**PROXY STATEMENT
FOR THE 2014 ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 28, 2014**

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Use of the terms such as "us," "we," "our," "Alkermes" or the "Company" in this proxy statement is meant to refer to Alkermes plc and its subsidiaries, except when the context makes clear that the time period being referenced is prior to September 16, 2011, the effective date of the combination of the business of Alkermes, Inc. and Elan Drug Technologies ("EDT") under Alkermes plc (the "Business Combination"), in which case such terms shall refer to Alkermes, Inc., which, prior to September 16, 2011, was an independent biotechnology company incorporated in the Commonwealth of Pennsylvania and traded on the NASDAQ Global Select Market ("Nasdaq") under the symbol "ALKS."

Why am I receiving these materials?

We are making this proxy statement available to you on or about April 16, 2014 on the Internet, or by delivering printed versions to you by mail, because our Board of Directors (the "Board") is soliciting your proxy to vote at the Company's 2014 Annual General Meeting of Shareholders (the "Annual Meeting") on May 28, 2014. This proxy statement contains information about the items being voted on at the Annual Meeting and important information about Alkermes.

This proxy statement and the following documents relating to the Annual Meeting are available at <http://www.viewproxy.com/alkermes/2014> and on our website at www.alkermes.com:

Our Internet notice of availability of proxy materials (the "Notice");

Our Transition Report on Form 10-K for the nine-month transition period that commenced on April 1, 2013 and ended December 31, 2013 (the "Transition Period"); and

Our Irish Statutory Accounts for the Transition Period and the reports of the Directors and auditors thereon.

Who can vote at the Annual Meeting?

Only shareholders who are registered as shareholders as of the close of trading on Nasdaq on March 17, 2014 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, there were 144,421,221 ordinary shares issued and outstanding and entitled to be voted.

Each ordinary share that you own as of the Record Date entitles you to one vote on each matter to be voted upon at the Annual Meeting. We are making this proxy statement and other Annual Meeting materials available on the Internet or, upon request, sending printed versions of these materials on or about April 16, 2014 to all shareholders of record as of the Record Date.

Edgar Filing: Alkermes plc. - Form DEF 14A

How do proxies work?

Our Board is asking for your proxy authorizing us to vote your shares at the Annual Meeting in the manner you direct. You may abstain from voting on any matter. If you submit your proxy without specifying your voting instructions, we will vote your shares as follows:

Election of Directors. FOR the election of each of our two Class III director nominees;

Advisory Vote on Executive Compensation. FOR the non-binding, advisory vote on executive compensation;

2015 Annual General Meeting of Shareholders. FOR the authorization to hold the 2015 Annual General Meeting of Shareholders outside of Ireland;

PricewaterhouseCoopers. FOR the appointment of PricewaterhouseCoopers LLP as the independent auditors of the Company and the authorization of the Audit and Risk Committee of the Board to set the auditor's remuneration;

Alkermes 2011 Stock Option and Incentive Plan, as amended. FOR the Alkermes plc 2011 Stock Option and Incentive Plan, as amended. Your approval will serve to ratify the performance measures set forth in the 2011 Plan (as defined herein) and to increase the shares authorized for issuance thereunder; and

As to any other matter that may properly come before the meeting or any adjournment or postponement, in accordance with our best judgment.

Ordinary shares represented by valid proxies received in time for the Annual Meeting and not revoked before the Annual Meeting will be voted at the Annual Meeting. You can revoke your proxy and change your vote in the manner described below (under "**Can I change my vote after submitting my proxy?**"). If your shares are held through a bank, broker or other nominee, please follow the instructions that you were provided.

How do I vote?

It is important that your shares are represented at the Annual Meeting, whether or not you attend the Annual Meeting in person.

Shareholders of record. If, as of the Record Date, your ordinary shares were registered directly in your name with the Company's transfer agent, Computershare Trust Company, N.A., then you are a shareholder of record. As a shareholder of record, there are four ways to vote:

Telephone: By calling the toll-free telephone number indicated on your proxy card. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet: By going to the Internet website indicated on the Notice or proxy card. As with telephone voting, you can confirm that your instructions have been properly recorded.

Mail: By signing, dating and returning a printed proxy card, which must be received by the Company by 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014.

In Person: By submitting a written ballot in person at the Annual Meeting. To obtain directions to attend the Annual Meeting, please contact our Investor Relations department at financial@alkermes.com. We will pass out ballots at the Annual Meeting to anyone who wishes to vote in person.

Edgar Filing: Alkermes plc. - Form DEF 14A

Shares held in a brokerage account. If your shares are held in a brokerage account in your broker's name (this is called "street name"), please follow the voting instructions provided by your bank, broker or other nominee. In most cases, you may submit voting instructions by telephone or by Internet to your bank, broker or other nominee, or you can sign, date and return a voting instruction form to your bank, broker or other nominee. If you provide specific voting instructions by telephone, by Internet or by mail, your bank, broker or other nominee must vote your shares as you have directed. If you wish to vote in person at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee.

What is the deadline for voting my shares if I do not vote in person at the Annual Meeting?

If you are a shareholder of record, you may vote by Internet or by telephone until 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014. If you are a shareholder of record and you elect to vote by mail, your signed and dated printed proxy card must be received by the Company by 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014.

If you are a beneficial owner of shares held through a bank or brokerage firm, please follow the voting instructions provided by your bank or brokerage firm.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

We have elected to provide access to our proxy materials on the Internet, consistent with the rules of the Securities and Exchange Commission ("SEC"). Accordingly, unless you have instructed otherwise, we are mailing the Notice to our shareholders. You can access our proxy materials on the website referred to in the Notice or you may request printed versions of our proxy materials for the Annual Meeting. Instructions on how to access our proxy materials on the Internet or to request printed versions are provided in the Notice. In addition, you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

What does it mean if I receive more than one notice regarding the Internet availability of proxy materials or more than one set of printed proxy materials?

If you hold your shares in more than one account, you may receive a separate Notice or a separate set of printed proxy materials, including a separate proxy card or voting instruction form, for each account. To ensure that all of your shares are voted, please vote by telephone or by Internet or sign, date and return a proxy card or voting instruction form *for each account*.

How many votes do I have?

On each matter to be voted upon, you have one vote for each ordinary share you owned as of the Record Date.

What happens if I do not give specific voting instructions when I deliver my proxy?

Shareholders of Record. If you are a shareholder of record and you:

Indicate when voting by Internet or by telephone that you wish to vote as recommended by our Board; or

If you sign and return a proxy card without giving specific voting instructions,

Edgar Filing: Alkermes plc. - Form DEF 14A

then the Company-designated proxy holders will vote your shares in the manner recommended by our Board on all matters presented in this proxy statement and the proxy holders may determine in their discretion regarding any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares and your bank or brokerage firm does not receive instructions from you about how your shares are to be voted, one of two things can happen, depending on the type of proposal. Pursuant to Nasdaq rules, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. Discretionary items are proposals considered routine under the rules of Nasdaq on which your broker may vote shares held in street name in the absence of your voting instructions. We believe that proposal 4 (appointment of PricewaterhouseCoopers LLP as our independent auditor and authorization for the Audit and Risk Committee of the Board to set auditor remuneration) will be considered routine, or discretionary. However, we note that proposals 1 (election of directors), 2 (the non-binding, advisory vote on executive compensation), 3 (authorization to hold the 2015 Annual General Annual Meeting of Shareholders of the Company at a location outside of Ireland) and 5 (approval of the 2011 Stock Option and Incentive Plan, as amended) are considered non-routine, non-discretionary items for such purposes. **A bank or brokerage firm may not vote your shares with respect to non-discretionary matters if you have not provided instructions. This is called a "broker non-vote." We strongly encourage you to submit your proxy and exercise your right to vote as a shareholder.**

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, employees and third-party proxy solicitors may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid Annual Meeting. A quorum will be present if at least one or more shareholders holding not less than a majority of the issued and outstanding shares entitled to vote are present at the Annual Meeting or represented by proxy. On the Record Date, there were 144,421,221 ordinary shares issued and outstanding and entitled to vote. Thus, the holders of 72,210,611 ordinary shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted toward the quorum requirement. If there is no quorum, within one hour of the time appointed for the Annual Meeting, the Annual Meeting shall stand adjourned to June 4, 2014 at 12:00 p.m., Irish Standard Time (7 a.m., United States Eastern Daylight Time) at the offices of the Company located at Connaught House, 1 Burlington Road, Dublin 4, Ireland, or such other time or place as the Board may decide.

What vote is required to approve each proposal and how are votes counted?

Election of Directors: The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required for the election of each of Paul J. Mitchell and Richard F. Pops. Our memorandum and articles of association (our "Articles of Association") provide that if, at any annual general meeting of shareholders, the number of directors is reduced below the minimum prescribed by our Articles of Association due to the failure of

Edgar Filing: Alkermes plc. - Form DEF 14A

any director nominee to receive a majority of the votes cast, then in those circumstances, the nominee or nominees who receive the highest number of votes in favor of election will be elected (until the next annual general meeting of shareholders) in order to maintain such prescribed minimum number of directors.

Advisory Vote on Executive Compensation: Because this proposal asks for a non-binding, advisory vote, there is no "required vote" that would constitute approval. We value the opinions expressed by our shareholders in this advisory vote, and our Compensation Committee, which is responsible for overseeing and administering our executive compensation programs, will consider the outcome of the vote when designing our compensation programs and making future compensation decisions for our named executive officers.

Authorization to hold the 2015 Annual General Meeting of Shareholders at a location outside of Ireland: The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to authorize holding the 2015 Annual General Meeting of Shareholders of the Company at a location outside of Ireland.

Appointment of PricewaterhouseCoopers LLP as independent auditor and authorization to set auditor remuneration: The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to appoint PricewaterhouseCoopers LLP as our independent auditor for the fiscal year ending December 31, 2014 and to authorize the Audit and Risk Committee to set the auditor's remuneration.

2011 Stock Option and Incentive Plan, as amended: The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to approve the Alkermes plc 2011 Stock Option and Incentive Plan, as amended.

How will voting on any other business be conducted?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named as your proxy in the accompanying proxy are entitled to vote on those matters in accordance with their best judgment.

How are votes counted? How are abstentions and broker non-votes treated?

Votes will be counted by the inspector of election appointed for the Annual Meeting. Abstentions will be counted as present for purposes of determining the presence of a quorum for purposes of the proposals, but will not be counted as votes cast. Broker non-votes will be counted as present for purposes of determining the presence of a quorum for purposes of the proposals, but will not be voted. Since the approval of all of the proposals is based on the votes properly cast at the Annual Meeting, abstentions and broker non-votes will not have any effect on the outcome of voting on these proposals.

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy at any time before it is exercised at the Annual Meeting by taking any of the following actions:

providing written notice to the Secretary of the Company (at Connaught House, 1 Burlington Road, Dublin 4, Ireland, Attn.: Secretary, Annual Meeting) by any means, including facsimile (+353 1 772 8001), that is received by the Secretary no later than 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014 stating that the proxy is revoked;

Edgar Filing: Alkermes plc. - Form DEF 14A

signing and delivering a proxy relating to the same shares and bearing a later date, that is received no later than 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014;

transmitting a subsequent vote over the Internet or by telephone, but no later than 5:00 p.m., Irish Standard Time (12:00 p.m., United States Eastern Daylight Time), on May 27, 2014; or

attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, revoke a proxy.

Please note that if your ordinary shares are held of record by a broker or other nominee, you must contact the broker or other nominee to revoke your proxy. If you wish to vote at the Annual Meeting, you must bring to the Annual Meeting a copy of your brokerage account statement or a letter from such broker or other nominee confirming your beneficial ownership of the shares as of the Record Date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a current report on Form 8-K that we expect to file within four business days of the Annual Meeting. If final voting results are not available to us in time to file a current report on Form 8-K within four business days after the Annual Meeting, we intend to file a current report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, to file an additional current report on Form 8-K to publish the final results. You will be able to find a copy of this Form 8-K on the Internet through the electronic data system of the SEC called EDGAR at www.sec.gov or through the "Investors" section of our website, www.alkermes.com.

Why is this Annual Meeting being held in May rather than August as it had been in previous years?

On May 21, 2013, our Audit and Risk Committee, with such authority delegated to it by our Board, approved a change to our fiscal year-end from March 31 to December 31. Our change in fiscal year-end impacted the timing of this proxy statement and the date of the Annual Meeting, which, in previous years, was typically held in August.

Important Notice Regarding the Internet and Electronic Availability of Proxy Materials for the Annual Meeting:

As permitted by the SEC, the Company is sending the Notice to all shareholders of record. All shareholders will have the ability to access the proxy statement, Irish Statutory Accounts, including related reports, and the Company's Transition Report on Form 10-K for the Transition Period as filed with the SEC on February 27, 2014 at <http://www.viewproxy.com/alkermes/2014> or to request a printed set of these materials at no charge. These materials are also available in the Investors section of our website at www.alkermes.com. Instructions on how to access these materials over the Internet or to request a printed copy may be found in the Notice.

In addition, any shareholder may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to shareholders and will reduce the impact of annual general meetings of shareholders on the environment. A shareholder's election to receive proxy materials by email will remain in effect until the shareholder terminates it.

PROPOSAL 1

ELECTION OF DIRECTORS

(Ordinary resolution)

Our Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Paul J. Mitchell and Richard F. Pops for election as Class III directors to serve a three-year term expiring at the Company's Annual General Meeting of Shareholders in 2017 and until their respective successors are elected and shall qualify, unless they resign or are removed. As described in detail below, our nominees have considerable professional and business expertise. The recommendation of our Board is based on its carefully considered judgment that the experience, qualifications, attributes and skills of our nominees qualify them to serve on our Board.

The persons named in the accompanying proxy intend to vote for the election of Paul J. Mitchell and Richard F. Pops for election as Class III directors to serve a three-year term expiring at the Company's Annual General Meeting of Shareholders in 2017 and until their respective successors are elected and shall qualify, unless they resign or are removed. The Board is informed that the nominees are willing to serve as directors, but if they should decline to serve or become unavailable for election at the Annual Meeting, an event which the Board does not anticipate, the persons named in the proxy will vote for such nominee or nominees as may be designated by the Board, unless the Board reduces the number of directors accordingly.

The nominees for Class III directors receiving a majority of the votes cast by shareholders entitled to vote thereon will be elected to serve on the Board. Abstentions will be counted as present for purposes of determining the presence of a quorum for purposes of this proposal, but will not be counted as votes cast. Broker non-votes (shares held by a broker or nominee as to which the broker or nominee does not have the authority to vote on a particular matter) will be counted as present for purposes of determining the presence of a quorum for purposes of this proposal but will not be voted. Accordingly, while abstentions and broker non-votes will count toward establishing a quorum, neither abstentions nor broker non-votes will affect the outcome of the vote on this proposal.

If, at any annual general meeting of shareholders, the number of directors is reduced below the minimum prescribed by our Articles of Association due to the failure of any director nominee to receive a majority of the votes cast, then, in those circumstances, the nominee or nominees who receive the highest number of votes in favor of election will be elected in order to maintain such prescribed minimum number of directors. Each such director will remain a director (subject to the provisions of the Companies Acts and our Articles of Association) only until the conclusion of the next annual general meeting of shareholders unless he or she is reelected.

The Board unanimously recommends that you vote *FOR* the election of Paul J. Mitchell and Richard F. Pops to our Board.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Composition

Our Board is comprised of eight members. Our Board has determined that each director serving on our Board, with the exception of Richard F. Pops, is an independent director as defined by the Nasdaq rules. The composition and functioning of our Board and each of our committees complies with all applicable requirements of Nasdaq and the rules and regulations of the Securities and Exchange Commission. There are no family relationships among any of our directors or executive officers.

In accordance with our Articles of Association, our Board is divided into three classes with staggered three-year terms. At each annual general meeting of shareholders, the successors to directors whose terms then expire will be elected to serve three-year terms. Our directors are divided among the three classes as follows:

The Class I directors are Geraldine A. Henwood, Floyd E. Bloom and Nancy J. Wysenski, and their terms will expire at the Company's Annual General Meeting of Shareholders to be held in 2015;

The Class II directors are David W. Anstice, Robert A. Breyer and Wendy L. Dixon, and their terms will expire at the Company's Annual General Meeting of Shareholders to be held in 2016; and

The Class III directors are Paul J. Mitchell and Richard F. Pops, and their terms will expire at this Annual Meeting.

If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible.

Independence of Members of the Board of Directors

The Company defines an "independent" director in accordance with the applicable provisions of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the rules promulgated

thereunder and the applicable rules of Nasdaq. Because it is not possible to anticipate or explicitly provide for all potential situations that may affect independence, the Board periodically reviews each director's status as an independent director and whether any independent director has any other relationship with the Company that, in the judgment of the Board, would interfere with the director's exercise of independent judgment in carrying out such director's responsibilities as a director. The Board makes a determination as to whether each director is "independent" under the applicable provisions of the Exchange Act, the rules promulgated thereunder and the applicable rules of Nasdaq at two points in time during the year after the annual general meeting of shareholders and in conjunction with the preparation and filing of the Company's proxy statement. To assist in making its determination, the Board solicits information from each of the Company's directors regarding whether such director, or any family member of his or her immediate family, had a direct or indirect material interest in any transactions involving the Company, was involved in a debt relationship with the Company or received personal benefits outside the scope of such person's normal compensation.

The Board has determined that each of David W. Anstice, Floyd E. Bloom, Robert A. Breyer, Wendy L. Dixon, Geraldine A. Henwood, Paul J. Mitchell and Nancy J. Wysenski are independent within the meaning of the Company's director independence standards and the director independence standards of the Exchange Act and Nasdaq. Furthermore, the Board has determined that each member of each committee of the Board is independent within the meaning of the director independence standards of the Company, the Exchange Act and Nasdaq.

Executive Sessions of Independent Directors

The Board's policy is to hold meetings of the independent directors following each regularly scheduled in-person Board meeting. Independent director sessions do not include any employee directors of the Company and were held following each regularly scheduled in-person Board meeting during the Transition Period. The Board has adopted a Charter of the Lead Independent Director which requires that members of the Board elect a non-management director to serve in a lead capacity, known as the Lead Independent Director, if the Chairman of the Board and Chief Executive Officer of the Company are the same person. Mr. Mitchell has served as our Lead Independent Director since August 2012. The Board annually elects an independent director to serve as the Lead Independent Director.

Board Leadership Structure

The Board appointed Mr. Pops as Chairman of our Board and as our Chief Executive Officer. In determining that Mr. Pops serve in this combined role, the Board considered Mr. Pops' ability to provide effective, consistent and continuous leadership to both our Board and our Company, his ability to align the strategic objectives of both management and the Board, his extensive knowledge of our operations and the industry and markets in which we compete and his ability to promote communication and synchronize activities between our Board and our senior management.

To facilitate effective independent oversight, the Board adopted a Lead Independent Director role. The Board believes that this structure provides an efficient and effective leadership model for the Company, and we believe that this Board leadership structure is the most appropriate structure for the Company as of the date of this proxy statement. The duties of the Lead Independent Director include:

presiding at all meetings of the Board at which the Chairman of the Board is not present, including all executive sessions of the independent directors;

reviewing and approving matters, such as agenda items, schedule sufficiency, and, where appropriate, information provided to other Board members;

Edgar Filing: Alkermes plc. - Form DEF 14A

serving as the principal liaison between the Chairman of the Board and the independent directors;

facilitating the retention of outside advisors and consultants who report directly to the Board on Board-wide issues;

calling meetings of the independent directors of the Board; and

ensuring availability, when appropriate and if requested by shareholders, for consultation and direct communication.

A current copy of our Charter of the Lead Independent Director is available on the Corporate Governance page of the Investors section of the Company's website, available at <http://investor.alkermes.com>.

In addition, the Board has three standing committees, each of which is comprised solely of independent directors and led by an independent chair. These committees are discussed in detail below and under the heading "Board Committees."

Policies Governing Director Nominations

Director Qualifications and Consideration of Diversity

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board, from time to time, the appropriate qualities, skills and characteristics desired of Board members in the context of the current make-up of the Board. This assessment includes consideration of the following minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors:

Directors must be of high ethical character and share the values of the Company as reflected in the Company's Code of Business Conduct and Ethics applicable to all directors, officers and employees;

Directors must have reputations, both personal and professional, consistent with the image and reputation of the Company;

Directors must have the ability to exercise sound business judgment; and

Directors must have substantial business or professional experience and be able to offer advice and guidance to the Company's management based on that experience.

Although the Company does not have a formal diversity policy, the Company and the Nominating and Corporate Governance Committee endeavor to have a Board representing diverse viewpoints with broad experience in areas important to the operation of our Company such as business, science, medicine, finance/accounting and education. In this context, the Nominating and Corporate Governance Committee, in addition to the minimum qualifications set forth above, also considers a variety of attributes in selecting nominees to the Board, such as:

an understanding of, and experience in, the biotechnology and pharmaceutical industries;

an understanding of, and experience in, accounting oversight and governance, finance and marketing;

leadership experience with public companies or other significant organizations;

international experience; and

diversity of age, gender, culture and professional background.

These factors and others are considered useful by the Board and are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time.

Edgar Filing: Alkermes plc. - Form DEF 14A

Board members are expected to prepare for, attend and participate in all Board meetings, meetings of Board committees on which they serve and the Company's annual general meeting of shareholders. In addition, directors should stay abreast of the Company's business and markets. The Chief Legal Officer and the Chief Financial Officer will be responsible for assuring the orientation of new directors, and for periodically providing materials or briefing sessions for all directors on subjects that would assist them in discharging their duties. The Nominating and Corporate Governance Committee regularly reviews other potential educational topics for the Board and provides its recommendation to the Board as to whether other educational measures are appropriate. The Company provides opportunities for directors to visit Company facilities in order to provide greater understanding of the Company's business and operations. The Nominating and Corporate Governance Committee facilitates the annual Board and Board committee evaluations. The Board performs an annual self-evaluation, and each Board committee performs an annual self-evaluation, which it shares with the Board.

Each Board member is expected to ensure that other existing and planned future commitments do not materially interfere with the member's service as a director. Board members should not hold more than six directorships (including such member's seat on the Company's Board), excluding for this purpose, not-for-profit organizations, trade organizations and related organizations, unless otherwise agreed to by the Nominating and Corporate Governance Committee. These other commitments will be considered by the Nominating and Corporate Governance Committee and the Board when reviewing Board candidates. Directors are expected to report changes in their primary business or professional association, including retirement, to the Chairman of the Board and the chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, in consultation with the Chairman of the Board, will consider any effects these changes may have on the effectiveness of the director's contribution to the work of the Board.

Process for Identifying and Evaluating Director Nominees

The Board is responsible for selecting its own members to stand for election. The Board delegates the selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board and management will be requested to take part in the process as appropriate.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board. The Nominating and Corporate Governance Committee also recommends candidates for the Board's appointment to the committees of the Board.

Procedure for Recommendation of Director Nominees by Shareholders

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by shareholders of the Company. Shareholders, in submitting recommendations to the Nominating and Corporate Governance Committee for director candidates, shall follow the following procedures:

The Nominating and Corporate Governance Committee must receive any such recommendation for nomination not later than the close of business on the 90th day, nor earlier than the close of business on the 150th day, prior to the first anniversary of the date of the proxy statement delivered to shareholders in connection with the Company's preceding year's annual general meeting of shareholders.

Edgar Filing: Alkermes plc. - Form DEF 14A

Such recommendation for nomination must be in writing and include the following:

all information relating to the individual recommended for consideration as a director nominee that would be required to be disclosed in solicitations of proxies for the election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, or any successor provisions thereto (including the director nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if approved by the Board and elected);

name and address of the shareholder making the recommendation, as such may appear on the Company's Register of Members;

the class and number of shares that are owned beneficially and/or of record by such shareholder;

a representation that the shareholder making the recommendation is a registered holder of shares entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to propose such nomination; and

a statement as to whether the shareholder intends or is part of a group that intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding share capital required to approve or elect the nominee and/or (ii) otherwise to solicit proxies from shareholders in support of such nomination.

The Nominating and Corporate Governance Committee may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Company. If the shareholder making such director nomination does not appear, either directly or through a qualified representative, at the annual general meeting of shareholders, then such nomination shall be disregarded. Nominations must be sent to the attention of the Secretary of the Company by one of the two methods listed below:

By mail (including courier or expedited delivery service to):

Alkermes plc
Connaught House
1 Burlington Road
Dublin 4, Ireland
Attn: Secretary of Alkermes plc

By facsimile to:

+ 353 1 772 8001
Attn: Secretary of Alkermes plc

The Secretary of the Company will promptly forward any such nominations to the Nominating and Corporate Governance Committee. Once the Nominating and Corporate Governance Committee receives the nomination of a candidate, the candidate will be evaluated and a recommendation with respect to such candidate will be delivered to the Board. Nominations not made in accordance with the foregoing policy shall be disregarded by the Nominating and Corporate Governance Committee and votes cast for such nominee shall not be counted.

Composition and Responsibilities of the Board

The Company's business, property and affairs are managed under the direction of the Board. Members of the Board are kept informed of the Company's business through discussions with the Chief Executive Officer and other officers of the Company, by reviewing materials provided to them, by visiting the Company's offices and by participating in meetings of the Board and its committees and the annual general meeting of shareholders.

Size of the Board

The Board currently consists of eight members. The Board periodically reviews the appropriate size of the Board and, in accordance with our Articles of Association, this number may be adjusted from time to time by the Board.

Board Compensation

It is the general policy of the Board that Board compensation should be a mix of cash and equity-based compensation. Full-time employee directors will not be paid for Board membership in addition to their regular employee compensation. Independent directors may not receive consulting, advisory or other compensatory fees from the Company if the receipt of such fees would result in disqualifying the director as an "independent" director in accordance with the applicable provisions of the Exchange Act, the rules promulgated thereunder and the applicable rules of Nasdaq. To the extent practicable or required by applicable rule or regulation, independent directors who are affiliated with the Company's service providers or partners or collaborators will undertake to ensure that their compensation from such providers or partners or collaborators does not include amounts connected to payments by the Company. The Compensation Committee periodically reviews director compensation.

Board's Role in Risk Oversight

Assessing and managing risk is the responsibility of our management and our Board oversees and reviews various aspects of the Company's risk management efforts. The Board executes its oversight responsibility for Company risk management directly and through its Board committees, as set forth below.

Each year, the Board holds a meeting with the Chairman of the Board and Chief Executive Officer to discuss and review our mid- to long-term operating plans and overall corporate strategy, including a discussion of key risks to the plans and strategy and ways to mitigate such risks. The involvement of the Board in reviewing, and providing feedback on, our business strategy is critical to the determination of the types and appropriate levels of risk undertaken by the Company. In addition, on an informal basis and as part of the regularly scheduled Board meetings, the Board discusses and provides feedback regarding the strategic direction and the issues and opportunities facing our Company in light of trends and developments in the industry and the general business environment.

The Audit and Risk Committee is responsible for overseeing our financial, accounting and enterprise risk management programs and policies, as set forth in its charter. As part of fulfilling these responsibilities, the Audit and Risk Committee meets regularly with PricewaterhouseCoopers LLP, our independent auditor, and members of management and others, including our Chief Financial Officer and members of our legal and compliance department, to assess the integrity of our financial reporting processes, internal controls and actions taken to monitor and control risks related to such matters. The Audit and Risk Committee also regularly meets with PricewaterhouseCoopers LLP in executive session, without management present. The Board and Audit and Risk Committee receive regular assessments from management as to our policies and internal procedures designed to promote compliance with laws and regulations affecting our business and the results of our internal auditing and monitoring practices in this regard. In addition, the Audit and Risk Committee engages in a regular review of our enterprise risk management process and discusses, on an as-needed basis, any risks identified by such process or otherwise identified, including an evaluation of any such risks and mitigation activities put in place in reference thereto. On an ongoing basis, members of our Audit and Risk Committee have direct access to our Chief Operating Officer, who serves as

chief risk officer of the Company and who is responsible for our enterprise risk management process.

The Compensation Committee is responsible for reviewing and evaluating risks related to our compensation programs, policies and practices. For additional discussion of the Company's efforts to manage compensation-related risks, see the discussion under the heading "Risk Assessment of Compensation Policies and Practices."

The Nominating and Corporate Governance Committee is responsible for reviewing our governance practices, policies and programs, including director and management succession planning, recruiting and other areas that may impact our risk profile from a governance perspective.

In performing their risk oversight functions, each Board committee has full access to management, as well as the ability to engage outside advisors.

Succession Plan

The Chairman of the Board reviews and discusses Chief Executive Officer and key employee succession planning, as well as management development, with the Board on an annual basis.

Scheduling and Selection of Agenda Items for Board Meetings

In-person Board meetings are scheduled in advance at least four times a year. Furthermore, additional Board meetings may be called upon appropriate notice at any time to address specific needs of the Company. Each director may propose the inclusion of items on the agenda, request the presence of, or a report by, any member of the Company's management, or at any Board meeting raise subjects that are not on the agenda for that meeting. The Lead Independent Director approves the Board agenda in advance of the meeting. The Board may also take action from time to time by unanimous written consent.

The meetings of the Board are typically held at the Company's headquarters in Dublin, Ireland, but occasionally meetings may be held at other locations at the discretion of the Board.

Board Committees

The Company currently has three standing committees: Audit and Risk, Compensation, and Nominating and Corporate Governance. There will, from time to time, be occasions on which the Board may form a new committee or disband a current committee depending upon the circumstances. The Audit and Risk, Compensation and Nominating and Corporate Governance Committees are each composed entirely of independent directors.

Each standing committee of the Board has a written charter, approved by the Board, which describes the committee's general authority and responsibilities. A current copy of each charter is available on the Corporate Governance page of the Investors section of the Company's website, available at <http://investor.alkermes.com>. Each standing committee of the Board undertakes an annual review of its charter and works with the Board to make such revisions as are considered appropriate.

Each committee of the Board has the authority to engage outside experts, advisors and counsel to the extent it considers appropriate to assist the Board committee in its work.

Assignment of Committee Members

The Board is responsible for the appointment of committee members. The Nominating and Corporate Governance Committee recommends candidates to the Board for appointment to the Board standing committees, as well as for such committee chairs.

Frequency and Length of Committee Meetings and Committee Agenda

The chair of each Board committee, in consultation with the Chairman of the Board and appropriate members of management, will determine the frequency and length of the committee meetings and develop the committee's agenda. The agendas and meeting minutes of the Board committees are available to the full Board, and other Board members are welcome to attend Board committee meetings, except that non-independent directors are not permitted to attend the executive sessions of any Board committee.

Each Board committee regularly reports to the Board concerning such committee's activities.

Policy Governing Director Attendance at Annual General Meetings of Shareholders

The Board adopted a policy that all directors and all nominees for election as directors attend the Company's annual general meetings of shareholders in person. All directors attended the Company's 2013 Annual General Meeting of Shareholders.

Code of Ethics

The Company has adopted a "code of ethics" (as defined by the regulations promulgated under the Securities Act of 1933, as amended (the "Securities Act"), and the Exchange Act) that applies to all of the Company's directors and employees, including principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company's Code of Business Conduct and Ethics also meets the requirements of a "code of conduct" (as defined by the rules of Nasdaq) and is applicable to all of the Company's officers, directors and employees. A current copy of the Code of Business Conduct and Ethics is available on the Corporate Governance page of the Investors section of the Company's website, available at <http://investor.alkermes.com>. Any waiver of the requirements of the Code of Business Conduct and Ethics with respect to any individual director or any executive officer shall be reported to, and be subject to the approval of, the Board.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Our Board held four meetings during the Transition Period and otherwise acted by unanimous consent. Each of the Company's incumbent directors attended at least 75% of the aggregate of all meetings of the Board and the committee(s) on which such director served during the Transition Period. The standing committees of the Board are the Audit and Risk Committee, the Nominating and Corporate Governance Committee and the Compensation Committee.

Audit and Risk Committee

The Audit and Risk Committee consists of Paul J. Mitchell, Floyd E. Bloom and Robert A. Breyer, each of whom is independent as defined by Rule 5605(a)(2) and as required under Rule 5605(c)(2) of the Nasdaq's listing standards, as well as under the applicable requirements of the Exchange Act. Mr. Mitchell is the chair of the Audit and Risk Committee. In compliance with the Sarbanes-Oxley Act of 2002, the entire Board determined, based on all available facts and circumstances, that Mr. Mitchell and Mr. Breyer are "audit committee financial experts" as defined by the SEC. The Audit and Risk Committee held four meetings during the Transition Period.

The Audit and Risk Committee operates under a written charter adopted by the Board, a current copy of which can be found on the Corporate Governance page of the Investors section of our website, available at: <http://investor.alkermes.com>. Under the terms of its current charter, the Audit and Risk

Committee's responsibilities include: (1) appointing, compensating and retaining our independent auditors, (2) overseeing the work performed by any independent auditors, (3) assisting the Board in fulfilling its responsibilities by: (i) reviewing the financial reports we provide to the SEC, our shareholders or to the general public, (ii) reviewing our internal financial and accounting controls and (iii) reviewing all related-party transactions, (4) recommending, establishing and monitoring procedures designed to improve the quality and reliability of the disclosure of our financial condition and results of operations, (5) assessing and providing oversight to management relating to the identification and evaluation of major strategic, operational, regulatory, compliance and external risks inherent to our business and (6) establishing procedures designed to facilitate: (i) the receipt, retention and treatment of complaints relating to accounting, internal accounting controls or auditing matters and (ii) the receipt of confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters. The committee will engage advisers as necessary, distribute relevant funding provided by the Company, and serve as the Qualified Legal Compliance Committee in accordance with Section 307 of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated by the SEC thereunder. Additionally, the Audit and Risk Committee is responsible for approving, in advance, any and all audit and non-audit services to be performed by PricewaterhouseCoopers LLP. All services provided by PricewaterhouseCoopers LLP during the Transition Period were pre-approved by the Audit and Risk Committee.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Wendy L. Dixon, Robert A. Breyer and Nancy J. Wysenski, each of whom is independent as defined in Rule 5605(a)(2) of the Nasdaq listing standards. Dr. Dixon is the chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held three meetings during the Transition Period.

The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board, a current copy of which can be found on the Corporate Governance page of the Investors section of our website, available at: <http://investor.alkermes.com>. Under the terms of its current charter, the Nominating and Corporate Governance Committee's responsibilities include: (1) identifying individuals qualified to become members of the Board and recommending that the Board select the director nominees for election, (2) periodically reviewing our Code of Business Conduct and Ethics applicable to all directors, officers and employees, (3) monitoring compliance with the Code of Business Conduct and Ethics, and (4) reviewing all shareholder proposals submitted to the Company and recommending the appropriate action to the Board.

Compensation Committee

The members of the Compensation Committee are David W. Anstice, Geraldine A. Henwood and Paul J. Mitchell, each of whom is independent as defined in Rule 5605(a)(2) of the Nasdaq listing standards. Mr. Anstice is the chair of the Compensation Committee. The Compensation Committee held 10 meetings during the Transition Period. In determining the members of the Compensation Committee, the Board will consider whether the members qualify as "non-employee directors" as defined in Rule 16b-3 under the Exchange Act and as "outside directors" as defined in Section 162(m) of the Code.

The Compensation Committee operates under a written charter adopted by the Board, a current copy of which can be found on the Corporate Governance page of the Investors section of our website, available at: <http://investor.alkermes.com>. Under the terms of its current charter, the Compensation Committee's responsibilities include: (1) discharging the Board's responsibilities relating to the compensation of our executives, (2) administering our incentive compensation and equity plans, (3) producing an annual report on executive compensation for inclusion in our proxy statement in

Edgar Filing: Alkermes plc. - Form DEF 14A

accordance with applicable rules and regulations, (4) reviewing and discussing with our management our executive compensation disclosure (including our disclosure under "*Executive Compensation Compensation Discussion and Analysis*") included in reports and registration statements filed with the SEC, (5) directing the appointment and compensation, and overseeing the work, of any compensation consultant, legal counsel or other adviser retained by the Compensation Committee, with the Company required to provide for appropriate funding, as determined by the Compensation Committee, for payment of reasonable compensation to any such compensation consultant, legal counsel or other adviser, and (6) evaluating and recommending to the Board appropriate compensation for our directors and ensuring proper disclosure of payments to our directors other than in their capacity as directors.

The Compensation Committee has established procedures for the grant of options to eligible new employees. The Limited Compensation Sub-Committee, consisting of David W. Anstice, acted by unanimous written consent during the Transition Period. The Limited Compensation Sub-Committee has the authority to make individual grants of stock options, up to the limit of its authority, to employees of the Company who are not subject to the reporting requirements of the Exchange Act and who are below the level of Vice President of the Company. The Limited Compensation Sub-Committee has generally approved new hire employee stock option grants of up to 25,000 shares per individual grant to such eligible employees.

The Limited Compensation Sub-Committee will grant options to eligible new hires, within the limits of its authority, on the first Wednesday following the first Monday of each month (or the first business day thereafter if such day is a holiday), also known as the New Hire Grant Date, for all eligible new hires beginning their employment the prior month. New hire grants that exceed the authority of the Limited Compensation Sub-Committee will be granted on the New Hire Grant Date or, if not possible, as soon as practicable thereafter, by the Compensation Committee as a whole.

Compensation Committee Interlocks and Insider Participation

During the Transition Period, the following directors served on the Compensation Committee: David W. Anstice (Chair), Geraldine A. Henwood (replacing Mark B. Skaletsky, a former director and chair of the Compensation Committee) and Paul J. Mitchell.

During the Transition Period, none of our executive officers served as: (i) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Board's compensation committee; (ii) a director of another entity, one of whose executive officers served on our Board's Compensation Committee; or (iii) a member of the compensation committee (or other committee of the board performing equivalent functions or, in the absence of any such committee, the entire board) of another entity, one of whose executive officers served as our director.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Ordinary resolution)

Our Compensation Discussion and Analysis, which appears later in this proxy statement, describes our executive compensation program and the compensation decisions that the Compensation Committee made with respect to the compensation of our named executive officers (listed in the Summary Compensation Table below) for the Transition Period. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. As required pursuant to Section 14A of the Exchange Act, our Board is asking that shareholders cast a non-binding, advisory vote **FOR** the following resolution:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, and related compensation tables and narrative discussion."

Our Board is asking that shareholders support this proposal. Although the vote you are being asked to cast is advisory, and therefore non-binding, we value the views of our shareholders, and the Compensation Committee will consider the outcome of the vote when making future compensation decisions for our named executive officers.

In 2013, we submitted our executive compensation program to an advisory vote of our shareholders, and it received the support of over 90% of the total votes cast at our 2013 Annual General Meeting of Shareholders.

Our Board will hold a non-binding, advisory vote of our shareholders on our executive compensation program and the compensation decisions that the Compensation Committee made with respect to the compensation of our named executive officers every year until the next required shareholder vote on the frequency of such advisory vote. The next shareholder vote on the frequency of such advisory vote currently is expected to be held at our 2018 Annual General Meeting of Shareholders.

The Board unanimously recommends that you vote *FOR* the advisory vote on executive compensation.

PROPOSAL 3

**AUTHORIZATION TO HOLD THE 2015 ANNUAL GENERAL MEETING OF
SHAREHOLDERS OF THE COMPANY AT A LOCATION OUTSIDE OF IRELAND**

(Ordinary resolution)

Under Section 140 of the Companies Act, 1963 and in accordance with article 75 of our Articles of Association, the shareholders of the Company may authorize the holding of any annual general meeting of shareholders at a location outside of Ireland. The Board may determine to hold the 2015 Annual General Meeting of Shareholders of the Company outside of Ireland, and is therefore asking our shareholders to authorize holding the 2015 Annual General Meeting of Shareholders of the Company at a location outside of Ireland.

The text of the resolution in respect of Proposal 3 is as follows:

"RESOLVED, that the Annual General Meeting of Shareholders of Alkermes plc for the fiscal year ending December 31, 2014 may be held at such place outside Ireland as may be determined by the Directors."

The Board unanimously recommends that you vote *FOR* the authorization to hold the 2015 Annual General Meeting of Shareholders of the Company at a location outside of Ireland.

PROPOSAL 4

**APPOINTMENT OF INDEPENDENT AUDITORS AND AUTHORIZATION
OF AUDIT AND RISK COMMITTEE TO SET AUDITOR'S REMUNERATION**

(Ordinary resolution)

PricewaterhouseCoopers LLP ("PwC") served as our independent auditors for the Transition Period. The Audit and Risk Committee reviewed and discussed the performance of PwC as the Company's independent auditor for the Transition Period. Following such review and discussion, the Audit and Risk Committee of the Board has retained PwC to serve as independent auditor for the fiscal year ending December 31, 2014. Although we are not required to submit the appointment of PwC for shareholder approval, as a matter of good corporate governance, the Board, upon the recommendation of the Audit and Risk Committee, has determined to submit its selection for approval by shareholders and to ask that shareholders authorize the Audit and Risk Committee to set the auditor's remuneration. If the selection of PwC is approved, the Audit and Risk Committee, in its discretion, may still select a different independent auditor at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

A representative of PwC is expected to be present at the Annual Meeting and will be given the opportunity to make a statement, if he or she so desires, and to respond to appropriate questions.

The Board unanimously recommends that you vote *FOR* the appointment of PricewaterhouseCoopers LLP as the Company's independent auditor for the fiscal year ending December 31, 2014 and the authorization of the Audit and Risk Committee of the Board to set the auditor's remuneration.

PROPOSAL 5

**APPROVAL OF
ALKERMES PLC 2011 STOCK OPTION AND INCENTIVE PLAN, AS AMENDED**

(Ordinary resolution)

Overview

Our Board is requesting shareholder approval of the 2011 Plan, as amended by this proposal 5 to increase the number of ordinary shares authorized for issuance thereunder by 3,600,000 (subject to adjustment for stock splits, stock dividends and similar events). If approved by shareholders, the maximum number of ordinary shares authorized for issuance pursuant to future awards under the 2011 Plan will be the remaining shares available for issuance under the 2011 Plan at the time of shareholder approval, plus 3,600,000.

Shareholder approval of the 2011 Plan, as amended by this proposal 5 will also serve as a re-approval of the performance measures set forth in the 2011 Plan, as further described below under the section entitled " **Qualified Performance-Based Compensation under Code Section 162(m).**"

As of the Record Date, 6,744,308 ordinary shares remained available for future issuance under the Alkermes plc Stock Option and Incentive Plan, as amended (the "2011 Plan") and the Alkermes plc 2008 Amended and Restated 2008 Stock Option and Incentive Plan (the "2008 Plan" and, together with the 2011 Plan, the "Equity Plans"). While some additional shares may become available under our Equity Plans such as through employee terminations, this number is not expected to be material.

As of the Record Date, an aggregate of 15,198,127 ordinary shares are issuable upon exercise of outstanding options with a weighted average exercise price of \$19.82 and a weighted average remaining term of 6.39 years; and 3,355,362 ordinary shares are subject to unvested restricted stock unit awards, of which 2,655,737 are time-based restricted stock unit awards and 699,625 are performance-based restricted stock unit awards. As of the Record Date, we have a total of 144,421,221 ordinary shares outstanding.

The 2011 Plan was adopted by our Board on September 16, 2011, with subsequent amendments adopted by our Board on October 5, 2011 and October 31, 2011. The 2011 Plan was approved by our shareholders on December 8, 2011. Our shareholders approved an amendment to the 2011 Plan on August 1, 2012 and approved the 2011 Plan, as amended, on August 1, 2013.

The 2011 Plan, as amended in accordance with this proposal 5, is attached as *Appendix A* to this proxy statement and is incorporated herein by reference.

Why do we believe our shareholders should approve our 2011 Plan, as amended to increase the number of shares authorized for issuance thereunder?

1.
We believe the size of our share reserve increase request is reasonable.
 - a.
Our request will provide us with sufficient ordinary shares to support approximately two years of equity awards, which are key to attracting and retaining employees integral to the successful development of our clinical pipeline, the commercialization of our products and the accomplishment of transformative transactions, such as our acquisition of the Elan Drug Technologies business in fiscal year 2012. If our request is not approved, we expect to have sufficient ordinary shares to support only one round of annual equity awards.
2.
Equity awards are integral to our compensation program and to our success.
 - a.
Our clinical pipeline is increasing and advancing. For example, in fiscal year 2014 alone, as it relates to just our phase 2 and phase 3 product candidates, we expect to conduct at

Edgar Filing: Alkermes plc. - Form DEF 14A

least 7 large-scale clinical trials involving thousands of patients. As we complete such clinical activities, establish new clinical programs, and advance our clinical products to the next phase of development, we face the need to expand our product development functions with qualified and highly skilled personnel. Competition for such personnel in our industry and the geographic regions in which we operate is intense.

- b. We are preparing for the launch of aripiprazole lauroxil, our phase 3, extended-release, atypical antipsychotic product candidate that is being studied for the treatment of schizophrenia. In this context, we are actively expanding our commercial functions with qualified and highly skilled personnel. Competition for such personnel in our industry and the geographic regions in which we operate is intense.
 - c. In March 2014, considering the potential beneficial impact on shareholder return of a specific performance-based incentive award, we granted *all of our employees* a performance-vesting restricted stock unit award tied to key milestones in the Company's clinical-stage pipeline as described below in "*Executive Compensation Compensation Discussion and Analysis Highlights*."
 - d. Equity awards have been and, we believe, will continue to be, an integral component of our overall compensation program, enabling us to attract qualified and skilled employees and directors, retain our existing employees and provide incentives for our employees to exert maximum efforts for our success, ultimately contributing to an increase in shareholder value.
3. *We believe we have responsibly utilized our equity compensation to align employee interests with those of our shareholders to achieve and sustain share price growth.*
- a. Our nine-month and one-year shareholder returns were 72% and 120%, respectively, for the periods ended December 31, 2013.
4. *We manage our equity incentive award use carefully.*
- a. As of the Record Date and including the ordinary shares requested in this proposal 5, our full dilution (as defined below) is less than 17%.
 - i. This is despite the fact that a large number of ordinary shares, over 8.4 million or approximately 56% of the total ordinary shares underlying our outstanding stock option awards, are subject to vested, yet unexercised, options, all of which have a weighted average exercise price less than the price of our ordinary shares as of the Record Date. See the table below titled *Outstanding Stock Option Awards*.
 - b. Our historical adjusted average burn rate for the prior three fiscal periods (including the Transition Period and fiscal years 2013 and 2012), as calculated by ISS is 3.66%, which is below the 5.91% cap that ISS applies to companies listed on the Russell index in our Global Industry Classification Standard industry group. Our average unadjusted burn rate for the same period is 2.96%.
 - c. Our burn rate for the Transition Period, on an adjusted and unadjusted basis, has decreased by 0.81% (from 3.34% to 2.53%) and 0.64% (from 2.71% to 2.07%), respectively, from the twelve months ended 2013.
 - d. In March 2014, we made our annual employee grant for performance during the Transition Period. We are therefore able to predict, based on this annual grant and assuming director and new hire equity awards consistent with past practice, that our adjusted and unadjusted burn rates for fiscal year 2014 should decrease to approximately 2.22% and 1.85%, respectively. These calculations conservatively assume a weighted

Edgar Filing: Alkermes plc. - Form DEF 14A

average ordinary share amount equal to the number of our ordinary shares outstanding as of the Record Date.

e.

We believe that the substantial number of shares underlying vested, yet unexercised options all of which have a weighted average exercise price less than the price of our ordinary shares as of the Record Date is a bullish indicator as to executive and employee confidence in the future of the Company and provides them with added incentive to increase the ordinary share price and create shareholder value.

The following table shows our historical dilution and burn rate percentages.

	Transition Period	Twelve Months Ended March 31,	
		2013	2012
Full Dilution(1)	16.45%	17.56%	18.14%
Adjusted Burn Rate(2)	2.53%	3.34%	4.85%
Unadjusted Burn Rate(3)	2.07%	2.71%	4.08%

(1) Full dilution is calculated as (shares available for grant + shares subject to outstanding equity incentive awards)/(shares outstanding + shares available for grant + shares subject to outstanding equity incentive awards).

(2) Adjusted Burn Rate is calculated as (shares subject to options granted + shares subject to other equity incentive awards granted, adjusted to reflect our fungible share ratio)/weighted average shares outstanding.

(3) Unadjusted Burn Rate is calculated as (shares subject to options granted + shares subject to other equity incentive awards granted, not adjusted to reflect our fungible share ratio)/weighted average shares outstanding.

Outstanding Stock Option Awards

The following table provides supplementary information with respect to stock options outstanding as of the Record Date. The exercisable options listed below have a weighted average exercise price less than the closing price of our ordinary shares on Nasdaq on December 31, 2013.

Reflects option awards granted through the Record Date. This includes annual equity awards made to employees on March 3, 2014.

Important Aspects of our 2011 Plan Designed to Protect our Shareholders' Interests

The 2011 Plan contains certain provisions that are designed to protect our shareholders' interests and reflect corporate governance best practices including those set forth below.

Shareholder approval is required for additional shares. The 2011 Plan does not contain an annual "evergreen" provision. Thus, shareholder approval is required each time we need to increase the share reserve, allowing our shareholders the ability to have a say on our equity compensation programs.

Share counting provisions. The share reserve under the 2011 Plan is reduced one share for each ordinary share issued pursuant to an option and 1.8 ordinary shares for each ordinary share issued pursuant to a full value award. This helps to ensure that management and our Compensation Committee are using the share reserve effectively and with regard to the value of each type of equity award.

Submission of 2011 Plan amendments to shareholders. The 2011 Plan requires shareholder approval for material amendments to the 2011 Plan, including, as noted above, any increase in the number of shares reserved for issuance under the 2011 Plan.

Flexibility in designing equity compensation scheme. The 2011 Plan allows us to provide a broad array of equity incentives, including traditional option grants, restricted stock awards, restricted stock unit awards, performance stock awards and cash awards. By providing this flexibility, we can quickly and effectively react to trends in compensation practices and continue to offer competitive compensation arrangements to attract and retain the talent necessary for the success of our business.

No option repricing. The 2011 Plan explicitly prohibits option repricing in any manner without shareholder approval.

Recommendation

The text of the resolution in respect of proposal 5 is as follows:

"RESOLVED, that the Alkermes plc 2011 Stock Option and Incentive Plan, as amended, be APPROVED."

The Board unanimously recommends that you vote *FOR* approval of the 2011 Plan, as amended.

Principal Features of the 2011 Plan

The material features of the 2011 Plan are as set forth below.

The 2011 Plan will be administered by either the Compensation Committee of the Board or by a similar committee performing the functions of the Compensation Committee and which is comprised of not less than two independent, non-employee directors (in either case, the "Administrator"). The Administrator, in its discretion, may grant a variety of incentive awards based on our ordinary shares. The Administrator may delegate its authority and duties with respect to the granting of options to a subcommittee of one or more members of the Board.

The award of stock options (both incentive and non-qualified options), restricted stock unit awards, restricted stock awards, cash-based awards and performance share awards is permitted.

For purposes of determining the number of our ordinary shares available for issuance under the 2011 Plan, (a) the grant of any full value award (i.e., an award other than a stock option) is deemed as an award of 1.8 ordinary shares for each such ordinary share actually subject to the award and shall be treated similarly if returned to reserve status when forfeited or canceled

Edgar Filing: Alkermes plc. - Form DEF 14A

under the 2011 Plan, and (b) the grant of a stock option is deemed as an award of one ordinary share for each such ordinary share actually subject to the award.

Our Board may at any time amend or discontinue the 2011 Plan, and the Administrator may at any time amend or cancel any outstanding award for the purpose of satisfying changes in the law or for any other lawful purpose. However, no such action may adversely affect any rights under any outstanding award without the holder's consent. Additionally, no option may be repriced in any manner without shareholder approval. Any amendments that materially change the terms of the 2011 Plan, including any amendments that increase the number of shares reserved for issuance under the 2011 Plan, expand the types of awards available, materially expand the eligibility to participate in, or materially extend the term of, the 2011 Plan, or materially change the method of determining the fair market value of our ordinary shares, will be subject to approval by our shareholders. Amendments shall also be subject to approval by our shareholders if and to the extent determined by the Administrator to be required by the Internal Revenue Code of 1986, as amended (the "Code") to preserve the qualified status of incentive options or to ensure that compensation earned under the 2011 Plan qualifies as performance-based compensation under Section 162(m) of the Code.

Based solely on the closing price of our ordinary shares as reported on Nasdaq on the Record Date, the aggregate market value of the 19,750,000 shares, representing the maximum number of ordinary shares to be issued under the 2011 Plan, as amended in accordance this proposal 5, is \$905.3 million. Shares tendered or held back upon exercise of an option or settlement of an award to cover the exercise price or tax withholding are not available for future issuance under the 2011 Plan. The shares available for issuance by us under the 2011 Plan will be authorized, but unissued, shares.

Qualified Performance-Based Compensation Under Code Section 162(m)

To ensure that certain awards granted under the 2011 Plan to a "Covered Employee" (as defined in the Code) qualify as "performance-based compensation" under Section 162(m) of the Code, the 2011 Plan provides that the Administrator may require that the vesting or grant of such awards be conditioned on the satisfaction of performance criteria that may include any or all of the following: (1) earnings before interest, taxes, depreciation and amortization, (2) net income (loss) (either before or after interest, taxes, depreciation and/or amortization), (3) changes in the market price of our ordinary shares, (4) economic value-added, (5) initiation or completion of clinical trials, (6) results of clinical trials, (7) drug development or commercialization milestones, (8) collaboration milestones, (9) operational measures including production capacity and capability, (10) hiring and retention of key managers, (11) expense management, (12) capital-raising transactions, (13) sales or revenue, (14) acquisitions or strategic transactions, (15) operating income (loss), (16) cash flow (including, but not limited to, operating cash flow and free cash flow), (17) return on capital, assets, equity, or investment, (18) shareholder returns, (19) gross or net profit levels, (20) operating margins, (21) earnings (loss) per ordinary share and (22) sales or market shares, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group. The Administrator will select, within 90 days following the commencement of a performance cycle, the particular performance criteria for such award and the performance goals with respect to each performance criterion. Each such award will specify the amount payable, or the formula for determining the amount payable, upon achievement of the various applicable performance targets. Subject to adjustments for stock splits and similar events, the maximum award granted to any one individual that is intended to qualify as "performance-based compensation" under Section 162(m) of the Code will not exceed 4,000,000 ordinary shares for any performance cycle. If a performance-based award is payable in cash to any executive, it cannot exceed \$25 million for any performance cycle.

Summary of the 2011 Plan

The following description of certain features of the 2011 Plan, as amended in accordance with this proposal 5, is intended to be a summary only. The summary is qualified in its entirety by the full text of the 2011 Plan, as amended in accordance with this proposal 5, attached hereto as *Appendix A*.

Plan Administration. The Administrator has full power to select, from among the individuals eligible for awards, the individuals to whom awards will be granted, to make any combination of awards to participants, and to determine the specific terms and conditions of each award, subject to the provisions of the 2011 Plan. The Administrator may delegate to a subcommittee comprised of one or more members of the Board all or part of the Administrator's authority and duties with respect to the granting of options to employees who are not subject to the reporting and other provisions of Section 16 of the Exchange Act. Any such delegation by the Administrator shall include a limitation as to the amount of options that may be granted during the period of the delegation and shall contain guidelines as to the determination of the exercise price and the vesting criteria.

Eligibility and Limitations on Grants. Persons eligible to participate in the 2011 Plan will be those officers, employees, non-employee directors and other key persons (including consultants and prospective employees) of the Company and its subsidiaries as selected from time to time by the Administrator. The intention in making awards to eligible persons under the 2011 Plan will be to align the compensation of these individuals over a multi-year period directly with the interests of our shareholders and serve as a tool in the recruiting and retention of these individuals.

The maximum award of stock options granted to any one individual will not exceed 4,000,000 ordinary shares (subject to adjustment for stock splits and similar events) for any calendar-year period. The maximum number of ordinary shares that can be awarded in the form of incentive stock options under the 2011 Plan, as amended, will not exceed 19,750,000 (subject to adjustment for stock splits and similar events).

Stock Options Granted to Employees and Key Persons. The 2011 Plan permits the granting of (1) stock options intended to qualify as incentive stock options under Section 422 of the Code and (2) stock options that do not so qualify. Options granted under the 2011 Plan will be non-qualified options if they fail to qualify as incentive options or exceed the annual limit on incentive stock options. Non-qualified options may be granted to any persons eligible to receive incentive options and to non-employee directors and key persons. The option exercise price of each option will be determined by the Administrator but may not be less than 100% of the fair market value of our ordinary shares on the date of grant.

The term of each option will be fixed by the Administrator and may not exceed ten years from the date of grant. The Administrator will determine at what time or times each option may be exercised. Options may be made exercisable in installments, and the exercisability of options may be accelerated by the Administrator. Options may be exercised in whole or in part with written or electronic notice to the Company's delegate. Upon exercise of non-qualified stock options, unless otherwise determined by the Administrator, the purchase price must be paid through a net reduction in the number of ordinary shares issuable upon such exercise, based on the fair market value of our ordinary shares on the date of exercise. Upon exercise of incentive stock options and those non-qualified options for which the Administrator elects not to utilize the above payment method, the option exercise price may be paid in full either in cash, by certified or bank check or other instrument acceptable to the Administrator or by delivery (or attestation to the ownership) of ordinary shares that are beneficially owned by the optionee based on the fair market value of our ordinary shares on the date of exercise or, subject to applicable law, by delivery to the Company of an exercise notice together with irrevocable instructions to a broker to promptly deliver cash or a check payable to the Company for the purchase price.

Edgar Filing: Alkermes plc. - Form DEF 14A

To qualify as incentive options, options must meet additional federal tax requirements, including a \$100,000 limit on the value of our ordinary shares subject to incentive options that first become exercisable by a participant in any one calendar year.

Stock Options Granted to Non-Employee Directors. The 2011 Plan provides that (a) upon becoming a member of the Board, each non-employee director who is not then a consultant to us shall be granted on such day a non-qualified stock option to acquire 35,000 ordinary shares, which shall vest ratably over the three calendar years following the date of grant, plus an additional stock option to acquire a number of our ordinary shares equal to the product of 25,000 multiplied by a fraction, the numerator of which equals the number of months remaining until the next annual meeting of shareholders of the Company and the denominator of which equals 12, which shall vest on the first anniversary of the date of grant, and (b) each non-employee director who is serving as a director of the Company on each annual meeting of shareholders shall automatically be granted on such day a non-qualified stock option to acquire 25,000 of our ordinary shares. This non-qualified stock option shall vest on the first anniversary of the date of grant; provided, however, that no grant shall be made to an individual who ceases to be a member of the Board on such day. The Administrator may grant additional non-qualified stock options to our non-employee directors and such grants may vary among individual non-employee directors. The option exercise price of each option will be determined by the Administrator but may not be less than 100% of the fair market value of our ordinary shares on the date of grant.

The term of each option may not exceed ten years from the date of grant. Options may be exercised only by notice to the Company or the Company's delegate specifying the number of ordinary shares to be purchased. Upon exercise of options, the option exercise price will be paid in the same manner as described above under *"Stock Options granted to employees and key persons."*

Grants of stock options to our non-employee directors will initially consist of options in respect of ordinary shares reserved and available for issuance under our 2008 Plan. If and when no ordinary shares remain available for issuance under our 2008 Plan, then such non-employee director grants will consist of options in respect of ordinary shares reserved and available for issuance under our 2011 Plan.

Restricted Stock Unit Awards. The Administrator may award stock units as restricted stock unit awards to participants. Restricted stock unit awards are ultimately payable in the form of ordinary shares and may be subject to such conditions and restrictions as the Administrator may determine. These conditions and restrictions may include the achievement of certain performance goals and/or continued employment with the Company through a specified vesting period. However, in the event these awards granted to employees have a performance-based goal, the restriction period will be at least one year, and in the event these awards granted to employees have a time-based restriction, the restriction period will be at least three years, but vesting can occur incrementally over the three-year period. The Administrator may waive the foregoing restriction in the case of a grantee's death, disability or retirement or upon a Sale Event (as defined in the 2011 Plan). To the extent a restricted stock unit award is subject to Section 409A of the Code, it may contain such additional terms and conditions as the Administrator shall determine in order for such award to comply with the requirements of Section 409A.

The Administrator, in its sole discretion, may permit a grantee to elect to receive a portion of future cash compensation otherwise due to such grantee in the form of a Restricted Stock Unit Award. Any such election shall be made in writing and shall be delivered to the Company no later than the date specified by the Administrator and in accordance with Section 409A and such other rules and procedures established by the Administrator. Any such future cash compensation that the grantee elects to defer shall be converted to a fixed number of phantom stock units (which may be fully vested) based on the fair market value of our ordinary shares on the date the compensation would otherwise have been paid to the grantee if such payment had not been deferred.

Edgar Filing: Alkermes plc. - Form DEF 14A

Restricted Stock. The Administrator may award ordinary shares to participants subject to such conditions and restrictions as the Administrator may determine. These conditions and restrictions may include the achievement of certain performance goals and/or continued employment with us through a specified restricted period. However, in the event these awards granted to employees have a performance-based restriction, the restriction period will be at least one year, and in the event these awards granted to employees have a time-based restriction, the restriction will be at least three years, but vesting can occur incrementally over the three-year period. The Administrator may waive the foregoing restriction in the case of a grantee's death, disability or retirement or upon a Sale Event (as defined in the 2011 Plan).

Cash-Based Awards. Each cash-based award shall specify a cash-denominated payment amount, formula or payment ranges as determined by the Administrator. Payment, if any, with respect to a cash-based award may be made in cash or in ordinary shares, as the Administrator determines. Except as may otherwise be provided by the Administrator, a grantee's right in all cash-based awards that have not vested shall automatically terminate upon the grantee's termination of employment (or cessation of service relationship) with the Company and its subsidiaries for any reason (including if a subsidiary ceases to be a subsidiary of the Company).

Performance Share Awards. The Administrator may grant performance share awards independent of, or in connection with, the granting of other awards under the 2011 Plan. The Administrator, in its sole discretion, determines whether and to whom performance share awards will be granted, the performance goals subject to the award, the period during which performance is to be measured, which may not be less than one year, and such other conditions as the Administrator shall determine. Upon the attainment of the performance goal, the grantee is entitled to receive ordinary shares.

Tax Withholding. Participants in the 2011 Plan are responsible for the payment of any federal, national, state or local taxes that we are required by law to withhold upon any option exercise or vesting of other awards. The Company has the right to deduct any such taxes from any payment otherwise due to grantee, including the right to reduce the number of ordinary shares otherwise required to be issued to a grantee in an amount that, on the date of issuance, would have a fair market value equal to all such taxes required to be withheld by the Company.

Change in Control Provisions. Under the 2011 Plan, in the case of and subject to the consummation of a Sale Event (as defined in the 2011 Plan), except as the Administrator may otherwise specify with respect to a particular award in the relevant award documentation, all stock options that are not exercisable immediately prior to the effective time of the Sale Event shall become fully exercisable as of the effective time of the Sale Event; all other awards with time-based vesting, conditions or restrictions shall become fully vested and nonforfeitable as of the effective time of the Sale Event; and all awards with conditions and restrictions relating to the attainment of performance goals may become vested and nonforfeitable in connection with a Sale Event in the Administrator's discretion. In addition, in the event of a Sale Event in which the Company's shareholders will receive cash consideration, the Company may make or provide for a cash payment to participants holding stock options equal to the difference between the per share cash consideration and the exercise price of such options.

Amendments and Termination. Our Board may at any time amend or discontinue the 2011 Plan, and the Administrator may at any time amend or cancel any outstanding award for the purpose of satisfying changes in the law or for any other lawful purpose. However, no such action may adversely affect any rights under any outstanding award without the holder's consent. Any amendments that materially change the terms of the 2011 Plan, including any amendments that increase the number of ordinary shares reserved for issuance under the 2011 Plan, expand the types of awards available, materially expand the eligibility to participate in, or materially extend the term of, the 2011 Plan, or materially change the method of determining the fair market value of our ordinary shares, will be

subject to approval by our shareholders. Amendments shall also be subject to approval by our shareholders if and to the extent determined by the Administrator to be required by the Code to preserve the qualified status of incentive options or to ensure that compensation earned under the 2011 Plan qualifies as performance-based compensation under Section 162(m) of the Code. In addition, except in connection with a reorganization or other similar change in the capital stock of the Company or a merger or other transaction, without prior shareholder approval the Administrator may not reduce the exercise price of an outstanding stock option or effect re-pricing of an outstanding stock option through cancellation or re-grants.

Effective Date of 2011 Plan

The Alkermes plc 2011 Stock Option and Incentive Plan was initially approved by our shareholders on December 8, 2011. Our shareholders approved an amendment to this plan on August 1, 2012 and approved the 2011 Plan, as amended, on August 1, 2013. Awards of incentive options may be granted under the 2011 Plan until ten years after Board approval. No awards may be granted under the 2011 Plan after the date that is ten years from the date of shareholder approval.

New Plan Benefits

Except as set forth below for our non-employee directors, the benefits or amounts that may be received by, or allocated to, the Company's Chief Executive Officer, Chief Financial Officer, and the three other named executive officers, all executives as a group, non-executive directors as a group and non-executive officer employees as a group, are granted on a discretionary basis and, as such, are not determinable as awards under the 2011 Plan.

Grants of stock options to our non-employee directors will initially consist of options in respect of ordinary shares reserved and available for issuance pursuant to our 2008 Plan. If and when no ordinary shares remain available for issuance under our 2008 Plan, then such non-employee director grants will consist of options in respect of ordinary shares reserved and available for issuance under our 2011 Plan.

U.S. Federal Income Tax Consequences

The following is a summary of the principal U.S. federal income tax consequences of certain transactions under the 2011 Plan. It does not describe all U.S. federal tax consequences under the 2011 Plan, nor does it describe state or local tax consequences.

Incentive Options. No taxable income is generally realized by the optionee upon the grant or exercise of an incentive option. If ordinary shares issued to an optionee pursuant to the exercise of an incentive option are sold or transferred after two years from the date of grant and after one year from the date of exercise, then (1) upon sale of such shares, any amount realized in excess of the option price (the amount paid for the shares) will be taxed to the optionee as a long-term capital gain, and any loss sustained will be a long-term capital loss, and (2) we will not be entitled to any deduction for federal income tax purposes. The exercise of an incentive option will give rise to an item of tax preference that may result in alternative minimum tax liability for the optionee.

An incentive option will not be eligible for the tax treatment described above if it is exercised more than three months following termination of employment (or one year in the case of termination of employment by reason of disability). In the case of termination of employment by reason of death, the three-month rule does not apply. If ordinary shares acquired upon the exercise of an incentive option are disposed of prior to the expiration of the two-year and one-year holding periods described above, generally (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the ordinary shares at exercise (or, if less, the amount realized on a sale of such shares) over the option price thereof, and (2) we will be entitled to

deduct such amount. Special rules will apply where all or a portion of the exercise price of the incentive option is paid by tendering shares.

Non-Qualified Options. No taxable income is generally realized by the optionee upon the grant of a non-qualified option. Generally (1) at exercise, ordinary income is realized by the optionee in an amount equal to the difference between the option price and the fair market value of the shares on the date of exercise, and we receive a tax deduction for the same amount, and (2) at disposition, appreciation or depreciation after the date of exercise is treated as either short-term or long-term capital gain or loss depending on how long the shares have been held. Special rules will apply where all or a portion of the exercise price of the non-qualified option is paid by tendering shares. Upon exercise, the optionee will also be subject to Social Security taxes on the excess of the fair market value over the exercise price of the option.

Parachute Payments

The vesting of any portion of an option or other award that is accelerated due to the occurrence of a change in control may cause a portion of the payments with respect to such accelerated awards to be treated as "parachute payments" as defined in the Code. Any such parachute payments may be non-deductible to us, in whole or in part, and may subject the recipient to a non-deductible 20% federal excise tax on all or a portion of such payment (in addition to other taxes ordinarily payable).

Limitation on the Company's Deductions

As a result of Section 162(m) of the Code, our deduction for certain awards under the 2011 Plan may be limited to the extent that the Chief Executive Officer or other executive officer (other than our Chief Financial Officer) whose compensation is required to be reported in the summary compensation table receives compensation in excess of \$1 million a year (other than performance-based compensation that otherwise meets the requirements of Section 162(m) of the Code). The 2011 Plan is structured to allow certain grants to qualify as performance-based compensation.

A copy of the 2011 Plan, as amended in accordance with this proposal 5, is attached as *Appendix A*.

REPORT OF THE AUDIT AND RISK COMMITTEE

No portion of this audit and risk committee report shall be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act through any general statement incorporating by reference in its entirety the proxy statement in which this report appears, except to the extent that the Company specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed filed under either the Securities Act or the Exchange Act.

As more fully described in its charter, the Audit and Risk Committee oversees the Company's financial reporting process on behalf of the Board. Management has day-to-day responsibility for the Company's financial reporting process, including assuring that the Company develops and maintains adequate financial controls and procedures and monitoring and assessing compliance with those controls and procedures, including internal control over financial reporting. The Company's independent auditors are responsible for auditing the annual financial statements prepared by management, expressing an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discussing with the Audit and Risk Committee any issues they believe should be raised. The independent auditors are also responsible to the Audit and Risk Committee and the Board for testing the integrity of the financial accounting and reporting control systems, for issuing a report on the Company's internal control over financial reporting and for such other matters as the Audit and Risk Committee and Board determine. In addition, the independent auditors perform audit-related and permissible non-audit services for the Company.

In the performance of its oversight function, the Audit and Risk Committee reviewed and discussed with management and the independent auditors the audited consolidated financial statements of the Company for the Transition Period, contained in the Company's Transition Report on Form 10-K. The Audit and Risk Committee discussed with PwC, the Company's independent auditors, the overall scope and plans for their audit. The Audit and Risk Committee met with PwC, with and without management present, to discuss the results of its examination, judgments as to the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant estimates and judgments, critical accounting policies and accounting estimates resulting from the application of these policies, the substance and clarity of disclosures in the financial statements, and the Company's disclosure control process and internal control over financial reporting.

The Audit and Risk Committee also discussed with PwC the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board ("PCAOB"). In addition, the Audit and Risk Committee discussed with PwC the independence of PwC from management and Alkermes, and received the written disclosures and the letter from PwC to confirm its independence as required by applicable requirements of the PCAOB.

The Audit and Risk Committee also reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of December 31, 2013, which it made in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act and related regulations. The Audit and Risk Committee also reviewed and discussed with PwC the Report of Independent Registered Public Accounting Firm included in the Company's Transition Report on Form 10-K related to its audit of the consolidated financial statements and the effectiveness of internal control over financial reporting.

The Audit and Risk Committee monitors the activity and performance of PwC. All services to be provided by PwC are pre-approved by the Audit and Risk Committee. The Audit and Risk Committee's evaluation of PwC included, among other things, consideration as to whether PwC's provision of permissible non-audit services to the Company is compatible with maintaining its independence.

Edgar Filing: Alkermes plc. - Form DEF 14A

In reliance on these reviews and discussions, the Audit and Risk Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Transition Report on Form 10-K for the Transition Period for filing with the SEC, and the Board approved such inclusion.

Respectfully submitted by the Audit and Risk Committee,

Paul J. Mitchell, Chair
Floyd E. Bloom
Robert A. Breyer

**EXECUTIVE COMPENSATION
COMPENSATION DISCUSSION AND ANALYSIS**

This section discusses our executive compensation policies and arrangements as they relate to the following individuals to whom we refer as our named executive officers for the Transition Period:

our Chairman and Chief Executive Officer, Richard F. Pops;

our Senior Vice President and Chief Financial Officer, James M. Frates;

our President, Shane Cooke;

our Senior Vice President, Chief Legal Officer and Chief Compliance Officer, Kathryn L. Biberstein; and

our Senior Vice President, Research and Development and Chief Medical Officer, Elliot W. Ehrich.

Introduction

Our Compensation Committee, or the Committee, reviews, oversees and administers our executive compensation programs. The Committee's complete roles and responsibilities are set forth in the written charter adopted by the Board, which is available on the Corporate Governance page of the Investors section of our website, available at: <http://investor.alkermes.com>. The Board selected the following directors to serve on the Committee prior to the beginning of the Transition Period: Mark B. Skaletsky (Chair), David W. Anstice and Paul J. Mitchell. In August 2013, the Board determined to rotate the membership of the committees of the Board and selected the following directors to serve on the Committee: David W. Anstice (Chair), Mark B. Skaletsky and Geraldine A. Henwood. In November 2013, Mr. Skaletsky retired from the Board and therefore resigned from the Committee, and the Board reappointed Mr. Mitchell to the Committee.

Executive Compensation Philosophy and Objectives

Our executive compensation program is designed to attract, retain and motivate experienced and well-qualified executive officers who will promote our research and product development, manufacturing, commercialization and operational efforts. We structure our executive officer compensation packages based on level of job responsibility, internal and external peer comparisons (targeting the 50th percentile of our external peer group for all elements of pay), individual performance, principles of internal fairness and our overall Company performance. The Committee bases its executive compensation programs on the same objectives that guide us in establishing all our compensation programs, which are:

to provide an overall compensation package that rewards individual performance and corporate performance in achieving our objectives, as a means to promote the creation and retention of value for us and our shareholders;

to attract and retain a highly skilled work force by providing a compensation package that is competitive with other employers who compete with us for talent;

to structure an increasing proportion of an individual's compensation as performance-based as he or she progresses to higher levels within our Company;

to foster the long-term focus required for success in the biopharmaceutical industry;

to mitigate the likelihood of inducing excessive risk-taking behavior; and

to structure our compensation and benefits programs similarly across our Company.

Highlights

We believe our executive compensation programs are effectively designed and have worked well to achieve our compensation objectives, which are aligned with the interests of our shareholders.

At our 2012 Annual General Meeting of Shareholders, a majority of our shareholders supported an annual advisory vote on our executive compensation and, in response, our Board determined to hold an annual vote on the matter. In 2013, we submitted our executive compensation program to an advisory vote of our shareholders, and it received the support of over 90% of the total votes cast at our 2013 Annual General Meeting of Shareholders. Our Committee believes that the shareholders, through this advisory vote, endorsed our compensation philosophies.

The Committee maintained the basic structure and design of our executive compensation programs for the Transition Period. We provide a brief summary of our financial performance and other key events that occurred since our last proxy statement in this "Highlights" section. A more detailed discussion of these and other events is found elsewhere in this proxy statement.

Financial Performance. Total revenue guidance for the Transition Period was \$395 million to \$425 million. We exceeded this guidance range and achieved total revenues of \$432.9 million for the Transition Period.

Shareholder Return. Our nine-month and one-year shareholder returns were 72% and 120%, respectively, for the periods ended December 31, 2013.

Product Pipeline. We progressed aripiprazole lauroxil in the global pivotal phase 3 study of patients with schizophrenia, announced positive top-line results from a phase 2 study of ALKS 5461 for the treatment of major depressive disorder in patients who have an inadequate response to standard therapies for clinical depression, initiated a double-blind, active-controlled, dose-ranging phase 2 study of ALKS 3831 and announced three new product candidates.

Our Executive Team. In recognition of the importance of the operation of global clinical trials to the progress of our pipeline and to the evolving role of government in the provision of, and payment for, healthcare services, especially in the Company's key commercial areas, we expanded our senior management team by making key hires for two important new roles: Senior Vice President of Clinical Development and Medical Affairs, and Vice President of Government Affairs and Policy.

Company-Wide Performance Grant. In March 2014, the Committee, considering the potential beneficial impact on shareholder return of a specific performance-based incentive award, granted to all employees of the Company, including the executive officers, a performance-vesting restricted stock unit award tied to key milestones in the Company's clinical-stage pipeline. Fifty percent of the award will vest upon the occurrence of the earlier of: (i) FDA approval for aripiprazole lauroxil or (ii) the achievement of the prespecified primary endpoint in two phase 3 clinical studies of ALKS 5461, as such achievement is acknowledged by the Committee; provided that, if such vesting event occurs during the first year after grant, the vesting of the initial 50% of the performance-based restricted stock unit award will not occur until the one-year anniversary of the grant date. In order to build an added retentive component to the grant, the remaining 50% of the award will vest on the one-year anniversary of the vesting date of the initial portion. The award will expire if neither of the performance conditions has been met on or before December 31, 2016.

Compensation Program Elements

The compensation program for executive officers consists of the following elements:

base salary;

annual cash performance pay (bonus); and

long-term equity incentive awards, including:

stock options;

time-vesting restricted stock unit awards; and

performance-vesting restricted stock unit awards.

The Committee utilizes these elements of compensation to structure compensation packages for executive officers that can reward both short- and long-term performance of the individual and our Company and foster executive retention.

Base Salary

Base salaries are used to provide a fixed amount of compensation for the executive's regular work. The Committee establishes base salaries that are competitive with comparable companies for each position and level of responsibility to the extent such comparable companies and positions exist. The salaries of the executive officers historically had been reviewed on an annual basis, at the time of the mid-fiscal year performance review established by us. However, in March 2013, the Committee agreed to move the annual base salary reviews for all employees, including the executive officers, to after the end of our fiscal year, which will coincide with the Committee's determination of our employees' cash performance pay and equity incentive compensation for the previously completed fiscal year. In addition, in May 2013, we changed our fiscal year-end from March 31 to December 31. As a result of the change of timing for the annual base salary review and the change in our fiscal year, the Committee determined that the annual base salary adjustment for the Transition Period would be prorated for all our employees, including our executive officers, to reflect the fifteen-month period since the prior base salary review. In determining increases, if any, to the base salary of our executive officers, the Committee may consider factors such as the individual's performance, level of pay compared to comparable companies for each position and level of responsibility, experience in the position of the individual, cost-of-living indices, the magnitude of other annual salary increases at our Company and the achievement of the corporate objectives for the fiscal year. Any base salary increase for an executive officer must be approved by the Committee.

Cash Performance Pay

Cash performance pay motivates executive officers to achieve both short-term operational and longer-term strategic goals that are aligned with, and supportive of, our long-term Company value. Cash performance pay is awarded by the Committee after the fiscal year-end based on an evaluation of our Company performance and each individual's contribution to this performance during such fiscal year. Performance objectives are established prior to the start of the performance period and evaluated by the Committee as outlined below.

In March 2013, the Committee approved the Fiscal 2014 Alkermes plc Affiliated Company Reporting Officer Performance Pay Plan ("2014 Performance Plan") and established target performance pay ranges and target performance pay that may be earned by our reporting officers, including all of our named executive officers, for the performance period coinciding with our then-current fiscal-year (from April 1, 2013 to March 31, 2014). The 2014 Performance Plan contained the following corporate objectives for our executives: (i) execute on the development of our clinical-stage pipeline; (ii) achieve financial guidance; (iii) prepare commercial capabilities for growth of marketed, and soon-to-be marketed, products; (iv) manufacture commercial products and clinical trial material to meet our goals of quality, reliability and efficiency; (v) identify and advance top candidates from our earlier-stage pipeline; (vi) manage relationships with key business partners and evaluate new

partnering opportunities to drive long-term growth and enhance shareholder value; and (vii) respond to changing business conditions.

In March 2013, the Committee set the range of the fiscal year 2014 cash performance pay award under the 2014 Performance Plan for: (i) Mr. Pops at between 0% and 200% of his base salary, with a target performance pay award of 100% of his base salary; (ii) Mr. Cooke at between 0% and 150% of his base salary, with a target performance pay award of 75% of his base salary, and (iii) for participants other than Mr. Pops and Mr. Cooke, at between 0% and 100% of their base salaries, with a target cash performance pay award of 50% of their base salaries. The Committee, after consulting its independent compensation consultant, established such performance pay targets and performance pay ranges based generally on comparable market data.

In May 2013, we changed our fiscal year-end from March 31 to December 31. In conjunction with such change, the Committee approved the Amended and Restated Fiscal Year December 2013 Alkermes plc Affiliated Company Reporting Officer Performance Pay Plan (the "Transition Period Performance Plan"). The Transition Period Performance Plan amends and restates the 2014 Performance Plan to reflect our change in fiscal year. The Transition Period Performance Plan provides that performance pay awards that would have been payable under the 2014 Performance Plan would be prorated to account for the new nine-month performance period (from April 1, 2013 to December 31, 2013). The corporate objectives and performance pay ranges and targets described above under the 2014 Performance Plan continued to apply to the Transition Period Performance Plan.

Cash performance pay under the Transition Period Performance Plan is awarded after the close of the Transition Period based upon the Committee's review of the performance of our Company against our corporate objectives, and the individual performance of each executive officer against such corporate objectives. The Committee also considers data provided by its independent compensation consultant regarding total direct compensation of each executive officer in light of comparable market data.

Equity Incentives Stock Options, Restricted Stock Awards and Restricted Stock Unit Awards

We currently grant equity awards under the 2008 Plan and the 2011 Plan. Each full value award issued under our 2008 Plan and our 2011 Plan, such as the grant of a unit of restricted stock or performance share, counts as two share units for each ordinary share subject to the award and 1.8 share units for each ordinary share subject to the award, respectively, and each grant of a stock option issued under our Equity Plans counts as an award of one share unit for each ordinary share actually subject to the stock option.

The award of stock options (both incentive and non-qualified options), restricted stock awards, restricted stock unit awards, cash-based awards and performance share awards is permitted under the Equity Plans. All of our equity grants are made pursuant to the Equity Plans. As used herein, the term "stock award," unless otherwise specified, will include restricted stock unit awards, restricted stock awards and performance share awards.

Grants of stock options and stock awards under our Equity Plans are designed to promote long-term retention and stock ownership, and align the interests of executives with those of shareholders, providing our executives with the opportunity to share in the future value they are responsible for creating. Generally, stock options and non-performance-based stock awards vest in equal annual installments over a four-year period. The Committee may, in its discretion, award equity with a different vesting schedule; however, under the Equity Plans, restricted stock awards and restricted stock unit awards granted to employees that have a performance-based goal are required to have a restriction period of at least one year, and those with a time-based restriction are required to have at least a three-year restriction period, although vesting can occur incrementally over such three-year period.

Edgar Filing: Alkermes plc. - Form DEF 14A

The number of shares underlying options and stock awards granted to each executive officer is generally determined by the Committee based on: the performance of the executives and their contributions to overall performance of our Company; stock option grants and stock awards at comparable companies, and generally within the biopharmaceutical industry, based upon data provided by the independent compensation consultant (as discussed below); the dollar value of stock option awards, as determined using the Black-Scholes option pricing model, and stock awards; consideration of previous equity awards made to each such executive officer; the total direct compensation of each such executive officer; the retention value of aggregate equity held by each such executive officer; equity overhang and utilization calculations; and personal knowledge of the Committee members regarding executive stock options and stock awards at comparable companies. Consideration is also given to the impact of stock option and stock awards on our results of operations.

The Committee selectively utilizes a combination of stock options, time-vesting restricted stock unit awards and performance-vesting restricted stock unit awards in designing its equity compensation for Company employees. The Committee believes that utilizing performance-vesting restricted stock unit awards, the vesting of which is tied to key milestones in the Company's clinical stage pipeline, in addition to time-vesting restricted stock unit awards and stock options, serves to align executive compensation with events that drive value for our shareholders. The Committee also believes that using a combination of restricted stock unit awards and stock option awards, is more effective than either type of award alone in rewarding and retaining key employees and motivating executives to increase shareholder value. In this context, the Committee balances the mix of stock options and restricted stock unit awards such that senior executives receive a greater proportion of stock options than restricted stock awards, vice presidents receive a more balanced mixture of stock options compared to restricted stock awards, and other of our key employees receive a greater proportion of restricted stock awards.

As of March 2013, the Company no longer provides any employee with additional time to exercise or early vesting of stock options on retirement as part of its grant of stock option awards. Such retirement benefits were phased out by the Compensation Committee for stock option grants beginning in May 2010 in order to maximize the retentive value of our stock option grants. There are no special retirement provisions associated with stock awards, nor have there been in the past.

In the event of termination due to death or disability, stock options granted after November 2000 become fully vested and exercisable for a three-year period, not to exceed the full term of the grant. Once the initial 50% of the performance-vesting restricted stock unit award granted in March 2014 has vested, the remainder will vest in the event of death or disability.

Compensation Determinations

Factors Considered in Determining Compensation

The Committee may consider a number of factors to assist it in determining compensation for our executive officers.

Company Performance

As discussed previously, the Committee adopted seven corporate objectives to measure the performance of our Company and its senior executives for the Transition Period: (i) execute on the development of our clinical-stage pipeline; (ii) achieve financial guidance; (iii) prepare commercial capabilities for growth of marketed, and soon-to-be marketed, products; (iv) manufacture commercial products and clinical trial material to meet our goals of quality, reliability and efficiency; (v) identify and advance top candidates from our earlier-stage pipeline; (vi) manage relationships with key business partners and evaluate new partnering opportunities to drive long-term growth and enhance shareholder value; and (vii) respond to changing business conditions.

We expanded our senior management team by making key hires for two important new roles: Senior Vice President of Clinical Development and Medical Affairs, and Vice President of Government Affairs and Policy.

The Committee does *not* apply a formula or assign these performance objectives relative weights. Rather, it makes a subjective determination after considering such measures individually and in the aggregate.

Individual Performance

In establishing compensation levels, the Committee also evaluates each executive officer's individual performance using certain subjective criteria, including an evaluation of each executive officer's contribution to achievement of the corporate objectives and to overall corporate performance. In establishing compensation for executive officers other than Mr. Pops, the Committee reviewed in detail the recommendations of Mr. Pops. With respect to Mr. Pops, the Committee meets to evaluate his performance against the corporate objectives of our Company.

Use of Compensation Consultant for Benchmarking

Another factor considered by the Committee in determining executive compensation is the high demand for well-qualified personnel. Given such demand, the Committee strives to maintain

compensation levels that are competitive with the compensation of other executives in the industry. To that end, the Committee, through our Human Resource Department's Director of Compensation and Performance Systems, retained the services of Radford, an AON Hewitt Company ("Radford"), as its independent compensation consultant. The Committee engaged Radford to review market data and various incentive programs and to provide assistance in establishing our cash and equity-based compensation targets and awards based, in large part, upon a peer group identification and assessment that it was retained to conduct and an analysis of the retention value of equity awards. Radford took direction from, and provided reports to, our Vice President of Human Resources and our Director of Compensation and Performance Systems, who acted on behalf, of and at the direction of, the Committee. Radford did not provide us with any services other than the services requested by the Committee. The Committee considered whether the work of Radford as compensation consultant has caused any conflict of interest and concluded that there was no conflict.

In setting the performance pay targets and performance pay ranges for the executives, Radford proposed, and the Committee approved, the companies that comprised our pharmaceutical peer group prior to the beginning of the Transition Period and, in May 2013 and September 2013, the Committee, on the review and recommendation of Radford, revised our pharmaceutical peer group to more closely align it with the Company's market capitalization, projected revenue and employee headcount. As a result of such recommendations, the seventeen companies that comprised our pharmaceutical peer group as of September 2013 were: Acorda Therapeutics, Inc.; Alexion Pharmaceuticals, Inc.; Auxilium Pharmaceuticals, Inc.; BioMarin Pharmaceutical Inc.; Cubist Pharmaceuticals, Inc.; Incyte Corporation; Jazz Pharmaceuticals plc; Medivation, Inc.; Onyx Pharmaceuticals Inc. (which has since been acquired by Amgen Inc.); Questcor Pharmaceuticals, Inc.; Salix Pharmaceuticals Ltd.; Seattle Genetics, Inc.; The Medicines Company; Theravance, Inc.; United Therapeutics Corporation; Vertex Pharmaceuticals Incorporated; and ViroPharma Incorporated (which has since been acquired by Shire plc). Radford used this peer group to prepare the executive compensation review used by the Committee in conducting the salary review for our executives at the end of the Transition Period and in determining performance pay and equity grants for our executive officers for performance during the Transition Period. The Committee also used this executive compensation review to assist it in setting performance-pay targets and performance-pay ranges for our executives for fiscal year 2014.

In each of its analyses, Radford also reviewed, and provided to the Committee, data from a survey group of companies, which reflected a broader group of public biopharmaceutical companies within a relevant revenue range. Data are collected from public SEC filings of the peer group companies and the Radford Global Life Sciences Survey. Radford applies a proprietary methodology to the data to construct a benchmark for compensation comparison purposes.

The peer group analyses enable the Committee to compare our executive compensation program as a whole and also the pay of individual executives if the jobs are sufficiently similar to make the comparison meaningful. The Committee seeks to ensure that our executive compensation program is competitive. The Committee targets the 50th percentile for all elements of pay, with the opportunity to increase or decrease the variable elements of pay from the 50th percentile based upon performance. However, as mentioned elsewhere in our compensation discussion and analysis, the comparative data provided by the Committee's compensation consultant is only one of many factors that the Committee takes into consideration in determining executive and individual compensation programs. The Committee, in its sole authority, has the right to hire or terminate outside compensation consultants.

In February 2014, the Committee reviewed base salaries for all of our executive officers. In determining base salary adjustments for such executive officers, the Committee considered a number of

Edgar Filing: Alkermes plc. - Form DEF 14A

factors, such as cost-of-living indices, market data for comparable companies, general progress toward achieving the Transition Period corporate objectives, the Committee's competitive positioning philosophy and, for those executive officers other than Mr. Pops, the recommendations of Mr. Pops. The Committee also considered the financial impact of the delay in determining base salary increases resulting from the shift of the base salary review from mid-fiscal year to the end of the fiscal year for all employees of the Company, as well as the change in the Company's fiscal year-end, the combined effect of which was to delay the annual review of base salaries for all employees of the Company by approximately three months. Based on this review, the Committee increased the base salary of each of Messrs. Pops, Frates and Cooke and Ms. Biberstein by approximately 3.2% and Dr. Ehrich by approximately 4.9%; however, this amount was adjusted to approximately 4.0% for Messrs. Pops, Frates and Cooke and Ms. Biberstein, and approximately 6.1% for Dr. Ehrich, to reflect the fifteen-month period since the prior base salary review. The new base salaries determined by the Committee in February 2014 for Messrs. Pops, Frates and Cooke, Ms. Biberstein and Dr. Ehrich were therefore \$857,000, \$470,000, €476,148, \$460,620 and \$470,000, respectively.

Cash Performance Pay

In February 2014, the Committee reviewed our Company's performance against the Transition Period corporate objectives, the performance of each executive officer against such corporate objectives, and the target cash performance pay and cash performance pay range set by the Committee for each executive officer. The Committee determined that the cash performance pay for Mr. Pops for the Transition Period should be equal to \$1,236,000, which is equal to three quarters (to account for the shortened nine-month Transition Period) of 200% of his base salary. The cash performance pay for Mr. Pops was determined based on the Committee's assessment of the Company's and Mr. Pops' performance against the corporate objectives, the successful advancement of our proprietary product pipeline, the achievement of our financial objectives and the significant positive one year, three year and five year Company share price appreciation. In setting Mr. Pops' cash performance pay, the Committee also discussed data from Radford regarding cash performance pay for chief executive officers of our peer group companies.

Also, in February 2014, Mr. Pops presented to the Committee a performance evaluation of each of the other named executive officers, including an assessment of the contribution of each such named executive officer to the achievement of our corporate objectives, and his recommendations for cash performance pay amounts based on such evaluation. Based upon the achievement of our corporate objectives, the role played by each such named executive officer in achieving those objectives, the individual performance recommendations of Mr. Pops, and the target cash performance pay and cash performance pay ranges set by the Committee, the Committee determined and awarded cash performance pay for the Transition Period in an amount equal to, for Messrs. Frates and Cooke, Ms. Biberstein and Dr. Ehrich, approximately three-fourths (to account for the shortened nine-month Transition Period) of 74%, 135%, 95% and 95%, respectively, of their current base salaries.

All such amounts for our named executive officers are set forth in the Summary Compensation Table below.

Equity Incentives Stock Options and Restricted Stock Awards

In February 2014, after the close of the Transition Period, the Committee awarded equity grants for Transition Period performance. In determining the grant of equity to Mr. Pops, the Committee took into consideration comparable peer group data provided by Radford, the dollar value of equity awards, as determined using the Black-Scholes option pricing model and market prices for restricted stock unit awards, the similarly determined dollar value of previous equity awards, the overall equity position of Mr. Pops, the retention value of his overall equity position, the performance of the Company against corporate objectives, and the performance of Mr. Pops against the corporate objectives.

Edgar Filing: Alkermes plc. - Form DEF 14A

Based upon these factors, the Committee awarded Mr. Pops a stock option grant of 230,000 ordinary shares and a time-vesting restricted stock unit award of 52,000 ordinary shares. The stock options and time-vesting restricted stock unit awards vest in four equal annual installments commencing on the one-year anniversary of the grant date, subject to early vesting in certain instances described below in " *Potential Payments upon Termination or Change in Control.*"

The following table sets forth equity incentive awards earned by Mr. Pops based on his performance and the performance of our Company during the Transition Period and the period from April 1, 2012 to March 31, 2013.

	For Transition Period Performance (April 1, 2013 - December 31, 2013)	For Performance from April 1, 2012 to March 31, 2013
Richard F. Pops	Stock option grant of 230,000 ordinary shares, granted on March 3, 2014	Stock option grant of 300,000 ordinary shares, granted on May 28, 2013
	Time-vesting restricted stock unit award of 52,000 ordinary shares, granted on March 3, 2014	Time-vesting restricted stock unit award of 55,000 ordinary shares, granted on May 28, 2013

In 2014, after the close of the Transition Period, the Committee awarded equity grants to all other executive officers for performance during such period. The Committee considered the comparable peer group data provided by Radford, the dollar value of equity awards as determined using the Black-Scholes option pricing model and market prices for restricted stock awards, the similarly determined dollar value of previous equity awards, the performance of our Company against corporate objectives, the overall equity position of each of the executives, the retention value of that equity position, the recommendations of Mr. Pops based on his assessment of each individual's performance against corporate objectives and the criticality of that employee to the success of the Company and the continuity of key Company programs or functions. Based upon these factors, the Committee awarded the following equity grants to each of Messrs. Frates and Cooke, Ms. Biberstein and Dr. Ehrich: a stock option grant of 50,000, 90,000, 61,500 and 65,000 ordinary shares, respectively, and a time-vesting restricted stock unit award of 11,250, 21,000, 15,000 and 14,000 ordinary shares, respectively. Each of the stock option grants and time-vesting restricted stock unit awards vests in four equal annual installments commencing on the one-year anniversary of the grant date, subject to early vesting in certain instances such as death or permanent disability and other instances as described in " *Equity Incentives Stock Options, Restricted Stock Awards and Restricted Stock Unit Awards.*"

The Committee also considered the potential beneficial impact on shareholder return of combining the long-term incentive associated with time-vesting equity grants historically employed by the Company with the specific performance incentive associated with tying vesting of equity to key milestones in the Company's clinical-stage pipeline. After considering the risks and benefits of such performance-based equity awards, the Committee determined to grant all employees of the Company, including the executive officers, a performance-vesting restricted stock unit award. The Committee awarded performance-vesting restricted stock unit awards to Messrs. Pops, Frates and Cooke, Ms. Biberstein and Dr. Ehrich of 40,000, 10,000, 15,000, 10,000 and 10,000 ordinary shares, respectively. Under the terms of the performance-vesting restricted stock unit award designed by the Committee, 50% of the award will vest upon the occurrence of the earlier of: (i) FDA approval for aripiprazole lauroxil or (ii) the achievement of the prespecified primary endpoint in two phase 3 clinical studies of ALKS 5461, as such achievement is acknowledged by the Committee; provided that, if such vesting event occurs during the first year after grant, the vesting of the initial 50% of the performance-based restricted stock unit award will not occur until the one-year anniversary of the grant date. In order to build an added retentive component to the grant, the remaining 50% of the award will vest on the one-year anniversary of the vesting date of the initial portion. The award will expire if neither of the performance conditions has been met on or before December 31, 2016. The awards are subject to early

Edgar Filing: Alkermes plc. - Form DEF 14A

vesting in certain instances, such as death or permanent disability and other instances as described in "*Equity Incentives Stock Options, Restricted Stock Awards and Restricted Stock Unit Awards.*"

Stock Ownership Guidelines

Our Board members and executive officers (consisting of those who are required to file reports under Section 16(a) of the Exchange Act) are subject to stock ownership guidelines. The guidelines are designed to align the interests of our Board members and executive officers with those of our shareholders by ensuring that our Board members and executive officers have a meaningful financial stake in our long-term success. The guidelines establish minimum ownership levels by position as set forth below. Our stock ownership guidelines were amended by the Board in December 2013 and February 2014 to increase the ownership requirements, effective immediately, for our current Chief Executive Officer to six times his base salary, and to increase the ownership requirements for our Board members, effective beginning April 1, 2019, to three times his or her annual Board member retainer.

As noted above, the stock ownership guidelines are immediately effective for our Chief Executive Officer. The first annual measurement date to determine compliance with the ownership levels specified in the guidelines for Board members and executive officers (other than our Chief Executive Officer) who were members of the Board of Alkermes, Inc. or employed by Alkermes, Inc. as of April 1, 2010, is April 1, 2015. For Mr. Cooke, who became an executive officer after April 1, 2010, and for any Board member or executive officer joining the Company or its affiliates after April 1, 2010, these stock ownership guidelines become effective beginning on the April 1 that is five full years after his or her appointment as a Board member or executive officer.

Position	Value of Equity
Chief Executive Officer	6.0 times base salary
Board Members	\$100,000 until April 1, 2019 3.0 times annual Board retainer, commencing on or after April 1, 2019
Other Executive Officers	1.0 times base salary

All shares directly or beneficially owned by the director or executive officer as of the annual measurement dates mentioned above, including the value of vested stock options (where the market price of our ordinary shares as of the measurement date exceeds the strike price of such option), are included for purposes of determining the value of shares owned under our stock ownership guidelines. Mr. Pops has satisfied the applicable stock ownership guidelines, in its current and previous forms, each year since it was adopted by the Board. As of the Record Date, all directors owned (according to our stock ownership guidelines above) at least three times their annual Board retainer, except for Ms. Wysenski, who joined the Board within the past year.

Insider Trading Policy Prohibitions and Hedging Policy

Our Company maintains an Insider Trading Policy that prohibits our officers, directors, employees (including temporary and contract employees) and independent contractors from, among other things, engaging in speculative transactions in our securities, including by way of the purchase or sale of "put" or "call" options or other derivative securities directly linked to our equity; short sales of our equity; the use of our equity as a pledge or as collateral in a margin account; and trading in straddles, equity swaps, or other hedging transactions directly linked to our equity, even if such persons do not possess material, nonpublic information.

Perquisites

Our President receives a car allowance. The Committee periodically reviews perquisites to assure that they are appropriate in light of our total compensation program and market practice.

Retirement Benefits

The terms of our 401(k) Savings Plan ("401k Plan") provide for broad-based participation by our executive officers and employees resident in the United States. Under the 401k Plan, all of our employees are eligible to receive matching contributions from us. Our matching contribution for the 401k Plan for the Transition Period was as follows: dollar for dollar on each participant's eligible compensation up to a maximum of 5% of such compensation, subject to applicable federal limits.

Mr. Cooke, who is resident in Ireland, participates in a private pension plan to which we have agreed to contribute, on an annual basis, an amount equal to 24.45% of his basic payroll salary, paid quarterly.

Other Benefits

Executive officers are eligible to participate in our employee benefit plans on the same terms as all other employees. These plans include medical, dental and life insurance. We may also provide relocation expense reimbursement, which is negotiated on an individual basis with executive officers in a manner consistent with our internal guidelines. The executive officers are entitled to certain benefits upon death or disability available to all of our employees. Under our flexible benefits program, all of our eligible employees, including the named executive officers, have the ability to purchase long-term disability coverage that will pay up to 60% of base monthly salary, up to \$20,000 per month, during disability. Also, under our flexible benefits program, we provide life insurance coverage for all of our eligible employees, including the named executive officers, equal to two times base salary, with a maximum of \$500,000 in coverage paid by us. In addition, executive officers are eligible to receive severance benefits in connection with a termination or a change in control as set forth in each of their employment contracts and described more fully below.

Post Termination Compensation and Benefits

We have a program in place under which our executive officers receive severance benefits if they are terminated without cause or if they terminate their employment for "good reason" (e.g., a material diminution in his or her responsibilities, authority, powers, functions, duties or compensation or a material change in the geographic location at which he or she must perform his or her employment), and thereafter sign a general release of claims. Additionally, named executive officers receive severance benefits if, for a period of time following a corporate transaction or a change in control, they are terminated without cause or they terminate for "good reason." The terms of these arrangements and the amounts payable under them are described in more detail below under " *Potential Payments Upon Termination or Change in Control*." We provide these arrangements because we believe that some severance arrangements are necessary in a competitive market for talent to attract and retain high quality executives. In addition, the change in control benefit allows the executives to maintain their focus on our business during a period when they otherwise might be distracted.

Tax Deductibility of Compensation

In general, under Section 162(m) of the Code, we cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 paid to our named executive officers. This deduction limitation does not apply, however, to certain "performance-based compensation" (within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder), which the Committee determined, pursuant to the guidance of its third party advisers, includes the performance-vesting restricted stock unit awards granted by the Committee in March 2014.

Management regularly reviews the provisions of our plans and programs, monitors legal developments and works with the Committee to preserve Section 162(m) tax deductibility of compensation payments. Changes to preserve tax-deductibility are adopted to the extent reasonably practicable, consistent with our compensation policies and as determined to be in our best interests and

Edgar Filing: Alkermes plc. - Form DEF 14A

the best interests of our shareholders. However, the Committee reserves the right to grant compensation not deductible under Section 162(m) in appropriate circumstances.

Pension Benefits for the Transition Period

None of our named executive officers participate in or have account balances in qualified or non-qualified defined benefit plans sponsored by us.

Nonqualified Deferred Compensation for the Transition Period

None of our named executive officers participate in or have account balances in qualified or non-qualified defined benefit plans maintained by us.

Potential Payments upon Termination or Change in Control

If, during the term of the executive officer's employment agreement with us, we terminate such executive officer's employment without cause or such executive officer terminates his or her employment for "good reason" (e.g., a material diminution in his responsibilities, authority, powers, functions, duties or compensation or a material change in the geographic location at which he or she must perform his or her employment) and such executive officer thereafter signs a general release of claims, we will provide severance, as follows: to Mr. Pops, over a twenty-four-month period, we will pay an amount equal to two times the sum of (i) his current base salary, plus (ii) the average of his annual cash incentive compensation received for the two immediately preceding fiscal years (provided that the Committee has determined that an annualized cash incentive compensation amount should be used in such calculation for the Transition Period), and will provide for continued participation in our health benefit plans during such twenty-four-month period; to Mr. Cooke, over an eighteen month period, we will pay an amount equal to one and one-half times the sum of (i) his current base salary, plus (ii) the average of his annual cash incentive compensation received for the two immediately preceding fiscal years (provided that the Committee has determined that an annualized cash incentive compensation amount should be used in such calculation for the Transition Period); and to Mr. Frates, Ms. Biberstein and Dr. Ehrich, over a twelve-month period, we will pay an amount equal to the sum of (i) his or her current base salary plus (ii) the average of his or her annual cash incentive compensation received for the two immediately preceding fiscal years (provided that the Committee has determined that an annualized cash incentive compensation amount should be used in such calculation for the Transition Period), and will provide for continued participation in our health benefit plans during such twelve month period.

Under the employment agreements with our executive officers, in the event of a change in control, each executive officer would be entitled to continue his or her employment with us for a period of two years following the change in control. If, during this two-year period, we terminate such executive officer without cause or if such executive officer terminates his or her employment for "good reason," we shall pay such executive officer a pro rata amount of his or her annual cash incentive compensation

(based upon the average of such executive officer's annual cash incentive compensation for the prior two fiscal years, provided that the Committee has determined that an annualized cash incentive compensation amount should be used in such calculation for the Transition Period) for the year in which the termination occurs. Additionally, he or she will receive a lump sum payment equal to: for Mr. Pops, two times; and for Messrs. Cooke and Frates, Ms. Biberstein and Dr. Ehrich, one and one-half times, the sum of his or her then-base salary (or the base salary in effect at the time of the change in control, if higher) plus an amount equal to the average of his or her annual cash incentive compensation received for the two immediately preceding fiscal years (provided that the Committee has determined that an annualized cash incentive compensation amount should be used in such calculation for the Transition Period). Messrs. Pops and Frates, Ms. Biberstein and Dr. Ehrich will also be entitled to continued participation in our health benefit plans: for Mr. Pops, for a period of two years following the date of termination, and for Mr. Frates, Ms. Biberstein and Dr. Ehrich, for a period of eighteen months following the date of termination. These change in control payments are expressly in lieu of, and supersede, those severance payments and benefits otherwise payable if we terminate such executive officer without cause or if such executive officer terminates his or her employment for good reason, provided that such termination occurs within two years after the occurrence of the first event constituting a change in control and that such first event occurs during the period of employment of the executive officer. Messrs. Pops and Frates, Ms. Biberstein and Dr. Ehrich are also entitled to a "gross-up payment" equal to the excise tax imposed upon the severance payments made in the event of a change in control, if any payment or benefit to the executive, whether pursuant to the employment agreement or otherwise, is considered an "excess parachute payment" and subject to an excise tax under the Code. We no longer provide such gross-up payments to newly hired employees. On this basis, Mr. Cooke is not entitled to a gross-up payment in the event of a change in control.

Upon a change in control of our Company, all currently outstanding stock options and restricted stock unit awards issued under our Equity Plans become exercisable. In addition, once the initial 50% of the performance-vesting restricted stock unit award granted in March 2014 has vested, the death and disability provisions of our standard time-vesting awards will apply, such that the award shall vest on termination due to death or disability as described in "*Equity Incentives Stock Options, Restricted Stock Awards and Restricted Stock Unit Awards*."

Potential Post-Termination Payments

(1)

This amount represents the difference between the exercise price and the market closing price of our ordinary shares on December 31, 2013 (\$40.66 per share) for outstanding unvested stock options that had an exercise price less than \$40.66 per share, and the value of unvested restricted stock unit awards with time-based vesting, valued at \$40.66 per share.

(2)

Mr. Cooke's severance amount, which is calculated based on his then current salary and bonus amounts, each of which is paid in euro, has been converted to U.S. Dollar utilizing the exchange rate on December 31, 2013, which equaled \$1.3766 for one euro.

Risk Assessment of Compensation Policies and Practices

The Committee, at the direction of the Board, reviewed our compensation policies and practices and concluded that these policies and practices are not structured to be reasonably likely to have a material adverse effect on the Company. Specifically, our compensation programs contain many features that mitigate the likelihood of inducing excessive risk-taking behavior. These features include:

a balance of fixed cash compensation and variable cash and equity compensation, with variable compensation tied both to short- and long-term objectives and the long-term value of our stock price;

the Committee's ability to exercise discretion in determining incentive program payouts and equity awards;

share ownership guidelines applicable to our directors and executive officers; and

mandatory training on our policies that educate our employees on appropriate behaviors and the consequences of taking inappropriate actions.

DIRECTOR COMPENSATION

David W. Anstice, Floyd E. Bloom, Robert A. Breyer, Geraldine A. Henwood, Paul J. Mitchell and Wendy L. Dixon served as non-employee directors for the entire Transition Period. Nancy J. Wysenski was appointed as a non-employee director on May 15, 2013 and continues to serve as a director. Mark B. Skaletsky served as a non-employee director until his retirement, effective November 11, 2013.

Richard F. Pops became Chairman of the Board effective September 16, 2011 and was an employee during the entire Transition Period. Mr. Pops does not receive equity or attendance fees for his service on the Board.

Annual retainers

In January 2012, the Board adopted the following annual retainers, to be paid pro rata on a quarterly basis, for service on the Board and Board committees.

Service	Retainer Fee
Board Member	\$ 60,000
Board Member In-Person Meeting Attendance	3,500
Audit and Risk Committee Chair	25,000
Audit and Risk Committee Member	15,000
Compensation Committee Chair	20,000
Compensation Committee Member	10,000
Nominating and Corporate Governance Committee Chair	15,000
Nominating and Corporate Governance Committee Member	7,500

In addition, we reimburse our directors for necessary business expenses incurred in the performance of their services for us and extend coverage to them under our travel accident and directors' and officers' indemnity insurance policies.

Equity Compensation

Each of our non-employee directors receives, on the date of our annual general meeting of shareholders, an option to purchase 25,000 ordinary shares, vesting in full on the one-year anniversary of the date of grant. In addition, upon becoming a member of the Board, each new non-employee director automatically receives a one-time grant of an option to purchase 35,000 ordinary shares, vesting ratably over the three calendar years following the date of grant. If a new non-employee director was elected other than at the annual general meeting of shareholders, the newly elected non-employee director also received a grant of options equal to the product of the annual director ordinary share grant multiplied by a fraction, the numerator of which equaled the number of months remaining until our next annual general meeting of shareholders and the denominator of which equaled 12.

Non-employee directors did not receive any options to purchase ordinary shares except for the yearly grant described above and the one-time grant of an option to purchase ordinary shares upon joining the Board.

Director Compensation Table for the Transition Period

The following table presents and summarizes the compensation of our non-employee directors for the Transition Period.

Notes to Director Compensation Table For the Transition Period

- (1) Represents fees earned by our non-employee directors during the Transition Period, for services as a director, including annual retainer fees, committee and/or committee chair fees and meeting fees.
- (2) The amounts in column (d) reflect the aggregate grant date fair value recognized for financial statement reporting purposes, excluding estimates of forfeitures, if any, in accordance with U.S. GAAP for stock option awards granted in the Transition Period. Each director received an option to purchase 25,000 ordinary shares, which had an estimated grant date fair value of \$17.02 per share. In addition, upon her appointment to the board of directors, Ms. Wysenski received an option to purchase 6,250 ordinary shares, which vest in full on the one-year anniversary of the date of grant, and an option to purchase 35,000 ordinary shares, which vest ratably over three years. These options granted to Ms. Wysenski had an estimated grant date fair value of \$13.68 and \$14.71 per share, respectively. The stock options granted to the non-employee directors were granted under the 2008 Plan. Stock options granted under the 2008 Plan are nonqualified stock options that vest one year from the grant date (except for the option to purchase 35,000 ordinary shares granted to Ms. Wysenski) and expire upon the earlier of ten years from the grant date or

three years after the optionee terminates their service relationship with us. Additionally, any unvested portion of the option grant shall vest upon the optionee's termination of their service relationship with us. We recognize the cost of the stock options granted to non-employee on a straight-line basis over the requisite service period of the stock options. There can be no assurance that the stock options will be exercised or the value realized upon exercise will equal the grant date fair value.

(3)

Assumptions used in the calculation of the fair value of option awards made by us for the stock options granted to directors on August 1, 2013 are as follows: option exercise price, \$33.68; expected term, 7.17 years; volatility, 46%; interest rate, 2.15%; dividend yield, zero. Assumptions used in the calculation of the fair value of the option award made by us for the 6,250 stock options granted to Ms. Wysenski on May 15, 2013 are as follows: option exercise price, \$31.13; expected term, 5.64 years; volatility, 46%; interest rate, 1.32%; dividend yield, zero. Assumptions used in the calculation of the fair value of the option award made by us for the 35,000 stock options granted to Ms. Wysenski on May 15, 2013 are as follows: option exercise price, \$31.13; expected term, 6.64 years; volatility, 46%; interest rate, 1.32%; dividend yield, zero. Our directors hold the following aggregate number of outstanding stock options as of December 31, 2013: David W. Anstice, 155,000 shares; Floyd E. Bloom, 195,000 shares; Robert A. Breyer, 135,400 shares; Wendy L. Dixon, 110,000 shares; Geraldine A. Henwood, 155,000 shares; Paul J. Mitchell, 206,000 shares; and Nancy J. Wysenski, 66,250 shares.

(4)

Effective November 11, 2013, Mark Skaletsky retired from the Board of the Company. Mr. Skaletsky's decision to retire was not the result of any disagreement between the Company and Mr. Skaletsky on any matter, including with respect to the Company's operations, policies or practices. Prior to his retirement, Mr. Skaletsky was a member of the Audit and Risk Committee and the Compensation Committee.

2011 Stock Option and Incentive Plan

SECTION 1. GENERAL PURPOSE OF THE PLAN; DEFINITIONS

The name of the plan is the Alkermes plc 2011 Stock Option and Incentive Plan (the "*Plan*"). The Plan is established in connection with a business combination transaction pursuant to which Alkermes, Inc. (the "*Company*") would become a wholly owned subsidiary of a new holding company to be named Alkermes plc, an Irish public limited company (the "*Parent*"). The purpose of the Plan is to encourage and enable the officers, employees, Non-Employee Directors and other key persons (including consultants and prospective employees) of the Parent and its Subsidiaries upon whose judgment, initiative and efforts the Parent and its Subsidiaries largely depend for the successful conduct of their business to acquire a proprietary interest in the Parent. It is anticipated that providing such persons with a direct stake in the Parent's welfare will assure a closer identification of their interests with those of the Parent and its stockholders, thereby stimulating their efforts on the Parent's and its Subsidiaries' behalf and strengthening their desire to remain with the Parent and its Subsidiaries.

The following terms shall be defined as set forth below:

"*Act*" means the Securities Act of 1933, as amended, and the rules and regulations thereunder.

"*Administrator*" means the compensation committee of the Board or a similar committee performing the functions of the compensation committee and which is comprised of not less than two Non-Employee Directors who are independent.

If the market is closed on such date, the determination shall be made by reference to the last date preceding such date for which the market is open.

SECTION 2. ADMINISTRATION OF PLAN; ADMINISTRATOR AUTHORITY TO SELECT GRANTEES AND DETERMINE AWARDS

(a) *Administration of Plan.* The Plan shall be administered by the Administrator.

(b) *Powers of Administrator.* The Administrator shall have the power and authority to grant Awards consistent with the terms of the Plan, including the power and authority:

(i) to select the individuals to whom Awards may from time to time be granted;

(ii) to determine the time or times of grant, and the extent, if any, of Incentive Stock Options, Non-Qualified Stock Options, Restricted Stock Awards, Restricted Stock Unit Awards, Cash-Based Awards and Performance Share Awards, or any combination of the foregoing, granted to any one or more grantees;

(iii) to determine the number of shares of Stock to be covered by any Award;

(iv) to determine and modify from time to time the terms and conditions, including restrictions, not inconsistent with the terms of the Plan, of any Award, which terms and conditions may differ among individual Awards and grantees, and to approve the form of written (or electronic) instruments evidencing the Awards;

(v) subject to the provisions of Sections 6(d) and 7(a), to accelerate at any time the exercisability or vesting of all or any portion of any Award;

(vi) subject to the provisions of Section 5(a)(ii), to extend at any time the period in which Stock Options may be exercised; and

(vii) at any time to adopt, alter and repeal such rules, guidelines and practices for administration of the Plan and for its own acts and proceedings as it shall deem advisable; to interpret the terms and provisions of the Plan and any Award (including related written and electronic instruments); to make all determinations it deems advisable for the administration of the Plan; to decide all disputes arising in connection with the Plan; and to otherwise supervise the administration of the Plan.

All decisions and interpretations of the Administrator shall be binding on all persons, including the Parent, Subsidiaries and Plan grantees.

(c) *Delegation of Authority to Grant Options.* Subject to applicable law, the Administrator, in its discretion, may delegate to a subcommittee comprised of one or more members of the Board all or part of the Administrator's authority and duties with respect to the granting of Options to employees who are not subject to the reporting and other provisions of Section 16 of the Exchange Act. Any such

Edgar Filing: Alkermes plc. - Form DEF 14A

delegation by the Administrator shall include a limitation as to the amount of Options that may be granted during the period of the delegation and shall contain guidelines as to the determination of the exercise price and the vesting criteria. The Administrator may revoke or amend the terms of a delegation at any time but such action shall not invalidate any prior actions of the Administrator's delegate or delegates that were consistent with the terms of the Plan.

(d) *Award Certificates.* Awards under the Plan shall be evidenced by Award Certificates that set forth the terms, conditions and limitations for each Award which may include, without limitation, the term of an Award and the provisions applicable in the event employment or service terminates.

(e) *Indemnification.* Subject to Section 200 of the Irish Companies Act 1963, neither the Board nor the Administrator, nor any member of either or any delegate thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan, and the members of the Board and the Administrator (and any delegate thereof) shall be entitled in all cases to indemnification and reimbursement by the Parent in respect of any claim, loss, damage or expense (including, without limitation, reasonable attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under the Parent's articles or bylaws or any directors' and officers' liability insurance coverage which may be in effect from time to time and/or any indemnification agreement between such individual and the Parent.

(f) *Foreign Award Recipients.* Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Parent and its Subsidiaries operate or have employees or other individuals eligible for Awards, the Administrator, in its sole discretion, shall have the power and authority to: (i) determine which Subsidiaries shall be covered by the Plan; (ii) determine which individuals outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to individuals outside the United States to comply with applicable foreign laws; (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent the Administrator determines such actions to be necessary or advisable (and such subplans and/or modifications shall be attached to the Plan as appendices); provided, however, that no such subplans and/or modifications shall increase the share limitations contained in Section 3(a) hereof; and (v) take any action, before or after an Award is made, that the Administrator determines to be necessary or advisable to obtain approval or comply with any local governmental regulatory exemptions or approvals. Notwithstanding the foregoing, the Administrator may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act or any other applicable United States securities law, the Code, or any other applicable United States governing statute or law.

SECTION 3. *STOCK ISSUABLE UNDER THE PLAN; MERGERS; SUBSTITUTION*

(a) *Stock Issuable.*

(i) The maximum number of shares of Stock reserved and available for issuance under the Plan shall be equal to (i) 19,750,000 ordinary shares, plus (ii) the number of shares of Stock underlying any grants under the Plan that are forfeited, canceled, repurchased or terminated (other than by exercise) from and after the date the Plan is approved by shareholders. For purposes of this limitation, the shares of Stock underlying any Awards that are forfeited, canceled or otherwise terminated (other than by exercise) shall be added back to the shares of Stock available for issuance under the Plan. Shares tendered or held back upon exercise of an Option or settlement of an Award to cover the exercise price or tax withholding shall not be available for future issuance under the Plan. In addition, upon net exercise of Options, the gross number of shares exercised shall be deducted from the total number of shares remaining available for issuance under the Plan. Subject to such overall limitations, shares of Stock may be issued up to such maximum number pursuant to any type or types of Award; provided, however, that Stock Options with respect to no more than 4,000,000 shares of Stock may be granted to any one individual grantee during any one

Edgar Filing: Alkermes plc. - Form DEF 14A

calendar year period and no more than 19,750,000 shares of the Stock may be issued in the form of Incentive Stock Options. The shares available for issuance under the Plan may be authorized but unissued shares of Stock or shares of Stock reacquired by the Parent.

(b) *Effect of Awards.* The grant of any full value Award (i.e., an Award other than an Option) shall be deemed, for purposes of determining the number of shares of Stock available for issuance under Section 3(a)(i), as an Award of 1.8 shares of Stock for each such share of Stock actually subject to the Award and shall be treated similarly if returned to reserve status when forfeited or canceled as provided in Section 3(a). The grant of an Option shall be deemed, for purposes of determining the number of shares of Stock available for issuance under Section 3(a)(i), as an Award for one share of Stock for each such share of Stock actually subject to the Award.

(c) *Changes in Stock.* Subject to Section 3(d) hereof, if, as a result of any reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in the Parent's capital stock, the outstanding shares of Stock are increased or decreased or are exchanged for a different number or kind of shares or other securities of the Parent, or additional shares or new or different shares or other securities of the Parent or other non-cash assets are distributed with respect to such shares of Stock or other securities, or, if, as a result of any merger or consolidation, sale of all or substantially all of the assets of the Parent the outstanding shares of Stock are converted into or exchanged for securities of the Parent or any successor entity (or a parent or subsidiary thereof), the Administrator shall make an appropriate or proportionate adjustment in (i) the maximum number of shares reserved for issuance under the Plan, including the maximum number of shares that may be issued in the form of Incentive Stock Options, (ii) the number of Stock Options that can be granted to any one individual grantee and the maximum number of shares that may be granted under a Performance-Based Award, (iii) the number and kind of shares or other securities subject to any then outstanding Awards under the Plan, (iv) the repurchase price, if any, per share subject to each outstanding Restricted Stock Award, (v) the number of Stock Options automatically granted to Non-Employee Directors, and (vi) the price for each share subject to any then outstanding Stock Options under the Plan, without changing the aggregate exercise price (i.e., the exercise price multiplied by the number of Stock Options) as to which such Stock Options remain exercisable. The Administrator shall also make equitable or proportionate adjustments in the number of shares subject to outstanding Awards and the exercise price and the terms of outstanding Awards to take into consideration cash dividends paid other than in the ordinary course or any other extraordinary corporate event. The adjustment by the Administrator shall be final, binding and conclusive. No fractional shares of Stock shall be issued under the Plan resulting from any such adjustment, but the Administrator in its discretion may make a cash payment in lieu of fractional shares.

(d) *Mergers and Other Transactions.* Except as the Administrator may otherwise specify with respect to particular Awards in the relevant Award documentation, in the case of and subject to the consummation of a Sale Event, all Options that are not exercisable immediately prior to the effective time of the Sale Event shall become fully exercisable as of the effective time of the Sale Event, all other Awards with time-based vesting, conditions or restrictions shall become fully vested and nonforfeitable as of the effective time of the Sale Event and all other Awards with conditions and restrictions relating to the attainment of performance goals may become vested and nonforfeitable in connection with a Sale Event in the Administrator's discretion. Upon the effective time of the Sale Event, the Plan and all outstanding Awards granted hereunder shall terminate, unless provision is made in connection with the Sale Event in the sole discretion of the parties thereto for the assumption or continuation of Awards theretofore granted by the successor entity, or the substitution of such Awards with new Awards of the successor entity or parent thereof, with appropriate adjustment as to the number and kind of shares and, if appropriate, the per share exercise prices, as such parties shall agree (after taking into account any acceleration hereunder). In the event of such termination, the Parent shall make or provide for a cash payment to the grantees holding Options, in exchange for the

Edgar Filing: Alkermes plc. - Form DEF 14A

cancellation thereof, in an amount equal to the difference between (A) the Sale Price multiplied by the number of shares of Stock subject to outstanding Options (to the extent then exercisable (after taking into account any acceleration hereunder) at prices not in excess of the Sale Price) and (B) the aggregate exercise price of all such outstanding Options.

(e) *Substitute Awards.* The Administrator may grant Awards under the Plan in substitution for stock and stock based awards held by employees, directors or other key persons of another corporation in connection with the merger or consolidation of the employing corporation with the Parent or a Subsidiary or the acquisition by the Parent or a Subsidiary of property or stock of the employing corporation. The Administrator may direct that the substitute awards be granted on such terms and conditions as the Administrator considers appropriate in the circumstances. Any substitute Awards granted under the Plan shall not count against the share limitation set forth in Section 3(a)(i).

SECTION 4. *ELIGIBILITY*

Grantees under the Plan will be such full or part-time officers and other employees, Non-Employee Directors and key persons (including consultants and prospective employees) of the Parent and its Subsidiaries as are selected from time to time by the Administrator in its sole discretion.

SECTION 5. *STOCK OPTIONS*

Any Stock Option granted under the Plan shall be in such form as the Administrator may from time to time approve.

Stock Options granted under the Plan may be either Incentive Stock Options or Non-Qualified Stock Options. Incentive Stock Options may be granted only to employees of the Parent or any Subsidiary that is a "subsidiary corporation" within the meaning of Section 424(f) of the Code. To the extent that any Option does not qualify as an Incentive Stock Option, it shall be deemed a Non-Qualified Stock Option.

(a) *Stock Options Granted to Employees and Key Persons.* The Administrator in its discretion may grant Stock Options to eligible employees and key persons of the Parent or any Subsidiary. Stock Options granted pursuant to this Section 5(a) shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable. If the Administrator so determines, Stock Options may be granted in lieu of cash compensation at the optionee's election, subject to such terms and conditions as the Administrator may establish.

(i) *Exercise Price.* The exercise price per share for the Stock covered by a Stock Option granted pursuant to this Section 5(a) shall be determined by the Administrator at the time of grant but shall not be less than 100 percent of the Fair Market Value on the date of grant. In the case of an Incentive Stock Option that is granted to a Ten Percent Owner, the option price of such Incentive Stock Option shall be not less than 110 percent of the Fair Market Value on the grant date.

(ii) *Option Term and Termination.* The term of each Stock Option shall be fixed by the Administrator, but no Stock Option shall be exercisable more than ten years after the date the Stock Option is granted. In the case of an Incentive Stock Option that is granted to a Ten Percent Owner, the term of such Stock Option shall be no more than five years from the date of grant. Unless otherwise determined by the Administrator on or after the date of grant, if a grantee's employment (or other service relationship) with the Parent and its Subsidiaries terminates for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent), the portion of each Stock Option held by the grantee that is not then exercisable shall be immediately forfeited. Unless otherwise determined by the Administrator on or after the date of grant, the grantee may exercise

Edgar Filing: Alkermes plc. - Form DEF 14A

the exercisable portion of his Stock Options until the earlier of three months after such date of termination or the expiration of the stated term of such Stock Option.

(iii) *Exercisability; Rights of a Stockholder.* Stock Options shall become exercisable at such time or times, whether or not in installments, as shall be determined by the Administrator at or after the grant date. The Administrator may at any time accelerate the exercisability of all or any portion of any Stock Option. An optionee shall have the rights of a stockholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

(iv) *Method of Exercise.* Stock Options may be exercised in whole or in part, by giving written or electronic notice of exercise to the Company's delegate, specifying the number of shares to be purchased. In the case of a Stock Option that is not an Incentive Stock Option, unless otherwise determined by the Administrator on or after the date of grant, payment of the purchase price must be made by reduction in the number of shares of Stock issuable upon such exercise, based, in each case, on the Fair Market Value of the Stock on the date of exercise. If the Administrator determines not to use the above payment method or in the case of the exercise of Incentive Stock Options, then payment of the purchase price may be made by one or more of the following methods:

(A) In cash, by certified or bank check or other instrument acceptable to the Administrator;

(B) Subject to the consent of the Administrator and on the basis of such form of surrender agreement as the Administrator may specify, through the delivery (or attestation to the ownership) of shares of Stock owned by the optionee. Such surrendered shares shall be valued at Fair Market Value on the exercise date; or

(C) By the optionee delivering to the Parent a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Parent cash or a check payable and acceptable to the Parent for the purchase price; provided that in the event the optionee chooses to pay the purchase price as so provided, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Administrator shall prescribe as a condition of such payment procedure.

Payment instruments will be received subject to collection. The transfer to the optionee on the records of the Parent or of the transfer agent of the shares of Stock to be purchased pursuant to the exercise of a Stock Option will be contingent upon receipt from the optionee (or a purchaser acting in his stead in accordance with the provisions of the Stock Option) by the Parent of the full purchase price for such shares and the fulfillment of any other requirements contained in the Option Award Certificate or applicable provisions of laws (including the satisfaction of any withholding taxes that the Parent is obligated to withhold with respect to the optionee). In the event an optionee chooses to pay the purchase price by previously-owned shares of Stock through the attestation method, the number of shares of Stock transferred to the optionee upon the exercise of the Stock Option shall be net of the number of attested shares. In the event that the Parent establishes, for itself or using the services of a third party, an automated system for the exercise of Stock Options, such as a system using an internet website or interactive voice response, then the paperless exercise of Stock Options may be permitted through the use of such an automated system.

(v) *Annual Limit on Incentive Stock Options.* To the extent required for "incentive stock option" treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the shares of Stock with respect to which Incentive Stock Options granted under the Plan and any other plan of the Company or its parent and subsidiary corporations become exercisable for the first time by an optionee during any calendar year shall not exceed

Edgar Filing: Alkermes plc. - Form DEF 14A

\$100,000. To the extent that any Stock Option exceeds this limit, it shall constitute a Non-Qualified Stock Option.

(b) *Stock Options Granted to Non-Employee Directors.*

(i) *Automatic Grant of Options.*

(A) Upon becoming a member of the Board, each Non-Employee Director who is not then a consultant to the Parent or its Subsidiaries shall be granted on such day a Non-Qualified Stock Option to acquire 35,000 shares of Stock, which shall vest ratably over the three calendar years following the date of grant, plus an additional Stock Option to acquire a number of shares of Stock equal to the product of 25,000 multiplied by a fraction, the numerator of which equals the number of months remaining until the next annual meeting of stockholders of the Parent and the denominator of which equals 12, which shall vest on the first anniversary of the date of grant.

(B) Each Non-Employee Director who is serving as Director of the Parent on each annual meeting of stockholders, beginning with the 2012 annual meeting, shall automatically be granted on such day a Non-Qualified Stock Option to acquire 25,000 shares of Stock, which shall vest on the first anniversary of the date of grant; provided, however, that no grant shall be made to an individual who ceases to be a member of the Board on such day.

(C) The exercise price per share for the Stock covered by a Stock Option granted under this Section 5(b) shall be equal to the Fair Market Value of the Stock on the date the Stock Option is granted.

(D) The Administrator, in its discretion, may grant additional Non-Qualified Stock Options to Non-Employee Directors. Any such grant may vary among individual Non-Employee Directors.

(ii) *Exercise; Termination.*

(A) Unless otherwise determined by the Administrator, an Option granted under this Section 5(b) shall become vested and exercisable in accordance with the vesting provisions set forth in this Section 5(b). An Option issued under this Section 5(b) shall not be exercisable after the expiration of ten years from the date of grant.

(B) Options granted under this Section 5(b) may be exercised only by notice to the Parent (or the Parent's delegate) specifying the number of shares to be purchased. Payment of the full purchase price of the shares to be purchased may be made by one or more of the methods specified in Section 5(a)(iv). An optionee shall have the rights of a stockholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

(C) Unless otherwise determined by the Administrator on or after the date of grant, if a Non-Employee Director's relationship with the Parent and its Subsidiaries terminates for any reason, the portion of each Stock Option held by the Non-Employee Director that is not then exercisable shall be immediately forfeited. Unless otherwise determined by the Administrator on or after the date of grant, the Non-Employee Director may exercise the exercisable portion of his Stock Options only to the extent set forth in his Stock Option Award Certificates.

(iii) *Shares Available for Grant.* Grants of Stock Options contemplated by this Section 5(b) shall consist of shares of Stock reserved and available for issuance pursuant to the Alkermes plc Amended and Restated 2008 Stock Option and Incentive Plan, and if there are no such shares of Stock remaining, then such grants shall consist of shares of Stock reserved and available for issuance pursuant to the Plan.

SECTION 6. *RESTRICTED STOCK AWARDS*

(a) *Nature of Restricted Stock Awards.* The Administrator shall determine the restrictions and conditions applicable to each Restricted Stock Award at the time of grant. Conditions may be based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives. The terms and conditions of each Restricted Stock Award Certificate shall be determined by the Administrator, and such terms and conditions may differ among individual Awards and grantees.

(b) *Rights as a Stockholder.* Upon the grant of a Restricted Stock Award and payment of any applicable purchase price, a grantee shall have the rights of a stockholder with respect to the voting of the Restricted Stock, subject to such conditions contained in the Restricted Stock Award Certificate. Unless the Administrator shall otherwise determine, (i) uncertificated Restricted Stock shall be accompanied by a notation on the records of the Parent or the transfer agent to the effect that they are subject to forfeiture until such Restricted Stock are vested as provided in Section 6(d) below, and (ii) certificated Restricted Stock shall remain in the possession of the Company until such Restricted Stock is vested as provided in Section 6(d) below, and the grantee shall be required, as a condition of the grant, to deliver to the Company such instruments of transfer as the Administrator may prescribe.

(c) *Restrictions.* Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein or in the Restricted Stock Award Certificate. If a grantee's employment (or other service relationship) with the Parent and its Subsidiaries terminates for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent), any Restricted Stock that has not vested at the time of termination shall automatically, without any requirement of notice to such grantee from, or other action by or on behalf of, the Parent or its Subsidiaries, be deemed to have been reacquired by the Parent at its original purchase price (if any) from such grantee or such grantee's legal representative simultaneously with such termination of employment (or other service relationship), and thereafter shall cease to represent any ownership of the Parent by the grantee or rights of the grantee as a stockholder. Following such deemed reacquisition of unvested Restricted Stock that are represented by physical certificates, a grantee shall surrender such certificates to the Parent upon request without consideration.

(d) *Vesting of Restricted Stock.* The Administrator at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Parent's right of repurchase or forfeiture shall lapse. Notwithstanding the foregoing, in the event that any such Restricted Stock granted to employees shall have a performance-based goal, the restriction period with respect to such shares shall not be less than one year, and in the event any such Restricted Stock granted to employees shall have a time-based restriction, the total restriction period with respect to such shares shall not be less than three years; provided, however, that Restricted Stock with a time-based restriction may become vested incrementally over such three-year period. The Administrator may waive the foregoing restriction in the case of a grantee's death, disability or retirement or upon a Sale Event. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed "vested." Except as may otherwise be provided by the Administrator pursuant to the authority reserved in this Section 6, a grantee's rights in any shares of Restricted Stock that have not vested shall automatically terminate upon the grantee's termination of employment (or other service relationship) with the Parent and its Subsidiaries for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent) and such shares shall be subject to the provisions of Section 6(c) above.

SECTION 7. *RESTRICTED STOCK UNIT AWARDS*

(a) *Nature of Restricted Stock Unit Awards.* The Administrator shall determine the restrictions and conditions applicable to each Restricted Stock Unit Award at the time of grant. Conditions may be

Edgar Filing: Alkermes plc. - Form DEF 14A

based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives. The terms and conditions of each Restricted Stock Unit Award Certificate shall be determined by the Administrator, and such terms and conditions may differ among individual Awards and grantees. Notwithstanding the foregoing, in the event that any such Restricted Stock Unit Award granted to employees shall have a performance-based goal, the restriction period with respect to such Award shall not be less than one year, and in the event any such Restricted Stock Unit Award granted to employees shall have a time-based restriction, the total restriction period with respect to such Award shall not be less than three years; provided, however, that any Restricted Stock Unit Award with a time-based restriction may become vested incrementally over such three-year period. The Administrator may waive the foregoing restriction in the case of a grantee's death, disability or retirement or upon a Sale Event. At the end of the restriction period, the Restricted Stock Unit Award, to the extent vested, shall be settled in the form of shares of Stock. To the extent that a Restricted Stock Unit Award is subject to Section 409A, it may contain such additional terms and conditions as the Administrator shall determine in its sole discretion in order for such Award to comply with the requirements of Section 409A.

(b) *Election to Receive Restricted Stock Unit Awards in Lieu of Compensation.* The Administrator may, in its sole discretion, permit a grantee to elect to receive a portion of future cash compensation otherwise due to such grantee in the form of a Restricted Stock Unit Award. Any such election shall be made in writing and shall be delivered to the Company no later than the date specified by the Administrator and in accordance with Section 409A and such other rules and procedures established by the Administrator. Any such future cash compensation that the grantee elects to defer shall be converted to a fixed number of phantom stock units (which may be fully vested) based on the Fair Market Value of Stock on the date the compensation would otherwise have been paid to the grantee if such payment had not been deferred as provided herein. The Administrator shall have the sole right to determine whether and under what circumstances to permit such elections and to impose such limitations and other terms and conditions thereon as the Administrator deems appropriate.

(c) *Rights as a Stockholder.* A grantee shall have the rights as a stockholder only as to shares of Stock acquired by the grantee upon settlement of a Restricted Stock Unit Award; provided, however, that the grantee may be credited with dividend equivalent rights with respect to the phantom stock units underlying his Restricted Stock Unit Award, subject to such terms and conditions as the Administrator may determine.

(d) *Termination.* Except as may otherwise be provided by the Administrator pursuant to the authority reserved in Section 7(a), a grantee's right in all Restricted Stock Unit Awards that have not vested shall automatically terminate upon the grantee's termination of employment (or cessation of service relationship) with the Parent and its Subsidiaries for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent).

SECTION 8. CASH-BASED AWARDS

Grant of Cash-Based Awards. The Administrator may, in its sole discretion, grant Cash-Based Awards to any grantee in such number or amount and upon such terms, and subject to such conditions, as the Administrator shall determine at the time of grant. The Administrator shall determine the maximum duration of the Cash-Based Award, the amount of cash to which the Cash-Based Award pertains, the conditions upon which the Cash-Based Award shall become vested or payable, and such other provisions as the Administrator shall determine. Each Cash-Based Award shall specify a cash-denominated payment amount, formula or payment ranges as determined by the Administrator. Payment, if any, with respect to a Cash-Based Award shall be made in accordance with the terms of the Award and may be made in cash or in shares of Stock, as the Administrator determines. Except as may otherwise be provided by the Administrator pursuant to the authority reserved in this Section 8, a grantee's right in all Cash-Based Awards that have not vested shall automatically terminate upon the

Edgar Filing: Alkermes plc. - Form DEF 14A

grantee's termination of employment (or cessation of service relationship) with the Parent and its Subsidiaries for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent).

SECTION 9. *PERFORMANCE SHARE AWARDS*

(a) *Nature of Performance Share Awards.* The Administrator may, in its sole discretion, grant Performance Share Awards independent of, or in connection with, the granting of any other Award under the Plan. The Administrator shall determine whether and to whom Performance Share Awards shall be granted, the Performance Goals, the Performance Cycles, and such other limitations and conditions as the Administrator shall determine.

(b) *Rights as a Stockholder.* A grantee receiving a Performance Share Award shall have the rights of a stockholder only as to shares actually received by the grantee under the Plan and not with respect to shares subject to the Award but not actually received by the grantee. A grantee shall be entitled to receive shares of Stock under a Performance Share Award only upon satisfaction of all conditions specified in the Performance Share Award Certificate (or in a performance plan adopted by the Administrator).

(c) *Termination.* Except as may otherwise be provided by the Administrator either in the Award Certificate or, subject to Section 15 below, in writing after the Award Certificate is issued, a grantee's rights in all Performance Share Awards shall automatically terminate upon the grantee's termination of employment (or cessation of service relationship) with the Parent and its Subsidiaries for any reason (including if a Subsidiary ceases to be a Subsidiary of the Parent).

SECTION 10. *PERFORMANCE-BASED AWARDS TO COVERED EMPLOYEES*

(a) *Performance-Based Awards.* Any Covered Employee who is selected by the Administrator may be granted one or more Performance-Based Awards payable upon the attainment of Performance Goals that are established by the Administrator and relate to one or more of the Performance Criteria, in each case on a specified date or dates or over any period or periods determined by the Administrator. The Administrator shall define in an objective fashion the manner of calculating the Performance Criteria it selects to use for any Performance Cycle. Depending on the Performance Criteria used to establish such Performance Goals, the Performance Goals may be expressed in terms of overall performance of the Parent or the performance of a Subsidiary, division, business unit, or an individual. The Administrator, in its discretion, may adjust or modify the calculation of Performance Goals for such Performance Cycle in order to prevent the dilution or enlargement of the rights of an individual (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development, (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Parent or its Subsidiaries, or the financial statements of the Parent or its Subsidiaries, or (iii) in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions provided however, that the Administrator may not exercise such discretion in a manner that would increase the Performance-Based Award granted to a Covered Employee. Each Performance-Based Award shall comply with the provisions set forth below.

(b) *Grant of Performance-Based Awards.* With respect to each Performance-Based Award granted to a Covered Employee, the Administrator shall select, within the first 90 days of a Performance Cycle (or, if shorter, within the maximum period allowed under Section 162(m) of the Code) the Performance Criteria for such grant, and the Performance Goals with respect to each Performance Criterion (including a threshold level of performance below which no amount will become payable with respect to such Award). Each Performance-Based Award will specify the amount payable, or the formula for determining the amount payable, upon achievement of the various applicable performance targets. The Performance Criteria established by the Administrator may be (but need not be) different for each Performance Cycle and different Performance Goals may be applicable to Performance-Based Awards to different Covered Employees.

Edgar Filing: Alkermes plc. - Form DEF 14A

(c) *Payment of Performance-Based Awards.* Following the completion of a Performance Cycle, the Administrator shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Cycle have been achieved and, if so, to also calculate and certify in writing the amount of the Performance-Based Awards earned for the Performance Cycle. The Administrator shall then determine the actual size of each Covered Employee's Performance-Based Award, and, in doing so, may reduce or eliminate the amount of the Performance-Based Award for a Covered Employee if, in its sole judgment, such reduction or elimination is appropriate.

(d) *Maximum Award Payable.* The maximum Performance-Based Award payable to any one Covered Employee under the Plan for any twelve month period constituting all or part of a Performance Cycle is 4,000,000 Shares (subject to adjustment as provided in Section 3(b) hereof) or \$25 million in the case of a Performance-Based Award that is a Cash-Based Award.

SECTION 11. TRANSFERABILITY OF AWARDS

(a) *Transferability.* Except as provided in Section 11(b) below, during a grantee's lifetime, his or her Awards shall be exercisable only by the grantee, or by the grantee's legal representative or guardian in the event of the grantee's incapacity. No Awards shall be sold, assigned, transferred or otherwise encumbered or disposed of by a grantee other than by will or by the laws of descent and distribution or pursuant to a domestic relations order. No Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind, and any purported transfer in violation hereof shall be null and void.

(b) *Administrator Action.* Notwithstanding Section 11(a), the Administrator, in its discretion, may provide either in the Award Certificate regarding a given Award or by subsequent written approval that the grantee (who is an employee or director) may transfer his or her Non-Qualified Stock Options to his or her immediate family members, to trusts for the benefit of such family members, or to partnerships in which such family members are the only partners, provided that the transferee agrees in writing with the Parent to be bound by all of the terms and conditions of the Plan and the applicable Award.

(c) *Family Member.* For purposes of Section 11(b), "family member" shall mean a grantee's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the grantee's household (other than a tenant of the grantee), a trust in which these persons (or the grantee) have more than 50 percent of the beneficial interest, a foundation in which these persons (or the grantee) control the management of assets, and any other entity in which these persons (or the grantee) own more than 50 percent of the voting interests.

(d) *Designation of Beneficiary.* Each grantee to whom an Award has been made under the Plan may designate a beneficiary or beneficiaries to exercise any Award or receive any payment under any Award payable on or after the grantee's death. Any such designation shall be on a form provided for that purpose by the Administrator and shall not be effective until received by the Administrator. If no beneficiary has been designated by a deceased grantee, or if the designated beneficiaries have predeceased the grantee, the beneficiary shall be the grantee's estate.

SECTION 12. TAX WITHHOLDING

(a) *Payment by Grantee.* Each grantee shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the grantee for Federal income tax purposes, pay to the Parent or its Subsidiaries, or make arrangements satisfactory to the Administrator regarding payment of, any Federal, state, or local taxes of any kind required by law to be withheld by the Parent or its Subsidiaries with respect to such income. The Parent and its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the grantee. The Parent's obligation to

Edgar Filing: Alkermes plc. - Form DEF 14A

deliver evidence of book entry (or stock certificates) to any grantee is subject to and conditioned on tax withholding obligations being satisfied by the grantee.

(b) *Payment in Stock.* In connection with its obligations to withhold Federal, state, city or other taxes from amounts paid to grantees, the Parent or its Subsidiaries may make any arrangements that are consistent with the Plan as it may deem appropriate. Without limitation of the preceding sentence, the Parent shall have the right to reduce the number of shares of Stock otherwise required to be issued to a grantee (or other recipient) in an amount that would have a Fair Market Value on the date of such issuance equal to all Federal, state, city or other taxes as shall be required to be withheld by the Parent or its Subsidiaries pursuant to any statute or other governmental regulation or ruling and paid to any Federal, state, city or other taxing authority.

SECTION 13. *SECTION 409A AWARDS.*

To the extent that any Award is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A (a "409A Award"), the Award shall be subject to such additional rules and requirements as specified by the Administrator from time to time in order to comply with Section 409A. In this regard, if any amount under a 409A Award is payable upon a "separation from service" (within the meaning of Section 409A) to a grantee who is then considered a "specified employee" (within the meaning of Section 409A), then no such payment shall be made prior to the date that is the earlier of (i) six months and one day after the grantee's separation from service, or (ii) the grantee's death, but only to the extent such delay is necessary to prevent such payment from being subject to interest, penalties and/or additional tax imposed pursuant to Section 409A. Further, the settlement of any such Award may not be accelerated except to the extent permitted by Section 409A.

SECTION 14. *TRANSFER, LEAVE OF ABSENCE, ETC.*

For purposes of the Plan, the following events shall not be deemed a termination of employment:

- (a) a transfer to the employment of the Parent from a Subsidiary or from the Parent to a Subsidiary, or from one Subsidiary to another;
- (b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Parent or its Subsidiaries, as the case may be, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing; or
- (c) the transfer in status from one eligibility category under Section 4 hereof to another category.

SECTION 15. *AMENDMENTS AND TERMINATION*

The Board may, at any time, amend or discontinue the Plan and the Administrator may, at any time, amend or cancel any outstanding Award for the purpose of satisfying changes in law or for any other lawful purpose, but no such action shall adversely affect rights under any outstanding Award without the holder's consent. Except as provided in Section 3(c) or 3(d), without prior stockholder approval, in no event may the Administrator exercise its discretion to reduce the exercise price of outstanding Stock Options or effect repricing through cancellation and re-grants. To the extent required under the rules of any securities exchange or market system on which the Stock is listed, to the extent determined by the Administrator to be required by the Code to ensure that Incentive Stock Options granted under the Plan are qualified under Section 422 of the Code, or to ensure that compensation earned under Awards qualifies as performance-based compensation under Section 162(m) of the Code, Plan amendments shall be subject to approval by the stockholders of the Parent entitled to vote at a meeting of stockholders. Nothing in this Section 15 shall limit the Administrator's authority to take any action permitted pursuant to Section 3(d).

SECTION 16. *STATUS OF PLAN*

With respect to the portion of any Award that has not been exercised and any payments in cash, Stock or other consideration not received by a grantee, a grantee shall have no rights greater than those of a general creditor of the Parent unless the Administrator shall otherwise expressly determine in connection with any Award or Awards. In its sole discretion, the Administrator may authorize the creation of trusts or other arrangements to meet the Parent's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the foregoing sentence.

SECTION 17. *GENERAL PROVISIONS*

(a) *No Distribution.* The Administrator may require each person acquiring Stock pursuant to an Award to represent to and agree with the Parent in writing that such person is acquiring the shares without a view to distribution thereof.

(b) *Delivery of Stock Certificates.* Stock certificates to grantees under the Plan shall be deemed delivered for all purposes when the Parent or a stock transfer agent of the Parent shall have mailed such certificates in the United States mail, addressed to the grantee, at the grantee's last known address on file with the Parent. Uncertificated Stock shall be deemed delivered for all purposes when the Parent or a Stock transfer agent of the Parent shall have given to the grantee by electronic mail (with proof of receipt) or by United States mail, addressed to the grantee, at the grantee's last known address on file with the Parent or any Subsidiary, notice of issuance and recorded the issuance in its records (which may include electronic "book entry" records). Notwithstanding anything herein to the contrary, the Parent shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Administrator has determined, with advice of counsel (to the extent the Administrator deems such advice necessary or advisable), that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed, quoted or traded. All Stock certificates delivered pursuant to the Plan shall be subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with federal, state or foreign jurisdiction, securities or other laws, rules and quotation system on which the Stock is listed, quoted or traded. The Administrator may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Administrator may require that an individual make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems necessary or advisable in order to comply with any such laws, regulations, or requirements. The Administrator shall have the right to require any individual to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Administrator.

(c) *Stockholder Rights.* Until Stock is deemed delivered in accordance with Section 17(b), no right to vote or receive dividends or any other rights of a stockholder will exist with respect to shares of Stock to be issued in connection with an Award, notwithstanding the exercise of a Stock Option or any other action by the grantee with respect to an Award.

(d) *Other Compensation Arrangements; No Employment Rights.* Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation plans or arrangements, including trusts, and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the Plan and the grant of Awards do not confer upon any employee any right to continued employment with the Parent or any Subsidiary.

(e) *Trading Policy Restrictions.* Option exercises and other Awards under the Plan shall be subject to the Parent's insider trading policies and procedures, as in effect from time to time.

Edgar Filing: Alkermes plc. - Form DEF 14A

(f) *Forfeiture of Awards under Sarbanes-Oxley Act.* If the Parent is required to prepare an accounting restatement due to the material noncompliance of the Parent, as a result of misconduct, with any financial reporting requirement under the securities laws, then any grantee who is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 shall reimburse the Parent for the amount of any Award received by such individual under the Plan during the 12-month period following the first public issuance or filing with the United States Securities and Exchange Commission, as the case may be, of the financial document embodying such financial reporting requirement.

(g) *Section 60 of Irish Companies Act 1963.* The Parent and any Subsidiary incorporated in Ireland may do all such things as are contemplated by the Plan except to the extent that they are prohibited by Section 60 of the Irish Companies Act 1963. Nothing in this Section 17(g) shall prohibit anything which may be done as contemplated by the Plan by a Subsidiary which is incorporated outside of Ireland.

SECTION 18. *EFFECTIVE DATE OF PLAN*

The Plan shall become effective upon approval by the holders of a majority of the votes cast at a meeting of stockholders at which a quorum is present. No grants of Stock Options and other Awards may be made hereunder after the tenth anniversary of the Effective Date and no grants of Incentive Stock Options may be made hereunder after the tenth anniversary of the date the Plan is approved by the Board.

SECTION 19. *GOVERNING LAW*

This Plan and all Awards and actions taken thereunder shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts, applied without regard to conflict of law principles.

SECTION 20. *DISPUTE RESOLUTION*

All disputes and differences arising out of the Plan or otherwise in connection therewith may be referred by the Parent to arbitration pursuant to the procedures set forth in the applicable grant agreement of any grantee so affected.
