Dear Stockholder:

You are cordially invited to attend the 2014 Annual Meeting of Stockholders (the "Annual Meeting") of Ares Commercial Real Estate Corporation (the "Company") to be held on June 26, 2014 at 11:00 a.m., Eastern Daylight Time, at the offices of Proskauer Rose LLP, Eleven Times Square, New York, New York 10036.

At the Annual Meeting, you will be asked to (i) elect three directors of the Company and (ii) ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm, each as more fully described in the accompanying proxy statement.

Your vote is important regardless of the number of shares you own.

This year, we will be using the "Notice and Access" method of providing proxy materials to stockholders. We believe that this process will provide a convenient and quick way to access the proxy materials, including the Company's proxy statement and 2013 annual report to stockholders, and authorize a proxy to vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials.

On or about May 8, 2014, the Company will mail to stockholders a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice and Access card, containing instructions on how to access the proxy statement and 2013 annual report to stockholders and authorize a proxy to vote electronically via the Internet or by telephone. The Notice and Access card also contains instructions as to how stockholders can receive a paper copy of the proxy materials and authorize a proxy to vote by mail.

If you hold shares of the Company's common stock in "street name" through a broker, bank or other institution or nominee, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

We urge you to submit your proxy voting instructions to the Company as soon as possible even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person but will assure that your vote is counted if you are unable to attend the Annual Meeting.

On behalf of your board of directors, thank you for your continued interest and support.

Sincerely,

/s/ JOHN B. BARTLING, JR.

Only the holders of record of shares of common stock of the Company at the close of business on the record date, April 28, 2014, will be entitled to receive notice of and vote at the Annual Meeting or any adjournment or postponement thereof.

Your vote is important regardless of the number of shares you own. Accordingly, we urge you to promptly submit your proxy voting instructions even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person but will assure that your vote is counted if you are unable to attend the Annual Meeting.

You have the option to revoke your proxy at any time prior to the Annual Meeting, or to vote your shares personally on request if you attend the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the meeting may be adjourned in order to permit further solicitation of proxies by the Company.

If you hold shares of the Company's common stock in "street name" through a broker, bank or other institution or nominee, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

PROXY STATEMENT FOR 2014 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is being furnished to stockholders in connection with the solicitation of proxies by the board of directors (the "Board") of Ares Commercial Real Estate Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the 2014 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 26, 2014 at 11:00 a.m., Eastern Daylight Time, at the offices of Proskauer Rose LLP, Eleven Times Square, New York, New York 10036 or at any adjournment or postponement thereof. This proxy statement, the notice of annual meeting of stockholders and the related proxy card are first being made available to our stockholders on or about April 30, 2014.

This proxy statement is accompanied by our 2013 Annual Report which includes audited financial statements for the year ended December 31, 2013 audited by Ernst & Young LLP, our independent registered public accounting firm, and their report thereon, dated March 17, 2014.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly authorize your proxy and we receive it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specify. **If you return an executed proxy, but no specification is made, the votes entitled to be cast by you will be cast FOR the election of the three directors listed in the accompanying proxy statement to serve until our 2017 annual meeting of stockholders, and until their successors are duly elected and qualify and FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014. As to any other business which may properly come before the Annual Meeting or any postponements or adjournments thereof, the persons named as proxy holders on your proxy card will vote the shares of common stock represented by properly submitted proxies in their discretion.**

Any stockholder "of record" (i.e., stockholders holding shares directly in their name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later-dated properly executed proxy, by giving notice of revocation to us in writing before or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence of the stockholder at the Annual Meeting does not revoke the proxy. If you hold shares of our common stock in "street name" through a broker, bank or other institution or nominee, you may vote such shares at the Annual Meeting only if you obtain proper written authority from your broker, bank or other institution or nominee and present it at the Annual Meeting. If your shares are held for your account by a broker, bank or other institution or nominee, to revoke any voting instructions prior to the time the vote is taken at the Annual Meeting, you must contact such broker, bank or other institution or nominee to determine how to revoke your vote in accordance with their policies a sufficient time in advance of the Annual Meeting.

Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

The Board is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters. Stockholders have no dissenters' or appraisal rights in connection with any of the proposals described herein.

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 28, 2014. As of the close of business on April 28, 2014, there were 28,589,634 shares of our common stock outstanding. Each share of common stock has one vote. The presence, in person or by proxy, of the holders of shares of common stock entitled to cast a majority of the votes entitled to be cast shall constitute a quorum for the purposes of the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting in order to permit further solicitation of proxies. Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e. a broker) does not vote on a particular proposal because such nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange ("NYSE"), the only item to be acted upon at the Annual Meeting with respect to which a broker or nominee will be permitted to exercise voting discretion is the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014. Therefore, if you hold your shares in "street name" and do not give the broker or nominee specific voting instructions on the election of the three directors, your shares will not be voted on those items, and a broker non-vote will occur. Broker non-votes will have no effect on the voting results for such items.

The affirmative vote of a plurality of the votes cast at a meeting at which a quorum is present is required under our Amended and Restated Bylaws (the "Bylaws") to approve Proposal 1 (the election of three directors to serve until our 2017 annual meeting of stockholders and until their successors are duly elected and qualify). This means that the nominees with the most votes are elected. Votes "withheld" from one or more nominees therefore will have no effect on the outcome of the vote with respect to the election of directors. For purposes of the vote on Proposal 1, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

The affirmative vote of at least a majority of all of the votes cast at a meeting at which a quorum is present is required for approval of Proposal 2 (to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm). For purposes of the vote on Proposal 2, abstentions will not be counted as votes cast and will have no effect on the result of the vote.

We will bear the cost of solicitation of proxies in relation to this proxy statement. Proxies will be solicited by mail, by telephone, by electronic mail or by facsimile, telegram or other electronic means or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees and fiduciaries, each of whom we will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of Ares Commercial Real Estate Management LLC, our external manager (our "Manager"), without special compensation therefor, may solicit proxies personally, by telephone, by electronic mail or by facsimile, telegram or other electronic means from stockholders.

The Board recommends that you vote FOR the election of the three directors listed in this proxy statement to serve until our 2017 annual meeting of stockholders, and until their successors are duly elected and qualify and FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014.

PROPOSAL 1: ELECTION OF DIRECTORS

Under our charter (as amended, the "Charter") and the Bylaws (together with the Charter, the "Charter Documents"), our directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualifies, or until the director's earlier resignation, death or removal.

The terms of Caroline E. Blakely, John Hope Bryant, Paul G. Joubert and Robert L. Rosen, the Class II directors, will expire at the Annual Meeting, and the nominating and governance committee has recommended, and the Board has nominated, Ms. Blakely and Messrs. Bryant and Rosen to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2017 and until their successors are duly elected and qualify. Ms. Blakely and Messrs. Bryant and Rosen have agreed to serve as directors if elected and have consented to be named as nominees. The Charter Documents provide that directors shall be elected by the affirmative vote of a plurality of the votes cast at the Annual Meeting. This means that Ms. Blakely and Messrs. Bryant and Rosen must receive the most votes to be elected as our directors for the term for which they have been nominated. On April 29, 2014, Mr. Joubert, one of our Class II directors, notified us that he would not stand for reelection as a director of the Company when his current term expires at the Annual Meeting, given his appointment to the board of directors of Ares Management, L.P. Mr. Joubert has served on the Board since our initial public offering in 2012 (our "IPO"). In connection therewith, Mr. Joubert determined it was prudent to step down from the audit committee of the Board immediately but will serve the remainder of his term as a director until the Annual Meeting in order to assure a smooth transition.

A stockholder can vote for or withhold his or her vote from such nominee. However, because directors are elected by a plurality vote, votes withheld from one or more directors will have no effect on the outcome of the vote with respect to the election of directors. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy **FOR** the election of the three directors named herein. If any nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated as a replacement by the nominating and governance committee and by the Board. The Board has no reason to believe that any nominee will be unable or unwilling to serve.

Information about the Directors

The information set forth below was furnished to us by each director, and sets forth as of April 30, 2014, the name, age, principal occupation or employment of each such person, all positions and offices such person has held with us, and the period during which he or she has served as our director or executive officer. Ms. Blakely and Messrs. Bryant and Rosen have not been proposed for election nor has any director been selected as a director pursuant to any agreement or understanding with us or any other person.

Currently, the Board is comprised of eleven members, which are divided into three classes serving staggered terms. On February 19, 2014, Jeffrey T. Hinson, one of our Class I directors, notified us that he intends to step down as a director at the Annual Meeting due to demands on his time from other professional commitments. Mr. Hinson has served on the Board since our IPO and currently serves as a member of the Board's audit committee and as chairman of the Board's nominating and governance committee. As noted above, Mr. Joubert has also notified us that he would not stand for reelection as a director when his current term expires at the Annual Meeting. As a result, following the Annual Meeting, we expect the Board to decrease the size of the Board from 11 to nine members.

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

Each director generally serves until the annual meeting of stockholders held in the third year following the year of his or her election and until a successor is duly elected and qualified. The Bylaws provide that a majority of the entire Board may at any time increase or decrease the number of directors. However, unless the Bylaws are amended, the number of directors may never be less than the minimum required by the Maryland General Corporation Law (the "MGCL"), or more than 15.

We divide our directors into two groups interested directors and independent directors. Independent directors are directors that the Board has affirmatively determined satisfy the requirements of Rule 303A.02 of the NYSE Listed Company Manual. Directors for which no such determination has been made are considered interested directors.

Each of the directors also has sufficient time available to devote to our affairs, is able to work with the other members of the Board and contribute to our success and can represent the long-term interests of our stockholders as a whole. The directors have been selected such that the Board represents a range of backgrounds and experience. There is no familial relationship among any of the members of the Board or executive officers.

Set forth below is biographical information for the directors as of April 30, 2014. The biographical information of each director includes a discussion of such director's particular experience, qualifications, attributes or skills, as of the date of this proxy statement, that lead us to conclude that such individual should serve as a director, in light of our business and structure.

Prior to founding CW Financial Services, Mr. Schuster was employed by Salomon Brothers and Bankers Trust in their respective Commercial Mortgage Finance units. The Board recommends that you vote FOR the election of Caroline E. Blakely, John Hope Bryant and Robert L. Rosen as directors of our Company for the term for which they have been nominated.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee and the Board have selected Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014 and are submitting the selection of Ernst & Young LLP to our stockholders for ratification. Ernst & Young LLP has audited our financial statements since the period from September 2011 (inception) to December 31, 2011 and has also provided us certain tax services. Neither our Charter Documents nor applicable law require stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. However, the Board is submitting the appointment of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

If our stockholders fail to ratify the selection of Ernst & Young LLP, the audit committee and the Board will consider whether or not to direct the appointment of a different independent registered public accounting firm. Even if the selection is ratified, the audit committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in our best interests.

We expect that a representative of Ernst & Young LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

The following are aggregate fees billed to us by Ernst & Young LLP during the fiscal year ended December 31, 2013 and during the fiscal year ended December 31, 2012:

Tax Fees	285,000	151,000
All Other Fees

Audit fees consist of fees billed for professional services rendered for the audit of our consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Ernst & Young LLP in connection with statutory and regulatory filings, our registration statements and securities offerings.

Audit Related Fees

Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." For the year ended December 31, 2013, audit-related fees are primarily related to due diligence services in connection with our acquisition of ACRE Capital LLC.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and tax compliance, customs and duties, mergers and acquisitions and tax planning.

All Other Fees

All other fees consist of fees for products and services other than the services reported above.

The audit committee, or the chairperson of the audit committee to whom such authority was delegated by the audit committee, must pre-approve all services provided by the independent registered public accounting firm. Any such pre-approval by the chairperson must be presented to the audit committee at its next regular quarterly meeting. The audit committee has also adopted policies and procedures for pre-approving certain non-prohibited work performed by our independent registered public accounting firm. Specifically, the committee has pre-approved the use of Ernst & Young LLP for specific types of services within the following categories: audit, audit-related, tax and other. In each case, the committee has also set a specific annual limit, which can be updated, on the amount of such services which we may obtain from our independent registered public accounting firm. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The affirmative vote of at least a majority of the votes cast at the Annual Meeting is required for the approval of this proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy **FOR** this proposal.

The Board, based on the approval and recommendation of the audit committee, recommends a vote FOR this proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act of 1934, as amended (the "Exchange Act") that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission (the "SEC"), nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The role of the audit committee (the "Audit Committee") of the board of directors (the "Board") of Ares Commercial Real Estate Corporation (the "Company") is to assist the Board in its oversight of: (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the qualifications and independence of any independent registered public accounting firm engaged by the Company; and (4) the performance of the Company's internal audit function and any independent registered public accounting firm. However, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate, fairly present the information shown or are in accordance with generally accepted accounting principles ("GAAP") and applicable rules and regulations. Nor is it the duty of the Audit Committee to conduct investigations or to assure compliance with any law, regulation or rule of the New York Stock Exchange ("NYSE"), or the Company's Corporate Governance Guidelines or Code of Business Conduct and Ethics. These are the responsibilities of management and the independent registered public accounting firm. Instead, the Audit Committee shall oversee the Company's accounting and financial reporting processes and the audits of the Company's financial statements.

The independent accountants are responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with GAAP.

The directors that served on the Audit Committee during the fiscal year ended December 31, 2013 (the "2013 Audit Committee") have reviewed and discussed the Company's audited financial statements with management and with Ernst & Young LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2013. The 2013 Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as currently in effect (which superseded Statement on Auditing Standards No. 61), as adopted by the Public Company Accounting Oversight Board for audits of fiscal years beginning on or after December 15, 2012. The 2013 Audit Committee has received from Ernst & Young LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent accountant's communications with the 2013 Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence.

The Board has determined that each member of the 2013 Audit Committee is independent for purposes of the NYSE Listed Company Manual. The Board has also determined that each member of the 2013 Audit Committee has the accounting or related financial management expertise required by the NYSE Listed Company Manual, and is an "audit committee financial expert" within the meaning of the rules and regulations of the Securities and Exchange Commission (the "SEC").

Based on the review and discussions referred to above, the 2013 Audit Committee has recommended to the Board that the audited consolidated financial statements for the fiscal year ended December 31, 2013 be included in the Company's Annual Report on Form 10-K for such year for filing

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

with the SEC. In addition, the 2013 Audit Committee has approved, and recommended to the Board that it approve, Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014 and that the selection of Ernst & Young LLP be submitted to the Company's stockholders for ratification.

The 2013 Audit Committee

Mr. Joubert was a member of the Audit Committee during the fiscal year ended December 31, 2013 but, effective April 29, 2014, was no longer a member of the Audit Committee. Ms. Blakely and Mr. Browning joined the Audit Committee after December 31, 2013, and as a result do not sign the report.

CORPORATE GOVERNANCE BOARD OF DIRECTORS AND COMMITTEES

Board Leadership Structure

Our business is managed by our Manager, subject to the supervision and oversight of the Board. A majority of the Board is "independent," as determined by the requirements of the NYSE corporate governance listing requirements and the rules and regulations of the SEC. Our Board has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day-to-day operations. Our directors keep informed about our business by attending meetings of the Board and its committees and through supplemental reports and communications with our Manager and our executive officers. Our non-management directors meet regularly in an executive session without the presence of our officers or management directors to review, among other matters, the performance of our Chief Executive Officer and senior management. In addition, our non-management directors will meet in executive session at other times at the request of any non-management director. Our independent directors also meet in executive session at least once a year. In accordance with the Bylaws and the Corporate Governance Guidelines, the chairman of the nominating and governance committee currently presides at meetings of the independent directors or non-management directors.

The Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of certain of our service providers. Among other things, the Board approves the appointment of our officers and either directly or by delegation to the audit committee reviews and monitors the services and activities performed by our Manager and our officers.

Under the Bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the chairman of the Board should be an independent director and we believe that our flexibility to select our chairman and reorganize our leadership structure from time to time is in the best interests of our Company and our stockholders.

Presently, Mr. Bartling serves as the Chairman of the Board. Mr. Bartling is an interested director because he is on the Investment Committee of our Manager and he is the Global Co-Head of Real Estate for Ares Management, the managing member of our Manager. Mr. Bartling also served as our Chief Executive Officer from September 2011 through June 2013 and Co-Chief Executive Officer from June 2013 through March 2014. We believe that Mr. Bartling's history with our Company, familiarity with the Ares investment platform and depth of experience in real estate investing and in investment management qualifies him to serve as the chairman of the Board. Moreover, we believe that we are best served through our existing leadership structure with Mr. Bartling as chairman of the Board, as Mr. Bartling's relationship with our Manager provides an effective bridge between the Board and our Manager, thus ensuring an open dialogue between the Board and our Manager and that both groups act with a common purpose.

The Board has formed an audit committee and a nominating and governance committee and adopted charters for each of these committees, both of which are available on our website at www.arescre.com. The Board determined not to form a separate compensation committee because our executive officers are not expected to receive any direct compensation from us other than certain grants made to the Chief Financial Officer under our 2012 Equity Incentive Plan. The audit committee is responsible for administering our 2012 Equity Incentive Plan and overseeing the performance of our Manager and the management fees and other compensation payable to our Manager pursuant to the terms of the management agreement between us and our Manager dated April 25, 2012 (the "Management Agreement"). Each of the audit committee and the nominating and governance committee currently has four directors and is composed exclusively of independent directors, as defined

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

by the NYSE corporate governance listing requirements and the rules of the SEC. Following the Annual Meeting, we expect each of the audit and nominating and governance committees to be comprised of three directors in connection with Mr. Hinson's retirement from the Board.

We believe that each board of directors leadership structure must be evaluated on a case by case basis and that our existing Board leadership structure provides sufficient independent oversight over our Manager. In addition, we believe that the current governance structure, when combined with the functioning of the independent director component of the Board and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs. However, we continually re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet our needs.

Board Role in Risk Oversight

The Board performs its risk oversight function primarily through the audit committee, which reports to the entire Board and is comprised solely of independent directors. The audit committee, with input from our Manager and our General Counsel, discusses and reviews our guidelines with respect to risk assessment and risk management, including our major financial risk exposures and the steps management has taken to monitor and control such exposures. In addition, the audit committee's risk oversight responsibilities include overseeing (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the qualifications and independence of any independent registered public accounting firm engaged by us; and (4) the performance of our internal audit function and our independent registered public accounting firm.

In addition, the Board and the audit committee meet regularly with our Manager and considers the feedback our Manager provides concerning the risks related to our enterprise, business, operations and strategies. Our Manager regularly reports to the Board and the audit committee on our investment portfolio and the risks related thereto, asset impairments, leverage position, affiliate payments (including payments made and expenses reimbursed under the Management Agreement), compliance with applicable covenants under the agreements governing our indebtedness, compliance with our qualification as a real estate investment trust for U.S. federal income tax purposes, or "REIT," and compliance with our exemption from registration under the Investment Company Act of 1940, as amended. Members of the Board are routinely in contact with our Manager and our executive officers, as appropriate, in connection with their consideration of matters submitted for the approval of the Board or the audit committee and the risks associated with such matters. As described below in more detail under "Nominating and Governance Committee," the nominating and governance committee also assists the Board in fulfilling its risk oversight responsibilities.

We believe that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows our independent directors, through the two fully independent Board committees, executive sessions with the independent auditors, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

We believe that a board of directors' role in risk oversight must be evaluated on a case by case basis and that the Board's role in risk oversight is appropriate. However, we re-examine the manner in which the Board administers its oversight function on an ongoing basis to ensure that it continues to meet our needs.

Number of Meetings of the Board and Attendance in 2013

During 2013, the Board held 12 formal meetings, the audit committee held nine formal meetings, and the nominating and governance committee held five formal meetings. Each director then in office attended at least 75% of the meetings of the Board. With the exceptions of Mr. Schuster, a former member of the audit committee, and Mr. Bryant, a member of the nominating and governance

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

committee, each director then in office attended at least 75% of the meetings of the committees of the Board on which such director served. Mr. Schuster attended two of the three audit committee meetings during the period in 2013 when he was a member of the audit committee. We expect each director serving on the Board to regularly attend meetings of the Board and the committees on which such director serves, and to review, prior to meetings, materials distributed in advance for such meetings. A director who is unable to attend a meeting is expected to notify the chairman of the Board or the chairperson of the appropriate committee in advance of such meeting. We encourage, but do not require, the directors to attend our annual meetings of stockholders. Six directors attended our 2012 annual meeting of stockholders.

Audit Committee

The members of the audit committee are Ms. Blakely and Messrs. Browning, Hinson and White, each of whom is independent for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC. Mr. Browning currently serves as Chairperson of the audit committee.

The audit committee is responsible for engaging our independent accountants, reviewing with our independent accountants the plan and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. In addition, the audit committee is responsible for discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The audit committee is also responsible for administering our 2012 Equity Incentive Plan and overseeing the performance of our Manager and the management fees and other compensation payable to our Manager pursuant to the Management Agreement. The specific responsibilities of the audit committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

The Board has determined that each of Messrs. Browning, Hinson and White has the accounting or related financial management expertise required by the NYSE Listed Company Manual, and is an "audit committee financial expert" within the meaning of the rules and regulations of the SEC. In addition, the Board has determined that all of the members of the audit committee are financially literate as required by the NYSE Listed Company Manual.

Nominating and Governance Committee

The members of the nominating and governance committee are Ms. Blakely and Messrs. Bryant, Diamond and Hinson, each of whom is independent for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC. Mr. Hinson currently serves as Chairperson of the nominating and governance committee and upon his retirement from the Board at the Annual Meeting, Mr. Diamond is expected to serve as Chairperson of the nominating and governance committee.

The nominating and governance committee's responsibilities include identifying individuals qualified to become Board members (consistent with the criteria approved by the Board) and recommending for selection by the Board the director nominees to stand for election at the each annual meeting of our stockholders, recommending to the Board director nominees for each committee of the Board, overseeing the evaluation of the Board and its committees; developing and recommending to the Board a set of corporate governance guidelines and recommending to the Board such other matters of corporate governance as the nominating and governance committee deems appropriate. In addition, the nominating and governance committee reviews the independence of Board members and director nominees and monitors all other activities that could interfere with such

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

individuals' duties to us. The specific responsibilities of nominating and governance committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

In considering possible candidates for election as a director, the nominating and governance committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

are of high character and integrity;

are accomplished in their respective fields, with superior credentials and recognition;

have relevant expertise and experience upon which to be able to offer advice and guidance to management;

have sufficient time available to devote to our affairs;

are able to work with the other members of the Board and contribute to our success;

can represent the long-term interests of our stockholders as a whole; and

are selected such that the Board represents a range of backgrounds and experience.

The nominating and governance committee may consider recommendations for nomination of directors from our stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Bylaws) and received at our principal executive offices not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting or (2) the 10th day following the day on which public announcement of such meeting date is first made.

Compensation Committee

Instead of having a compensation committee, we have provided that grants under our 2012 Equity Incentive Plan and the oversight of the performance of our Manager and the management fees and other compensation payable to our Manager pursuant to the Management Agreement will be separately approved by the audit committee, which is comprised entirely of independent directors for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC, including the compensation committee requirements of NYSE Rule 303A.05 and Rule 303A.02(a)(ii). We decided not to form a separate compensation committee because our executive officers are not expected to receive any direct compensation from us other than certain grants made to our Chief Financial Officer under our 2012 Equity Incentive Plan. The specific responsibilities of the audit committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

Communications with the Board of Directors

The Board welcomes communications from our stockholders and other interested parties. Stockholders and other interested parties may send communications to the Board, to the non-management or independent directors as a group or to any particular director, to the following address: c/o Ares Commercial Real Estate Corporation, One North Wacker Drive, 48th Floor, Chicago, Illinois 60606. Stockholders should indicate clearly the director or directors to whom the communication is being sent so that each communication may be forwarded directly to the appropriate director or group of directors. Any such communications may be made anonymously. Unsolicited

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

advertisements, invitations to conferences or promotional materials, in the discretion of our Secretary, are not required, however, to be forwarded to the directors.

Code of Business Conduct and Ethics

The Board has established a Code of Business Conduct and Ethics that applies to our directors, officers and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the code.

Any waiver of the Code of Business Conduct and Ethics for our executive officers or directors may be made only by the Board and will be promptly disclosed as required by law or stock exchange regulations. Waivers to the Code of Business Conduct and Ethics can otherwise be obtained from the audit committee or another committee comprised of independent directors designated by the Board to serve such function. The Code of Business Conduct and Ethics can be accessed via our website at www.arescre.com.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which the Board carries out certain of its responsibilities. Among the areas addressed by the Corporate Governance Guidelines are the composition of the Board, roles and standards of conduct of directors, director qualification standards, presiding independent director process, access to management and independent advisors, director compensation, director orientation and continuing education, management succession, and the annual performance evaluation and review of the Board and its committees. The Corporate Governance Guidelines can be accessed via our website at www.arescre.com.

COMPENSATION OF DIRECTORS

Our independent directors generally receive an annual fee of \$75,000, payable 50% in restricted common stock and 50% in cash. These awards of restricted common stock in respect of annual fees, which are granted pursuant to our 2012 Equity Incentive Plan, vest ratably on a quarterly basis over a one-year period. They are also entitled to reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Board meeting and each committee meeting. Mr. Rosen, an outside director, receives an annual fee of approximately \$37,500 payable in restricted stock so that he receives a number of shares of restricted common stock equal to that received by the independent directors in respect of their annual fee. In addition, the chairperson of the audit committee receives an additional annual fee of \$15,000 in cash, and each chairperson of any other committee receives an additional annual fee of \$5,000 in cash for his or her additional services in these capacities. In addition, each audit committee member other than the chairperson receives an additional annual fee of \$10,000 in cash, and each member of any other committee (other than the chairperson of such committee) receives an additional annual fee of \$2,000 in cash for his or her services in these capacities. In addition, we purchase directors' and officers' liability insurance on behalf of our directors and officers.

Each of our outside directors received an initial grant of 5,000 restricted shares of our common stock in connection with joining the Board.

In addition, we have entered into indemnification agreements with each of our current directors and intend to enter into indemnification agreements with each of our future directors. The indemnification agreements provide these directors the maximum indemnification permitted under Maryland law. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities which such person may incur by reason of his or her status as a present or former director of our Company in any action or proceeding arising out of the performance of such person's services as a present or former director of our Company.

The following table shows information regarding the compensation received by our outside directors for the fiscal year ended December 31, 2013. No cash compensation is paid by us to any director for any period where such director was not an "independent director" as defined under Section 303A.02 of the NYSE Listed Company Manual or other applicable stock exchange rules.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

We are externally managed and advised by our Manager, which is a wholly owned subsidiary of Ares Management. Each of our officers is an employee of our Manager or one of its affiliates. We rely completely on our Manager to provide us with investment advisory services and our Manager manages our day-to-day operations (other than the operations of our subsidiary, ACRE Capital LLC, which has employees that provide certain services in connection with our mortgage banking business). We do not provide cash compensation to any of our officers or employees (other than compensation provided by ACRE Capital LLC to certain of its employees (none of which are named executive officers)), including any of the named executive officers.

We do, however, reimburse our Manager for our allocable share of the salaries and other compensation paid by the Manager or its affiliates to our (a) Chief Financial Officer, based on the percentage of his time spent our affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing our affairs based on the percentage of their time spent on our affairs. However, we do not determine the compensation payable by our Manager to our Chief Financial Officer or the other personnel described above.

In addition, we have entered into indemnification agreements with each of our current officers and certain members of our Manager's Investment Committee and intend to enter into indemnification agreements with each of our future officers and certain future members of our Manager's Investment Committee. The indemnification agreements provide these officers and other persons the maximum indemnification permitted under Maryland law. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities which such person may incur by reason of his or her status as a present or former officer of our Company or member of our Manager's Investment Committee in any action or proceeding arising out of the performance of such person's services as a present or former officer of our Company or member of our Manager's Investment Committee.

Equity Compensation

Pursuant to our 2012 Equity Incentive Plan, the audit committee may, from time to time, grant awards consisting of restricted shares of our common stock, restricted stock units and/or other equity-based awards to qualified directors, officers, advisors, consultants and other personnel, including the named executive officers. These equity-based awards create incentives to improve long-term stock price performance and focus on long-term business objectives, create substantial retention incentives for award recipients and enhance our ability to pay compensation based on our overall performance, each of which further align the interests of the awardees with our stockholders. These equity-based awards are generally subject to time-based vesting requirements designed to achieve strong performance for our Company.

The Board has delegated its administrative responsibilities under our 2012 Equity Incentive Plan to the audit committee. The charter of the audit committee provides that it shall approve all awards granted under the plan.

2012 Equity Grants to Named Executive Officers

On July 9, 2012, in connection with his appointment as our Chief Financial Officer, Tae-Sik Yoon was granted 25,000 restricted shares of our common stock as an award granted pursuant to our 2012 Equity Incentive Plan. These shares vest ratably on a quarterly basis over a four-year period that

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

began on October 1, 2012, subject to certain conditions. As of April 30, 2014, no equity-based compensation has been awarded to, earned by or paid to any of the named executive officers other than the 25,000 restricted shares of common stock awarded to Mr. Yoon and restricted shares of common stock awarded to Mr. Schuster with respect to annual Board fees during the period he was an independent director. The unvested shares of common stock awarded to Mr. Schuster with respect to annual Board fees during the period he was an independent director were forfeited by Mr. Schuster upon his appointment as our Co-Chief Executive Officer.

Say-on-Pay Vote

At our 2012 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of the named executive officers. The Board reviewed the results of this advisory "say-on-pay" vote. A substantial majority of our stockholders (99.8%) that voted on this matter at the annual meeting of stockholders approved the compensation of the named executive officers as described in our proxy statement for last year's annual meeting of stockholders.

Say-on-Frequency Vote

At our 2012 annual meeting of stockholders, our stockholders recommended that we hold an advisory stockholder vote on the compensation of the named executive officers every three years. In light of this recommendation from our stockholders, as well as other factors, we will hold a stockholder advisory vote every three years with respect to the compensation of the named executive officers.

2013 Summary Compensation Table

The following table shows the amounts reimbursed to our Manager with respect to the annual compensation received by the named executive officers for the fiscal years ended December 31, 2012 and 2013 that were allocable to us, except that no disclosure is provided for any named executive officer, other than our principal executive officers and principal financial officer, whose total compensation did not exceed \$100,000. No other executive officers are included as named executive officers in the table below because we did not reimburse our Manager for any amounts in excess of \$100,000 with respect to any compensation received by any other executive officer for the fiscal year ended December 31, 2013. As noted elsewhere herein, the named executive officers do not receive any direct compensation from us. No compensation was awarded to, earned by or paid to the named executive officers, and no payments were made to our Manager as reimbursement for our allocable portion of the salaries and other compensation of the named executive officers for the fiscal year ended December 31, 2011.

2013 Option Exercises and Stock Vested

No stock options have been granted by us to date. The following table summarizes certain information regarding awards of restricted shares of our common stock that vested during the 2013 fiscal year with respect to the named executive officers.

- (1) The Value Realized on Vesting column reflects the aggregate value realized with respect to all restricted stock awards that vested in fiscal year 2013. The value realized in connection with each vesting of shares of restricted stock is calculated as the number of vested restricted shares multiplied by the closing price of our common stock on the vesting date. The value realized amounts are calculated in accordance with the rules and regulations of the SEC and may not reflect the amounts ultimately realized by the named executive officer.

Pension Benefits

The named executive officers received no benefits in the 2013 fiscal year from us under defined pension or defined contribution plans.

Nonqualified Deferred Compensation

We do not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for the named executive officers.

Potential Payments Upon Termination or Change in Control

The named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment, except with respect to any restricted stock agreement entered into between us and such named executive officer. These agreements provide that any unvested portion of the award shall be immediately and irrevocably forfeited upon a termination of employment. For information about how a change in control relates to our 2012 Equity Incentive Plan, see "2012 Equity Incentive Plan Change in Control" below.

2012 Equity Incentive Plan

Our 2012 Equity Incentive Plan provides incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our outside directors, our Chief Financial Officer and our Manager. It is administered by a committee appointed by the Board, which is currently our audit committee. Our 2012 Equity Incentive Plan permits the granting of stock options, restricted shares of common stock, restricted stock units, phantom shares, dividend equivalent rights and other equity-based awards, subject to an aggregate limitation of 690,000 shares of common stock (7.5% of the issued and outstanding shares of our common stock immediately after giving effect to the issuance of the shares sold in our IPO). The charter of the audit committee provides that it approves all awards granted under the plan.

Administration

The audit committee has the authority to administer and interpret the plan, to authorize the granting of awards, to determine who is eligible to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the individual participant limitations provided in the plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the plan or the administration or interpretation thereof. In connection with this authority, the audit committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. Our 2012 Equity Incentive Plan is administered by the audit committee, which is comprised of three non-employee directors, each of whom is (i) to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director, (ii) at such times as we are subject to Section 162(m) of the Internal Revenue Code (the "Code") and intend that grants be exempt from the restriction of Section 162(m), an outside director for purposes of Section 162(m) of the Code, and (iii) an "independent director" as defined under Section 303A.02 of the NYSE Listed Company Manual or other applicable stock exchange rules.

Available Shares

Our 2012 Equity Incentive Plan provides that, subject to adjustments for recapitalizations and other corporate transactions, no grant under the plan may cause the total number of shares of common stock subject to all outstanding awards to exceed 690,000 shares of common stock (7.5% of the issued and outstanding shares of our common stock immediately after giving effect to the issuance of the shares sold in our IPO). Subject to the foregoing limit, if an option or other award or any portion

thereof granted under our 2012 Equity Incentive Plan expires or terminates without having been exercised or paid, as the case may be, the shares subject to such portion will again become available for the issuance of additional awards. No new award may be granted under our 2012 Equity Incentive Plan after the tenth anniversary of the date that such plan was initially approved by (i) the Board and (ii) our stockholders (which occurred on April 23, 2012). No award may be granted under our 2012 Equity Incentive Plan to any person who, assuming exercise of all options and payment of all awards held by such person would own or be deemed to own more than 9.8% of the outstanding shares of our common stock. Any restricted shares of our common stock and restricted stock units will be accounted for under FASB ASC Topic 718, *Stock Compensation*, resulting in share-based compensation expense equal to the grant date fair value of the underlying restricted shares of common stock or restricted stock units.

Awards Under the Plan

Stock Options. The terms of specific options shall be determined by the audit committee. The exercise price of an option shall be determined by the audit committee and reflected in the applicable award agreement, and may not be lower than 100% of the fair market value of our common stock on the date of grant. Options will be exercisable at such times and subject to such terms as determined by the audit committee. Options generally will expire not later than ten years after the date of grant.

Restricted Shares of Common Stock. A restricted stock award is an award of shares of common stock that are subject to restrictions on transferability and such other restrictions, if any, as the audit committee may impose. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the audit committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established performance criteria, in installments or otherwise, as the audit committee may determine. Unless otherwise stated in the applicable award agreement, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the shares.

Restricted Stock Units. Restricted stock units are bookkeeping entries, each of which represents the equivalent of one share of common stock, and which may be settled in cash or shares of common stock as the audit committee may designate in an award agreement or otherwise. Restricted stock units shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other restrictions as the audit committee shall determine.

Phantom Shares. A phantom share represents a right to receive the fair market value of a share of common stock, or, if provided by the audit committee, the right to receive the fair market value of a share of common stock in excess of a base value established by the audit committee at the time of grant. Phantom shares shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other restrictions as the audit committee shall determine. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or the audit committee, or as may be provided by the audit committee at grant).

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends paid on shares of common stock otherwise subject to an award. The audit committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of common stock. The audit committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

Other Share-Based Awards. Our 2012 Equity Incentive Plan authorizes the granting of other awards based upon shares of our common stock (including the grant of securities convertible into shares of common stock and share appreciation rights), subject to terms and conditions established at the time of grant.

Change in Control

Upon a change in control (as defined in our 2012 Equity Incentive Plan), the audit committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the audit committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments).

Other Changes

The Board may amend, alter, suspend or discontinue our 2012 Equity Incentive Plan but cannot take any action that would impair the rights of a participant in existing grants without such participant's consent. NYSE rules or other applicable regulations may require approval of our stockholders for any amendment that would:

other than through adjustment as provided in our 2012 Equity Incentive Plan, increase the total number of shares of common stock available for issuance under our 2012 Equity Incentive Plan; or

change the class of officers, directors, employees, consultants and advisors eligible to participate in our 2012 Equity Incentive Plan.

The audit committee or the Board may amend the terms of any award granted under our 2012 Equity Incentive Plan, prospectively or retroactively, but generally may not impair the rights of any participant in existing grants without his or her consent.

Compensation Committee Interlocks and Insider Participation

We determined not to form a separate compensation committee because our executive officers are not expected to receive any direct compensation from us other than certain grants made to the Chief Financial Officer under our 2012 Equity Incentive Plan. The audit committee, which is responsible for administering our 2012 Equity Incentive Plan and overseeing the performance of our Manager and the management fees and other compensation payable to our Manager pursuant to the Management Agreement, is presently comprised of Ms. Blakely and Messrs. Browning, Hinson and White, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2013, none of whom were formerly officers of our Company and none of whom had any relationship requiring disclosure by us under Item 404 of Regulation S-K. In addition, during the fiscal year ended December 31, 2013, Mr. Schuster was a member of the audit until his appointment as our Co-Chief Executive Officer in June 2013 and Mr. Joubert was a member of the audit committee. None of our executive officers has served as a member of a board of directors or a compensation committee, or other committee serving an equivalent function, of any other entity, one of whose executive officers served as a member of the Board or its audit committee. Accordingly, the audit committee members have no interlocking relationships required to be disclosed under SEC rules.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the following Compensation Committee Report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.

COMPENSATION COMMITTEE REPORT

As described above in this proxy statement, Ares Commercial Real Estate Corporation (the "Company") determined not to form a separate compensation committee because the Company's executive officers are not expected to receive any direct compensation from the Company other than certain grants made to the Chief Financial Officer under the Company's 2012 Equity Incentive Plan. The audit committee (the "Audit Committee") of the board of directors (the "Board") of the Company is responsible for administering the Company's 2012 Equity Incentive Plan and overseeing the performance of Ares Commercial Real Estate Management LLC (the "Manager") and the management fees and other compensation payable to the Manager pursuant to the Management Agreement between the Company and the Manager dated April 25, 2012. The directors that served on the Audit Committee during the fiscal year ended December 31, 2013 (the "2013 Audit Committee") have reviewed and discussed with management the Compensation Discussion and Analysis included in this proxy statement. Based on that review and discussion, the 2013 Audit Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act our directors and executive officers, and any persons holding 10% or more of our common stock, are required to report their beneficial ownership and any changes therein to the SEC and us. Specific due dates for those reports have been established and we are required to report herein any failure to file such reports by those due dates. Based solely upon a review of Forms 3, 4 and 5 filed by such persons, we believe that each of our directors and executive officers and any persons holding 10% or more of its common stock complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2013, with the exception of the purchase by John Hope Bryant of 13,141 shares of our common stock on January 10, 2013, which were reported to the SEC on February 14, 2013. The purchase by Mr. Bryant was an inadvertent purchase not directed by Mr. Bryant through an automatic broker-administered dividend reinvestment plan. This purchase constituted a "matching" transaction under Section 16(b) of the Exchange Act, with Mr. Bryant's sales of 304 shares of common stock on July 30, 2012 and 650 shares of common stock on October 23, 2012. These purchase and sale transactions did not result in a short swing profit because the January 10, 2013 purchase price was greater than any of the matchable

sale prices, and as a result no disgorgement was required. The dividend reinvestment feature of Mr. Bryant's account has since been removed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have procedures in place for the review, approval and monitoring of transactions involving us and certain persons related to us. For example, we have a Code of Business Conduct and Ethics and Corporate Governance Guidelines that generally restrict the ability of any of our officers, directors or employees to engage in any transaction where there is a conflict between such individual's personal interest and our interests. In addition, the audit committee is required to review and approve or ratify all related party transactions (as defined in Item 404 of Regulation S-K). In determining whether to approve or ratify a transaction, the audit committee will take into account such factors as it deems appropriate. The charter for the audit committee, Code of Business Conduct and Ethics and Corporate Governance Guidelines can be accessed via our website at www.arescre.com.

Management Agreement

We are party to the Management Agreement, pursuant to which our Manager provides for the day-to-day management of our operations. The Management Agreement requires our Manager to manage our business affairs in conformity with the policies and the investment guidelines that may be approved and monitored by the Board. The Management Agreement has an initial three-year term that expires on May 1, 2015, and will be automatically renewed for one-year terms thereafter unless terminated by either us or our Manager. Our Manager is entitled to receive a termination fee from us under certain circumstances.

We do not reimburse our Manager for the salaries and other compensation of its personnel, except for the allocable share of the salaries and other compensation of our (a) Chief Financial Officer, based on the percentage of his time spent on our affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing our affairs based on the percentage of their time spent on our affairs (collectively, "Personnel Expenses"). In addition, we are required to pay our pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of our Manager and its affiliates required for our operations (collectively, "Overhead Expenses").

Effective as of September 30, 2013, we entered into an amendment to the Management Agreement with our Manager whereby our Manager agreed not to seek reimbursement of Restricted Costs (as defined below), in excess of \$1.0 million per quarter for the quarterly periods ending on September 30, 2013, December 31, 2013, March 31, 2014 and June 30, 2014. "Restricted Costs" are Personnel Expenses and Overhead Expenses incurred in the ordinary course of our origination business and do not include any Personnel Expenses or Overhead Expenses that were incurred in connection with transactions outside our ordinary course of business, including without limitation, transactions for the acquisition of a portfolio of investments or for the acquisition of another company or its assets and business.

For the fiscal year ended December 31, 2013, we incurred approximately \$4.2 million in base management fees payable to our Manager pursuant to the Management Agreement. In addition, we reimbursed our Manager for approximately \$3.6 million, which amount represented the portion of the allocable expenses payable by us under the Management Agreement for which our Manager sought reimbursement. Our Manager did not earn any incentive compensation under the Management Agreement for the fiscal year ended December 31, 2013.

Our Manager's sole member is Ares Management, an entity in which certain directors and officers of our Company and members of the Investment Committee of our Manager have indirect ownership and financial interests. Our Manager and Ares Management have agreed that for so long as our Manager is managing us, neither Ares Management nor any of its affiliates will sponsor or manage any other U.S. publicly traded REIT that invests primarily in the same asset classes as us. Ares

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

Management and its affiliates may sponsor or manage another U.S. publicly traded REIT that invests generally in real estate assets but not primarily in our target investments. Other than as described in the immediately preceding sentence, neither Ares Management nor any of our affiliates are otherwise restricted from sponsoring or managing other funds or any other investment vehicles that are managed by Ares Management. In general, investment opportunities are allocated taking into consideration various factors, including, among others, the relevant investment vehicles' available capital, diversification, their investment objectives or strategies, their risk profiles and their existing or prior positions in an issuer/security, as well as potential conflicts of interest, the nature of the opportunity and market conditions. The investment allocation policy may be amended by Ares Management at any time without our consent.

Servicing Agreements

Certain of our subsidiaries, along with our lenders under our secured funding facilities arranged by Wells Fargo Bank, National Association and Citibank, N.A., have entered into various servicing agreements with our Manager's servicer, which is a Standard & Poor's-ranked commercial primary servicer and commercial special servicer that is included on Standard & Poor's Select Servicer List. Our Manager's servicer has agreed that no servicing fees pursuant to these servicing agreements would be charged to us or our subsidiaries for so long as the Management Agreement remains in effect, but that our Manager's servicer will continue to receive reimbursement for overhead related to servicing and operational activities pursuant to the terms of the Management Agreement.

Registration Rights Agreement

We are a party to a registration rights agreement with regard to shares held from time to time by Ares Investments and its affiliates, which we refer to as the registrable shares. Pursuant to the registration rights agreement, we granted Ares Investments and its direct and indirect transferees:

unlimited demand registration rights to have the registrable shares registered for resale; and

in certain circumstances, the right to "piggy-back" the registrable shares in registration statements we might file in connection with any future public offering.

Notwithstanding the foregoing, any registration is subject to cutback provisions, and we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as "blackout periods."

"Ares" License Agreement

We have entered into a license agreement with Ares Management, pursuant to which it granted us a non-exclusive, royalty-free license to use the name "Ares." Under this agreement, we have a right to use this name for so long as Ares Commercial Real Estate Management LLC remains our Manager. This license agreement may be terminated by either party without penalty upon 180 days' written notice to the other.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR THE 2015 ANNUAL MEETING

Stockholders may present proper nominations of candidates for director or other proposals for inclusion in our proxy statement and proxy card for consideration at the next annual meeting of stockholders by submitting such nominations or proposals in writing to our Secretary in a timely manner, calculated in the manner provided in Rule 14a-8(e) of the Exchange Act, applicable state law and our Charter and Bylaws.

Deadlines for Submitting Stockholder Proposals for Inclusion in the Company's Proxy Statement and Proxy Card

To be considered timely under Rule 14a-8(e) of the Exchange Act for inclusion in our proxy statement and proxy card for a regularly scheduled annual meeting, a stockholder's nomination of a candidate for director or other proposal must be received at our principal executive offices not less than 120 calendar days before the anniversary of the date our proxy statement was released to stockholders for the previous year's annual meeting. Accordingly, a stockholder's nomination of a candidate for director or other proposal must be received no later than December 31, 2014 in order to be included in our proxy statement and proxy card for the 2015 annual meeting of stockholders.

Deadlines for Submitting Notice of Stockholder Proposals for Consideration at the Company's 2015 Annual Meeting

The deadline for submitting notice of a stockholder's nomination of a candidate for director or other proposal for consideration at the 2015 annual meeting of stockholders under the Bylaws, is not earlier than the 150th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting or (2) the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, a stockholder's nomination of a candidate for director or other proposal must be received no earlier than December 1, 2014 and no later than 5:00 p.m., Eastern Time, on December 31, 2014 in order to be considered at the 2014 annual meeting of stockholders. In order to be considered timely, such notice shall be delivered to the Secretary at our principal executive office and shall set forth all information required under Section 11 of Article II of the Bylaws.

ANNUAL REPORT AVAILABLE

A copy of our 2013 Annual Report containing audited financial statements accompanies this proxy statement.

We will provide to each stockholder a copy (without exhibits, unless otherwise requested) of our Annual Report free of charge. Requests should be directed to the Investor Relations Department at Ares Commercial Real Estate Management, One North Wacker Drive, 48th Floor, Chicago, Illinois, 60606. Copies of these documents may also be accessed electronically by means of the SEC's home page on the internet at <http://www.sec.gov>. The Annual Report is not part of the proxy solicitation materials.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are our stockholders will be "householding" its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department at Ares Commercial Real Estate Management, to One North Wacker Drive, 48th Floor, Chicago, Illinois, 60606 or 312-252-7500. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request "householding" of their communications should contact their brokers.
