vests eligible contributions immediately upon entering the plan for both employer and employee contributions.

***Group Term Life Insurance Plan***

ACNB Bank maintains a group term life insurance plan. All full-time Bank employees are eligible to participate in the plan. For 2011, the insurance benefit for employees was calculated as two (2) times salary, with a maximum of \$250,000.

***Long-Term Care Insurance***

ACNB Bank provides long-term care insurance to certain officers. The insurance provides a monthly benefit for long-term care needs.

Table of Contents

***Defined Benefit Plan***

The employees of ACNB Bank are covered under the Bank's Group Pension Plan for Employees. The plan is a defined benefit pension plan under the Employee Retirement Income Security Act of 1974. The plan was restated November 1, 1998, effective January 1, 1999, and subsequently amended effective November 1, 2000, January 1, 2010, and April 1, 2012. ACNB Bank is the plan sponsor and plan administrator.

Amounts are set aside each year to fund the plan on the basis of actuarial calculations. The amount of contribution to a defined benefit pension plan on behalf of a specific employee cannot be separately or individually calculated. The total pension expense in 2011 for ACNB Bank's plan was negative \$105,000 which was due to the prior year plan investment and the reduced benefit formula implemented on January 1, 2010. The contribution to the plan made by ACNB Bank on behalf of all employees in 2011 was \$2,455,000. This contribution exceeded the amount sufficient to meet the legal minimum funding requirements.

Each eligible employee of ACNB Bank who attains the age of twenty (20) years and six (6) months and who completes one (1) year of service, in which one thousand (1,000) hours are worked, is eligible to participate in the plan on the following anniversary of the plan. Effective April 1, 2012, no inactive or former participant in the plan will be eligible to again participate in the plan, and no employee hired after March 31, 2012, will be eligible to participate in the plan. The plan generally provides for a prospective benefit at the age of sixty-five (65) years for the employee's remaining lifetime with payments certain for five (5) years. Effective January 1, 2010, the formula for determining a participant's benefit is the participant's earned benefit as of December 31, 2009, plus 0.75% of the participant's average monthly pay multiplied by the participant's benefit service earned on and after January 1, 2010, but not more than twenty-five (25) years. If an employee has completed thirty (30) or more years of vested service, he or she is eligible to retire at age sixty-two (62) with no reduction applied to his or her benefit.

***Supplemental Executive Retirement Plan***

ACNB Bank entered into retirement income agreements with certain senior officers of ACNB Bank to provide supplemental retirement income benefits to these officers when they reach their normal retirement date. The benefits are payable in 180 equal monthly installments. Benefits are also payable upon death. Benefit amounts will be determined by the individual's number of years of service. Benefits accrue annually, but may be reduced if termination of service occurs before the normal retirement date except after a change in control. Estimated liability under the agreements is accrued as earned by the employee. ACNB Bank is the owner and beneficiary of life insurance policies on each officer that, at December 31, 2011, had an aggregate cash value of approximately \$4,365,000. ACNB Bank purchased these policies to fund the retirement income agreements entered into with these individuals. Further information with respect to these agreements is set forth in the Notes to Consolidated Financial Statements contained in ACNB Corporation's 2011 Annual Report on Form 10-K.

***Employment Agreements***

On December 31, 2008, the Corporation and Adams County National Bank, now ACNB Bank, entered into amended and restated employment agreements with Thomas A. Ritter, President & Chief Executive Officer of the Corporation and the Bank, and Lynda L. Glass, Executive Vice President, Secretary & Chief Governance Officer of the Corporation and Executive Vice President, Secretary & Chief Risk Officer of the Bank. On April 17, 2009, the Corporation and the Bank entered into an employment agreement with David W. Cathell, Executive Vice President, Treasurer & Chief Financial Officer of the Corporation and the Bank (together, the "Agreements" and "Executives"). Under the Agreements, these Named Executive Officers are eligible for bonuses, paid time off, participation in employee benefit plans, and reimbursement of business expenses. Further, Mr. Ritter receives a company vehicle provided by the Corporation.

The initial terms of the Agreements are three years which automatically extend for an additional one year period on each annual anniversary date of the Agreements, unless notice is given 180 days prior to the anniversary date, so that on each anniversary date if notice had not been previously given the term shall continue for three years.

The Agreements automatically terminate if the Executives are terminated for "Cause", as defined in the Agreements, and all rights under the Agreements will terminate with the exception of the arbitration clause. The Agreements automatically terminate if the Executives terminate their employment for "Good Reason", as defined in the Agreements. If the Agreements terminate for "Good Reason", the Executives will receive the greater of (1) the compensation due for the remainder of the Agreements' terms or (2) in the case of Mr. Ritter two times his salary and benefits for two years and in the case of Ms. Glass or Mr. Cathell one times salary and benefits for one year. The Agreements automatically terminate upon the Executives' disability, as defined in the Agreements, and the Executives will receive employee benefits and 75% of their compensation until (1) they return to work, (2) reach age 65, (3) die, or (4) the employment period under the Agreements ends. The Agreements automatically terminate if the Executives voluntarily terminate the Agreements. If the Executives give notice within 180 days of a "Change in Control", as defined in the Agreements, or the

Table of Contents

Executives' employment is terminated involuntarily, the Executives are entitled to 2.99 times the Executives' then current compensation "grossed-up" and to continue to receive benefits for two years.

The Agreements contain restrictive covenants precluding the Executives from engaging in competitive activities in a certain area and provisions preventing the Executives from disclosing proprietary information about the Corporation and Bank.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

As Named Executive Officers, Mr. Ritter, Ms. Glass and Mr. Cathell have entered into employment agreements with the Corporation which govern any payments upon termination or change in control. If on December 31, 2011, Mr. Ritter terminated his employment for Good Reason, as defined in the employment agreement, he would have received thirty-six (36) months of his salary in twenty-four (24) monthly payments plus benefits for twenty-four (24) months. If on December 31, 2011, Ms. Glass terminated employment for Good Reason, she would have received thirty-six (36) months of her salary in twelve (12) monthly payments plus benefits for twelve (12) months. If Mr. Cathell terminated employment for Good Reason, he would have received twenty-seven and one-half (27<sup>1/2</sup>) months of his salary in twelve (12) monthly payments plus benefits for twelve (12) months. If Mr. Ritter, Ms. Glass or Mr. Cathell terminates employment after a "Change in Control", as defined in the respective employment agreements, then he or she will be entitled to a lump sum of 2.99 times his or her respective annual salary plus benefits for two (2) years following termination. If the Corporation terminates the Named Executive Officer's employment without "Cause", then the respective Named Executive Officer will receive thirty-six (36) monthly payments in an amount equal to 2.99 times his or her respective annual salary plus benefits for two (2) years. Payments pursuant to a "Change in Control" or termination without "Cause" or for "Good Reason" will be grossed-up to accommodate for any excess tax imposed on the payments.

All three employment agreements contain noncompetition, nonsolicitation and confidentiality provisions. If the Corporation terminates the Named Executive Officer's employment without "Cause" or if the Named Executive Officer terminates employment with "Good Reason" or after a "Change in Control", then the noncompetition and nonsolicitation provisions continue for two (2) years after the termination of employment. If the Named Executive Officer's employment is terminated by the Corporation for "Cause" or if the Named Executive Officer terminates employment voluntarily without "Good Reason", then the noncompetition and nonsolicitation provisions continue for one (1) year after termination of employment.

Upon a "Change in Control", Mr. Ritter and Ms. Glass will become vested in the retirement benefits under the supplemental executive retirement plan agreement. If Mr. Ritter or Ms. Glass is terminated without "Cause", as defined in the respective supplemental executive retirement plan agreement, then he or she will be entitled to an early termination benefit in an amount determined based upon the year in which such termination occurs. If Mr. Ritter or Ms. Glass is terminated for "Cause", then no payments are required to be made to the respective executive. The supplemental executive retirement plan agreement contains a noncompetition provision which restricts the Named Executive Officer's ability to compete and solicit customers.

Upon any termination of employment, the respective Named Executive Officer will be entitled to receive normal retirement benefits equal to an amount determined by an actuarial formula as described in the defined benefit plan.

*Transactions with Directors and Executive Officers*

Some of ACNB Corporation's directors, executive officers, and their immediate family members and the companies with which they are associated were customers of and had banking transactions with ACNB Corporation's subsidiary bank during 2011. All loans and loan commitments made to them and to their companies were made in the ordinary course of bank business, on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other customers of the bank, and did not involve more than a normal risk of collectibility or present other unfavorable features. ACNB Corporation's subsidiary bank anticipates that they will enter into similar transactions in the future.

The Corporation does not regularly engage in business transactions with directors and executive officers outside of its business of banking. Any other transactions with directors or executive officers are reviewed and approved by the Board of Directors on a case-by-case basis as the need arises.

**COMPENSATION COMMITTEE INTERLOCKS  
AND INSIDER PARTICIPATION**

Members of the Compensation Committee during 2011 were James E. Williams, Frank Elsner, III, James J. Lott, Marian B. Schultz, Jennifer L. Weaver and Harry L. Wheeler. Each of these directors is "independent" as defined in the SEC and Nasdaq standards for independence.

**AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors is comprised of directors who meet SEC and Nasdaq standards for independence. The Audit Committee operates under a written charter adopted by the Board of Directors in April 2000, which has been subsequently revised and is incorporated by reference to Appendix A of the Corporation's 2010 proxy statement.

The Audit Committee met with management periodically during the year to consider the adequacy of the Corporation's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Corporation's independent auditors and with appropriate Corporation financial personnel and internal auditors. The Audit Committee also discussed with the Corporation's management and independent auditors the process used for certifications by the Corporation's Chief Executive Officer and Chief Financial Officer, which are required for certain of the Corporation's filings with the SEC.

The Audit Committee also met privately at its regular meetings with both the independent auditors and the internal auditors, each of whom has unrestricted access to the Audit Committee.

The Audit Committee appointed ParenteBeard LLC as the independent auditors for the Corporation after reviewing the firm's performance and independence from management.

Management has primary responsibility for the Corporation's financial statements and the overall reporting process, including the Corporation's system of internal controls.

The independent auditors audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present the financial position, results of operations, and cash flows of the Corporation in conformity with generally accepted accounting principles, and discussed with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee reviewed with management and ParenteBeard LLC, the Corporation's independent auditors, the Corporation's audited financial statements, as well as reviewed those financial statements and reports prior to issuance. Management has represented, and ParenteBeard LLC has

confirmed, to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee received from and discussed with ParenteBeard LLC the written disclosure and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' Communication with the Audit Committee Concerning Independence. These items relate to that firm's independence from the Corporation. The Audit Committee also discussed with ParenteBeard LLC matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee implemented a procedure to monitor auditor independence, reviewed audit and non-audit services performed by ParenteBeard LLC, and discussed with the auditors their independence.

The Audit Committee reviewed the audited financial statements and, based upon the review and discussions above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2011, which is then filed with the SEC.

At present, the Corporation has two individuals designated as "audit committee financial expert". The Board of Directors has determined that Daniel W. Potts and Robert W. Miller are qualified to serve as the Corporation's audit committee financial experts and are independent as defined under applicable SEC and Nasdaq rules.

This report is furnished by the Audit Committee.

Preapproval will generally be provided for up to one (1) year, and any preapproval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may also preapprove particular services on a case-by-case basis. For each proposed service, the independent auditors are required to provide detailed back-up documentation at the time of approval. None of the services related to the Audit-Related Fees, Tax Fees, or All Other Fees described above was approved by the Audit Committee pursuant to the preapproval waiver provisions set forth in the applicable SEC rules. Based on a review of copies of the reports we received, and on the statements of the reporting persons, we believe that all Section 16(a) filing requirements were complied with in a timely manner during 2011 except for one report with respect to one transaction of shares purchased by Lynda L. Glass and one report with respect to one transaction of shares purchased by Frank Elsner, III.

The shareholders approved a resolution at the Corporation's 2011 Annual Meeting of Shareholders to conduct an annual advisory vote on the Corporation's executive compensation for the Named Executive Officers. The next shareholder advisory vote on the frequency by which shareholders will vote on executive compensation will take place at the 2017 Annual Meeting of Shareholders.

As described in detail in this proxy statement, our executive compensation programs are designed to attract, motivate, reward and retain our Named Executive Officers, who are critical to our success. We are asking our shareholders to indicate their support for our Named Executive Officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our Named Executive Officer compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices

The say-on-pay vote is advisory, and therefore not binding on the Corporation, the Compensation Committee, or the Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders and, to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, we will consider our shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

*The Board of Directors recommends a vote **FOR** this proposal.*

We expect a representative of ParenteBeard LLC to be present at the Annual Meeting of Shareholders, to respond to appropriate questions, and to make a statement if the representative desires to do so.

*The Board of Directors recommends a vote **FOR** this proposal.*
