PRELIMINARY SUBJECT TO COMPLETION, DATED DECEMBER 12, 2014

JOINT PROXY STATEMENT/PROSPECTUS

To the Shareholders of Select Income REIT and the Stockholders of Cole Corporate Income Trust, Inc.:

Select Income REIT, or SIR, Cole Corporate Income Trust, Inc., or CCIT, and SIR's wholly owned subsidiary, SC Merger Sub LLC, or SIR Merger Sub, have entered into an Agreement and Plan of Merger, dated as of August 30, 2014, or the Merger Agreement, which is attached as Annex A to this joint proxy statement/prospectus and incorporated herein by reference. Pursuant to the Merger Agreement, CCIT will merge with and into SIR Merger Sub, with SIR Merger Sub surviving as a wholly owned subsidiary of SIR, or the Merger. The board of trustees of SIR and the board of directors of CCIT unanimously approved the Merger Agreement, the Merger, and the other transactions contemplated by the Merger Agreement, which are described in this joint proxy statement/prospectus.

This is an exciting and important event for both SIR and CCIT, and we are pleased to provide this document to you. This prospectus relates to the proposed issuance by SIR of its common shares of beneficial interest, par value \$.01 per share, or SIR Common Shares, to CCIT stockholders pursuant to the Merger Agreement. It is also a proxy statement of SIR and CCIT for soliciting proxies for their respective special meetings of shareholders and stockholders. At the SIR special meeting, SIR shareholders will vote on, among other things, the proposal to approve the issuance of SIR Common Shares to CCIT stockholders pursuant to the Merger Agreement, or the SIR Share Issuance. At the CCIT special meeting, CCIT stockholders will vote on, among other things, the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement. Under the rules of the New York Stock Exchange, or the NYSE, SIR is required to obtain shareholder approval for the SIR Share Issuance. Under the Maryland General Corporation Law, or the MGCL, CCIT is required to obtain stockholder approval for the Merger.

On and subject to the terms and conditions of the Merger Agreement, including those relating to proration, at the effective time of the Merger, or the Effective Time, each share of common stock, \$.01 par value per share, of CCIT, or CCIT Common Stock, other than shares held by any of CCIT's wholly owned subsidiaries, by SIR or by any of SIR's wholly owned subsidiaries, will be converted in the Merger into the right to receive either (i) \$10.50 in cash, without interest, subject to proration and certain adjustments, or the Cash Consideration, or (ii) 0.360 of a SIR Common Share, subject to proration and certain adjustments, or the Share Consideration, and, together with the Cash

Table of Contents

Consideration, the Merger Consideration. The maximum aggregate number of shares of CCIT Common Stock that may be converted in the Merger into the right to receive the Cash Consideration is 60% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time, or the Maximum Cash Conversion Number. The minimum aggregate number of shares of CCIT Common Stock that would be converted in the Merger into the right to receive the Cash Consideration is 40% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time, or the Minimum Cash Conversion Number. Subject to the foregoing and the other terms and conditions of the Merger Agreement, CCIT stockholders may elect to receive either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. If a CCIT stockholder has not made an election, subject to the foregoing and the terms and conditions of the Merger Agreement, the shares of CCIT Common Stock held by such stockholder will be converted into the right to receive the Share Consideration. If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds the Maximum Cash Conversion Number or is less than the Minimum Cash Conversion Number, notwithstanding CCIT stockholder elections, the Cash Consideration and the Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. The Merger Consideration also may be adjusted in the event that SIR pays a special distribution to its shareholders or CCIT pays a special distribution to its stockholders prior to the closing date.

The SIR Common Shares currently trade on the NYSE under the ticker symbol "SIR." SIR will apply to have the new SIR Common Shares issued as Share Consideration in the Merger listed on the NYSE prior to the Effective Time, subject to official notice of issuance.

The SIR special meeting will be held on January 22, 2015 at 10:00 a.m., local time, at Two Newton Place, 255 Washington Street, Suite 100, Newton, Massachusetts 02458. At the SIR special meeting, SIR shareholders will be asked to vote on, among other things, the SIR Share Issuance. **The SIR board of trustees unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at the SIR special meeting and (iii) resolved to recommend that SIR shareholders vote in favor of the approval of the SIR Share Issuance. The CCIT special meeting will be held on January 22, 2015 at 10:00 a.m., local time, at The CORE: Club located at 66 East 55th Street, New York, New York 10022. QUESTIONS AND ANSWERS

The following are some questions that you may have regarding the proposals being considered at the SIR and CCIT special meetings and brief answers to those questions. You should read this joint proxy statement/prospectus carefully and in its entirety, including the Annexes, and the other documents to which this joint proxy statement/prospectus refers or incorporates by reference because the information in this section may not provide all the information that might be important to you.

Q:

What is the proposed transaction?

A:

SIR and CCIT have entered into the Merger Agreement, pursuant to which CCIT will merge with and into SIR Merger Sub, with SIR Merger Sub surviving as a wholly owned subsidiary of SIR.

At the Effective Time, each share of CCIT Common Stock will be converted into the right to receive either (i) \$10.50 in cash, without interest, or (ii) 0.360 of a SIR Common Share, in each case subject to proration and certain adjustments. On and subject to the terms and conditions of the Merger Agreement, CCIT stockholders may elect to receive either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. If a CCIT stockholder has not made an election, on and subject to the terms and conditions of the Merger Agreement, the shares of CCIT Common Stock held by such stockholder will be converted into the right to receive the Share Consideration. If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds 60%, or is less than 40%, of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time, notwithstanding CCIT stockholder elections, the Cash Consideration and the Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. The Merger Consideration also may be adjusted in the event that SIR pays a special distribution to its shareholders or CCIT pays a special distribution to its stockholders prior to the closing date.

Q:

How will SIR fund the transaction, including the Cash Consideration?

A:

SIR intends to finance the Cash Consideration and the fees, expenses and costs incurred in connection with the Merger and the related transactions, and to repay or refinance certain of CCIT's borrowings, using a combination of the following resources:

SIR's available cash on hand;

borrowings under SIR's existing revolving credit facility;

borrowings under a new credit facility for a \$1.0 billion senior unsecured bridge loan; and

proceeds from the Healthcare Properties Sale.

SIR also plans to seek longer term financing of the transaction through the issuance of senior unsecured notes, either before the Merger closes or by refinancing some or all of the borrowings listed above after the Merger closes.

Borrowings under SIR's existing revolving credit facility are subject to customary conditions and SIR's existing revolving credit facility contains various customary covenants, including financial maintenance covenants with respect to maximum leverage, minimum fixed charge coverage, maximum secured indebtedness, maximum unencumbered leverage, minimum

Edgar Filing: Select Income REIT - Form S-4/A

unencumbered interest coverage ratio and minimum tangible net worth. Any failure to comply

Table of Contents

with these financial maintenance covenants would constitute a default under SIR's existing revolving credit facility and would prevent further borrowings thereunder.

In addition to its existing revolving credit facility, SIR intends to enter into a new credit agreement for a 364-day senior unsecured bridge loan facility in an aggregate principal amount of \$1.0 billion. SIR has entered into the Commitment Letter with certain lenders pursuant to which, on and subject to the terms and conditions therein, those lenders have committed to provide the bridge loan facility, subject to customary conditions as set forth in the Commitment Letter. The terms and conditions of the bridge loan facility will be set forth in definitive documentation that will be based on the documentation relating to SIR's existing revolving credit facility consistent with the terms and conditions of the Commitment Letter. For more information regarding the Commitment Letter and the terms and conditions thereunder, see "Related Agreements Commitment Letter" on page 209 of this joint proxy statement/prospectus.

Additionally, upon completion of the Merger, SIR expects to receive approximately \$509.0 million in net proceeds from SNH in connection with the Healthcare Properties Sale. For more information about the Healthcare Properties Sale, the conditions to the completion of the Healthcare Properties Sale and SIR's rights and obligations under the Healthcare Properties Purchase and Sale Agreement, see "Related Agreements Healthcare Properties Purchase and Sale Agreement" beginning on page 209 of this joint proxy statement/prospectus.

SIR's ability to finance the Merger, including the completion of the Healthcare Properties Sale, is not a condition to its obligation to complete the Merger.

Q:

Why is SIR proposing the Merger?

A:

The SIR board of trustees believes that the acquisition of the CCIT portfolio will benefit SIR by significantly increasing SIR's size and accelerating SIR's strategy of becoming a leading owner of high quality industrial and office properties. The SIR board of trustees believes that, after the acquisition of CCIT and the completion of the Healthcare Properties Sale, SIR will be the largest publicly traded real estate investment trust, or REIT, in the United States focused on domestic office and industrial net leased properties, as measured by square footage, and that SIR's larger size and enhanced financial metrics may better position it to obtain an investment grade rating, improved financing terms and a lower cost of debt and equity capital. The SIR board of trustees believes that the CCIT portfolio consists of high quality properties strategic to CCIT's tenants and is highlighted by several trophy assets. The SIR board of trustees also believes that, after the transactions, investment grade tenants will represent a meaningfully larger percentage of SIR's portfolio and its portfolio will have higher overall property occupancy, an extended average lease maturity, enhanced tenant diversification and decreased average portfolio age. Additionally, the SIR board of trustees believes that the acquisition will provide improved liquidity to SIR shareholders as a result of the combined company's larger equity capitalization, shareholder base and public float. To review the reasons of the SIR board of trustees for the Merger in greater detail, see "The Merger Recommendation of the SIR Board of Trustees and its Reasons for the Merger and the Related Transactions" beginning on page 103 of this joint proxy statement/prospectus. Notwithstanding the foregoing, the Merger poses risks to SIR and SIR may not realize the expected benefits of the Merger. See "Risk Factors Risks Related to the Merger" beginning on page 47 of this joint proxy statement/prospectus.

Q:
Why is CCIT proposing the Merger?

A:

The CCIT board of directors believes that, following the Merger, the combined company's real estate portfolio will be larger and more diversified by industry type, tenant composition and geography, will have a higher overall percentage of investment grade tenants, and will have a longer average lease term maturity. The CCIT board of directors also believes that SIR's larger size following the Merger will better position it to obtain an investment grade rating, which, if obtained, is expected to enhance SIR's access to lower cost debt financing in the public and private markets, thereby enabling SIR to fund its external growth strategy at a lower cost. In addition, the current SIR distribution rate is slightly higher than the current CCIT distribution rate and SIR has announced that it expects to increase the SIR annualized distribution rate following the completion of the Merger. CCIT stockholders will have the opportunity to elect to receive either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own, subject to proration and certain adjustments, which will enable CCIT stockholders who receive the Cash Consideration to receive immediate cash value for their shares of CCIT Common Stock, while those CCIT stockholders who receive the Share Consideration will have the opportunity to participate in potential future growth of the combined company, including any potential growth as a result of its increased size and enhanced portfolio metrics. In addition, the SIR Common Shares are, and the SIR Common Shares to be issued as Share Consideration in the Merger are expected to be, listed on the NYSE, which the CCIT board of directors believes provides CCIT stockholders with an opportunity for future liquidity. To review the reasons of the CCIT board of directors in greater detail, see "The Merger Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions" beginning on page 108 of this joint proxy statement/prospectus. Notwithstanding the foregoing, the Merger poses certain risks and CCIT stockholders may not realize the expected benefits of the Merger. See "Risk Factors Risks Related to the Merger" beginning on page 47 of this joint proxy statement/prospectus.

Q:
Why am I receiving this joint proxy statement/prospectus?

A:

The SIR board of trustees and the CCIT board of directors are using this joint proxy statement/prospectus to solicit proxies of SIR shareholders in connection with the SIR Share Issuance and proxies of CCIT stockholders in connection with the Merger and the other transactions contemplated by the Merger Agreement. In addition, SIR is using this joint proxy statement/prospectus as a prospectus for CCIT stockholders because SIR is offering SIR Common Shares as Share Consideration in the Merger in accordance with the terms of the Merger Agreement.

In order to complete the Merger, SIR shareholders must vote to approve the SIR Share Issuance and CCIT stockholders must vote to approve the Merger and the other transactions contemplated by the Merger Agreement.

SIR and CCIT will hold separate special meetings of their respective shareholders and stockholders to obtain these approvals. This joint proxy statement/prospectus contains important information about the Merger, the SIR Share Issuance, the SIR special meeting and the CCIT special meeting and you should read it carefully and in its entirety. The enclosed voting materials allow you to vote your SIR Common Shares and/or shares of CCIT Common Stock, as applicable, without attending the SIR or CCIT special meeting.

Please complete, sign, date and return your proxy card as promptly as possible.

Q:

If a CCIT stockholder receives the Share Consideration, what will be the ongoing rate of return on his or her original investment?

A:

Each CCIT stockholder currently receives \$0.65 of annual distributions per share, representing an annual rate of return of 6.5% on invested capital of \$10.00 per share of CCIT Common Stock. Following the Merger, CCIT stockholders who receive the Share Consideration in the Merger pursuant to the terms of the Merger Agreement will be entitled to receive ongoing distributions paid by SIR to SIR shareholders. Based on SIR's current annualized distribution rate of \$1.92 per share, following the Merger, each such CCIT stockholder will receive \$0.69 in annual distributions on each 0.360 of a SIR Common Share received in exchange for each share of CCIT Common Stock he or she owns. On September 2, 2014, SIR announced that it expects to increase its annualized distribution rate to \$2.00 per share (or \$0.50 per share per quarter) following the completion of the Merger. Based on such expected increased annualized distribution rate, following the Merger, each CCIT stockholder will receive \$0.18 quarterly (or \$0.72 annually) in distributions on each 0.360 of a SIR Common Share received in exchange for each share of CCIT Common Stock he or she owns. This represents an annualized rate of return of 7.2% on invested capital of \$10.00 per share of CCIT Common Stock.

On Invested Capital of \$10.00 Per Share

	Current	Post-Merger
Rate of Return on Invested Capital	6.5%	7.2%

Distribution rates on SIR Common Shares are set and reset from time to time at the discretion of the SIR board of trustees. The SIR board of trustees considers many factors when setting SIR's distribution rates, including SIR's historical and projected income, SIR's historical and projected normalized funds from operations, or FFO, SIR's current and expected needs and availability for cash, the distribution rate required to maintain SIR's status as a REIT under the Internal Revenue Code of 1986, as amended, or the Code, and other matters deemed relevant by the SIR board of trustees. SIR can provide no assurance regarding the amount of future distributions. In fact, SIR's future distributions may be less than \$0.50 per share per quarter and less than \$2.00 per share per year.

Q:

If I am a CCIT stockholder, what are the procedures for making the election between the Share Consideration and the Cash Consideration?

A:

We are mailing to each CCIT stockholder, concurrently with the mailing of this joint proxy statement/prospectus, an election form which permits CCIT stockholders to make an election, subject to proration and certain adjustments in accordance with the Merger Agreement, between either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. The election form will also be mailed or otherwise made available to anyone who becomes a CCIT stockholder after December 12, 2014, but prior to the election deadline described below. The election form allows each CCIT stockholder to elect the number of shares of CCIT Common Stock in respect of which such CCIT stockholder desires to receive the Share Consideration and the number of shares of CCIT Common Stock in respect of which such CCIT stockholder desires to receive the Cash Consideration, subject to proration and certain adjustments in accordance with the Merger Agreement. In order to make a proper election, each CCIT stockholder must complete the election form and return it to the exchange agent by the election deadline.

Unless otherwise agreed by CCIT and SIR and publicly announced, the election deadline will be 5:00 p.m., New York time, on January 21, 2015 (the business day immediately prior to the

Table of Contents

scheduled date of the CCIT special meeting) and if the CCIT special meeting is adjourned or postponed, the election deadline will be extended to 5:00 p.m., New York time, on the business day immediately prior to the date to which the CCIT special meeting is adjourned or postponed.

If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds 60%, or is less than 40%, of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time, notwithstanding CCIT stockholder elections, the Cash Consideration and the Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. For more information on proration and adjustment, see "The Merger Agreement Consideration to be Received in the Merger Proration of the Merger Consideration" beginning on page 184 of this joint proxy statement/prospectus.

Q:

What if I want to change my election to receive the Share Consideration or the Cash Consideration?

A:

If you are a CCIT stockholder and you make an election, you may change your election to receive either the Share Consideration or the Cash Consideration in the Merger by delivering a written notice to the exchange agent at Wells Fargo Bank, N.A., Shareowner Services, Voluntary Corporate Actions, P.O. Box 64854, St. Paul, Minnesota 55164-0854, if by hand or overnight courier, or Wells Fargo Bank, N.A., Shareowner Services, Voluntary Corporate Actions, 1110 Centre Pointe Curve, Suite 101, Mendota Heights, Minnesota 55120, if by mail, prior to the election deadline, accompanied by a revised election form.

Q:

What happens if I do not make a valid election in accordance with the election form?

A:

If you do not return a properly completed, signed and dated election form by the election deadline, your shares of CCIT Common Stock will be considered "non-electing shares" and, at the Effective Time, will be converted into the right to receive the Share Consideration, subject to adjustment in accordance with the procedures specified in the Merger Agreement if the aggregate number of shares of CCIT Common Stock that have elected to receive the Cash Consideration is less than 40% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time.

Q:

When and where is the SIR special meeting?

A:

The SIR special meeting will be held on January 22, 2015, beginning at 10:00 a.m., local time, at Two Newton Place, 255 Washington Street, Suite 100, Newton, Massachusetts 02458, unless postponed to a later date or dates.

Q:

When and where is the CCIT special meeting?

A:

The CCIT special meeting will be held on January 22, 2015, beginning at 10:00 a.m., local time, at The CORE: Club located at 66 East 55th Street, New York, New York 10022, unless postponed to a later date or dates.

Q:

Who can vote at the SIR special meeting?

A:

All holders of SIR Common Shares of record as of the close of business on December 12, 2014, the record date for determining SIR shareholders entitled to notice of and to vote at

Table of Contents

the SIR special meeting, are entitled to receive notice of and to vote at the SIR special meeting. SIR expects that, as of the record date, there will be 59,959,750 SIR Common Shares issued and outstanding and entitled to vote at the SIR special meeting, held by approximately 83 holders of record. Each SIR Common Share is entitled to one vote on each proposal presented at the SIR special meeting.

Q:

Who can vote at the CCIT special meeting?

A:

All holders of CCIT Common Stock of record as of the close of business on December 12, 2014, the record date for determining CCIT stockholders entitled to notice of and to vote at the CCIT special meeting, are entitled to receive notice of and to vote at the CCIT special meeting. CCIT expects that, as of the record date, there will be 197,605,729 shares of CCIT Common Stock issued and outstanding and entitled to vote at the CCIT special meeting, held by approximately 37,656 holders of record. Each share of CCIT Common Stock is entitled to one vote on each proposal presented at the CCIT special meeting.

Q:

What constitutes a quorum for purposes of the SIR special meeting?

A:

SIR's bylaws provide that the presence in person or by proxy of SIR shareholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum.

Abstentions and broker non-votes, if any, will be included in determining whether a quorum is present. A broker non-vote is a vote that is not cast on a non-routine matter because the shares entitled to cast the vote are held in street name, the broker lacks discretionary authority to vote the shares and the broker has not received voting instructions from the beneficial owner.

Q:

What constitutes a quorum for purposes of the CCIT special meeting?

A:

CCIT's bylaws provide that the presence in person or by proxy of CCIT stockholders entitled to cast at least 50% of all the votes entitled to be cast at the CCIT special meeting shall constitute a quorum.

Abstentions and broker non-votes, if any, will be included in determining whether a quorum is present. A broker non-vote is a vote that is not cast on a non-routine matter because the shares entitled to cast the vote are held in street name, the broker lacks discretionary authority to vote the shares and the broker has not received voting instructions from the beneficial owner.

Q:

What votes are required to approve the proposals at the SIR special meeting?

A:

SIR's proposal to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. SIR's proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. Pursuant to SIR's bylaws, the chairperson of the SIR special meeting may adjourn the SIR special meeting to a later date or dates, for any reason deemed necessary by the chairperson, without SIR shareholder approval.

Concurrently with the execution and delivery of the Merger Agreement, CCIT and American Realty Capital Properties, Inc., a Maryland corporation and parent of the advisor of CCIT, or ARCP, entered into the GOV Voting Agreement with Government Properties Income Trust, or GOV, and the RMR Voting Agreement with Reit Management & Research LLC, SIR's manager, or RMR, and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned

22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares, as of December 10, 2014. Pursuant to the Voting Agreements, these shareholders have agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance. For more information about the Voting Agreements, see "Related Agreements Voting Agreements" on page 210 of this joint proxy statement/prospectus.

Q:

What votes are required to approve the proposals at the CCIT special meeting?

A:

CCIT's proposal to approve the Merger and the other transactions contemplated by the Merger Agreement requires the affirmative vote of the holders of a majority of the issued and outstanding shares of CCIT Common Stock entitled to vote on such proposal. CCIT's proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement requires the affirmative vote of a majority of the votes cast on such proposal.

Q:

If my SIR Common Shares are held in "street name" by my broker or other nominee, will my broker or other nominee vote my SIR Common Shares for me? What happens if I do not vote for a proposal?

A:

Unless you instruct your broker or other nominee how to vote your SIR Common Shares held in street name, your shares will **NOT** be voted. If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), you must provide your broker or other nominee with instructions on how to vote your shares. Please follow the voting instructions provided by your broker or other nominee on the enclosed voting instruction form. You may not vote SIR Common Shares held in street name by returning a proxy card directly to SIR or by voting in person at the SIR special meeting unless you hold and provide a "legal proxy," which you must obtain from your broker or other nominee.

Broker non-votes, if any, will have no effect on the proposal to approve the SIR Share Issuance or the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance. Abstentions will have the same effect as votes cast

AGAINST the proposal to approve the SIR Share Issuance. However, abstentions will have no effect on the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

Q:

If my shares of CCIT Common Stock are held in "street name" by my broker or other nominee, will my broker or other nominee vote my shares of CCIT Common Stock for me? What happens if I do not vote for a proposal?

A:

Unless you instruct your broker or other nominee how to vote your shares of CCIT Common Stock held in street name, your shares will **NOT** be voted. If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), you must provide your broker or other nominee with instructions on how to vote your shares. Please follow the voting instructions provided by your broker or other nominee on the enclosed voting instruction form. You may not vote shares of CCIT Common Stock held in street name by returning a proxy card directly to CCIT or by voting in person at the CCIT special meeting unless you hold and provide a "legal proxy," which you must obtain from your broker or other nominee.

Abstentions and broker non-votes, if any, will have the same effect as votes **AGAINST** the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement. However, abstentions and broker non-votes, if any, will have no effect on the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement.

Q:
When is the proposed transaction expected to close?

A:
The Merger Agreement provides that the closing of the Merger will take place on the second business day following the date on which the last of the conditions precedent to completion of the Merger (described under "The Merger Agreement Conditions to Completion of the Merger") have been satisfied or waived (other than the conditions that by their terms are to be satisfied at the completion of the Merger, but subject to the satisfaction or waiver of those conditions), but not before January 2, 2015. The Merger is expected to close in the first quarter of 2015. Either SIR or CCIT may terminate the Merger Agreement if the Merger is not completed by March 31, 2015, so long as its failure to perform the Merger Agreement has not resulted in the failure of the Merger to be completed by such date.

Q:
What are the anticipated material United States federal income tax consequences to me of the proposed Merger?

A:
The Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code and the completion of the Merger is conditioned on the receipt by each of CCIT and SIR of an opinion from its counsel that, although not free from doubt, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. CCIT and SIR have each received an opinion from its respective counsel that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Assuming the Merger so qualifies, holders of CCIT Common Stock generally will not recognize gain or loss for United States federal income tax purposes upon the receipt of solely SIR Common Shares in exchange for CCIT Common Stock in connection with the Merger, except with respect to cash received in lieu of fractional SIR Common Shares. Holders of CCIT Common Stock generally will recognize gain or loss if they exchange all of their shares of CCIT Common Stock for cash in the Merger. Generally, holders of CCIT Common Stock will recognize gain, but not loss, if they exchange some of their shares of CCIT Common Stock for SIR Common Shares and other shares for cash, but their taxable gain in that case will not exceed the cash they receive in the Merger. All holders of CCIT Common Stock should read the discussion under the heading "Material United States Federal Income Tax Considerations" beginning on page 157 of this joint proxy statement/prospectus and consult their tax advisors as to the United States federal income tax consequences of the Merger, as well as the effects of any other federal, state, local and non-U.S. tax laws.

Q:
Where will my SIR Common Shares be traded?

A:
The SIR Common Shares currently trade on the New York Stock Exchange, or the NYSE, under the symbol "SIR." SIR will apply to have the new SIR Common Shares issued as Share Consideration in the Merger listed on the NYSE prior to the Effective Time, subject to official notice of issuance.

Q:
Are CCIT stockholders entitled to appraisal rights?

A:
No. As permitted by the General Corporation Law of the State of Maryland, or the MGCL, CCIT's charter provides that stockholders shall not be entitled to exercise any appraisal rights

Table of Contents

unless the CCIT board of directors, upon the affirmative vote of a majority of the board of directors, determines that such rights apply. Because the CCIT board of directors has not made such a determination, CCIT stockholders are not entitled to exercise any appraisal rights. For more information, see "No Appraisal Rights" on page 212 of this joint proxy statement/prospectus.

Q:

How does the SIR board of trustees recommend that SIR shareholders vote?

A:

The SIR board of trustees unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at the SIR special meeting and (iii) resolved to recommend that SIR shareholders vote in favor of the approval of the SIR Share Issuance.

The SIR board of trustees unanimously recommends that SIR shareholders vote FOR the proposal to approve the SIR Share Issuance and FOR the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance. For a more complete description of the recommendation of the SIR board of trustees, see "The Merger Recommendation of the SIR Board of Trustees and its Reasons for the Merger and the Related Transactions" beginning on page 103 of this joint proxy statement/prospectus.

Q:

How does the CCIT board of directors recommend that CCIT stockholders vote?

A:

The CCIT board of directors unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted for consideration at the CCIT special meeting and (iii) resolved to recommend that CCIT stockholders vote in favor of the approval of the Merger and the other transactions contemplated by the Merger Agreement.

The CCIT board of directors unanimously recommends that CCIT stockholders vote FOR the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement and FOR the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement. For a more complete description of the recommendation of the CCIT board of directors, see "The Merger Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions" beginning on page 108 of this joint proxy statement/prospectus.

Q:

Do any of SIR's trustees or executive officers have interests in the Merger and the related transactions that are different from those of SIR shareholders?

A:

SIR shareholders should be aware that certain of SIR's trustees and executive officers, and SIR's manager, RMR, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof. The SIR board of trustees was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions, and in recommending that SIR shareholders vote **FOR** the proposal to approve the SIR Share Issuance. For a description of these interests, see "The Merger Interests of SIR's Trustees, Executive Officers and

Manager in the Merger and Related Transactions" beginning on page 152 of this joint proxy statement/prospectus.

Q:

Do any of CCIT's directors or executive officers have interests in the Merger and the related transactions that are different from those of CCIT stockholders?

A:

CCIT stockholders should be aware that certain of CCIT's directors and executive officers and CCIT's advisor, Cole Corporate Income Advisors, LLC, a Delaware limited liability company, or CCI Advisors, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof. The CCIT board of directors was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions and in recommending that CCIT stockholders vote **FOR** the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement. For a description of these interests, see "The Merger Interests of CCIT's Directors, Executive Officers and Advisor in the Merger and Related Transactions" beginning on page 153 of this joint proxy statement/prospectus.

Q:

How will SIR shareholders be affected by the Merger and the SIR Share Issuance?

A:

After the completion of the Merger and the SIR Share Issuance, each SIR shareholder will continue to own the SIR Common Shares that such shareholder held immediately prior to the Merger and the SIR Share Issuance. As a result of the Merger and the SIR Share Issuance, each SIR shareholder will own shares in a larger company with more assets. However, because SIR will be issuing new SIR Common Shares to CCIT stockholders as Share Consideration in the Merger, each SIR Common Share issued and outstanding immediately prior to the Merger will represent a smaller percentage of the aggregate number of SIR Common Shares issued and outstanding after the completion of the Merger and the SIR Share Issuance.

Q:

What do I need to do now?

A:

After you have read this joint proxy statement/prospectus carefully, please complete, sign and date your proxy card or voting instruction form and return it in the enclosed preaddressed postage paid envelope or, if available, vote by one of the other methods specified in your proxy card or voting instruction form as promptly as possible so that your SIR Common Shares or shares of CCIT Common Stock will be represented and voted at the SIR special meeting or the CCIT special meeting, as applicable.

Please refer to your proxy card, which is included with this joint proxy statement/prospectus, or the voting instruction form forwarded by your broker or other nominee with this joint proxy statement/prospectus to see which voting options are available to you.

The method by which you vote will in no way limit your right to vote at the SIR special meeting or the CCIT special meeting if you later decide to attend the meeting in person. However, if your SIR Common Shares or shares of CCIT Common Stock are held in the name of a broker or other nominee, you must obtain a "legal proxy," executed in your favor, from your broker or other nominee, to be able to vote in person at the SIR special meeting or the CCIT special meeting. Obtaining a legal proxy may take several days.

CCIT stockholders should also have received, or will receive soon, an election form which permits them to make an election, subject to proration and certain adjustments in accordance with the Merger Agreement, between either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. CCIT stockholders should

Table of Contents

complete and return the election form in accordance with the instructions contained therein as promptly as possible and prior to the election deadline.

Q:

How will my proxy be voted?

A:

All SIR Common Shares entitled to vote and which are represented by properly completed proxies received prior to the SIR special meeting, which are not revoked, will be voted at the SIR special meeting as instructed on the proxies. If you properly submit a proxy card, but do not indicate how your SIR Common Shares should be voted on a matter, the SIR Common Shares represented by your proxy card will be voted as the SIR board of trustees unanimously recommends and therefore **FOR** the proposal to approve the SIR Share Issuance and **FOR** the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance. If you do not provide voting instructions to your broker or other nominee, your SIR Common Shares will **NOT** be voted at the SIR special meeting and will be considered broker non-votes.

All shares of CCIT Common Stock entitled to vote and which are represented by properly completed proxies received prior to the CCIT special meeting, which are not revoked, will be voted at the CCIT special meeting as instructed on the proxies. If you properly submit a proxy card, but do not indicate how your shares of CCIT Common Stock should be voted on a matter, the shares of CCIT Common Stock represented by your proxy card will be voted as the CCIT board of directors unanimously recommends and therefore **FOR** the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement and **FOR** the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement.

Q:

Can I revoke my proxy or change my vote after I have delivered my proxy?

A:

Yes. You may revoke your proxy or change your vote at any time before your proxy is voted at the SIR special meeting or the CCIT special meeting, as applicable. If you are a holder of record, you can do this in any of the three following ways:

by sending a written notice to the Secretary of SIR or the Secretary of CCIT, as applicable, at the address set forth below, in time to be received before the SIR special meeting or the CCIT special meeting, as applicable, stating that you would like to revoke your proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before the SIR special meeting or the CCIT special meeting, as applicable, or by completing a later dated proxy over the Internet or by telephone, in which case your later dated proxy will be recorded and your earlier proxy revoked; or

by attending the SIR special meeting or the CCIT special meeting, as applicable, and voting in person. Simply attending the SIR special meeting or the CCIT special meeting without voting will not revoke your proxy or change your vote.

If your SIR Common Shares or your shares of CCIT Common Stock are held in an account by a broker or other nominee and you desire to change your vote or vote in person, you should contact your broker or other nominee for instructions on how to do so.

The Combined Company

SIR and CCIT expect that the combined company will be the largest publicly traded REIT in the United States focused on domestic office and industrial net leased properties, as measured by square footage. Based on SIR and CCIT properties owned or subject to a binding purchase agreement as of September 30, 2014, the combined company is expected to own 114 properties (344 buildings, leasable land parcels and easements), located in 35 states containing 43.1 million rentable square feet. As of September 30, 2014, these properties were 97.5% leased (based on rentable square feet) to 308 different tenants, with investment grade tenants representing 38.4% of the properties' annualized rental revenues, and the average remaining lease term of these properties, weighted by annualized rental revenues, was 11.0 years.

The Merger and the Merger Agreement

On and subject to the terms and conditions of the Merger Agreement, if the requisite shareholder approval, stockholder approval and other closing conditions are satisfied or waived, CCIT will merge with and into SIR Merger Sub, with SIR Merger Sub surviving as a wholly owned subsidiary of SIR. On and subject to the terms and conditions of the Merger Agreement, including those relating to proration, at the Effective Time, each share of CCIT Common Stock will be converted, at the election of the holder thereof, into the right to receive either (i) the Cash Consideration or (ii) the Share Consideration. On and subject to the terms and conditions of the Merger Agreement, CCIT

stockholders may elect to receive either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. If a CCIT stockholder has not made an election, the shares of CCIT Common Stock held by such stockholder will be converted into the right to receive the Share Consideration, on and subject to the terms of the Merger Agreement. If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds the Maximum Cash Conversion Number or is less than the Minimum Cash Conversion Number, notwithstanding CCIT stockholder elections, the Cash Consideration and the Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. The Merger Consideration also may be adjusted in the event that SIR pays a special distribution to its shareholders or CCIT pays a special distribution to its stockholders prior to the closing date.

A copy of the Merger Agreement is attached as Annex A to this joint proxy statement/prospectus and is incorporated herein by reference. You should read the Merger Agreement carefully and in its entirety because it is the principal document governing the Merger.

Election Procedures

We are mailing to each CCIT stockholder, concurrently with the mailing of this joint proxy statement/prospectus, an election form which permits CCIT stockholders to make an election, subject to proration and certain adjustments in accordance with the Merger Agreement, between either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. The election form will also be mailed or otherwise made available to anyone who becomes a CCIT stockholder after December 12, 2014, but prior to the election deadline described below. The election form allows each CCIT stockholder to elect the number of shares of CCIT Common Stock in respect of which such CCIT stockholder desires to receive the Share Consideration and the number of shares of CCIT Common Stock in respect of which such CCIT stockholder desires to receive the Cash Consideration, subject to proration and certain adjustments in accordance with the Merger Agreement. In order to make a proper election, each CCIT stockholder must complete the election form and return it to the exchange agent by the election deadline.

Unless otherwise agreed by CCIT and SIR and publicly announced, the election deadline will be 5:00 p.m., New York time, on January 21, 2015 (the business day immediately prior to the scheduled date of the CCIT special meeting) and if the CCIT special meeting is adjourned or postponed, the election deadline will be extended to 5:00 p.m., New York time, on the business day immediately prior to the date to which the CCIT special meeting is adjourned or postponed.

o

Portnoy have agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance, on and subject to the terms and conditions of such agreements. The Voting Agreements also contain standstill provisions pursuant to which ARCP has agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months.

CCI Advisors, Cole Realty Advisors, Inc., an Arizona corporation, or CR Advisors, CREI Advisors, LLC, an Arizona limited liability company, or CREI Advisors, and together with CCI Advisors and CR Advisors, the Cole Advisors, and CCIT entered into a Management Termination and Transition Agreement and Second Amendment to the Advisory Agreement by and between CCIT and CCI Advisors which, among other things, provides for the termination upon closing of the Merger of all management agreements previously entered into by any Cole Advisor, on the one hand, and CCIT and its subsidiaries, on the other hand, and the provision of certain transition services by CCI Advisors to SIR and SIR Merger Sub after the closing of the Merger. We refer to this agreement in this joint proxy statement/prospectus as the Termination and Transition Agreement.

The description of each related agreement summarized above is subject to, and qualified in its entirety by, the full text of such agreement. A copy of each related agreement is attached as an Annex to this joint proxy statement/prospectus and is incorporated herein by reference.

Recommendation of the SIR Board of Trustees

The SIR board of trustees unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at the SIR special meeting and (iii) resolved to recommend that SIR shareholders vote in favor of the approval of the SIR Share Issuance.

The SIR board of trustees unanimously recommends that SIR shareholders vote FOR the proposal to approve the SIR Share Issuance and FOR the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

Recommendation of the CCIT Board of Directors

The CCIT board of directors unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted for consideration at the CCIT special meeting and (iii) resolved to recommend that CCIT stockholders vote in favor of the approval of the Merger and the other transactions contemplated by the Merger Agreement.

The CCIT board of directors unanimously recommends that CCIT stockholders vote FOR the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement and FOR the proposal to approve the adjournment of the CCIT special meeting to a later date or

dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement.

Summary of Risk Factors Relating to the Merger

You should consider carefully all the risk factors together with all of the other information in this joint proxy statement/prospectus before deciding how to vote. The risks relating to the Merger and the related transactions are described under the caption "Risk Factors Risks Relating to the Merger" beginning on page 47 of this joint proxy statement/prospectus. The principal risks relating to the Merger include the following:

The exchange ratio in the Merger is fixed and will not be adjusted for changes in the market price of SIR Common Shares.

The Merger Consideration is subject to proration so that at least 40%, but not more than 60%, of the shares of CCIT Common Stock receive the Cash Consideration. Therefore, a CCIT stockholder cannot be certain of the form of Merger Consideration that will be received, regardless of any election such stockholder may make.

The Merger and the other transactions contemplated by the Merger Agreement are subject to conditions, including certain conditions that may not be satisfied or completed on a timely basis, if at all. Failure to complete these transactions could have material and adverse effects on SIR and CCIT.

The Merger Agreement contains provisions that limit CCIT's ability to pursue alternatives to the Merger, could discourage a potential competing acquirer of CCIT from making a favorable alternative proposal and, in specified circumstances, could require SIR or CCIT to pay expenses of up to \$20.0 million to the other party or CCIT to pay a termination fee of \$75.0 million to SIR.

The pendency of the Merger could adversely affect the business and operations of SIR and CCIT.

Certain of SIR's trustees and executive officers and RMR and certain of CCIT's directors and executive officers and CCI Advisors, an indirect wholly owned subsidiary of ARCP, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders or CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof.

If SIR's committed debt financing is not available, or if the Healthcare Properties Sale does not close, SIR may be required to obtain alternative financing for the Merger on terms which are materially less favorable to SIR.

If SIR is unable to finance the Merger and related transactions with longer term senior debt timely and on favorable terms, SIR's anticipated costs of financing the Merger and related transactions could materially increase.

Because SIR will have a large number of shareholders after the closing of the Merger and CCIT Common Stock has not been listed on a national securities exchange prior to the Merger, there may be significant pent up demand to sell SIR Common Shares. Significant sales of SIR Common Shares, or the perception that such sales could occur, may cause the market price of SIR Common Shares to decline significantly following the closing of the Merger.

Table of Contents

Shareholders and Stockholders Entitled to Vote; Votes Required

Select Income REIT

SIR shareholders who own SIR Common Shares at the close of business on December 12, 2014, or the SIR Record Date, are entitled to notice of, and to vote at, the SIR special meeting. SIR expects that, on the SIR Record Date, there will be 59,959,750 SIR Common Shares issued and outstanding and entitled to vote at the SIR special meeting, held by approximately 83 holders of record. Each SIR Common Share is entitled to one vote on each proposal to be voted on at the SIR special meeting.

At the SIR special meeting, the presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum. Abstentions and broker non-votes, if any, will be included in determining whether a quorum is present at the SIR special meeting.

SIR's proposal to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. The proposal to adjourn the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. Pursuant to SIR's bylaws, the chairperson of the SIR special meeting may adjourn the SIR special meeting to a later date or dates, for any reason deemed necessary by the chairperson, without SIR shareholder approval.

See page 82 of this joint proxy statement/prospectus for a description of the effect of abstentions and broker non-votes with respect to the above proposals.

Concurrently with the execution and delivery of the Merger Agreement, CCIT and ARCP entered into the Voting Agreements with GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned 22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares, as of December 10, 2014. Pursuant to the terms of the Voting Agreements, GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy have agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance, on and subject to the terms and conditions of such agreements. The Voting Agreements also contain standstill provisions pursuant to which ARCP has agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months. Interests of SIR's Trustees, Executive Officers and Manager in the Merger and Related Transactions

SIR shareholders should be aware that certain of SIR's trustees and executive officers and SIR's manager, RMR, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof. The SIR board of trustees was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions, and in recommending that SIR shareholders vote for the proposal to approve the SIR Share Issuance. These interests include those discussed below.

Concurrently with the execution and delivery of the Merger Agreement, (i) SIR Merger Sub and SNH entered into the Healthcare Properties Purchase and Sale Agreement for the sale by SIR Merger Sub to SNH of the CCIT subsidiaries owning the Healthcare Properties for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) immediately upon closing of the Merger and (ii) CCIT and ARCP entered into the Voting Agreements with GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned 22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014. Pursuant to the Voting Agreements GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance and ARCP agreed to certain standstill provisions in which it agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months.

RMR is the business and property manager of SIR, SNH and GOV and the personnel and various services that SIR, SNH and GOV require to operate their respective businesses are provided to them by RMR. Messrs. Barry M. Portnoy and Adam D. Portnoy are managing trustees of each of SIR, SNH and GOV and are also directors and/or officers of RMR and the beneficial owners of RMR. Mr. Jeffrey P. Somers is a trustee of SIR and a trustee of each of SNH and GOV. All of the executive officers of SIR, SNH and GOV are also employees of RMR, including Mr. David M. Blackman, SIR's President and Chief Operating Officer, who is also President and Chief Operating Officer of GOV. These individuals may hold equity in or positions with SIR, SNH, GOV and other companies to which RMR provides management services, in addition to the collective beneficial ownership by GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, of approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014.

SIR and SNH each have a business management agreement and property management agreement with RMR. The completion of the Merger by SIR and the Healthcare Properties Sale by SNH are expected to increase the business management and property management fees to be paid to RMR by SIR and SNH under these agreements.

Interests of CCIT's Directors, Executive Officers and Advisor in the Merger and Related Transactions

CCIT stockholders should be aware that certain of CCIT's directors and executive officers and CCIT's advisor, CCI Advisors, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof. The CCIT board of directors was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions and in recommending that CCIT stockholders vote for the approval of the Merger and the other transactions contemplated by the Merger Agreement. These interests include those discussed below.

ARCP indirectly owns and/or controls CCIT's advisor, CCI Advisors, CCIT's property manager, CREI Advisors, and CCIT's sponsor, Cole Capital®. Pursuant to an advisory agreement with CCI Advisors dated January 18, 2011, as amended, or the CCIT Advisory Agreement, CCIT pays CCI Advisors certain advisory, acquisition and disposition fees for services rendered and reimburses CCI Advisors for certain expenses incurred. Mr. Nicholas S. Schorsch, the Chairman, Chief Executive Officer and President of CCIT, and Mr. Simon J. Misselbrook, the Chief Financial Officer and Treasurer of CCIT, are employees of ARCP and Mr. Schorsch has served as an executive officer of CCI Advisors and/or its affiliates. Such persons are compensated by ARCP, in part, for their services to CCIT but do not and did not receive any compensation directly from CCIT.

Concurrently with the execution and delivery of the Merger Agreement, CCIT entered into the Termination and Transition Agreement with the Cole Advisors. Among other things, the Termination and Transition Agreement provides for the termination of the CCIT Advisory Agreement at the Effective Time; however, on or after the Effective Time, CCIT or SIR Merger Sub will pay CCI Advisors the subordinated performance fee and the disposition fee set forth under the terms of the CCIT Advisory Agreement for periods through and including the Effective Time not to exceed \$14.35 million in the aggregate. For additional information on these fees and expense reimbursements provided under the Termination and Transition Agreement, see "Related Agreements Termination and Transition Agreement" beginning on page 210 of this joint proxy statement/prospectus.

In addition, under the terms of the Merger Agreement, for a period of six years after the Effective Time, subject to certain limitations, the surviving entity has agreed to indemnify each executive officer and director of CCIT for costs or expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and paid settlement amounts in connection with any claim, proceeding or investigation pertaining to (i) alleged actions or omissions in such person's capacity as a director or executive officer of CCIT or (ii) the Merger Agreement and any of the transactions contemplated thereby, and will pay in advance of the final disposition of any such claim, proceeding or investigation, the expenses (including attorneys' fees) of any such person. In addition, pursuant to the terms of the Merger Agreement, prior to the Effective Time, CCIT has agreed to obtain and pay the premium for a noncancelable extension of the coverage afforded by CCIT's existing directors' and officers' liability insurance policies, or the D&O Insurance, for any claims reporting or discovery period of at least six years from and after the Effective Time with respect to any claim related to any period prior to the Effective Time. These arrangements are described in detail in the "The Merger Agreement Covenants and Agreements Indemnification of Directors and Officers; Insurance" beginning on page 202 of this joint proxy statement/prospectus.

Misselbrook, CCIT's Chief Financial Officer and Treasurer and Mr. Gavin B. Brandon, CCIT's Senior Vice President of Accounting, each dated November 24, 2014. The indemnification agreements require CCIT to indemnify such persons to the maximum extent permitted by Maryland law against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee or on his behalf in connection with a proceeding, subject to certain exceptions specified in the agreements.

Listing of SIR Common Shares

Approval of the listing on the NYSE of the SIR Common Shares to be issued as Share Consideration in the Merger, subject to official notice of issuance, is a condition precedent to each party's obligation to complete the Merger. SIR has agreed to use its reasonable best efforts to cause such SIR Common Shares to be approved for listing on the NYSE prior to the Effective Time, subject to official notice of issuance. If the Merger is completed, shares of CCIT Common Stock will cease to exist and be deregistered under the Exchange Act.

No Shareholder or Stockholder Appraisal Rights in the Merger

SIR shareholders and CCIT stockholders are not entitled to exercise appraisal rights in connection with the SIR Share Issuance or the Merger. See "No Appraisal Rights" on page 212 of this joint proxy statement/prospectus.

Conditions to Completion of the Merger

A number of conditions must be satisfied or waived, where legally permissible, before the Merger can be completed. These include, among others:

the approval by SIR shareholders of the SIR Share Issuance;

the approval by CCIT stockholders of the Merger and the other transactions contemplated by the Merger Agreement;

the absence of an injunction or law prohibiting the SIR Share Issuance, the Merger or any of the other transactions contemplated by the Merger Agreement;

the effectiveness of the Registration Statement on Form S-4, of which this joint proxy statement/prospectus forms a part;

the approval for listing on the NYSE of the SIR Common Shares to be issued to CCIT stockholders pursuant to the Merger Agreement, subject to official notice of issuance;

the accuracy of the representations and warranties made by the parties in the Merger Agreement and performance by the parties of their obligations under the Merger Agreement (subject in each case to certain materiality standards), and the receipt of officers' certificates from the other party certifying such accuracy;

the absence of any material adverse effect being experienced by any party and the receipt of officers' certificates from the other party certifying the same;

the receipt of a legal opinion from SIR's and CCIT's respective legal counsel regarding such party's qualification as a REIT;

Table of Contents

the receipt by SIR and CCIT, respectively, of an opinion from such party's tax counsel that, although not free from doubt, the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code; and

the receipt of certain lender consents.

Neither SIR nor CCIT can give any assurance as to when or if all of the conditions to the completion of the Merger will be satisfied or waived or that the Merger will occur.

Regulatory Approvals Required for the Merger

Neither SIR nor CCIT is aware of any regulatory approvals that are expected to prevent the completion of the Merger.

No Solicitation; Change in Recommendation

Under the Merger Agreement, CCIT has agreed not to, and to cause its subsidiaries not to, directly or indirectly, (i) solicit, initiate or knowingly facilitate or encourage or take any other action for the purpose of facilitating, any inquiry or the making of any proposal which constitutes, or may reasonably be expected to lead to, a competing acquisition proposal, (ii) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other person or entity information in connection with or for the purpose of encouraging or facilitating, an alternative acquisition proposal or (iii) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement, agreement in principle or other agreement with respect to an alternative acquisition proposal. CCIT has also agreed to, and to cause its subsidiaries to, immediately cease any solicitation, encouragement, discussions or negotiations that may be ongoing with any third parties with respect to a competing acquisition proposal.

However, prior to the approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders, CCIT may, under certain specified circumstances, engage in discussions or negotiations with and provide non-public information regarding itself to a third party making a confidential unsolicited bona fide written competing acquisition proposal. Under the Merger Agreement, CCIT is required to notify SIR promptly if it receives any competing acquisition proposal or inquiry or any request for non-public information in connection with a competing acquisition proposal.

Before the approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders, the CCIT board of directors may withdraw its recommendation to approve the Merger in order to enter into an agreement that constitutes a superior proposal and only then if the CCIT board of directors determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable Maryland law and only then if the CCIT board of directors determines in good faith, after consultation with outside legal counsel and financial advisors, that such agreement constitutes a superior proposal.

Regardless of whether the CCIT board of directors changes its recommendation, CCIT may be obligated to pay to SIR a termination fee in the amount of \$75.0 million if CCIT breaches its obligations with respect to competing acquisition proposals. For more information regarding the termination fee, see "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus.

For more information regarding the limitations on CCIT and the CCIT board of directors to consider other proposals and change its recommendation, see "The Merger Agreement Covenants

and Agreements No Solicitation; Change in Recommendation" beginning on page 197 of this joint proxy statement/prospectus.

Termination of the Merger Agreement

SIR and CCIT may mutually agree to terminate the Merger Agreement before completing the Merger, even after the receipt of approval of SIR shareholders of the SIR Share Issuance or approval of CCIT stockholders of the Merger and the other transactions contemplated by the Merger Agreement.

In addition, either SIR or CCIT (so long as it is not at fault) may terminate the Merger Agreement if:

the Merger is not completed by March 31, 2015;

there is a final, non-appealable order or injunction prohibiting the transactions contemplated by the Merger Agreement, including the Merger and the SIR Share Issuance;

CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement; or

SIR shareholders fail to approve the SIR Share Issuance.

SIR may terminate the Merger Agreement:

if CCIT has breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement that would, or would reasonably be expected to, result in a failure of SIR's conditions to the completion of the Merger and CCIT does not cure such breach within a specified period; provided that SIR is not in breach of any of its representations, warranties, covenants or agreements in the Merger Agreement; or

prior to the receipt of CCIT stockholder approval, in the event that (a) the CCIT board of directors has made an adverse recommendation change, (b) CCIT has breached its obligations with respect to competing acquisition proposals or (c) following the disclosure or announcement of any competing acquisition proposal, the CCIT board of directors has failed to reaffirm publicly its recommendation that CCIT stockholders vote for the Merger and the other transactions contemplated by the Merger Agreement or CCIT has failed to use its best efforts to solicit and obtain the approval of CCIT stockholders for the Merger and the other transactions contemplated by the Merger Agreement.

CCIT may terminate the Merger Agreement:

if SIR has breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement that would, or would reasonably be expected to, result in a failure of CCIT's conditions to the completion of the Merger and SIR does not cure such breach within a specified period; provided, that CCIT is not in breach of any of its representations, warranties, covenants or agreements in the Merger Agreement; or

prior to the receipt of CCIT stockholder approval, to enter into an alternative acquisition agreement that constitutes a superior proposal; provided, that CCIT concurrently pays the \$75.0 million termination payment and CCIT is not in breach of its obligations with respect to competing acquisition proposals.

For more information regarding the rights of SIR and CCIT to terminate the Merger Agreement, see "The Merger Agreement Termination of the Merger Agreement" beginning on page 205 of this joint proxy statement/prospectus.

Termination Payment: Termination Fee and Expense Reimbursement

Generally, all fees and expenses incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement will be paid by the party incurring those expenses, except that SIR will pay or reimburse CCIT for expenses of the exchange agent and certain expenses in connection with printing, filing and mailing this joint proxy statement/prospectus. However, each of CCIT and SIR may be obligated to reimburse the other party for expenses in an aggregate amount not to exceed \$20.0 million if it fails to obtain shareholder or stockholder approval. Additionally, the Merger Agreement provides for the payment of a termination fee by CCIT in the amount of \$75.0 million if the Merger Agreement is terminated under certain circumstances. Pursuant to the Healthcare Properties Purchase and Sale Agreement, if the Merger Agreement is terminated under specified circumstances, SIR may be obligated to reimburse SNH for its expenses in an aggregate amount not to exceed \$2.5 million and, if CCIT is obligated to pay SIR the termination fee described above, SIR may be obligated to pay a pro rata share of the net amount of such fee to SNH after deducting SIR's and SNH's aggregate combined expenses.

For more information regarding the termination fee and expense reimbursement, see "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus. For more information regarding the Healthcare Properties Purchase and Sale Agreement, see "Related Agreements Healthcare Properties Purchase and Sale Agreement" beginning on page 209 of this joint proxy statement/prospectus.

Estimated Transaction Fees

As of the date of this joint proxy statement/prospectus, SIR has incurred or expects to incur aggregate fees, consisting primarily of legal, advisory and commercial banking fees, of approximately \$22.9 million in connection with the Merger and the related transactions. SIR estimates that approximately \$15 million of these transaction fees are contingent upon the completion of the Merger. SIR has also agreed to reimburse CCIT for expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because SIR shareholders fail to approve the SIR Share Issuance at a duly held meeting. If SIR terminates the Merger Agreement because CCIT stockholders do not approve the Merger and CCIT reimburses SIR's expenses as described above, SIR will reimburse SNH for its expenses up to \$2.5 million (or, if SIR's and SNH's aggregate combined expenses are in excess of \$20.0 million, SIR will reimburse SNH for such lesser pro rata share of SNH's expenses).

As of the date of this joint proxy statement/prospectus, CCIT has incurred or expects to incur aggregate fees, consisting primarily of legal and advisory fees, of approximately \$24.5 million in connection with the Merger and the related transactions. Up to approximately \$20.7 million of these transaction fees are contingent upon the completion of the Merger. CCIT has also agreed to reimburse SIR for expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement at a duly held meeting.

Material United States Federal Income Tax Consequences of the Merger

The Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and the completion of the Merger is conditioned on the receipt by each of CCIT and SIR of an opinion from its tax counsel that, although not free from doubt, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. CCIT and SIR have each received an opinion from its respective counsel that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Assuming the Merger so qualifies, holders of CCIT Common Stock generally will not recognize gain or loss for United States federal income tax purposes upon the receipt

Table of Contents

of solely SIR Common Shares in exchange for CCIT Common Stock in connection with the Merger, except with respect to cash received in lieu of fractional SIR Common Shares. Holders of CCIT Common Stock generally will recognize gain or loss if they exchange all of their shares of CCIT Common Stock for cash in the Merger. Generally, holders of CCIT Common Stock will recognize gain, but not loss, if they exchange some of their shares of CCIT Common Stock for SIR Common Shares and other shares for cash, but their taxable gain in that case will not exceed the cash they receive in the Merger. In addition, assuming the Merger so qualifies, CCIT will not recognize any gain or loss as a result of the Merger. As CCIT's successor, SIR will inherit CCIT's tax attributes and would generally be liable for unpaid taxes, including penalties and interest (if any), of CCIT.

With respect to the related Healthcare Properties Sale, any gains SIR recognizes from that transaction will qualify as income that satisfies the 75% and 95% gross income tests described in more detail in "Material United States Federal Income Tax Considerations Material United States Federal Income Tax Considerations Related to SIR Common Shares REIT Qualification Requirements Income Tests" beginning on page 168 of this joint proxy statement/prospectus.

Accounting Treatment of the Merger

In accordance with U.S. generally accepted accounting principles, or GAAP, SIR will account for the Merger as a business combination with SIR treated as the acquirer of CCIT for accounting purposes. Under business combination accounting rules, the assets acquired and liabilities assumed will be recorded as of the acquisition date, at their respective fair value, and added to those of SIR. Any excess of purchase price over the fair values will be recorded as goodwill. Consolidated financial statements of SIR issued after the Merger would include CCIT assets acquired and retained by SIR in the Merger from the date the Merger is completed, but not for periods prior to the completion of the Merger.

Comparison of Rights of SIR Shareholders and CCIT Stockholders

At the Effective Time, CCIT stockholders who receive the Share Consideration will become SIR shareholders and, accordingly, their rights will be governed by SIR's declaration of trust and bylaws. SIR's declaration of trust and bylaws contain provisions that are different from CCIT's charter and bylaws in various ways.

For a summary of certain material differences between the rights of SIR shareholders and CCIT stockholders, see "Comparison of Rights of SIR Shareholders and CCIT Stockholders" beginning on page 213 of this joint proxy statement/prospectus.

The CCIT Board of Directors Recommends that CCIT Stockholders Reject the Unsolicited Tender Offer by CMG Partners, LLC

On November 4, 2014, CMG Partners, LLC and four other funds under common management with CMG Partners, LLC made an unsolicited tender offer to purchase from CCIT stockholders up to an aggregate of 2,000,000 shares, or 1.0% of the outstanding shares, of CCIT Common Stock at a price of \$7.00 per share, or the CMG Offer. As indicated in the Schedule 14D-9 filed by CCIT with the SEC on November 18, 2014, the CCIT board of directors has carefully evaluated the terms of the CMG Offer and recommends that CCIT stockholders REJECT the CMG Offer and not tender their shares. As discussed in more detail in the letter mailed to CCIT stockholders in connection with the CMG Offer, one of the primary reasons the CCIT board of directors recommends that CCIT stockholders reject the CMG Offer is the pending Merger. The letter is a part of and incorporated into the Schedule 14D-9 filed by CCIT with the SEC and is available on the SEC's website at www.sec.gov. For a discussion of the CCIT board of directors' reasons for proposing the Merger and related transactions, please see "The Merger Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions" beginning on page 108 of this joint/proxy statement prospectus.

Unaudited Pro Forma Condensed Consolidated Financial Information

Introduction to Unaudited Pro Forma Condensed Consolidated Financial Statements

On August 30, 2014, SIR, CCIT and SIR Merger Sub entered into the Merger Agreement. On and subject to the terms and conditions of the Merger Agreement, CCIT will merge with and into SIR Merger Sub with SIR Merger Sub surviving as a wholly owned subsidiary of SIR.

The following unaudited pro forma condensed consolidated balance sheet as of September 30, 2014 reflects SIR's financial position as if the Merger and the other transactions described in the notes to the unaudited pro forma condensed consolidated financial statements were completed as of September 30, 2014. The unaudited pro forma condensed consolidated statements of income for the year ended December 31, 2013 and for the nine months ended September 30, 2014, reflect the results of SIR's operations as if the Merger and the other transactions described in the notes to the unaudited pro forma condensed consolidated financial statements were completed as of January 1, 2013. These unaudited pro forma condensed consolidated financial statements should be read in connection with (i) SIR's and CCIT's condensed consolidated unaudited financial statements, and related notes thereto, as of and for the three and nine months ended September 30, 2014, included in, or incorporated by reference into, this joint proxy statement/prospectus and in SIR's and CCIT's Quarterly Reports on Form 10-Q for the quarter ended September 30, 2014, as filed with the SEC on October 27, 2014 and November 14, 2014, respectively, (ii) SIR's and CCIT's audited consolidated financial statements, and the related notes thereto, as of and for the fiscal year ended December 31, 2013, included or incorporated by reference into this joint proxy statement/prospectus and in SIR's and CCIT's Annual Reports on Form 10-K for the year ended December 31, 2013, as filed with the SEC on February 21, 2014 and March 31, 2014, respectively, and (iii) SIR's unaudited pro forma consolidated statement of income for the year ended December 31, 2013 in SIR's Current Report on Form 8-K, as filed with the SEC on February 28, 2014 and incorporated by reference into this joint proxy statement/prospectus, or the SIR Historical Pro Forma.

These unaudited pro forma condensed consolidated financial statements are provided for informational purposes only. Upon completion of any long term financing, SIR's financial position and results of operations may be significantly different than what is presented in these unaudited pro forma condensed consolidated financial statements. In the opinion of management, all adjustments necessary to reflect the effects of the Merger and the other transactions described in the notes to the unaudited pro forma condensed consolidated financial statements have been included.

The purchase price allocation of SIR's acquisitions described in the notes and reflected in these unaudited pro forma condensed consolidated financial statements are based on preliminary estimates of the fair value of assets acquired and liabilities assumed. Actual amounts allocated to assets acquired and liabilities assumed when the acquisition is completed could change significantly from those used in the unaudited pro forma condensed consolidated financial statements.

These unaudited pro forma condensed consolidated financial statements are not necessarily indicative of SIR's expected financial position, or SIR's results of operations, for any future period. Differences could result from numerous factors, including future changes in SIR's portfolio of investments, changes in interest rates, changes in SIR's capital structure, changes in property level operating expenses, changes in property level revenues, including rents expected to be received on SIR's existing leases or leases SIR may enter into during and after 2014, and for other reasons. Actual future results are likely to be different from amounts presented in the unaudited pro forma condensed consolidated financial statements and such differences could be significant.

Basis of Accounting:

As of September 30, 2014, SIR owned 50 properties (280 buildings, leasable land parcels and easements) with approximately 27.0 million rentable square feet. As of September 30, 2014, not including the Healthcare Properties, CCIT owned 64 properties (64 buildings) with approximately 16.1 million rentable square feet. The historical unaudited pro forma condensed consolidated financial statements include SIR's and CCIT's accounts and the accounts of their consolidated subsidiaries. All intercompany transactions and balances have been eliminated. Although unrelated to the Merger, pro forma adjustments for SIR's acquisition in April 2014 of one property located in Naperville, Illinois are presented in the unaudited pro forma condensed consolidated income statement because this acquisition by SIR was considered individually significant.

(2)

The Merger and Related Transactions:

The adjustments to SIR Historical information in the unaudited pro forma condensed consolidated balance sheet, and to SIR Adjusted Historical information in the unaudited pro forma condensed consolidated income statements represent the effects of the Merger Agreement, including the related acquisition of CCIT's full property portfolio which includes 64 office and industrial net lease properties, or the 64 CCIT Properties, as well as the Healthcare Properties, for estimated total consideration of approximately \$2.9 billion, including the assumption of approximately \$297.7 million of mortgage principal (of which approximately \$30.0 million will be assumed by SNH in the Healthcare Properties Sale) and excluding acquisition related costs.

As part of the transaction, SIR entered into the Healthcare Properties Purchase and Sale Agreement to sell the Healthcare Properties for a purchase price of \$539.0 million (approximately \$509.0 million in net proceeds exclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) immediately upon the completion of the Merger, which is currently expected to take place during the first quarter of 2015, resulting in an estimated net purchase price to SIR of approximately \$2.4 billion, excluding closing costs.

SIR expects to fund the net purchase price of CCIT by a combination of borrowing under its revolving credit facility and a new \$1.0 billion senior unsecured bridge loan facility and the SIR Share Issuance. SIR also plans to seek longer term financing of the transaction through the issuance of senior unsecured notes, either before the acquisition closes or by refinancing some or all of these borrowings after the acquisition closes.

(1) Principal balance of the related mortgage notes payable was \$267.7 million.

(2) The allocation of purchase price is based on preliminary estimates and may change significantly following the completion of (i) third party appraisals and (ii) SIR's analysis of acquired in place leases and building valuations. Purchase price excludes acquisition costs.

In accordance with GAAP, SIR will account for the Merger as a business combination with SIR treated as the acquirer of CCIT for accounting purposes. Under business combination accounting rules, the assets acquired and liabilities assumed will be recorded as of the acquisition date, at their respective fair value, and added to those of SIR. Any excess of purchase price over the fair values will be recorded as

Edgar Filing: Select Income REIT - Form S-4/A

goodwill. SIR estimated the purchase price allocations and the useful lives of the 64 CCIT Properties. In some circumstances, SIR engaged an independent real estate consulting firm to provide market information and evaluations which are relevant to purchase price allocations and determinations of useful lives; however, SIR is ultimately responsible for the purchase price allocations and determinations of useful lives. SIR allocated the purchase prices of the 64 CCIT Properties to land, building and improvements based on determinations of the fair values of these assets assuming the properties are vacant. SIR determined the fair value of each property using methods similar to those used by independent appraisers. Since all of the 64 CCIT Properties qualify as acquired businesses under Accounting Standards Codification 805 Business Combinations, SIR allocated a portion of the purchase price of the 64 CCIT Properties to above market and below market leases based on the present value (using an estimated interest rate which reflects the risks associated with acquired in place leases at the time each property is expected to be acquired) of the difference, if any, between (i) the contractual amounts to be paid pursuant to the acquired in place leases and (ii) estimates of fair market lease rates for the corresponding leases, measured over a period equal to

Table of Contents

the terms of the respective leases. The terms of below market leases that include bargain renewal options, if any, are further adjusted if SIR determines the renewal to be probable. None of the leases at the 64 CCIT Properties include bargain renewal options. SIR allocated a portion of the purchase price to acquired in place leases and tenant relationships in an amount, if any, equal to the excess of (i) the purchase price paid for each property, after adjusting existing acquired in place leases to market rental rates, over (ii) the estimated fair value of the property, as if vacant. SIR allocated this aggregate value between acquired in place lease values and tenant relationships based on an evaluation of the specific characteristics of each tenant's lease. However, SIR has not separated the value of tenant relationships from the value of acquired in place leases because such value and related amortization expense is immaterial to the accompanying unaudited pro forma condensed consolidated financial statements. In making these allocations, SIR considered factors such as estimated carrying costs during the expected lease up periods, including real estate taxes, insurance and other operating income and expenses and costs, such as leasing commissions, legal and other related expenses, to execute similar leases in current market conditions at the time a property was acquired by it. Consolidated financial statements of SIR issued after the Merger would include CCIT assets acquired and retained by SIR in the Merger from the date the Merger is completed, but not for periods prior to the completion of the Merger.

(3)

Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet Adjustments:

(A)

The adjustments represent the effects of the Merger Agreement including the related acquisition of CCIT's full property portfolio which includes the 64 CCIT Properties, as well as the Healthcare Properties, for a total purchase price of approximately \$2.9 billion, including the assumption of approximately \$297.7 million of mortgage debt and excluding acquisition related costs.

Estimates of fair value of acquired land, building and improvements, acquired real estate leases, assumed real estate lease obligations and working capital accounts have been incorporated into the pro forma balance sheet, including the following:

(i)

Rents receivable: Represents an adjustment of \$25.7 million to eliminate CCIT's existing accumulated straight-line rent balance for tenant leases. The pro forma CCIT rents receivable balance of \$7.3 million represents the fair value of current amounts receivable from tenants as of September 30, 2014.

(ii)

Deferred financing costs, net: Represents an adjustment of \$10.1 million to eliminate CCIT's existing unamortized capitalized financing fees related to debt expected to be repaid at the Effective Time.

(iii)

Other assets: Represents adjustments to eliminate deferred gains recorded by CCIT related to interest rate swaps, based on estimated market values of the related derivative instruments as of November 14, 2014.

(iv)

Accounts payable and accrued expenses: Represents adjustments to eliminate deferred losses recorded by CCIT related to interest rate swaps, based on estimated market values of the related derivative instruments as of November 14, 2014.

The adjustments to reduce mortgage notes payable reflect changes in market interest rates and the impact on the value of CCIT's fixed rate mortgages as of November 14, 2014.

The adjustment to reduce CCIT's obligation to redeem redeemable CCIT Common Stock and noncontrolling interest reflects the exchange of shares of redeemable CCIT Common Stock for the Merger Consideration, and the allocation of a portion of the estimated purchase price to CCIT's noncontrolling interest. Noncontrolling interest represents an 11% ownership interest held by an unrelated joint venture partner in one of the 64 CCIT Properties.

Table of Contents

On and subject to the terms and conditions of the Merger Agreement, including those relating to proration, at the Effective Time, which is currently expected to take place during the first quarter of 2015, each share of CCIT Common Stock, other than shares held by any wholly owned subsidiary of CCIT or by SIR or any of SIR's wholly owned subsidiaries, will be converted into the right to receive either (i) the Cash Consideration or (ii) the Share Consideration, in each case, subject to proration and certain adjustments. If a CCIT stockholder has not made an election, on and subject to the terms and conditions of the Merger Agreement, the shares of the CCIT Common Stock held by such stockholder will be converted into the right to receive the Share Consideration. If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds the Maximum Cash Conversion Number or is less than the Minimum Cash Conversion Number, notwithstanding the CCIT stockholder elections, the Cash Consideration and Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. The Merger Consideration may also be adjusted in the event that SIR pays a special distribution to its shareholders or CCIT pays a special distribution to its stockholders prior to the closing date.

Pro forma adjustments assumes that the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration equals the Maximum Cash Conversion Number, which currently results in the highest amount of aggregate Merger Consideration. The following summarizes the calculation of estimated Merger Consideration (share numbers and dollar amounts in thousands, except per share dollar amounts):

Total shares of CCIT Common Stock at Effective Time	197,817.98
Maximum cash election percentage	60%

Subtotal (Maximum Cash Conversion Number)	118,690.79
Cash Consideration	\$ 10.50

Maximum aggregate Cash Consideration payable	\$ 1,246,253.27

Total shares of CCIT Common Stock at Effective Time	197,817.98

Subtotal	79,127.19
Times 0.360	0.360

SIR Common Shares issuable	28,485.79
Closing price of SIR Common Shares on November 14, 2014	\$ 24.20

Estimated value of aggregate Share Consideration	\$ 689,356.10

Maximum aggregate Cash Consideration payable	\$ 1,246,253.27
Estimated value of aggregate Share Consideration	689,356.10

Edgar Filing: Select Income REIT - Form S-4/A

Estimated aggregate Merger Consideration payable	\$ 1,935,609.37
--	-----------------

The value of the Share Consideration is currently based on the closing price of SIR Common Shares on November 14, 2014. A 10% change in the closing price of SIR Common Shares would change the estimated net purchase price by approximately \$68.9 million, and net income attributable to SIR by approximately \$0.02 per SIR Common Share. In addition, the estimated net purchase price would decrease by approximately \$70.7 million assuming the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration equals the Minimum Cash Conversion Number.

(B)

The adjustments represent the sale of the Healthcare Properties Sale to SNH for approximately \$539.0 million (including approximately \$509.0 million in net proceeds exclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) immediately upon closing of the Merger. The additional adjustment to mortgage notes payable represents premium on mortgages transferred to SNH with the Healthcare Properties.

CCIT Historical information combined with adjustments presented in Notes (3)(A) and (3)(B) is equal to the preliminary net purchase price allocation presented in Note (2).

(C)

The adjustments represent SIR's new \$1.0 billion senior unsecured bridge loan facility, less the aggregate adjustments to SIR's and CCIT's revolving credit facilities. Aggregate adjustments to the revolving credit facilities represent the portion of the net purchase price funded with borrowings of \$501.6 million under SIR's \$750.0 million revolving credit facility and repayments of CCIT's revolving credit facility of \$715.0 million expected to be made at closing. SIR's credit facility had \$60.0 million drawn and \$690.0 million available for borrowings as of November 14, 2014.

The adjustment to deferred financing costs reflects estimated transaction costs of \$1.9 million directly related to the assumption of CCIT mortgage debt and \$6.0 million related to SIR's new \$1.0 billion senior unsecured bridge loan facility. The adjustment to reduce cumulative net income reflects estimated transaction costs directly related to the Merger. Estimated transaction costs totaling \$41.4 million have been excluded from the unaudited pro forma condensed consolidated statements of income as they reflect nonrecurring charges.

Notes to Unaudited Pro Forma Condensed Consolidated Statements of Income Adjustments:

(D)

Rental income: Represents the terms of SIR's current lease for the Naperville, Illinois property, which SIR acquired on April 1, 2014 for a purchase price of \$187.5 million, excluding acquisition related costs. This property was acquired and simultaneously leased back to the seller in a sale/leaseback transaction and was accounted for as an asset acquisition. For pro forma purposes, SIR has assumed that the lease with the prior owner was in place as of January 1, 2013.

Other operating expenses: Adjusts other operating expenses related to this Naperville, Illinois property based on SIR's contractual obligations under its property management agreement with RMR.

Depreciation and amortization: Adjusts depreciation and amortization expenses related to this Naperville, Illinois property. Real estate investments are depreciated on a straight-line basis over estimated useful lives ranging up to forty years.

General and administrative expenses: Adjusts general and administrative expenses related to this Naperville, Illinois property. General and administrative expense adjustments are based on SIR's contractual obligation under its business management agreement with RMR.

Interest expense: Adjusts interest expense related to this Naperville, Illinois property assuming the acquisition of this property had occurred on January 1, 2013 and was financed using borrowings under SIR's revolving credit facility. The interest rate used to calculate the pro forma interest expense adjustment is the weighted average interest rate for the nine months ended September 30, 2014 and year ended December 31, 2013, or 1.45% and 1.50%, respectively. A change in SIR's variable interest rate by plus or minus $\frac{1}{8}$ of a percent would increase or decrease, respectively, SIR's annual pro forma acquisitions related interest expense by approximately \$0.2 million.

(E)

Rental income: Adjusts rental income for properties acquired by CCIT as of September 30, 2014 based on historical results as if those properties were acquired as of January 1, 2013,

Edgar Filing: Select Income REIT - Form S-4/A

except for pro forma purposes, SIR has assumed that leases signed and effective immediately following CCIT's acquisition of acquired properties with no rental history were in place as of the later of (i) January 1, 2013 or (ii) the date construction was completed.

Tenant reimbursements and other income: Adjusts tenant reimbursements and other income for properties acquired by CCIT as of September 30, 2014 based on historical results as if those properties were acquired as of January 1, 2013, except for pro forma purposes, SIR has assumed that leases signed and effective immediately following CCIT's acquisition of acquired properties with no rental history were in place as of (i) January 1, 2013 or (ii) the date construction was completed.

Real estate taxes: Adjusts real estate taxes for properties acquired by CCIT since January 1, 2013 based on historical results.

Other operating expenses: Adjusts other operating expenses for properties acquired by CCIT since January 1, 2013 based on historical results. See footnote (I) for related adjustment.

Acquisition related costs: Adjustment eliminates historical acquisition related costs as if the properties acquired by CCIT after January 1, 2013 occurred as of January 1, 2013.

Interest expense:

For the twelve months ended December 31, 2013: Adjustment eliminates historical interest expense of \$7.5 million related to CCIT's revolving credit facility and term loan. CCIT's revolving credit facility and term loan are expected to be repaid at the Effective Time. The elimination of \$7.5 million of revolving credit facility and term loan interest is partially offset by the \$4.7 million increase in interest on mortgages assumed with certain properties acquired subsequent to January 1, 2013 as if the acquisition of the related properties occurred on January 1, 2013.

For the nine months ended September 30, 2014: Adjustment eliminates historical interest expense of \$12.7 million related to CCIT's revolving credit facility and term loan. CCIT's revolving credit facility and term loan are expected to be repaid at the Effective Time.

Noncontrolling interest: Adjusts noncontrolling interest based on historical results as if the property was acquired as of January 1, 2013. Noncontrolling interest represents an 11% ownership interest held by an unrelated joint venture partner in one of the 64 CCIT Properties acquired during 2013.

(F)

Represents the adjustment to revenues, certain operating expenses and mortgage interest related to the Healthcare Properties that are expected to be sold to SNH, as if those properties were sold to SNH as of January 1, 2013. These pro forma adjustments are based on historical results except, for pro forma purposes, SIR has assumed that leases signed and effective immediately following CCIT's acquisition of acquired properties were in place as of January 1, 2013.

Unaudited Comparative Per Share Information

The following tables set forth, for the nine months ended September 30, 2014 and for the fiscal year ended December 31, 2013, selected per share information for SIR Common Shares on a historical and pro forma combined basis and for CCIT Common Stock on a historical and pro forma equivalent basis, each on an unaudited basis after giving effect to the Merger and the Healthcare Properties Sale. SIR will account for the Merger as a business combination with SIR treated as the acquirer of CCIT for accounting purposes. The SIR adjusted historical information for the nine months ended September 30, 2014 includes adjustments to reflect SIR's acquisition of one property in Naperville, Illinois in April 2014, which is unrelated to the Merger but included in the pro forma condensed consolidated financial information because the acquisition is considered individually significant. The SIR adjusted historical information for the twelve months ended December 31, 2013 is based on SIR's unaudited pro forma consolidated statement of income for the year ended December 31, 2013 in SIR's Current Report on Form 8-K, as filed with the SEC on February 28, 2014 and incorporated by reference into this joint proxy statement/prospectus, plus the Naperville, Illinois acquisition noted above. The data is derived from and should be read in conjunction with the SIR and CCIT audited consolidated financial statements and related notes, the unaudited condensed consolidated interim financial statements of SIR and CCIT and related notes, and the unaudited pro forma condensed consolidated financial information and related notes, which are incorporated by reference and included elsewhere in this joint proxy statement/prospectus, respectively.

The pro forma consolidated CCIT equivalent information shows the effect of the Merger and the Healthcare Properties Sale from the perspective of an owner of shares of CCIT Common Stock.

The unaudited pro forma consolidated per share data is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial position that would have occurred if the transactions had been completed at the beginning of the earliest period presented, nor is it necessarily indicative of future operating results or financial position. The pro forma adjustments are estimates based upon information and assumptions available at the time of the filing of this joint proxy statement/prospectus.

The pro forma income from continuing operations per share includes the combined income from continuing operations of SIR and CCIT on a pro forma basis as if the transactions were completed on January 1, 2013.

Following the transaction, the SIR Common Shares will continue to be listed on the NYSE. SIR has agreed to use its reasonable best efforts to cause the SIR Common Shares to be issued as Share Consideration in the Merger to be approved for listing on the NYSE prior to the Effective Time, subject to official notice of issuance.

CCIT's Distribution Data

CCIT elected to be taxed, and currently qualifies as, a REIT for United States federal income tax purposes. As a REIT, CCIT has made distributions each taxable year equal to at least 90% of its taxable income (computed without regard to the dividends paid deduction and excluding net capital gains). One of CCIT's primary goals is to pay regular (monthly) distributions to its stockholders.

There is no established public trading market for shares of CCIT Common Stock. The following table shows the distributions CCIT paid on a per share basis during the years ended December 31, 2013, 2012 and 2011:

The CCIT board of directors authorized a daily distribution, based on 365 days in the calendar year, of \$0.001780821 per share (which equates to approximately 6.50% on an annualized basis calculated at the current rate, assuming a \$10.00 per share purchase price) for CCIT stockholders of record as of the close of business on each day of the period commencing on January 1, 2014 and ending on December 31, 2014.

RISK FACTORS

In addition to the other information included and incorporated by reference into this joint proxy statement/prospectus, including the matters addressed in the section entitled "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61 of this joint proxy statement/prospectus, you should carefully consider the following risks before deciding how to vote your SIR Common Shares or shares of CCIT Common Stock, as applicable. In addition, you should read and consider the risks associated with each of the businesses of SIR and CCIT because these risks will also affect the combined company following the completion of the Merger. Risks related to SIR's business can be found in SIR's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 and risks related to CCIT's business can be found in CCIT's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, each on file with the SEC, and other reports filed by SIR and CCIT with the SEC, which are incorporated by reference into this joint proxy statement/prospectus. You should also read and consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. See "Where You Can Find More Information; Incorporation by Reference" beginning on page 226 of this joint proxy statement/prospectus.

Risks Relating to the Merger

The exchange ratio in the Merger is fixed and will not be adjusted for changes in the market price of SIR Common Shares.

As provided in the Merger Agreement, at least 40% of the Merger Consideration is to be paid in Share Consideration, which is the right to receive 0.360 of a SIR Common Share for each share of CCIT Common Stock plus cash paid in lieu of fractional shares. The exchange ratio for the Share Consideration was fixed in the Merger Agreement and, while subject to adjustment in limited circumstances, such exchange ratio will not be adjusted for changes in the market price of SIR Common Shares.

The market price of SIR Common Shares may change as a result of a variety of factors (many of which are beyond SIR's control), including the following:

market reaction to the announcement of the Merger, the SIR Share Issuance and the prospects of the combined company;

changes in the respective businesses, operations, assets, liabilities, financial position and prospects of SIR or CCIT or in market assessments thereof;

changes in the operating performance of SIR, CCIT or similar companies;

changes in market valuations of similar companies;

market assessments of the likelihood that the Merger will be completed;

changes in prevailing interest rates or other debt financing terms, including changes that make SIR's financing of the Merger more expensive than originally expected or render the CCIT acquisition dilutive to current SIR shareholders;

interest rates on debt investments available to investors, general market and economic conditions and other factors generally affecting the value of an investment in SIR Common Shares;

federal, state and local legislation, governmental regulation and legal developments in the businesses in which SIR and CCIT operate;

dissident shareholder activity;

changes that affect the commercial real estate market generally;

Table of Contents

changes in the U.S. or global economy or capital, financial or securities markets generally; and

other factors beyond the control of either SIR or CCIT, including those described or referred to elsewhere in this "Risk Factors" section.

Changes in the market price of SIR Common Shares prior to the completion of the Merger will affect the market value of the Share Consideration. The market price of a SIR Common Share at the completion of the Merger may vary from its price on the date the Merger Agreement was executed, on the date of this joint proxy statement/prospectus and on the date of SIR's special meeting and CCIT's special meeting. For example, based on the range of closing market prices of SIR Common Shares during the period from August 29, 2014, the last trading day before public announcement of the Merger, through December 10, 2014, the latest practicable date before the date of this joint proxy statement/prospectus, the exchange ratio of 0.360 of a SIR Common Share represented a market value ranging from a low of \$8.20 to a high of \$10.04. Because the Merger will be completed after the date of the special meetings, at the time of your special meeting, you will not know the exact market price of SIR Common Shares that CCIT stockholders receiving the Share Consideration will receive upon completion of the Merger. You should therefore consider that:

If the market price of SIR Common Shares declines between the date the Merger Agreement was signed or the date of the CCIT special meeting and the Effective Time, CCIT stockholders will receive shares that have a market price upon completion of the Merger that is less than the market price of such shares calculated pursuant to the exchange ratio on the date the Merger Agreement was signed or on the date of the CCIT special meeting, respectively.

If the market price of SIR Common Shares increases between the date the Merger Agreement was signed or the date of SIR's special meeting and the Effective Time, CCIT stockholders will receive shares that have a market price upon completion of the Merger that is greater than the market price of such shares calculated pursuant to the stock exchange ratio when the Merger Agreement was signed or the date of SIR's special meeting, respectively.

The Merger Consideration is subject to proration so that at least 40%, but not more than 60%, of the shares of CCIT Common Stock receive the Cash Consideration. Therefore, a CCIT stockholder cannot be certain of the form of Merger Consideration that will be received, regardless of any election such stockholder may make.

The Merger Agreement limits the Cash Consideration payable by SIR to Cash Consideration for not more than 60% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time. If holders of more than 60% of the issued and outstanding shares of CCIT Common Stock make a valid cash election, a pro rata portion of the shares for which a valid cash election was made will be converted into the right to receive the Share Consideration so that cash elections do not exceed such 60% cash "cap." If such proration is required, holders of shares of CCIT Common Stock who elected to receive the Cash Consideration may receive a portion of their consideration in SIR Common Shares.

The Merger Agreement also requires that SIR pay the Cash Consideration for no less than 40% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time. If holders of less than 40% of the issued and outstanding shares of CCIT Common Stock make a valid cash election, and the number of non-electing shares (which would receive the Cash Consideration in such circumstances) are insufficient to cover the shortfall, a pro rata portion of the shares for which a valid share election was made will be converted into the right to receive cash so that at least 40% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time receive the Cash Consideration. If such proration is required, holders of CCIT Common Stock who elected to receive the Share Consideration may receive a portion of their consideration in cash.

Table of Contents

The Merger and the other transactions contemplated by the Merger Agreement are subject to conditions, including certain conditions that may not be satisfied, or completed on a timely basis, if at all. Failure to complete these transactions could have material and adverse effects on SIR and CCIT.

The completion of the Merger and the other transactions contemplated by the Merger Agreement are subject to a number of conditions, including the approval by SIR shareholders of the SIR Share Issuance, the approval of the Merger by CCIT stockholders and the receipt of certain lender consents which make the completion, and the timing of the completion, of the Merger uncertain. See the section entitled "The Merger Agreement – Conditions to Completion of the Merger" beginning on page 191 of this joint proxy statement/prospectus for a more detailed discussion. Also, either SIR or CCIT may terminate the Merger Agreement if the Merger is not completed by March 31, 2015, except that this right to terminate the Merger Agreement will not be available to a party if that party failed to fulfill its obligations under the Merger Agreement and that failure was a principal cause of, or, resulted in, the failure of the Merger to be completed on or before such date.

If the transactions contemplated by the Merger Agreement are not completed on a timely basis, or at all, SIR and CCIT may be adversely affected and subject to a number of risks, including the following:

SIR and CCIT will be required to pay their respective costs relating to the transactions contemplated by the Merger Agreement, such as legal, accounting, financial advisory and printing fees, whether or not such transactions are completed;

each of SIR and CCIT may be obligated to reimburse the other for expenses in an aggregate amount not to exceed \$20.0 million if it fails to obtain shareholder or stockholder approval;

the time and resources committed by SIR's and CCIT's respective management to matters relating to the transactions contemplated by the Merger Agreement could otherwise have been devoted to pursuing other beneficial opportunities; and

the market price of SIR Common Shares could decline to the extent that the current market price reflects, and is positively affected by, a market assumption that the transactions contemplated by the Merger Agreement and the Healthcare Properties Purchase and Sale Agreement will be completed.

The Merger Agreement contains provisions that limit CCIT's ability to pursue alternatives to the Merger, could discourage a potential competing acquirer of CCIT from making a favorable alternative proposal and, in specified circumstances, could require SIR or CCIT to pay expenses of up to \$20.0 million to the other party or CCIT to pay a termination fee of \$75.0 million to SIR.

The Merger Agreement contains certain provisions that restrict CCIT's ability to solicit, initiate or knowingly facilitate or encourage or, subject to certain exceptions, engage in discussions or negotiations with respect to, or enter into any acquisition agreement with respect to, a competing acquisition proposal. Further, even if the CCIT board of directors withdraws or qualifies its recommendation with respect to approval of the Merger and the other transactions contemplated by the Merger Agreement, unless the Merger Agreement has been terminated in accordance with its terms, CCIT will still be required to submit the Merger and the other transactions contemplated by the Merger Agreement to a vote at the CCIT special meeting. In addition, SIR generally has an opportunity to offer to modify the terms of the transactions contemplated by the Merger Agreement in response to any competing acquisition proposal before the CCIT board of directors may withdraw or qualify its recommendation with respect to the Merger.

Upon termination of the Merger Agreement following the failure of SIR shareholders to approve the SIR Share Issuance or CCIT stockholders to approve the Merger, SIR or CCIT, respectively, will be required to pay the expenses of the other in an aggregate amount of up to \$20.0 million. CCIT will

Table of Contents

also be required to pay to SIR a termination fee of \$75.0 million (less any expenses of SIR previously paid as described in the preceding sentence) in certain circumstances, including if SIR terminates the Merger Agreement because the CCIT board of directors changes its recommendation with respect to the Merger prior to the approval of the Merger by CCIT stockholders or CCIT breaches the non-solicitation provisions described above in any material respects or CCIT terminates the Merger Agreement to enter into a definitive agreement that constitutes a superior proposal. See the sections entitled "The Merger Agreement Covenants and Agreements No Solicitation; Change in Recommendation" beginning on page 197 of this joint proxy statement/prospectus, "The Merger Agreement Termination of the Merger Agreement" beginning on page 205 of this joint proxy statement/prospectus and "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus.

These provisions could discourage a potential competing acquirer or merger partner that might have an interest in acquiring all or a significant portion of CCIT or its portfolio from considering or proposing such a transaction, even if it were prepared to pay consideration with a higher per share cash or market value than the per share cash or market value proposed to be received or realized in the transactions contemplated by the Merger Agreement. These provisions also might result in a potential competing acquirer or merger partner proposing to pay a lower price to holders of shares of CCIT Common Stock than it might otherwise have proposed to pay because of the added expense of the \$75.0 million termination fee that may become payable to SIR.

If the Merger Agreement is terminated and after the termination either SIR or CCIT determines to seek another business combination, SIR or CCIT, as applicable, may not be able to negotiate a transaction with another party on terms comparable to, or better than, the terms of the transactions contemplated by the Merger Agreement.

The pendency of the Merger could adversely affect the business and operations of SIR and CCIT.

In connection with the pending Merger, Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement, some tenants or vendors may delay or defer decisions related to their business dealings with SIR or CCIT, which could negatively impact the revenues, earnings, cash flows or expenses of SIR and CCIT, regardless of whether the Merger or Healthcare Properties Sale is completed. In addition, due to operating covenants in the Merger Agreement, each of SIR and CCIT may be unable, during the pendency of the Merger, to pursue certain strategic transactions, undertake certain significant capital projects, undertake certain significant financing transactions and otherwise pursue other actions that are not in the ordinary course of business, even if such actions would prove beneficial to SIR or CCIT, respectively.

Certain of SIR's trustees and executive officers and SIR's manager have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof.

Certain of SIR's trustees and executive officers and SIR's manager, RMR, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof. The SIR board of trustees was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions, and in recommending that SIR shareholders vote for the proposal to approve the SIR Share Issuance. These interests include those discussed below.

Concurrently with the execution and delivery of the Merger Agreement, (i) SIR Merger Sub and SNH entered into the Healthcare Properties Purchase and Sale Agreement for the sale by SIR Merger

Sub to SNH of the CCIT subsidiaries owning the Healthcare Properties for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) immediately upon closing of the Merger and (ii) CCIT and ARCP entered into the Voting Agreements with GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned 22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014. Pursuant to the Voting Agreements GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance and ARCP agreed to certain standstill provisions in which it agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months.

RMR is the business and property manager of SIR, SNH and GOV and the personnel and various services that SIR, SNH and GOV require to operate their respective businesses are provided to them by RMR. Messrs. Barry M. Portnoy and Adam D. Portnoy are managing trustees of each of SIR, SNH and GOV and are also directors and/or officers of RMR and the beneficial owners of RMR. Mr. Jeffrey P. Somers is a trustee of SIR and a trustee of each of SNH and GOV. All of the executive officers of SIR, SNH and GOV are also employees of RMR, including Mr. David M. Blackman, SIR's President and Chief Operating Officer, who is also President and Chief Operating Officer of GOV. These individuals may hold equity in or positions with SIR, SNH, GOV and other companies to which RMR provides management services, in addition to the collective beneficial ownership by GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, of approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014.

SIR and SNH each have a business management agreement and property management agreement with RMR. The completion of the Merger by SIR and the Healthcare Properties Sale by SNH are expected to increase the business management and property management fees to be paid to RMR by SIR and SNH under these agreements.

For more information about these interests, see "The Merger Interests of SIR's Trustees, Executive Officers and Manager in the Merger and Related Transactions" beginning on page 152 of this joint proxy statement/prospectus. For more information about the Healthcare Properties Purchase and Sale Agreement and Voting Agreements, see "Related Agreements Healthcare Properties Purchase and Sale Agreement" beginning on page 209 of this joint proxy statement/prospectus.

Certain of CCIT's directors and executive officers and CCIT's advisor have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof.

Certain of CCIT's directors and executive officers and CCIT's advisor, CCI Advisors, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof. The CCIT board of directors was aware of these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions and in recommending that CCIT stockholders vote for the approval of the Merger and the other transactions contemplated by the Merger Agreement. These interests include those discussed below.

ARCP indirectly owns and/or controls CCIT's advisor, CCI Advisors, CCIT's property manager, CREI Advisors, and CCIT's sponsor, Cole Capital®. Pursuant to the CCIT Advisory Agreement, CCIT pays CCI Advisors certain advisory, acquisition and disposition fees for services rendered and reimburses CCI Advisors for certain expenses incurred. Mr. Nicholas S. Schorsch, the Chairman, Chief Executive Officer and President of CCIT, and Mr. Simon J. CCI Advisors and/or its affiliates. Such persons are compensated by ARCP, in part, for their services to CCIT but do not and did not receive any compensation directly from CCIT.

Concurrently with the execution and delivery of the Merger Agreement, CCIT entered into the Termination and Transition Agreement with the Cole Advisors. Among other things, the Termination and Transition Agreement provides for the termination of the CCIT Advisory Agreement at the Effective Time; however, on or after the Effective Time, CCIT or SIR Merger Sub will pay CCI Advisors the subordinated performance fee and the disposition fee set forth under the terms of the CCIT Advisory Agreement for periods through and including the Effective Time, not to exceed \$14.35 million in the aggregate. For additional information on these fees and expense reimbursements provided under the Termination and Transition Agreement, see "Related Agreements Termination and Transition Agreement" beginning on page 210 of this joint proxy statement/prospectus.

Under the terms of the Merger Agreement, for a period of six years after the Effective Time, subject to certain limitations, the surviving entity has agreed to indemnify each executive officer and director of CCIT, for costs or expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and paid settlement amounts in connection with any claim, proceeding or investigation pertaining to (i) alleged actions or omissions, in such person's capacity as an executive officer or director of CCIT or (ii) the Merger Agreement and any of the transactions contemplated thereby, and will pay in advance of the final disposition of any such claim, proceeding or investigation, the expenses (including attorneys' fees) of any such person. In addition, pursuant to the terms of the Merger Agreement, prior to the Effective Time, CCIT has agreed to obtain and pay the premium for a non-cancelable extension of the coverage afforded by CCIT's existing D&O Insurance for any claims reporting or discovery period of at least six years from and after the Effective Time with respect to any claim related to any period prior to the Effective Time from one or more insurance carriers with the same or better credit rating as CCIT's current insurance carrier with respect to D&O Insurance with terms, conditions and retentions that are no less favorable in the aggregate than the coverage provided under CCIT's existing policies and with liability limits that are no lower than the limits on CCIT's existing policies so long as the premium in the aggregate does not exceed 250% of the annual aggregate premium(s) under CCIT's existing policies. These arrangements are described in detail in the "The Merger Agreement Covenants and Agreements Indemnification of Directors and Officers; Insurance" beginning on page 202 of this joint proxy statement/prospectus.

CCIT maintains indemnification agreements with each of its directors, Messrs. Nicholas S. Schorsch, Marcus E. Bromley and Randy J. Pace, each dated August 27, 2014, and Mr. Simon J. Misselbrook, CCIT's Chief Financial Officer and Treasurer and Mr. Gavin B. Brandon, CCIT's Senior Vice President of Accounting, each dated November 24, 2014. The indemnification agreements require CCIT to indemnify such persons to the maximum extent permitted by Maryland law against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee or on his behalf in connection with a proceeding, subject to certain exceptions specified in the agreements. In addition, the indemnification agreements require CCIT to advance reasonable expenses incurred by or on behalf of the indemnitee within ten days of the receipt by CCIT of a statement from the indemnitee requesting the advance. The indemnification agreement also requires that certain procedures be followed in order to determine whether the indemnified party is entitled to indemnification, including requiring that following a change of control of CCIT such determination must be made by independent counsel.

For more information about these interests, see "The Merger Interests of CCIT's Directors, Executive Officers and Advisor in the Merger and Related Transactions" beginning on page 153 of this joint proxy statement/prospectus.

Table of Contents

The interests of certain of SIR's trustees and executive officers and SIR's manager, and certain of CCIT's directors and executive officers and CCIT's advisor in the Merger and the other transactions related to the Merger may create the perception of conflicts of interest and lead to increased dissident shareholder activity, including litigation, related to the Merger Agreement and the transactions contemplated thereby, which could result in significant costs for SIR and CCIT and materially delay or prevent the completion of the Merger and related transactions.

As noted above, RMR is the business and property manager for SIR, SNH and GOV, and the personnel and various services that SIR, SNH and GOV require to operate their respective businesses are provided to them by RMR. In addition to serving as managing trustees of SIR, SNH and GOV, Mr. Barry M. Portnoy is Chairman and a director of RMR and Mr. Adam D. Portnoy is President, Chief Executive Officer and a director of RMR. Mr. Jeffrey P. Somers is an independent trustee of each of SIR, SNH and GOV. All of the executive officers of SIR, SNH and GOV are also employees of RMR, including Mr. David M. Blackman, SIR's President and Chief Operating Officer, who is also President and Chief Operating Officer of GOV.

ARCP indirectly owns and/or controls CCIT's advisor, CCI Advisors, CCIT's property manager, CREI Advisors, and CCIT's sponsor, Cole Capital®. Pursuant to the CCIT Advisory Agreement, CCIT pays CCI Advisors certain advisory, acquisition and disposition fees for services rendered and reimburses CCI Advisors for certain expenses incurred. Mr. Nicholas S. Schorsch, the Chairman, Chief Executive Officer and President of CCIT, and Mr. Simon J. Misselbrook, the Chief Financial Officer and Treasurer of CCIT, are employees of ARCP and Mr. Schorsch has served as an executive officer of CCI Advisors and/or its affiliates. Such persons are compensated by ARCP, in part, for their services to CCIT but do not and did not receive any compensation directly from CCIT.

These interests of SIR's trustees, executive officers and manager, and CCIT's directors, executive officers and advisor, respectively, in the Merger, the Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement may increase the risk of litigation intended to enjoin or prevent the Merger, the Healthcare Properties Sale, the SIR Share Issuance and the transactions contemplated by the Merger Agreement and increase the risk of other dissident shareholder activity related thereto. In the past, and in particular following the announcement of a significant transaction, periods of volatility in the overall market or declines in the market price of a company's securities, shareholder litigation and dissident shareholder proposals, including director or trustee nominations by dissident shareholders, have often been instituted against companies alleging conflicts of interest in business dealings with affiliated or related persons and entities. The relationships described above may precipitate such activities by dissident shareholders and, if instituted against SIR, CCIT, SNH, GOV or their respective trustees, directors or executive officers, such activities could result in substantial costs, a material delay or prevention of the Merger and the related transactions and a diversion of SIR's and CCIT's management's attention, even if the shareholder action is without merit or unsuccessful.

If SIR's committed debt financing is not available, or if the Healthcare Properties Sale does not close, SIR may be required to obtain alternative financing for the Merger on terms which are materially less favorable to SIR.

SIR intends to finance the Cash Consideration and the fees, expenses and costs incurred in connection with the Merger and the related transactions, and to repay or refinance certain of CCIT's borrowings, with its available cash on hand, funds from financings and proceeds from the Healthcare Properties Sale. In connection with the Merger, SIR entered into the Commitment Letter for a 364-day senior unsecured bridge loan facility in an aggregate principal amount of \$1.0 billion and the Healthcare Properties Purchase and Sale Agreement for the sale of the Healthcare Properties Sale for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million). SIR also has a \$750.0 million unsecured revolving credit facility, of which

Table of Contents

\$60.0 million was drawn and \$690.0 million was available for borrowings as of November 14, 2014, that is available for general business purposes, including acquisitions. Funds under the Commitment Letter, unsecured revolving credit facility and the Healthcare Properties Purchase and Sale Agreement are not guaranteed to be available to SIR as of the closing of the Merger. The obligations of lenders under the Commitment Letter and unsecured revolving credit facility and the obligations of SNH under the Healthcare Properties Purchase and Sale Agreement are subject to certain conditions precedent, which may or may not be satisfied as of the closing of the Merger. The availability of these funds to SIR is not a condition precedent to SIR's obligation to complete the Merger. In the event any of these funds are not available or are available in less than the full amount anticipated, SIR will be required to seek alternative financing, which may not be available on acceptable terms, in a timely manner or at all.

If SIR is unable to finance the Merger and related transactions with longer term senior debt timely and on favorable terms, SIR's anticipated costs of financing the Merger and related transactions could materially increase.

SIR plans to seek longer term senior unsecured debt financing of the Cash Consideration, fees, expenses and costs incurred in connection with the Merger and the related transactions, and the repayment or refinancing of certain of CCIT's borrowings. If SIR does not obtain and maintain an investment grade rating for its senior debt, the terms of such financing may not be as favorable as anticipated. In addition, under the Commitment Letter, SIR is required to pay duration fees that increase in amount the longer the bridge loan remains outstanding. Such fees equal 0.25% of the outstanding principal amount of the bridge loan on the 90th day following the closing date of the Merger, 0.50% on the outstanding principal amount of the bridge loan on the 180th day following the closing date of the Merger and 0.75% on the outstanding principal amount of the bridge loan on the 270th day following the closing date of the Merger. If SIR is not able to obtain longer term debt financing of the Merger and related transactions timely and on favorable terms, SIR may be required to pay duration fees and seek alternative longer term financing, such as secured borrowing or a sale of equity securities, and SIR's available cash flow to fund working capital, capital expenditures, acquisitions and other business activities may be reduced. In such event, the alternative financing may be more expensive and the benefits expected to be received by SIR in the Merger and related transactions could be reduced or eliminated.

SIR's anticipated level of indebtedness will increase upon completion of the Merger and will increase the related risks SIR now faces.

In connection with the Merger, SIR will incur significant additional indebtedness and may acquire certain properties of CCIT subject to mortgage indebtedness. As a result, SIR will be subject to increased risks associated with debt financing, including an increased risk that SIR's cash flow could be insufficient to meet required payments on its debt. As of September 30, 2014, SIR had indebtedness of approximately \$507.7 million. Taking into account SIR's existing indebtedness, the incurrence of additional indebtedness in connection with the Merger and the expected acquisition of properties subject to indebtedness in the Merger, SIR's pro forma consolidated indebtedness as of September 30, 2014, after giving effect to the Merger and the other transactions contemplated by the Merger Agreement, would be up to approximately \$2.3 billion. SIR's increased indebtedness could have important consequences to holders of SIR Common Shares, including:

increasing SIR's vulnerability to general adverse economic and industry conditions;

limiting SIR's ability to obtain additional financing to fund future acquisitions, working capital, capital expenditures and other general corporate requirements;

requiring the use of a substantial portion of SIR's cash flow from operations for the payment of principal and interest on SIR's indebtedness, thereby reducing SIR's ability to use SIR's cash

flow to fund working capital, acquisitions, capital expenditures and general corporate operating requirements; and

limiting SIR's flexibility in planning for, or reacting to, changes in SIR's business and industry.

If SIR defaults under a loan (including any default in covenants contained in SIR's existing revolving credit facility, term loan and the new bridge loan facility anticipated under the Commitment Letter), SIR may automatically be in default under any other loan that has cross-default provisions, and further borrowings under SIR's existing revolving credit facility or term loan will be prohibited and outstanding indebtedness under SIR's existing revolving credit facility, term loan or such other loans may be accelerated.

SIR's variable rate indebtedness (including the new bridge loan facility anticipated under the Commitment Letter) subjects SIR to interest rate risk. When interest rates increase, so will SIR's interest costs, which could adversely affect SIR's cash flow, SIR's ability to pay principal and interest on its debt, SIR's cost of refinancing its debt when it becomes due and SIR's ability to make or sustain distributions to SIR shareholders. Additionally, if SIR chooses to hedge its interest rate risk, SIR cannot guarantee that the hedge will be effective or that the hedging counterparty will meet its obligations to SIR.

The new bridge loan facility anticipated under the Commitment Letter has a 364-day term and the principal balance of such loan will not be reduced during the term of the loan, except in the case of voluntary or mandatory prepayments. At maturity SIR will be required to make a lump sum payment of the principal (less any amount of prepayments). SIR's ability to make this lump sum payment is uncertain and may depend upon SIR's ability to obtain additional financing.

Because SIR will have a large number of shareholders after the closing of the Merger and CCIT Common Stock has not been listed on a national securities exchange prior to the Merger, there may be significant pent up demand to sell SIR Common Shares. Significant sales of SIR Common Shares, or the perception that such sales could occur, may cause the market price of SIR Common Shares to decline significantly following the closing of the Merger.

CCIT Common Stock has not been listed on any national securities exchange and the ability of CCIT stockholders to liquidate their investments has been limited. As a result, there may be significant pent up demand to sell SIR Common Shares acquired as Merger Consideration following the closing of the Merger. A large volume of sales of SIR Common Shares could decrease the prevailing market price of SIR Common Shares and could impair SIR's ability to raise additional capital through the sale of equity securities in the future. Even if a substantial number of SIR Common Shares are not sold, the perception of the possibility of these sales could depress the market price of SIR Common Shares and have a negative effect on SIR's ability to raise capital in the future.

The Merger is subject to a number of conditions which, if not satisfied or waived, would adversely impact the parties' ability to complete the Merger.

The Merger, which is expected to close during the first quarter of 2015, is subject to certain closing conditions, including, among others (i) the approval of the SIR Share Issuance by a majority of the votes cast by SIR shareholders at the SIR special meeting and the approval for listing on the NYSE of such shares, (ii) the approval of the Merger by the holders of a majority of the issued and outstanding shares of CCIT Common Stock entitled to vote at the CCIT special meeting, (iii) the absence of any law or injunction prohibiting the Merger, the SIR Share Issuance or the other transactions contemplated by the Merger Agreement, (iv) the effectiveness of the Registration Statement on Form S-4 of which this joint proxy statement/prospectus forms a part, pursuant to which the SIR Common Shares to be issued as Share Consideration in the Merger will be registered under the Securities Act, (v) the accuracy of the other parties' representations and warranties and compliance

Table of Contents

with covenants, subject in each case to materiality standards, (vi) the absence of any material adverse effect with respect to either party, (vii) delivery of certain tax opinions and (viii) the receipt of certain lender consents.

There can be no assurance these conditions will be satisfied or waived, if permitted. Therefore, there can be no assurance with respect to the timing of the closing of the Merger or that the Merger will be completed at all.

Any delay in completing the transactions contemplated by the Merger Agreement may reduce or eliminate the benefits expected to be achieved thereunder.

The completion of the Merger and the other transactions contemplated by the Merger Agreement are subject to a number of closing conditions that are beyond SIR's and CCIT's control and that may prevent or delay completion of the Merger. SIR and CCIT cannot predict whether or when these other conditions will be satisfied. Furthermore, the requirements for obtaining the consents required under the Merger Agreement could delay the completion of the Merger for a significant period of time or prevent it from occurring. Such a delay could materially reduce the benefits expected to be received by SIR in the Merger. See "The Merger Agreement Conditions to Completion of the Merger" beginning on page 191 of this joint proxy statement/prospectus.

The unaudited pro forma condensed combined financial information in this joint proxy statement/prospectus is presented for illustrative purposes only and may not be reflective of the operating results and financial condition of the combined company following completion of the Merger and the other transactions contemplated by the Merger Agreement.

The unaudited pro forma condensed combined financial information in this joint proxy statement/prospectus is presented for illustrative purposes only and is not necessarily indicative of what the combined company's actual financial position or results of operations would have been had the Merger and the transactions contemplated under the Merger Agreement been completed on the dates indicated. Further, the combined company's actual results and financial position after the Merger may differ materially and adversely from the unaudited pro forma condensed combined financial data that is included in this joint proxy statement/prospectus. The unaudited pro forma condensed combined financial information reflects adjustments based upon preliminary estimates of the fair value of assets to be acquired and liabilities to be assumed. The final acquisition accounting will be based upon the actual purchase price and the fair value of the assets and liabilities of CCIT as of the date of the completion of the transactions. In addition, subsequent to the closing date, there will be further refinements of the acquisition accounting as additional information becomes available. Accordingly, the final acquisition accounting may differ materially from the pro forma condensed combined financial information reflected in this document. For more information, see "Summary Unaudited Pro Forma Condensed Consolidated Financial Information" beginning on page 31 of this joint proxy statement/prospectus.

Risks Relating to the Combined Company after Completion of the Merger and the other Transactions Contemplated by the Merger Agreement

The transition of business and property management functions of CCIT from the Cole Advisors to RMR may create additional costs for SIR and any delays in the transition may reduce the benefits expected to be received by SIR in the Merger.

The Merger involves the combination of two companies that currently operate as independent public companies with different business and property managers. Pursuant to the Termination and Transition Agreement, CCIT's management agreements with the Cole Advisors, including the CCIT Advisory Agreement, will terminate at the closing of the Merger. SIR and RMR will be required to

Table of Contents

devote significant management attention and resources to integrating the properties and operations of SIR and CCIT. Potential difficulties may arise from this integration process, including, among others, difficulties transitioning management of particular properties, difficulties or delays in transitioning financial or tax reporting functions with respect to some or all of CCIT's assets to be acquired by SIR or difficulties transitioning transfer agency or other shareholder services. While SIR has assumed that a certain level of transition and integration expense would be incurred and expects to receive limited transition services from the Cole Advisors, these and other transition and integration difficulties may create additional expenses for SIR and reduce or delay the benefits expected to be received by SIR in connection with the Merger.

Additionally, SIR may rely on the Cole Advisors for additional transition services which may increase the cost to SIR under the Termination and Transition Agreement. Pursuant to that agreement, services provided beyond 250 hours in the aggregate or outside of the scope of services set forth in the agreement will be billed to SIR separately on terms to be agreed upon by the parties. SIR may require such additional transition services, either in quantity or in scope, which may increase the cost of transitioning management of CCIT to RMR.

The future financial results of SIR may suffer if SIR is unable to effectively manage its expanded portfolio and operations following the Merger.

Following the Merger, SIR will have an expanded portfolio and operations and may continue to expand its operations through additional acquisitions and other strategic transactions. As a result, SIR will face competition for tenants in additional markets, may face new challenges in attracting and retaining such tenants and will likely compete with more investors for acquisition opportunities. The future success of SIR will depend, in part, upon its ability to attract and retain tenants in these new markets, manage its expansion opportunities, integrate new operations into its existing business in an efficient and timely manner, successfully monitor its operations and costs, and maintain necessary internal controls. SIR cannot assure you that it will be able to maintain current rents and occupancy at the properties it acquires, that expansion or acquisition opportunities will be successful, or that SIR will realize any expected revenue enhancements or other benefits from such transactions.

CCIT does not have a substantial operating history, and its ability to achieve its investment objectives in the past may not be an accurate predictor of the performance of CCIT's properties as part of the combined company.

CCIT was formed on April 6, 2010 and acquired the majority of its properties in the last twenty-four months. As a result, the past performance of CCIT and other REITs affiliated with CCIT's sponsor Cole Capital® may not be accurate predictors of the future results of the CCIT properties proposed to be acquired by SIR in the Merger. SIR shareholders should consider the prospects of the properties proposed to be acquired from CCIT in light of the risks, uncertainties and difficulties frequently encountered by companies like CCIT that do not have a substantial operating history, many of which may be beyond SIR's or CCIT's control.

SIR expects to incur significant costs in connection with the completion of the Merger, and factors beyond SIR's control could affect the total amount or timing of these costs.

SIR expects to incur significant costs in connection with completing the Merger and integrating the portfolios of SIR and CCIT into a combined company. While SIR has assumed that a certain level of transaction and integration expenses will be incurred, there are factors beyond SIR's control that could affect the total amount or the timing of its integration expenses. Many of the expenses that may be incurred, by their nature, are difficult to estimate accurately at the present time.

Table of Contents

SIR may incur adverse tax consequences if CCIT has failed or fails to qualify as a REIT for United States federal income tax purposes.

If CCIT has failed or fails to qualify as a REIT for United States federal income tax purposes and the Merger is completed, SIR may inherit significant tax liabilities and could lose its REIT status. Even if SIR retains its REIT status, if CCIT loses its REIT status for a taxable year before the Merger or that includes the Merger, SIR will face serious tax consequences that could substantially reduce its cash available for distribution to its shareholders because:

SIR, as the successor by merger to CCIT, would generally inherit any corporate income tax liabilities of CCIT, including penalties and interest;

SIR would be subject to tax on the built-in gain on each asset of CCIT existing at the time of the Merger if SIR were to dispose of a CCIT asset (including as part of the Healthcare Properties Sale) during a specified period (generally ten years) following the Merger; and

SIR could be required to pay a special distribution and/or employ applicable deficiency dividend procedures (including interest payments to the United States Internal Revenue Service, or the IRS) to eliminate any earnings and profits accumulated by CCIT for taxable periods that it did not qualify as a REIT.

As a result of these factors, CCIT's failure before the Merger to qualify as a REIT could impair SIR's ability after the Merger to expand its business and raise capital, and could materially adversely affect the value of SIR Common Shares.

Finally, if there is an adjustment to CCIT's real estate investment trust taxable income or dividends paid deductions, SIR could elect to use the deficiency dividend procedure in order to maintain CCIT's REIT status. That deficiency dividend procedure could require SIR to make significant distributions to its shareholders and to pay significant interest to the IRS.

The Merger may have adverse tax consequences.

The Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code. It is a condition to the completion of the Merger that Sullivan & Worcester LLP, or Sullivan & Worcester, tax counsel to SIR, and Morris, Manning & Martin, LLP, or Morris Manning, counsel to CCIT, each render an opinion that, although not free from doubt, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Sullivan & Worcester and Morris Manning have each rendered an opinion to SIR and CCIT, respectively, that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. These tax opinions represent the legal judgment of counsel rendering the opinion and are not binding on the IRS or the courts. If the Merger were to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code, then each holder of CCIT Common Stock generally would recognize gain or loss, as applicable, equal to the difference between (i) the sum of the cash and the fair market value of the SIR Common Shares received in the Merger and (ii) the CCIT stockholder's adjusted tax basis in its CCIT Common Stock, and some CCIT stockholders may not receive enough cash in the Merger in order to satisfy the resulting tax liability. See "Material United States Federal Income Tax Considerations Material United States Federal Income Tax Consequences of the Merger" beginning on page 158 of this joint proxy statement/prospectus.

Even if the Merger does qualify as a reorganization within the meaning of Section 368(a) of the Code, the Merger Agreement contains limits on the aggregate percentage of CCIT Common Stock that can be exchanged for SIR Common Shares. See the risk factor above titled "*The Merger Consideration is subject to proration so that at least 40%, but not more than 60%, of the shares of CCIT Common Stock receive the Cash Consideration. Therefore, a CCIT stockholder cannot be certain of the form of Merger Consideration that will be received, regardless of any election such stockholder may make.*" on page 48 of

this joint proxy statement/prospectus. As a result, it is possible that even holders of CCIT Common Stock who elect to receive only SIR Common Shares would have taxable income on account of receiving some cash in the Merger.

SIR's concentration of properties on the island of Oahu, Hawaii, which contributed approximately 43.4% of SIR's total revenues for the year ended December 31, 2013, will be diluted by the addition of the CCIT portfolio acquired by SIR in the Merger.

Historically, SIR's portfolio has been significantly affected by the results from its properties located in Hawaii. For example, approximately 43.4% of SIR's total revenues for the year ended December 31, 2013 were received from SIR's properties located on the island of Oahu, Hawaii. Following the completion of the Merger, the impact from the Hawaii properties will likely be diluted. While the shift in the concentration of SIR's portfolio may reduce SIR's exposure to certain risks associated with Hawaii and its economy (including fluctuations in tourism demand and the occurrence of natural disasters such as tsunamis, hurricanes, flooding, volcanic eruptions and earthquakes), the acquisition of CCIT's portfolio will increase SIR's exposure to new and different risks associated with mainland properties. Also, the risks and benefits associated with periodic rent resets for SIR's Hawaii properties pursuant to SIR's leases will be diluted by the acquisition of the properties of CCIT to be acquired by SIR in the Merger. As a result, the risk profile of the combined company's portfolio will be different from the historical risk profile of SIR's and CCIT's portfolios individually.

Many of the properties of the combined company may depend upon a single tenant for all or a majority of its rental income; therefore, SIR's financial condition, including its ability to make distributions to shareholders, may be adversely affected by the bankruptcy or insolvency, a downturn in the business, or a lease termination of a single tenant.

Many of the properties in the CCIT portfolio to be acquired by SIR are occupied by only one tenant and, therefore, the success of those properties will be materially dependent on the financial stability of such tenants. Such tenants face competition within their industries and other factors that could reduce their ability to make rent payments. For example, the CCIT portfolio contains several industrial properties, and a general reduction in U.S. manufacturing activity could reduce manufacturing tenants' abilities to pay rent. Lease payment defaults by such tenants could cause the combined company to reduce the amount of distributions paid to SIR shareholders. A default by a single or major tenant, the failure of a guarantor to fulfill its obligations or other premature termination of a lease to such a tenant or such tenant's election not to extend a lease upon its expiration could have an adverse effect on the combined company's financial condition and its ability to pay distributions to SIR shareholders.

SIR shareholders and CCIT stockholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management.

SIR shareholders have the right to vote in the election of the SIR board of trustees and on certain other matters affecting SIR and CCIT stockholders have the right to vote in the election of the CCIT board of directors and on certain other matters affecting CCIT. As a result of the issuance of a significant number of new SIR Common Shares in the Merger, and assuming that holders of 60% of the outstanding shares of CCIT Common Stock receive the Cash Consideration in the Merger, it is expected that, immediately after the Merger is completed, pre-Merger SIR shareholders will own approximately 68% of the outstanding SIR Common Shares and pre-Merger CCIT stockholders will own approximately 32% of the outstanding SIR Common Shares. Accordingly, after the Merger, pre-Merger SIR shareholders will own a smaller proportion of the outstanding SIR Common Shares than the proportion of outstanding SIR Common Shares they owned before the Merger and, as a result, they will have less influence on the management and policies of the combined company than

Table of Contents

they now have on the management and policies of SIR. Also, after the Merger, pre-Merger CCIT stockholders will own a smaller proportion of the outstanding SIR Common Shares than the proportion of outstanding CCIT Common Stock they owned before the Merger and, as a result, pre-Merger CCIT stockholders will have less influence on the management and policies of the combined company than they now have on the management and policies of CCIT.

The market price of SIR Common Shares may decline in the future as a result of the Merger and the other transactions contemplated by the Merger Agreement or for other reasons.

The market price of SIR Common Shares may decline in the future as a result of the Merger and the other transactions contemplated by the Merger Agreement for a number of reasons, including SIR not achieving the perceived benefits of the Merger as rapidly as or to the extent anticipated by financial or industry analysts. Additionally, the market price of SIR Common Shares may be affected by perceived additional risks or uncertainties to SIR following the Merger that SIR may not currently be exposed to.

SIR cannot assure you that it will continue paying distributions at or above the annualized distribution rate currently paid by SIR.

SIR's current annualized distribution rate is \$1.92 per SIR Common Share. On September 2, 2014, SIR announced that it expects to increase its annualized distribution rate to \$2.00 per share (or \$0.50 per share per quarter) following the completion of the Merger. However, SIR may not be able to continue paying distributions at or above the current annualized distribution rate for various reasons, including that:

SIR's ability to pay distributions may be adversely affected if any of the risks described herein or in SIR's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, which is incorporated into this joint proxy statement/prospectus by reference, or other significant events, occur;

SIR's declaration and payment of distributions is subject to compliance with restrictions contained in SIR's revolving credit facility and term loan agreements and may be subject to restrictions in the agreements governing future debt SIR may incur, including the bridge loan agreement and the terms of any bonds issued to finance or refinance the Merger and related transactions;

SIR may desire to retain cash to obtain, maintain or improve its credit ratings; and

SIR has no obligation to pay distributions, and each distribution is made at the discretion of SIR's board of trustees and the payment of a distribution depends on various factors that the SIR board of trustees at the time deems relevant, including among other things, SIR's results of operations, financial condition, available debt and equity, expectation of future capital requirements and operating performance, tax law requirements for SIR to qualify for taxation as and remain a REIT under the Code and restrictions under Maryland law.

For these reasons, among others, SIR may not increase its annualized distribution rate as anticipated, SIR's current distribution rate, or any increase thereof, may decline or SIR may cease making distributions.

CAUTIONARY STATEMENT CONCERNING FORWARD LOOKING STATEMENTS

This joint proxy statement/prospectus, including information included or incorporated by reference in this joint proxy statement/prospectus, may contain certain forecasts and other forward looking statements within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Generally, the words "expects," "anticipates," "targets," "goals," "projects," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions identify forward looking statements and any statements regarding the benefits of the Merger, or SIR's or CCIT's future financial condition, results of operations and business are also forward looking statements. Without limiting the generality of the preceding sentence, certain statements contained in this joint proxy statement/prospectus in the sections "The Merger Background of the Merger and the Related Transactions" beginning on page 91, "The Merger Recommendation of the SIR Board of Trustees and its Reasons for the Merger and the Related Transactions" beginning on page 103, "Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions" beginning on page 108, "Certain Prospective Financial Information of SIR Regarding the Merger and the Healthcare Properties Sale" beginning on page 127 and "Certain Prospective Financial Information of CCIT" beginning on page 150 of this joint proxy statement/prospectus constitute forward looking statements.

These forward looking statements are subject to a number of risks, uncertainties and assumptions, most of which are difficult to predict and many of which are beyond SIR's and CCIT's control. These include the factors described above in "Risk Factors," as well as:

each company's success in implementing its business strategy and its ability to identify, underwrite, finance, complete and integrate diversifying acquisitions or investments;

the nature and extent of future competition;

increases in each company's cost of borrowing as a result of changes in interest rates and other factors;

each company's ability to pay down, refinance, restructure and/or extend its indebtedness as it becomes due;

the ability and willingness of each company's tenants to renew their leases upon expiration of the leases and each company's ability to reposition its properties on the same or better terms in the event such leases expire and are not renewed by the tenants or in the event either company exercises its right to replace an existing tenant upon default;

the impact of any financial, accounting, legal or regulatory issues or litigation that may affect either company or its major tenants;

the outcome of any legal proceedings that may be instituted against SIR, CCIT or others following announcement of the Merger, the Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement;

risks associated with the ability to complete the Merger, the Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement;

the risk that the anticipated benefits from the Merger may not be realized or may take longer to realize than expected, including due to the failure to obtain the required approvals of SIR shareholders and CCIT stockholders;

unexpected costs or unexpected liabilities that may arise from the Merger, the Healthcare Properties Sale or the other transactions contemplated by the Merger Agreement, whether or not completed;

Table of Contents

the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement or the failure to satisfy the closing conditions; and

each company's ability and willingness to maintain its qualification as a REIT due to economic, market, legal, tax or other considerations.

The foregoing list of factors is not exhaustive. Additional information concerning these and other risk factors is contained in SIR's and CCIT's respective Annual Reports on Form 10-K for the fiscal year ended December 31, 2013, subsequent Quarterly Reports on Form 10-Q, recent Current Reports on Form 8-K and other SEC filings, as such filings may be amended from time to time. All subsequent written and oral forward looking statements concerning SIR, CCIT, the Merger, the Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement or other matters attributable to SIR or CCIT or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. Neither SIR nor CCIT undertakes any obligation to update publicly any of these forward looking statements to reflect events or circumstances that may arise after the date of this joint proxy statement/prospectus.

All forward looking statements, expressed or implied, included in this joint proxy statement/prospectus are expressly qualified in their entirety by this cautionary statement. This cautionary statement should also be considered in connection with any subsequent written or oral forward looking statements that SIR, CCIT or persons acting on their behalf may issue.

Except as otherwise required by applicable law, SIR and CCIT disclaim any duty to update any forward looking statements, all of which are expressly qualified by the statements in this section. Sponsor and Manager of CCIT

On February 7, 2014, ARCP acquired Cole pursuant to a transaction, or the Cole/ARCP merger, whereby Cole merged with and into Clark Acquisition, LLC, a wholly owned subsidiary of ARCP, with Clark Acquisition, LLC surviving as a wholly owned subsidiary of ARCP. ARCP is a self-managed publicly traded Maryland corporation listed on the NASDAQ Global Select Market, focused on acquiring and owning single tenant freestanding commercial properties subject to net leases with high credit quality tenants. As a result of the Cole/ARCP merger, ARCP indirectly owns and/or controls CCI Advisors, CCIT's dealer manager, Cole Capital Corporation, CCIT's property manager, CREI Advisors, and CCIT's sponsor, Cole Capital®. Since February 7, 2014, Mr. Nicholas S. Schorsch has served as the Chairman, President and Chief Executive Officer of CCIT and as Chief Executive Officer of CCI Advisors. Mr. Schorsch also has been the Chairman of ARCP since its formation in 2010 and served as ARCP's Chief Executive Officer until October 1, 2014.

On September 30, 2014, ARCP entered into a definitive agreement with RCS Capital Corporation, or RCAP, pursuant to which RCAP agreed to acquire CCIT's sponsor, Cole Capital®, or the RCAP Agreement. The contemplated acquisition would also include CCI Advisors and Cole Capital Corporation, CCIT's advisor and property manager, respectively.

On October 29, 2014, ARCP, the indirect parent of CCIT's sponsor, CCIT's advisor, CCIT's dealer manager and CCIT's property manager, announced that, as a result of an independent investigation being conducted by ARCP's audit committee, certain of ARCP's financial statements should no longer be relied upon and that such independent investigation is ongoing. ARCP also reported on October 29, 2014 that, based on the preliminary findings of this investigation, ARCP had incorrectly included certain amounts related to its non-controlling interests in the calculation of adjusted funds from operations, or AFFO, for the quarter ended March 31, 2014, and that its audit committee believed that this error was identified but intentionally not corrected, and other AFFO and financial statement errors were intentionally made, resulting in an overstatement of ARCP's AFFO and an understatement of ARCP's net loss. At the request of ARCP's audit committee, on October 28, 2014, Mr. Brian S. Block resigned from his position as Executive Vice President, Chief Financial Officer and Treasurer of ARCP, which resignation included Mr. Block's resignation as CCIT's Executive Vice President, Chief Financial Officer and Treasurer.

Table of Contents

On November 3, 2014, CCIT's sponsor, Cole Capital®, publicly announced that the Cole Capital REITs, including CCIT, are supported by a dedicated financial accounting and reporting team, and that Cole Capital® maintains its own financial reporting practices with respect to the Cole Capital REITs, including CCIT. On November 11, 2014, the CCIT board of directors appointed Mr. Simon J. Misselbrook as Chief Financial Officer and Treasurer of CCIT. Mr. Misselbrook also serves as chief financial officer and treasurer managed retail REITs, Cole Capital®, at ARCP.

On November 3, 2014, RCAP notified ARCP of its purported termination of the RCAP Agreement. Following such notification, also on November 3, 2014, ARCP informed RCAP that RCAP's attempt to terminate the RCAP Agreement constituted a breach thereunder. On November 11, 2014, ARCP filed a complaint in the Court of Chancery of the State of Delaware against RCAP alleging that RCAP's attempt to terminate the RCAP Agreement constitutes a breach of such agreement and seeking, among things, specific performance of the RCAP Agreement or, in the alternative, money damages. On December 4, 2014, ARCP announced that it had entered into a settlement agreement with RCAP that resolved the dispute over RCAP's attempt to terminate the RCAP Agreement.

Acquisition and Investment Policies

Investment Objectives

CCIT's objective is to invest primarily in single tenant, income producing necessity corporate office and industrial properties, which are leased to creditworthy tenants under long term net leases and strategically located throughout the United States. CCIT's primary investment objectives are:

to acquire necessity corporate properties, net leased under long term leases to creditworthy tenants, which provide current operating cash flow;

to provide reasonably stable, current income for stockholders through the payment of cash distributions; and

to provide the opportunity to participate in long term capital appreciation in the value of CCIT's investments.

Types of Investments

CCIT invests primarily in single tenant, income producing necessity corporate office and industrial properties, which are leased to creditworthy tenants under long term net leases and strategically located throughout the United States. CCIT considers necessity properties to be properties that are essential to the operation of the tenant's business, typically due to one or more factors such as difficulty of replacement or prohibitive cost to relocate. CCIT believes that necessity properties provide a relatively greater level of stability than other property types because they typically involve long term leases and experience relatively low tenant turnover. CCIT also believes that, as a result of recent and ongoing business developments, such as the role of the Internet in the distribution of products, globalization of importing and exporting products and consolidation of businesses requiring office buildings to accommodate a single tenant, there is, and CCIT expects there will continue to be, increasing demand by commercial tenants for necessity corporate properties.

CCIT has invested in recently constructed, high quality industrial properties that are of necessity to a single principal tenant, subject to a long term net lease, and used for purposes such as warehousing, distribution, light manufacturing, research and development or industrial flex facilities. CCIT's portfolio also includes recently constructed, high quality, low-, mid- or high-rise office buildings that are of necessity to a principal tenant, subject to a long term net lease, and used for purposes such as a corporate, regional or product specific headquarters. CCIT also has invested in multi-tenant properties, anchored by one or more principal tenants who are creditworthy and subject to long term net leases.

Table of Contents

CCIT may invest in corporate development projects, designed to construct an income producing office or industrial property to serve one or more creditworthy tenants. CCIT's goal is to acquire a portfolio of properties that are diversified by way of location and industry, in order to minimize the potential adverse impact of economic slow-downs or downturns in local markets or a specific industry.

There is no limitation on the number, size or type of properties that CCIT may acquire or on the percentage of net proceeds of the CCIT Offerings that may be invested in a single property. The number and mix of properties comprising CCIT's portfolio depends upon real estate market conditions and other circumstances existing at that time.

CCIT incurs debt to acquire properties where its advisor determines that incurring such debt is in CCIT's best interests and in the best interest of CCIT stockholders. In addition, from time to time, CCIT has acquired some properties without financing and later incurred mortgage debt secured by one or more of such properties if favorable financing terms were available. CCIT uses the proceeds from these loans to acquire additional properties. See "Borrowing Policies" below for a more detailed description of CCIT's borrowing intentions and limitations.

Ownership Structure

CCIT's investments in real estate generally take the form of holding fee title or a long term leasehold estate. CCIT has acquired such interests either directly through its operating partnership or indirectly through limited liability companies, limited partnerships or other entities owned and/or controlled by CCIT or its operating partnership. CCIT has acquired properties by acquiring the entity that holds the desired properties. CCIT also has acquired properties through investments in joint ventures, partnerships, co-tenancies or other co-ownership arrangements with third parties, including the developers of the properties or affiliates of CCIT's advisor. See the section captioned "Joint Venture Investments" below.

Joint Venture Investments

CCIT has entered into joint ventures, partnerships, co-tenancies and other co-ownership arrangements with affiliated entities of its advisor, including other real estate programs sponsored by affiliates of its advisor, and other third parties for the acquisition, development or improvement of properties or the acquisition of other real estate related investments. CCIT may also enter into such arrangements with real estate developers, owners and other unaffiliated third parties for the purpose of developing, owning and operating real properties.

CCIT's general policy is to invest in joint ventures only when it will have an option or contract to purchase, or a right of first refusal to purchase, the property held by the joint venture or the co-venturer's interest in the joint venture if the co-venturer elects to sell such interest. In the event that any joint venture with an affiliated entity holds interests in more than one asset, the interest in each such asset may be specially allocated between CCIT and the joint venture partner based upon the respective proportion of funds deemed invested by each co-venturer in each such asset.

Other Possible Investments

Although CCIT has invested primarily in real estate, its portfolio may also include other real estate related investments, such as mortgage, mezzanine, bridge and other loans and securities related to real estate assets, frequently, but not necessarily always, in the corporate sector, to the extent such assets do not cause CCIT to lose its REIT status or cause CCIT to be an investment company under the Investment Company Act of 1940, as amended. CCIT may also make investments in commercial mortgage backed securities, or CMBS, to the extent permitted by the Statement of Policy Regarding Real Estate Investment Trusts published by the North American Securities Administrators Association. CMBS are securities that evidence interests in, or are secured by, a single commercial mortgage loan or

Table of Contents

a pool of commercial mortgage loans. CCIT does not currently have any investments in the aforementioned assets.

CCIT's criteria for investing in CMBS or mortgage loans are substantially the same as those involved in its investment in properties. CCIT does not intend to make loans to other persons (other than mortgage loans), to underwrite securities of other issuers or to engage in the purchase and sale of any types of investments other than direct or indirect interests in real estate.

Borrowing Policies

CCIT's charter limits its aggregate borrowings to 75% of the cost of CCIT's gross assets (or 300% of net assets) (before deducting depreciation or other non-cash reserves) unless excess borrowing is approved by a majority of the independent directors and disclosed to CCIT stockholders in the next quarterly report along with the justification for such excess borrowing. Consistent with CCIT's advisor's approach toward the moderate use of leverage, the CCIT board of directors has adopted a policy to further limit CCIT's borrowings to 60% of the greater of cost (before deducting depreciation or other non-cash reserves) or fair market value of its gross assets, unless excess borrowing is approved by a majority of the independent directors and disclosed to CCIT stockholders in the next quarterly report along with a justification for such excess borrowing. CCIT's advisor has set a target leverage ratio of 40% to 50% of the greater of cost (before deducting depreciation or other non-cash reserves) or fair market value of CCIT's gross assets.

CCIT's advisor has substantial discretion with respect to the financing CCIT obtains, subject to CCIT's borrowing policies, which have been approved by the CCIT board of directors. Lenders may have recourse to assets not securing the repayment of the indebtedness. CCIT's advisor may refinance properties during the term of a loan only in limited circumstances, such as when a decline in interest rates makes it beneficial to prepay an existing mortgage, when an existing mortgage matures or if an attractive investment becomes available and the proceeds from the refinancing can be used to purchase such investment. The benefits of the refinancing may include increased cash flow resulting from reduced debt service requirements and an increase in property ownership if some refinancing proceeds are reinvested in real estate.

CCIT may not borrow money from any of its directors or from its advisor or its advisor's affiliates unless such loan is approved by a majority of the directors not otherwise interested in the transaction (including a majority of the independent directors) as fair, competitive and commercially reasonable and no less favorable to CCIT than a comparable loan between unaffiliated parties.

Investment Limitations, in General

CCIT's charter places additional limitations on CCIT with respect to the manner in which it may invest its funds or issue securities. Until CCIT's shares are listed on a national securities exchange, CCIT:

will not make investments in unimproved property or mortgage loans on unimproved property in excess of 10% of CCIT's total assets;

will not make or invest in mortgage loans unless an appraisal is obtained concerning the underlying property, except for those mortgage loans insured or guaranteed by a government or government agency;

will not make or invest in mortgage loans, including construction loans, on any one property if the aggregate amount of all mortgage loans on such property would exceed an amount equal to 85% of the appraised value of such property unless substantial justification exists for exceeding such limit because of the presence of other underwriting criteria;

will not invest in indebtedness secured by a mortgage on real property that is subordinate to the lien or other indebtedness of CCIT's advisor, any director, CCIT's sponsor or any of its affiliates;

will not invest in real estate contracts of sale, otherwise known as land sale contracts, unless the contract is in recordable form and is appropriately recorded in the chain of title;

will not invest in commodities or commodity futures contracts, except for futures contracts when used solely for the purpose of hedging in connection with CCIT's ordinary business of investing in real estate assets and mortgages;

will not issue equity securities on a deferred payment basis or other similar arrangement;

will not issue debt securities in the absence of adequate cash flow to cover debt service;

will not issue equity securities that are assessable after CCIT has received the consideration for which its board of directors authorized their issuance;

will not issue equity securities redeemable solely at the option of the holder, which restriction has no effect on CCIT's share redemption program or the ability of CCIT's operating partnership to issue redeemable partnership interests;

will not issue options or warrants to CCIT's advisor, CCIT's directors, CCIT's sponsor or any of their respective affiliates except on the same terms as such options or warrants are sold to the general public and provided that such options or warrants do not exceed 10% of CCIT's outstanding shares on the date of grant;

will not make any investment that CCIT believes will be inconsistent with its objectives of qualifying and remaining qualified as a REIT unless and until the CCIT board of directors determines, in its sole discretion, that REIT qualification is not in CCIT's best interests; and

will continually review CCIT's investment activity to ensure that CCIT is not classified as an "investment company" under the Investment Company Act of 1940, as amended.

Disposition Policies

The determination of whether a particular asset should be sold or otherwise disposed of will be made after consideration of relevant factors, including prevailing and projected economic conditions, current tenant rolls and tenant creditworthiness, whether CCIT could apply the proceeds from the sale of the asset to make other investments, whether disposition of the asset would increase cash flow and whether the sale of the asset would be a prohibited transaction under the Code or otherwise impact CCIT's status as a REIT for United States federal income tax purposes. The selling price of a property that is net leased will be determined in large part by the amount of rent payable under the lease. If a tenant has a repurchase option at a formula price, CCIT may be limited in realizing any appreciation. In connection with CCIT's sales of properties, CCIT may lend the purchaser all or a portion of the purchase price. In these instances, CCIT's taxable income may exceed the cash received in the sale.

Competition

As CCIT purchases properties, it is in competition with other potential buyers for the same properties and may have to pay more to purchase the property than if there were no other potential acquirers or CCIT may have to locate another property that meets its investment criteria. Although its properties are currently 100% leased, the leasing of real estate is highly competitive in the current market, and CCIT may continue to experience competition for tenants from owners and managers of competing projects. As a result, CCIT may have to provide free rent, incur charges for tenant improvements, or offer other inducements, or CCIT might not be able to timely lease the space, all of

which may have an adverse impact on CCIT's results of operations. At the time CCIT elects to dispose of its properties, it may also be in competition with sellers of similar properties to locate suitable purchasers for its properties.

Concentration of Credit Risk

As of September 30, 2014, CCIT had cash on deposit, including restricted cash, at seven financial institutions, in all of which CCIT had deposits in excess of federally insured levels, totaling \$33.6 million; however, CCIT has not experienced any losses in such accounts. CCIT limits significant cash deposits to accounts held by financial institutions with high credit standing; therefore, CCIT believes it is not exposed to any significant credit risk on its cash deposits.

As of September 30, 2014, no single tenant accounted for greater than 10% of CCIT's 2014 gross annualized rental revenues. CCIT had certain geographic concentrations in its property holdings. As of September 30, 2014, CCIT had properties located in two states with respective gross annualized rental revenues greater than 10% of CCIT's 2014 total gross annualized rental revenues: Texas (22%) and California (11%). In addition, CCIT had tenants in three industries with respective gross annualized rental revenues greater than 10% of CCIT's 2014 total gross annualized rental revenues: manufacturing (16%); healthcare (15%) and mining and natural resources (12%).

Employees

CCIT has no employees and each of CCIT's executive officers is an employee of ARCP.

Litigation

In the ordinary course of business, CCIT may become subject to litigation or claims. CCIT is not aware of any pending legal proceedings of which the outcome is reasonably possible to have a material effect on its results of operations, financial condition or liquidity.

Environmental Matters

In connection with the ownership and operation of real estate, CCIT potentially may be liable for costs and damages related to environmental matters. In addition, CCIT may acquire certain properties that are subject to environmental remediation. CCIT carries environmental liability insurance on its properties that will provide limited coverage for remediation liability and pollution liability for third party bodily injury and property damage claims. CCIT is not aware of any environmental matters which it believes will have a material effect on its results of operations, financial condition or liquidity.

Available Information

CCIT electronically files its Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and all amendments to those reports with the SEC. CCIT has also filed registration statements, amendments to its registration statements, and/or supplements to its prospectus in connection with the CCIT Offerings with the SEC. Property Portfolio Information

Properties. As of September 30, 2014, CCIT owned, through separate wholly owned limited liability companies of CCIT and CCIT's operating partnership or a consolidated joint venture agreement, a portfolio of 87 properties comprising approximately 18.3 million rentable square feet of commercial space located in 30 states. As of September 30, 2014, 100% of the rentable square feet was

leased, with a weighted average remaining lease term of 11.3 years and annualized gross rental revenue of \$198.8 million. As of September 30, 2014, CCIT had outstanding debt of \$1.0 billion.

During the nine months ended September 30, 2014, CCIT acquired 10 commercial properties for an aggregate purchase price of \$315.8 million. CCIT purchased these with net proceeds from the public offerings described above and available borrowings. CCIT allocated the purchase price of these properties to the fair value of the assets acquired and liabilities assumed. CCIT recorded revenue for the nine months ended September 30, 2014 of \$10.6 million, and a net loss for the nine months ended September 30, 2014 of \$2.9 million related to the 2014 acquisitions. In addition, CCIT recorded \$7.5 million of acquisition related expenses for the nine months ended September 30, 2014.

Leases. As of September 30, 2014, the portfolio contained 93 leases. The portfolio's tenants represent the following industries, including the number of leases within each industry: (i) healthcare (23), (ii) manufacturing (11), (iii) mining and natural resources (3), (iv) technology (5), (v) online retail (4), (vi) other professional services (9), (vii) financial services (2) and (viii) other (36). As of September 30, 2014, no single property's gross annualized rental revenues accounted for 10% or more of CCIT's total gross annualized rental revenue. In addition, no single property accounted for 10% or more of CCIT's total assets as of September 30, 2014. Although the specific terms of the leases of CCIT's properties vary, the general structure of the leases provides for initial terms of ten or more years, and provides the tenant with one or more multi-year renewal options, subject to generally the same terms and conditions as the initial lease term. Certain leases also provide that in the event CCIT wishes to sell the property subject to that lease, CCIT must first offer the lessee the right to purchase the property on the same terms and conditions as any offer which CCIT intends to accept for the sale of the property. The properties are generally leased under net leases pursuant to which the tenant bears responsibility for substantially all the property costs and expenses associated with ongoing maintenance and operation, including utilities, property taxes and insurance, while certain of the leases require CCIT to maintain the roof and structure of the building. Additionally, certain leases provide for increases in rent as a result of fixed increases, increases in the consumer price index, and/or increases in the tenant's sales volume.

The Combined Company

SIR and CCIT expect that the combined company will be the largest publicly traded REIT in the United States focused on domestic office and industrial net leased properties, as measured by square footage. Based on SIR and CCIT properties owned or subject to a binding purchase agreement as of September 30, 2014, the combined company is expected to own 114 properties (344 buildings, leasable land parcels and easements), located in 35 states containing 43.1 million rentable square feet. As of September 30, 2014, these properties were 97.5% leased (based on rentable square feet) to 308 different tenants, with investment grade tenants representing 38.4% of the properties' annualized rental revenues, and the average remaining lease term of these properties, weighted by annualized rental revenues, was 11.0 years.

(1) CCIT annualized rental revenue is calculated as the annualized contractual rents, as of September 30, 2014, from tenants pursuant to existing leases, including straight-line rent adjustments and excluding lease value amortization, and further adjusted for tenant concessions, including free rent and amounts reimbursed to tenants, if any.

(2) Combined company amounts include pro forma adjustments made to CCIT annualized revenues, including recalculations of straight-line rent under GAAP over the remaining life of each lease beginning January 1, 2015, plus estimated recurring expense reimbursements.

(3) Annualized rental revenue is calculated as the annualized contractual rents, as of September 30 2014, from tenants pursuant to existing leases, including straight-line rent adjustments and excluding lease value amortization, and further adjusted for tenant concessions, including free rent and amounts reimbursed to tenants, plus estimated recurring expense reimbursements from tenants pursuant to existing leases. Estimated recurring expense reimbursements from tenants represents annualized recurring monthly tenant billings established at the beginning of the current calendar year based on estimated current year annual reimbursable expenses.

(4) In addition to major tenant lease expirations, amounts include scheduled lease expirations for all other tenants occupying the same building.

DESCRIPTION OF SIR COMMON SHARES

The following is a summary of the material terms of the SIR Common Shares. Because it is a summary, it does not contain all of the information that may be important to you. If you want more information, you should read SIR's declaration of trust, attached as Exhibit 3.1 to this joint proxy statement/prospectus, and bylaws, copies of which have been filed with the SEC, each of which are incorporated by reference into this description. This summary is qualified in its entirety by those documents. See "Where You Can Find More Information; Incorporation by Reference" beginning on page 226 of this joint proxy statement/prospectus.

General

SIR's declaration of trust authorizes SIR to issue up to an aggregate of 125,000,000 shares of beneficial interest, all of which are currently designated as common shares of beneficial interest, par value \$.01 per share, or, as previously defined, the SIR Common Shares. As of December 10, 2014, there were 59,959,750 SIR Common Shares issued and outstanding. As of the date of this joint proxy statement/prospectus, no other class or series of shares of beneficial interest has been established.

SIR Common Shares

Subject to the preferential rights of any other class or series of shares which may be issued and to the ownership restrictions described below, all of the SIR Common Shares are entitled:

to receive distributions on the SIR Common Shares if, as and when authorized by the SIR board of trustees and declared by SIR out of assets legally available for distribution; and

to share ratably in SIR's assets legally available for distribution to SIR shareholders in the event of SIR's liquidation, dissolution or winding up after payment of or adequate provision for all of SIR's known debts and liabilities.

Subject to the provisions of SIR's declaration of trust regarding the restriction on the transfer of shares of beneficial interest, each outstanding SIR Common Share entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of trustees. Holders of SIR Common Shares do not have cumulative voting rights in the election of trustees.

Holders of SIR Common Shares have no preference, conversion, exchange, sinking fund, redemption or appraisal rights, or preemptive rights to subscribe for any of SIR's securities.

Power to Reclassify SIR Common Shares, Increase Authorized Shares and Issue Additional Shares

SIR's declaration of trust contains a provision permitting the SIR board of trustees, without any action by SIR's shareholders, to amend SIR's declaration of trust to increase or decrease the total number of shares of beneficial interest or the number of shares of any class or series that SIR has authority to issue. SIR's declaration of trust further authorizes the SIR board of trustees to reclassify any unissued shares from time to time by setting or changing the preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications or terms or conditions of redemption of shares of SIR or any new class or series of shares created by the SIR board of trustees. SIR believes that giving these powers to the SIR board of trustees provides SIR with increased flexibility in structuring possible future financings and acquisitions and in meeting other business needs which might arise. Although the SIR board of trustees has no intention at the present time of doing so, it could authorize SIR to issue a class or series that could, depending upon the terms of the class or series, delay or prevent a change in control.

Restrictions on Ownership and Transfers of Shares

SIR's declaration of trust provides that no person may own, or be deemed to own by virtue of the attribution provisions of the Code, or beneficially own under Rule 13d-3 under the Exchange Act, more than 9.8% of the number or value (whichever is more restrictive) of shares of any class or series of SIR's outstanding shares of beneficial interest, including the SIR Common Shares. The declaration of trust also prohibits any person from beneficially or constructively owning shares if that ownership would result in SIR being closely held under Section 856(h) of the Code or would otherwise cause SIR to fail to qualify as a REIT.

These restrictions do not apply to Equity Commonwealth (f/k/a CommonWealth REIT), or EQC, RMR or their affiliates (including GOV) so long as such ownership does not adversely affect SIR's qualification as a REIT under the Code. The SIR board of trustees, in its discretion, may exempt other persons from this ownership limitation, so long as the SIR board of trustees determines, among other things, that it is in SIR's best interest. The SIR board of trustees may not grant an exemption if the exemption would result in SIR's failing to qualify as a REIT. In determining whether to grant an exemption, the SIR board of trustees may consider, among other factors, the following:

the general reputation and moral character of the person requesting an exemption;

whether the person's ownership of shares would be direct or through ownership attribution;

whether the person's ownership of shares would interfere with the conduct of SIR's business, including without limitation, SIR's ability to acquire additional properties;

whether granting an exemption would adversely affect any of SIR's existing contractual arrangements or business policies;

whether the person to whom the exemption would apply has been approved as an owner of SIR by all regulatory or other governmental authorities who have jurisdiction over SIR; and

whether the person to whom the exemption would apply is attempting to change control of SIR or affect SIR's policies in a way which the SIR board of trustees, in its discretion, considers adverse to the best interests of SIR or SIR shareholders.

In addition, the SIR board of trustees may require such rulings from the IRS, opinions of counsel, representations, undertakings or agreements it deems advisable in order to make the foregoing decisions.

If a person attempts a transfer of SIR's shares of beneficial interest in violation of the ownership limitations described above, then the SIR board of trustees may, among other things, deem that the number of shares which would cause the violation will be automatically transferred to a trust, or the Charitable Trust, for the exclusive benefit of one or more charitable beneficiaries designated by SIR. The prohibited owner will:

have no rights in the shares held by the Charitable Trust;

not benefit economically from ownership of any shares held by the Charitable Trust (except to the extent provided below upon sale of the shares);

have no rights to dividends or other distributions;

not possess any rights to vote or other rights attributable to the shares held in the Charitable Trust; and

have no claim, cause of action or other recourse whatsoever against the purported transferor of such shares.

Table of Contents

Unless otherwise directed by the SIR board of trustees, within twenty days of receiving notice from SIR that shares have been transferred to the Charitable Trust, or as soon thereafter as practicable, the trustee of the Charitable Trust, or the Charitable Trustee, will sell such shares (together with the right to receive dividends or other distributions with respect to such shares) to a person, designated by the Charitable Trustee, whose ownership of the shares will not violate the ownership limitations set forth in SIR's declaration of trust. Upon such sale, the interest of the charitable beneficiary in the shares sold will terminate, and the Charitable Trustee will distribute the net proceeds of the sale to the prohibited owner and to the beneficiary of the Charitable Trust as follows:

the prohibited owner will receive the lesser of:

- o the net price paid by the prohibited owner for the shares or, if the prohibited owner did not give value for the shares in connection with the event causing the shares to be held in the Charitable Trust (for example, a gift, devise or other similar transaction) the market price of the shares on the day of the event causing the shares to be transferred to the Charitable Trust, less the costs, expenses and compensation of the Charitable Trustee and SIR; and
- o the net sales proceeds received by the Charitable Trustee from the sale or other disposition of the shares held in the Charitable Trust; and

any net sale proceeds in excess of the amount payable to the prohibited owner shall be paid to the beneficiary of the Charitable Trust, less the costs, expenses and compensation of the Charitable Trust and SIR.

If, prior to SIR's discovery that shares of beneficial interest have been transferred to the Charitable Trust, a prohibited owner sells those shares, then:

those shares will be deemed to have been sold on behalf of the Charitable Trust; and

to the extent that the prohibited owner received an amount for those shares that exceeds the amount that the prohibited owner was entitled to receive from a sale by the Charitable Trustee, the prohibited owner must promptly pay the excess to the Charitable Trustee upon demand.

Also, shares of beneficial interest held in the Charitable Trust will be deemed to have been offered for sale to SIR, or SIR's designee, at a price per share equal to the lesser of:

the price per share in the transaction that resulted in the transfer to the Charitable Trust or, if the prohibited owner did not give value for the shares, such as in the case of a devise, gift or other such transaction, the market price per such share on the day of the event causing the shares to become held by the Charitable Trust, less the costs, expenses and compensation of the Charitable Trustee, if any, and SIR; and

the market price per share on the date SIR, or SIR's designee, accept the offer, less the costs, expenses and compensation of the Charitable Trustee, if any, and SIR.

SIR will have the right to accept the offer until the trustee of the Charitable Trust has sold the shares held in the Charitable Trust. The net proceeds of the sale to SIR will be distributed similar to any other sale by a trustee of the Charitable Trust. The SIR board of trustees may retroactively amend, alter or repeal any rights which the Charitable Trust, the trustee of the Charitable Trust or the beneficiary of the Charitable Trust may have under SIR's declaration of trust, except that the SIR board of trustees may not retroactively amend, alter or repeal any obligations to pay amounts incurred prior to such time and owed or payable to the trustee of the Charitable Trust. The trustee of the Charitable Trust will be indemnified by SIR or from the proceeds from the sale of shares held in the Charitable Trust for its costs and expenses reasonably incurred in connection with conducting its duties and satisfying its obligations under SIR's declaration of trust and is entitled to receive reasonable compensation for services provided.

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

Costs, expenses and compensation payable to the Charitable Trustee may be funded from the Charitable Trust or by SIR. SIR will be entitled to reimbursement on a first priority basis (after payment in full of amounts payable to the Charitable Trustee) from the Charitable Trust for any such amounts funded by SIR.

In addition, costs and expenses incurred by SIR in the process of enforcing the ownership limitations set forth in SIR's declaration of trust, in addition to reimbursement of costs, expenses and compensation of the trustee of the Charitable Trust which have been funded by SIR, may be collected from the Charitable Trust.

The restrictions described above will not preclude the settlement of any transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system. SIR's declaration of trust provides, however, that the fact that the settlement of any transaction occurs will not negate the effect of any of the foregoing limitations and any transferee in such a transaction will be subject to all of the provisions described above.

Every owner of 5% or more of any class or series of shares of SIR is required to give written notice to SIR within thirty days after the end of each taxable year, and also within three business days after a request from SIR, stating the name and address of the owner, the number of shares of each class and series of shares of SIR which the owner beneficially owns, and a description of the manner in which those shares are held. If the Code or applicable tax regulations specify a threshold below 5%, this notice provision will apply to those persons who own SIR's shares of beneficial interest at the lower percentage. In addition, each shareholder is required to provide SIR upon demand with any additional information that SIR may request in order to determine its status as a REIT, to comply or determine its compliance with the requirements of any taxing authority or other government authority and to determine and ensure compliance with the foregoing ownership limitations.

All certificates evidencing shares of SIR and any share statements for uncertificated shares of SIR may bear legends referring to the foregoing restrictions.

These restrictions on ownership and transfer are intended to assist with REIT compliance under the Code and otherwise to promote SIR's orderly governance.

Transfer Agent and Registrar

The transfer agent and registrar for the SIR Common Shares is Wells Fargo Bank, National Association.

Listing

The SIR Common Shares are listed on the NYSE under the symbol "SIR." SIR will apply to have the new SIR Common Shares issued as Share Consideration in the Merger listed on the NYSE prior to the Effective Time, subject to official notice of issuance.

THE SIR SPECIAL MEETING

Date, Time, Place and Purpose of the SIR Special Meeting

The SIR special meeting will be held on January 22, 2015, beginning at 10:00 a.m., local time, at Two Newton Place, 255 Washington Street, Suite 100, Newton, Massachusetts 02458, unless postponed to a later date or dates. This purpose of the SIR special meeting is:

1. to approve the SIR Share Issuance; and
2. to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

Recommendation of the SIR Board of Trustees

The SIR board of trustees unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at the SIR special meeting and (iii) resolved to recommend that SIR shareholders vote in favor of the approval of the SIR Share Issuance. The SIR board of trustees unanimously recommends that SIR shareholders vote FOR the proposal to approve the SIR Share Issuance and FOR the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance. For the reasons for this recommendation, see "The Merger Recommendation of the SIR Board of Trustees and its Reasons for the Merger and the Related Transactions" beginning on page 103 of this joint proxy statement/prospectus.

Record Date; Who Can Vote at the SIR Special Meeting

The SIR board of trustees has fixed the close of business on December 12, 2014 as the SIR Record Date. Only holders of record of SIR Common Shares at the close of business on the SIR Record Date are entitled to receive notice of, and to vote at, the SIR special meeting. SIR expects that, as of the SIR Record Date, there will be 59,959,750 SIR Common Shares issued and outstanding and entitled to vote at the SIR special meeting, held by approximately 83 holders of record.

Each SIR Common Share is entitled to one vote on each proposal at the SIR special meeting.

Vote Required for Approval; Quorum

SIR's proposal to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. SIR's proposal to adjourn the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal. Pursuant to SIR's bylaws, the chairperson of the SIR special meeting may adjourn the SIR special meeting to a later date or dates, for any reason deemed necessary by the chairperson, without SIR shareholder approval.

SIR's bylaws provide that the presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes, if any, will be included in determining the presence of a quorum. Broker non-votes, if any, will have no effect on the proposal to approve the SIR Share Issuance or the proposal to approve the adjournment of the SIR special meeting to a later date or

dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance. Abstentions will have the same effect as votes cast **AGAINST** the proposal to approve the SIR Share Issuance. However, abstentions will have no effect on the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

Manner of Voting

SIR shareholders may submit their votes for or against the proposals to be voted on at the SIR special meeting in person or by proxy. SIR shareholders can vote in advance in the following ways:

Internet. SIR shareholders may vote over the Internet by going to the website listed on their proxy card or voting instruction form. Once at the website, they should follow the instructions to vote.

Telephone. SIR shareholders may vote using the toll-free number listed on their proxy card or voting instruction form.

Mail. SIR shareholders may vote by completing, signing, dating and returning their proxy card or voting instruction form in the preaddressed postage paid envelope provided.

SIR shareholders should refer to their proxy cards or the information forwarded by their broker or other nominee to see which options are available to them.

The Internet and telephone voting procedures are designed to authenticate shareholders and to allow them to confirm that their instructions have been properly recorded. If you vote over the Internet or by telephone, then you do not need to return a written proxy card or voting instruction form by mail.

The method by which SIR shareholders vote will in no way limit their right to vote at the SIR special meeting if they later decide to attend the meeting and vote in person. If SIR Common Shares are held in the name of a broker or other nominee, SIR shareholders must obtain a "legal proxy," executed in their favor, from the broker or other nominee (which may take several days), to be able to vote in person at the SIR special meeting.

All SIR Common Shares entitled to vote and represented by properly completed proxies which are received prior to the SIR special meeting, which are not revoked, will be voted at the SIR special meeting as instructed on the proxies. **If SIR shareholders of record do not indicate how their SIR Common Shares should be voted on a proposal, the SIR Common Shares represented by their properly completed proxy will be voted as the SIR board of trustees unanimously recommends and therefore FOR the proposal to approve the SIR Share Issuance and FOR the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.** If you do not provide voting instructions to your broker or other nominee, your SIR Common Shares will NOT be voted and will be considered broker non-votes.

Shares Held in "Street Name"

If SIR shareholders hold SIR Common Shares in an account of a broker or other nominee and they wish to vote such shares, they must return their voting instructions to the broker or other nominee using the voting instruction form included with this joint proxy statement/prospectus.

If SIR shareholders hold SIR Common Shares in an account of a broker or other nominee and attend the SIR special meeting, they should bring a letter from their broker or other nominee identifying them as the beneficial owner of such SIR Common Shares and authorizing them to vote.

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

SIR Common Shares held by brokers and other nominees will NOT be voted unless such SIR shareholders instruct such brokers or other nominees how to vote.

Revocation of Proxies or Voting Instructions

SIR shareholders may revoke their proxy or change their vote at any time before their proxy is voted at the SIR special meeting. SIR shareholders of record can do this in any of the three following ways:

by sending a written notice to the Secretary of SIR at Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458 in time to be received before the SIR special meeting, stating that they would like to revoke their proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before the SIR special meeting, or by completing a later dated proxy over the Internet or by telephone, in which case the later dated proxy will be recorded and the earlier proxy revoked; or

by attending the SIR special meeting and voting in person. Simply attending the SIR special meeting without voting will not revoke a proxy or change a vote.

If your SIR Common Shares are held in an account by a broker or other nominee and you desire to change your vote or vote in person, you should contact your broker or other nominee for instructions on how to do so.

Tabulation of the Votes

SIR will appoint an Inspector of Election for the SIR special meeting to tabulate affirmative and negative votes and abstentions.

Solicitation of Proxies

SIR will pay the cost of soliciting proxies. Proxies may also be solicited, without additional compensation, by SIR's trustees and executive officers, and by RMR and its directors, officers and employees, by mail, telephone or other electronic means or in person. SIR has engaged Morrow & Co., LLC to assist it in the solicitation of proxies, for which SIR anticipates that it will pay to Morrow & Co., LLC an estimated fee of \$15,000, plus reimbursement of expenses.

In accordance with the regulations of the SEC and the NYSE, SIR also will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of SIR Common Shares.

PROPOSALS SUBMITTED TO SIR SHAREHOLDERS

SIR Share Issuance Proposal

(Proposal 1 on the SIR Proxy Card)

If the Merger is completed pursuant to the Merger Agreement, CCIT stockholders will receive per share of CCIT Common Stock, at the election of each such stockholder, either (i) the Cash Consideration or (ii) the Share Consideration, subject to adjustment and proration in accordance with the Merger Agreement.

If the aggregate number of shares of CCIT Common Stock electing to receive the Cash Consideration exceeds the Maximum Cash Conversion Number or is less than the Minimum Cash Conversion Number, notwithstanding CCIT stockholder elections, the Cash Consideration and Share Consideration will be allocated in accordance with the proration and allocation procedures set forth in the Merger Agreement so that the aggregate number of shares of CCIT Common Stock that are converted into the right to receive the Cash Consideration does not exceed the Maximum Cash Conversion Number and is not less than the Minimum Cash Conversion Number. The Merger Consideration may also be adjusted in the event that SIR pays a special distribution to its shareholders or CCIT pays a special distribution to its stockholders prior to the closing date.

Under the rules of the NYSE, on which the SIR Common Shares are listed, SIR is required to obtain shareholder approval prior to the SIR Share Issuance if the number of SIR Common Shares to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of SIR Common Shares issued and outstanding immediately prior to the SIR Share Issuance. SIR expects that the aggregate number of SIR Common Shares that SIR will issue in the Merger if the Merger is completed will exceed 20% of the SIR Common Shares issued and outstanding before such issuance, and for this reason, SIR must obtain the approval of SIR shareholders for the SIR Share Issuance.

The approval of the SIR Share Issuance by SIR shareholders is a condition precedent to the completion of the Merger. In the event the SIR Share Issuance is not approved by SIR shareholders, the Merger cannot be completed and SIR will be obligated to reimburse CCIT for its expenses in an aggregate amount not to exceed \$20.0 million. In the event the SIR Share Issuance is approved by SIR shareholders, but the Merger Agreement is terminated (without the Merger being completed) prior to the SIR Share Issuance, SIR will not issue the SIR Common Shares.

SIR is asking SIR shareholders to approve the SIR Share Issuance.

SIR's proposal to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on the proposal.

Recommendation of the SIR Board of Trustees

The SIR board of trustees unanimously recommends that SIR shareholders vote FOR the proposal to approve the SIR Share Issuance.

SIR Adjournment Proposal

(Proposal 2 on the SIR Proxy Card)

The SIR special meeting may be adjourned to another date, dates or place, if necessary or appropriate, to permit further solicitation of proxies to obtain additional votes in favor of the proposal to approve the SIR Share Issuance. If, at the SIR special meeting, the number of SIR Common Shares present or represented and voting in favor of the proposal to approve the SIR Share Issuance is insufficient to approve such proposal, SIR intends to move to adjourn the SIR special meeting to a later date or dates in order to enable the SIR board of trustees to solicit additional proxies. In

addition, under SIR's bylaws, prior to the SIR special meeting being held, the meeting may be postponed by the SIR board of trustees to a date not more than 120 days after the SIR Record Date and pursuant to SIR's bylaws, the chairperson of the SIR special meeting may adjourn the SIR special meeting to a later date or dates, for any reason deemed necessary by the chairperson, without SIR shareholder approval.

SIR is asking SIR shareholders to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

SIR's proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance requires the affirmative vote of a majority of the votes cast on such proposal.

Recommendation of the SIR Board of Trustees

The SIR board of trustees unanimously recommends that SIR shareholders vote FOR the proposal to approve the adjournment of the SIR special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the SIR Share Issuance.

The CCIT board of directors unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted for consideration at the CCIT special meeting and (iii) resolved to recommend that CCIT stockholders vote in favor of the approval of the Merger and the other transactions contemplated by the Merger Agreement. The CCIT board of directors unanimously recommends that CCIT stockholders vote FOR the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement and FOR the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement. For the reasons for this recommendation, see "The Merger Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions" beginning on page 108 of this joint proxy statement/prospectus.

Record Date; Who Can Vote at the CCIT Special Meeting

The CCIT board of directors has fixed the close of business on December 12, 2014 as the CCIT Record Date. Only holders of record of shares of CCIT Common Stock at the close of business on the CCIT Record Date are entitled to notice of, and to vote at, the CCIT special meeting. CCIT expects that, as of the CCIT Record Date, there will be 197,605,729 shares of CCIT Common Stock issued and outstanding and entitled to vote at the CCIT special meeting, held by approximately 37,656 holders of record.

Each share of CCIT Common Stock is entitled to one vote on each proposal at the CCIT special meeting. Fractional shares will have corresponding fractional votes.

Vote Required for Approval; Quorum

CCIT's proposal to approve the Merger and the other transactions contemplated by the Merger Agreement requires the affirmative vote of the holders of a majority of the issued and outstanding shares of CCIT Common Stock entitled to vote on such proposal. CCIT's proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement requires the affirmative vote of a majority of the votes cast on such proposal.

CCIT's bylaws provide that the presence in person or by proxy of CCIT stockholders entitled to cast at least 50% of all the votes entitled to be cast at the CCIT special meeting shall constitute a quorum.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes, if any, will be included in determining the presence of a quorum, but will have the same effect as votes **AGAINST** the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement. However, abstentions and broker non-votes, if any, will have no effect on the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement.

Manner of Voting

CCIT stockholders may submit their votes for or against the proposals to be voted on at the CCIT special meeting in person or by proxy. CCIT stockholders can vote in advance in the following ways:

Internet. CCIT stockholders may vote over the Internet by going to the website listed on their proxy card or voting instruction form. Once at the website, they should follow the instructions to vote.

Telephone. CCIT stockholders may vote using the toll-free number listed on their proxy card or voting instruction form.

Mail. CCIT stockholders may vote by completing, signing, dating and returning their proxy card or voting instruction form in the preaddressed postage paid envelope provided.

CCIT stockholders should refer to their proxy cards or the information forwarded by their broker or other nominee to see which options are available to them.

The Internet and telephone voting procedures are designed to authenticate stockholders and to allow them to confirm that their instructions have been properly recorded. If you vote over the Internet or by telephone, then you do not need to return a written proxy card or voting instruction form by mail.

The method by which CCIT stockholders vote will in no way limit their right to vote at the CCIT special meeting if they later decide to attend the meeting and vote in person. If shares of CCIT Common Stock are held in the name of a broker or other nominee, CCIT stockholders must obtain a "legal proxy," executed in their favor, from the broker or other nominee (which may take several days), to be able to vote in person at the CCIT special meeting.

All shares of CCIT Common Stock entitled to vote and represented by properly completed proxies which are received prior to CCIT's special meeting, which are not revoked, will be voted at the CCIT special meeting as instructed on the proxies. **If CCIT stockholders of record do not indicate how their shares of CCIT Common Stock should be voted on a proposal, the shares of CCIT Common Stock represented by their properly completed proxy will be voted as the CCIT board of directors unanimously recommends and therefore FOR the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement and FOR the proposal to approve the adjournment of the CCIT special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Merger and the other transactions contemplated by the Merger Agreement.**

Shares held in "Street Name"

If CCIT stockholders hold shares of CCIT Common Stock in an account of a broker or other nominee and they wish to vote such shares, they must return their voting instructions to the broker or other nominee using the voting instruction form included with this joint proxy statement/prospectus.

If CCIT stockholders hold shares of CCIT Common Stock in an account of a broker or other nominee and attend the CCIT special meeting, they should bring a letter from their broker or other nominee identifying them as the beneficial owner of such shares of CCIT Common Stock and authorizing them to vote.

Shares of CCIT Common Stock held by brokers and other nominees will NOT be voted unless such CCIT stockholders instruct such brokers or other nominees how to vote. However, any broker non-votes will have the same effect as votes **AGAINST** the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement.

Revocation of Proxies or Voting Instructions

CCIT stockholders may revoke their proxy or change their vote at any time before their proxy is voted at the CCIT special meeting. CCIT stockholders of record can do this in any of the three following ways:

by sending a written notice to the Secretary of CCIT at 2325 East Camelback Road, Suite 1100, Phoenix, Arizona 85016 in time to be received before the CCIT special meeting, stating that they would like to revoke their proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before the CCIT special meeting, or by completing a later dated proxy over the Internet or by telephone, in which case the later dated proxy will be recorded and the earlier proxy revoked; or

by attending the CCIT special meeting and voting in person. Simply attending the CCIT special meeting without voting will not revoke a proxy or change a vote.

If your shares of CCIT Common Stock are held in an account by a broker or other nominee and you desire to change your vote or vote in person, you should contact your broker or other nominee for instructions on how to do so.

Tabulation of the Votes

CCIT will appoint an Inspector of Election for the CCIT special meeting to tabulate affirmative and negative votes and abstentions.

Solicitation of Proxies

CCIT will pay the cost of soliciting proxies. Proxies may also be solicited, without additional compensation, by CCIT's directors and executive officers by mail, telephone or other electronic means or in person. CCIT has retained Boston Financial Data Services, Inc. to assist it in the solicitation of proxies. CCIT anticipates that it will pay Boston Financial Data Services, Inc. an amount not expected to exceed \$75,000, which includes the payment of certain fees and expenses for its services to solicit proxies.

The solicitation of proxies from CCIT stockholders is made on behalf of the CCIT board of directors. CCIT will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to CCIT stockholders.

The CCIT special meeting may be adjourned to a later date or dates, if necessary or appropriate, to permit further solicitation of proxies to obtain additional votes in favor of the proposal to approve the Merger and the other transactions contemplated by the Merger Agreement. THE MERGER

The following is a description of the material aspects of the Merger. While SIR and CCIT believe that the following description covers the material terms of the Merger, the description may not contain all of the information that may be important to you. You should read this joint proxy statement/prospectus carefully and in its entirety, including the Merger Agreement attached to this joint proxy statement/prospectus as Annex A and incorporated herein by reference, for a more complete understanding of the Merger.

General

The SIR board of trustees and the CCIT board of directors have each unanimously approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. In the Merger, CCIT will merge with and into SIR Merger Sub, with SIR Merger Sub surviving the Merger as a wholly owned subsidiary of SIR. CCIT stockholders will receive the Merger Consideration as described below under "The Merger Agreement Consideration to be Received in the Merger" beginning on page 183 of this joint proxy statement/prospectus.

SIR's and CCIT's diverse properties consist primarily of single tenant, net leased corporate office and industrial properties located throughout the United States. As of September 30, 2014, not including the 23 Healthcare Properties to be sold to SNH, CCIT owned 64 properties (64 buildings), including a property owned through a consolidated joint venture arrangement, comprising 15.5 million rentable square feet of income producing necessity corporate office and industrial properties located in 30 states. As of September 30, 2014, the rentable space at these properties was 100% leased, with a weighted average remaining lease term (based on annualized rental revenue) of 11.9 years.

As of September 30, 2014, SIR owned 50 properties (280 buildings, leasable land parcels and easements), located in 21 states, that contain approximately 27.0 million rentable square feet and were approximately 96.1% leased (based on rentable square feet). For the nine months ended September 30, 2014, approximately 38.8% of SIR's total revenue was from 11 properties (229 buildings, leasable land parcels and easements) with 17.8 million rentable square feet that SIR owns on the island of Oahu, Hawaii. The remainder of SIR's total revenue for the period ended September 30, 2014 was from 39 properties (51 buildings) located throughout the mainland United States. As of September 30, 2014, SIR's properties were leased to 262 different tenants, with a weighted average remaining lease term (based on annualized rental revenue) of approximately 10.5 years. SIR and CCIT expect the combined company to be the premiere single tenant, net lease office and industrial REIT.

Additionally, the Healthcare Properties Purchase and Sale Agreement provides for the purchase by SNH immediately upon closing of the Merger of the Healthcare Properties for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million).

Background of the Merger and the Related Transactions

As part of their ongoing oversight, direction and management of SIR's business, the SIR board of trustees and management regularly review and discuss SIR's performance, business plan, strategic direction and future growth prospects. These discussions have periodically, in the ordinary course of business, included the evaluation and consideration of a variety of strategic opportunities and their potential benefits and risks.

CCIT was formed in 2010 as a non-exchange traded, externally advised Maryland corporation, which elected to be taxed as a REIT under the Code, to acquire and operate a diversified portfolio of commercial real estate investments primarily consisting of single tenant, income producing necessity corporate office and industrial properties, which are leased to creditworthy tenants under long term leases and located strategically throughout the United States. Commencing on February 10, 2011 and

terminating on November 21, 2013, CCIT raised aggregate gross proceeds of approximately \$1.9 billion in the CCIT Offering to finance its real estate investment activities.

On July 16, 2013, CCIT publicly disclosed that the CCIT board of directors had determined to begin exploring potential strategies to provide CCIT stockholders with liquidity upon closing of the CCIT Offering. At a meeting of the CCIT board of directors held on November 7, 2013, at which representatives of management, Morris Manning, CCIT's outside legal counsel, and Ropes & Gray LLP, or Ropes & Gray, special counsel to CCIT's independent directors, were present, the CCIT board of directors discussed the process by which it might begin to consider potential strategic options. As part of this discussion, the CCIT board of directors decided to meet in the first quarter of 2014 to discuss the matter further. The CCIT Offering closed on November 21, 2013. At the CCIT board of directors' meeting held on January 8, 2014, at which representatives of management, Morris Manning and Ropes & Gray were present, and Mr. Schorsch and representatives of ARCP attended as invited guests, the CCIT board of directors observed that CCIT was well positioned to begin exploring potential strategic options.

In connection with the completion of the Cole/ARCP merger on February 7, 2014, the CCIT board of directors appointed Mr. Schorsch as the Chairman, President and Chief Executive Officer of CCIT, effective as of such date.

At a meeting of the CCIT board of directors held on February 27, 2014, at which representatives of management, Morris Manning and Ropes & Gray were present, CCIT's management advised the CCIT board of directors of its view that causing CCIT to continue to operate its portfolio and maintain its status as a non-traded REIT following completion of the CCIT Offering likely would not enhance stockholder value. In light of the foregoing, CCIT's management recommended that CCIT evaluate potential strategic options with a view toward increasing stockholder value. At that same meeting, representatives of a financial advisory firm discussed the financial advisory firm's qualifications and capabilities to provide capital markets and investment banking services in connection with CCIT's review of potential strategic alternatives. The CCIT board of directors then directed management to assemble a list of financial advisors that might assist the CCIT board of directors in exploring and assessing potential strategic options available to CCIT and CCIT's financial prospects if CCIT were to continue to operate its portfolio and maintain its status as a non-traded REIT. Representatives of Morris Manning advised the CCIT board of directors regarding its fiduciary obligations in connection with any process of evaluating potential strategic options.

In furtherance of the foregoing, in early to mid-March 2014, representatives of CCIT held discussions with four investment banks with significant experience advising REITs, including Wells Fargo Securities, regarding each investment bank's qualifications and capabilities. The criteria for identifying investment banks to participate in the CCIT board of directors' process to select a financial advisor for CCIT included, among other things, the investment banks' institutional knowledge of the non-traded and traded REIT industries, their capacity to provide the functions of a full-service investment bank and the investment banking teams' past experience advising other companies in connection with similar transactions for similarly situated non-traded REITs. Based upon these criteria, three banks, including Wells Fargo Securities, were selected to meet with the CCIT board of directors on March 12, 2014 to review their qualifications in assisting CCIT. At the March 12, 2014 CCIT board meeting, attended by representatives of management, Morris Manning and Ropes & Gray, each investment banking team met with the CCIT board of directors. Each investment bank described its experience in the non-traded and traded REIT industry, its views on the current state of the financial markets, including the impact of the current state of the financial markets on the real estate industry, as well as its qualifications to serve as CCIT's financial advisor in connection with CCIT's evaluation of potential strategic options. The investment banking teams also discussed possible strategic alternatives available for consideration by the CCIT board of directors with the goal of enhancing CCIT's

stockholder value and responded to inquiries of the CCIT board of directors regarding material relationships among the investment banks and affiliates of CCIT's management.

After due and careful consideration, at a meeting of the CCIT board of directors held on March 14, 2014, at which representatives of Morris Manning and Ropes & Gray were present, the CCIT board of directors authorized CCIT's management to negotiate the engagement of Wells Fargo Securities to act as CCIT's financial advisor in connection with CCIT's strategic review process. The CCIT board of directors subsequently ratified and approved the engagement of Wells Fargo Securities by unanimous written consent on March 26, 2014.

On March 31, 2014, CCIT publicly announced that it had engaged Wells Fargo Securities to assist CCIT in a review of potential strategic options for CCIT.

Following Wells Fargo Securities' engagement, at the request of the CCIT board of directors, Wells Fargo Securities began to prepare an overview of potential strategic alternatives available to CCIT, including a merger or sale of the company, listing of CCIT Common Stock on a national securities exchange (with or without an associated public offering of additional shares or a tender offer for outstanding shares), internalizing management functions currently provided by CCI Advisors, or continuing to operate as is, without a near term liquidity event.

At a meeting of the CCIT board of directors held on April 15, 2014, at which representatives of management, Wells Fargo Securities, Morris Manning and Ropes & Gray were present, Wells Fargo Securities discussed with the CCIT board of directors potential strategic options for CCIT, including a preliminary overview, based on CCIT management forecasts, of CCIT's potential financial prospects if CCIT were to continue to operate its portfolio and maintain its status as a non-traded REIT, seek to internalize its management function and list its shares on a national securities exchange, or seek to sell its real estate portfolio in one or more transactions, including a business combination. Wells Fargo Securities suggested that CCIT consider a targeted third party solicitation process to gauge the value that third parties might place on CCIT in a business combination scenario. After discussion, the CCIT board of directors determined to move forward with a targeted third party solicitation process. The CCIT board of directors viewed the other strategic options available to CCIT at the time as less likely to maximize stockholder value than a business combination, and believed that engaging in a targeted third party solicitation process would not preclude CCIT from pursuing other options if the CCIT board of directors later determined that another option would be in the best interests of CCIT stockholders. At the same meeting, the CCIT board of directors discussed whether certain companies with which Mr. Schorsch was affiliated were reasonably likely to be interested in evaluating a potential strategic transaction. Given the potential for conflicts of interest, Mr. Schorsch recused himself from the process.

Following the April 15, 2014 meeting of the CCIT board of directors, the independent directors, with advice from Ropes & Gray, determined that appropriate information barriers and confidentiality arrangements should be established in order to address any potential, actual or perceived conflicts of interest. CCI Advisors worked with Morris Manning to establish appropriate information barriers and confidentiality protocols, as directed by the CCIT independent directors.

Beginning in mid-April 2014, at the direction of the CCIT independent directors, Wells Fargo Securities contacted a total of nineteen third parties, including SIR, to ascertain their potential interest in engaging in a strategic transaction with CCIT. These third parties included eleven public REITs, seven private equity investors and a life insurance company, each of which was identified based on, among other things, its perceived ability to complete a transaction and other factors, including strategic imperative, liquidity, experience and track record. Thirteen of the nineteen third parties contacted, including SIR, executed confidentiality and standstill agreements with CCIT with respect to CCIT information to be shared with the third parties, and subsequently were provided with a confidential

offering memorandum and access to CCIT's electronic data room containing certain non-public information concerning CCIT's assets, business and operations.

Also beginning in mid-April 2014 and over the following weeks, Morris Manning prepared a bid form of merger agreement to facilitate negotiations during the targeted third party solicitation process, with input from representatives of CCIT's management, Ropes & Gray, Venable LLP, or Venable, Maryland counsel to CCIT, and Wells Fargo Securities.

At a meeting of the SIR board of trustees held on May 2, 2014, the board of trustees discussed the possible acquisition of CCIT. Management of SIR indicated to the board of trustees that CCIT represented a high quality portfolio of properties that matched SIR's stated business strategy of acquiring high quality single tenant, net leased office and industrial properties. Management of SIR also indicated that it anticipated that ARCP or one of its affiliates would likely acquire CCIT. After discussion among the management and SIR board of trustees regarding CCIT, it was the consensus of the board of trustees that CCIT represented a highly attractive acquisition opportunity for SIR and that the management of SIR should continue pursuing a possible acquisition of CCIT, but only if the financial terms, financing and deal structure could be achieved on terms acceptable to the SIR board of trustees, including the disinterested trustees.

During the course of CCIT's targeted third party solicitation process, Wells Fargo Securities provided updates and related information to the CCIT independent directors in meetings held on April 25, 2014, May 5, 2014, and May 12, 2014. At these meetings, representatives of management, Morris Manning and Ropes & Gray also were present. At a meeting held on May 12, 2014, a representative of Venable discussed with the CCIT independent directors the standard of conduct required of directors under Maryland law and CCIT's charter in connection with a potential merger or sale of CCIT, including a potential transaction in which a director was interested.

Also on May 12, 2014, in accordance with the directives of the CCIT independent directors, Wells Fargo Securities provided representatives of SIR with CCIT's bid process letter, which set the deadline for the submission of initial indications of interest as May 20, 2014.

On May 20, 2014, four of the thirteen parties that had executed confidentiality and standstill agreements with CCIT submitted non-binding indications of interest to acquire all of the outstanding shares of CCIT Common Stock, including SIR, as described below:

SIR proposed a \$10.50 per share purchase price payable in cash (up to a maximum of 45% of the outstanding shares of CCIT Common Stock) or a number of SIR Common Shares based on an exchange ratio to reflect the then current market price for SIR Common Shares, with CCIT stockholders able to elect cash or share consideration, subject to proration.

A public REIT, which is referred to as Party A, proposed a \$10.57 per share purchase price payable in a number of shares of Party A common stock based on an exchange ratio to reflect the then current market price for Party A common stock.

Another public REIT, which is referred to as Party B, proposed a \$10.00 per share purchase price, consisting of \$7.44 per share payable in a number shares of Party B common stock based on an exchange ratio to reflect the then current market price for Party B common stock and \$2.56 per share payable in shares of a redeemable convertible preferred stock that would be freely tradable at closing.

A third public REIT, which is referred to as Party C, proposed a stock transaction at an exchange ratio based on an implied per share value for CCIT of \$8.50, with Party C having the option to pay 10% of the consideration in cash at closing.

None of the nine other parties that executed a confidentiality and standstill agreement with CCIT submitted a written indication of interest or other proposal.

On May 22, 2014, the CCIT independent directors conducted separate meetings with Hentschel & Company and three other investment banking firms to discuss a potential role for a second financial advisor to assist the CCIT independent directors.

In meetings of the CCIT independent directors held on May 22, 2014 and May 23, 2014, at which representatives of Wells Fargo Securities, Morris Manning, Ropes & Gray, and Venable were present, Wells Fargo Securities reviewed with the CCIT independent directors the indications of interest received by CCIT. Additionally, representatives of Wells Fargo Securities provided the CCIT independent directors with an update on their conversations with another third party that had executed a confidentiality and standstill agreement in connection with the process, which is referred to as Party D, but had not submitted a written indication of interest or other proposal. Representatives of Wells Fargo Securities indicated that Party D had described a possible strategic transaction between CCIT and Party D in general terms, whereby certain assets of Party D could be combined with CCIT's assets in connection with the listing of CCIT Common Stock on a national securities exchange.

After due and careful consideration of each of the indications of interest received and Party D's conversations with Wells Fargo Securities, the CCIT independent directors determined that the proposals received from SIR, Party A and Party B warranted further discussion. The CCIT independent directors determined not to continue discussions with Party C because its indication of interest reflected an implied value for CCIT Common Stock significantly below CCIT's initial public offering price of \$10.00 per share and the implied value of the indications of interest received from the other third parties. The CCIT independent directors determined that meetings with each of SIR, Party A, Party B and Party D would be beneficial to the process.

Noting that all of the indications of interest contemplated at least a portion of the consideration in the form of securities of the acquirer, the CCIT independent directors also determined that it would be advantageous for CCIT to receive certain non-public information concerning the assets, business and operations of each of the third parties that submitted an indication of interest. Accordingly, between June 2, 2014 and June 5, 2014, CCIT negotiated customary reciprocal confidentiality and standstill agreements with SIR, Party A, Party B and Party D with respect to certain non-public information to be shared with CCIT by these third parties. CCIT and SIR entered into a reciprocal confidentiality and standstill agreement on June 4, 2014. In addition, on June 4, 2014, CCIT entered into a joinder to its confidentiality and standstill agreement with Party A, enabling Party A to share information with a potential capital source for Party A.

At a meeting of the CCIT independent directors on June 3, 2014, at which representatives of Wells Fargo Securities, Morris Manning, Ropes & Gray, and Venable were present, representatives of Wells Fargo Securities confirmed that meetings had been scheduled with each of SIR, Party A, Party B and Party D. Also at the June 3, 2014 meeting, representatives of Morris Manning discussed with the CCIT independent directors the key terms of the bid form of merger agreement.

On June 4, 2014, representatives of SIR asked UBS to assist SIR in evaluating SIR's possible acquisition of CCIT and join SIR management at a meeting the following day with the CCIT independent directors and CCIT's legal and financial advisors.

On June 5, 2014, the CCIT independent directors engaged Hentschel & Company as an additional financial advisor to assist the CCIT independent directors with their review of strategic alternatives and consideration of potential strategic transactions and, if requested, to render a fairness opinion with respect to any proposed transaction.

On June 5, 2014 and June 6, 2014, the CCIT independent directors held in-person meetings with each of SIR, Party A, Party B and Party D. The meetings also were attended by representatives of Wells Fargo Securities, Hentschel & Company, Morris Manning, and Ropes & Gray. At these meetings, representatives of each of SIR, Party A, Party B and Party D discussed their company's strategies for a combination with CCIT and potential synergies from a combination. The meeting with representatives

Table of Contents

of SIR occurred on June 5, 2014, and also included representatives of UBS, acting on behalf of SIR. At the meeting, SIR and representatives of UBS made a presentation to the CCIT independent directors regarding a potential acquisition of CCIT by SIR and the potential benefits of a combination with SIR.

Following their meetings with SIR, Party A, Party B and Party D, the CCIT independent directors directed Wells Fargo Securities and Hentschel & Company to request certain business and financial information from each of SIR, Party A, Party B and Party D. Over the following two weeks, Wells Fargo Securities and Hentschel & Company, as applicable, provided the CCIT independent directors with frequent updates regarding the information provided, discussions with each company and CCIT's financial prospects as a standalone non-traded REIT based on CCIT management projections.

On June 12, 2014, at the direction of the CCIT independent directors, Wells Fargo Securities provided SIR, Party A and Party B with CCIT's second-round bid process letter and a bid form of merger agreement. This process letter specified that the deadline for receipt of final proposals for a potential transaction, including a markup of the bid draft merger agreement, was June 23, 2014. The CCIT independent directors determined not to send a process letter and bid form of merger agreement to Party D at that time because discussions with Party D indicated that Party D was not, at that time, prepared to develop a structure for a proposed transaction with CCIT.

On June 13, 2014, representatives of SIR informed representatives of Wells Fargo Securities that SIR would not submit a final proposal for a potential transaction by the June 23, 2014 deadline.

On June 17, 2014, representatives of Hentschel & Company provided to the CCIT independent directors an overview of its preliminary independent business plan valuation report on CCIT. On the same day, representatives of Wells Fargo Securities provided the CCIT independent directors with an update on the status of their conversations with SIR, Party A and Party B, including that SIR had indicated that it would not submit a final proposal by the deadline and that Party A had indicated that its potential capital source had declined to participate in the process.

On June 18, 2014, at the direction of the CCIT independent directors, a representative of Wells Fargo informed a representative of SIR that CCIT was proceeding with the June 23, 2014 deadline for submitting final proposals.

On June 19, 2014, Party A informed Wells Fargo Securities that Party A was withdrawing from the process. Also on June 19, 2014, a representative of Mr. Schorsch informed representatives of Wells Fargo Securities that none of the companies with which Mr. Schorsch was affiliated continued to have any interest in pursuing a transaction with CCIT.

At a meeting of the CCIT independent directors held on June 19, 2014, with representatives of Morris Manning, Ropes & Gray and Venable present, the CCIT independent directors evaluated the potential counterparties to a transaction with CCIT and determined that it was no longer appropriate for Mr. Schorsch to recuse himself from the CCIT board of directors' review and evaluation of potential strategic alternatives.

On June 23, 2014, Party B submitted a written, non-binding proposal for a transaction with CCIT and a markup of the bid draft merger agreement. Party B proposed an all-stock transaction with an implied per share value of \$10.05 based on the closing price of Party B common stock on June 23, 2014. The proposal noted that Party B did not envision any lockups for, or other trading restrictions upon, former CCIT stockholders following any transaction. The proposal also contemplated designating two CCIT directors to the Party B board of directors and a 20,000,000 share buyback program for aftermarket trading support. Party B also indicated that it would be willing to evaluate an increase in its distribution rate in connection with the transaction and to discuss a fixed exchange ratio with a collar to provide downside protection for CCIT stockholders in the event of a pre-closing decline in the market price of Party B's shares.

SIR did not submit a bid to acquire CCIT on June 23, 2014, but representatives of SIR engaged in discussions with Wells Fargo Securities regarding the process on that date. During these June 23, 2014 discussions, and in accordance with the directives of the CCIT board of directors, representatives of Wells Fargo Securities informed SIR that ARCP had indicated that it was not seeking to acquire CCIT and that CCIT likely would view favorably a proposal for an acquisition of CCIT by SIR in which CCIT stockholders could elect to receive either \$11.00 in cash for each outstanding share of CCIT Common Stock (up to an amount in excess of 50% of the outstanding shares of CCIT Common Stock) or a number of SIR Common Shares based on a mutually agreed upon exchange ratio for SIR Common Shares.

On June 24, 2014, representatives of SIR and UBS advised representatives of Wells Fargo Securities that SIR was withdrawing from the CCIT bidding process.

At a meeting of the CCIT board of directors held on June 25, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, and Ropes & Gray were present, Wells Fargo Securities reviewed with the CCIT board of directors Party B's proposal, certain business and financial information received from Party B, Party B's historical five-year stock performance and an overview of the combined company based on Party B's proposed transaction terms. During the discussion, it was noted that the implied per share value of \$10.05 exceeded the price per share paid by investors in the CCIT Offering, but was less than the per share value offered in the May 20, 2014 proposals of both Party A and SIR. Representatives of Wells Fargo Securities also updated the CCIT board of directors on their conversations with representatives of SIR and UBS in which the representatives of SIR and UBS informed Wells Fargo Securities that SIR did not intend to pursue further discussions with CCIT regarding a potential transaction.

At the direction of the CCIT board of directors, representatives of Wells Fargo Securities engaged in further discussions with representatives of Party B and Party B's financial advisor to explore possible improvements in the proposed terms of Party B's proposal, including an increased valuation for CCIT Common Stock and the addition of a cash component to the consideration. Also at the direction of the CCIT board of directors, Wells Fargo Securities maintained contact with other potential strategic partners and, together with CCIT's management, evaluated potential property dispositions with a view toward enhancing stockholder value.

On July 9, 2014, after learning that all of the SIR Common Shares previously owned by EQC, representing approximately 36.8% of the then outstanding SIR Common Shares, had been sold to GOV and RMR, and, in accordance with the directives of the CCIT board of directors, a representative of Wells Fargo Securities contacted the management of SIR to encourage SIR to resume discussions regarding a potential transaction with CCIT. After this invitation, the management of SIR reevaluated the potential acquisition of CCIT, including the potential benefits of such an acquisition and whether financial terms, financing and deal structure could be achieved on terms acceptable to SIR, and worked with UBS and Skadden, Arps, Slate, Meagher & Flom LLP, or Skadden, to consider the possible terms for a transaction and the related financing.

On July 18, 2014, representatives of SIR and UBS informed representatives of Wells Fargo Securities that SIR may be interested in pursuing an acquisition of CCIT, subject to agreement as to financial terms, diligence, financing, a sale of CCIT's Healthcare Properties to SNH and approval of the transaction by the SIR board of trustees, including the disinterested trustees.

At a meeting of the CCIT board of directors held on July 22, 2014, at which representatives of CCIT's management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray, and Venable were present, representatives of Wells Fargo Securities updated the CCIT board of

directors regarding their communications with Party B, SIR and six other third parties, including Party D, which initially participated at the commencement of the process, as follows:

Party B orally proposed to increase its stock exchange ratio to imply a total per share value for CCIT of \$10.10, based on the closing price of Party B's common stock on July 18, 2014, and indicated that it would be willing to fund up to \$200.0 million, or 10% of the purchase price, in cash. Party B also indicated its willingness to discuss additional price protection for CCIT's stockholders, and reiterated its earlier proposal to designate two CCIT directors to the combined company board.

SIR orally proposed a transaction in which CCIT stockholders could elect to receive either cash consideration of \$10.50 per share (subject to the cash consideration being no more than 60% of the total consideration) or share consideration valued at a 0.3448 exchange ratio, which implied a total per share value for CCIT Common Stock of \$10.33 based on the closing price of the SIR Common Shares on July 18, 2014 and assuming 60% of the total consideration is paid in cash.

One of the other six potential strategic partners orally indicated an interest in CCIT's industrial assets only, and the five remaining potential strategic partners, including Party D, declined to engage in further discussions.

Between July 24, 2014 and July 27, 2014, at the direction of the CCIT board of directors, representatives of Wells Fargo Securities worked with representatives of UBS to better understand SIR's proposal and to explore possible enhancements to the proposal. In addition, CCIT management discussed SIR's proposal with SIR management and sought improvements to its terms, including increasing the exchange ratio, potential board representation for CCIT and an increase in SIR's annualized distribution rate upon closing of the transaction.

On July 27, 2014, SIR management proposed to increase the exchange ratio for the share consideration to 0.360 and agreed to discuss with the SIR board of trustees an increase in SIR's annualized distribution rate to \$2.00 per share upon closing of the transaction.

In accordance with the directives of the CCIT board of directors, Wells Fargo Securities also communicated with Party B and its financial advisor in an effort to ascertain whether Party B would be willing to enhance its proposal. Party B responded that it was unwilling to increase the exchange ratio, but indicated its interest in assuming CCIT's external asset management function in the event that CCIT's board of directors determined to forego a transaction in favor of continuing to operate on a standalone basis without a near term liquidity event.

At a meeting of the CCIT board of directors held on July 28, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray and Venable were present, representatives of CCIT's management reported the results of discussions with SIR management held between July 24, 2014 and July 27, 2014. Wells Fargo Securities updated the CCIT board of directors regarding SIR's revised proposal, discussions with representatives of UBS concerning such proposal, certain business and financial information received from SIR, the price performance of SIR Common Shares since March 2012 and an overview of the combined company based on SIR's proposed transaction terms. Also at the meeting, at the request of the CCIT board of directors, a representative of Morris Manning provided a summary of SIR's management structure and corporate governance.

In a follow-up meeting of the CCIT board of directors held on July 29, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray and Venable were present, Wells Fargo Securities provided a comparative summary of SIR's and Party B's proposals, and an overview of the historical stock performance of other REITs managed by RMR. Also discussed were (i) the implied capitalization rates represented by the proposals, (ii) the fact that the implied value of SIR's proposal exceeded the implied value of the Party B's proposal, (iii) the larger cash component of SIR's proposal, which provided a measure of

protection for CCIT stockholders in the event of a decline in the trading price of SIR Common Shares and offered more opportunity for CCIT stockholders to choose either cash or shares consideration and (iv) the anticipated increase in SIR's annualized distribution rate to \$2.00 per share upon closing of the transaction, which represented a significant increase over the annualized distribution rate CCIT currently pays its stockholders. It was noted that the anticipated distribution rate associated with the transaction proposed by Party B represented a reduction to the annualized distribution rate currently paid by CCIT.

The CCIT board of directors met again on July 31, 2014, with representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray, and Venable present. At the meeting, a representative of Venable discussed with the CCIT board of directors the standard of conduct required of directors under Maryland law and CCIT's charter in connection with a potential merger or sale of CCIT, and CCIT management provided a summary of its analysis of the proposals received from SIR and Party B. After considerable discussion, including a discussion of the desirability for a voting agreement with GOV and RMR in light of the significant number of outstanding SIR Common Shares collectively held by GOV and RMR, the CCIT board of directors determined to proceed with negotiating a definitive agreement with SIR.

On each of July 31, 2014 and August 1, 2014, representatives of the management of CCIT and SIR again engaged in discussions regarding the proposed terms for an acquisition of CCIT by SIR. During those discussions, CCIT indicated that its board of directors considered it an essential element in its ability to proceed with a merger transaction with SIR for GOV and RMR to agree to vote the SIR Common Shares owned by them in favor of the issuance of SIR Common Shares to CCIT stockholders in the transaction. CCIT also explored a possible increase in the maximum amount of cash consideration available to CCIT stockholders, while maintaining a tax free transaction for its stockholders electing to receive SIR Common Shares, as well as a possible increase in the maximum amount of share consideration available to CCIT stockholders in the transaction.

On August 1, 2014, SIR management proposed to advance discussions on the basis that GOV and RMR enter into voting agreements with CCIT and SIR pay no more than 60% of the total merger consideration in SIR Common Shares. Also on August 1, 2014, SIR management instructed representatives of Skadden to commence commenting on the bid draft merger agreement previously provided to SIR, and CCIT provided representatives of Skadden and Sullivan & Worcester, tax counsel to SIR, with access to its electronic dataroom.

At a meeting of the CCIT board of directors held on August 4, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning and Ropes & Gray were present, CCIT's management and advisors provided the CCIT board of directors with an update on the status of the transaction terms then under negotiation. After extensive discussion, the CCIT board of directors determined to continue to pursue a merger transaction with SIR.

On August 8, 2014, SIR and representatives of Skadden provided CCIT and Morris Manning with initial comments on the bid draft merger agreement previously provided to SIR. On August 11, 2014, representatives of Skadden, CCIT and Morris Manning discussed the Skadden draft merger agreement and provisions in the draft that CCIT and Morris Manning thought would impact certainty of transaction completion. On August 14, 2014, representatives of Morris Manning provided Skadden with a revised draft merger agreement. On August 15, 2014, representatives of Morris Manning provided Skadden with a draft of the CCIT disclosure letter to the merger agreement, and representatives of Skadden provided Morris Manning with an initial draft of the form of voting and standstill agreement that SIR would ask GOV and RMR to enter into.

On August 16, 2014, representatives of Skadden, CCIT, Wells Fargo Securities, Hentschel & Company, and Morris Manning were given access to SIR's electronic dataroom. On August 19, 2014, representatives of Skadden provided Morris Manning with a draft of a termination and transition

agreement. On August 21, 2014, representatives of Skadden provided Morris Manning with a draft of SIR's disclosure letter to the merger agreement.

During the period from August 18, 2014 through August 30, 2014, representatives of SIR and Skadden exchanged drafts and mark-ups of the draft merger agreement and related agreements and documents with representatives of CCIT and Morris Manning, and engaged in lengthy negotiations relating thereto. Also, during that period, representatives of SIR and Skadden exchanged drafts and mark-ups of the draft Healthcare Properties purchase and sale agreement and related documents with representatives of SNH and Sullivan & Worcester, and engaged in lengthy negotiations relating thereto. Also during such period, GOV and representatives of its counsel exchanged drafts and mark-ups of the draft GOV voting and standstill agreement with representatives of CCIT and Morris Manning, and engaged in lengthy negotiations relating thereto.

At a meeting of the CCIT board of directors held on August 19, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray and Venable were present, Wells Fargo Securities and Hentschel & Company separately reviewed with the CCIT board of directors certain financial information, which previously had been circulated to the CCIT directors, relating to the proposed transaction with SIR, including a summary of selected transaction terms, a financial overview of each of CCIT and SIR, SIR's historical stock market performance, a summary of the financial information provided by SIR, and an overview of CCIT's targeted third party solicitation process. At the same meeting, representatives of management summarized the results of its due diligence review of SIR, including SIR's property level cash flows, acquisition underwriting and processes, estimated net asset value, or NAV, and operations.

At a meeting of the SIR board of trustees held on August 20, 2014, at which representatives of management, Skadden and UBS were present, the SIR board of trustees discussed with management and SIR's advisors the potential strategic transaction with CCIT and the related proposed sale of the Healthcare Properties to SNH, including the status of negotiations and proposed terms for the transactions, possible sources of financing and the rationale for the potential transactions. The SIR board of trustees also reviewed and discussed information regarding CCIT's properties and leases, such as portfolio breakdown, industry and geographic diversity, net operating income distribution, tenant diversity, credit quality and composition, lease maturity and rent escalations, and possible combined company financial metrics and portfolio composition. At the meeting, the SIR board of trustees also reviewed and approved the engagement of UBS as financial advisor to SIR in connection with the acquisition of CCIT and the compensation to be paid by SIR to UBS for such services. The SIR board of trustees also reviewed the various relationships and differing interests among SIR, SNH, GOV, RMR and their respective trustees and officers that would need to be considered by the SIR and other boards of trustees in the proposed transactions and related agreements, and the process for considering, approving and recommending the proposed CCIT transaction and the proposed sale of the Healthcare Properties to SNH.

At a meeting of the disinterested trustees of SIR held on August 22, 2014, the disinterested trustees of SIR discussed with representatives of SIR's management and Skadden SIR's proposed acquisition of CCIT and the proposed sale of the Healthcare Properties to SNH and the financial advice that the SIR board of trustees would receive regarding the proposed sale of the Healthcare Properties to SNH. At a meeting of the disinterested trustees of SIR held on August 25, 2014, the disinterested trustees of SIR had further discussions with representatives of SIR's management and Skadden regarding these matters during which the disinterested trustees determined to expand the engagement of UBS to specifically include financial advice and analysis on the proposed sale of the Healthcare Properties to SNH and the purchase price to be received by SIR in such sale and approved the compensation to be paid by SIR to UBS for such additional services.

At a meeting of the CCIT board of directors held on August 24, 2014, at which representatives of management, Wells Fargo Securities, Hentschel & Company, Morris Manning, Ropes & Gray, and

Venable were present, the CCIT board of directors received an update on the proposed transaction and Morris Manning discussed key provisions of the draft merger agreement and related agreements. The CCIT board of directors also received an update on the status of SIR's proposed sale of the Healthcare Properties to SNH.

At a meeting of the SIR board of trustees held on August 29, 2014, at which representatives of SIR's management, Skadden, Saul Ewing LLP, or Saul Ewing, special Maryland counsel to SIR, and UBS were present, the SIR board of trustees received an update on the potential transaction with CCIT from SIR's management and advisors, an overview of the terms of the draft merger agreement, draft Healthcare Properties purchase and sale agreement and draft commitment papers for a bridge loan facility. To facilitate these discussions, copies of the draft merger agreement and draft Healthcare Properties purchase and sale agreement, along with summaries of key terms of the draft merger agreement and the draft Healthcare Properties purchase and sale agreement and related agreements were circulated to the SIR board of trustees in advance of the meeting. The SIR board of trustees also reviewed information regarding the Healthcare Properties, such as portfolio breakdown, geographic diversity, tenant diversity, credit quality and composition and lease maturity. Also at this meeting, the SIR board of trustees discussed with representatives of management and SIR's advisors the proposed sale of the Healthcare Properties to SNH. The disinterested trustees of SIR considered that CCIT required a significant portion of the merger consideration be paid in cash and that the proposed concurrent sale of the Healthcare Properties by SIR to SNH would generate available cash for payment of the merger consideration while also enabling SIR to maintain a more favorable credit profile for credit rating purposes. The disinterested trustees of SIR also discussed alternative sources of funding. At this meeting, the SIR board of trustees again reviewed the various relationships and differing interests among SIR, SNH, GOV, RMR and their respective trustees and officers that would need to be considered by the SIR board of trustees in the proposed transactions and related agreements, and a representative of Saul Ewing reviewed with the board of trustees of SIR the standard of conduct required of trustees under Maryland law in connection with the proposed transactions and considering such relationships and interests of certain of SIR's trustees, officers and manager in the proposed transactions.

On the morning of August 30, 2014, the SIR board of trustees held a meeting to further consider the potential transactions, at which representatives of management and Skadden were present. At the meeting, the SIR board of trustees received an update on discussions between counsel to SIR and counsel to SNH regarding the proposed terms of the draft Healthcare Properties purchase and sale agreement and discussed the proposed sale of the Healthcare Properties to SNH. The SIR board of trustees meeting continued with SIR's disinterested trustees meeting separately to consider the proposed sale of the Healthcare Properties to SNH, SIR's strategy for negotiations with SNH and the price for the sale of the Healthcare Properties to SNH. Following such meeting, the SIR board of trustees meeting was adjourned until later in the day.

Following the adjournment of the SIR board of trustees meeting, the disinterested trustees of SIR and representatives of Skadden met with the disinterested trustees of SNH and representatives of Sullivan & Worcester to negotiate the remaining open issues in the draft Healthcare Properties purchase and sale agreement, including the purchase price for the proposed sale of the Healthcare Properties to SNH and the allocation of certain risks and expenses. These negotiations resulted in an agreement between the disinterested trustees of SIR and the disinterested trustees of SNH that the purchase price for the sale of the Healthcare Properties to SNH would be \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million), reflecting the same GAAP capitalization rate as the rate at which SIR would be acquiring CCIT's properties generally in the proposed merger.

After the meeting of the disinterested trustees of SIR with the disinterested trustees of SNH, the meeting of the SIR board of trustees was reconvened. The SIR board of trustees received a report

from the disinterested trustees of SIR on their negotiations with the disinterested trustees of SNH along with changes to the draft Healthcare Properties purchase and sale agreement from the version previously presented to the SIR board of trustees, including the recommended purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) and the allocation of certain costs and expenses, which they had agreed upon with the disinterested trustees of SNH. The SIR board of trustees also received an update on the changes to the draft merger agreement since the last draft reviewed by the board of trustees and reviewed the terms of the draft voting agreements with representatives of Skadden. The SIR board of trustees also discussed increasing the annualized distribution rate with respect to SIR Common Shares to \$2.00 per share following the closing of the proposed merger.

Also at this reconvened meeting, the SIR board of trustees received financial analyses from representatives of UBS on the proposed Merger Consideration to be paid by SIR in the Merger and the purchase price to be received by SIR in the sale of the Healthcare Properties to SNH, and UBS delivered to the SIR board of trustees oral opinions, which were subsequently confirmed by the delivery of written opinions dated August 30, 2014, to the effect that, as of August 30, 2014, and based on and subject to various assumptions, matters considered and limitations described in each such opinion, (i) the Merger Consideration to be paid by SIR in the Merger is fair, from a financial point of view, to SIR and (ii) the purchase price to be received by SIR Merger Sub in the Healthcare Properties Sale is fair, from a financial point of view, to SIR Merger Sub. See "Opinion of SIR's Financial Advisor Regarding the Merger" beginning on page 113, and "Opinion of SIR's Financial Advisor Regarding the Healthcare Properties Sale" beginning on page 121, of this joint proxy statement/prospectus.

After further discussion and deliberation, the disinterested trustees of SIR, followed by the full SIR board of trustees, unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at a special meeting of SIR shareholders (and approved an increase in SIR's authorized shares of beneficial interest in connection therewith), and (iii) resolved to recommend that the holders of SIR Common Shares vote in favor of the approval of the SIR Share Issuance and to include such recommendation in this joint proxy statement/prospectus. The disinterested trustees of SIR also unanimously authorized the execution and delivery of the Healthcare Properties Purchase and Sale Agreement and approved, adopted and declared advisable the Healthcare Properties Purchase and Sale Agreement, the Healthcare Properties Sale and the other transactions contemplated by the Healthcare Properties Purchase and Sale Agreement. The SIR board of trustees also affirmed an intention to increase the annualized distribution rate with respect to SIR Common Shares to \$2.00 per share following the closing of the Merger.

Also on August 30, 2014, the CCIT board of directors held a meeting to consider the proposed merger with SIR. At the meeting, CCIT's management provided the board of directors an update on the negotiation of the proposed merger agreement and the draft voting agreements with GOV and RMR. Representatives of Morris Manning reviewed the material terms of the proposed merger agreement and addressed and discussed the results of its due diligence review of SIR. To facilitate such discussions, a copy of the draft merger agreement and a summary of the key terms of the merger agreement were circulated to the CCIT board of directors in advance of the meeting. Also at this meeting, Wells Fargo Securities and Hentschel & Company each separately reviewed with the CCIT board of directors its financial analysis of the Merger Consideration. Wells Fargo Securities delivered to the CCIT board of directors an oral opinion, confirmed by delivery of a written opinion dated August 30, 2014, to the effect that, as of such date and based on and subject to various qualifications, limitations and assumptions stated in its opinion, the Merger Consideration to be received pursuant to the Merger Agreement by holders of CCIT Common Stock was fair, from a financial point of view, to such holders. Hentschel & Company also delivered to the CCIT board of directors an oral opinion, confirmed by delivery of a written opinion dated August 30, 2014, to the effect that, as of such date

and based on and subject to various qualifications, limitations and assumptions stated in its opinion, the aggregate Merger Consideration to be received by holders of CCIT Common Stock (other than excluded shares) in the Merger was fair, from a financial point of view, to such holders. Following discussions and deliberations by the CCIT board of directors, the CCIT board of directors unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted for consideration at a special meeting of CCIT stockholders and (iii) resolved to recommend that CCIT stockholders vote in favor of the approval of the Merger and the other transactions contemplated by the Merger Agreement and to include such recommendation in this joint proxy statement/prospectus.

During the afternoon and evening of August 30, 2014, representatives of SIR and CCIT, together with their respective legal advisors, finalized the Merger Agreement and related agreements and documents and representatives of SIR and SNH, together with their respective legal advisors, finalized the Healthcare Properties Purchase and Sale Agreement. On the evening of August 30, 2014, CCIT and SIR executed and delivered the Merger Agreement and certain ancillary documents, the parties to the Voting Agreements each executed and delivered their respective Voting Agreement and SIR Merger Sub, SIR and SNH executed and delivered the Healthcare Properties Purchase and Sale Agreement.

On the morning of September 2, 2014, before the opening of the NYSE, CCIT issued a press release announcing the proposed Merger, and SIR issued a press release announcing the proposed Merger, the Healthcare Properties Sale and related transactions.

Recommendation of the SIR Board of Trustees and its Reasons for the Merger and the Related Transactions

The SIR board of trustees unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the SIR Share Issuance be submitted for consideration at a special meeting of SIR shareholders and (iii) resolved to recommend that the holders of SIR Common Shares vote in favor of approval of the SIR Share Issuance. The decision of the SIR board of trustees to enter into the Merger Agreement was the result of careful consideration by the SIR board of trustees of numerous factors, including the following material factors:

Meaningfully Increases Portfolio Scale, Quality and Diversification. The acquisition of the CCIT portfolio will significantly increase SIR's size and will accelerate SIR's strategy of becoming a leading owner of high quality industrial and office net leased properties. The acquisition of CCIT will increase the size and scale of SIR's portfolio, more than doubling SIR's number of properties to 114 properties (344 buildings, leasable land parcels and easements) and increasing total rentable square footage from 27.0 million square feet to 43.1 million square feet, based on properties owned or subject to a binding purchase agreement as of June 30, 2014 (excluding the Healthcare Properties). In addition, the acquisition of the CCIT portfolio will expand SIR's presence from 21 to 35 states, and diversify SIR's tenant base across multiple industries. SIR is expected to become the largest publicly traded REIT in the United States focused on domestic office and industrial net leased properties, as measured by square footage, as a result of the Merger.

Enhanced Tenant Credit Profile. The acquisition of the CCIT portfolio will enhance SIR's investment grade tenant base, with post-acquisition SIR holding a high quality net leased portfolio. Based on annualized rents under leases of properties owned or subject to a binding purchase agreement, as of June 30, 2014, approximately 37.4% of the annualized rents of the combined portfolios of SIR and CCIT (excluding the Healthcare Properties) were derived from investment grade tenants.

Table of Contents

Increased Lease Term and Improved Occupancy. The acquisition of the CCIT portfolio is expected to improve the overall property occupancy of SIR's portfolio and extend its weighted average lease maturity. Based on leases of properties owned or subject to a binding purchase agreement, as of June 30, 2014, occupancy of the combined portfolios of SIR and CCIT (excluding the Healthcare Properties) was 98% with a weighted average lease maturity of 11.1 years, as compared to 96% and 10.6 years for SIR on a standalone basis.

Enhanced Diversification. The combined company is expected to have enhanced tenant diversification, which is expected to augment the strength and stability of SIR's portfolio. Based on leases of properties owned or subject to a binding purchase agreement, as of June 30, 2014, the top five tenants comprised 18% of the annualized rent of the combined portfolios of SIR and CCIT (excluding the Healthcare Properties), a decrease of 10% from 28% of the annualized rent for SIR on a standalone basis.

Decrease in Average Age of the Portfolio. After the acquisition of the CCIT portfolio, SIR is expected to have a significantly younger portfolio than SIR's publicly traded net leased peers. Based on properties owned or subject to a binding purchase agreement, as of June 30, 2014, the average age of the combined portfolios of SIR and CCIT (excluding the Healthcare Properties) was 10.7 years, as compared to an average age of 14.8 years for SIR on a standalone basis.

High Quality Portfolio with Attractive Growth. The CCIT portfolio consists of high quality properties strategic to their tenants and is highlighted by several trophy assets. In addition, along with a significant number of investment grade tenants and longer average lease terms, generally CCIT's properties have contractual rent growth.

Enhanced Strength and Stability of the Combined Portfolio. After the combination, SIR is expected to benefit from potentially greater stability due to its increased size and scale and well-diversified net leased portfolio, increased weighted average occupancy and percentage of high credit quality tenants and longer remaining lease terms.

Enhanced Financial Strength and Flexibility. As a result of its larger size and scale and enhanced metrics, it is expected that, after the acquisition of the CCIT portfolio, SIR's larger size and enhanced financial metrics may better position it to obtain an investment grade rating, improved financing terms and a lower cost of debt and equity capital.

Increased Shareholder Liquidity. The acquisition is expected to provide improved liquidity to SIR shareholders as a result of the combined company's larger equity capitalization, shareholder base and public float.

Increased Funds from Operation. Based on certain financial assumptions, the Merger is expected to be modestly accretive to SIR's normalized FFO per share, and the combined company's shareholders are expected to benefit from a stable, secure and increased distribution rate following the Merger.

Continuity of SIR Shareholders. Assuming that the holders of 60% of the outstanding shares of CCIT Common Stock elect to receive the Cash Consideration, current SIR shareholders would continue to own approximately 68.0% of the combined company immediately following completion of the Merger.

Opinions of Financial Advisor. The SIR board of trustees considered the following opinions:

o

the opinion of UBS, dated August 30, 2014, to the SIR board of trustees as to the fairness, from a financial point of view and as of the date of such opinion, to SIR of the Merger Consideration to be paid by SIR in the Merger, which opinion was based on and subject to the assumptions made, qualifications made, procedures followed, matters considered and limitations on the review undertaken more fully described in the section entitled "The

Merger Opinion of SIR's Financial Advisor Regarding the Merger" beginning on page 113 of this joint proxy statement/prospectus; and

o

the opinion of UBS, dated August 30, 2014, to the SIR board of trustees as to the fairness, from a financial point of view and as of the date of such opinion, to SIR Merger Sub of the purchase price to be received by SIR Merger Sub in the Healthcare Properties Sale, which opinion was based on and subject to the assumptions made, qualifications made, procedures followed, matters considered and limitations on the review undertaken more fully described in the section entitled "The Merger Opinion of SIR's Financial Advisor Regarding the Healthcare Properties Sale" beginning on page 121 of this joint proxy statement/prospectus.

Familiarity with Businesses. The SIR board of trustees' understanding of the information concerning SIR's and CCIT's respective businesses, financial performance, condition, operations, management, competitive positions, prospects and stock performance, including SIR management's due diligence review of CCIT and its assets, liabilities, earnings, financial condition, business and prospects confirmed its positive view of CCIT's business and supported the SIR board of trustees' determination that the combined company would have a strong foundation for future performance.

High Likelihood of Completion. The parties have the ability to complete the Merger in a timely manner (including the likelihood of receiving the SIR shareholder and CCIT stockholder approvals necessary to complete the transaction in a timely manner) given the commitment of both parties to complete the Merger pursuant to their respective obligations under the Merger Agreement.

SIR's Ability to Finance the Transaction. SIR expects to have the ability to finance the transaction, including through a combination of borrowings under SIR's existing revolving credit facility and the new bridge loan facility, proceeds from the Healthcare Properties Sale and potentially the offer and sale of longer term bonds to replace, or in lieu of, the bridge loan facility.

The Terms and Conditions of the Merger Agreement. The SIR board of trustees considered the terms and conditions of the Merger Agreement, including:

o

the cash and share election provisions described above, including the fixed exchange ratio for the Share Consideration;

o

the limited number and nature of the conditions to CCIT's obligation to close the Merger;

o

the fact that the SIR Share Issuance is subject to the approval of SIR shareholders and that GOV, RMR and RMR's principals have agreed to vote in favor of such share issuance;

o

CCIT's limited ability to solicit, initiate, or knowingly facilitate or encourage competing acquisition proposals and the limited ability of the CCIT board of directors to change its recommendation to CCIT stockholders (for more information regarding the limitations on CCIT and the CCIT board of directors to consider other proposals or change its recommendation, see "The Merger Agreement Covenants and Agreements No Solicitation; Change in Recommendation" beginning on page 197 of this joint proxy statement/prospectus); and

o

the fact that the Merger Agreement provides for the payment of a termination fee by CCIT in the amount of \$75.0 million in certain circumstances and the reimbursement of SIR's expenses by CCIT in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement (for more information, see "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus).

The SIR board of trustees also identified and considered the following potentially negative factors in its deliberations:

although SIR has entered into the Commitment Letter for a bridge loan facility and the Healthcare Properties Purchase and Sale Agreement, which have limited conditions to closing, to fund a portion of the transaction, the closing of the Merger is not conditioned on obtaining financing and SIR is required to use its reasonable best efforts to obtain alternate funding if necessary to complete the Merger;

longer term debt financing of the acquisition is subject to interest rate and other market risk, general adverse economic and industry conditions, and if the combined company does not obtain an investment grade rating, the longer term debt financing will be more expensive than expected and the acquisition may be dilutive to current SIR shareholders;

the benefits expected to result from the transaction might not be fully realized or not realized at all;

the Merger Consideration implies a relative valuation of CCIT and SIR with CCIT's properties at a materially lower capitalization rate than SIR's properties;

the Healthcare Properties Sale will give rise to a taxable capital gain to be distributed to shareholders of the combined company after completion of the Merger or on which taxes must be paid by the combined company;

the potential negative effect on the market price of SIR Common Shares if, following the Merger, there is, or if the market perceives that there will be, a significant increase in the volume of sales of SIR Common Shares as a result of former CCIT stockholders, who currently have limited liquidity, selling their shares;

the possible disruption to and limitations on SIR's or CCIT's business that may result from the announcement of the Merger, the Healthcare Properties Sale and the other transactions contemplated by the Merger Agreement;

the terms of the Merger Agreement regarding the restrictions on the operation of SIR's business during the period between the signing of the Merger Agreement and the completion of the Merger;

SIR's obligation to reimburse CCIT's expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because SIR shareholders fail to approve the SIR Share Issuance (for more information, see "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus);

the possibility that the Merger may not be completed or may be unduly delayed because conditions to closing may not be satisfied, including:

- o the condition that SIR shareholders approve the SIR Share Issuance;
- o the condition that CCIT stockholders approve the Merger; and
- o other conditions which are outside of SIR's control;

Edgar Filing: Select Income REIT - Form S-4/A

if the Merger is not completed, the resulting public announcement of termination of the Merger Agreement could have an adverse effect on:

- o the market price of SIR Common Shares;

Table of Contents

- o SIR's operating results, particularly in light of the costs incurred in connection with the transactions; and
 - o SIR's ability to attract and close other investment opportunities;
- the substantial costs to be incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement, including the costs of integrating the businesses of SIR and CCIT and the transaction expenses arising from the Merger, the Healthcare Properties Sale, the financing and the other transactions relating to the Merger Agreement;
- the potential risk of diverting management focus and resources from operational matters and other strategic opportunities while working to implement the Merger, the Healthcare Properties Sale, the financing and the other transactions relating to the Merger Agreement; and
- the risks described in the section entitled "Risk Factors" beginning on page 47 of this joint proxy statement/prospectus.

In addition, the SIR board of trustees considered that certain of SIR's trustees and executive officers and SIR's manager, RMR, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof. In considering the recommendation of the SIR board of trustees with respect to the SIR Share Issuance, you should be aware of these interests. For more information on these interests, see "Interests of SIR's Trustees, Executive Officers and Manager in the Merger and the Related Transactions" beginning on page 152 of this joint proxy statement/prospectus.

Although the foregoing discussion sets forth the material factors considered by the SIR board of trustees in reaching its recommendation, it may not include all of the factors considered by the SIR board of trustees, and each trustee may have considered different factors or given different weights to different factors. In view of the variety of factors and the amount of information considered, the SIR board of trustees did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its recommendation. The SIR board of trustees realized that there can be no assurance about future results, including results expected or considered in the factors above. However, the SIR board of trustees concluded that the potential positive factors described above significantly outweighed the negative factors described above. The recommendation was made after consideration of all of the factors as a whole. As of the date of this joint proxy statement/prospectus, in the view of SIR, there have been no material changes in the operations or performance of SIR or in the financial projections for SIR prepared by SIR's management and provided to SIR's and CCIT's financial advisors since the delivery of their respective opinions on August 30, 2014, and SIR does not anticipate any such changes to occur prior to the SIR special meeting. However, SIR cannot provide any assurance that any such changes will not occur prior to or after the SIR special meeting or prior to the completion of the Merger.

THE SIR BOARD OF TRUSTEES HAS UNANIMOUSLY (i) APPROVED, ADOPTED AND DECLARED ADVISABLE THE MERGER AGREEMENT, THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT, (ii) DIRECTED THAT THE SIR SHARE ISSUANCE BE SUBMITTED FOR CONSIDERATION AT THE SIR SPECIAL MEETING AND (iii) RESOLVED TO RECOMMEND THAT SIR SHAREHOLDERS VOTE IN FAVOR OF THE APPROVAL OF THE SIR SHARE ISSUANCE. THE SIR BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SIR SHAREHOLDERS VOTE **FOR** THE PROPOSAL TO APPROVE THE SIR SHARE ISSUANCE AND **FOR** THE PROPOSAL TO APPROVE THE ADJOURNMENT OF THE SIR SPECIAL MEETING, IF NECESSARY OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE NOT SUFFICIENT VOTES TO APPROVE THE SIR SHARE ISSUANCE.

Table of Contents

The explanation of the reasoning of the SIR board of trustees and all other information presented in this section is forward looking in nature and, therefore, should be read in light of the factors discussed under the heading "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61 of this joint proxy statement/prospectus.

Recommendation of the CCIT Board of Directors and its Reasons for the Merger and the Related Transactions

The CCIT board of directors unanimously (i) approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, (ii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted for consideration at the CCIT special meeting and (iii) resolved to recommend that CCIT stockholders vote in favor of the approval of the Merger and the other transactions contemplated by the Merger Agreement. The decision of the CCIT board of directors to enter into the Merger Agreement was the result of careful consideration by the CCIT board of directors of numerous factors, including the following material factors:

Attractive Valuation. Based on the closing price of \$27.90 per SIR Common Share on August 29, 2014, the last trading day before the announcement of the proposed Merger, the exchange ratio of 0.360 of a SIR Common Share for each outstanding share of CCIT Common Stock had an implied value of \$10.23 to \$10.32 per share of CCIT Common Stock, based on a cash election range of 40% to 60%, respectively, of the total Merger Consideration, which value exceeds the \$10.00 per share price paid by CCIT stockholders in the CCIT Offering.

Cash/Share Election. CCIT stockholders will have the opportunity to elect the Cash Consideration or the Share Consideration for each share of CCIT Common Stock held, which will enable CCIT stockholders who elect the Cash Consideration to receive immediate cash value, while those CCIT stockholders who wish to continue to participate in the combined company will have the chance to do so, subject to proration and certain adjustments as set forth in the Merger Agreement.

Opportunity for Liquidity. CCIT stockholders who receive SIR Common Shares in the Merger will own liquid shares that are listed on the NYSE and not subject to any lockups.

Share Consideration Not Currently Taxable. The Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code and is, therefore, not expected to be taxable to CCIT stockholders to the extent they receive solely Share Consideration in the Merger.

Meaningfully Increases Portfolio Scale, Quality and Diversification. Following the Merger, SIR's real estate portfolio will be significantly larger and more diversified by industry type, tenant composition and geography, will have a higher overall percentage of investment grade tenants and will have a longer average lease term maturity, all of which are expected to enhance the value prospects of CCIT stockholders who receive SIR Common Shares in the Merger.

Increased Financial Strength and Flexibility. It is expected that SIR's larger size will better position SIR to obtain an investment-grade rating, which, if obtained, is expected to enhance SIR's access to lower cost debt financing in the public and private markets, thereby enabling SIR to fund its external growth strategy at a lower cost.

Opportunity for Growth. CCIT stockholders will have the opportunity to participate in potential future growth of SIR, including any potential growth as a result of its increased size and enhanced portfolio metrics.

Participation in Upside. Because the Share Consideration is based on a fixed exchange ratio, CCIT stockholders who elect to receive the Share Consideration, or otherwise receive SIR

Table of Contents

Common Shares in the Merger, will benefit from any increase in the trading price of SIR Common Shares before the closing of the Merger.

Meaningful Downside Protection. Because the holders of up to 60% of the shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time are able to elect to receive the Cash Consideration at a fixed \$10.50 per share, without interest, value of CCIT Common Stock, CCIT stockholders will not bear the full effect of any decrease in the trading price of the SIR Common Shares between the announcement of the proposed Merger and the closing of the Merger.

Familiarity with Businesses. The CCIT board of directors' understanding of the information concerning CCIT's and SIR's respective businesses, financial performance, condition, operations, management, competitive positions, prospects and stock performance, including the report of CCIT's management on the results of CCIT's due diligence review of SIR and its assets, liabilities, earnings and financial condition supported its determination that the combined company would have a strong foundation for future performance.

Robust Process. Based on its review of potential strategic alternatives available to CCIT and consideration of the proposals submitted during the third party solicitation process with respect to a possible business combination transaction, the CCIT board of directors believed that the Merger was more favorable to CCIT stockholders than the other potential strategic alternatives that were available to CCIT.

Understanding of Market. In light of discussions that CCIT had with other potential counterparties between April and July 2014, and the CCIT board of directors' understanding of the capability and likelihood of other potential counterparties to emerge, coupled with the fact that CCIT's assets are primarily subject to long term net leases that are expected to generate relatively stable income through the remainder of the lease terms, the CCIT board of directors did not believe that it was likely that another party would make or accept an offer to engage in a transaction with CCIT that would be more favorable to CCIT stockholders than the Merger and, should another party make an offer for CCIT that is more favorable to CCIT stockholders than the Merger, CCIT would be able to accept such offer, subject to compliance with the applicable provisions of the Merger Agreement and payment of a \$75.0 million termination fee (for more information, see "The Merger Background of the Merger and Related Transactions" beginning on page 91, and "The Merger Agreement Termination of the Merger Agreement Termination by CCIT" on page 206, of this joint proxy statement/prospectus).

Enhanced Distribution Yield. The current SIR distribution rate is slightly higher than the current CCIT distribution rate, with the opportunity for those CCIT stockholders who receive Share Consideration to participate in the anticipated increase in the SIR distribution rate upon closing of the Merger.

High Likelihood of Completion. The commitment of both parties to complete the Merger pursuant to their respective obligations under the terms of the Merger Agreement and the likelihood that the SIR shareholder approval needed to complete the Merger will be obtained in a timely manner, which is supported in part by the Voting Agreements entered into with GOV and RMR and its principals, which together as of August 30, 2014, owned approximately 36.8% of the issued and outstanding SIR Common Shares and which have agreed to vote in favor of the SIR Share Issuance, mean that the parties have the ability to complete the Merger in a timely manner.

SIR's Ability to Finance the Transaction. SIR has the ability to finance the Cash Consideration and other transaction related costs and expenses, including through a combination of cash on hand, borrowings under SIR's existing revolving credit facility and the new bridge loan facility,

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

proceeds from the Healthcare Properties Sale and the offer and sale of longer term bonds to replace, or in lieu of, the bridge facility.

The Terms and Conditions of the Merger Agreement. The CCIT board of directors considered the terms and conditions of the Merger Agreement, including:

- o the cash and stock election provisions described above;
- o the agreement of SIR that SIR's obligation to close the Merger is not conditioned upon SIR's ability to finance the Cash Consideration and other transaction related costs and expenses or completion of the Healthcare Properties Sale;
- o the provisions permitting CCIT to furnish non-public information to, and engage in discussions with, a third party that makes an unsolicited bona fide written proposal to engage in a competing transaction, provided that CCIT notifies SIR of such proposal and the identity of such third party or parties (for more information, see "The Merger Agreement Covenants and Agreements No Solicitation; Change in Recommendation" beginning on page 197 of this joint proxy statement/prospectus); and
- o the provisions permitting the CCIT board of directors to, under certain circumstances, withhold, withdraw, modify or qualify its recommendation with respect to the Merger and terminate the Merger Agreement and enter into a definitive agreement that constitutes a superior proposal if the CCIT board of directors receives an unsolicited bona fide written proposal to engage in a business combination transaction that, in the good faith determination of the CCIT board of directors, after consultation with outside legal counsel and financial advisors, constitutes a transaction that, if completed, would be more favorable to CCIT stockholders than the Merger and the CCIT board of directors determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law, and, subject to the requirement to pay a \$75.0 million termination fee (for more information, see "The Merger Agreement Covenants and Agreements No Solicitation; Change in Recommendation" beginning on page 197, and "The Merger Agreement Termination of the Merger Agreement Termination by CCIT" on page 206, of this joint proxy statement/prospectus).

Opinions of Financial Advisors. The CCIT board of directors considered the following opinions:

- o the opinion of Wells Fargo Securities, dated August 30, 2014, to the CCIT board of directors, as to the fairness, from a financial point of view and as of such date, of the Merger Consideration to be received pursuant to the Merger Agreement by holders of CCIT Common Stock, which opinion was based on and subject to the assumptions made, procedures followed, factors considered and limitations on the review undertaken; and
- o the opinion of Hentschel & Company, dated August 30, 2014, to the CCIT board of directors as to the fairness, from a financial point of view and as of such date, of the aggregate Merger Consideration to be received by holders of CCIT Common Stock (other than excluded shares) in the Merger.

These opinions are further described herein under the caption "The Merger Opinions of CCIT's Financial Advisors" beginning on page 130 of this joint proxy statement/prospectus.

The CCIT board of directors also considered the following potentially negative factors in its deliberations:

the risk that, because the Share Consideration is based on a fixed exchange ratio, CCIT stockholders will be adversely affected by any decrease in the trading price of the SIR Common Shares between the announcement of the transaction and the completion of the Merger; and the fact that CCIT is not permitted to terminate the Merger Agreement solely because of changes in the trading price of SIR Common Shares;

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

the risk that SIR's financial profile could change between the date of the Merger Agreement and completion of the Merger (including as a result of actions taken in accordance with the Merger Agreement), which could impact the value of the SIR Common Shares CCIT stockholders could receive as consideration;

the risk that the market perception of SIR's external management structure could have a negative effect on the trading price of the SIR Common Shares following the Merger;

the terms of the Merger Agreement regarding the restrictions on the operation of CCIT's business during the period between the date of the Merger Agreement and completion of the Merger;

the termination fee of \$75.0 million payable to SIR if the Merger Agreement is terminated under certain circumstances specified in the Merger Agreement may discourage other parties that may otherwise have an interest in a business combination with, or an acquisition of, CCIT (for more information, see "The Merger Agreement Termination of the Merger Agreement Termination by CCIT" on page 206 of this joint proxy statement/prospectus);

the terms of the Merger Agreement that limit the ability of CCIT to solicit, initiate or knowingly facilitate or encourage competing acquisition proposals and to furnish non-public information to, or engage in discussions or negotiations with, a third party interested in pursuing an alternative business combination transaction (for more information, see "The Merger Agreement Covenants and Agreements No Solicitation; Change in Recommendation" beginning on page 197 of this joint proxy statement/prospectus);

the possibility that the Merger may not be completed or may be unduly delayed because conditions to closing may not be satisfied, including:

- o the condition that CCIT stockholders approve the Merger and the other transactions contemplated by the Merger Agreement;
- o the condition that SIR shareholders approve the SIR Share Issuance;
- o the condition that CCIT obtain the lender consents required to be obtained pursuant to the Merger Agreement; and
- o other conditions which are outside of CCIT's control;

the terms of the Merger Agreement requiring CCIT to reimburse SIR's expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by CCIT or SIR because CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement (for more information, see "The Merger Agreement Termination of the Merger Agreement Termination Payment: Termination Fee and Expense Reimbursement" beginning on page 207 of this joint proxy statement/prospectus);

failure to complete the Merger could negatively affect liquidity alternatives available to CCIT and the values at which any alternative transaction might be available, CCIT's operating results, particularly in light of the costs incurred in connection with the transactions contemplated by the Merger Agreement, and CCIT's ability to continue to attract and retain tenants;

the substantial costs and expenses to be incurred in connection with the transactions contemplated by the Merger Agreement;

the potential risk of diverting management focus and resources from operational matters and other strategic opportunities while working to complete the Merger;

the possible effects of the announcement or completion of the Merger, including any lawsuit, action or proceeding initiated in respect of the Merger;

Table of Contents

the risks posed by the additional indebtedness that SIR will incur in order to complete the Merger;

the risk that CCIT (or, following the Merger, SIR) may not realize all of the anticipated strategic benefits and operational efficiencies or other anticipated benefits of the Merger within the expected timeframe or at all;

the absence of appraisal rights for CCIT stockholders under the MGCL; and

the risks described in the section entitled "Risk Factors" beginning on page 47 of this joint proxy statement/prospectus.

In addition, the CCIT board of directors considered that certain of CCIT's directors and executive officers and CCIT's manager, CCI Advisors, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof. In considering the recommendation of the CCIT board of directors with respect to the Merger and the other transactions contemplated by the Merger Agreement, you should be aware of these interests. For more information on these interests, see "Interests of CCIT's Directors, Executive Officers and Advisor in the Merger and the Related Transactions" beginning on page 153 of this joint proxy statement/prospectus.

Although the foregoing discussion sets forth the material factors considered by the CCIT board of directors in reaching its recommendation, it may not include all of the factors considered by the CCIT board of directors, and each director may have considered different factors or given different weights to different factors. In view of the variety of factors and the amount of information considered, the CCIT board of directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its recommendation. The CCIT board of directors realized that there can be no assurance about future results, including results expected or considered in the factors above. However, the CCIT board of directors concluded that the potential positive factors described above significantly outweighed the negative factors described above. The recommendation was made after consideration of all of the factors as a whole. As of the date of this joint proxy statement/prospectus, in the view of CCIT, there have been no material changes in the operations or performance of CCIT or in the financial projections for CCIT prepared by CCIT's management and provided to SIR's and CCIT's financial advisors since the delivery of their respective opinions on August 30, 2014 and CCIT does not anticipate such changes to occur prior to the CCIT special meeting. However, CCIT cannot provide any assurance that any such changes will not occur prior to or after the CCIT special meeting or prior to the completion of the Merger.

THE CCIT BOARD OF DIRECTORS UNANIMOUSLY (i) APPROVED, ADOPTED AND DECLARED ADVISABLE THE MERGER AGREEMENT, THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT, (ii) DIRECTED THAT THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT BE SUBMITTED FOR CONSIDERATION AT THE CCIT SPECIAL MEETING AND (iii) RESOLVED TO RECOMMEND THAT CCIT STOCKHOLDERS VOTE IN FAVOR OF THE APPROVAL OF THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT. THE CCIT BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT CCIT STOCKHOLDERS VOTE **FOR** THE PROPOSAL TO APPROVE THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT AND **FOR** THE PROPOSAL TO APPROVE THE ADJOURNMENT OF THE CCIT SPECIAL MEETING, IF NECESSARY OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE NOT SUFFICIENT VOTES TO APPROVE THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT.

This explanation of CCIT's reasons for the Merger and the other information presented in this section are forward looking in nature and, therefore, should be read in light of the factors discussed in

Opinion of SIR's Financial Advisor Regarding the Merger

On August 30, 2014, at a meeting of the SIR board of trustees held to consider the Merger and related transactions, including the Healthcare Properties Sale, UBS delivered to the SIR board of trustees an oral opinion, which opinion was confirmed by delivery of a written opinion, dated August 30, 2014, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in its opinion, the Merger Consideration to be paid by SIR in the Merger was fair, from a financial point of view, to SIR.

The full text of UBS' opinion to the SIR board of trustees regarding the Merger Consideration describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by UBS. This opinion is attached as Annex G to this joint proxy statement/prospectus and is incorporated herein by reference. Holders of SIR Common Shares should read UBS' opinion regarding the Merger carefully and in its entirety. UBS' opinion as to the Merger Consideration was provided for the benefit of the SIR board of trustees (in its capacity as such) in connection with, and for the purpose of, its evaluation of the Merger Consideration to be paid by SIR from a financial point of view in the Merger and does not address any other aspect of the Merger, or related transactions, including the Healthcare Properties Sale or any related transactions. The opinion does not address the relative merits of the Merger or any related transactions as compared to other business strategies or transactions that might be available with respect to SIR or SIR's underlying business decision to effect the Merger or any related transaction, including the Healthcare Properties Sale. The opinion does not constitute a recommendation to any holder of SIR Common Shares as to how to vote or act with respect to the SIR Share Issuance or any related transaction. The following summary of UBS' opinion regarding the Merger Consideration is qualified in its entirety by reference to the full text of UBS' opinion.

In arriving at its opinion, UBS, among other things:

reviewed certain publicly available business and financial information relating to CCIT and SIR;

reviewed certain internal financial information and other data relating to the business and financial prospects of CCIT that were provided to UBS by the management of SIR, and were not publicly available, including financial forecasts and estimates prepared by the management of SIR that the SIR board of trustees directed UBS to utilize for purposes of its analysis;

reviewed certain internal financial information and other data relating to the business and financial prospects of SIR and CCIT that were provided to UBS by the management of SIR and the management of CCIT that were not publicly available, including financial forecasts and estimates prepared by the managements of SIR and CCIT that the SIR board of trustees directed UBS to utilize for purposes of its analysis;

reviewed certain estimates of cost savings prepared by the management of SIR that were provided to UBS by the management of SIR and not publicly available that the SIR board of trustees directed UBS to utilize for purposes of its analysis;

conducted discussions with the management of CCIT concerning the business and financial prospects of CCIT and conducted discussions with the management of SIR concerning the business and financial prospects of CCIT and SIR;

reviewed publicly available financial and stock market data with respect to certain other companies UBS believed to be generally relevant;

compared the financial terms of the Merger with the publicly available financial terms of certain other transactions UBS believed to be generally relevant;

Table of Contents

reviewed current and historical market prices of SIR Common Shares;

considered certain pro forma effects of the Merger on SIR's financial statements, including certain pro forma effects of the Healthcare Properties Sale on SIR's financial statements;

reviewed the Merger Agreement and the Healthcare Properties Purchase and Sale Agreement; and

conducted such other financial studies, analyses and investigations, and considered such other information, as UBS deemed necessary or appropriate.

In connection with its review, with the consent of the SIR board of trustees, UBS assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by UBS for the purpose of its opinion. In addition, with the consent of the SIR board of trustees, UBS did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of SIR or CCIT, including the Healthcare Properties, and was not furnished with any such evaluation or appraisal. With respect to the financial forecasts, estimates, cost savings and pro forma effects referred to above, UBS assumed, at the direction of the SIR board of trustees, that such forecasts, estimates, cost savings and pro forma effects had been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the SIR management as to the future financial performance of SIR and CCIT and such cost savings and pro forma effects. In addition, UBS assumed, with the approval of the SIR board of trustees, that such financial forecasts and estimates, including cost savings, will be achieved at the times and in the amounts projected. UBS assumed, with the consent of the SIR board of trustees, that the Merger will qualify for United States federal income tax purposes as a "reorganization" within the meaning of Section 368(a) of the Code. UBS' opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to UBS as of, the date of its opinion.

In addition, at the direction of the SIR board of trustees, UBS was not asked to, and it did not, offer any opinion in such opinion letter as to the terms of the Merger Agreement, other than the Merger Consideration, to the extent expressly specified in UBS' opinion, or any related documents or the form of the Merger or any related transaction, including the Healthcare Properties Sale. In addition, UBS expressed no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, trustees, directors or employees of any parties to the Merger, or any class of such persons, relative to the Merger Consideration. UBS expressed no opinion as to what the value of SIR Common Shares will be when issued pursuant to the Merger or the prices at which SIR Common Shares will trade at any time. In rendering its opinion, UBS assumed, with the consent of the SIR board of trustees, that (i) the parties to the Merger Agreement would comply with all material terms of the Merger Agreement, (ii) the Merger will be completed in accordance with the terms of the Merger Agreement without any adverse waiver or amendment of any material term or condition of the Merger Agreement and (iii) the Healthcare Properties Sale will be completed (A) as contemplated by the Healthcare Properties Purchase and Sale Agreement and (B) without any tax liability to be incurred by SIR in connection with the Healthcare Properties Sale. UBS also assumed that all governmental, regulatory or other consents and approvals necessary for the completion of the Merger will be obtained without any material adverse effect on SIR, CCIT or the Merger. Except as described above, SIR imposed no other instructions or limitations on UBS with respect to the investigations made or the procedures followed by UBS in rendering its opinion. The issuance of UBS' opinion was approved by an authorized committee of UBS.

In connection with rendering its opinion to the SIR board of trustees, UBS performed a variety of financial and comparative analyses which are summarized below. The following summary is not a complete description of all analyses performed and factors considered by UBS in connection with its opinion. The preparation of a financial opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. With respect to the selected companies analysis and the selected transactions analysis summarized below, no company or transaction

Table of Contents

used as a comparison was identical to SIR, CCIT or the Merger. These analyses necessarily involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or acquisition values of the companies concerned.

UBS believes that its analyses and the summaries below must each be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying UBS' analyses and opinions. UBS did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinions, but rather arrived at its ultimate opinions based on the results of all analyses undertaken by it and assessed as a whole.

The estimates of the future performance of SIR and CCIT provided by SIR in or underlying UBS' analyses are not necessarily indicative of actual future results or values, which may be significantly more or less favorable than those estimates. In performing its analyses, UBS considered industry performance, general business and economic conditions and other matters, many of which were beyond the control of SIR and CCIT. Estimates of the financial value of companies do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold or acquired.

The Merger Consideration was determined through negotiation between SIR and CCIT and the decision by SIR to enter into the Merger Agreement was solely that of the SIR board of trustees. UBS' opinion and financial analyses were only one of many factors considered by the SIR board of trustees in its evaluation of the Merger and related transactions, including the Healthcare Properties Sale, and should not be viewed as determinative of the views of the SIR board of trustees or management with respect to the Merger or the Merger Consideration.

The following is a brief summary of the material financial analyses performed by UBS and reviewed with the SIR board of trustees on August 30, 2014 in connection with its opinion relating to the proposed Merger. **The financial analyses summarized below include information presented in tabular format. In order for UBS' financial analyses to be fully understood, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of UBS' financial analyses.**

For purposes of the analyses described below, the term "Per Share Consideration," unless otherwise noted, refers to the \$10.32 implied per share value of the Merger Consideration based on (i) the Cash Consideration, (ii) the implied per share value of the Share Consideration, utilizing the closing price of SIR Common Shares on August 29, 2014 and (iii) assuming that holders of 60% of the outstanding shares of CCIT Common Stock receive the Cash Consideration.

For purposes of its analyses with respect to both the Merger and the Healthcare Properties Sale, UBS reviewed a number of financial and operating metrics, including:

Enterprise Value, defined as equity value (calculated as the value of a company's outstanding equity securities based on the company's closing stock price as of a specified date), plus debt at book value (including pro rata amounts of any debt of unconsolidated entities), less cash and cash equivalents, referred to as "net debt", plus preferred stock at liquidation value and minority interests at book value;

Adjusted Enterprise Value, defined as Enterprise Value, as adjusted for construction in progress, estimated value of investment management business, if applicable, tangible assets and liabilities and mark to market adjustments in debt; and

EBITDA, defined as earnings before interest, taxes, depreciation and amortization.

Table of Contents

Unless the context indicates otherwise, (i) with respect to the Merger, (A) financial data for "CCIT-As Adjusted" reflects the Healthcare Properties Sale and the Potential Net Synergies (as defined below), and (B) the implied equity value of CCIT-As Adjusted was based on the Per Share Consideration, and (ii) with respect to the Healthcare Properties Sale, equity value and corresponding Enterprise Value, for the Healthcare Properties, were based on the purchase price to be received by SIR Merger Sub. As used herein, "Potential Net Synergies", when used in connection with CCIT-As Adjusted, or the Healthcare Properties Sale, refers to (1) elimination of standalone general and administrative expenses, except for certain taxes, (2) the business management fee payable by SIR of 0.5% of the implied transaction value, which was, in the case of the Merger, the Enterprise Value of CCIT-As Adjusted (with the equity value equal to the aggregate Merger Consideration) plus the non-financing related transaction fees, and, in the case of the Healthcare Properties Sale, the purchase price to be received by SIR Merger Sub and (3) certain net property management fees payable by SIR that cannot be passed through to tenants, all as projected by the management of SIR.

Selected Public Companies Analysis

UBS compared selected financial and stock market data of SIR and CCIT with corresponding data of the following seven publicly traded net lease REITs with equity market capitalizations in excess of \$1 billion, referred to as the Net Lease Peer Companies, which REITs UBS considered to have operations similar to those of SIR and CCIT, including operations that, in the judgment of UBS, primarily involved the ownership of net leased real estate:

Discounted Cash Flow Analysis – CCIT Standalone, including Potential Net Synergies

UBS performed an unlevered discounted cash flow analysis of CCIT on a standalone basis, using financial forecasts and estimates relating to CCIT prepared by the management of SIR. UBS calculated a range of implied present values (as of December 31, 2014) of the standalone unlevered free cash flow of CCIT, including the Potential Net Synergies, but excluding the Healthcare Properties, that CCIT was forecasted to generate from January 1, 2015 through December 31, 2017 and of terminal values for CCIT based on CCIT's estimated calendar year 2018 cash NOI. UBS calculated standalone unlevered free cash flow for CCIT as GAAP NOI, less (i) general and administrative expenses, including management fees, (ii) recurring capital expenditures, (iii) straight line rent revenues, (iv) amortization of above-market and below-market leases, and (v) franchise, state and local taxes. Implied terminal values were derived by applying to CCIT's estimated calendar year 2018 cash NOI a range of cash capitalization rates of 6.00% to 6.50%. UBS selected the range of cash capitalization rates based on its professional judgment and expertise. Potential Net Synergies were grown in perpetuity at rates ranging from 1.75% to 2.25%. Present values of cash flows (including Potential Net Synergies) and terminal values were calculated using discount rates ranging from 7.00% to 8.00%, based on an estimated range of CCIT's weighted average cost of capital, referred to as WACC. UBS also added to these present value amounts the estimated proceeds of \$539.0 million from the Healthcare Properties Sale (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million). This discounted cash flow analysis, after adjusting for CCIT's projected net debt as of December 31, 2014, resulted in a range of implied present values of approximately \$9.60 to \$10.87 per outstanding share of CCIT Common Stock, as compared to the implied Per Share Consideration of \$10.32.

Discounted Cash Flow Analysis SIR Standalone

UBS performed an unlevered discounted cash flow analysis of SIR on a standalone basis using financial forecasts and estimates relating to SIR prepared by management of SIR. UBS calculated a range of implied present values (as of December 31, 2014) of the standalone unlevered free cash flows that SIR was forecasted to generate from January 1, 2015 through December 31, 2017 and of terminal values for SIR based on SIR's calendar year 2018 estimated adjusted EBITDA. UBS calculated standalone unlevered free cash flow for SIR as GAAP NOI, less (i) general and administrative expenses, including management fees (other than non-cash general and administrative expenses), (ii) equity in earnings of Affiliated Insurance Company and acquisitions costs, (iii) recurring capital expenditures, (iv) straight line rent revenues, (v) amortization of above-market and below-market leases and (vi) franchise, state and local taxes. Adjusted EBITDA was based on EBITDA plus certain non-cash general and administrative expenses, equity in the earnings of Affiliated Insurance Company and acquisition costs. Implied terminal values were derived by applying to SIR's calendar year 2018 estimated adjusted EBITDA a range of terminal value multiples of 11.0x to 14.0x. UBS selected the range of terminal value multiples based on its professional judgment and expertise. Present values of cash flows and terminal values were calculated using discount rates ranging from 8.5% to 9.5%, based on an estimated range of SIR's WACC. This discounted cash flow analysis, after adjusting for SIR's projected net debt as of December 31, 2014, resulted in a range of implied present values of approximately \$22.53 to \$32.62 per outstanding SIR Common Share, as compared to the closing price of SIR Common Shares on August 29, 2014 of \$27.90.

Relative DCF Exchange Ratio

UBS then compared the results of the range of implied present values of CCIT Common Stock per share resulting from the discounted cash flow analysis of CCIT on a standalone basis, including Potential Net Synergies and the estimated proceeds from the Healthcare Properties Sale, but excluding the Healthcare Properties, to the range of implied present values of SIR Common Shares resulting from the discounted cash flow analysis of SIR on a standalone basis. For purposes of this analysis, UBS noted that the Share Consideration of 0.360 fell within the range of implied exchange ratios which UBS calculated to be 0.29 to 0.48.

Pro Forma Accretion/Dilution Analysis

UBS reviewed the potential pro forma effect of the Merger and related transactions, including the Healthcare Properties Sale, on SIR's calendar year 2015 estimated normalized FFO per share and AFFO per share. Estimated financial data for the pro forma financial effects on SIR were based on financial forecasts and estimates provided by the management of SIR, including financial forecasts and estimates relating to CCIT. Normalized FFO per share and AFFO per share were based on FFO per share and AFFO per share adjusted for projected acquisition related costs, estimated RMR business management incentive fees payable by SIR and gain on early extinguishment of debt. UBS calculated the accretion/dilution to normalized FFO per share and normalized AFFO per share assuming that holders of 60% of the outstanding shares of CCIT Common Stock receive the Cash Consideration and assuming a weighted average interest rate on the debt to be incurred in connection with the Merger of 3.8%. This analysis indicated that the Merger and related transactions, after giving effect to the Healthcare Properties Sale, could be \$0.02 accretive to normalized FFO per share and \$0.08 dilutive to normalized AFFO per share. In addition, UBS conducted a sensitivity analysis of the potential accretion/dilution to normalized FFO per share and normalized AFFO per share based on two variables: (i) the weighted average interest rate on the debt to be incurred in connection with the Merger, which was assumed to range between 3.6% and 4.0%, and (ii) the results of the cash and share elections in which the holders of a minimum of 40% of the outstanding shares of CCIT Common Stock

Table of Contents

would, and the holders of a maximum of 60% of the outstanding shares of CCIT Common Stock could, receive the Cash Consideration. This analysis indicated that:

For 2015 Estimated Normalized FFO per share, the Merger could be (i) \$0.05/share accretive to \$0.02/share dilutive, if the holders of 60% of the outstanding shares of CCIT Common Stock receive the Cash Consideration and the holders of the remaining 40% receive the Share Consideration, depending upon the weighted average interest rate described above, and (ii) \$0.19/share dilutive to \$0.24/share dilutive, if the holders of 40% of the outstanding shares of CCIT Common Stock receive the Cash Consideration and the holders of the remaining 60% receive the Share Consideration, depending upon the weighted average interest rate described above; and

For 2015 Estimated Normalized AFFO per share, the Merger could be (i) \$0.04/share dilutive to \$0.11/share dilutive, if the holders of 60% of the outstanding shares of CCIT Common Stock receive the Cash Consideration and the holders of the remaining 40% receive the Share Consideration, depending upon the weighted average interest rate described above, and (ii) \$0.24/share dilutive to \$0.28/share dilutive, if the holders of 40% of the outstanding shares of CCIT Common Stock receive the Cash Consideration and the holders of the remaining 60% receive the Share Consideration, depending upon the weighted average interest rate described above.

Actual results may vary from projected results and the variations may be material.

Other Information

UBS also noted for the SIR board of trustees certain additional factors that were not relied upon in rendering its opinion, but were provided for informational purposes, including the following:

SIR Historical Share Price Review

UBS compared the historical price performance of SIR Common Shares (i) over the last twelve month period prior to and including August 29, 2014 and (ii) from the closing of SIR's initial public offering on March 7, 2012 to prior to and including August 29, 2014, in each case, with corresponding data of the closing price of the common shares of the Net Lease Peer Companies. This comparison revealed that during the last twelve month period, the closing price of SIR Common Shares increased 14.8%, as compared to an increase in the weighted average closing price of the common shares of the Net Lease Peer Companies of 7.1%. In addition, since the closing of SIR's initial public offering on March 7, 2014, the closing price of SIR Common Shares has increased 28.5%, as compared to an increase in the weighted average closing price of the common shares of the Net Lease Peer Companies of 28.3%.

Pro Forma Payout Ratio

UBS also reviewed the pro forma payout ratios for 2015 estimated Normalized FFO per share, referred to as the 2015 Estimated Normalized FFO Payout Ratio, and 2015 estimated Normalized AFFO per share, referred to as the 2015 Estimated Normalized AFFO Payout Ratio, assuming an annualized distribution rate of \$2.00. Applying the weighted average interest rate range on the debt and the range of potential cash and share elections in which the holders of a minimum of 40% of the outstanding shares of CCIT Common Stock would, and the holders of a maximum of 60% of the outstanding shares of CCIT Common Stock could, receive the Cash Consideration, as described above, the 2015 Estimated Normalized FFO Payout Ratio could be between 71.0% to 78.9% and 2015 Estimated Normalized AFFO Payout Ratio could be between 81.4% to 90.0%.

Opinion of SIR's Financial Advisor Regarding the Healthcare Properties Sale

On August 30, 2014, at a meeting of the SIR board of trustees held to consider the Healthcare Properties Sale and related transactions, including the Merger, UBS delivered to the SIR board of trustees an oral opinion, which opinion was confirmed by delivery of a written opinion, dated August 30, 2014, to the effect that, as of that date and based on and subject to various assumptions, matters considered and limitations described in its opinion, the purchase price to be received by SIR Merger Sub in the Healthcare Properties Sale was fair, from a financial point of view, to SIR Merger Sub.

The full text of UBS' opinion to the SIR board of trustees regarding the purchase price to be received by SIR Merger Sub describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by UBS. This opinion is attached as Annex H to this joint proxy statement/prospectus and is incorporated herein by reference. Holders of SIR Common Shares should read UBS' opinion regarding the Healthcare Properties Sale carefully and in its entirety. UBS' opinion as to the purchase price to be received by SIR Merger Sub in the Healthcare Properties Sale was provided for the benefit of the SIR board of trustees (in its capacity as such) in connection with, and for the purpose of, its evaluation of the purchase price to be received by SIR Merger Sub from a financial point of view and does not address any other aspect of the Healthcare Properties Sale, or related transactions, including the Merger or any related transactions. The opinion does not address the relative merits of the Healthcare Properties Sale or any related transactions as compared to other business strategies or transactions that might be available with respect to SIR or SIR's underlying business decision to effect the Healthcare Properties Sale or any related transaction, including the Merger. The opinion does not constitute a recommendation to any holder of SIR Common Shares as to how to vote or act with respect to the SIR Share Issuance or any related transaction. The following summary of UBS' opinion regarding the purchase price is qualified in its entirety by reference to the full text of UBS' opinion.

In arriving at its opinion, UBS, among other things:

reviewed certain internal financial information and other data relating to the business and financial prospects of the Healthcare Properties that were provided to UBS by the management of SIR, and were not publicly available, including financial forecasts and estimates prepared by the management of SIR that the SIR board of trustees directed UBS to utilize for purposes of its analysis;

conducted discussions with the management of CCIT concerning the business and financial prospects of the Healthcare Properties and conducted discussions with the management of SIR concerning the business and financial prospects of the Healthcare Properties;

reviewed publicly available financial and stock market data with respect to certain other companies UBS believed to be generally relevant;

compared the financial terms of the Healthcare Properties Sale with the publicly available financial terms of certain other transactions UBS believed to be generally relevant;

reviewed the Merger Agreement and the Healthcare Properties Purchase and Sale Agreement; and

conducted such other financial studies, analyses and investigations, and considered such other information, as UBS deemed necessary or appropriate.

In connection with its review, with the consent of the SIR board of trustees, UBS assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by UBS for the purpose of its opinion. In addition, with the consent of the SIR board of trustees, UBS did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of SIR, the CCIT subsidiaries which own the

Table of Contents

Healthcare Properties or CCIT, including the Healthcare Properties, and was not furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates referred to above, UBS assumed, at the direction of the SIR board of trustees, that such forecasts and estimates had been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of SIR as to the future financial performance of the Healthcare Properties, including that the CCIT subsidiaries which own the Healthcare Properties own no material assets other than the Healthcare Properties. In addition, UBS assumed, with the approval of the SIR board of trustees, that such financial forecasts and estimates will be achieved at the times and in the amounts projected and that any amounts held in escrow pursuant to the Healthcare Properties Purchase and Sale Agreement will be released to SIR Merger Sub. UBS' opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to UBS as of, the date of its opinion.

In addition, at the direction of the SIR board of trustees, UBS was not asked to, and it did not, offer any opinion as to the terms, other than the purchase price to be received by SIR Merger Sub to the extent expressly specified in UBS' opinion, of the Healthcare Properties Purchase and Sale Agreement, the Merger Agreement, or any related documents, or the form of the Healthcare Properties Sale, or any related transactions, including the Merger. In addition, UBS expressed no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, trustees, directors or employees of any parties to the Healthcare Properties Sale, or any class of such persons, relative to the purchase price to be received by SIR Merger Sub. UBS expressed no opinion as to what the value of SIR Common Shares will be when issued pursuant to the Merger or the prices at which SIR Common Shares will trade at any time. In rendering its opinion, UBS assumed, with the consent of the SIR board of trustees, that (i) the parties to the Healthcare Properties Purchase and Sale Agreement would comply with all material terms thereof, (ii) the Healthcare Properties Sale will be completed (A) in accordance with the terms of the Healthcare Properties Purchase and Sale Agreement without any adverse waiver or amendment of any material term or condition thereof and (B) without any tax liability to be incurred by SIR in connection with the Healthcare Properties Sale and (iii) the Merger is completed as contemplated by the Merger Agreement. UBS also assumed that all governmental, regulatory or other consents and approvals necessary for the completion of the Healthcare Properties Sale will be obtained without any material adverse effect on SIR, the Healthcare Properties or the Healthcare Properties Sale. Except as described above, SIR imposed no other instructions or limitations on UBS with respect to the investigations made or the procedures followed by UBS in rendering its opinion. The issuance of UBS' opinion was approved by an authorized committee of UBS.

In connection with rendering its opinion to the SIR board of trustees, UBS performed a variety of financial and comparative analyses which are summarized below. The following summary is not a complete description of all analyses performed and factors considered by UBS in connection with its opinion. The preparation of a financial opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. With respect to the selected companies analysis and the selected transactions analysis summarized below, no company or transaction used as a comparison was identical to SIR, the Healthcare Properties or the Healthcare Properties Sale. These analyses necessarily involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or acquisition values of the companies concerned.

UBS believes that its analyses and the summary below must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying UBS' analyses and opinion. UBS did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes

of its opinion, but rather arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole.

The estimates of the future performance of the Healthcare Properties provided by SIR in or underlying UBS' analyses are not necessarily indicative of actual future results or values, which may be significantly more or less favorable than those estimates. In performing its analyses, UBS considered industry performance, general business and economic conditions and other matters, many of which were beyond the control of SIR. Estimates of the financial value of companies do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold or acquired.

The purchase price to be received by SIR Merger Sub was determined through negotiation between SIR and SNH and the decision by SIR and SIR Merger Sub to enter into the Healthcare Properties Sale was solely that of the SIR board of trustees and SIR Merger Sub's board of directors. UBS' opinion and financial analyses were only one of many factors considered by the SIR board of trustees in its evaluation of the Healthcare Properties Sale and should not be viewed as determinative of the views of the SIR board of trustees or management with respect to the Healthcare Properties Sale or the purchase price to be received by SIR Merger Sub.

The following is a brief summary of the material financial analyses performed by UBS and reviewed with the SIR board of trustees on August 30, 2014 in connection with its opinion relating to the proposed Healthcare Properties Sale. **The financial analyses summarized below include information presented in tabular format. In order for UBS' financial analyses to be fully understood, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of UBS' financial analyses.**

UBS reviewed among other things, the (i) Estimated Cash Capitalization Rate of each selected company as well as for the Healthcare Properties, and (ii) Estimated GAAP Capitalization Rate of each selected company, to the extent publicly available, as well as for the Healthcare Properties, and, in each case for the selected companies, Estimated Capitalization Rates, Enterprise Values and equity values were based on closing stock prices on August 29, 2014. The Estimated GAAP Capitalization Rate was calculated using the Estimated GAAP Adjustment described above in the description of the opinion regarding the Merger.

UBS reviewed, among other things, Estimated Capitalization Rates for the target companies. Estimated Capitalization Rates were based on information made publicly available to investors, including investor presentations and investor conference call transcripts, as well as certain Wall Street Research. Estimated GAAP Capitalization Rates were based on Estimated Cash Capitalization Rates, subject to the Estimated GAAP Adjustment. In addition, UBS reviewed equity values of the target companies as multiples of CY+1 FFO and CY+1 AFFO, respectively, which for the transactions announced (i) prior to June 30 of a given year represented the FFO (or AFFO, as applicable) for such calendar year, and (ii) following June 30 of a given year, represented FFO (or AFFO, as applicable) for the calendar year following the year in which the transaction was announced. UBS then compared the Estimated Capitalization Rates and multiples derived for the selected transactions with corresponding Estimated Capitalization Rates and multiples implied for the Healthcare Properties, all as calculated and adjusted as described above. Financial data for the selected transactions, including calculations of FFO and AFFO, were based on publicly available information at or around the time of announcement of the relevant transaction and included, in certain instances, information made publicly available to investors, including merger proxies for the applicable transaction, investor presentations and investor conference call transcripts, as well as Wall Street Research, and, accordingly, may not have been calculated on the same bases as those used by SIR. For more information, see "The Merger Certain Prospective Financial Information of SIR Regarding the Merger and the Healthcare Properties Sale" beginning on page 127 of this joint proxy statement/prospectus. Estimated financial data for the Healthcare Properties were based on internal estimates of SIR's management. This analysis indicated

Discounted Cash Flow Analysis

UBS performed an unlevered discounted cash flow analysis of the Healthcare Properties on a standalone basis, using financial forecasts and estimates relating to the Healthcare Properties prepared by the management of SIR. UBS calculated a range of implied present values (as of December 31, 2014) of the standalone unlevered free cash flow of the Healthcare Properties, including Potential Net Synergies, that the Healthcare Properties were forecasted to generate from January 1, 2015 through December 31, 2017 and of terminal values for the Healthcare Properties based on the Healthcare Properties' estimated calendar year 2018 cash NOI. UBS calculated standalone unlevered free cash flow for the Healthcare Properties on the same bases as described above for the calculation of unlevered free cash flow for CCIT on a standalone basis. Implied terminal values were derived by applying to the Healthcare Properties' estimated calendar year 2018 cash NOI a range of cash capitalization rates of 6.00% to 6.50%. UBS selected the range of cash capitalization rates based on its professional judgment and expertise. Potential Net Synergies were grown in perpetuity at rates ranging from 1.75% to 2.25%. Present values of cash flows (including Potential Net Synergies) and terminal values were calculated using discount rates ranging from 7.00% to 8.00%, based on an estimated range of the WACC for each of CCIT as a whole, as well as the Healthcare Properties. This discounted cash flow analysis resulted in a range of implied present values of approximately \$492.2 million to \$542.6 million for the Healthcare Properties, as compared to the purchase price to be received by SIR Merger Sub of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million).

Miscellaneous

Under the terms of UBS' engagement, SIR agreed to pay UBS for its financial advisory services in connection with the Merger and the Healthcare Properties Sale aggregate fees which may result in payments as high as \$10.0 million, \$2.875 million of which was payable in connection with UBS' opinions and up to \$7.125 million of which will be paid upon completion of the Merger. In addition, SIR agreed to reimburse UBS for its reasonable expenses, including fees, disbursements and other charges of counsel, and to indemnify UBS and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement. UBS is also providing financing to SIR in connection with the Merger and will receive compensation in connection therewith. In the past, UBS and its affiliates have provided investment banking services to SIR, certain other entities managed (or formerly managed) by RMR, including Hospitality Properties Trust, or HPT, SNH, GOV, Five Star Quality Care, Inc., or FVE, TravelCenters of America LLC, or TA, and EQC, and ARCP, an affiliate of the advisor of CCIT, and certain of ARCP's affiliates unrelated to the proposed Merger or the Healthcare Properties Sale, for which UBS has received compensation, including having acted as (i) (A) co-lead manager in the initial public offering of SIR Common Shares in March 2012, (B) co-lead manager in an \$193 million follow-on offering of SIR Common Shares in December 2012, (C) joint-book runner in a \$341 million follow-on offering for SIR Common Shares in June 2013 and (D) joint-book runner in a \$300 million follow-on offering for SIR Common Shares in May 2014, (ii) (A) co-lead manager in a \$411 million follow-on offering of HPT common shares in March 2013, (B) a joint book runner in a \$300 million senior notes offering for HPT in May 2013, (C) co-lead

manager in a \$274 million follow-on offering of HPT common shares in November 2013, (D) joint book runner in a \$350 million senior notes offering for HPT in March 2014 and (E) joint book runner in a \$350 million senior notes offering for HPT in September 2014, (iii) (A) joint book runner in a \$301 million follow-on offering of SNH common shares in July 2012, (B) joint book runner in a \$350 million senior notes offering for SNH in July 2012, (C) co-lead manager in a \$238 million follow-on offering of SNH common shares in January 2013 and (D) joint lead manager in a \$650 million senior notes offering for SNH in April 2014, (iv) (A) co-lead manager in a \$200 million follow-on offering of GOV common shares in October 2012, (B) co-lead manager in a \$250 million follow-on offering of GOV common shares in March 2013, (C) co-lead manager in a \$365 million follow-on offering of GOV common shares and (D) joint book runner in a \$350 million senior notes offering for GOV in August 2014, (v) (A) joint book runner in a \$110 million senior notes offering of TA common stock in January 2013 and (B) joint book runner in a \$60 million follow-on offering of TA common shares in December 2013, (vii) (A) joint book runner in a \$175 million senior notes offering for EQC in July 2012 and (B) joint book runner in a \$655 million follow on offering of EQC common shares in February 2013, (viii) financial advisor to Cole Credit Property Trust II, Inc. in connection with its merger with Spirit Realty Capital in January 2013 and (ix) financial advisor to American Realty Capital Trust III, Inc. in connection with its merger with ARCP in December 2012. Such compensation received in the past two years by UBS and its affiliates from (a) SIR and other companies to which, according to public filings, RMR provided management services amounted to approximately \$22.6 million, (b) CCIT and other companies which, according to public filings, are externally managed by Cole Capital® amounted to approximately \$12.2 million and (c), American Realty Capital Trust III, Inc., when it was acquired by ARCP, amounted to \$6.1 million. In addition, UBS or an affiliate has been and continues to be a participant in a credit facility for each of SIR, EQC, HPT, SNH, GOV, FVE and TA for which it received and continues to receive fees and interest payments. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of SIR, HPT, SNH, GOV, FVE, TA and ARCP, and, accordingly, may at any time hold a long or short position in such securities. As of the date of UBS' opinions, UBS owned approximately 3.7% of the issued and outstanding common shares of ARCP. SIR selected UBS as its financial advisor in connection with the Merger and the Healthcare Properties Sale because UBS is an internationally recognized investment banking firm with substantial experience in similar transactions. UBS is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities and private placements.

Certain Prospective Financial Information of SIR Regarding the Merger and the Healthcare Properties Sale

SIR does not as a matter of course make public long term projections as to future revenues, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, SIR is including below (i) certain unaudited prospective financial information of SIR that were prepared by management of SIR and made available to the SIR board of trustees and CCIT in connection with the evaluation of the Merger and (ii) certain unaudited prospective financial information of the Healthcare Properties that were prepared by management of SIR and made available to the SIR board of trustees in connection with the evaluation of the Healthcare Properties Sale. This information also was provided to SIR's financial advisors and, in the case of the unaudited prospective financial information of SIR, CCIT's financial advisors. The inclusion of this information should not be regarded as an indication that any of SIR, CCIT, their respective financial advisors or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results.

The unaudited prospective financial information was, in general, prepared solely for internal use and is subjective in many respects. As a result, the prospective results may not be realized and actual results may be significantly higher or lower than estimated. Since the unaudited prospective financial

information covers multiple years, that information by its nature becomes less predictive with each successive year.

SIR does not own the Healthcare Properties. The Healthcare Properties are a combination of the accounts of 23 properties owned by CCIT. Management of SIR has prepared the unaudited prospective financial information of the Healthcare Properties based solely on its review of documents and information made available to SIR by CCIT and other publicly available information. The unaudited prospective financial information of the Healthcare Properties does not necessarily reflect what the results of operations, financial position and cash flows would be if the Healthcare Properties are operated as a standalone company during the forecast period, and, accordingly, this projected information should not be relied upon as an indicator of SIR's future performance.

You should review the SEC filings of SIR and CCIT for a description of risk factors with respect to the business of SIR and CCIT, respectively. See "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61, and "Where You Can Find More Information; Incorporation by Reference" beginning on page 226, of this joint proxy statement/prospectus. The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. In addition, the unaudited prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in SIR's or CCIT's historical GAAP financial statements.

Neither the independent registered public accounting firm of SIR or CCIT nor any other independent accountants have compiled, examined or performed any audit or other procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability. The report of the independent registered public accounting firm of SIR contained in SIR's Annual Report on Form 10-K for the year ended December 31, 2013, which is incorporated by reference into this joint proxy statement/prospectus, relates to the historical financial information of SIR, and the report of the independent registered public accounting firm of CCIT contained in Appendix I of this joint proxy statement/prospectus with respect to CCIT's financial statements for the year ended December 31, 2013 relates to the historical financial information of CCIT as a whole. Neither report extends to the unaudited prospective financial information and should not be read to do so. Furthermore, the unaudited prospective financial information do not take into account any circumstances or events occurring after the date on which it was prepared. The following table presents selected unaudited prospective financial data on a twelve month run rate basis as of December 31, 2015 through December 31, 2018 for SIR on a standalone basis, including potential projected acquisitions. It does not give effect to the Merger.

The following table presents selected unaudited prospective financial data on a twelve month run rate basis as of December 31, 2015 through December 31, 2018 for the Healthcare Properties on a standalone basis.

Healthcare Properties Standalone Prospective Financial Information

(\$ in millions)	2015E	2016E	2017E	2018E
Net Operating Income	\$ 34.4	\$ 34.4	\$ 34.4	\$ 34.4
Normalized Funds From Operations	\$ 30.3	\$ 30.3	\$ 30.2	\$ 30.1

For purposes of the unaudited prospective financial information presented herein, (i) NOI is income from rental of real estate properties less property expenses, (ii) normalized FFO, or Normalized FFO, which is a non-GAAP measure, is FFO, as defined by The National Association of Real Estate Investment Trusts, or NAREIT, plus estimated business management incentive fees and projected acquisition related costs. CCIT and other REITs and real estate companies may calculate Normalized FFO differently than SIR does.

SIR considers Normalized FFO to be an appropriate measure of operating performance for a REIT, along with net income, operating income and cash flow from operating activities. SIR believes that Normalized FFO provides useful supplemental information to investors because by excluding the effects of certain historical amounts, such as depreciation expense, Normalized FFO may facilitate a comparison of its operating performance between periods and with other REITs. Normalized FFO is among the factors considered by the SIR board of trustees when determining the amount of distributions to SIR's shareholders. Normalized FFO does not represent cash generated by operating activities in accordance with GAAP and should not be considered as an alternative to net income, operating income or cash flow from operating activities determined in accordance with GAAP.

In preparing the foregoing unaudited prospective financial information, SIR made a number of assumptions and estimates regarding, among other things, interest rates, corporate financing activities, including SIR's ability to finance its operations and investments and refinance certain of its outstanding indebtedness and the terms of any such financing or refinancing and leverage ratios, the amount and timing of investments by SIR and the yield to be achieved on such investments, the amount and timing of capital expenditures, distribution rates, occupancy and customer retention levels, changes in rent, the amount of income taxes paid and the amount of general and administrative costs.

The assumptions made in preparing the above unaudited prospective financial information may not accurately reflect future conditions. The estimates and assumptions underlying the unaudited prospective financial information involve judgments with respect to, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions which may not be realized and that are inherently subject to significant business, economic, competitive and regulatory uncertainties and contingencies, including, among others, risks and uncertainties described under "Risk Factors" beginning on page 47, and "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61, of this joint proxy statement/prospectus, as well as the risks described in the periodic reports of SIR filed with the SEC, all of which are difficult to predict and many of which are beyond the control of SIR and/or CCIT and will be beyond the control of the combined company. Accordingly, the projected results may not be realized, and actual results likely will differ, and may differ materially, from those reflected in the unaudited prospective financial information, whether or not the Merger is completed.

You should not place undue reliance on the unaudited prospective financial information set forth above. No representation is made by SIR, CCIT or any other person to any SIR shareholder, CCIT stockholder or other person regarding the ultimate performance of SIR or the Healthcare Properties compared to the information included in the above unaudited prospective financial information. The inclusion of unaudited prospective financial information in this joint proxy statement/prospectus should not be regarded as an indication that the prospective financial information will be necessarily predictive

of actual future events, and such information should not be relied on as such. You should review the description of SIR's reported results of operations and financial condition and capital resources during 2014, including in "Management's Discussion and Analysis of Financial Condition and Results of Operations" in SIR's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 and Quarterly Reports on Form 10-Q for the periods ended March 31, 2014 and June 30, 2014 filed with the SEC and incorporated by reference into this joint proxy statement/prospectus.

SIR DOES NOT INTEND TO UPDATE OR OTHERWISE REVISE THE ABOVE UNAUDITED PROSPECTIVE FINANCIAL RESULTS TO REFLECT CIRCUMSTANCES EXISTING AFTER THE DATE WHEN MADE OR TO REFLECT THE OCCURRENCE OF FUTURE EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING SUCH UNAUDITED PROSPECTIVE FINANCIAL RESULTS ARE NO LONGER APPROPRIATE, EXCEPT AS MAY BE REQUIRED BY APPLICABLE LAW.

Opinions of CCIT's Financial Advisors

Wells Fargo Securities, LLC

CCIT retained Wells Fargo Securities to act as CCIT's financial advisor in connection with the Merger. As part of Wells Fargo Securities' engagement, the CCIT board of directors requested that Wells Fargo Securities evaluate the fairness, from a financial point of view, of the Merger Consideration to be received pursuant to the Merger Agreement by holders of CCIT Common Stock. On August 30, 2014, at a meeting of the CCIT board of directors held to evaluate the Merger, Wells Fargo Securities rendered to the CCIT board of directors an oral opinion, confirmed by delivery of a written opinion dated August 30, 2014, to the effect that, as of such date and based on and subject to various qualifications, limitations and assumptions stated in its opinion, the Merger Consideration to be received pursuant to the Merger Agreement by holders of CCIT Common Stock was fair, from a financial point of view, to such holders.

The full text of Wells Fargo Securities' written opinion, dated August 30, 2014, to the CCIT board of directors is attached as Annex I to this joint proxy statement/prospectus and is incorporated in this document by reference. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken by Wells Fargo Securities in rendering its opinion. The following summary is qualified in its entirety by reference to the full text of the opinion. The opinion was addressed to the CCIT board of directors (in its capacity as such) for its information and use in connection with its evaluation of the Merger Consideration from a financial point of view and does not address any other terms, aspects or implications of the Merger or any related transactions. Wells Fargo Securities' opinion does not address the merits of the underlying decision by CCIT to enter into the Merger Agreement or the relative merits of the Merger or any related transactions compared with other business strategies or transactions available or that have been or might be considered by CCIT's management or board of directors or in which CCIT might engage. Wells Fargo Securities' opinion does not constitute a recommendation to the CCIT board of directors or any other person or entity in respect of the Merger or any related transactions, including as to how any CCIT stockholder should vote or act in connection with the Merger, any related transactions or any other matters.

The terms of the Merger and related transactions were determined through negotiations between CCIT and SIR, rather than by any financial advisor, and the decision to enter into the Merger Agreement was solely that of the CCIT board of directors. Wells Fargo Securities did not recommend any specific form of consideration to the CCIT board of directors or that any specific form of consideration constituted the only appropriate consideration for the Merger. The opinion was only one of many factors considered by the CCIT board of directors in its evaluation of the Merger and should not be viewed as determinative of the views of the CCIT board of directors, management or any other party with respect to the Merger or the Merger Consideration.

compared certain financial data of CCIT and SIR with similar data of certain publicly traded companies that Wells Fargo Securities deemed relevant in evaluating CCIT and SIR;

compared the proposed financial terms of the Merger with financial terms of certain business combinations and other transactions that Wells Fargo Securities deemed relevant in evaluating the Merger;

considered such other information, such as financial studies and analyses, as well as financial, economic and market criteria, and made such other inquiries, as Wells Fargo Securities deemed relevant.

In connection with Wells Fargo Securities' review, Wells Fargo Securities assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or otherwise made available to Wells Fargo Securities, including all accounting, tax, regulatory and legal information, and Wells Fargo Securities did not make (and did not assume any responsibility for) any independent verification of such information. Wells Fargo Securities relied upon assurances of the managements of CCIT and SIR that they were not aware

Edgar Filing: Select Income REIT - Form S-4/A

of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts, estimates and other information relating to CCIT and SIR utilized in Wells Fargo Securities' analyses, Wells Fargo Securities was advised by the respective managements of CCIT and SIR and, at the direction of the CCIT board of directors, Wells Fargo Securities assumed that they were reasonably prepared and reflected the best currently available estimates, judgments and assumptions as to the future financial

performance of CCIT and SIR, as the case may be, the potential pro forma financial effects of the Merger and the other matters covered thereby. Wells Fargo Securities assumed no responsibility for, and expressed no view as to, such forecasts, estimates or other information utilized in Wells Fargo Securities' analyses or the judgments or assumptions upon which they were based. Wells Fargo Securities also assumed that there had been no meaningful changes in the condition (financial or otherwise), results of operations, businesses or prospects of CCIT or SIR since the respective dates of the most recent financial statements and other information provided to Wells Fargo Securities. Wells Fargo Securities relied, at the direction of the CCIT board of directors, upon the assessments of the managements of CCIT and SIR as to (i) the potential impact on CCIT and SIR of certain trends and recent developments in, and prospects for, the commercial real estate market and related credit and financial markets, (ii) the ability to integrate the businesses of CCIT and SIR and (iii) matters relating to the proposed Healthcare Properties Sale, including the expected net proceeds from such sale. Wells Fargo Securities assumed, with the consent of the CCIT board of directors, that there would not be any developments with respect to any of the foregoing that would in any respect be meaningful to Wells Fargo Securities' analyses or opinion.

In arriving at its opinion, Wells Fargo Securities did not conduct physical inspections of the properties or assets of CCIT, SIR or any other entity, and Wells Fargo Securities did not make and was not provided with any evaluations or appraisals of the properties, assets or liabilities (contingent or otherwise) of CCIT, SIR or any other entity. Wells Fargo Securities also did not evaluate the solvency or fair value of CCIT, SIR or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters.

In rendering its opinion, Wells Fargo Securities assumed, at the direction of the CCIT board of directors, that the final form of the Merger Agreement, when signed by the parties thereto, would not differ from the draft Merger Agreement reviewed by Wells Fargo Securities in any respect meaningful to Wells Fargo Securities' analyses or opinion, that the Merger and related transactions would be completed in accordance with the terms described in the Merger Agreement and related documents and in compliance with all applicable laws and other requirements without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary legal, regulatory or third party consents, approvals or agreements for the Merger and related transactions, no delay, limitation or restriction would be imposed or action would be taken that would have an adverse effect on CCIT, SIR or the Merger. Wells Fargo Securities also assumed, at the direction of the CCIT board of directors, that the Merger would qualify for United States federal income tax purposes as a "reorganization" within the meaning of Section 368(a) of the Code. Wells Fargo Securities was advised that each of CCIT and SIR has operated in conformity with the requirements for qualification as REIT for United States federal income tax purposes since its formation as a REIT and further assumed, at the direction of the CCIT board of directors, that the Merger and related transactions would not adversely affect such status or operations and that special distributions, if any, made by CCIT or SIR in order to maintain such status or otherwise would not result in an adjustment to the Merger Consideration that would in any respect be meaningful to its analyses or opinion.

Wells Fargo Securities did not express any opinion as to what the value of SIR Common Shares actually would be when issued pursuant to the Merger or the prices at which SIR Common Shares or CCIT Common Stock would trade at any time. Wells Fargo Securities' opinion was necessarily based on economic, market, financial and other conditions existing, and information made available to Wells Fargo Securities, as of the date thereof. Wells Fargo Securities noted for the CCIT board of directors that the credit, financial and stock markets have experienced significant volatility and Wells Fargo Securities expressed no opinion or view as to any potential effects of such volatility on CCIT, SIR or the Merger or related transactions. Although subsequent developments may affect the matters set forth in its opinion, Wells Fargo Securities does not have any obligation to update, revise, reaffirm or withdraw its opinion or otherwise comment on or consider any such events occurring or coming to Wells Fargo Securities' attention after the date of its opinion.

Table of Contents

Wells Fargo Securities' opinion only addressed the fairness, from a financial point of view and as of the date thereof, to holders of CCIT Common Stock of the Merger Consideration to be received by such holders pursuant to the Merger Agreement to the extent expressly specified in its opinion, and did not address any other terms, aspects or implications of the Merger or related transactions, including, without limitation, the form or structure of the Merger Consideration or the Merger, the terms or other aspects of the Healthcare Properties Sale or any other agreement, arrangement or understanding entered into in connection with or contemplated by the Merger, the related transactions or otherwise. In addition, Wells Fargo Securities' opinion did not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger or related transactions, or class of such persons, relative to the Merger Consideration or otherwise. Wells Fargo Securities' opinion did not address the merits of the underlying decision by CCIT to enter into the Merger Agreement or the relative merits of the Merger or related transactions compared with other business strategies or transactions available or that have been or might be considered by CCIT management or the CCIT board of directors or in which CCIT might engage. Wells Fargo Securities also did not express any view or opinion with respect to, and with the CCIT board of directors' consent relied upon the assessments of representatives of CCIT regarding, accounting, tax, regulatory, legal or similar matters as to which Wells Fargo Securities understood that CCIT obtained such advice as it deemed necessary from qualified professionals.

In connection with rendering its opinion, Wells Fargo Securities performed certain financial, comparative and other analyses as summarized below. This summary is not a complete description of the financial analyses performed and factors considered in connection with such opinion. In arriving at its opinion, Wells Fargo Securities did not ascribe a specific value to CCIT Common Stock or SIR Common Shares but rather made its determinations as to the fairness, from a financial point of view, of the Merger Consideration on the basis of various financial and comparative analyses taken as a whole. The preparation of a financial opinion is a complex process and involves various determinations as to the most appropriate and relevant methods of financial and comparative analyses and the application of those methods to the particular circumstances. Therefore, a financial opinion is not readily susceptible to summary description.

In arriving at its opinion, Wells Fargo Securities did not attribute any particular weight to any single analysis or factor considered but rather made qualitative judgments as to the significance and relevance of each analysis and factor relative to all other analyses and factors performed and considered and in the context of the circumstances of this particular transaction. Accordingly, the analyses must be considered as a whole, as considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying such opinion. The fact that any specific analysis has been referred to in the summary below is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary. No company or transaction is identical to CCIT, SIR or the Merger and an evaluation of Wells Fargo Securities' analyses is not entirely mathematical; rather, such analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading, acquisition or other values of the companies or transactions reviewed.

In performing its analyses, Wells Fargo Securities considered industry performance, general business and economic conditions and other matters existing as of the date of its opinion, many of which are beyond the control of CCIT, SIR or any other parties to the Merger. None of CCIT, SIR, Wells Fargo Securities or any other person assumes responsibility if future results are different from those described whether or not any such difference is material. Any estimates contained in these analyses and the ranges of values resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below. In addition, analyses relating to the value of properties, businesses or securities do not purport to be appraisals or necessarily reflect the prices at which properties, businesses or

Table of Contents

securities may actually be sold or acquired. Accordingly, the assumptions and estimates used in, and the results derived from, the following analyses are inherently subject to substantial uncertainty.

The following is a summary of the material financial analyses provided on August 30, 2014 to the CCIT board of directors by Wells Fargo Securities in connection with its opinion. **Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of such financial analyses.** For purposes of Wells Fargo Securities' analyses described below, the term "implied per share Merger Consideration" refers to the blended per share amount payable to holders of CCIT Common Stock in the Merger as of August 29, 2014 of \$10.23 to \$10.32 per share, which amount was derived from the implied per share value of the Share Consideration (which, based on the 0.360x exchange ratio and closing price of SIR Common Shares on August 29, 2014 of \$27.90 per share, implied a per share amount of \$10.04), and the cash portion of the Merger Consideration of \$10.50 per share, as adjusted by the Minimum Cash Conversion Number and the Maximum Cash Conversion Number.

CCIT Financial Analyses

Net Asset Value Analysis. Wells Fargo Securities performed a NAV analysis of CCIT as of June 30, 2014 based on CCIT's balance sheet as of that date pro forma for the purchase by CCIT of its remaining planned calendar year 2014 acquisition pipeline properties with available funds from CCIT's existing credit facility. Wells Fargo Securities calculated the estimated NAV of CCIT's income producing properties on an asset-by-asset basis by applying to the annualized 2014 estimated cash NOI of such properties a selected range of capitalization rates ranging from 6.1% to 5.7% depending on, among other factors, property type, remaining lease term and tenant credit quality. The NAV analysis also took into account, based on CCIT's public filings and other information and data provided by CCIT management, (i) the total estimated value of CCIT's cash, cash equivalents and other assets, and (ii) the total estimated amount of CCIT's liabilities, including mortgage debt, unsecured term loan, unsecured line of credit and other liabilities and debt marked-to-market. An implied per share equity value reference range for CCIT was then calculated based on CCIT's implied aggregate NAV derived from such analysis divided by the total number of shares of CCIT Common Stock outstanding as of August 30, 2014 as estimated by CCIT management. This analysis indicated the following approximate implied per share equity value reference range for CCIT, as compared to the implied per share Merger Consideration:

the potential pro forma financial impact of the Merger, based on internal forecasts and estimates of the managements of SIR and CCIT, on SIR's calendar year 2015 estimated FFO per share and AFFO per share after giving effect to the Healthcare Properties Sale and the proposed financing for the Merger, which indicated that the Merger could be dilutive to SIR's calendar year 2015 estimated FFO per share and AFFO per share. Hentschel & Company, LLC

Hentschel & Company was engaged by the independent directors of CCIT to act as their financial advisor in connection with their review of strategic alternatives for CCIT and consideration of potential strategic transactions and, if requested, to render a fairness opinion with respect to any proposed transaction. On August 30, 2014, at a meeting of the CCIT board of directors to consider the Merger, and at the request of the independent directors, Hentschel & Company rendered to the CCIT board of directors an oral opinion, which was confirmed by delivery of a written opinion dated August 30, 2014, to the effect that, as of the date of the opinion, and based upon and subject to the limitations and assumptions set forth therein, the aggregate Merger Consideration to be received by holders of CCIT Common Stock (other than any wholly owned subsidiary of CCIT, SIR or any subsidiary of SIR, whose shares of CCIT Common Stock, which are referred to as excluded shares, would be cancelled) in the Merger was fair, from a financial point of view, to such holders. For purposes of its opinion, Hentschel & Company defined aggregate Merger Consideration to mean the aggregate amount of Cash Consideration and Share Consideration to be received by the holders of CCIT Common Stock (other than the excluded shares) in the Merger, pursuant to the terms of the Merger Agreement and subject to the procedures and limitations therein, as to which procedures and limitations Hentschel & Company expressed no opinion.

Hentschel & Company also assumed, with the consent of the CCIT board of directors, that any governmental, regulatory or third party consents, approvals or agreements necessary for the completion of the Merger would be obtained without any imposition of a delay, limitation, restriction or condition that would, in any respect material to Hentschel & Company's analyses, have an adverse effect on CCIT or SIR or the contemplated benefits of the Merger. Summary of Hentschel & Company's Financial Analyses

The following is a summary of the material financial analyses presented by Hentschel & Company to the CCIT board of directors in connection with rendering its opinion described above. The following summary, however, does not purport to be a complete description of the financial analyses performed by Hentschel & Company, nor does the order of the analyses described represent the relative importance or weight given to those analyses by Hentschel & Company. Some of the summaries of the financial analyses include information presented in tabular format. In order to understand fully the financial analyses performed by Hentschel & Company, the tables must be read together with the full text of each summary and are not alone a complete description of Hentschel & Company's financial analyses. Considering the data set forth in the tables below without considering the narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Hentschel & Company's financial analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before August 30, 2014, and is not necessarily indicative of current market conditions.

For purposes of the financial analyses summarized below, the term implied consideration value refers to a range of \$10.23 to \$10.32 per share based on the Cash Consideration of \$10.50 per share, without interest, for those CCIT stockholders that elect to receive Cash Consideration, an exchange ratio of 0.3600 of a SIR Common Share for each share of CCIT Common Stock for those CCIT stockholders that elect to receive Share Consideration, a price per share of SIR Common Shares of \$27.90, the closing price of SIR Common Shares on August 29, 2014, and a mix of aggregate Merger Consideration ranging from 40% in cash and 60% in stock to 60% in cash and 40% in stock.

CCIT Valuation Analysis

Hentschel & Company analyzed the value of CCIT on a per share basis based on comparable company analyses, precedent transactions analyses, a NAV analysis and a leveraged discounted cash flow analysis.

Comparable Company Analysis

Hentschel & Company performed comparable company analyses in analyzing the value of CCIT in connection with the preparation and delivery of its opinion. Hentschel & Company reviewed and compared publicly available information for certain publicly traded companies in the net lease REIT industry, which, in the exercise of its professional judgment and based on its knowledge of the industry, Hentschel & Company determined to be relevant to its analysis and reasonably comparable to CCIT in one or more respects. Although none of the following companies is identical or directly comparable to CCIT, Hentschel & Company chose the following selected comparable companies for its analysis because such companies had publicly traded equity securities and were deemed to be relevant for such analysis because, among other things, such companies were in the net lease REIT industry, had assets comprised primarily of office and industrial assets and had enterprise values in excess of \$1.0 billion:

W.P. Carey Inc.

Lexington Realty Trust

Chambers Street Properties

Select Income REIT (pre-announcement)

Gramercy Property Trust Inc.

Hentschel & Company considered and excluded one public company that met the above criteria, STAG Industrial, Inc., STAG. Hentschel & Company believed that STAG was not sufficiently comparable to CCIT because STAG's business strategy of acquiring industrial assets with short-term

leases in lower quality markets was significantly different than CCIT's business strategy. Additionally, Hentschel & Company considered Monmouth Real Estate Investment Corporation, or Monmouth, as a possible comparable company even though Monmouth did not meet the above size criteria but excluded Monmouth because of its focus on industrial assets and its lack of any office assets in its portfolio.

For each of the selected comparable companies, Hentschel & Company calculated and compared certain financial information and various financial market multiples and ratios based on publicly available information obtained from filings made by the selected comparable companies, Wall Street Research and SNL Financial. For the purposes of its analyses, Hentschel & Company reviewed a number of financial metrics, including multiples of the closing trading prices as of August 29, 2014 to the estimated per-share FFO, which is referred to below as P/FFO, per-share AFFO, which is referred to below as P/AFFO, for the next twelve months ended June 30, 2015, which is referred to below as NTM, and the capitalization rates implied by the selected comparable companies' closing trading prices, referred to below as implied cap rates, on August 29, 2014, based on the estimated NTM same-store NOI.

Based on these analyses, Hentschel & Company observed ranges of P/FFO multiples, P/AFFO multiples and implied cap rates for the selected comparable companies as follows:

	Low	Median	Mean	Maximum
P/FFO (NTM)	10.0x	11.3x	12.9x	17.2x
P/AFFO (NTM)	11.4x	12.5x	13.2x	15.4x
Implied Cap Rate (NTM)	6.8%	7.4%	7.4%	8.6%

Hentschel & Company's comparison of the selected comparable companies to CCIT and its analysis of the results of such comparisons were not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected comparable companies and CCIT.

Hentschel & Company selected reference ranges of price as a multiple of estimated NTM FFO per share of 11.5x to 13.5x and price as a multiple of estimated NTM AFFO per share of 12.0x to 14.0x and applied these multiples to NTM FFO and NTM AFFO projections for CCIT contained in forecasts prepared by CCIT's management and provided to Hentschel & Company. Hentschel & Company also selected a reference range of implied cap rates of 7.00% to 6.50%, and applied these implied cap rates to CCIT's projected NTM same-store NOI, also contained in the forecasts prepared by CCIT's management.

This analysis resulted in the following implied per share equity value reference ranges for CCIT, as compared to the implied consideration value of \$10.23 - \$10.32 per share:

Valuation Approach	Selected Reference Range		Implied Per Share Equity Value Reference Range for CCIT		Implied Consideration Value	
P/FFO (NTM)	11.5x	13.5x	\$8.48	\$9.95	\$10.23	\$10.32
P/AFFO (NTM)	12.0x	14.0x	\$7.80	\$9.11	\$10.23	\$10.32
Implied Cap Rate (NTM)	7.00%	6.50%	\$7.92	\$8.89	\$10.23	\$10.32

Precedent Transactions Analysis

Hentschel & Company performed analyses of precedent transactions in analyzing the value of CCIT in connection with the preparation and delivery of its opinion. Hentschel & Company reviewed and compared publicly available information regarding the following selected transactions involving target companies in the net lease REIT industry, that had assets comprised primarily of office and

industrial assets, that had enterprise values in excess of \$500.0 million, and that were acquired by publicly traded companies after 2010, following the financial crisis:

Date of Announcement	Acquirer	Target
8/28/14	Brookfield Property Partners	Capital Automotive
10/23/13	American Realty Capital Properties, Inc.	Cole Real Estate Investments, Inc.
7/25/13	W.P. Carey, Inc.	Corporate Property Associates 16, Inc.
7/2/13	American Realty Capital Properties, Inc.	American Realty Capital Trust IV, Inc.
5/28/13	American Realty Capital Properties, Inc.	CapLease, Inc.
1/22/13	Cole Credit Property Trust II, Inc.	Spirit Realty Capital, Inc.
12/17/12	American Realty Capital Properties, Inc.	American Realty Capital Trust III, Inc.
9/6/12	Realty Income Corporation	American Realty Capital Trust, Inc.
2/21/12	W.P. Carey, Inc.	Corporate Property Associates 15, Inc.

Hentschel & Company did not exclude any transactions that met the above criteria.

For each of the selected transactions, except Brookfield Property Partners' acquisition of Capital Automotive, for which transaction metrics were not available at the time of Hentschel & Company's opinion, Hentschel & Company reviewed transaction values, based on the consideration payable in the selected transactions, as a multiple of the target company's forward annual FFO per share and forward annual AFFO per share, based on management projections contained in the SEC filings made in connection with the selected transactions and a Wall Street Research report, when management projections were not disclosed for a particular transaction. Based on these analyses, Hentschel & Company observed forward P/FFO multiples and forward P/AFFO multiples in the selected transactions as follows:

	Low	Median	Mean	Maximum
P/FFO	12.9x	14.8x	14.8x	17.0x
P/AFFO	13.1x	14.6x	14.6x	15.8x

Hentschel & Company's comparison of the target selected transactions to CCIT and its analysis of the results of such comparisons were not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the target companies in the selected transactions and CCIT.

Hentschel & Company selected reference ranges of price as a multiple of forward FFO per share of 13.0x to 15.5x and price as a multiple of forward AFFO per share of 13.5x to 15.5x and applied these multiples to CCIT's projected NTM FFO and AFFO contained in forecasts prepared by CCIT's management.

This analysis resulted in the following implied per share equity value reference ranges for CCIT, as compared to the implied consideration value of \$10.23 - \$10.32 per share:

Valuation Approach	Selected Reference Range		Implied Per Share Equity Value Reference Range for CCIT		Implied Consideration Value	
P/FFO	13.0x	15.5x	\$9.58	\$11.43	\$10.23	\$10.32
P/AFFO	13.5x	15.5x	\$8.78	\$10.08	\$10.23	\$10.32

Net Asset Value Analysis

Hentschel & Company performed a NAV analysis in analyzing the value of CCIT in connection with the preparation and delivery of its opinion. Hentschel & Company obtained capitalization rate estimates from Wall Street Research reports, SEC filings and other publicly available sources for the selected comparable companies in the net lease REIT industry described above.

For each of the selected comparable companies, Hentschel & Company calculated the arithmetic mean NAV capitalization rate, which is referred to as the NAV cap rate, based on information obtained from the Wall Street Research reports, SEC filings and other publicly available information sources. Based on these analyses, Hentschel & Company observed mean NAV cap rates ranging from 6.9% to 8.1%, with a median of 7.1%:

Hentschel & Company's comparison of the selected comparable companies and their mean NAV cap rates with CCIT and its analysis of the results of such comparisons were not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected comparable companies and CCIT.

Hentschel & Company selected a reference range of NAV cap rates of 6.75% to 6.25%, and applied these NAV cap rates to CCIT's projected NTM same-store NOI contained in the forecasts prepared by CCIT's management to obtain estimates of the value of CCIT's real estate. Hentschel & Company then adjusted such estimated values for assets and liabilities, and divided by the number of outstanding shares of CCIT Common Stock. This analysis resulted in the following implied per share equity value reference range for CCIT, as compared to the implied consideration value of \$10.23 - \$10.32 per share:

Implied Per Share Equity Value Reference Range for CCIT		Implied Consideration Value	
\$8.38	\$9.43	\$10.23	\$10.32

Discounted Cash Flow Analysis

Hentschel & Company performed a levered discounted cash flow or DCF analysis (also known as a dividend discount analysis) in analyzing the value of CCIT in connection with the preparation and delivery of its opinion. A levered DCF analysis estimates the present value of a company's per share equity value as the sum of the discounted present value of a company's estimated future dividends and other distributions paid per share over a period of several years and the net present value of an estimate of the company's equity value at the end of the period, also known as terminal value.

Hentschel & Company's leveraged DCF analysis was based upon the forecasts prepared by CCIT's management and provided to Hentschel & Company covering the period from June 30, 2014 through December 31, 2018. In its levered DCF analysis, Hentschel & Company discounted to present value CCIT's projected cash distributions per share for such period and estimated the terminal values for CCIT's equity as of December 31, 2017. The projected cash distributions per share prepared by CCIT's management were based upon CCIT management's projections of aggregate funds available for distribution and, for purposes of projecting cash distributions per share, CCIT management's projections assumed that CCIT's stockholders reinvested 50% of CCIT's dividends in CCIT through its dividend reinvestment plan and that CCIT redeemed 0.5% of its outstanding shares each year. Hentschel & Company derived terminal per-share values for CCIT's real estate by dividing CCIT's projected per-share cash NOI from CCIT's real estate for the twelve months ended December 31, 2018 projected by CCIT's management by a range of selected capitalization rates, or cap rates. Hentschel & Company then adjusted the resulting estimated terminal per-share real estate values by adding non-real estate assets and subtracting debt and other liabilities to obtain estimated terminal per-share values for

CCIT's equity. Hentschel & Company then discounted such estimated terminal per-share equity values to present value and added the resulting present values to the estimated present per-share values of CCIT's projected cash distributions for the period from June 30, 2014 through December 31, 2017 to obtain estimates of CCIT's per-share equity value.

For purposes of its analysis, Hentschel & Company selected a reference range of discount rates, reflecting estimates of CCIT's cost of equity, between 8.75% and 9.75%, and a reference range of terminal cap rates between 7.25% and 6.75%. In estimating CCIT's cost of equity, Hentschel & Company applied the Capital Asset Pricing Model, or CAPM, and in so doing considered current market data, historical rates of return for the selected comparable companies, risks inherent in the industry, risks common to companies with comparable market capitalization and capital structures common to the selected comparable companies. In particular, Hentschel & Company utilized a three-year unlevered asset beta of 0.62, a target debt to equity ratio of 67%, a risk-free interest rate of 2.35% and an equity risk premium of 6.7%. In selecting cap rates to apply to CCIT's 2018 NOI, Hentschel & Company considered, among other things, the NAV cap rates of the selected comparable companies which Hentschel & Company, in its judgment, adjusted for CCIT's projected operating and financial characteristics as of December 31, 2017 as projected by CCIT's management, including estimated weighted average remaining lease term and other portfolio metrics.

Based on the methodologies, discount rate and cap rate assumptions set forth above, the levered DCF analysis resulted in the following implied per share equity value reference range for CCIT, as compared to the implied consideration value of \$10.23 \$10.32 per share:

Implied per Share Equity Value Reference Range for CCIT		Implied Consideration Value	
\$8.29	\$9.31	\$10.23	\$10.32

SIR Valuation Analysis

Hentschel & Company analyzed the value of SIR on a per share basis based on comparable company analyses, a leveraged DCF analysis, a NAV analysis and an analysis of the trading range of SIR's publicly traded common stock, all as compared to the closing price of SIR Common Shares on August 29, 2014, the date prior to date of Hentschel & Company's opinion, of \$27.90 per share.

Comparable Company Analysis

Hentschel & Company performed comparable company analyses in analyzing the value of SIR in connection with the preparation and delivery of its opinion. Hentschel & Company reviewed and compared publicly available information for certain publicly traded companies in the net lease REIT industry (other than SIR), which, in the exercise of its professional judgment and based on its knowledge of the industry, Hentschel & Company determined to be relevant to its analysis and reasonably comparable to SIR in one or more respects. Although none of the following companies is identical or directly comparable to SIR, Hentschel & Company chose the following selected comparable companies for its analysis because such companies had publicly traded equity securities and were deemed to be relevant for such analysis because, among other things, such companies were in the net lease REIT industry, had assets comprised primarily of office and industrial assets and had enterprise values in excess of \$1.0 billion:

W.P. Carey Inc.

Lexington Realty Trust

Chambers Street Properties

Gramercy Property Trust Inc.

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

Hentschel & Company considered and excluded one public company that met the above criteria, STAG. Hentschel & Company believed that STAG was not sufficiently comparable to SIR because STAG's business strategy of acquiring industrial assets with short-term leases in lower quality markets was significantly different than SIR's business strategy. Additionally, Hentschel & Company considered Monmouth as a possible comparable company even though Monmouth did not meet the above size criteria but excluded Monmouth because of its focus on industrial assets and its lack of any office assets in its portfolio.

For each of the selected comparable companies, Hentschel & Company calculated and compared certain financial information and various financial market multiples and ratios based on publicly available information obtained from filings made by the selected comparable companies, Wall Street Research reports and SNL Financial. For the purposes of its analyses, Hentschel & Company reviewed a number of financial metrics regarding the selected comparable companies, including NTM P/FFO and P/AFFO multiples and implied cap rates, each as of August 29, 2014.

Based on these analyses, Hentschel & Company observed ranges for P/FFO multiples, P/AFFO multiples and implied cap rates of the selected comparable companies as follows:

	Low	Median	Mean	Maximum
P/FFO (NTM)	10.0x	13.5x	13.6x	17.2x
P/AFFO (NTM)	12.2x	13.5x	13.7x	15.4x
Implied Cap Rate (NTM)	6.8%	7.1%	7.2%	7.6%

Hentschel & Company's comparison of selected comparable companies to SIR and its analysis of the results of such comparisons were not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected comparable companies and SIR.

Hentschel & Company selected reference ranges of price as a multiple of estimated NTM FFO per share of 10.0x to 12.0x and price as a multiple of estimated NTM AFFO per share of 10.5x to 12.5x and applied these multiples to SIR's projected FFO and AFFO projections for the twelve months ended June 30, 2015 contained in forecasts prepared by SIR's management. Hentschel & Company also selected a reference range of implied cap rates of 8.00% to 7.50%, and applied these implied cap rates to SIR's projected NTM NOI.

This analysis resulted in the following implied per share equity value reference ranges for SIR, as compared to the closing trading price of SIR Common Shares on August 29, 2014 of \$27.90 per share:

Valuation Approach	Selected Reference Range		Implied Per Share Equity Value Reference Range for SIR		SIR Per-Share Price
P/FFO (NTM)	10.0x	12.0x	\$27.68	\$33.21	\$27.90
P/AFFO (NTM)	10.5x	12.5x	\$25.91	\$30.85	\$27.90
Implied cap rate (NTM)	8.00%	7.50%	\$29.47	\$31.88	\$27.90

Discounted Cash Flow Analysis

Hentschel & Company performed a levered DCF analysis in analyzing the value of SIR in connection with the preparation and delivery of its opinion. Hentschel & Company's leveraged DCF analysis was based upon the forecasts prepared by SIR's management for the period from June 30, 2014 through December 31, 2018. In its levered DCF analysis, Hentschel & Company discounted to present value SIR's projected cash distributions per share during that period and estimated the terminal values for SIR's equity as of December 31, 2017. The projected cash distributions per share prepared by SIR's management were based upon SIR management's projections of aggregate funds available for distribution and, for purposes of projecting cash distributions per share, SIR management's projections

assumed that SIR sold and issued \$125.0 million of new shares in each of 2015-2018 at a price based upon an NTM FFO multiple of 11.0x and an issuance cost of 4.25%. Hentschel derived terminal per-share values for SIR's real estate by dividing SIR's projected per-share cash NOI from SIR's real estate for the twelve months ended December 31, 2018 projected by SIR's management by a range of selected capitalization rates, or cap rates. Hentschel & Company then adjusted the resulting estimated terminal per-share real estate values by adding non-real estate assets and subtracting debt and other liabilities to obtain estimated terminal per-share values for SIR's equity. Hentschel & Company then discounted such estimated terminal per-share equity values to present value and added the resulting present values to the estimated present per-share values of SIR's projected cash distributions for the period from June 30, 2014 through December 31, 2017 to obtain estimates of SIR's per-share equity value.

For purposes of its analysis, Hentschel & Company selected a reference range of discount rates, reflecting estimates of SIR's cost of equity, between 8.75% and 9.75%, and a reference range of terminal cap rates between 7.25% and 6.75%. In estimating SIR's cost of equity, Hentschel & Company applied CAPM and in so doing considered current market data, historical rates of return for the selected comparable companies, risks inherent in the industry, risks common to companies with comparable market capitalization and capital structures common to the selected comparable companies. In particular, Hentschel & Company utilized a three-year unlevered asset beta of 0.62, a target debt to equity ratio of 67%, a risk-free interest rate of 2.35% and an equity risk premium of 6.7%. In selecting cap rates to apply to SIR's 2018 NOI, Hentschel & Company considered, among other things, the NAV cap rates of the selected SIR comparable companies which Hentschel & Company, in its judgment, adjusted for SIR's projected operating and financial characteristics as of December 31, 2017 as projected by SIR's management, including estimated weighted average remaining lease term and other portfolio metrics.

Based on the methodologies and discount rate and cap rate assumptions set forth above, the levered discounted cash flow analysis resulted in the following implied per share equity value reference range for SIR, as compared to the closing trading price of SIR Common Shares on August 29, 2014 of \$27.90 per share:

Implied per Share Equity Value Reference Range for SIR		SIR Per-Share Price
\$29.60	\$33.01	\$27.90

Net Asset Value Analysis

Hentschel & Company reviewed and analyzed Wall Street Research analyst estimates of SIR's NAV. In performing its analysis of the Wall Street Research analyst estimates, Hentschel & Company reviewed Wall Street Research analyst estimates of SIR's NAV, which, in certain cases, included an adjustment for SIR's external management, that were in a range of \$28.28 per share to \$33.18 per share, as compared to the closing price of SIR Common Shares on August 29, 2014 of \$27.90 per share.

SIR Public Share Price Analysis

Hentschel & Company performed an analysis of the public trading range of SIR Common Shares for the fifty-two weeks prior to the date of its opinion. Hentschel & Company observed that in the fifty-two weeks prior to the date of its opinion, SIR Common Shares traded at a low of \$23.79 per share and a high of \$31.47 per share, as compared to the closing price of SIR Common Shares on August 28, 2014 of \$27.90 per share.

General

In connection with the review of the Merger by the CCIT board of directors, Hentschel & Company performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. In arriving at its opinion, Hentschel & Company considered the results of all of its analyses as a whole and did not attribute any particular weight to any factor or analysis considered by it. Hentschel & Company believes that selecting portions of its analyses or of the summary set forth above, without considering the analyses as a whole, would create an incomplete view of the processes underlying Hentschel & Company's analysis and opinion. In addition, Hentschel & Company may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Hentschel & Company's view of the actual value of CCIT or SIR. In performing its analyses, Hentschel & Company made numerous assumptions with respect to industry performance, general business, regulatory, economic, market and financial conditions and other matters. Many of these assumptions are beyond the control of CCIT and SIR. Any estimates contained in Hentschel & Company's analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates. No company used in the above analyses as a comparison is directly comparable to CCIT or SIR, and no transaction used in the above analyses as a comparison is directly comparable to the Merger.

Hentschel & Company prepared the financial analyses described above solely for purposes of providing its opinion to the CCIT board of directors that, as of August 30, 2014 and based upon and subject to the limitations and assumptions set forth therein, the aggregate Merger Consideration to be received by holders of CCIT Common Stock (other than excluded shares) in the Merger was fair, from a financial point of view, to such holders. These analyses do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. Hentschel & Company's analyses were based in part upon financial forecasts prepared by CCIT's management and SIR's management, which were and are not necessarily indicative of actual future results, and which may be significantly more or less favorable than suggested by Hentschel & Company's analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties to the Merger Agreement or their respective advisors, none of CCIT, SIR, Hentschel & Company or any other person assumes responsibility if future results are materially different from those forecasted by CCIT's management or SIR's management.

Hentschel & Company was not asked to, and did not, recommend the Merger Consideration provided for in the Merger, which Merger Consideration was determined through negotiations between CCIT and SIR and was approved by the CCIT board of directors.

Hentschel & Company's opinion and its presentation to the CCIT board of directors were one of many factors taken into consideration by the CCIT board of directors in its evaluation of the proposed Merger. Consequently, the analyses as described above should not be viewed as determinative of the opinion of the CCIT board of directors with respect to the Merger Consideration or whether the CCIT board of directors would have been willing to recommend other Merger Consideration.

Hentschel & Company acted as financial advisor to the independent directors in connection with the Merger and received aggregate fees of \$1.2 million in connection with the Merger, of which \$0.7 million was payable at the time of Hentschel & Company's engagement and \$0.5 million of which was payable upon the rendering of its opinion. None of the fees payable to Hentschel & Company were or are contingent upon the completion of the Merger. In addition, CCIT agreed to reimburse certain of Hentschel & Company's expenses and to indemnify Hentschel & Company for liabilities

relating to or arising out of its engagement. Hentschel & Company did not act as a financial advisor to any party with regard to the Merger other than the independent directors of CCIT.

Other than as related to the Merger, Hentschel & Company had no other recent financial advisory or other commercial or investment banking relationships of a material nature with CCIT, CCI Advisors, SIR or RMR. Hentschel & Company and its affiliates may in the future provide financial advice and services to affiliates of SIR for which Hentschel & Company and its affiliates would expect to receive compensation.

Certain Prospective Financial Information of CCIT

CCIT does not as a matter of course make public long term projections as to future revenues, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, CCIT is including certain unaudited prospective financial information that was made available to the CCIT board of directors and SIR in connection with the evaluation of the Merger. This information was also provided to CCIT's and SIR's respective financial advisors. The inclusion of this information should not be regarded as an indication that any of CCIT, SIR, their respective financial advisors or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results.

The unaudited prospective financial information was, in general, prepared solely for internal use and is subjective in many respects. As a result, the prospective results may not be realized and the actual results may be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, that information by its nature becomes less predictive with each successive year. You should review the risks and uncertainties described under the headings "Risk Factors" beginning on page 47, and "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61, of this joint proxy statement/prospectus, as well as the risks described in the periodic reports filed by CCIT with the SEC. The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. In addition, the unaudited prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in CCIT's historical GAAP financial statements. Neither CCIT's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on the information or its achievability. The report of CCIT's independent registered public accounting firm contained in this joint proxy statement/prospectus relates to CCIT's historical financial information. It does not extend to the unaudited prospective financial information and should not be read to do so. Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared.

The following table presents selected unaudited prospective financial data for the fiscal years ending 2015 through 2018 for CCIT on a standalone basis.

	2015E	2016E	2017E	2018E
	(\$ in millions)			
Net Operating Income	\$ 217.2	\$ 223.5	\$ 228.7	\$ 232.4
Funds From Operations	\$ 152.6	\$ 154.9	\$ 156.0	\$ 157.6
Adjusted Funds From Operations	\$ 137.1	\$ 143.2	\$ 147.9	\$ 154.2

For purposes of the unaudited prospective financial information presented herein, NOI is calculated as rental revenues, less property expenses. FFO is a non-GAAP financial performance

measure defined by NAREIT and is calculated as net income available to common stockholders, plus (i) depreciation and amortization of real estate assets, (ii) impairments of depreciable real estate assets and (iii) impairments of in substance real estate investments in investees that are driven by measureable decreases in the fair value of the depreciable real estate held by the unconsolidated joint ventures. FFO also excludes gains or losses on sales depreciable real estate and extraordinary items. AFFO is calculated as FFO plus amortization of loan cost, minus (i) non-cash revenue, (ii) tenant improvement costs and (iii) leasing commissions.

SIR and CCIT calculate certain non-GAAP financial metrics including NOI, FFO and AFFO using different methodologies. Consequently, the financial metrics presented in each company's prospective financial information disclosures may not be directly comparable to one another. Additionally, CCIT has historically reported modified FFO, or MFFO, as a non-GAAP supplemental financial performance measure. MFFO differs from AFFO and is defined by CCIT as FFO, excluding merger and acquisition related costs.

In preparing the foregoing unaudited projected financial information, CCIT made a number of assumptions regarding, among other things, interest rates, corporate financing activities, annual distribution levels, occupancy and customer retention levels, changes in rent, the amount, timing and cost of existing and planned development properties, lease up rates of existing and planned developments, the amount and timing of asset sales and asset acquisitions, including the return on those acquisitions, the amount of income taxes paid, and the amount of general and administrative costs.

The assumptions made in preparing the above unaudited prospective financial information may not accurately reflect future conditions. The estimates and assumptions underlying the unaudited prospective financial information involve judgments with respect to, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions which may not be realized and that are inherently subject to significant business, economic, competitive and regulatory uncertainties and contingencies, including, among others, risks and uncertainties described under the headings "Risk Factors" beginning on page 47, and "Cautionary Statement Concerning Forward Looking Statements" beginning on page 61, of this joint proxy statement/prospectus, as well as the risks described in the periodic reports filed by CCIT with the SEC, all of which are difficult to predict and many of which are beyond the control of CCIT and/or SIR and will be beyond the control of the surviving company. Accordingly, projected results may not be realized, and actual results likely will differ, and may differ materially, from those reflected in the unaudited prospective financial information, whether or not the Merger is completed.

In addition, although presented with numerical specificity, the above unaudited prospective financial information reflects numerous assumptions and estimates as to future events made by CCIT's advisor that the advisor believes were reasonably prepared. The above unaudited prospective financial information does not give effect to the Merger. CCIT stockholders and SIR shareholders are urged to review the description of CCIT's reported and anticipated results of operations and financial condition and capital resources during 2014, including in "Management's Discussion and Analysis of Financial Condition and Results of Operations" and in CCIT's historical consolidated financial statements and the notes thereto, each appearing in Appendix I to this joint proxy statement/prospectus.

You should not place undue reliance on the unaudited prospective financial information set forth above. No representation is made by CCIT, SIR or any other person to any CCIT stockholder or any SIR shareholder regarding the ultimate performance of CCIT compared to the information included in the above unaudited prospective financial information. The inclusion of unaudited prospective financial information in this joint proxy statement/prospectus should not be regarded as an indication that the prospective financial information will be necessarily predictive of actual future events, and such information should not be relied on as such.

CCIT DOES NOT INTEND TO UPDATE OR OTHERWISE REVISE THE ABOVE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION TO REFLECT CIRCUMSTANCES EXISTING AFTER THE DATE WHEN MADE OR TO REFLECT THE OCCURRENCE OF FUTURE EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING THE PROSPECTIVE FINANCIAL INFORMATION ARE NO LONGER APPROPRIATE, EXCEPT AS MAY BE REQUIRED BY LAW.

Interests of SIR's Trustees, Executive Officers and Manager in the Merger and Related Transactions

SIR shareholders should be aware that certain of SIR's trustees and executive officers and SIR's manager, RMR, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of SIR shareholders generally, which may create potential conflicts of interest or the appearance thereof. The SIR board of trustees was aware of and considered these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions, and in recommending that SIR shareholders vote for the proposal to approve the SIR Share Issuance. These interests include those discussed below.

Concurrently with the execution and delivery of the Merger Agreement, (i) SIR Merger Sub and SNH entered into the Healthcare Properties Purchase and Sale Agreement for the sale by SIR Merger Sub to SNH of the CCIT subsidiaries owning the Healthcare Properties for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million) immediately upon closing of the Merger and (ii) CCIT and ARCP entered into the Voting Agreements with GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned 22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014. Pursuant to the Voting Agreements GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance and ARCP agreed to certain standstill provisions in which it agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months.

RMR is the business and property manager of SIR, SNH and GOV and the personnel and various services that SIR, SNH and GOV require to operate their respective businesses are provided to them by RMR. Messrs. Barry M. Portnoy and Adam D. Portnoy are managing trustees of each of SIR, SNH and GOV and are also directors and/or officers of RMR and the beneficial owners of RMR. Mr. Jeffrey P. Somers is a trustee of SIR and a trustee of each of SNH and GOV. All of the executive officers of SIR, SNH and GOV are also employees of RMR, including Mr. David M. Blackman, SIR's President and Chief Operating Officer, who is also President and Chief Operating Officer of GOV. These individuals may hold equity in or positions with SIR, SNH, GOV and other companies to which RMR provides management services, in addition to the collective beneficial ownership by GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, of approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014.

SIR has two management agreements with RMR for the provision of management and administrative services to SIR: (i) a business management agreement, which relates to SIR's business generally, and (ii) a property management agreement, which relates to SIR's property level operations. The annual amount of the base business management fee to be paid to RMR by SIR under its business management agreement with RMR for each applicable period is equal to the lesser of:

the sum of (a) 0.5% of the average historical cost of the SIR's real estate assets acquired from a REIT to which RMR provided business management or property management services, or the Transferred Assets, immediately prior to the contribution, sale or other transfer of such property to SIR, plus (b) 0.7% of the average historical cost of SIR's real estate investments excluding the

Table of Contents

Transferred Assets up to \$250.0 million, plus (c) 0.5% of the average historical cost of SIR's real estate investments excluding the Transferred Assets exceeding \$250.0 million; and

the sum of (a) 0.7% of the average closing price per SIR Common Share on the NYSE, during such period, multiplied by the average number of SIR Common Shares issued and outstanding during such period, plus the daily weighted average of the aggregate liquidation preference of each class of SIR's preferred shares issued and outstanding during such period, plus the daily weighted average of the aggregate principal amount of SIR's consolidated indebtedness during such period, or, together, the Average Market Capitalization, up to \$250.0 million, plus (b) 0.5% of the Average Market Capitalization exceeding \$250.0 million.

The completion of the Merger by SIR will increase (i) the aggregate historical cost of SIR's real estate investments because of the addition of new properties, (ii) the number of SIR Common Shares issued and outstanding and (iii) the amount of SIR's consolidated indebtedness. Therefore, the completion of the Merger is expected to increase the base business management fee to be paid to RMR by SIR under its business management agreement.

Additionally, SIR's property management agreement with RMR provides for property management fees equal to 3.0% of gross collected rents and construction supervision fees equal to 5.0% of construction costs. Following the completion of the Merger, the fees paid to RMR by SIR under its property management agreement will increase to reflect RMR's management of a larger portfolio of properties that includes properties acquired in the Merger and the rents collected and construction costs related to those properties.

RMR also receives a base business management fee and property management fees similar to those described above under its management agreements with SNH. The completion of the Healthcare Properties Sale may similarly increase the base business management fees and property management fees to be paid by SNH to RMR.

The Merger Agreement and Healthcare Properties Purchase and Sale Agreement were approved by the disinterested trustees of SIR. While SIR is not a party to the Voting Agreements, the Voting Agreements were approved by the disinterested trustees of SIR in connection with the ownership restrictions under SIR's declaration of trust and exclusion from the "interested stockholder provisions" of the Maryland Business Combination Act. For more information about the Healthcare Properties Sale, the conditions to the completion of the Healthcare Properties Sale and SIR's rights and obligations under that agreement, see "Related Agreements Healthcare Properties Purchase and Sale Agreement" beginning on page 209 of this joint proxy statement/prospectus. For more information about the Voting Agreements, see "Related Agreements Voting Agreements" on page 210 of this joint proxy statement/prospectus.

Interests of CCIT's Directors, Executive Officers and Advisor in the Merger and Related Transactions

CCIT stockholders should be aware that certain of CCIT's directors and executive officers and CCIT's advisor, CCI Advisors, an indirect wholly owned subsidiary of ARCP, have interests in the Merger and the other transactions related to the Merger that are different from, or in addition to, the interests of CCIT stockholders generally, which may create potential conflicts of interest or the appearance thereof. The CCIT board of directors was aware of and considered these interests, among other matters, in approving the Merger Agreement, the Merger and the related transactions and in recommending that CCIT stockholders vote for the approval of the Merger and the other transactions contemplated by the Merger Agreement. These interests include those discussed below.

Table of Contents

Affiliations with CCI Advisors and Affiliates

ARCP indirectly owns and/or controls CCIT's advisor, CCI Advisors, CCIT's property manager, CREI Advisors, and CCIT's sponsor, Cole Capital®. Pursuant to the CCIT Advisory Agreement, CCIT pays CCI Advisors certain advisory, acquisition and disposition fees for services rendered and reimburses CCI Advisors for certain expenses incurred. Mr. Nicholas S. Schorsch, the Chairman, Chief Executive Officer and President of CCIT, and Mr. Simon J. Misselbrook, the Chief Financial Officer and Treasurer of CCIT, are employees of ARCP and Mr. Schorsch has served as an executive officer of CCI Advisors and/or its affiliates. Such persons are compensated by ARCP, in part, for their services to CCIT but do not and did not receive any compensation directly from CCIT.

Concurrently with the execution and delivery of the Merger Agreement, CCIT entered into the Termination and Transition Agreement with the Cole Advisors. Among other things, the Termination and Transition Agreement provides for the termination of the CCIT Advisory Agreement at the Effective Time; however, on or after the Effective Time, CCIT or SIR Merger Sub will pay CCI Advisors the subordinated performance fee and the disposition fee set forth under the terms of the CCIT Advisory Agreement for periods through and including the Effective Time, not to exceed \$14.35 million in the aggregate. For additional information on these fees and expense reimbursements provided under the Termination and Transition Agreement, see "Related Agreements Termination and Transition Agreement" beginning on page 210 of this joint proxy statement/prospectus.

Indemnification and Insurance

Under the terms of the Merger Agreement, for a period of six years after the Effective Time, subject to certain limitations, the surviving entity has agreed to indemnify each executive officer and director of CCIT for costs or expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and paid settlement amounts in connection with any claim, proceeding or investigation pertaining to (i) alleged actions or omissions, in such person's capacity as an executive officer or director of CCIT or (ii) the Merger Agreement and any of the transactions contemplated thereby, and will pay in advance of the final disposition of any such claim, proceeding or investigation, the expenses (including attorneys' fees) of any such person. In addition, pursuant to the terms of the Merger Agreement, prior to the Effective Time, CCIT has agreed to obtain and pay the premium for a non-cancelable extension of the coverage afforded by CCIT's existing D&O Insurance for any claims reporting or discovery period of at least six years from and after the Effective Time with respect to any claim related to any period prior to the Effective Time from one or more insurance carriers with the same or better credit rating as CCIT's current insurance carrier with respect to D&O Insurance with terms, conditions and retentions that are no less favorable in the aggregate than the coverage provided under CCIT's existing policies and with liability limits that are no lower than the limits on CCIT's existing policies so long as the premium in the aggregate does not exceed 250% of the annual aggregate premium(s) under CCIT's existing policies. These arrangements are described in detail in the "The Merger Agreement Covenants and Agreements Indemnification of Directors and Officers; Insurance" beginning on page 202 of this joint proxy statement/prospectus.

CCIT maintains indemnification agreements with each of its directors, Messrs. Nicholas S. Schorsch, Marcus E. Bromley and Randy J. Pace, each dated August 27, 2014, and each of its executive officers, Mr. Simon J. Misselbrook, CCIT's Chief Financial Officer and Treasurer and Mr. Gavin B. Brandon, CCIT's Senior Vice President of Accounting, each dated November 24, 2014. The indemnification agreements require CCIT to indemnify such persons to the maximum extent permitted by Maryland law against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee or on his behalf in connection with a proceeding, subject to certain exceptions specified in the agreements. In addition, the indemnification agreements require CCIT to advance reasonable expenses incurred by or on behalf of the indemnitee within ten days of the receipt by CCIT of a statement from the indemnitee requesting the advance. The

indemnification agreement also requires that certain procedures be followed in order to determine whether the indemnified party is entitled to indemnification, including requiring that following a change of control of CCIT such determination must be made by independent counsel.

Security Ownership of CCIT's Directors and Executive Officers and Current Beneficial Owners

The following table sets forth information as of December 10, 2014 regarding the beneficial ownership of CCIT's common stock by each person known by CCIT to be the beneficial owner of more than 5% of the issued and outstanding shares of CCIT Common Stock, each of CCIT's directors and executive officers, and all of CCIT's directors and executive officers as a group. The percentage of beneficial ownership is calculated based on approximately 197,605,729 shares of CCIT Common Stock issued and outstanding as of December 10, 2014. None of the shares in the following table has been pledged as security.

Regulatory Approvals Required for the Merger

Neither SIR nor CCIT is aware of any regulatory approvals that are expected to prevent the completion of the Merger.

Table of Contents

Accounting Treatment of the Merger

In accordance with GAAP, SIR will account for the Merger as a business combination with SIR treated as the acquirer of CCIT for accounting purposes. Under business combination accounting rules, the assets acquired and liabilities assumed will be recorded as of the acquisition date, at their respective fair value, and added to those of SIR. Any excess of purchase price over the fair values will be recorded as goodwill. Consolidated financial statements of SIR issued after the Merger would include CCIT assets acquired and retained by SIR in the Merger from the date the Merger is completed, but not for periods prior to the completion of the Merger.

Listing of SIR Common Shares

SIR will use its reasonable best efforts to cause the SIR Common Shares to be issued as Share Consideration in the Merger to be approved for listing on the NYSE prior to the Effective Time, subject to official notice of issuance. Approval of the listing on the NYSE of the SIR Common Shares to be issued pursuant to the SIR Share Issuance, subject to official notice of issuance, is a condition precedent to each party's obligation to complete the Merger.

Deregistration of CCIT Common Stock

If the Merger is completed, CCIT Common Stock will cease to exist and will be deregistered under the Exchange Act, and CCIT will no longer file periodic reports with the SEC.

Restrictions on Sales of SIR Common Shares Received in the Merger

SIR Common Shares issued pursuant to the SIR Share Issuance will not be subject to any restrictions on transfer arising under the Securities Act, except for SIR Common Shares issued to any CCIT stockholder who may be deemed to be an "affiliate" of SIR after the completion of the Merger. This joint proxy statement/prospectus does not cover resales of SIR Common Shares received by any person upon the completion of the Merger, and no person is authorized to make any use of this joint proxy statement/prospectus in connection with any resale.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of the material United States federal income tax consequences of the Merger to holders of CCIT Common Stock and the material United States federal income tax considerations associated with the ownership and disposition of SIR Common Shares, including the qualification and taxation of SIR as a REIT under the Code. The sections of the Code that govern the federal income tax qualification and treatment of a REIT and its shareholders are complex. This presentation is a summary of applicable Code provisions, related rules and regulations and administrative and judicial interpretations, all of which are subject to change, possibly with retroactive effect. Future legislative, judicial or administrative actions or decisions could also affect the accuracy of statements made in this summary. No ruling has been received from the IRS with respect to any matter described in this summary, and there can be no assurance that the IRS or a court will agree with all of the statements made in this summary. The IRS or a court could, for example, take a different position from that described in this summary with respect to the Merger or SIR's acquisitions, operations, restructurings or other matters, which, if successful, could result in significant tax liabilities for applicable parties. In addition, this summary is not exhaustive of all possible tax considerations, and does not discuss any estate, gift, state, local or foreign tax considerations. For all these reasons, holders of CCIT Common Stock are urged to consult with their own tax advisors about the federal income tax and other tax consequences of the Merger and of the ownership and disposition of SIR Common Shares.

The summary does not describe all of the particular tax considerations that might be relevant to holders of CCIT Common Stock or SIR Common Shares that are subject to special treatment under United States federal income tax law, including, for example:

a bank, insurance company or other financial institution;

a regulated investment company or REIT;

a subchapter S corporation;

a broker, dealer or trader in securities or foreign currency;

a person who marks-to-market CCIT Common Stock or SIR Common Shares;

a person who has a functional currency other than the United States dollar;

a person who acquires CCIT Common Stock or SIR Common Shares in connection with employment or other performance of services;

a person subject to alternative minimum tax;

a person who acquires or owns CCIT Common Stock or SIR Common Shares as part of a straddle, hedging transaction, constructive sale transaction, constructive ownership transaction or conversion transaction;

a United States expatriate; or

except as specifically described in the following summary, a trust, estate, tax-exempt entity or foreign person.

For purposes of this summary, a "U.S. shareholder" is a beneficial owner of CCIT Common Stock or SIR Common Shares, as applicable, who is:

Edgar Filing: Select Income REIT - Form S-4/A

a citizen or resident of the United States, including an alien individual who is a lawful permanent resident of the United States or meets the substantial presence residency test under the federal income tax laws;

Table of Contents

an entity treated as a corporation for federal income tax purposes that is created or organized in or under the laws of the United States, any state thereof or the District of Columbia;

an estate the income of which is subject to federal income taxation regardless of its source; or

a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust, or, to the extent provided in Treasury regulations, a trust in existence on August 20, 1996 that has elected to be treated as a domestic trust;

whose status as a U.S. shareholder is not overridden by an applicable tax treaty. Conversely, a "non-U.S. shareholder" is a beneficial owner of shares who is not a U.S. shareholder. If any entity treated as a partnership for federal income tax purposes is a beneficial owner of CCIT Common Stock or SIR Common Shares, the tax treatment of a partner in the partnership generally will depend upon the status of the partner and the activities of the partnership. Any partnership or other entity or arrangement treated as a partnership for United States federal income tax purposes that is a beneficial owner of CCIT Common Stock or SIR Common Shares, and the partners in such partnership (as determined for United States federal income tax purposes), are urged to consult their own tax advisors regarding the consequences of such ownership.

THE UNITED STATES FEDERAL INCOME TAX RULES APPLICABLE TO THE MERGER, TO HOLDING AND DISPOSING SIR COMMON SHARES, AND TO REITS GENERALLY, ARE HIGHLY TECHNICAL AND COMPLEX. HOLDERS OF CCIT COMMON STOCK ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE MERGER, THE OWNERSHIP OF SIR COMMON SHARES AND SIR'S QUALIFICATION AS A REIT, INCLUDING THE APPLICABILITY AND EFFECT OF UNITED STATES FEDERAL, STATE, LOCAL AND NON-U.S. INCOME AND OTHER TAX LAWS, AND POTENTIAL CHANGES IN APPLICABLE TAX LAWS, IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES.

Material United States Federal Income Tax Consequences of the Merger

The Merger is intended to qualify as a "reorganization" within the meaning of Section 368(a) of the Code. It is a condition to the completion of the Merger that Sullivan & Worcester, tax counsel to SIR, and Morris Manning, counsel to CCIT, each render an opinion that, although not free from doubt, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Sullivan & Worcester and Morris Manning have each rendered an opinion to SIR and CCIT, respectively, that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Such opinions are subject to customary exceptions, assumptions and qualifications, and are based on representations made by SIR and CCIT regarding factual matters, and on covenants undertaken by SIR and CCIT. If any assumption or representation is inaccurate in any way, or any covenant is not complied with, the tax consequences of the Merger could differ from those described in the tax opinions and in this discussion. These tax opinions represent the legal judgment of counsel rendering the opinion and will not be binding on the IRS or the courts; there can be no assurance that the IRS would not assert, or that a court would not sustain, a position contrary to the conclusions set forth in the tax opinions. Accordingly, the tax opinions are not a guarantee of the legal outcome of the Merger or any tax benefits that may be derived from the Merger. This discussion assumes, unless indicated otherwise, that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

Material United States Federal Income Tax Consequences of the Merger to Holders of CCIT Common Stock

The United States federal income tax consequences of the Merger to a holder of CCIT Common Stock generally will depend on whether the stockholder exchanges its CCIT Common Stock for the

Table of Contents

Cash Consideration, the Share Consideration or a combination of the Cash Consideration and the Share Consideration. Provided the Merger is treated as a reorganization within the meaning of Section 368(a) of the Code, the material United States federal income tax consequences of the Merger to a holder of CCIT Common Stock will be as follows:

A stockholder who receives solely the Cash Consideration pursuant to the Merger generally will recognize gain or loss equal to the difference between the amount of cash received and its adjusted tax basis in the shares of CCIT Common Stock surrendered.

A stockholder who receives solely the Share Consideration pursuant to the Merger generally will not recognize any gain or loss except in respect of any cash received instead of fractional SIR Common Shares (as discussed below).

A stockholder who receives a combination of the Cash Consideration and the Share Consideration pursuant to the Merger generally will recognize (i) gain (but not loss) in an amount equal to the lesser of (A) the amount of gain realized (*i.e.*, the excess of the sum of the amount of cash received by the stockholder (excluding cash received instead of fractional SIR Common Shares) plus the fair market value of the SIR Common Shares received pursuant to the Merger over the stockholder's adjusted tax basis in its shares of CCIT Common Stock surrendered (excluding basis that would have been attributable to fractional SIR Common Shares instead of which cash was received)) and (B) the amount of cash received pursuant to the Merger (excluding any cash received instead of fractional SIR Common Shares) and (ii) gain or loss in respect of any cash received instead of fractional SIR Common Shares (as discussed below).

If a stockholder acquired different blocks of CCIT Common Stock at different times or different prices, any gain or loss as described above must be determined separately for each block of CCIT Common Stock. In addition, applicable final and proposed Treasury regulations may permit a stockholder receiving a combination of the Cash Consideration and the Share Consideration pursuant to the Merger to designate particular shares of CCIT Common Stock as exchanged for the Cash Consideration and particular shares of CCIT Common Stock as exchanged for the Share Consideration. CCIT stockholders are urged to consult their tax advisors regarding the manner in which gain or loss should be determined, including, but not limited to, the specific manner in which cash and SIR Common Shares received in the Merger should be allocated among such stockholder's shares of CCIT Common Stock surrendered therefor.

If, contrary to the belief of SIR and CCIT and contrary to the opinions of their respective tax counsel, the Merger were to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code, then a holder of CCIT Common Stock generally would recognize gain or loss, as applicable, equal to the difference between (i) the sum of the cash and the fair market value of the SIR Common Shares received in the Merger and (ii) the stockholder's adjusted tax basis in its CCIT Common Stock surrendered therefor. In respect of a non-U.S. stockholder of CCIT Common Stock, some or all of the gain could be deemed effectively connected with a trade or business in the United States.

Character of Gain or Loss. Gain or loss recognized in connection with the Merger will generally constitute capital gain or loss and will be long-term capital gain or loss if the stockholder's holding period with respect to the CCIT Common Stock surrendered exceeds one year at the Effective Time. Generally, long-term capital gain of noncorporate taxpayers, including individuals, is taxed at preferential rates. The deductibility of capital losses is subject to limitations. In some cases, for example if a holder of CCIT Common Stock actually or constructively owns SIR Common Shares other than SIR Common Shares received pursuant to the Merger or if only a small percentage of the stockholder's CCIT Common Stock is exchanged for cash, the recognized gain could be treated as having the effect of a distribution of a dividend under the tests set forth in Section 302 of the Code, in which case such gain would be treated as dividend income to the extent of the stockholder's ratable share of CCIT's

Table of Contents

accumulated earnings and profits as calculated for United States federal income tax purposes. Because the possibility of dividend treatment depends upon each stockholder's particular circumstances, including the application of constructive ownership rules, stockholders should consult their tax advisors regarding the application of the foregoing rules to their particular circumstances.

Holding Period and Basis in SIR Common Shares. A holder of CCIT Common Stock generally will have an aggregate tax basis in the SIR Common Shares it receives (including fractional shares deemed received and redeemed as described below) in the Merger equal to the stockholder's aggregate tax basis in its CCIT Common Stock surrendered pursuant to the Merger, increased by the amount of gain (including any portion of the gain that is treated as a dividend as described above but excluding any gain or loss resulting from the deemed redemption of fractional shares described below), if any, recognized by the stockholder in the exchange and reduced by the amount of any cash received by the stockholder pursuant to the Merger (excluding any cash received instead of a fractional share of SIR Common Shares). The holding period of the SIR Common Shares received by a U.S. stockholder in connection with the Merger will include the holding period of the CCIT Common Stock surrendered in connection with the Merger.

If a stockholder acquired any of its shares of CCIT Common Stock at different prices and/or at different times, Treasury regulations provide guidance on how such stockholder may allocate its tax basis to SIR Common Shares received in the Merger and the holding period of such SIR Common Shares. In addition, applicable final and proposed Treasury regulations may permit a stockholder receiving a combination of the Cash Consideration and the Share Consideration pursuant to the Merger to designate particular shares of CCIT Common Stock as exchanged for the Cash Consideration and particular shares of CCIT Common Stock as exchanged for the Share Consideration. Holders of multiple blocks of CCIT Common Stock and stockholders receiving both the Cash Consideration and the Share Consideration are urged to consult their tax advisors regarding the bases and holding periods of particular SIR Common Shares received in the Merger under applicable Treasury regulations.

If, contrary to the belief of SIR and CCIT and contrary to the opinions of their respective tax counsel, the Merger were to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code, a holder of CCIT Common Stock that receives the Share Consideration will have an aggregate tax basis in the SIR Common Shares it receives in the Merger equal to fair market value of the SIR Common Shares and a holding period that begins on the effective date of the Merger.

Cash Received Instead of Fractional Shares. A stockholder who receives cash instead of fractional SIR Common Shares generally will be treated as having received such fractional share and then as having received such cash in redemption of the fractional share. Gain or loss generally will be recognized based on the difference between the amount of cash received instead of the fractional share and the portion of the stockholder's aggregate adjusted tax basis of the shares of CCIT Common Stock surrendered which is allocable to the fractional share. Such gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if the holding period for such shares of CCIT Common Stock exceeds one year at the Effective Time.

Additional Medicare Tax. U.S. stockholders who are individuals, estates or trusts are generally required to pay a 3.8% Medicare tax on their net investment income (including taxable Merger Consideration), or in the case of estates and trusts on their net investment income that is not distributed, in each case to the extent that their total adjusted income exceeds applicable thresholds. U.S. stockholders should consult their tax advisors with respect to the applicability of this tax.

Non-U.S. Stockholders. In general, a non-U.S. stockholder will be subject to regular United States federal income tax in the same manner as a U.S. stockholder with respect to the exchange in the Merger if such non-U.S. stockholder's investment in its CCIT Common Stock is effectively connected

Table of Contents

with the non-U.S. stockholder's conduct of a trade or business in the United States (and, if provided by an applicable income tax treaty, is attributable to a permanent establishment or fixed base that the non-U.S. stockholder maintains in the United States). In addition, a corporate non-U.S. stockholder that receives income that is or is deemed to be effectively connected with a trade or business in the United States may also be subject to the 30% branch profits tax under Section 884 of the Code, or lower applicable tax treaty rate, which is payable in addition to regular United States federal corporate income tax.

A non-U.S. stockholder whose investment in CCIT Common Stock is not effectively connected with the conduct of a trade or business in the United States generally will not be subject to United States federal income taxation, except that a nonresident alien individual who was in the United States for 183 days or more during the taxable year may be subject to a 30% tax on this gain. Cash Consideration that is treated as dividend income as described under "Character of Gain or Loss" above will generally be subject to United States federal income tax (and possibly also withholding) at the rate of 30%, or at a lower rate if the non-U.S. stockholder has in the manner prescribed by the IRS demonstrated its entitlement to benefits under a tax treaty.

Information Reporting, Backup Withholding and Foreign Account Withholding. Holders of CCIT Common Stock may under specified circumstances be subject to information reporting, backup withholding with respect to any cash received pursuant to the Merger, and foreign account withholding with respect to any Merger Consideration taxable as a dividend.

Backup withholding will not apply to a holder of CCIT Common Stock that either (i) furnishes on an IRS Form W-9 or substantially similar form a correct taxpayer identification number and certifies that it either is not subject to backup withholding or is otherwise exempt from backup withholding and provides appropriate proof of the applicable exemption or (ii) establishes on an applicable IRS Form W-8 or substantially similar form that it is a non-U.S. person. Backup withholding is not an additional tax and any amounts withheld will be allowed as a refund or credit against the stockholder's United States federal income tax liability, provided that the required information is timely furnished to the IRS.

Foreign account withholding will not apply to a holder of CCIT Common Stock that holds its CCIT Common Stock either (i) other than through a non-United States intermediary or (ii) through a non-United States intermediary that complies with specified information reporting, certification and other requirements. Non-U.S. stockholders and stockholders who hold CCIT Common Stock through a non-United States intermediary are encouraged to consult with their tax advisor regarding foreign account tax compliance.

Material United States Federal Income Tax Consequences of the Merger to CCIT and SIR

Generally. CCIT will not recognize any gain or loss as a result of the Merger. However, if, contrary to the belief of SIR and CCIT and contrary to the opinions of their respective tax counsel, the Merger were to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code, then CCIT would recognize gain or loss as if it sold all of its assets for the Merger Consideration plus the amount of its liabilities. Nevertheless, so long as CCIT qualifies as a REIT at the time of the Merger and through the close of its taxable year that includes the Merger, CCIT generally would not incur a United States federal income tax liability to the extent it makes appropriate distributions (including a deemed distribution of the Merger Consideration) to holders of CCIT Common Stock in an amount at least equal to the net income or gain on the deemed sale of its assets to SIR.

Tax Liabilities and Attributes Inherited from CCIT. As the successor by merger to CCIT, SIR would generally be liable for unpaid taxes, including penalties and interest (if any), of CCIT. In addition to SIR inheriting CCIT's tax liabilities, if CCIT has failed or fails to qualify as a REIT for federal income tax purposes and the Merger is completed, SIR could lose its REIT status should CCIT's disqualifying

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

activities continue after the Merger. Even if SIR retains its REIT status, if CCIT loses its REIT status for a taxable year before the Merger or that includes the Merger and no relief is available, SIR would face the following tax consequences:

SIR, as the successor by merger to CCIT, would generally inherit any corporate income tax liabilities of CCIT, including penalties and interest;

SIR would be subject to tax on the built-in gain on each asset of CCIT existing at the time of the Merger if SIR were to dispose of a CCIT asset (including as part of the Healthcare Properties Sale) during a specified period (generally ten years) following the Merger; and

SIR could be required to pay a special distribution and/or employ applicable deficiency dividend procedures (including interest payments to the IRS) to eliminate any earnings and profits accumulated by CCIT for taxable periods that it did not qualify as a REIT.

Finally, if there is an adjustment to CCIT's real estate investment trust taxable income or dividends paid deductions, SIR could elect to use the deficiency dividend procedure in respect of preserving its predecessor CCIT's REIT status. That deficiency dividend procedure could require SIR to make significant distributions to its shareholders and to pay significant interest to the IRS.

Material United States Federal Income Tax Considerations Related to SIR Common Shares

Taxation of SIR as a REIT

SIR has elected to be taxed as a REIT under Sections 856 through 860 of the Code, commencing with its taxable year ended December 31, 2012. SIR's REIT election, assuming continuing compliance with the then applicable qualification tests, has continued and will continue in effect for subsequent taxable years. Although no assurance can be given, SIR believes that it has been organized and has operated, and will continue to be organized and will continue to operate, in a manner that qualified and will continue to qualify it to be taxed under the Code as a REIT.

As a REIT, SIR generally is not subject to federal income tax on its net income distributed as dividends to its shareholders. Distributions to SIR's shareholders generally are included in their income as dividends to the extent of SIR's current or accumulated earnings and profits. SIR's dividends are not generally entitled to the preferential tax rates on qualified dividend income, but a portion of its dividends may be treated as capital gain dividends or as qualified dividend income, all as explained below. No portion of any of SIR's dividends is eligible for the dividends received deduction for corporate shareholders. Distributions in excess of current or accumulated earnings and profits generally are treated for federal income tax purposes as returns of capital to the extent of a recipient shareholder's basis in its SIR shares, and will reduce this basis. SIR's current or accumulated earnings and profits are generally allocated first to distributions made on its preferred shares, of which there are none outstanding at this time, and thereafter to distributions made on its common shares.

For all these purposes, SIR's distributions include cash distributions, any in kind distributions of property that it might make and deemed or constructive distributions resulting from capital market activities, as described below. In accordance with the distribution rules applicable to REITs described below, SIR may make a distribution in excess of its regular distributions to its shareholders on account of the sale of the Healthcare Properties to SNH and the gain recognized on that sale. If the special distribution is made in a combination of cash and SIR Common Shares, shareholders receiving SIR Common Shares will be treated for federal income tax purposes as receiving a distribution in an amount equal to the amount of cash that would have been received if the shareholder elected to receive, and actually did receive, all cash. A shareholder that receives any SIR Common Shares pursuant to the special distribution will generally have a tax basis in such shares equal to the amount such shareholder is treated as having received in the special distribution minus the amount of cash

actually received, and the holding period in such shares will begin on the day following the payment of the special distribution.

SIR's tax counsel, Sullivan & Worcester, has provided to it an opinion that it has been organized and has qualified as a REIT under the Code for its 2012 through 2013 taxable years, and that its current investments and current and anticipated plan of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Code. The opinions of SIR's counsel are conditioned upon the assumption that SIR's leases, its declaration of trust and all other legal documents to which it is or has been a party have been and will be complied with by all parties to those documents, and upon representations made by SIR as to certain factual matters relating to its organization and operations and its expected manner of operation. If this assumption or a representation is inaccurate or incomplete, the opinions of SIR's counsel may be adversely affected and may not be relied upon. The opinions of SIR's counsel are based upon the law as it exists today, but the law may change in the future, possibly with retroactive effect. Given the highly complex nature of the rules governing REITs, the ongoing importance of factual determinations, and the possibility of future changes in circumstances, no assurance can be given by Sullivan & Worcester or SIR that SIR will qualify as or be taxed as a REIT for any particular year. Any opinion of Sullivan & Worcester as to SIR's qualification or taxation as a REIT will be expressed as of the date issued. SIR's counsel has no obligation to advise SIR or SIR's shareholders of any subsequent change in the matters stated, represented or assumed or of any subsequent change in the applicable law. Also, the opinions of SIR's counsel are not binding on either the IRS or a court, and either could take a position different from that expressed by SIR's counsel.

SIR's continued qualification and taxation as a REIT will depend upon its compliance on a continuing basis with various qualification tests imposed under the Code and summarized below. While SIR believes that it will satisfy these tests, SIR's counsel does not review compliance with these tests on a continuing basis. If SIR fails to qualify as a REIT in any year, it will be subject to federal income taxation as if it were a corporation taxed under subchapter C of the Code, or a C corporation, and SIR's shareholders will be taxed like shareholders of C corporations, meaning that federal income tax generally will be applied at both the corporate and shareholder levels. In this event, SIR could be subject to significant tax liabilities and the amount of cash available for distribution to SIR's shareholders could be reduced or eliminated.

If SIR qualifies as a REIT and meets the tests described below, it generally will not pay federal income tax on amounts it distributes to its shareholders. However, even if SIR qualifies as a REIT, it may be subject to federal tax in the following circumstances:

SIR will be taxed at regular corporate rates on any undistributed "real estate investment trust taxable income," determined by including its undistributed net capital gains, if any.

If SIR's alternative minimum taxable income exceeds its taxable income, SIR may be subject to the corporate alternative minimum tax on its items of tax preference.

If SIR has net income from the disposition of "foreclosure property" that is held primarily for sale to customers in the ordinary course of business or other nonqualifying income from foreclosure property, it will be subject to tax on this income at the highest regular corporate rate, currently 35%.

If SIR has net income from prohibited transactions—that is, dispositions of inventory or property held primarily for sale to customers in the ordinary course of business other than dispositions of foreclosure property and other than dispositions excepted under a statutory safe harbor—it will be subject to tax on this income at a 100% rate.

If SIR fails to satisfy the REIT asset tests described below, due to reasonable cause and not due to willful neglect, but nonetheless maintains its qualification as a REIT because of specified cure

Table of Contents

provisions, it will be subject to a tax equal to the greater of \$50,000 or the highest corporate tax rate multiplied by the net income generated by the nonqualifying assets that caused it to fail the test.

If SIR fails to satisfy the 75% gross income test or the 95% gross income test discussed below, due to reasonable cause and not due to willful neglect, but nonetheless maintains its qualification as a REIT because of specified cure provisions, it will be subject to tax at a 100% rate on the greater of the amount by which it fails the 75% or the 95% gross income test, with adjustments, multiplied by a fraction intended to reflect its profitability.

If SIR fails to satisfy any provision of the Code that would result in its failure to qualify as a REIT (other than violations of the REIT gross income tests or violations of the REIT asset tests described below), due to reasonable cause and not due to willful neglect, it may retain its REIT qualification but will be subject to a penalty of \$50,000 for each failure.

If SIR fails to distribute for any calendar year at least the sum of 85% of its REIT ordinary income for that year, 95% of its REIT capital gain net income for that year and any undistributed taxable income from prior periods, it will be subject to a 4% nondeductible excise tax on the excess of the required distribution over the amounts actually distributed.

If SIR acquires an asset from a corporation in a transaction in which its basis in the asset is determined by reference to the basis of the asset in the hands of a present or former C corporation, and if SIR subsequently recognizes gain on the disposition of this asset during a specified period (generally ten years) beginning on the date on which the asset ceased to be owned by the C corporation, then SIR will pay tax at the highest regular corporate tax rate, currently 35%, on the lesser of the excess of the fair market value of the asset over the C corporation's basis in the asset on the date the asset ceased to be owned by the C corporation, or the gain SIR recognizes in the disposition.

If SIR acquires a corporation in a transaction where it succeeds to its tax attributes, to preserve its status as a REIT, SIR must generally distribute all of the C corporation earnings and profits inherited in that acquisition, if any, not later than the end of the taxable year in which the acquisition occurs. However, if SIR fails to do so, relief provisions would allow SIR to maintain its status as a REIT provided it distributes any subsequently discovered C corporation earnings and profits and pays an interest charge in respect of the period of delayed distribution.

As summarized below, REITs are permitted within limits to own stock and securities of a "taxable REIT subsidiary." A domestic taxable REIT subsidiary is separately taxed on its net income as a C corporation, and is subject to limitations on the deductibility of interest expense paid to its REIT parent. In addition, the REIT parent is subject to a 100% tax on the amount by which various charges and reimbursements between the parent REIT and its taxable REIT subsidiaries are determined to be priced excessively in favor of the REIT rather than on an arms' length basis.

If and to the extent SIR invests in properties in foreign jurisdictions, its income from those properties will generally be subject to tax in those jurisdictions. If SIR continues to operate as it does, then SIR will distribute all of its taxable income to its shareholders such that SIR will generally not pay federal income tax. As a result, SIR cannot recover the cost of foreign income taxes imposed on its foreign investments by claiming foreign tax credits against its federal income tax liability. Also, as a REIT, SIR cannot pass through to its shareholders any foreign tax credits.

If it is determined that CCIT failed to satisfy one or more of the REIT tests described below, the IRS might allow SIR, as CCIT's successor, the same opportunity for relief as though it were the remediating REIT. In such case, CCIT would be deemed to have retained its status as a

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

REIT and the relevant penalties or sanctions for remediation would fall upon SIR in a manner comparable to the above.

If SIR fails to qualify as a REIT or elects not to qualify as a REIT, then it will be subject to federal income tax in the same manner as a regular C corporation. Further, as a regular C corporation, distributions to SIR's shareholders will not be deductible by SIR, nor will distributions be required under the Code. Also, to the extent of SIR's current and accumulated earnings and profits, all distributions to its shareholders will generally be taxable as ordinary dividends potentially eligible for the preferential tax rates discussed below in "Taxation of U.S. Shareholders" and, subject to limitations in the Code, will be potentially eligible for the dividends received deduction for corporate shareholders. Finally, SIR will generally be disqualified from qualification as a REIT for the four taxable years following the taxable year in which the termination is effective. SIR's failure to qualify as a REIT for even one year could result in reduction or elimination of distributions to its shareholders, or in it incurring substantial indebtedness or liquidating substantial investments in order to pay the resulting corporate-level taxes. The Code provides relief provisions under which SIR might avoid automatically ceasing to be a REIT for failure to meet specified REIT requirements, all as discussed in more detail below.

REIT Qualification Requirements

General Requirements. Section 856(a) of the Code defines a REIT as a corporation, trust or association:

- (1) that is managed by one or more trustees or directors;
- (2) the beneficial ownership of which is evidenced by transferable shares or by transferable certificates of beneficial interest;
- (3) that would be taxable, but for Sections 856 through 859 of the Code, as a domestic C corporation;
- (4) that is not a financial institution or an insurance company subject to special provisions of the Code;
- (5) the beneficial ownership of which is held by 100 or more persons;
- (6) that is not "closely held" as defined under the personal holding company stock ownership test, as described below; and
- (7) that meets other tests regarding the nature of its income and assets and the amount of its distributions, all as described below.

Section 856(b) of the Code provides that conditions (1) through (4) must be met during the entire taxable year and that condition (5) must be met during at least 335 days of a taxable year of twelve months, or during a proportionate part of a taxable year of less than twelve months. Section 856(h)(2) of the Code provides that neither condition (5) nor (6) need to have been met during SIR's first taxable year as a REIT. SIR believes that it has met conditions (1) through (7) during each of the requisite periods ending on or before the close of its most recently completed taxable year, and that it will continue to meet these conditions in future taxable years. There can, however, be no assurance in this regard.

By reason of condition (6), SIR will fail to qualify as a REIT for a taxable year if at any time during the last half of a year (except for its first taxable year as a REIT) more than 50% in value of its outstanding shares is owned directly or indirectly by five or fewer individuals. To help comply with condition (6), SIR's declaration of trust restricts transfers of its shares that would otherwise result in concentrated ownership positions. In addition, if SIR complies with applicable Treasury regulations to

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

ascertain the ownership of its outstanding shares and does not know, or by exercising reasonable diligence would not have known, that it failed condition (6), then SIR will be treated as having met condition (6). SIR's failure to comply with these regulations for ascertaining ownership may result in a penalty of \$25,000, or \$50,000 for intentional violations. Accordingly, SIR has complied and will continue to comply with these regulations, including requesting annually from record holders of significant percentages of its shares information regarding the ownership of its shares. Under SIR's declaration of trust, SIR shareholders are required to respond to these requests for information. A shareholder who fails or refuses to comply with the request is required by Treasury regulations to submit a statement with its federal income tax return disclosing its actual ownership of SIR shares and other information.

For purposes of condition (6), the term "individuals" is defined in the Code to include natural persons, supplemental unemployment compensation benefit plans, private foundations and portions of a trust permanently set aside or used exclusively for charitable purposes, but not other entities or qualified pension plans or profit-sharing trusts. As a result, REIT shares owned by an entity that is not an "individual" are considered to be owned by the direct and indirect owners of the entity that are individuals (as so defined), rather than to be owned by the entity itself. Similarly, REIT shares held by a qualified pension plan or profit-sharing trust are treated as held directly by the individual beneficiaries in proportion to their actuarial interests in such plan or trust. Consequently, five or fewer such trusts could own more than 50% of the interests in an entity without jeopardizing that entity's federal income tax qualification as a REIT. However, as discussed below in "Taxation of Tax-Exempt Shareholders," if a REIT is a "pension-held REIT," each qualified pension plan or profit-sharing pension trust owning more than 10% of the REIT's shares by value generally may be taxed on a portion of the dividends it receives from the REIT.

The Code provides that SIR will not automatically fail to be a REIT if it does not meet conditions (1) through (6), provided SIR can establish that such failure was due to reasonable cause and not due to willful neglect. Each such excused failure will result in the imposition of a \$50,000 penalty instead of REIT disqualification. It is impossible to state whether in all circumstances SIR would be entitled to the benefit of this relief provision. This relief provision applies to any failure of the applicable conditions, even if the failure first occurred in a prior taxable year.

Wholly Owned Subsidiaries and Investments Through Partnerships. Except in respect of taxable REIT subsidiaries as discussed below, Section 856(i) of the Code provides that any corporation, 100% of whose stock is held by a REIT and its disregarded subsidiaries, is a qualified REIT subsidiary and shall not be treated as a separate corporation. The assets, liabilities and items of income, deduction and credit of a qualified REIT subsidiary are treated as the REIT's. SIR believes that each of its direct and indirect wholly owned subsidiaries, other than the taxable REIT subsidiaries discussed below, will be either a qualified REIT subsidiary within the meaning of Section 856(i) of the Code, or a noncorporate entity that for federal income tax purposes is not treated as separate from its owner under Treasury regulations issued under Section 7701 of the Code. Thus, except for the taxable REIT subsidiaries discussed below, in applying all the federal income tax REIT qualification requirements described in this summary, all assets, liabilities and items of income, deduction and credit of SIR's direct and indirect wholly owned subsidiaries are treated as SIR's.

Following the Merger, SIR will be invested in real estate through one or more entities that are treated as partnerships for federal income tax purposes. In the case of a REIT that is a partner in a partnership, Treasury regulations under the Code provide that, for purposes of the REIT qualification requirements regarding income and assets discussed below, the REIT is deemed to own its proportionate share of the assets of the partnership corresponding to the REIT's proportionate capital interest in the partnership and is deemed to be entitled to the income of the partnership attributable to this proportionate share. In addition, for these purposes, the character of the assets and items of gross income of the partnership generally remains the same in the hands of the REIT. Accordingly, SIR's

Table of Contents

proportionate share of the assets, liabilities and items of income of each partnership in which SIR becomes a partner will be treated as SIR's for purposes of the income tests and asset tests discussed below. In contrast, for purposes of the distribution requirement discussed below, SIR must take into account as a partner its share of the partnership's income as determined under the general federal income tax rules governing partners and partnerships under Sections 701 through 777 of the Code.

Taxable REIT Subsidiaries. SIR is permitted to own any or all of the securities of a "taxable REIT subsidiary" as defined in Section 856(l) of the Code, provided that no more than 25% of the total value of its assets, at the close of each quarter, is comprised of its investments in the stock or securities of its taxable REIT subsidiaries or other nonqualified assets. Among other requirements, a taxable REIT subsidiary of SIR's must:

- (1) be a corporation (other than a REIT) for federal income tax purposes in which SIR directly or indirectly own shares;
- (2) join with SIR in making a taxable REIT subsidiary election;
- (3) not directly or indirectly operate or manage a lodging facility or a health care facility; and
- (4) not directly or indirectly provide to any person, under a franchise, license or otherwise, rights to any brand name under which any lodging facility or health care facility is operated, except that in limited circumstances a subfranchise, sublicense or similar right can be granted to an independent contractor to operate or manage a lodging facility or a health care facility.

In addition, any corporation (other than a REIT) in which a taxable REIT subsidiary directly or indirectly owns more than 35% of the voting power or value of the outstanding securities of such corporation will automatically be treated as a taxable REIT subsidiary. Subject to the discussion below, SIR believes that it and each of its taxable REIT subsidiaries have complied with, and will continue to comply with, on a continuous basis, the requirements for taxable REIT subsidiary status at all times during which the subsidiary's taxable REIT subsidiary election is reported as being in effect, and SIR believes that the same will be true for any taxable REIT subsidiary that it later forms or acquires.

SIR's ownership of stock and securities in taxable REIT subsidiaries is exempt from the 10% and 5% REIT asset tests discussed below. Also, as discussed below, taxable REIT subsidiaries can perform services for SIR's tenants without disqualifying the rents and services fees SIR receives from those tenants under the 75% or 95% gross income tests discussed below. Moreover, because taxable REIT subsidiaries are taxed as C corporations that are separate from SIR, their assets, liabilities and items of income, deduction and credit generally are not imputed to SIR for purposes of the REIT qualification requirements described in this summary. Therefore, taxable REIT subsidiaries may generally undertake third party management and development activities and activities not related to real estate.

Restrictions are imposed on taxable REIT subsidiaries to ensure that they will be subject to an appropriate level of federal income taxation. For example, a taxable REIT subsidiary may not deduct interest paid in any year to an affiliated REIT to the extent that the interest payments exceed, generally, 50% of the taxable REIT subsidiary's adjusted taxable income for that year. However, the taxable REIT subsidiary may carry forward the disallowed interest expense to a succeeding year, and deduct the interest in that later year subject to that year's 50% adjusted taxable income limitation. In addition, if a taxable REIT subsidiary pays interest, rent or other amounts to its affiliated REIT in an amount that exceeds what an unrelated third party would have paid in an arm's length transaction, then the REIT generally will be subject to an excise tax equal to 100% of the excessive portion of the payment. Finally, if in comparison to an arm's length transaction, a third party tenant has overpaid rent to the REIT in exchange for underpaying the taxable REIT subsidiary for services rendered, and if the REIT has not adequately compensated the taxable REIT subsidiary for services provided to or on behalf of the third party tenant, then the REIT may be subject to an excise tax equal to 100% of the undercompensation to the taxable REIT subsidiary. A safe harbor exception to this excise tax applies if

Table of Contents

the taxable REIT subsidiary has been compensated at a rate at least equal to 150% of its direct cost in furnishing or rendering the service. There can be no assurance that arrangements involving SIR's taxable REIT subsidiaries will not result in the imposition of one or more of these deduction limitations or excise taxes, but SIR does not believe that it or its taxable REIT subsidiaries are or will be subject to these impositions.

Subsidiary REITs. Following the Merger, SIR will be invested in real estate through a subsidiary that is intended to be a REIT for federal income tax purposes, HPC Highway 249 REIT, LLC, or HPC REIT, and in addition SIR may in the future invest in one or more other entities that are intended to be REITs for federal income tax purposes. Any subsidiary REIT will generally be subject to the various REIT qualification requirements and other limitations described in this summary that are applicable to SIR. CCIT believes that HPC REIT is and has been organized and operated, and SIR believes that HPC REIT will continue to operate, in a manner to permit it to qualify for taxation as a REIT for federal income tax purposes from and after the effective date of its REIT election. If a subsidiary REIT were to fail to qualify as a REIT, then (i) the subsidiary REIT would become subject to regular U.S. corporation income tax, as described above, and (ii) SIR's ownership of shares in the subsidiary REIT would cease to be a qualifying real estate asset for purposes of the 75% asset test and would become subject to the 5% asset test, the 10% vote test and the 10% value test generally applicable to SIR's ownership in corporations other than REITs, qualified REIT subsidiaries and taxable REIT subsidiaries, all as described under "Asset Tests" below. If a subsidiary REIT were to fail to qualify as a REIT, it is possible that SIR would not meet the 5% asset test, the 10% vote test or the 10% value test with respect to its interest in the subsidiary REIT, in which event SIR would fail to qualify as a REIT unless SIR could avail itself of applicable relief provisions. SIR intends to make "protective" taxable REIT subsidiary elections with respect to its subsidiary REITs and may implement other protective arrangements intended to avoid a cascading REIT failure if any of its subsidiary REITs were not to qualify as a REIT, but there can be no assurance that such "protective" elections and other arrangements will be effective to avoid the resulting adverse consequences to SIR.

Income Tests. There are two gross income requirements for qualification as a REIT under the Code:

At least 75% of SIR's gross income for each taxable year (excluding: (a) gross income from sales or other dispositions of property held primarily for sale; (b) any income arising from "clearly identified" hedging transactions that SIR enters into to manage interest rate or price changes or currency fluctuations with respect to borrowings SIR incurs to acquire or carry real estate assets; (c) any income arising from "clearly identified" hedging transactions that SIR enters into primarily to manage risk of currency fluctuations relating to any item that qualifies under the 75% or 95% gross income tests (or any property that generates such income or gain); (d) real estate foreign exchange gain (as defined in Section 856(n)(2) of the Code) and (e) income from the repurchase or discharge of indebtedness) must be derived from investments relating to real property, including "rents from real property" as defined under Section 856 of the Code, interest and gain from mortgages on real property or on interests in real property, income and gain from foreclosure property, gain from the sale or other disposition of real property other than dealer property or dividends and gain from shares in other REITs. When SIR receives new capital in exchange for its shares or in a public offering of five year or longer debt instruments, income attributable to the temporary investment of this new capital in stock or a debt instrument, if received or accrued within one year of SIR's receipt of the new capital, is generally also qualifying income under the 75% gross income test.

At least 95% of SIR's gross income for each taxable year (excluding: (a) gross income from sales or other dispositions of property held primarily for sale; (b) any income arising from "clearly identified" hedging transactions that SIR enters into to manage interest rate or price changes or currency fluctuations with respect to borrowings SIR incurs to acquire or carry real estate assets;

Table of Contents

(c) any income arising from "clearly identified" hedging transactions that SIR enters into primarily to manage risk of currency fluctuations relating to any item that qualifies under the 75% or 95% gross income tests (or any property that generates such income or gain); (d) passive foreign exchange gain (as defined in Section 856(n)(3) of the Code) and (e) income from the repurchase or discharge of indebtedness) must be derived from a combination of items of real property income that satisfy the 75% gross income test described above, dividends, interest or gains from the sale or disposition of stock, securities or real property.

For purposes of the 75% and 95% gross income tests outlined above, income derived from a "shared appreciation provision" in a mortgage loan is generally treated as gain recognized on the sale of the property to which it relates. Although SIR will use its best efforts to ensure that the income generated by its investments will be of a type that satisfies both the 75% and 95% gross income tests, there can be no assurance in this regard.

In order to qualify as "rents from real property" under Section 856 of the Code, several requirements must be met:

The amount of rent received generally must not be based on the income or profits of any person, but may be based on a fixed percentage or percentages of receipts or sales.

Rents do not qualify if the REIT owns 10% or more by vote or value of the tenant, whether directly or after application of attribution rules. While SIR intends not to lease property to any party if rents from that property would not qualify as "rents from real property," application of the 10% ownership rule is dependent upon complex attribution rules and circumstances that may be beyond SIR's control. For example, a third party's ownership directly or by attribution of 10% or more by value of SIR's shares, as well as an ownership position in the stock of one of SIR's tenants which, when added to SIR's own ownership position in that tenant, totals 10% or more by vote or value of the stock of that tenant, would result in that tenant's rents not qualifying as "rents from real property." SIR's declaration of trust disallows transfers or purported acquisitions, directly or by attribution, of SIR shares to the extent necessary to maintain SIR's REIT status under the Code. Nevertheless, there can be no assurance that these provisions in SIR's declaration of trust will be effective to prevent SIR's REIT status from being jeopardized under the 10% affiliated tenant rule. Furthermore, there can be no assurance that SIR will be able to monitor and enforce these restrictions, nor will SIR's shareholders necessarily be aware of ownership of SIR shares attributed to them under the Code's attribution rules.

There is a limited exception to the above prohibition on earning "rents from real property" from a 10% affiliated tenant where the tenant is a taxable REIT subsidiary. If at least 90% of the leased space of a property is leased to tenants other than taxable REIT subsidiaries and 10% affiliated tenants, and if the taxable REIT subsidiary's rent for space at that property is substantially comparable to the rents paid by nonaffiliated tenants for comparable space at the property, then otherwise qualifying rents paid by the taxable REIT subsidiary to the REIT will not be disqualified on account of the rule prohibiting 10% affiliated tenants.

In order for rents to qualify, SIR generally must not manage the property or furnish or render services to the tenants of the property, except through an independent contractor from whom it derives no income or through one of its taxable REIT subsidiaries. There is an exception to this rule permitting a REIT to perform customary tenant services of the sort that a tax-exempt organization could perform without being considered in receipt of "unrelated business taxable income," or UBTI, under Section 512(b)(3) of the Code. In addition, a de minimis amount of noncustomary services provided to tenants will not disqualify income as "rents from real property" so long as the value of the impermissible tenant services does not exceed 1% of the gross income from the property.

Table of Contents

If rent attributable to personal property leased in connection with a lease of real property is 15% or less of the total rent received under the lease, then the rent attributable to personal property will qualify as "rents from real property"; if this 15% threshold is exceeded, the rent attributable to personal property will not so qualify. The portion of rental income treated as attributable to personal property is determined according to the ratio of the fair market value of the personal property to the total fair market value of the real and personal property that is rented.

SIR believes that all or substantially all of its rents have qualified and will qualify as "rents from real property" for purposes of Section 856 of the Code.

In order to qualify as mortgage interest on real property for purposes of the 75% asset test, interest must derive from a mortgage loan secured by real property with a fair market value at the time the loan is made (reduced by any senior liens on the property) at least equal to the amount of the loan. If the amount of the loan exceeds the fair market value of the real property (as so reduced by senior liens), the interest will be treated as interest on a mortgage loan in a ratio equal to the ratio of the fair market value of the real property (as so reduced by senior liens) to the total amount of the mortgage loan.

Absent the "foreclosure property" rules of Section 856(e) of the Code, a REIT's receipt of active, nonrental gross income from a property would not qualify under the 75% and 95% gross income tests. But as foreclosure property, the active, nonrental gross income from a property would so qualify. In the case of property leased by a REIT to a tenant, foreclosure property generally consists of the real property and incidental personal property that the REIT has reduced to possession upon a default or imminent default under the lease by the tenant, and as to which a timely foreclosure property election is made by attaching an appropriate statement to the REIT's federal income tax return. Any gain that a REIT recognizes on the sale of foreclosure property held as inventory or primarily for sale to customers, plus any income it receives from foreclosure property that would not qualify under the 75% gross income test in the absence of foreclosure property treatment, reduced by expenses directly connected with the production of those items of income, would be subject to income tax at the maximum corporate rate, currently 35%, under the foreclosure property income tax rules of Section 857(b)(4) of the Code. Thus, if a REIT should lease foreclosure property in exchange for rent that qualifies as "rents from real property" as described above, then that rental income is not subject to the foreclosure property income tax.

Other than sales of foreclosure property, any gain SIR realizes on the sale of property held as inventory or other property held primarily for sale to customers in the ordinary course of business will be treated as income from a prohibited transaction that is subject to a penalty tax at a 100% rate. This prohibited transaction income also may adversely affect SIR's ability to satisfy the 75% and 95% gross income tests for federal income tax qualification as a REIT. Whether property is held as inventory or primarily for sale to customers in the ordinary course of a trade or business is a question of fact that depends on all the facts and circumstances surrounding the particular transaction. There can be no assurance as to whether or not the IRS might successfully assert that one or more of SIR's dispositions would be subject to the 100% penalty tax. Sections 857(b)(6)(C) and (E) of the Code provide a safe harbor pursuant to which limited sales of real property held for at least two years and meeting specified additional requirements will not be treated as prohibited transactions. However, compliance with the safe harbor is not always achievable in practice.

SIR believes that any gain it recognizes upon future dispositions of assets, including the planned sale of the Healthcare Properties to SNH, will qualify as income that satisfies the 75% and 95% gross

Table of Contents

income tests and will not be subject to the 100% penalty tax, because SIR's (and its predecessor CCIT's) general intent has been and is to:

own its assets for investment with a view to long-term income production and capital appreciation;

engage in the business of developing, owning, leasing and managing its existing properties and acquiring, developing, owning, leasing and managing new properties; and

make occasional dispositions of its assets consistent with its long-term investment objectives.

If SIR fails to satisfy one or both of the 75% or the 95% gross income tests in any taxable year, SIR may nevertheless qualify as a REIT for that year if it satisfies the following requirements:

the failure to meet the test is due to reasonable cause and not due to willful neglect; and

after identification of the failure, SIR files a schedule describing each item of its gross income included in the 75% or the 95% gross income tests for that taxable year.

It is impossible to state whether in all circumstances SIR would be entitled to the benefit of this relief provision for the 75% or the 95% gross income tests. Even if this relief provision does apply, a 100% tax is imposed upon the greater of the amount by which SIR failed the 75% gross income test or the amount by which it failed the 95% gross income test, with adjustments, multiplied by a fraction intended to reflect SIR's profitability. This relief provision applies to any failure of the applicable income tests, even if the failure first occurred in a year prior to the taxable year in which the failure was discovered.

Based on the discussion above, SIR believes that it has satisfied, and will continue to satisfy, the 75% and the 95% gross income tests on a continuing basis beginning with its first taxable year as a REIT.

Asset Tests. At the close of each quarter of each taxable year, SIR must also satisfy the following asset percentage tests in order to qualify as a REIT for federal income tax purposes:

At least 75% of the value of SIR's total assets must consist of real estate assets, cash and cash items, shares in other REITs, government securities and temporary investments of new capital (that is, stock or debt instruments purchased with proceeds of a stock offering or a public offering of debt with a term of at least five years, but only for the one year period commencing with receipt of the offering proceeds).

Not more than 25% of the value of SIR's total assets may be represented by securities other than those securities that count favorably toward the preceding 75% asset test.

Of the investments included in the preceding 25% asset class, the value of any one non-REIT issuer's securities that SIR owns may not exceed 5% of the value of SIR's total assets. In addition, SIR may not own more than 10% of the vote or value of any one non-REIT issuer's outstanding securities, unless the securities are "straight debt" securities or otherwise excepted as discussed below. SIR's stock and securities in a taxable REIT subsidiary are exempted from these 5% and 10% asset tests.

No more than 25% of the value of SIR's total assets may be represented by stock or securities of taxable REIT subsidiaries.

The above REIT asset tests must be satisfied at the close of each calendar quarter of each taxable year as a REIT. After a REIT meets the asset tests at the close of any quarter, it will not lose its status as a REIT in any subsequent quarter solely because of fluctuations in the values of its assets. When a failure to satisfy the above asset tests results from an acquisition of securities or other property during

Table of Contents

a quarter, the failure can be cured by disposition of sufficient nonqualifying assets within thirty days after the close of that quarter.

In addition, if SIR fails the 5% value test or the 10% vote or value tests at the close of any quarter and does not cure such failure within thirty days after the close of that quarter, that failure will nevertheless be excused if (a) the failure is de minimis and (b) within six months after the last day of the quarter in which SIR identifies the failure, it either disposes of the assets causing the failure or otherwise satisfies the 5% value and 10% vote and value asset tests. For purposes of this relief provision, the failure will be "de minimis" if the value of the assets causing the failure does not exceed the lesser of (a) 1% of the total value of SIR's assets at the end of the relevant quarter or (b) \$10,000,000. If SIR's failure is not de minimis, or if any of the other REIT asset tests have been violated, SIR may nevertheless qualify as a REIT if (a) it provide the IRS with a description of each asset causing the failure, (b) the failure was due to reasonable cause and not willful neglect, (c) SIR pays a tax equal to the greater of (1) \$50,000 or (2) the highest rate of corporate tax imposed, currently 35%, on the net income generated by the assets causing the failure during the period of the failure and (d) within six months after the last day of the quarter in which SIR identifies the failure, it either disposes of the assets causing the failure or otherwise satisfies all of the REIT asset tests. These relief provisions apply to any failure of the applicable asset tests, even if the failure first occurred in a year prior to the taxable year in which the failure was discovered.

The Code also provides an excepted securities safe harbor to the 10% value test that includes among other items (a) "straight debt" securities, (b) certain rental agreements in which payment is to be made in subsequent years, (c) any obligation to pay "rents from real property," (d) securities issued by governmental entities that are not dependent in whole or in part on the profits of or payments from a nongovernmental entity and (e) any security issued by another REIT. SIR has maintained and will continue to maintain records of the value of its assets to document its compliance with the above asset tests and intends to take actions as may be required to cure any failure to satisfy the tests within thirty days after the close of any quarter or within the six month periods described above.

Based on the discussion above, SIR believes that it has satisfied, and will continue to satisfy, the above REIT asset tests on a continuing basis beginning with its first taxable year as a REIT.

Annual Distribution Requirements. In order to qualify for taxation as a REIT under the Code, SIR is required to make annual distributions other than capital gain dividends to its shareholders in an amount at least equal to the excess of:

- (1) the sum of 90% of its "real estate investment trust taxable income" and 90% of its net income after tax, if any, from property received in foreclosure, over
- (2) the amount by which its noncash income (e.g., imputed rental income or income from transactions inadvertently failing to qualify as like-kind exchanges) exceeds 5% of its "real estate investment trust taxable income."

For these purposes, SIR's "real estate investment trust taxable income" is as defined under Section 857 of the Code and is computed without regard to the dividends paid deduction and SIR's net capital gain and will generally be reduced by specified corporate level taxes that SIR pays (e.g., taxes on built-in gains or taxes on foreclosure property income).

The distributions must be paid in the taxable year to which they relate, or in the following taxable year if declared before SIR timely files its federal income tax return for the earlier taxable year and if paid on or before the first regular distribution payment after that declaration. If a dividend is declared in October, November or December to shareholders of record during one of those months, and is paid during the following January, then for federal income tax purposes the dividend will be treated as having been both paid and received on December 31 of the prior taxable year. A distribution which is not pro rata within a class of SIR's beneficial interests entitled to a distribution, or which is not

Table of Contents

consistent with the rights to distributions among SIR's classes of beneficial interests, is a preferential distribution that is not taken into consideration for purposes of the distribution requirements, and accordingly the payment of a preferential distribution could affect SIR's ability to meet the distribution requirements. Taking into account SIR's distribution policies, including the dividend reinvestment plan it has adopted, SIR does not believe that it has made or will make any preferential distributions. The distribution requirements may be waived by the IRS if a REIT establishes that it failed to meet them by reason of distributions previously made to meet the requirements of the 4% excise tax discussed below. To the extent that SIR does not distribute all of its net capital gain and all of its real estate investment trust taxable income, as adjusted, it will be subject to federal income tax (at regular corporate rates) on undistributed amounts.

In addition, SIR will be subject to a 4% nondeductible excise tax to the extent it fails within a calendar year to make required distributions to its shareholders of 85% of its ordinary income and 95% of its capital gain net income plus the excess, if any, of the "grossed up required distribution" for the preceding calendar year over the amount treated as distributed for that preceding calendar year. For this purpose, the term "grossed up required distribution" for any calendar year is the sum of SIR's taxable income for the calendar year without regard to the deduction for dividends paid and all amounts from earlier years that are not treated as having been distributed under the provision. SIR will be treated as having sufficient earnings and profits to treat as a dividend any distribution by it up to the amount required to be distributed in order to avoid imposition of the 4% excise tax.

If SIR does not have enough cash or other liquid assets to meet the distribution requirements, SIR may find it necessary and desirable to arrange for new debt or equity financing to provide funds for required distributions in order to maintain its REIT status. There can be no assurance that financing would be available for these purposes on favorable terms, if at all.

SIR may be able to rectify a failure to pay sufficient dividends for any year by paying "deficiency dividends" to shareholders in a later year. These deficiency dividends may be included in SIR's deduction for dividends paid for the earlier year, but an interest charge would be imposed upon it for the delay in distribution.

In addition to the other distribution requirements above, to preserve its status as a REIT, SIR is required to timely distribute all C corporation earnings and profits that it inherits from acquired corporations.

Depreciation and Federal Income Tax Treatment of Leases

SIR's initial tax bases in its assets will generally be its acquisition cost. SIR will generally depreciate its depreciable real property on a straight-line basis over forty years and its personal property over the applicable shorter periods. These depreciation schedules may vary for properties that SIR acquires through tax-free or carryover basis acquisitions, for example SIR's initial portfolio acquired from EQC, as discussed below, or the properties SIR acquires in the Merger.

The initial tax bases and depreciation schedules for the assets SIR held immediately after its initial public offering in March 2012 depend upon whether the deemed exchange that resulted from its separation from EQC upon its initial public offering was an exchange governed by Section 351 or instead Section 1001 of the Code. SIR's tax counsel, Sullivan & Worcester, provided to SIR an opinion that the deemed exchange should be treated as an exchange governed by Section 351 of the Code, and SIR has performed and will perform its tax reporting accordingly. This opinion was conditioned upon the assumption that the transaction agreement governing SIR's separation had been and will be complied with by all parties thereto, upon the accuracy and completeness of the factual matters described in SIR's Registration Statement on Form S-11 filed in connection with its initial public offering and upon representations made by SIR and EQC as to specified factual matters. Therefore, SIR carried over EQC's tax basis and depreciation schedule in each of the assets that it received from

Table of Contents

EQC, adjusted by the gain recognized by EQC in the deemed exchange. This conclusion regarding the applicability of Section 351 of the Code is dependent upon favorable determinations with regard to each of the following issues: (a) Section 351(e) of the Code did not apply to the deemed exchange, or else it would have disqualified the deemed exchange from Section 351 treatment altogether; and (b) a judicial recharacterization rule, developed in *Waterman Steamship v. Commissioner*, 430 F.2d 1185 (5th Cir. 1970), and subsequent tax cases, did not apply to recharacterize SIR's cash payment to EQC in the separation in a manner that rendered the deemed exchange a Section 1001 transaction under the Code. There can be no assurance that the IRS or a court would reach the same conclusion.

If, contrary to SIR's belief and the opinion of SIR's counsel, the deemed exchange was taxable to EQC because Section 1001 of the Code applied instead of Section 351 of the Code, then SIR would be treated as though it acquired its initial assets from EQC in a fully taxable acquisition, thereby acquiring tax bases in these assets that would be depreciable over longer depreciable lives. In that event, SIR estimates that its aggregate depreciation deductions for its initial taxable year and many taxable years thereafter would be lower. If the IRS were to successfully challenge the reported depreciation methods and the associated tax reporting, then, including for purposes of qualifying for taxation as a REIT, SIR could be required to amend its tax reports, including those sent to its shareholders, or could be required to pay deficiency dividends, including the associated interest charge, as discussed above.

SIR is entitled to depreciation deductions from its facilities only if it is treated for federal income tax purposes as the owner of the facilities. This means that the leases of the facilities must be classified for federal income tax purposes as true leases, rather than as sales or financing arrangements, and SIR believes this to be the case.

Taxation of U.S. Shareholders

For noncorporate U.S. shareholders, to the extent that their total adjusted income does not exceed applicable thresholds, the maximum federal income tax rate for long-term capital gains and most corporate dividends is generally 15%. For those noncorporate U.S. shareholders whose total adjusted income exceeds the applicable thresholds, the maximum federal income tax rate for long-term capital gains and most corporate dividends is generally 20%. However, because SIR is not generally subject to federal income tax on the portion of SIR's real estate investment trust taxable income distributed to its shareholders, dividends on SIR's shares generally are not eligible for such preferential tax rates. As a result, SIR's ordinary dividends continue to be taxed at the higher federal income tax rates applicable to ordinary income. To summarize, the preferential federal income tax rates for long-term capital gains and for qualified dividends generally apply to:

- (1) long-term capital gains, if any, recognized on the disposition of SIR shares;
- (2) distributions by SIR designated as long-term capital gain dividends (except to the extent attributable to real estate depreciation recapture, in which case the distributions are subject to a maximum 25% federal income tax rate);
- (3) dividends by SIR attributable to dividend income, if any, received by SIR from C corporations such as taxable REIT subsidiaries;
- (4) dividends by SIR attributable to earnings and profits that SIR inherits from C corporations; and
- (5) dividends by SIR to the extent attributable to income upon which SIR has paid federal corporate income tax (such as sale gains subject to the 35% built-in gains tax), net of the corporate taxes thereon.

As long as SIR qualifies as a REIT for United States federal income tax purposes, a distribution to its U.S. shareholders that SIR does not designate as a capital gain dividend generally will be treated

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

as an ordinary income dividend to the extent of SIR's current or accumulated earnings and profits. Distributions made out of SIR's current or accumulated earnings and profits that it properly designates as capital gain dividends generally will be taxed as long-term capital gains, as discussed below, to the extent they do not exceed SIR's actual net capital gain for the taxable year. However, corporate shareholders may be required to treat up to 20% of any capital gain dividend as ordinary income under Section 291 of the Code.

In addition, SIR may elect to retain net capital gain income and treat it as constructively distributed. In that case:

- (1) SIR will be taxed at regular corporate capital gains tax rates on retained amounts;
- (2) each U.S. shareholder will be taxed on its designated proportionate share of SIR's retained net capital gains as though that amount were distributed and designated a capital gain dividend;
- (3) each U.S. shareholder will receive a credit or refund for its designated proportionate share of the tax that SIR pays;
- (4) each U.S. shareholder will increase its adjusted basis in its SIR shares by the excess of the amount of its proportionate share of these retained net capital gains over the U.S. shareholder's proportionate share of the tax that SIR pays; and
- (5) both SIR and its corporate shareholders will make commensurate adjustments in SIR's respective earnings and profits for federal income tax purposes.

If SIR elects to retain its net capital gains in this fashion, SIR will notify its U.S. shareholders of the relevant tax information within sixty days after the close of the affected taxable year.

If for any taxable year SIR designates capital gain dividends for U.S. shareholders, then a portion of the capital gain dividends SIR designates will be allocated to the holders of a particular class of shares on a percentage basis equal to the ratio of the amount of the total dividends paid or made available for the year to the holders of that class of shares to the total dividends paid or made available for the year to holders of all outstanding classes of SIR shares. SIR will similarly designate the portion of any capital gain dividend that is to be taxed to noncorporate U.S. shareholders at preferential maximum rates (including any capital gains attributable to real estate depreciation recapture that are subject to a maximum 25% federal income tax rate) so that the designations will be proportionate among all outstanding classes of SIR's shares.

Distributions in excess of current or accumulated earnings and profits will not be taxable to a U.S. shareholder to the extent that they do not exceed the shareholder's adjusted tax basis in the shareholder's shares, but will reduce the shareholder's basis in those shares. To the extent that these excess distributions exceed a U.S. shareholder's adjusted basis in its SIR shares, they will be included in income as capital gain, with long-term gain generally taxed to noncorporate U.S. shareholders at preferential maximum rates. No U.S. shareholder may include on its federal income tax return any of SIR's net operating losses or any of SIR's capital losses.

If a dividend is declared in October, November or December to shareholders of record during one of those months, and is paid during the following January, then for federal income tax purposes the dividend will be treated as having been both paid and received on December 31 of the prior taxable year. Also, items that are treated differently for regular and alternative minimum tax purposes are to be allocated between a REIT and its shareholders under Treasury regulations which are to be prescribed. It is possible that these Treasury regulations will require tax preference items to be allocated to SIR's shareholders with respect to any accelerated depreciation or other tax preference items that SIR claims.

Table of Contents

A U.S. shareholder will generally recognize gain or loss equal to the difference between the amount realized and the shareholder's adjusted basis in its SIR shares that are sold or exchanged. This gain or loss will be capital gain or loss, and will be long-term capital gain or loss if the shareholder's holding period in its SIR shares exceeds one year. In addition, any loss upon a sale or exchange of SIR shares held for six months or less will generally be treated as a long-term capital loss to the extent of SIR's long-term capital gain dividends paid on such shares during the holding period.

U.S. shareholders who are individuals, estates or trusts are generally required to pay a 3.8% Medicare tax on their net investment income (which is calculated by including dividends on and gains from the sale or other disposition of SIR shares), or in the case of estates and trusts on their net investment income that is not distributed, in each case to the extent that their total adjusted income exceeds applicable thresholds.

If a U.S. shareholder recognizes a loss upon a disposition of its SIR shares in an amount that exceeds a prescribed threshold, it is possible that the provisions of Treasury regulations involving "reportable transactions" could apply, with a resulting requirement to separately disclose the loss-generating transaction to the IRS. These Treasury regulations are written quite broadly, and apply to many routine and simple transactions. A reportable transaction currently includes, among other things, a sale or exchange of SIR shares resulting in a tax loss in excess of (a) \$10 million in any single year or \$20 million in any combination of years in the case of SIR shares held by a C corporation or by a partnership with only C corporation partners or (b) \$2 million in any single year or \$4 million in any combination of years in the case of SIR shares held by any other partnership or an S corporation, trust or individual, including losses that flow through pass through entities to individuals. A taxpayer discloses a reportable transaction by filing IRS Form 8886 with its federal income tax return and, in the first year of filing, a copy of Form 8886 must be sent to the IRS's Office of Tax Shelter Analysis. The penalty for failing to disclose a reportable transaction is generally \$10,000 in the case of a natural person and \$50,000 in any other case.

Noncorporate U.S. shareholders who borrow funds to finance their acquisition of SIR shares could be limited in the amount of deductions allowed for the interest paid on the indebtedness incurred. Under Section 163(d) of the Code, interest paid or accrued on indebtedness incurred or continued to purchase or carry property held for investment is generally deductible only to the extent of the investor's net investment income. A U.S. shareholder's net investment income will include ordinary income dividend distributions received from SIR and, if an appropriate election is made by the shareholder, capital gain dividend distributions and qualified dividends received from SIR; however, distributions treated as a nontaxable return of the shareholder's basis will not enter into the computation of net investment income.

Taxation of Tax-Exempt Shareholders

The rules governing the federal income taxation of tax-exempt entities are complex, and the following discussion is intended only as a summary of these rules. Tax-exempt shareholders are urged to consult with their own tax advisors to determine the impact of federal, state, local and foreign tax laws, including any tax return filing and other reporting requirements, with respect to their investment in SIR shares.

Subject to the pension-held REIT rules discussed below, SIR's distributions made to shareholders that are tax-exempt pension plans, individual retirement accounts or other qualifying tax-exempt entities should not constitute UBTI, provided that the shareholder has not financed its acquisition of SIR shares with "acquisition indebtedness" within the meaning of the Code, that the shares are not otherwise used in an unrelated trade or business of the tax-exempt entity, and that, consistent with SIR's present intent, SIR does not hold a residual interest in a real estate mortgage investment conduit.

Table of Contents

Tax-exempt pension trusts that own more than 10% by value of a "pension-held REIT" at any time during a taxable year may be required to treat a percentage of all dividends received from the pension-held REIT during the year as UBTI. This percentage is equal to the ratio of:

- (1) the pension-held REIT's gross income derived from the conduct of unrelated trades or businesses, determined as if the pension-held REIT were a tax-exempt pension fund, less direct expenses related to that income, to
- (2) the pension-held REIT's gross income from all sources, less direct expenses related to that income, except that this percentage shall be deemed to be zero unless it would otherwise equal or exceed 5%. A REIT is a pension-held REIT if:

the REIT is "predominantly held" by tax-exempt pension trusts; and

the REIT would fail to satisfy the "closely held" ownership requirement, discussed above in " REIT Qualification Requirements," if the stock or beneficial interests in the REIT held by tax-exempt pension trusts were viewed as held by tax-exempt pension trusts rather than by their respective beneficiaries.

A REIT is predominantly held by tax-exempt pension trusts if at least one tax-exempt pension trust owns more than 25% by value of the REIT's stock or beneficial interests, or if one or more tax-exempt pension trusts, each owning more than 10% by value of the REIT's stock or beneficial interests, own in the aggregate more than 50% by value of the REIT's stock or beneficial interests. Because of the share ownership concentration restrictions contained in SIR's declaration of trust, SIR believes that it is not and will not become a pension-held REIT. However, because SIR's shares are publicly traded, SIR cannot completely control whether or not it is or will become a pension-held REIT.

Social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts and qualified group legal services plans exempt from federal income taxation under Sections 501(c)(7), (c)(9), (c)(17) and (c)(20) of the Code, respectively, are subject to different UBTI rules, which generally will require them to characterize distributions from a REIT as UBTI. In addition, these prospective investors should consult their own tax advisors concerning any "set aside" or reserve requirements applicable to them.

Taxation of Non-U.S. Shareholders

The rules governing the United States federal income taxation of non-U.S. shareholders are complex, and the following discussion is intended only as a summary of these rules. Non-U.S. shareholders are urged to consult with their own tax advisors to determine the impact of United States federal, state, local and foreign tax laws, including any tax return filing and other reporting requirements, with respect to their investment in SIR shares.

In general, a non-U.S. shareholder will be subject to regular United States federal income tax in the same manner as a U.S. shareholder with respect to its investment in SIR shares if that investment is effectively connected with the non-U.S. shareholder's conduct of a trade or business in the United States (and, if provided by an applicable income tax treaty, is attributable to a permanent establishment or fixed base the non-U.S. shareholder maintains in the United States). In addition, a corporate non-U.S. shareholder that receives income that is or is deemed effectively connected with a trade or business in the United States may also be subject to the 30% branch profits tax under Section 884 of the Code, or lower applicable tax treaty rate, which is payable in addition to regular United States federal corporate income tax. The balance of this discussion of the United States federal income

Table of Contents

taxation of non-U.S. shareholders addresses only those non-U.S. shareholders whose investment in SIR shares is not effectively connected with the conduct of a trade or business in the United States.

A distribution by SIR to a non-U.S. shareholder that is not attributable to gain from the sale or exchange of a United States real property interest and that is not designated as a capital gain dividend will be treated as an ordinary income dividend to the extent that it is made out of current or accumulated earnings and profits. A distribution of this type will generally be subject to United States federal income tax and withholding at the rate of 30%, or at a lower rate if the non-U.S. shareholder has in the manner prescribed by the IRS demonstrated to the applicable withholding agent its entitlement to benefits under a tax treaty. In case of any in kind distributions of property, SIR or the applicable withholding agent will have to collect the amount required to be withheld by reducing to cash for remittance to the IRS a sufficient portion of the property that the non-U.S. shareholder would otherwise receive, and the non-U.S. shareholder may bear brokerage or other costs for this withholding procedure. Because SIR cannot determine its current and accumulated earnings and profits until the end of the taxable year, withholding at the rate of 30% or applicable lower treaty rate will generally be imposed on the gross amount of any distribution to a non-U.S. shareholder that SIR makes and does not designate as a capital gain dividend. Notwithstanding this withholding on distributions in excess of SIR's current and accumulated earnings and profits, these distributions are a nontaxable return of capital to the extent that they do not exceed the non-U.S. shareholder's adjusted basis in its SIR shares, and the nontaxable return of capital will reduce the adjusted basis in these shares. To the extent that distributions in excess of current and accumulated earnings and profits exceed the non-U.S. shareholder's adjusted basis in its SIR shares, the distributions will give rise to tax liability if the non-U.S. shareholder would otherwise be subject to tax on any gain from the sale or exchange of these shares, as discussed below. A non-U.S. shareholder may seek a refund from the IRS of amounts withheld on distributions to it in excess of SIR's current and accumulated earnings and profits.

From time to time, some of SIR's distributions may be attributable to the sale or exchange of United States real property interests. However, capital gain dividends that are received by a non-U.S. shareholder, as well as dividends attributable to SIR's sales of United States real property interests, will be subject to the taxation and withholding regime applicable to ordinary income dividends and the branch profits tax will not apply, provided that (a) these dividends are received with respect to a class of shares that is "regularly traded" on a domestic "established securities market" (such as the NYSE), both as defined by applicable Treasury regulations, and (b) the non-U.S. shareholder does not own more than 5% of that class of shares at any time during the one year period ending on the date of distribution of the applicable capital gain and United States real property interest dividends. If both of these provisions are satisfied, qualifying non-U.S. shareholders will not be subject to withholding either on capital gain dividends or on dividends that are attributable to SIR's sales of United States real property interests as though those amounts were effectively connected with a United States trade or business, and qualifying non-U.S. shareholders will not be required to file United States federal income tax returns or pay branch profits tax in respect of these dividends. Instead, these dividends will be subject to United States federal income tax and withholding as ordinary dividends, currently at a 30% tax rate unless, as discussed below, reduced by an applicable treaty. Although there can be no assurance in this regard, SIR believes that its common shares have been and will remain "regularly traded" on a domestic "established securities market" within the meaning of applicable Treasury regulations; however, there can be no assurance that SIR's shares will continue to be "regularly traded" on a domestic "established securities market" in future taxable years.

Except as discussed above, for any year in which SIR qualifies as a REIT, distributions that are attributable to gain from the sale or exchange of a United States real property interest are taxed to a non-U.S. shareholder as if these distributions were gains effectively connected with a trade or business in the United States conducted by the non-U.S. shareholder. Accordingly, a non-U.S. shareholder that does not qualify for the special rule above will be taxed on these amounts at the normal capital gain

Table of Contents

and other tax rates applicable to a U.S. shareholder, subject to any applicable alternative minimum tax and to a special alternative minimum tax in the case of nonresident alien individuals; such a non-U.S. shareholder will be required to file a United States federal income tax return reporting these amounts, even if applicable withholding is imposed as described below; and such a non-U.S. shareholder that is also a corporation may owe the 30% branch profits tax under Section 884 of the Code, or lower applicable tax treaty rate, in respect of these amounts. The applicable withholding agent will be required to withhold from distributions to such non-U.S. shareholders, and remit to the IRS, 35% of the maximum amount of any distribution that could be designated as a capital gain dividend. In addition, for purposes of this withholding rule, if SIR designates prior distributions as capital gain dividends, then subsequent distributions up to the amount of the designated prior distributions will be treated as capital gain dividends. The amount of any tax withheld is creditable against the non-U.S. shareholder's United States federal income tax liability, and the non-U.S. shareholder may file for a refund from the IRS of any amount of withheld tax in excess of that tax liability.

A special "wash sale" rule may apply to a non-U.S. shareholder who owns any class of SIR shares if (a) the non-U.S. shareholder owns more than 5% of that class of shares at any time during the one year period ending on the date of the distribution described below, or (b) that class of SIR shares is not, within the meaning of applicable Treasury regulations, "regularly traded" on a domestic "established securities market" (such as the NYSE). Although there can be no assurance in this regard, SIR believes that its common shares have been and will remain "regularly traded" on a domestic "established securities market" within the meaning of applicable Treasury regulations, all as discussed above; however, there can be no assurance that SIR's shares will continue to be "regularly traded" on a domestic "established securities market" in future taxable years. It is thus anticipated that this wash sale rule will apply, if at all, only to a non-U.S. shareholder that owns more than 5% of either SIR's common shares or any class of SIR's preferred shares. Such a non-U.S. shareholder will be treated as having made a "wash sale" of SIR shares if it (a) disposes of an interest in SIR shares during the thirty days preceding the ex-dividend date of a distribution by SIR that, but for such disposition, would have been treated by the non-U.S. shareholder in whole or in part as gain from the sale or exchange of a United States real property interest, and then (b) acquires or enters into a contract to acquire a substantially identical interest in SIR's shares, either actually or constructively through a related party, during the sixty-one day period beginning thirty days prior to the ex-dividend date. In the event of such a wash sale, the non-U.S. shareholder will have gain from the sale or exchange of a United States real property interest in an amount equal to the portion of the distribution that, but for the wash sale, would have been a gain from the sale or exchange of a United States real property interest. As discussed above, a non-U.S. shareholder's gain from the sale or exchange of a United States real property interest can trigger increased United States taxes, such as the branch profits tax applicable to non-U.S. corporations, and increased United States tax filing requirements.

If for any taxable year SIR designates capital gain dividends for its shareholders, then a portion of the capital gain dividends SIR designates will be allocated to the holders of a particular class of shares on a percentage basis equal to the ratio of the amount of the total dividends paid or made available for the year to the holders of that class of shares to the total dividends paid or made available for the year to holders of all outstanding classes of SIR's shares.

Tax treaties may reduce the withholding obligations on SIR's distributions. Under some treaties, however, rates below 30% that are applicable to ordinary income dividends from United States corporations may not apply to ordinary income dividends from a REIT or may apply only if the REIT meets specified additional conditions. A non-U.S. shareholder must generally use an applicable IRS Form W-8, or substantially similar form, to claim tax treaty benefits. If the amount of tax withheld with respect to a distribution to a non-U.S. shareholder exceeds the shareholder's United States federal income tax liability with respect to the distribution, the non-U.S. shareholder may file for a refund of the excess from the IRS. The 35% withholding tax rate discussed above on some capital gain dividends

Table of Contents

corresponds to the maximum income tax rate applicable to corporate non-U.S. shareholders but is higher than the current preferential maximum rates on capital gains generally applicable to noncorporate non-U.S. shareholders. Treasury regulations also provide special rules to determine whether, for purposes of determining the applicability of a tax treaty, SIR's distributions to a non-U.S. shareholder that is an entity should be treated as paid to the entity or to those owning an interest in that entity and whether the entity or its owners are entitled to benefits under the tax treaty. In the case of any constructive distributions or in kind distributions of property, the applicable withholding agent may collect the amount required to be withheld by reducing to cash for remittance to the IRS a sufficient portion of the property that the non-U.S. shareholder would otherwise receive or own if the cash portion of any such distribution is not sufficient to cover the withholding liability, and the non-U.S. shareholder may bear brokerage or other costs for this withholding procedure.

Non-U.S. shareholders should generally be able to treat amounts SIR designates as retained but constructively distributed capital gains in the same manner as actual distributions of capital gain dividends by SIR. In addition, a non-U.S. shareholder should be able to offset as a credit against its federal income tax liability the proportionate share of the tax paid by SIR on such retained but constructively distributed capital gains. A non-U.S. shareholder may file for a refund from the IRS for the amount that the non-U.S. shareholder's proportionate share of tax paid by SIR exceeds its federal income tax liability on the constructively distributed capital gains.

If SIR's shares are not "United States real property interests" within the meaning of Section 897 of the Code, then a non-U.S. shareholder's gain on sale of these shares generally will not be subject to United States federal income taxation, except that a nonresident alien individual who was in the United States for 183 days or more during the taxable year may be subject to a 30% tax on this gain. SIR's shares will not constitute a United States real property interest if it is a "domestically controlled REIT." A domestically controlled REIT is a REIT in which at all times during the preceding five year period less than 50% of the fair market value of the outstanding shares was directly or indirectly held by foreign persons. SIR believes that it has been and will remain a domestically controlled REIT and thus a non-U.S. shareholder's gain on a sale of its SIR shares will not be subject to United States federal income taxation. However, because SIR's shares are publicly traded, there can be no assurance that SIR has been or will remain a domestically controlled REIT. If SIR is not a domestically controlled REIT, a non-U.S. shareholder's gain on sale of its SIR shares will not be subject to United States federal income taxation as a sale of a United States real property interest, if that class of shares is "regularly traded," as defined by applicable Treasury regulations, on an established securities market like the NYSE, and the non-U.S. shareholder has at all times during the preceding five years owned 5% or less by value of that class of shares. In this regard, because the shares held by others may be redeemed, a non-U.S. shareholder's percentage interest in a class of SIR's shares may increase even if it acquires no additional shares in that class. If the gain on the sale of its SIR shares were subject to United States federal income taxation, the non-U.S. shareholder will generally be subject to the same treatment as a U.S. shareholder with respect to its gain and will be required to file a United States federal income tax return reporting that gain; in addition, a corporate non-U.S. shareholder might owe branch profits tax under Section 884 of the Code. A purchaser of SIR's shares from a non-U.S. shareholder will not be required to withhold on the purchase price if the purchased shares are regularly traded on an established securities market or if SIR is a domestically controlled REIT. Otherwise, a purchaser of SIR shares from a non-U.S. shareholder may be required to withhold 10% of the purchase price paid to the non-U.S. shareholder and to remit the withheld amount to the IRS.

Information Reporting, Backup Withholding and Foreign Account Withholding

Information reporting, backup withholding and foreign account withholding may apply to distributions or proceeds paid to SIR's shareholders under the circumstances discussed below. If a shareholder is subject to backup or other United States federal income tax withholding, then the

Table of Contents

applicable withholding agent will be required to withhold the appropriate amount with respect to a deemed or constructive distribution or a distribution in kind even though there is insufficient cash from which to satisfy the withholding obligation. To satisfy this withholding obligation, the applicable withholding agent may collect the amount of United States federal income tax required to be withheld by reducing to cash for remittance to the IRS a sufficient portion of the property that the shareholder would otherwise receive or own, and the shareholder may bear brokerage or other costs for this withholding procedure.

The backup withholding rate is currently 28%. Amounts withheld under backup withholding are generally not an additional tax and may be refunded by the IRS or credited against the shareholder's federal income tax liability. A U.S. shareholder may be subject to backup withholding when it receives distributions on SIR Common Shares or proceeds upon the sale, exchange, redemption, retirement or other disposition of SIR Common Shares, unless the U.S. shareholder properly executes, or has previously properly executed, under penalties of perjury an IRS Form W-9 or substantially similar form that:

provides the U.S. shareholder's correct taxpayer identification number; and

certifies that the U.S. shareholder is exempt from backup withholding because it comes within an enumerated exempt category, it has not been notified by the IRS that it is subject to backup withholding, or it has been notified by the IRS that it is no longer subject to backup withholding.

If the U.S. shareholder has not provided and does not provide its correct taxpayer identification number on an IRS Form W-9 or substantially similar form, it may be subject to penalties imposed by the IRS, and the applicable withholding agent may have to withhold a portion of any distributions or proceeds paid to such U.S. shareholder. Unless the U.S. shareholder has established on a properly executed IRS Form W-9 or substantially similar form that it comes within an enumerated exempt category, distributions or proceeds on SIR Common Shares paid to the U.S. shareholder during the calendar year, and the amount of tax withheld, if any, will be reported to it and to the IRS.

Distributions on SIR Common Shares to a non-U.S. shareholder during each calendar year and the amount of tax withheld, if any, will generally be reported to the non-U.S. shareholder and to the IRS. This information reporting requirement applies regardless of whether the non-U.S. shareholder is subject to withholding on distributions on SIR Common Shares or whether the withholding was reduced or eliminated by an applicable tax treaty. Also, distributions paid to a non-U.S. shareholder on SIR Common Shares may be subject to backup withholding, unless the non-U.S. shareholder properly certifies to the applicable withholding agent its non-U.S. shareholder status on an IRS Form W-8 or substantially similar form. Information reporting and backup withholding will not apply to proceeds a non-U.S. shareholder receives upon the sale, exchange, redemption, retirement or other disposition of SIR Common Shares, if the non-U.S. shareholder properly certifies its non-U.S. shareholder status on an IRS Form W-8 or substantially similar form. Even without having executed an IRS Form W-8 or substantially similar form, however, in some cases information reporting and backup withholding will not apply to proceeds that a non-U.S. shareholder receives upon the sale, exchange, redemption, retirement or other disposition of SIR Common Shares if the non-U.S. shareholder receives those proceeds through a broker's foreign office.

Non-United States financial institutions and other non-United States entities are subject to diligence and reporting requirements for purposes of identifying accounts and investments held directly or indirectly by United States persons. The failure to comply with these additional information reporting, certification and other requirements could result in a 30% withholding tax on applicable payments to non-United States persons. In particular, a payee that is a foreign financial institution that is subject to the diligence and reporting requirements described above must enter into an agreement with the United States Department of the Treasury requiring, among other things, that it undertake to

Table of Contents

identify accounts held by "specified United States persons" or "United States owned foreign entities" (each as defined in the Code), annually report information about such accounts, and withhold 30% on applicable payments to noncompliant foreign financial institutions and account holders. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States with respect to these requirements may be subject to different rules. The foregoing withholding will generally apply to payments of dividends made after June 30, 2014, and to other "withholdable payments" (including payments of gross proceeds from a sale or other disposition of SIR Common Shares) made after December 31, 2016. Non-U.S. shareholders and shareholders who hold SIR Common Shares through a non-United States intermediary are encouraged to consult with their tax advisor regarding foreign account tax compliance.

Other Tax Considerations

SIR's tax treatment or that of its shareholders may be modified by legislative, judicial or administrative actions at any time, which actions may be retroactive in effect. The rules dealing with federal income taxation are constantly under review by Congress, the IRS and the United States Department of the Treasury, and statutory changes, new regulations, revisions to existing regulations and revised interpretations of established concepts are issued frequently. Likewise, the rules regarding taxes other than federal income taxes may also be modified. No prediction can be made as to the likelihood of passage of new tax legislation or other provisions, or the direct or indirect effect on SIR and its shareholders. Revisions to tax laws and interpretations of these laws could adversely affect SIR's ability to qualify and be taxed as a REIT, as well as the tax or other consequences of an investment in SIR Common Shares. SIR and its shareholders may also be subject to taxation by state, local or other jurisdictions, including those in which SIR or its shareholders transact business or reside. These tax consequences may not be comparable to the federal income tax consequences discussed above.

THE MERGER AGREEMENT

This section of this joint proxy statement/prospectus describes the material provisions of the Merger Agreement, which is attached as Annex A to this joint proxy statement/prospectus and is incorporated herein by reference. As a SIR shareholder or CCIT stockholder, you are not a third party beneficiary of the Merger Agreement and therefore you may not directly enforce any of its terms and conditions.

This summary may not contain all of the information about the Merger Agreement that may be important to you. You should read the full text of the Merger Agreement carefully and in its entirety because it is the legal document that governs the Merger. The Merger Agreement is not intended to provide you with any factual information about SIR or CCIT. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement (and summarized below) are qualified by information each of SIR and CCIT filed with the SEC prior to the effective date of the Merger Agreement, as well as by certain disclosure letters each of the parties delivered to the other in connection with the signing of the Merger Agreement, that modify, qualify and create exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may apply contractual standards of materiality in a way that is different from what may be viewed as material by investors or that is different from standards of materiality generally applicable under the United States federal securities laws or may not be intended as statements of fact, but rather as a way of allocating risk among the parties to the Merger Agreement. The representations and warranties and other provisions of the Merger Agreement and the description of such provisions in this document should not be read alone but instead should be read in conjunction with the other information contained in the reports, statements and filings that each of SIR and CCIT file with the SEC and the other information in this joint proxy statement/prospectus. See "Where You Can Find More Information; Incorporation by Reference" beginning on page 226 of this joint proxy statement/prospectus.

Form, Effective Time and Completion of the Merger

The Merger Agreement provides for the merger of CCIT with and into SIR Merger Sub, on and subject to the terms and conditions of the Merger Agreement. SIR Merger Sub will be the surviving entity in the Merger and, following completion of the Merger, will continue to exist as a subsidiary of SIR. The Merger will become effective upon the later of the time of filing of articles of merger with, and acceptance for record of articles of merger by, the State Department of Assessments and Taxation of the State of Maryland or at a later date and time agreed to by SIR and CCIT and specified in the articles of merger.

The Merger Agreement provides that the completion of the Merger will take place on the second business day following the date on which the last of the conditions to completion of the Merger (described under "The Merger Agreement – Conditions to Completion of the Merger") have been satisfied or waived (other than the conditions that by their terms are to be satisfied at the completion of the Merger, but subject to the satisfaction or waiver of those conditions), but not before January 2, 2015.

Consideration to be Received in the Merger

Merger Consideration

If the Merger is completed, each issued and outstanding share of CCIT Common Stock (other than shares of CCIT Common Stock owned by any wholly owned subsidiary of CCIT, SIR or any subsidiary of SIR, which will be cancelled) will be cancelled and converted into the right to receive per share either (i) \$10.50 in cash, without interest, or (ii) 0.360 SIR Common Shares, each as subject to adjustment and proration in accordance with the Merger Agreement. On and subject to the terms and conditions of the Merger Agreement, CCIT stockholders may elect to receive either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. In lieu of

Table of Contents

any fractional shares, CCIT stockholders will receive cash, without interest, in an amount equal to the product of (i) such fractional part of a SIR Common Share, multiplied by (ii) the per share closing price of SIR Common Shares on the NYSE on the last full trading day prior to the closing of the Merger, as reported by Bloomberg L.P. Assuming approximately 197,817,958 shares of CCIT Common Stock are issued and outstanding at the Effective Time:

the minimum aggregate Cash Consideration payable by SIR in the Merger is approximately \$830.1 million and the maximum aggregate Share Consideration payable by SIR in the Merger is approximately 42,728,683 SIR Common Shares; and

the maximum aggregate Cash Consideration payable by SIR in the Merger is approximately \$1.2 billion and the minimum aggregate Share Consideration payable by SIR in the Merger is approximately 28,485,792 SIR Common Shares.

Proration of the Merger Consideration

Cash Elections Exceed the Maximum

The maximum number of shares of CCIT Common Stock that may be converted in the Merger into the right to receive Cash Consideration is 60% of the number of shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time (rounded down to the nearest whole share).

If the aggregate number of shares of CCIT Common Stock for which elections to receive payment in Cash Consideration have been effectively made and not revoked, or the cash election shares, exceeds 60% of the number of shares of CCIT Common Stock issued and outstanding as of immediately prior to the Effective Time, then, notwithstanding CCIT stockholder elections, the right of CCIT stockholders so electing to receive Cash Consideration will be prorated as follows:

Cash Consideration in respect of a number of such stockholder's cash election shares equal to the product obtained by multiplying (A) the number of such stockholder's cash election shares by (B) a fraction, the numerator of which is the maximum number of shares of CCIT Common Stock that may be converted into the right to receive Cash Consideration (i.e., 60% of the number of shares of CCIT Common Stock issued and outstanding as of immediately prior to the Effective Time) and the denominator of which is the aggregate number of all cash election shares held by all CCIT stockholders, and

Share Consideration for the remaining number of such stockholder's cash election shares.

For example, should all CCIT stockholders elect to receive Cash Consideration for all of their shares of CCIT Common Stock, a CCIT stockholder who owns one hundred shares of CCIT Common Stock prior to the Effective Time would receive \$630.00 in cash and 14 SIR Common Shares, plus cash for any fractional shares, which in this case would equal 0.4 of a SIR Common Share multiplied by the closing share price per SIR Common Share on the NYSE for the last full trading day ending immediately prior to the Effective Time.

Cash Elections Are Less Than the Minimum

The minimum number of shares of CCIT Common Stock that would be converted in the Merger into the right to receive Cash Consideration is 40% of the number of shares of CCIT Common Stock issued and outstanding immediately prior to the Effective Time (rounded up to the nearest whole share).

If the aggregate number of cash election shares is less than 40% of the number of shares of CCIT Common Stock issued and outstanding as of immediately prior to the Effective Time, the amount of such difference we refer to as the minimum cash election shortfall, then, notwithstanding CCIT

stockholder elections, the right of CCIT stockholders electing to receive Share Consideration or who have not made any election will be prorated as follows:

If the aggregate number of shares of CCIT Common Stock in respect of which no election has been made, or the non-electing shares, is equal to the minimum cash election shortfall, all the non-electing shares will be converted into the right to receive the Cash Consideration.

If the aggregate number of non-electing shares is less than minimum cash election shortfall, the amount by which such number is less than the minimum cash election shortfall we refer to as the additional cash election shortfall:

- o All non-electing shares will be converted into the right to receive the Cash Consideration; and
- o All shares of CCIT Common Stock in respect of which an election to receive Share Consideration has been effectively made and not revoked, or share election shares, held by a holder will be converted into the right to receive the Cash Consideration in respect of that number of share election shares held by such holder equal to the product obtained by multiplying (x) the number of share election shares held by such holder by (y) a fraction, the numerator of which is the additional cash election shortfall and the denominator of which is the total number of share election shares, with the remaining number of shares being converted into the right to receive the Share Consideration.

If the aggregate number of non-electing shares exceeds the minimum cash election shortfall, all non-electing shares will be converted into the right to receive the Cash Consideration in respect of that number of such shares held by a holder equal to the product obtained by multiplying (x) the number of non-electing shares held by such holder by (y) a fraction, the numerator of which is minimum cash election shortfall and the denominator of which is the aggregate number of all non-electing shares, with the remaining number of shares being converted into the right to receive the Share Consideration.

For example, should all CCIT stockholders elect to receive Share Consideration for all of their shares of CCIT Common Stock, a CCIT stockholder who owns one hundred shares of CCIT Common Stock prior to the Effective Time would receive \$420.00 in cash and 21 SIR Common Shares, plus cash for any fractional shares, which in this case would equal 0.6 of a SIR Common Share multiplied by the closing share price per SIR Common Share on the NYSE for the last full trading day ending immediately prior to the Effective Time.

Funding of the Transaction, including the Cash Consideration

SIR intends to finance the Cash Consideration and the fees, expenses and costs incurred in connection with the Merger and the related transactions, and to repay or refinance certain of CCIT's existing borrowings, using a combination of the following resources:

SIR's available cash on hand;

borrowings under SIR's existing revolving credit facility;

borrowings under a new credit facility for a \$1.0 billion senior unsecured bridge loan; and

proceeds from the Healthcare Properties Sale.

SIR also plans to seek longer term financing of the Merger through the issuance of senior unsecured notes, either before the Merger closes or by refinancing some or all of the borrowings listed above after the Merger closes.

Edgar Filing: Select Income REIT - Form S-4/A

Borrowings under SIR's existing revolving credit facility are subject to customary conditions, including (i) the bring-down of SIR's representations and warranties, (ii) no default or event of default

existing (or would exist immediately after giving effect to such borrowing) as of the date of the making of such borrowing and (iii) the administrative agent receiving a timely notice of borrowing from SIR. SIR's existing revolving credit facility contains various customary covenants, including financial maintenance covenants with respect to maximum leverage, minimum fixed charge coverage, maximum secured indebtedness, maximum unencumbered leverage, minimum unencumbered interest coverage ratio and minimum tangible net worth. Any failure to comply with these financial maintenance covenants would constitute a default under SIR's existing revolving credit facility, and would prevent further borrowings thereunder. Based on its financial results as of September 30, 2014, and after giving pro forma effect to the Merger and the Healthcare Properties Sale, SIR believes that it will be in compliance with these financial maintenance covenants following the completion of the Merger and the Healthcare Properties Sale.

SIR's exercise of the "accordion" feature under the existing revolving credit facility to increase the lender commitments thereunder is subject to customary conditions, including, (i) the bring-down of SIR's representations and warranties, (ii) no default or event of default existing on the effective date of such increase and (iii) the administrative agent receiving: (A) certified copies of all corporate and other necessary action taken by SIR to authorize such increase, (B) certified copies of all corporate and other necessary action taken by each guarantor to authorize the guaranty of such increase, (C) an opinion of SIR's counsel and (D) new revolving notes executed by SIR.

In addition to its existing revolving credit facility, SIR intends to enter into a new credit agreement for a 364-day senior unsecured bridge loan facility in an aggregate principal amount of \$1.0 billion. Therefore, concurrently with the execution and delivery of the Merger Agreement, SIR entered into the Commitment Letter. The commitment to provide the bridge loan facility is subject to customary conditions as set forth in the Commitment Letter, limited to: (a) the negotiation, execution and delivery by SIR and the guarantors of customary definitive documentation, based on documentation relating to SIR's existing revolving credit facility consistent with the terms and conditions of the Commitment Letter; (b) the payment in full of all fees, expenses and other amounts due and payable by SIR under the Commitment Letter; (c) the administrative agent receiving customary closing documentation including, legal opinions, resolutions, copies of organizational documents and other customary certificates; (d) the completion of the Merger in accordance with the Merger Agreement (without amendment, modification or waiver thereof); (e) there having been no material adverse effect (pursuant to the terms of and as defined in the Merger Agreement); (f) the administrative agent receiving all requested documentation and other information under applicable "know your customer" and anti-money laundering rules and regulations with respect to SIR; (g) SIR shall have delivered certain financial statements for CCIT and (h) the accuracy of certain representations and warranties in the definitive credit documentation and the Merger Agreement. The terms and conditions of the bridge loan facility will be set forth in definitive documentation that will be based on the documentation relating to SIR's existing revolving credit facility (as described above) consistent with the terms and conditions of the Commitment Letter. For more information regarding the Commitment Letter and the terms and conditions thereunder, see "Related Agreements Commitment Letter" on page 209 of this joint proxy statement/prospectus.

Additionally, upon the completion of the Merger, SIR expects to receive approximately \$509.0 million in net proceeds from SNH in connection with the Healthcare Properties Sale. For more information about the Healthcare Properties Sale, the conditions to the completion of the Healthcare Properties Sale and SIR's rights and obligations under the Healthcare Properties Purchase and Sale Agreement, see "Related Agreements Healthcare Properties Purchase and Sale Agreement" beginning on page 209 of this joint proxy statement/prospectus.

SIR's ability to finance the Merger, including the completion of the Healthcare Properties Sale, is not a condition to its obligation to complete the Merger.

Conversion of Shares; Surrendering CCIT Shares

The conversion of CCIT Common Stock into the right to receive the Merger Consideration will occur automatically at the Effective Time. In accordance with the Merger Agreement, SIR will appoint an exchange agent to handle the payment and delivery of the Merger Consideration and the cash payments to be delivered in lieu of fractional shares. Upon proper surrender of a share of CCIT Common Stock for exchange and cancellation to the exchange agent, together with a properly completed and signed letter of transmittal, the holder of such share will be entitled to receive the Merger Consideration in respect of such share of CCIT Common Stock.

Elections as to Form of Consideration; Election Form

We are mailing to each CCIT stockholder, concurrently with the mailing of this joint proxy statement/prospectus, an election form, which permits CCIT stockholders to make an election, subject to proration and certain adjustments in accordance with the Merger Agreement, between either the Cash Consideration or the Share Consideration for each share of CCIT Common Stock they own. The election form will also be mailed or otherwise made available to anyone who becomes a CCIT stockholder after December 12, 2014, but prior to the election deadline described below. CCIT stockholders should return their properly completed and signed election form in accordance with the instructions provided prior to the election deadline.

Unless otherwise agreed by CCIT and SIR and publicly announced, the election deadline will be 5:00 p.m., New York time, on January 21, 2015 (the business day immediately prior to the scheduled date of the CCIT special meeting) and if the CCIT special meeting is adjourned or postponed, the election deadline will be extended to 5:00 p.m., New York time, on the business day immediately prior to the date to which the CCIT special meeting is adjourned or postponed.

CCIT stockholders who wish to elect the type of Merger Consideration they receive in the Merger should carefully review and follow the instructions in the election form. If it is determined that any purported cash election or stock election was not properly made, the purported election will be deemed to be of no force or effect and the holder making the purported election will be deemed not to have made an election for these purposes, unless a proper election is subsequently made on a timely basis. If a CCIT stockholder does not make a valid election for cash or stock, the Merger Consideration paid to such stockholder will be in the form of SIR Common Shares, subject to adjustment as described above.

To make a valid election, each CCIT stockholder must submit a properly completed election form actually received by the exchange agent at or prior to the election deadline in accordance with the instructions on the election form. The election form must be accompanied by any additional documents specified in the election form. Generally, an election may be revoked or changed by written notice received by the exchange agent prior to the election deadline accompanied by a properly completed and signed revised election form or the withdrawal prior to the election deadline of the documents previously provided to the exchange agent). Additionally, after a valid election is made with respect to any shares of CCIT Common Stock, any subsequent transfer of such shares will automatically revoke the election made with respect to those shares. CCIT stockholders will not be entitled to make, revoke or change any election following the election deadline.

Letter of Transmittal

Within five business days after the Effective Time, the exchange agent will send a letter of transmittal to those persons who were CCIT stockholders of record at the Effective Time. This mailing will contain instructions on how to effect the surrender of shares of CCIT Common Stock in exchange for the consideration that the holder of such shares is entitled to receive under the Merger Agreement. Upon proper surrender of certificated shares, or transfer of shares held in book-entry form, for exchange and cancellation to the exchange agent, together with a properly completed and signed letter

of transmittal, and delivery of any other documents specified in the letter of transmittal, the holder of such shares will be entitled to receive the Merger Consideration elected by such CCIT stockholder, subject to adjustment in accordance with the Merger Agreement.

Withholding

All payments under the Merger Agreement are subject to applicable withholding requirements.

Definition of "Material Adverse Effect"

Many of the representations of CCIT, SIR and SIR Merger Sub are qualified by a "material adverse effect" standard (that is, they will not be deemed to be untrue or incorrect unless their failure to be true or correct, individually or in the aggregate, has not had, and would not reasonably be expected to have, a material adverse effect). For the purposes of the Merger Agreement, "material adverse effect" means any event(s), circumstance(s), change(s), state(s) of fact, development(s) or effect(s) that, individually or in the aggregate, (i) is or would reasonably be expected to be material and adverse to the business, assets, properties, liabilities, operations, financial condition or results of operations of CCIT and its subsidiaries, taken as a whole, or SIR and its subsidiaries, taken as a whole, as the case may be or (ii) will, or would reasonably be expected to, prevent or materially impair or delay the ability of CCIT, SIR or SIR Merger Sub, as the case may be, to complete the Merger before March 31, 2015. However, any event, circumstance, change or effect will not be considered a material adverse effect to the extent arising out of or resulting from the following:

any failure of CCIT or SIR, as applicable, to meet any projections or forecasts or any decrease in the NAV of CCIT Common Stock or the market price of SIR Common Shares, as applicable (except any event, circumstance, change, state of fact, development or effect giving rise to or contributing to such failure or decrease may constitute or otherwise be taken into account in determining whether there has been a material adverse effect);

the negotiation, execution or announcement of the Merger Agreement, or the completion or anticipation of the Merger or other transactions contemplated by the Merger Agreement (other than for the purposes of consents and approvals referenced in SIR's and CCIT's respective representations and warranties and the closing conditions related thereto);

Edgar Filing: Select Income REIT - Form S-4/A

with respect to SIR only, the negotiation, execution or announcement of, agreements for, or the completion or anticipation of, the Healthcare Properties Sale or the financing required to complete the transactions contemplated by the Merger Agreement; or

the taking of any action expressly required by, or the failure to take any action expressly prohibited by, the Merger Agreement; or

any of the changes listed below, to the extent that such changes do not disproportionately affect CCIT and its subsidiaries, taken as a whole, or SIR and its subsidiaries, taken as a whole, as

applicable, relative to other similarly situated companies operating in the industries in which CCIT and its subsidiaries or SIR and its subsidiaries operate, as applicable:

- o any changes in the general conditions that affect the commercial real estate industry;
- o any changes in the United States or global economy or capital, financial or securities markets generally, including changes in interest or exchange rates;
- o any adoption, implementation, promulgation, repeal, modification, amendment, reinterpretation, change or proposal of any applicable law of or by any governmental authority after the date the Merger Agreement was executed;
- o the commencement, escalation or worsening of a war or armed hostilities or the occurrence of acts of terrorism or sabotage;
- o earthquakes, hurricanes, floods or other natural disasters;
- o any damage or destruction of any CCIT property or material SIR property, as applicable, that is substantially covered by insurance and does not give rise to the right of any tenant to terminate its lease of such property or any significant portion thereof; or

changes in GAAP or the interpretation thereof.

Additionally, the Merger Agreement provides that for the purposes of the condition to closing that, as of the closing date, no event, change, effect or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have, a material adverse effect with respect to SIR since August 30, 2014, such determination shall be based on the combined businesses of SIR and CCIT, on a consolidated basis, following the closing, and without regard to the exception in the third bullet point above (providing for the exception of effects arising from the Healthcare Properties Sale or the financing required to complete the transactions contemplated by the Merger Agreement from the determination of a material adverse effect).

Conditions to Completion of the Merger

Mutual Closing Conditions

The obligation of each of CCIT, SIR and SIR Merger Sub to complete the Merger is subject to the satisfaction or waiver, at or prior to the closing of the Merger, of the following conditions:

approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders;

approval of the SIR Share Issuance by SIR shareholders;

the absence of any law or order by any governmental authority prohibiting, making illegal, enjoining or otherwise restricting, preventing or prohibiting the completion of the Merger, the SIR Share Issuance or any of the transactions contemplated by the Merger Agreement;

the Registration Statement on Form S-4, of which this joint proxy statement/prospectus forms a part, will have been declared effective and no stop order suspending the effectiveness of such Registration Statement on Form S-4 will have been issued;

and

the SIR Common Shares to be issued as Share Consideration in the Merger will have been approved for listing on the NYSE prior to the Effective Time, subject to official notice of issuance.

No Solicitation; Change in Recommendation

CCIT has agreed, and has agreed to cause its subsidiaries and their officers and directors, managers or the equivalent and any of their other representatives, to immediately cease any solicitation, encouragement, discussions or negotiations with any persons or entities that may be ongoing with respect to an alternative acquisition proposal (as defined below) or any inquiry or proposal that may be reasonably expected to lead to an alternative acquisition proposal, request that any such person or entity and its representatives promptly return or destroy all confidential information concerning SIR, CCIT or any of their respective subsidiaries and immediately terminate all physical and electronic data room access granted to any such person or entity or their representatives.

Additionally, CCIT has agreed, and has agreed to cause its subsidiaries and their officers and directors, managers or the equivalent and any of their other representatives, not to, directly or indirectly (i) solicit, initiate or knowingly facilitate or encourage or take any other action for the purpose of facilitating, any inquiry or the making of any proposal which constitutes, or may reasonably

Table of Contents

be expected to lead to, any alternative acquisition proposal, (ii) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other person or entity information in connection with or for the purpose of encouraging or facilitating, an alternative acquisition proposal or (iii) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement, agreement in principle or other agreement with respect to an alternative acquisition proposal.

For the purposes of the Merger Agreement, "alternative acquisition proposal" means any inquiry, proposal or offer from any person or entity (other than SIR and its subsidiaries) or "group," within the meaning of Section 13(d) of the Exchange Act, relating to, in a single transaction or series of related transactions, any direct or indirect (i) acquisition or purchase of 15% or more of the consolidated assets (including equity interests in subsidiaries) of CCIT (based on the fair market value thereof, as determined in good faith by the CCIT board of directors, as applicable, after consultation with CCIT's outside financial advisors and independent accountants), as applicable, or assets comprising 15% or more of the revenues or earnings on a consolidated basis of CCIT (ii) acquisition of 15% or more of the issued and outstanding equity securities of CCIT or any class of equity securities of CCIT, (iii) tender offer or exchange offer that, if completed, would result in any person or entity beneficially owning 15% or more of any class of equity securities of CCIT, (iv) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving CCIT or any of its subsidiaries, (v) any combination of the foregoing types of transactions, if the sum of the percentage of consolidated assets, consolidated revenues or earnings and any class of equity securities of CCIT involved is 15% or more (in each case, other than the transactions contemplated by the Merger Agreement) or (vi) any of the foregoing types of transactions, regardless of whether they meet the stated 15% threshold, if they involve, directly or indirectly any Healthcare Properties.

Notwithstanding the foregoing restrictions, the Merger Agreement provides that, upon the unsolicited request of a third party, CCIT may grant a limited waiver of a standstill or confidentiality agreement provision for the sole purpose of allowing a third party to make a confidential unsolicited bona fide written alternative acquisition proposal to the CCIT board of directors (directly or through CCIT's outside legal counsel or outside financial advisors) if, contemporaneously with granting such limited waiver, CCIT notifies SIR of the CCIT board of directors' determination (such notice to be made orally and confirmed in writing) and of the identity of the person or entity party to or bound by the applicable standstill or confidentiality agreement. Furthermore, (i) if at any time on or after the date of the execution and delivery of the Merger Agreement and prior to obtaining CCIT's stockholder approval for the Merger, CCIT or any of its representatives receives an unsolicited written alternative acquisition proposal from any person or entity that the CCIT board of directors determines in good faith, after consultation with CCIT's outside financial advisors and outside legal counsel, constitutes or is reasonably likely to result in a superior proposal (as defined below), which alternative acquisition proposal was made in circumstances not otherwise involving a breach of the Merger Agreement and (ii) the CCIT board of directors has determined in good faith, after consultation with CCIT's outside legal counsel, that a failure to take action with respect to such alternative acquisition proposal would be inconsistent with their directors' duties under applicable Maryland law, CCIT may or cause its respective representatives to, in response to such alternative acquisition proposal, (A) contact such person or entity to clarify the terms and conditions thereof, (B) furnish, pursuant a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable to SIR than the confidentiality agreement entered into between CCIT and SIR, information (including non-public information) with respect to CCIT to the person or entity who has made such alternative acquisition proposal, provided that CCIT shall prior to or concurrently with the time such information is provided to such person or entity provide to SIR any non-public information concerning CCIT or any of its subsidiaries that is provided to any person or entity given such access which was not previously provided to SIR and (C) engage in or otherwise participate in discussions or negotiations

Table of Contents

with the person or entity making such alternative acquisition proposal regarding such alternative acquisition proposal.

Within twenty-four hours of the receipt of any alternative acquisition proposal or request for non-public information in connection therewith, as applicable, CCIT is required to (i) advise SIR in writing of the receipt of such alternative acquisition proposal and any request for confidential information in connection with such alternative acquisition proposal, the material terms of such alternative acquisition proposal or request for confidential information and the identity of the person or entity making such alternative acquisition proposal or request for confidential information and (ii) keep SIR promptly advised of all material developments (including all changes to the material terms of any alternative acquisition proposal), discussions or negotiations regarding any alternative acquisition proposal and the status of such alternative acquisition proposal. CCIT and its subsidiaries are prohibited under the Merger Agreement from entering into any confidentiality agreement that would prohibit them from providing this information to SIR.

Except as provided below, the CCIT board of directors may not (i) fail to recommend to its stockholders that they approve the Merger or fail to include a proposal to approve the Merger in this joint proxy statement/prospectus, (ii) change, qualify, withhold, withdraw or modify, or publicly propose to change, qualify, withhold, withdraw or modify, their recommendation that CCIT stockholders approve the Merger, (iii) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer other than a recommendation against such offer or a temporary "stop, look and listen" communication by the CCIT board of directors pursuant to Rule 14d-9(f) of the Exchange Act, (iv) adopt, approve or recommend, or publicly propose to adopt, approve or recommend to CCIT stockholders an alternative acquisition proposal or (v) authorize, cause or permit CCIT or any of its subsidiaries to enter into any alternative acquisition agreement with respect to an alternative acquisition proposal (other than a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable to SIR than the confidentiality agreement entered into between CCIT and SIR). In this joint proxy statement/prospectus, we refer to (i) through (iv) above as an "adverse recommendation change." Notwithstanding the foregoing, prior to the time CCIT stockholders approve the Merger, the CCIT board of directors may make an adverse recommendation change and/or terminate the Merger Agreement to enter into a definitive alternative acquisition agreement that constitutes a superior proposal (as defined below), if, and only if, (A) a written alternative acquisition proposal that was not solicited in violation of CCIT's obligations above is made to CCIT by a third party and such alternative acquisition proposal is not withdrawn, and (B) prior to taking such action, the CCIT board of directors has determined in good faith (y) after consultation with the CCIT's outside legal counsel, that failure to take such action would be inconsistent with their directors' duties under applicable Maryland law and (z) after consultation with CCIT's outside legal counsel and outside financial advisors, that such alternative acquisition proposal constitutes a superior proposal; provided, however, that in connection with any such alternative acquisition proposal (1) CCIT has given SIR at least five business days' prior written notice of its intention to take such action (which notice shall include a copy of any documentation related to such alternative acquisition proposal), (2) SIR and CCIT have negotiated in good faith, to the extent the other party wishes to negotiate, during such notice period to enable the other party to propose in writing revisions to the terms of the Merger Agreement such that it would cause such superior proposal to no longer constitute a superior proposal, (3) following the end of such notice period, the CCIT board of directors shall have considered in good faith any revisions to the Merger Agreement proposed in writing by SIR and shall have determined that, after consultation with CCIT's outside financial advisors and outside legal counsel, the superior proposal would continue to constitute a superior proposal if such revisions were to be given effect and (4) in the event of any change to the material terms of such superior proposal, CCIT shall, in each case, have delivered to SIR an additional notice consistent with that described in subclause (1) above and the notice period shall have recommenced, except that the notice period shall be at least three business days. Unless the

Table of Contents

Merger Agreement has been terminated, the CCIT board of directors is required to submit the proposal to approve the Merger and the Merger Agreement to CCIT's stockholders even if the CCIT board of directors shall have effected an adverse recommendation change, and the CCIT board of directors may not submit to the vote of their stockholders any alternative acquisition proposal other than the transactions contemplated by the Merger Agreement. The CCIT board of directors may only affect an adverse recommendation change in accordance with the provisions summarized in this paragraph.

For the purposes of the Merger Agreement, "superior proposal" means a bona fide written alternative acquisition proposal (except that, for purposes of this definition, the references in the definition of "alternative acquisition proposal" to "15%" are replaced by "100%") made by a person, entity or "group," within the meaning of Section 13(d) of the Exchange Act, on terms that the CCIT board of directors determines in good faith, after consultation with CCIT's outside financial advisors and outside legal counsel, taking into account all financial, legal, regulatory and any other aspects of the transaction described in such proposal that the CCIT board of directors deems relevant, including the identity of the person or entity making such proposal, any termination fees, expense reimbursement provisions and conditions to completion, as well as any changes to the terms of the Merger Agreement proposed by SIR in response to such proposal or otherwise, (i) would, if completed, result in a transaction that is more favorable to CCIT and its stockholders (solely in their capacity as such) from a financial point of view than the transactions contemplated under the Merger Agreement, (ii) for which the third party has demonstrated that the financing for such offer is fully committed or is reasonably likely to be obtained and (iii) is reasonably likely to receive all required approvals from any governmental authority on a timely basis and otherwise reasonably capable of being completed on a timely basis on the terms proposed.

The Merger Agreement does not prohibit the CCIT board of directors from: (i) taking and disclosing to CCIT stockholders, a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, if failure to do so would violate applicable law or (ii) making any "stop, look and listen" communication to CCIT stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act, in either case, if the CCIT board of directors has determined in good faith, after consultation with its outside legal counsel, that failure to take such action would be inconsistent with their directors' duties under applicable Maryland law. However, any such disclosure (other than those made pursuant to clause (ii) above) that is not an express rejection of any applicable alternative acquisition proposal or an express reaffirmation of the CCIT board of directors' recommendation that CCIT stockholders vote to approve the Merger is deemed an adverse recommendation change under the Merger Agreement.

Form S-4, Joint Proxy Statement/Prospectus; Stockholders Approvals

SIR and CCIT agreed to prepare and cause to be filed with the SEC this joint proxy statement/prospectus and SIR agreed to prepare and file a Registration Statement on Form S-4, or Form S-4, with respect to the Merger and the SIR Share Issuance, which includes this joint proxy statement/prospectus, in each case as promptly as reasonably practicable. SIR and CCIT also agreed to use their reasonable best efforts to (i) have the Form S-4 declared effective under the Securities Act as promptly as practicable after filing, (ii) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Exchange Act and Securities Act and (iii) to keep the Form S-4 effective for so long as necessary to complete the Merger unless the Merger Agreement is terminated.

SIR and CCIT each agreed to use their reasonable best efforts to cause this joint proxy statement/prospectus to be mailed to their shareholders and stockholders, respectively, entitled to vote at their respective shareholder and stockholder meetings and to hold such meetings as soon as practicable after the Form S-4 is declared effective. SIR further agreed to include in this joint proxy statement/prospectus the recommendation of the SIR board of trustees that SIR shareholders approve the SIR

Share Issuance and to use its reasonable best efforts to obtain such approval. CCIT also agreed to include in this joint proxy statement/prospectus the recommendation of the CCIT board of directors that CCIT stockholders approve the Merger and the other transactions contemplated by the Merger Agreement and to use its reasonable best efforts to obtain such approval.

Access to Information; Confidentiality

The Merger Agreement requires CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, to provide, with limited exceptions, to the other, upon reasonable notice and during normal business hours, reasonable access to its properties, offices, books, contracts, commitments, personnel and records, and CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, are required to furnish reasonably promptly to the other a copy of each report, schedule, registration statement and other document filed prior to closing pursuant to federal or state securities laws and all other information concerning its business, properties and personnel as the other party may reasonably request. However, CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, are not required to disclose to the other any information relating to the consideration, negotiation or performance of the Merger Agreement and related agreements or any information the disclosure of which would violate applicable law or any legal duty of the disclosing party.

CCIT, SIR and SIR Merger Sub have further agreed to use their respective reasonable best efforts to minimize disruption to the businesses of the other parties that may result for requests for access, data and information, and each of them and their respective representatives will not use such access, data and information for purposes other than the completion of the Merger, the other transactions contemplated by the Merger Agreements and the Healthcare Properties Sale (including for any competitive purpose).

CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, have agreed to hold, and to cause its representatives and affiliates to hold, any non-public information in confidence to the extent required by the terms of its existing confidentiality agreements. However, SIR is permitted to disclose such information to its lenders and SNH, and, subject to certain limitations, SIR's lenders and SNH are permitted to use such information in connection with the transactions contemplated under the Merger Agreement and the Healthcare Properties Sale, including as part of their respective due diligence investigations.

Efforts to Complete Transactions; Consents and Approvals

Each of CCIT, SIR and SIR Merger Sub has agreed to use their reasonable best efforts to take all actions and do all things necessary, proper or advisable under applicable laws or pursuant to any contract or agreement to complete and make effective, as promptly as practicable, the Merger and the other transactions contemplated by the Merger Agreement, including the taking of all actions reasonably necessary to cause the closing conditions to be satisfied, the obtaining of all necessary actions or nonactions, waivers, consents and approvals from governmental authorities or other persons or entities in connection with the Merger and the other transactions contemplated by the Merger Agreement, making all necessary registrations and filings, executing and delivering all additional instruments necessary to complete the Merger and the transactions contemplated by the Merger Agreement, and defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging the Merger Agreement or the Merger or other transactions contemplated by the Merger Agreement.

Each of CCIT, SIR and SIR Merger Sub has agreed to provide any necessary notices to third parties and to use their commercially reasonable efforts to obtain any third party consents that are necessary, proper or advisable to complete the Merger, the other transactions contemplated by the Merger Agreement or the Healthcare Properties Sale. CCIT, SIR and SIR Merger Sub will cooperate in the preparation of government filings and submissions, and will inform each other of government

inquiries, consult with each other before making submissions or filings and supply each other with all documentation pertaining to these submissions and filings. To the extent reasonably practicable, CCIT, SIR and SIR Merger Sub must give each other the opportunity to review, and consult with each other regarding, documents to be filed with government authorities in connection with the Merger Agreement and neither party may attend a meeting with government officials pertaining to the transactions contemplated by the Merger Agreement without giving the other party notice and an opportunity to participate in such a meeting.

Notification of Certain Matters; Transaction Litigation

CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, have agreed to provide reasonably prompt notice to the other of any notice received from any governmental authority in connection with the Merger Agreement or the transactions contemplated by the Merger Agreement, or from any person or entity alleging that its consent is or may be required in connection with any such transaction.

CCIT, on the one hand, and SIR and SIR Merger Sub on the other hand, have agreed to provide prompt notice to the other if any representation or warranty made by it in the Merger Agreement becomes untrue or inaccurate such that the applicable closing conditions would reasonably be expected to be incapable of being satisfied by March 31, 2015, if it fails to comply with or satisfy in any material respect any covenant, condition or agreement contained in the Merger Agreement or, if, to its knowledge, the occurrence of any state of facts, change, development, event or condition would cause, or reasonably be expected to cause, any of the conditions to closing not to be satisfied or satisfaction to be materially delayed.

CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, have agreed to give prompt written notice to the other upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or to any of its subsidiaries which could reasonably be expected to have, individually or in the aggregate, a material adverse effect on such party.

CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, have agreed to provide prompt notice to the other of any claim, action, suit, charge, demand, inquiry, subpoena, proceeding, arbitration, mediation or other investigation commenced or to such party's knowledge threatened against, relating to or involving such party or any of its subsidiaries in connection with the Merger Agreement, the Merger or the other transactions contemplated by the Merger Agreement. Each has agreed to allow the other the opportunity to reasonably participate in the defense and settlement of any stockholder litigation, including arbitration proceedings, and not to agree to a settlement of any such litigation or arbitration without the other's consent (not to be unreasonably withheld, conditioned or delayed).

Public Announcements

SIR, SIR Merger Sub and CCIT have agreed, to the extent reasonable under the circumstances and subject to certain exceptions, that they and their respective affiliates will consult with, and receive consent (not to be unreasonably withheld) from, each other before issuing any press release or otherwise making any public statements or filings with respect to the Merger Agreement or any of the transactions contemplated by the Merger Agreement.

Indemnification of Directors and Officers; Insurance

SIR Merger Sub, as the surviving entity, has agreed to honor the obligations of CCIT with respect to indemnification, advancement of expenses and exculpation and related matters under CCIT's governing documents and any indemnification agreements in effect as of the date of the Merger Agreement. Additionally, for a period of six years after the Effective Time, pursuant to the terms of the Merger Agreement and subject to certain limitations, the surviving entity has agreed to indemnify,

defend and hold harmless each officer, director or agent of CCIT covered by indemnifications provisions in CCIT's governing documents or by a separate indemnification agreement for actions or omissions pertaining to such person's capacity as an officer, director or agent of CCIT, the Merger Agreement or the transactions contemplated by the Merger Agreement. For a period of six years, the organizational documents of the surviving entity shall also contain provisions no less favorable with respect to the indemnification of such individuals than the indemnification provisions set forth in CCIT's governing documents as of the date of the Merger Agreement.

Prior to the Effective Time, CCIT has agreed to obtain and pay for a non-cancelable extension of the coverage afforded by CCIT's existing directors' and officers' liability insurance policies covering at least six years after the Effective Time with respect to any claim related to any period of time at or prior to the Effective Time from one or more insurance carriers with the same or better credit rating as CCIT's current insurance carrier and with terms, conditions and retentions that are no less favorable in the aggregate than the coverage provided under CCIT's existing policies, with limits of liability that are no lower than the limits of CCIT's existing policies, as long as the annual premium does not exceed 250% of the annual aggregate premium(s) under CCIT's existing policies.

The Merger Agreement also provides that, in the event the surviving entity merges into any other entity and does not continue its corporate existence, liquidates, dissolves or winds-up or transfers or conveys all or substantially all of its assets, then SIR (or the successor and assigns of SIR or the surviving entity) shall assume the indemnification obligations set forth above.

Financing and Financing Cooperation; Healthcare Properties Sale

The Merger Agreement requires SIR and SIR Merger Sub, unless they have sufficient cash from other sources to pay the Cash Consideration and otherwise complete the Merger and the other transactions contemplated by the Merger Agreement, to use their commercially reasonable efforts to (i) take all actions necessary, proper or advisable to obtain the full amount of the financing (or such portion as SIR deems necessary to satisfy its obligations under the Merger Agreement) on the terms and conditions of the Commitment Letter, (ii) maintain in effect and enforce their rights under the Commitment Letter in accordance with the terms and subject to the conditions thereof, (iii) negotiate and enter into definitive agreements with respect to the financing contemplated by the Commitment Letter on the terms and conditions contained therein and (iv) satisfy (or obtain the waiver of) all conditions within SIR's and SIR Merger Sub's control to funding contained in the Commitment Letter and complete the financing contemplated thereunder at or prior to the closing. SIR and SIR Merger Sub have agreed to inform CCIT on a reasonably current basis of the status of efforts to obtain the financing described above, including giving CCIT prompt notice upon SIR or SIR Merger Sub becoming aware of material breaches or defaults by any party to the Commitment Letter, any termination of the financing contemplated by the Commitment Letter and/or the implementation of any flex provisions in order to effect all or any portion of such financing, if such flex provisions would be reasonably expected to prevent or materially delay the closing. For more information regarding the Commitment Letter and the terms and conditions thereunder, see "Related Agreements Commitment Letter" on page 209 of this joint proxy statement/prospectus.

SIR and SIR Merger Sub are also prohibited from permitting any amendment, modification or waiver to the Commitment Letter that (i) would reduce the aggregate amount of financing thereunder such that SIR or SIR Merger Sub would be unable to pay the Cash Consideration, cash in lieu of any fractional SIR Common Shares or any other amounts required to be paid by SIR or SIR Merger Sub in connection with the transactions contemplated by the Merger Agreement or (ii) imposes new conditions or otherwise modifies the terms and conditions of the financing in a manner that would reasonably be expected to materially delay or prevent the closing, make the timely funding of the financing less likely to occur or relieve any of the financing sources of any of their funding commitments under the Commitment Letter. Notwithstanding the foregoing, SIR may substitute other

financing or other financing sources provided that such substitution would not (and would not expand or modify the terms of the Commitment Letter in a manner that would) be reasonably expected to materially delay or prevent the closing or make the timely funding of the financing less likely to occur.

Under the Merger Agreement, if the Commitment Letter is terminated or modified in a manner so as to materially delay or prevent the closing, or if any portion of the financing contemplated thereunder becomes unavailable (other than as a result of obtaining substitute financing as permitted in the Merger Agreement) and such portion is necessary for SIR to satisfy its obligations under the Merger Agreement, SIR must use its commercially reasonable efforts to promptly obtain alternative financing from alternative sources on terms and in an amount such that the aggregate funds (together with other financial resources of SIR and SIR Merger Sub, any remaining portion of the financing contemplated under the Commitment Letter and any proceeds from the Healthcare Properties Sale) will be sufficient to complete the transactions contemplated under the Merger Agreement, including the payment of the Cash Consideration and the refinancing of CCIT's credit agreement and other indebtedness as required under the Merger Agreement. SIR's ability to finance the Merger, including the completion of the Healthcare Properties Sale, is not a condition to its obligation to complete the Merger.

CCIT has agreed to use its reasonable best efforts to provide all cooperation reasonably requested by SIR and SIR's lenders in connection with the financing, including (i) furnishing, and periodically updating, certain financial statements and other financial information of CCIT and its subsidiaries, (ii) using commercially reasonable efforts to provide information relevant to, or reasonably requested by SIR and its lenders for, offering materials and other customary marketing materials to complete a successful syndication or offering and participating in due diligence sessions and informational meetings with SIR, its lenders and their respective representatives, (iii) causing CCIT's independent auditors to cooperate with such financing, including by providing customary "comfort letters," customary due diligence assistance and customary consents to the inclusion of audit reports relevant marketing materials and government filings, (iv) causing CCIT's legal counsel to provide customary assistance with the due diligence activities of SIR and its lenders, including providing customary legal opinions on the closing date in connection with the financing, (v) ensuring that the financing benefits from the existing lending relationships of CCIT and its subsidiaries, (vi) assisting SIR in the preparation of any definitive financing documents and related certifications, opinions and resolutions with respect to the financing as may reasonably be requested by SIR, (vii) delivery to SIR and its lenders of certain documentation required by bank regulatory authorities, (viii) taking all corporate actions reasonably requested by SIR or its lenders to facilitate the completion of the financing and cooperating with SIR and SIR Merger Sub to satisfy the conditions precedent in the financing set forth in the Commitment Letter, (ix) taking all actions reasonably requested by SIR and its lenders in connection with the refinancing of CCIT's credit agreement and other indebtedness as required under the Merger Agreement and (x) using commercially reasonable efforts to assist SIR in procuring a public corporate credit rating and a public corporate family rating in respect of the facilities contemplated by the Commitment Letter and any debt securities offered in connection therewith. CCIT has also agreed to use its reasonable best efforts to deliver all notices and take other actions required to facilitate the termination of its existing credit agreement and the repayment in full of all obligations thereunder and release of any liens and guarantees in connection therewith, including delivery to SIR at least five business days prior to the closing date customary payoff letters with respect to CCIT's existing credit agreement in substantially final form and in form and substance reasonably acceptable to SIR.

CCIT has further agreed to use its reasonable best efforts to provide all cooperation reasonably requested by SIR in connection with the Healthcare Properties Sale, including (i) taking all actions and providing information related to the Healthcare Properties that is reasonably available to it to assist SNH in the preparation of any financing documents and related certifications opinions, and resolutions with respect to the Healthcare Properties Sale as may reasonably be requested by SIR and (ii) taking all corporate actions reasonably requested by SIR or SIR Merger Sub to facilitate the completion of

the Healthcare Properties Sale and cooperating with SIR and SIR Merger Sub to satisfy the conditions precedent in the financing set forth in the Healthcare Properties Purchase and Sale Agreement.

Other Covenants and Agreements

The Merger Agreement contains certain other covenants and agreements, including covenants related to:

CCIT taking all action necessary to terminate its distribution reinvestment plan and share redemption program effective immediately prior to the Effective Time;

each of SIR and CCIT using its reasonable best efforts to cause the Merger to qualify as a "reorganization" within the meaning of Section 368(a) of the Code;

SIR taking all reasonable action necessary to cause SIR Merger Sub and the surviving entity to perform their respective obligations under the Merger Agreement and to complete the Merger on the terms of the Merger Agreement;

each of CCIT and SIR, as applicable taking all steps to ensure that any disposition of CCIT Common Stock and any acquisition of SIR Common Shares in connection with the Merger and the other transactions contemplated by the Merger Agreement by certain individuals are exempted pursuant to Rule 16b-3 promulgated under the Exchange Act from giving rise to any liability under Section 16 of the Exchange Act;

at or as soon as reasonably practicable after the closing, the surviving entity using its commercially reasonable efforts to change the name of each CCIT subsidiary to remove the word "Cole" from such subsidiary's name; and

at or as soon as reasonably practicable after the closing, CCIT, on the one hand, and SIR and SIR Merger Sub, on the other hand, cooperating in good faith with one another to replace the Cole Advisors (or its applicable affiliate) as the non-member manager and/or springing member of certain of CCIT's subsidiaries.

Termination of the Merger Agreement

Termination by Mutual Agreement

The Merger Agreement may be terminated at any time before the Effective Time by the mutual written agreement of SIR and CCIT.

Termination by Either SIR or CCIT

The Merger Agreement may also be terminated prior to the Effective Time by either SIR or CCIT if:

the Merger has not been completed on or before March 31, 2015; provided, that this termination right will not be available to a party if that party failed to fulfill its obligations under the Merger Agreement and that failure was a principle cause of, or, resulted in, the failure of the Merger to be completed on or before such date;

a governmental authority of competent jurisdiction has issued a final and non-appealable order, decree or ruling permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by the Merger Agreement and such order or other action has become final and non-appealable;

Edgar Filing: Select Income REIT - Form S-4/A

CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement at a duly held meeting (provided that this termination right will not be available to CCIT if the failure to obtain such CCIT stockholder approval was primarily due to CCIT's failure to perform any of its obligations under the Merger Agreement); or

SIR shareholders fail to approve the SIR Share Issuance at a duly held meeting (provided that this termination right will not be available to SIR if the failure to obtain such SIR shareholder approval was primarily due to SIR's failure to perform any of its obligations under the Merger Agreement).

For the purposes of the termination rights described above, the failure of SIR to perform its obligations includes the failure of SIR Merger Sub to do so.

Termination by SIR

The Merger Agreement may also be terminated prior to the Effective Time by SIR if:

CCIT has breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement that would, or would reasonably be expected to, result in a failure of SIR's condition to completion of the Merger related to the accuracy of CCIT's representations and warranties or CCIT's material performance of or compliance with its obligations under the Merger Agreement and such breach cannot be cured by CCIT on or before March 31, 2015 or, if curable, is not cured by CCIT within twenty days after receiving written notice of such breach from SIR (provided that this termination right will not be available to SIR if SIR or SIR Merger Sub is then in breach of the Merger Agreement and such breach would result in the failure of CCIT's condition to completion of the Merger related to the accuracy of SIR's and SIR Merger Sub's representations and warranties or SIR's and SIR Merger Sub's material performance of or compliance with their obligations under the Merger Agreement); or

at any time prior to the approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders, (i) the CCIT board of directors has made an adverse recommendation change, (ii) following the disclosure or announcement of an alternative acquisition proposal with respect to CCIT, other than a tender offer or exchange offer described in (iii) below, the CCIT board of directors fails to reaffirm publicly its recommendation that CCIT stockholders approve the Merger and the other transactions contemplated by the Merger Agreement within five business days after SIR requests such reaffirmation in writing, (iii) a tender offer or exchange offer is commenced that would, if completed, constitute an alternative acquisition proposal and the CCIT board of directors fails to recommend against acceptance of such tender or exchange offer by CCIT stockholders within ten business days of the commencement of such tender offer or exchange offer (or of any change in the terms of such tender offer or exchange offer), (iv) the CCIT board of directors publicly announces its intention to take any of the actions in (i) through (iii) above or (v) CCIT has breached in any material respect any of its obligations under the Merger Agreement regarding solicitation of alternative acquisition proposals, to recommend through the CCIT board of directors that stockholders vote for the Merger or to use its reasonable best efforts to solicit and obtain the approval of CCIT stockholders for the Merger.

Termination by CCIT

The Merger Agreement may be terminated prior to the Effective Time by CCIT:

if SIR or SIR Merger Sub has breached or failed to perform any of its representations, warranties, covenants or agreements in the Merger Agreement that would, or would reasonably be expected to, result in a failure of CCIT's condition to completion of the Merger related to the accuracy of SIR's and SIR Merger Sub's representations and warranties or SIR's and SIR Merger Sub's material performance of or compliance with their obligations under the Merger Agreement and such breach cannot be cured by SIR or SIR Merger Sub by March 31, 2015 or, if curable, is not cured by SIR or SIR Merger Sub within twenty days after receiving written notice of such breach from CCIT (provided that this termination right will not be available to

Table of Contents

CCIT if CCIT is then in breach of the Merger Agreement and such breach would result in the failure of SIR's condition to completion of the Merger related to the accuracy of CCIT's representations and warranties or CCIT's material performance of or compliance with its obligations under the Merger Agreement); and

at any time prior to the approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders in order to enter into an alternative acquisition agreement that constitutes a superior proposal that was not the result of a breach by CCIT of its obligations under the Merger Agreement, provided CCIT has complied with its obligations to give SIR an opportunity to make the other proposal and CCIT pays the termination payment described under "Termination Payment: Termination Fee and Expense Reimbursement" below prior to or concurrently with such termination.

Termination Payment: Termination Fee and Expense Reimbursement

CCIT has agreed to reimburse SIR for expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because CCIT stockholders fail to approve the Merger and the other transactions contemplated by the Merger Agreement at a duly held meeting.

SIR has agreed to reimburse CCIT for expenses in an aggregate amount not to exceed \$20.0 million if the Merger Agreement is terminated by either CCIT or SIR because SIR shareholders fail to approve the SIR Share Issuance at a duly held meeting.

CCIT has agreed to pay SIR a termination fee in the amount of \$75.0 million (less the amount, if any, of expenses paid by CCIT to SIR) if the Merger Agreement is terminated by:

either CCIT or SIR because the Merger is not completed by March 31, 2015 and the SIR shareholder approval has been obtained, but CCIT stockholder approval has not been obtained prior to this termination, or by SIR because CCIT breached or failed to perform any of its representations, warranties, covenants or other agreements (which breach cannot be cured by March 31, 2015 or, if curable, is not cured by CCIT within twenty days of receipt by CCIT from SIR of written notice of such breach or failure), and, in each case, after August 30, 2014, an alternative acquisition proposal for 50% or more of the issued and outstanding CCIT Common Stock or CCIT's assets has been made to CCIT or any person has publicly announced an intention to make such a proposal, and such proposal or intention has not been withdrawn prior to such termination, and CCIT completes or executes a definitive agreement (which is later completed) regarding an alternative acquisition proposal for 50% or more of the issued and outstanding CCIT Common Stock or CCIT's assets within twelve months of this termination;

either CCIT or SIR because CCIT stockholders do not approve the Merger and related transactions and, after August 30, 2014, an alternative acquisition proposal for 50% or more of the issued and outstanding CCIT Common Stock or CCIT's assets has been made to CCIT or any person has publicly announced an intention to make such a proposal, and such proposal or intention has not been withdrawn prior to such termination, and CCIT completes or executes a definitive agreement (which is later completed) regarding an alternative acquisition proposal for 50% or more of the issued and outstanding CCIT Common Stock or CCIT's assets within twelve months of this termination; or

CCIT at any time prior to receiving CCIT stockholder approval for the Merger in order to enter into an alternative acquisition agreement that constitutes a superior proposal; or

SIR at any time prior to the approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT stockholders, (i) if the CCIT board of directors has made an adverse recommendation change, (ii) following the disclosure or announcement of an alternative acquisition proposal with respect to CCIT, other than a tender or exchange offer described in

Table of Contents

(iii) below, if the CCIT board of directors fails to reaffirm publicly its recommendation that CCIT stockholders approve the Merger and the other transactions contemplated by the Merger Agreement within five business days after SIR requests such reaffirmation in writing, (iii) if a tender offer or exchange offer is commenced that would, if completed, constitute an alternative acquisition proposal and the CCIT board of directors fails to recommend against acceptance of such tender or exchange offer by CCIT stockholders within ten business days of the commencement of such tender offer or exchange offer, (iv) the CCIT board of directors publicly announces its intention to take any of the actions in (i) through (iii) above or (v) CCIT has breached in any material respect any of its obligations under the Merger Agreement regarding solicitation of alternative acquisition proposals, to recommend through the CCIT board of directors that stockholders vote for the Merger or to use its reasonable best efforts to solicit and obtain the approval of CCIT stockholders for the Merger.

Miscellaneous Provisions

Amendment and Modification; Extension and Waiver

The parties to the Merger Agreement may amend the Merger Agreement by mutual written agreement, provided that, after approval of the Merger and the other transactions contemplated by the Merger Agreement by CCIT's stockholders or the approval of the SIR Share Issuance by SIR shareholders, no amendment may be made which by law or in accordance with the rules of any stock exchange requires further approval by CCIT's stockholders or SIR's shareholders, without the approval of such stockholders. Furthermore, no amendment may be made which would adversely affect the rights of SIR's lenders as set forth in certain provisions of the Merger Agreement.

Prior to the Effective Time, CCIT, SIR or SIR Merger Sub may extend the time for performance of any obligation of the other or waive any inaccuracy in the representations and warranties of the other or the other party's compliance with any agreement or condition contained in the Merger Agreement to the extent permitted by law.

Payment of Expenses

Other than as described above under " Termination Payment: Termination Fee and Expense Reimbursement," the Merger Agreement provides that (i) SIR shall pay or reimburse CCIT for all expenses incurred (other than fees of attorneys, accountants and advisors) in connection with printing and filing the Form S-4 and printing, filing and mailing this joint proxy statement/prospectus, (ii) SIR shall be responsible for the fees and expenses of the exchange agent and (iii) all other fees and expenses incurred in connection with the Merger Agreement shall be paid by the party incurring such expenses.

Specific Performance

The parties to the Merger Agreement are entitled to injunctions, specific performance and other equitable relief to prevent breaches of the Merger Agreement and to enforce specifically the terms and provisions of the Merger Agreement in addition to any and all other remedies at law or in equity. However, CCIT and its subsidiaries have agreed that none of SIR's lenders have any liability to CCIT under the Merger Agreement and, accordingly, that CCIT and its subsidiaries have no rights or claims against such lenders in connection with the financing contemplated under the Commitment Letter.

Governing Law

The Merger Agreement is governed by the laws of the State of Maryland (without giving effect to choice of law principles thereof).

RELATED AGREEMENTS

Commitment Letter

Concurrently with the execution and delivery of the Merger Agreement, and to finance a portion of the Cash Consideration, the repayment of certain of CCIT's indebtedness and certain fees and expenses in connection with the Merger and related transactions, SIR entered into the Commitment Letter, as later amended, pursuant to which, on the terms, and subject to the conditions, of the Commitment Letter, Citi (or certain of its affiliates), UBS AG, Stamford Branch, UBS, Bank of America, N.A., Royal Bank of Canada, Jefferies Finance LLC and Morgan Stanley Bank, N.A. have committed to provide SIR a 364-day senior unsecured bridge loan facility in an aggregate principal amount of \$1.0 billion. The commitment to provide the bridge loan facility is subject to customary conditions as set forth in the Commitment Letter, limited to: (a) the negotiation, execution and delivery by SIR and the guarantors of customary definitive documentation, based on documentation relating to SIR's existing revolving credit facility consistent with the terms and conditions of the Commitment Letter; (b) the payment in full of all fees, expenses and other amounts due and payable by SIR under the Commitment Letter; (c) the administrative agent receiving customary closing documentation including, legal opinions, resolutions, copies of organizational documents and other customary certificates; (d) the completion of the Merger in accordance with the Merger Agreement (without amendment, modification or waiver thereof); (e) there having been no material adverse effect (pursuant to the terms of and as defined in the Merger Agreement); (f) the administrative agent receiving all requested documentation and other information under applicable "know your customer" and anti-money laundering rules and regulations with respect to SIR; (g) SIR shall have delivered certain financial statements for CCIT and (h) the accuracy of certain representations and warranties in the definitive credit documentation and the Merger Agreement. The terms and conditions of the bridge loan facility will be set forth in definitive documentation that will be based on the documentation relating to SIR's existing revolving credit facility consistent with the terms and conditions of the Commitment Letter. The preceding summary of the Commitment Letter is subject to, and qualified in its entirety by, the full text of the Commitment Letter attached hereto as Annex C. SIR also plans to seek longer term financing of the transaction through the issue of senior unsecured notes, either before the Merger closes or by refinancing some or all of the borrowings described in the Commitment Letter after the Merger closes.

Healthcare Properties Purchase and Sale Agreement

Concurrently with the execution and delivery of the Merger Agreement, SIR Merger Sub and SNH entered in the Healthcare Properties Purchase and Sale Agreement, which provides for the acquisition immediately upon closing of the Merger of the CCIT subsidiaries owning the Healthcare Properties for a purchase price of \$539.0 million (inclusive of the assumption by SNH of certain secured debt of approximately \$30.0 million). The Healthcare Properties are comprised of 23 Class A medical office buildings, which classification includes properties leased to medical providers, medical related businesses, clinics and biotech laboratory tenants. The sale of the Healthcare Properties is expected to close substantially concurrently with the closing of the Merger such that immediately upon completion of the Merger, SIR will cause the CCIT subsidiaries owning the Healthcare Properties to be transferred to SNH.

The completion of the Healthcare Properties Sale is subject to various conditions, including the completion of the Merger and the repayment of CCIT's existing credit facility and the absence of any law, order or injunction prohibiting the completion of the Healthcare Properties Sale. SIR Merger Sub's representations, warranties and covenants under the Healthcare Properties Purchase and Sale Agreement with respect to the Healthcare Properties are based upon CCIT's representations, warranties and covenants under the Merger Agreement with respect to such properties and the CCIT subsidiaries owning such properties. Under the Healthcare Properties Purchase and Sale Agreement,

SNH bears the risk of condemnation or casualty of the Healthcare Properties prior to closing and is entitled to receive any awards or insurance proceeds related thereto. SIR Merger Sub is liable for its breach of representations and warranties in an amount up to 5% of the purchase price. SNH has no right to terminate the Healthcare Properties Purchase and Sale Agreement without SIR Merger Sub's consent unless SIR and CCIT materially amend the Merger Agreement or waive any closing conditions therein, in each case, in a manner that is materially adverse to the interests of SNH. The parties have the right to specific performance to enforce the terms of the Healthcare Properties Purchase and Sale Agreement. SNH is responsible to SIR Merger Sub for any damages arising from its failure to perform its obligations under the Healthcare Properties Purchase and Sale Agreement. SIR joined as a party to the Healthcare Properties Purchase and Sale Agreement for the purpose of agreeing with SNH that (i) in the event that SIR terminates the Merger Agreement because CCIT stockholders do not approve the Merger and CCIT reimburses SIR's expenses as described above, SIR will reimburse SNH for their expenses up to \$2.5 million (or if SIR's and SNH's aggregate combined expenses are in excess of \$20.0 million, SIR will reimburse SNH for such lesser pro rata share of their expenses) and (ii) in the event that the Merger Agreement is terminated under circumstances where CCIT is required to pay SIR a termination fee, SIR will pay SNH a pro rata share of the net amount of such termination fee (after deduction of SIR's and SNH's aggregate combined expenses). The preceding summary of the Healthcare Properties Purchase and Sale Agreement is subject to, and qualified in its entirety by, the full text of the agreement attached hereto as Annex B.

Voting Agreements

Concurrently with the execution and delivery of the Merger Agreement, CCIT and ARCP entered into the Voting Agreements with GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy, principals of RMR and managing trustees of SIR. These shareholders collectively beneficially owned 22,079,775.054 SIR Common Shares, or approximately 36.8% of the issued and outstanding SIR Common Shares as of December 10, 2014. Pursuant to the Voting Agreements, GOV, RMR and Messrs. Barry M. Portnoy and Adam D. Portnoy agreed to vote all SIR Common Shares beneficially owned by them in favor of the SIR Share Issuance. The Voting Agreements will terminate upon certain circumstances, including upon termination of the Merger Agreement. The Voting Agreements also contain standstill provisions regarding SIR, SNH and GOV pursuant to which ARCP has agreed, among other things, not to make unsolicited proposals to acquire SIR, SNH or GOV for a period of thirty-six months. SIR is not a party to the Voting Agreements. The preceding summary of the Voting Agreements is subject to, and qualified in its entirety by, the full text of the GOV Voting Agreement and the RMR Voting Agreement attached hereto as Annex D and Annex E, respectively.

Termination and Transition Agreement

Concurrently with the execution and delivery of the Merger Agreement, the Cole Advisors and CCIT entered into the Termination and Transition Agreement which, among other things, provides for the termination upon the Effective Time of all management agreements previously entered into by any Cole Advisor, on the one hand, and CCIT and its subsidiaries, on the other hand.

CCI Advisors has agreed to provide certain transition services to SIR and the surviving entity, upon request by SIR, for the period following the Effective Time and ending upon the later of (i) the 90th day after the Effective Time and (ii) the 45th day after the end of SIR's fiscal quarter in which the Effective Time occurs. These transition services are to include assistance with financial reporting, transfer agency services and tax reporting. Notwithstanding the timeframe for transition services provided above, CCI Advisors has agreed that its transition services with respect to certain tax reporting matters will end on October 15, 2015. The parties to the Termination and Transition Agreement have agreed that any transition services requested beyond 250 hours in the aggregate, or

that are requested outside the scope of services provided for in the agreement, will be billed out on terms agreed upon by the parties.

Following the Effective Time and subject to certain limitations, the Cole Advisors have agreed to use their commercially reasonable efforts to assist and cooperate with SIR and the surviving entity regarding pending and future third party litigation related to CCIT or any of its subsidiaries and certain other complaints, investigations audits (including tenant audits) and other similar activities pertaining to CCIT or any of its subsidiaries related to the period prior to the Effective Time. This assistance and cooperation is subject to certain limitations designed to protect privileged information from disclosure. SIR and the surviving entity have also agreed to indemnify the Cole Advisors and their affiliates and associates against any losses or damages arising out of their provision of such assistance, which indemnification is subject to certain conditions.

The Termination and Transition Agreement also stipulates that all fees to be paid to, and all expense reimbursement of, the Cole Advisors by CCIT, SIR and/or SIR Merger Sub shall be calculated in accordance with the CCIT Advisory Agreement and that the Subordinated Performance Fee and Disposition Fee, if any, payable under the CCIT Advisory Agreement for periods through and including the Effective Time and taking into account the transactions contemplated by the Merger Agreement shall not exceed \$14.35 million in the aggregate. The preceding summary of the Termination and Transition Agreement is subject to, and qualified in its entirety by, the full text of the agreement attached hereto as Annex F.

NO APPRAISAL RIGHTS

As permitted by the MGCL, CCIT's charter provides that stockholders shall not be entitled to exercise any appraisal rights unless the CCIT board of directors, upon the affirmative vote of a majority of the board, determines that such rights apply. Because the CCIT board of directors has not made such a determination, CCIT stockholders are not entitled to exercise any appraisal rights.

Under Maryland law, SIR shareholders are not entitled to appraisal rights in connection with the SIR Share Issuance.

COMPARISON OF RIGHTS OF SIR SHAREHOLDERS AND CCIT STOCKHOLDERS

General

The rights of SIR shareholders are governed by Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland, or the Maryland REIT Law, SIR's declaration of trust and bylaws and certain provisions of the MGCL that are incorporated in the Maryland REIT Law and by SIR's declaration of trust and the rights of CCIT stockholders are governed by the MGCL and CCIT's charter and bylaws. As a result of the Merger, CCIT stockholders who receive the Share Consideration will become SIR shareholders and, accordingly, the Maryland REIT Law and SIR's declaration of trust and bylaws will govern their rights. The following is a summary of the material differences as of the date of this joint proxy statement/prospectus between the rights of CCIT stockholders and the rights of SIR shareholders under the governing documents of SIR and CCIT and the above-described laws which govern SIR and CCIT.

Certain Differences Between the Rights of SIR Shareholders and CCIT Stockholders

The following chart is only a summary of certain material differences between the rights of SIR shareholders and CCIT stockholders and does not purport to be a complete description of all of the differences. Pre-Merger and Post-Merger:

For all extraordinary transactions (merger, consolidation, sale of all or substantially all assets or dissolution) and certain amendments to the declaration of trust (other than amendments to the declaration of trust that do not require shareholder approval, such as an increase in the aggregate number of authorized shares of beneficial interest or the number of authorized shares of any class or series of beneficial interest, changing the name of SIR and an amendment to qualify as a REIT under the Code), if the matter is approved by at least 60% of the trustees then in office, including 60% of the independent trustees, the affirmative vote of a majority of all the votes entitled to be cast on the matter is required for approval. State Takeover Defense Statutes

Pre-Merger and Post-Merger:

Under certain provisions of the MGCL, certain "business combinations" (including a merger, consolidation, statutory share exchange and, in certain circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland REIT and any person who beneficially owns 10% or more of the voting power of the REIT's outstanding voting shares, or an affiliate or associate of the REIT who beneficially owned 10% or more of the voting power of the REIT's then outstanding shares at any time within the preceding two years, in each case referred to as an "interested shareholder," or an affiliate thereof, are prohibited for five years after the most recent date on which the interested shareholder becomes an interested shareholder. Thereafter, any such business combination must be recommended by the board of trustees and approved by the affirmative vote of at least (i) 80% of the votes entitled to be cast by holders of outstanding voting shares of the REIT and (ii) $\frac{2}{3}$ of the votes entitled to be cast by holders of voting shares of the REIT other than shares held by the interested shareholder or its affiliates or associates. The super-majority vote requirements do not apply, however, to business combinations that are approved or exempted by the board of trustees prior to the time that the interested shareholder becomes an interested shareholder or if the business combination satisfies certain minimum price, form-of-consideration and procedural requirements. At the time of GOV's acquisition of SIR Common Shares, the SIR board of trustees adopted a resolution exempting GOV and its affiliates (as defined in the MGCL), including, without limitation, RMR, from being "interested stockholders" under the above mentioned provisions. As permitted by the MGCL, the SIR board of trustees has also adopted a resolution that any business combination between SIR and any other person is exempted from the provisions of the MGCL described above, provided that the business combination is first approved by the board of trustees, including the approval of a majority of the members of the board of trustees who are not affiliates or associates of the

Pre-Merger:

Under certain provisions of the MGCL, certain "business combinations" (including a merger, consolidation, statutory share exchange and, in certain circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and any person who beneficially owns 10% or more of the voting power of the corporation's outstanding voting stock, or an affiliate or associate of the corporation who beneficially owned 10% or more of the voting power of the corporation's then outstanding stock at any time within the preceding two years, in each case referred to as an "interested stockholder," or an affiliate thereof, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. The super-majority vote requirements do not apply, however, to business combinations that are approved or exempted by the board of directors prior to the time that the interested stockholder becomes an interested stockholder or if the business combination satisfies certain minimum price, form-of-consideration and procedural requirements. As permitted by the MGCL, the CCIT board of directors has adopted a resolution exempting from the provisions of the MGCL described above (a) any business combination between CCIT and CCI Advisors or any affiliate of CCI Advisors, (b) the Merger and (c) any business combination between CCIT and any person who becomes an "interested stockholder" of CCIT as a result of the Merger or the Merger Agreement; provided, however, that the exemptions listed in subsections (b) and (c) hereof will not apply in the event the Merger Agreement is terminated.

interested shareholder. In connection with the approval of the Merger Agreement and related transactions, the SIR board of trustees also adopted a resolution, subject to CCIT's compliance with the terms of the Voting Agreements, exempting CCIT from being an "interested shareholder" under the above mentioned provisions for the sole and limited purposes of completing the transactions contemplated by the Merger Agreement and voting the SIR Common Shares beneficially owned by GOV and RMR as set forth in the Voting Agreements.

Under certain provisions of the MGCL, a Maryland REIT with a class of equity securities registered under the Exchange Act and at least three independent trustees may elect to be subject, by provision in its declaration of trust or bylaws or by resolution of its board of trustees and notwithstanding any contrary provision in the declaration of trust or bylaws, to any or all of five following provisions: (i) a classified board, (ii) a $\frac{2}{3}$ vote requirement for removing a trustee, (iii) a requirement that the number of trustees be fixed only by vote of the trustees, (iv) that any and all vacancies on the board of trustees may be filled only by the remaining trustees, even if the remaining trustees do not constitute a quorum, and for the remainder of the full term of the class of trustees in which the vacancy occurred and (v) a majority requirement for the calling of a special meeting of shareholders.

Through provisions in its declaration of trust and bylaws, SIR (i) has a classified board, (ii) requires vacancies on the board to be filled only by the affirmative vote of a majority of the remaining trustees in office, even if the remaining trustees do not constitute a quorum, and provides that any trustee elected to fill a vacancy shall serve for the remainder of the full term of the class in which the vacancy occurred, (iii) allows the number of trustees to be fixed only by a vote of the trustees, provided that the number is not less than three and (iv) allows special meetings of shareholders to only be called by a majority of the trustees then in office.

CCIT

Under certain provisions of the MGCL, a Maryland corporation with a class of equity securities registered under the Exchange Act and at least three independent directors may elect to be subject, by provision in its charter or bylaws or by resolution of its board of directors and notwithstanding any contrary provision in the charter or bylaws, to any or all of five following provisions: (i) a classified board, (ii) a $\frac{2}{3}$ vote requirement for removing a director, (iii) a requirement that the number of directors be fixed only by vote of the directors, (iv) that any and all vacancies on the board of directors may be filled only by the remaining directors, even if the remaining directors do not constitute a quorum, and for the remainder of the full term of the class of directors in which the vacancy occurred and (v) a majority requirement for the calling of a special meeting of stockholders.

CCIT's charter provides that, pursuant to the MGCL, except as may be provided by the CCIT board of directors in setting the terms of any class or series of preferred stock, vacancies on the board may be filled only by the affirmative vote of a majority of the remaining directors in office, even if the remaining directors do not constitute a quorum, and any director elected to fill a vacancy shall serve for the remainder of the full term of the directorship in which the vacancy occurred. Through provisions in the charter and bylaws unrelated to the foregoing provisions of the MGCL, CCIT allows the number of directors to be fixed only by vote of the directors.

Pre-Merger and Post-Merger:

SIR's declaration of trust contains a provision which eliminates directors' and officers' liability for money damages to SIR or shareholders to the maximum extent permitted by applicable Maryland law. SIR's declaration of trust also grants SIR the power, and SIR's bylaws require SIR, to the maximum extent permitted by applicable Maryland law, to indemnify, and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to, (i) any individual who is a former trustee or officer of SIR or (ii) any individual who, while a trustee or officer of SIR and at the request of SIR, serves or has served as a trustee, director, officer, or partner of another real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise from and against any claim or liability to which such person may become subject or incur by reason of his or her service in that capacity.

Pre-Merger:

CCIT's charter contains a provision that eliminates directors' and officers' liability for money damages as permitted by Maryland law, provided that certain additional conditions as described below are met. In addition, CCIT's charter generally requires it to indemnify, and pay or reimburse reasonable expenses in advance of final disposition of a proceeding to, a director, an officer, its advisor or any affiliate of its advisor against any and all losses or liabilities reasonably incurred by such director, officer, advisor or affiliate in connection with or by reason of any act or omission performed or omitted to be performed on its behalf in such capacity.

However, under CCIT's charter, CCIT may not indemnify its directors, its advisor or any affiliate of its advisor for any liability or loss suffered by them nor may CCIT provide that its directors, its advisor or any affiliate of its advisor be held harmless for any loss or liability suffered by CCIT, unless all of the following conditions are met: (i) the person seeking indemnification determined, in good faith, that the course of conduct which caused the loss or liability was in CCIT's best interests; (ii) the person seeking indemnification was acting on CCIT's behalf or performing services for CCIT; (iii) such liability or loss was not the result of (A) negligence or misconduct by the non-independent directors, CCIT's advisor or its affiliates or (B) gross negligence or willful misconduct by the independent directors; and (iv) such indemnification or agreement to hold harmless is recoverable only out of CCIT's net assets and not from stockholders. In addition, the directors, CCIT's advisor or its affiliates and any persons acting as a broker-dealer may not be indemnified by CCIT for any losses, liability or expenses arising from or out of an alleged violation of federal or state securities laws by such party unless one or more of the following conditions are met: (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee, (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular

CCIT's charter further provides that the advancement of funds to the directors, CCIT's advisor or the advisor's affiliates for legal expenses and other costs incurred as a result of any legal action for which indemnification is being sought is permissible only if all of the following conditions are satisfied: (i) the legal action relates to acts or omissions with respect to the performance of duties or services on CCIT's behalf; (ii) the person seeking indemnification provides CCIT with written affirmation of his, her or its good faith belief that he, she or it has met the standard of conduct necessary for indemnification, (iii) the legal action is initiated by a third party who is not a stockholder, or if the legal action is initiated by a stockholder acting in his or her capacity as such, a court of competent jurisdiction approves such advancement and (iv) the person seeking indemnification agrees in writing to repay the advanced funds to CCIT, together with the applicable legal rate of interest thereon, in cases in which such person is found not to be entitled to indemnification.

(ii) Subject to Section 3.1(d) and Section 3.2, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than shares cancelled pursuant to Section 3.1(a)(i)) shall be converted, at the election of the holder thereof, in accordance with the procedures set forth in Section 3.3, into the right to receive the following consideration, as modified pursuant to Section 3.2 (collectively, the "Merger Consideration"), in each case without interest:

(A) for each share of Company Common Stock with respect to which an election to receive cash has been effectively made and not revoked or deemed revoked pursuant to this Article III (a "Cash Election" and such shares collectively, the "Cash Election Shares"), the right to receive in cash from Parent an amount (the "Cash Consideration") equal to the Per Share Cash Amount;

(B) for each share of Company Common Stock with respect to which an election to receive Parent Common Shares has been effectively made and not revoked or deemed revoked pursuant to this Article III (a "Share Election" and such shares collectively, the "Share Election Shares"), the right to receive from Parent a number of validly issued, fully

paid and non-assessable Parent Common Shares equal to the Exchange Ratio (the "Share Consideration"); and

(C) for each share of Company Common Stock other than Cash Election Shares and Share Election Shares (collectively, the "Non-Electing Shares"), the right to receive from Parent the Share Consideration.

(b) All shares of Company Common Stock, when so converted pursuant to Section 3.1(a)(ii) (as modified by Section 3.2), shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist, and each holder of a certificate (a "Certificate") or book-entry share registered in the transfer books of the Company (a "Book-Entry Share") that immediately prior to the Effective Time represented shares of Company Common Stock shall cease to have any rights with respect to such Company Common Stock other than the right to receive the Merger Consideration in accordance with Section 3.5, including the right, if any, to receive, pursuant to Section 3.13, cash in lieu of fractional Parent Common Shares into which such shares of Company Common Stock have been converted pursuant to Section 3.1(a)(ii) (as modified by Section 3.2) together with the amounts, if any, payable pursuant to Section 3.7.

(c) All membership interests in Merger Sub issued and outstanding immediately prior to the Effective Time shall remain as the only issued and outstanding membership interests in the Surviving Entity.

(d) Without limiting the other provisions of this Agreement and subject to Section 6.1(a)(ii) and Section 6.1(a)(iii), if at any time during the period between the date of this Agreement and the Effective Time, the Company should split, combine or otherwise reclassify the shares of Company Common Stock, or make a dividend or other distribution in shares of Company Common Stock (including any dividend or other distribution of securities convertible into Company Common Stock), or engage in a reclassification, reorganization, recapitalization or exchange or other like change, then (without limiting any other rights of the Parent Parties hereunder), the Merger Consideration shall be ratably adjusted to reflect fully the effect of any such change. Without limiting the other provisions of this Agreement and subject to Section 6.2(a)(ii) and Section 6.2(a)(iii), if at any time during the period between the date of this Agreement and the Effective Time, Parent should split, combine or otherwise reclassify the Parent Common Shares, or make a distribution in Parent Common Shares (including any dividend or other distribution of securities convertible into Parent Common Shares), or engage in a reclassification, reorganization, recapitalization or exchange or other like change, then the Merger Consideration shall be ratably adjusted to reflect any such change.

Section 3.2 Proration Modifications.

(a) Notwithstanding any other provision contained in this Agreement:

(i) the maximum aggregate number of shares of Company Common Stock that may be converted into the right to receive the Cash Consideration pursuant to this Article III shall be equal to the product (rounded down to the nearest whole share) of (A) sixty percent (60%) multiplied by (B) the number of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (the "Maximum Cash Conversion Number");

(ii) the minimum aggregate number of shares of Company Common Stock that will be converted into the right to receive the Cash Consideration pursuant to this Article III shall be equal to the product (rounded up to the nearest whole share) of (A) forty percent (40%) multiplied by (B) the number of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (the "Minimum Cash Conversion Number"); and

(iii) if the Cash Elections and Share Elections would result in the payment by Parent of Cash Consideration in respect of a number of shares of Company Common Stock greater than the

Table of Contents

Maximum Cash Conversion Number or less than the Minimum Cash Conversion Number, the Cash Consideration and Share Consideration shall be allocated among former holders of Company Common Stock as set forth in Section 3.2(b).

(b) Within two (2) Business Days after the Effective Time, Parent shall instruct the Exchange Agent to effect the allocation among former holders of Company Common Stock of rights to receive the Cash Consideration and the Share Consideration as follows:

(i) If the Cash Election Number is less than or equal to the Maximum Cash Conversion Number and greater than or equal to the Minimum Cash Conversion Number, then all Cash Election Shares shall be converted into the right to receive the Cash Consideration and all Non-Electing Shares and Share Election Shares shall be converted into the right to receive the Share Consideration, in each case in accordance with Section 3.1(a)(ii).

(ii) If the aggregate number of shares of Company Common Stock with respect to which Cash Elections shall have been made (the "Cash Election Number") exceeds the Maximum Cash Conversion Number, then (A) all Share Election Shares and all Non-Electing Shares shall be converted into the right to receive the Share Consideration in accordance with Section 3.1(a)(ii)(B) and Section 3.1(a)(ii)(C), respectively and (B) Cash Election Shares held by a holder thereof shall be converted into the right to receive the Cash Consideration in respect of that number of Cash Election Shares equal to the product obtained by multiplying (1) the number of Cash Election Shares held by such holder by (2) a fraction, the numerator of which is the Maximum Cash Conversion Number and the denominator of which is the Cash Election Number, with the remaining number of such holder's Cash Election Shares being converted into the right to receive the Share Consideration.

(iii) If the Cash Election Number is less than the Minimum Cash Conversion Number (the amount of such difference, the "Minimum Cash Conversion Number Shortfall"), then (A) all Cash Election Shares shall be converted into the right to receive the Cash Consideration in accordance with Section 3.1(a)(ii)(A), (B)(1) if the aggregate number of all Non-Electing Shares is less than or equal to the Minimum Cash Conversion Number Shortfall, all Non-Electing Shares shall be converted into the right to receive the Cash Consideration or (2) if the aggregate number of all Non-Electing Shares is more than the Minimum Cash Conversion Number Shortfall, the Non-Electing Shares held by a holder shall be converted into the right to receive the Cash Consideration in respect of that number of Non-Electing Shares held by such holder equal to the product obtained by multiplying (x) the number of Non-Electing Shares held by such holder by (y) a fraction, the numerator of which is Minimum Cash Conversion Number Shortfall and the denominator of which is the aggregate number of all Non-Electing Shares, with the remaining number of such holder's Non-Electing Shares being converted into the right to receive the Share Consideration and (C)(1) if the Cash Election Number plus the aggregate number of all Non-Electing Shares is less than the Minimum Cash Conversion Number (the amount of such difference, the "Additional Shortfall"), Share Election Shares held by a holder will be converted into the right to receive the Cash Consideration in respect of that number of Share Election Shares held by such holder equal to the product obtained by multiplying (x) the number of Share Election Shares held by such holder by (y) a fraction, the numerator of which is the Additional Shortfall and the denominator of which is the Share Election Number, with the remaining number of such holder's Share Election Shares being converted into the right to receive the Share Consideration, and (2) if there is no Additional Shortfall, all Share Election Shares shall be converted into the right to receive the Share Consideration in accordance with Section 3.1(a)(ii)(B).

Section 3.3 Election Procedures. Each holder of record of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (a "Holder") shall have the right,

subject to the limitations set forth in this Article III, to submit an election on or prior to the Election Deadline in accordance with the following procedures:

(a) Each Holder may specify in a request made in accordance with the provisions of this Section 3.3 (an "Election") (i) the number of shares of Company Common Stock owned by such Holder with respect to which such Holder desires to make a Share Election and (ii) the number of other shares of Company Common Stock owned by such Holder with respect to which such Holder desires to make a Cash Election; provided, that, for the avoidance of doubt, a Holder may not make both a Share Election and a Cash Election with respect to the same share of Company Common Stock owned by such Holder.

(b) Prior to effectiveness of the Form S-4, Parent shall prepare and file as an exhibit thereto a form reasonably acceptable to the Company (the "Form of Election"), which shall be mailed by the Company to record holders of Company Common Stock so as to permit those holders to exercise their right to make an Election prior to the Election Deadline.

(c) The Company shall mail or cause to be mailed or delivered, as applicable, the Form of Election to record holders of shares of Company Common Stock as of the record date for the Company Stockholder Meeting not less than twenty (20) Business Days prior to the anticipated Election Deadline (the "Mailing Date"). Parent shall make available one or more Forms of Election as may reasonably be requested from time to time by all Persons who become holders or beneficial owners of Company Common Stock during the period following the record date for the Company Stockholder Meeting and prior to the Election Deadline.

(d) Prior to the Mailing Date, Parent shall appoint an exchange agent, which shall be an agent reasonably acceptable to the Company (the "Exchange Agent"), for the purpose of receiving Elections and transferring Book-Entry Shares and exchanging shares of Company Common Stock represented by Certificates for Merger Consideration, pursuant to an exchange agent agreement reasonably acceptable to Parent and the Company entered into prior to the Mailing Date (the "Exchange Agent Agreement"). Subject to the terms of the Exchange Agent Agreement, any Election shall have been made properly only if the Exchange Agent shall have received, by the Election Deadline, a Form of Election properly completed and signed, with such Form of Election either electing to transfer Book-Entry Shares or accompanied by Certificates representing the shares of Company Common Stock to which such Form of Election relates, duly endorsed in blank or otherwise in form acceptable for transfer on the books of the Company or by an appropriate customary guarantee of delivery of such Certificates, as set forth in such Form of Election, from a firm that is an "eligible guarantor institution" (as defined in Rule 17Ad-15 under the Exchange Act); provided, that such Certificates are in fact delivered to the Exchange Agent by the time required in such guarantee of delivery. Failure to deliver Certificates covered by such a guarantee of delivery within the time set forth on such guarantee shall be deemed to invalidate any otherwise properly made Election, unless otherwise determined by Parent, in its sole and absolute discretion. As used herein, unless otherwise agreed in advance by the Company and Parent, "Election Deadline" means 5:00 p.m. local time (in the city in which the principal office of the Exchange Agent is located) on the Business Day immediately prior to the Company Stockholder Meeting.

(e) Any Holder may, at any time prior to the Election Deadline, change or revoke his or her Election by written notice received by the Exchange Agent prior to the Election Deadline accompanied by a properly completed and signed revised Form of Election or by withdrawal prior to the Election Deadline of his or her Certificates, or of the guarantee of delivery of such Certificates, or any documents in respect of Book-Entry Shares, previously deposited with the Exchange Agent. After an Election is validly made with respect to any shares of Company Common Stock, any subsequent transfer of such shares of Company Common Stock shall automatically revoke such Election. Notwithstanding anything to the contrary in this Agreement, all Elections shall be automatically

deemed revoked upon receipt by the Exchange Agent of written notification from Parent or the Company that this Agreement has been terminated in accordance with Article IX. Subject to the terms of the Exchange Agent Agreement and this Agreement, the Exchange Agent shall have reasonable discretion to determine if any Election is not properly made with respect to any shares of Company Common Stock (neither Parent nor the Company nor the Exchange Agent being under any duty to notify any stockholder of any such defect); in the event the Exchange Agent makes such a determination, such Election shall be deemed to be not in effect, and the shares of Company Common Stock covered by such Election shall, for purposes hereof, be deemed to be Non-Electing Shares, unless a proper Election is thereafter timely made with respect to such shares.

(f) Subject to the terms of the Exchange Agent Agreement, Parent and the Company, in the exercise of their reasonable discretion, shall have the joint right to make all determinations, not inconsistent with the terms of this Agreement, governing (i) the manner and extent to which Elections are to be taken into account in making the determinations prescribed by Section 3.2, (ii) the issuance and delivery of certificates representing the number of Parent Common Shares into which shares of Company Common Stock are converted into the right to receive in the Merger and (iii) the method of payment of cash for shares of Company Common Stock converted into the right to receive the Cash Consideration and cash in lieu of fractional Parent Common Shares.

Section 3.4 Deposit of Merger Consideration. At the Closing, Parent shall deposit, or shall cause to be deposited, with the Exchange Agent for the benefit of the holders of shares of Company Common Stock, at the Effective Time, for exchange in accordance with this Article III, (a) evidence of Parent Common Shares in book-entry form issuable pursuant to Section 3.1(a) equal to the aggregate Share Consideration and (b) immediately available funds equal to the aggregate Cash Consideration (together with, to the extent then determinable, any cash payable in lieu of fractional shares pursuant to Section 3.13) (collectively, the "Exchange Fund") and Parent shall instruct the Exchange Agent to timely pay the Cash Consideration and cash in lieu of fractional shares, in accordance with this Agreement. The cash portion of the Exchange Fund shall be invested by the Exchange Agent as directed by Parent or the Surviving Entity. Interest and other income on the Exchange Fund shall be the sole and exclusive property of Parent and the Surviving Entity and shall be paid to Parent or the Surviving Entity, as Parent directs. No investment of the Exchange Fund shall relieve Parent, the Surviving Entity or the Exchange Agent from making the payments required by this Article III, and following any losses from any such investment, Parent shall promptly provide additional funds to the Exchange Agent to the extent necessary to satisfy Parent's obligations hereunder for the benefit of the holders of shares of Company Common Stock at the Effective Time, which additional funds will be deemed to be part of the Exchange Fund.

Section 3.5 Delivery of Merger Consideration. As soon as reasonably practicable after the Effective Time and in any event not later than the fifth (5th) Business Day following the Effective Time, the Exchange Agent shall mail to each holder of record of a Certificate or Book-Entry Share immediately prior to the Effective Time a form of letter of transmittal (which shall specify, among other things, that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon proper delivery of the Certificates (or affidavits of loss in lieu thereof) or transfer of any Book-Entry Shares to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates or the transfer of Book-Entry Shares in exchange for the Merger Consideration, in such form as the Company and Parent may reasonably agree. Upon proper surrender of a Certificate (or affidavits of loss in lieu thereof) or transfer of any Book-Entry Share for exchange and cancellation to the Exchange Agent, together with a letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor the Merger Consideration (which, to the extent it is Share Consideration, shall be in non-certificated book-entry form) in respect of the shares of Company

Common Stock formerly represented by such Certificate or Book-Entry Share and such Certificate or Book-Entry Share so surrendered shall forthwith be cancelled. No interest will be paid or accrued for the benefit of holders of the Certificates or Book-Entry Shares on the Merger Consideration payable upon the surrender of the Certificates or transfer of Book-Entry Shares.

Section 3.6 Share Transfer Books. At the Effective Time, the share transfer books of the Company shall be closed, and thereafter there shall be no further registration of transfers of shares of Company Common Stock. From and after the Effective Time, Persons who held shares of Company Common Stock immediately prior to the Effective Time shall cease to have rights with respect to such shares, except as otherwise provided for herein. On or after the Effective Time, any Certificates presented to the Exchange Agent or the Surviving Entity for any reason shall be cancelled and exchanged for the Merger Consideration with respect to the shares of Company Common Stock formerly represented thereby.

Section 3.7 Dividends with Respect to Parent Common Shares. No dividends or other distributions with respect to Parent Common Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Shares with respect to the Parent Common Shares issuable with respect to such Certificate or Book-Entry Shares in accordance with this Agreement, and all such dividends and other distributions shall be paid by Parent to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Certificate (or affidavit of loss in lieu thereof) or transfer of Book-Entry Shares in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Certificates (or affidavit of loss in lieu thereof) or transfer of Book-Entry Shares there shall be paid to the record holder of the Parent Common Shares, if any, issued in exchange therefor, without interest, (a) all dividends and other distributions payable in respect of any such Parent Common Shares with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender or transfer payable with respect to such Parent Common Shares.

Section 3.8 Termination of Exchange Fund. Any portion of the Exchange Fund (including any interest and other income received with respect thereto) that remains undistributed to the former holders of shares of Company Common Stock on the first (1st) anniversary of the Effective Time shall be delivered to Parent, upon demand, and any former holders of shares of Company Common Stock who have not theretofore received any Merger Consideration (including any cash in lieu of fractional shares and any applicable dividends or other distributions with respect to Parent Common Shares) to which they are entitled under this Article III shall thereafter look only to Parent and the Surviving Entity for payment of their claims with respect thereto.

Section 3.9 No Liability. None of Parent, Merger Sub, the Company, the Surviving Entity or the Exchange Agent, or any employee, officer, director, agent or Affiliate of any of them, shall be liable to any holder of shares of Company Common Stock in respect of any cash that would have otherwise been payable in respect of any Certificate or Book-Entry Share from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by holders of any such shares immediately prior to the time at which such amounts would otherwise escheat to, or become property of, any Governmental Entity shall, to the extent permitted by applicable Law, become the property of the Surviving Entity, free and clear of any claims or interest of any such holders or their successors, assigns or personal representatives previously entitled thereto.

Section 3.10 Withholding Rights. Each Parent Party, the Company, the Surviving Entity or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from the Merger Consideration and any other amounts or property otherwise payable or distributable to any Person pursuant to this

Table of Contents

Agreement such amounts or property (or portions thereof) as such Parent Party, the Company, the Surviving Entity or the Exchange Agent determines it is required to deduct and withhold with respect to the making of such payment or distribution under the Code, and the rules and regulations promulgated thereunder, or any provision of applicable Law. In the case of any noncash payment or distribution, the applicable withholding party may collect the amount required to be withheld by reducing to cash for remittance to the appropriate Governmental Entity a sufficient portion of the property that the recipient would otherwise receive or own if the cash portion of any such payment or distribution is not sufficient to cover the withholding liability, and the recipient Party will bear any brokerage or other costs for this withholding procedure. To the extent that amounts are so deducted or withheld and paid over to the appropriate Governmental Entity by a Parent Party, the Company, the Surviving Entity or the Exchange Agent, as applicable, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by the Parent Party, the Company, the Surviving Entity or the Exchange Agent, as applicable.

Section 3.11 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Entity, the posting by such Person of a bond in such reasonable and customary amount as the Surviving Entity may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to which the holder thereof is entitled pursuant to this Article III.

Section 3.12 Dissenters' Rights. No dissenters' or appraisal rights shall be available with respect to the Merger or the other Transactions contemplated by this Agreement.

Section 3.13 Fractional Shares. No certificate or scrip representing fractional Parent Common Shares shall be issued upon the surrender for exchange of Certificates or with respect to transfer of Book-Entry Shares, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a shareholder of Parent. Notwithstanding any other provision of this Agreement, each holder of shares of Company Common Stock converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a Parent Common Share shall receive (aggregating for this purpose all the Parent Common Shares such holder is entitled to receive hereunder), in lieu thereof, cash, without interest, in an amount equal to the product of (a) such fractional part of a Parent Common Share, multiplied by (b) the closing price per Parent Common Share on the New York Stock Exchange (as reported by Bloomberg L.P. or, if not reported therein, in another authoritative source mutually selected by Parent and the Company) for the last full trading day ending immediately prior to the Closing Date.

No Company Subsidiary is separately subject to the periodic reporting requirements of the Exchange Act. As of their respective filing dates, the Company SEC Documents (a) did not (or with respect to Company SEC Documents filed after the date hereof, will not) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading and (b) complied in all material respects with the applicable requirements of the Exchange Act or the Securities Act, as the case may be, the Sarbanes-Oxley Act and the applicable rules and regulations of the SEC thereunder. No financial statements of any Person other than the Company and the Company Subsidiaries are required by GAAP to be included in the consolidated financial statements of the Company or to be filed by the Company with the SEC, and the Company has not entered into any transactions (and no transactions are probable), except for the Transactions, that, individually or in the aggregate, would require the Company to file pro forma financial statements with the SEC. Except as required by GAAP and disclosed in the Company SEC Documents, since January 1, 2011, the Company has not made or adopted any material change in its accounting methods, practices or policies. The Company's disclosure controls and procedures are designed to ensure that all information (both financial and nonfinancial) required to be disclosed by the Company in the reports that it files or furnishes under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that all such information is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act. The Company's management has completed an assessment of the effectiveness of the Company's disclosure controls and procedures and, to the extent required by applicable Law, presented in any applicable Company SEC Document that is a report on Form 10-K or Form 10-Q, or any amendment thereto, its conclusions about the effectiveness of the disclosure controls and procedures as of the end of the period covered by such report or amendment based on such evaluation. Based on Company management's most recently completed evaluation of the Company's internal control over financial reporting, (a) the Company had no significant deficiencies or material weaknesses in the design or operation of its internal control over financial reporting that would reasonably be expected to adversely affect the Company's ability to record, process, summarize and report financial information and (b) the Company does not have any Knowledge of any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal control over financial reporting. Since January 1, 2011, to the Knowledge of the Company, no executive officer or director of the Company has received or otherwise had or obtained knowledge of, and to the Knowledge of the Company, no auditor, accountant, or representative of the Company has provided written notice to the Company or any executive officer or director of, any substantive complaint or allegation that the Company or any Company Subsidiary has engaged in improper accounting practices. Neither the Company nor any of the Company Subsidiaries is a party to, or has any commitment to become a party to, any joint venture, off-balance sheet partnership or any similar contract or arrangement (including any contract or arrangement relating to any transaction or relationship between or among the Company and any of the Company Subsidiaries, on the one hand, and any unconsolidated Affiliate, including any structured finance, special purpose or limited purpose entity or Person, on the other hand, or any material "off-balance sheet arrangement" (as defined in Item 303(a) of Regulation S-K of the Exchange Act)), where the result, purpose or intended effect of such contract or arrangement is to avoid disclosure of any material transaction involving, or material liabilities of, the Company or any of the Company Subsidiaries in the Company Financial Statements or other Company SEC Documents.

No Parent Subsidiary is separately subject to the periodic reporting requirements of the Exchange Act. As of their respective filing dates, the Parent SEC Documents (a) did not (or with respect to Parent SEC Documents filed after the date hereof, will not) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading and (b) complied in all material respects with the applicable requirements of the Exchange Act or the Securities Act, as the case may be, the Sarbanes-Oxley Act and the applicable rules and regulations of the SEC thereunder. All of the audited financial statements and unaudited interim financial statements of Parent included in Parent SEC Documents (including, in each case, any

notes or schedules thereto) (collectively, the "Parent Financial Statements"), (i) have been or will be, as the case may be, prepared from, are in accordance with, and accurately reflect the books and records of Parent and the Parent Subsidiaries in all material respects, (ii) have been or will be, as the case may be, prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto or, in the case of interim financial statements, for normal and recurring year-end adjustments and as may be permitted by the SEC on Form 10-Q, Form 8-K or and Regulation S-X under the Exchange Act, which such adjustments are not, in the aggregate, material to Parent), and comply or will comply, as the case may be, as to form in all material respects with the applicable accounting requirements of the Securities Act and the Exchange Act and the related rules and regulations of the SEC thereunder, and (iii) fairly present, in all material respects, the consolidated financial position of Parent and the Parent Subsidiaries, as of the respective dates thereof, and the consolidated results of their operations, and, where included, their consolidated shareholders' equity and their consolidated cash flows for the respective periods indicated (subject, in the case of the unaudited statements, to normal year-end audit adjustments (which are not material in significance or amount)). No financial statements of any Person other than Parent and the Parent Subsidiaries are required by GAAP to be included in the consolidated financial statements of Parent. Except as required by GAAP and disclosed in the Parent SEC Documents, since January 1, 2011, Parent has not made or adopted any material change in its accounting methods, practices or policies. There are no outstanding or unresolved comments in comment letters received from the SEC staff with respect to any Parent SEC Documents and none of the Parent SEC Documents is, to the Knowledge of Parent, the subject of ongoing SEC review. There are no internal investigations, any SEC inquiries or investigations or other governmental inquiries or investigations pending or, to the Knowledge of Parent, threatened, in each case regarding any accounting practices of Parent.

Since January 1, 2012, Parent has designed and maintained disclosure controls and procedures and internal control over financial reporting (as such terms are defined in Rule 13a-15 and Rule 15d-15 under the Exchange Act) as required by Rules 13a-15 and 15d-15 under the Exchange Act. Parent's disclosure controls and procedures are designed to ensure that all information (both financial and nonfinancial) required to be disclosed by Parent in the reports that it files or furnishes under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that all such information is accumulated and communicated to Parent's management as appropriate to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act. Parent's management has completed an assessment of the effectiveness of Parent's disclosure controls and procedures and, to the extent required by applicable Law, presented in any applicable Parent SEC Document that is a report on Form 10-K or Form 10-Q, or any amendment thereto, its conclusions about the effectiveness of the disclosure controls and procedures as of the end of the period covered by such report or amendment based on such evaluation. Based on Parent management's most recently completed evaluation of Parent's internal control over financial reporting, (a) Parent had no significant deficiencies or material weaknesses in the design or operation of its internal control over financial reporting that would reasonably be expected to adversely affect Parent's ability to record, process, summarize and report financial information and (b) Parent does not have Knowledge of any fraud, whether or not material, that involves management or other employees who have a significant role in Parent's internal control over financial reporting. Since January 1, 2011, to the Knowledge of Parent, no executive officer or director of Parent has received or otherwise had or obtained knowledge of, and to the Knowledge of Parent, no auditor, accountant, or representative of Parent has provided written notice to Parent or any executive officer or director of, any substantive complaint or allegation that Parent or any Parent Subsidiary has engaged in improper accounting practices. For the purposes of this Section 5.7, the terms "significant deficiency" and "material weakness" shall have the meanings assigned to them in Release 2007-005A of the Public Company Accounting Oversight Board, as in effect on the date hereof.

Section 5.28 Financing.

(a) Parent has delivered to the Company (i) true, correct and complete copies of the executed commitment letter, dated as of the date hereof, among Parent, Citigroup Global Markets Inc. and UBS Securities LLC (the "Commitment Letter"), pursuant to which the counterparties thereto have committed, subject to the terms and conditions thereof, to lend to Parent the amounts set forth therein (such debt financing (and including, if applicable, any debt securities issued in lieu of any of any such debt financing), the "Financing") and (ii) true and correct (subject to the redactions noted therein) copies of the executed fee letter, dated as of the date hereof, among Parent, Citigroup Global Markets Inc. and UBS Securities LLC (the "Redacted Fee Letter") related to the Financing. As of the date hereof, neither the Commitment Letter nor the Redacted Fee Letter has been amended or modified and the commitments contained in the Commitment Letter have not been withdrawn or rescinded in any respect.

(b) As of the date hereof, the Commitment Letter is in full force and effect and is the valid, binding and enforceable obligation of Parent and, to the Knowledge of Parent, the other parties to the Commitment Letter in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at Law). There are no conditions precedent or other contingencies that would, or would reasonably be expected to, reduce the full amount of the Financing contemplated by the Commitment Letter or the funding of the full amount of the Financing contemplated by the Commitment Letter or materially delay or prevent the funding of all or any portion of the Financing contemplated by the Commitment Letter, other than as set forth in, or expressly contemplated by, the Commitment Letter and the Redacted Fee Letter. As of the date hereof, neither Parent nor any of the Parent Subsidiaries has entered into any side letters or other agreements imposing conditions or other contingencies to the funding of the full amount of the proceeds of the Financing contemplated by the Commitment Letter, other than those set forth in (or expressly contemplated by) the Commitment Letter and Redacted Fee Letter. (c) As of the date hereof, none of Parent or Merger Sub, or to the Knowledge of Parent, any Financing Source counterparty thereto is in breach of any of its covenants or other obligations set forth in, or is in default under, the Commitment Letter. To Parent's Knowledge and assuming the Company and the Company Subsidiaries have performed their respective obligations under this Agreement, as of the date hereof, no event has occurred or circumstances exist that, with or without notice, lapse of time or both, would or would reasonably be expected to (i) constitute or result in a breach or default on the part of Parent or Merger Sub, or to the Knowledge of Parent, any Financing Source counterparty thereto, under the Commitment Letter, (ii) constitute or result in a failure to satisfy a condition precedent set forth in the Commitment Letter or (iii) otherwise result in any portion of the Financing

(d) Parent expressly acknowledges and agrees that the receipt of all or any portion of the Financing is not a condition to its and/or Merger Sub's obligations to effect the Closing. Assuming the accuracy of the representations and warranties of the Company in this Agreement as of the Closing Date and the performance by the Company and the Company Subsidiaries of their obligations hereunder, the amount of funds to be provided pursuant to the Commitment Letter, if funded in accordance with the terms therein, together with the proceeds of the Healthcare Properties Sale, if funded in accordance with the terms of the agreement for such sale, and other financial resources of Parent and Merger Sub available on or prior to the time of Closing, including cash on hand and marketable securities of Parent and Merger Sub on the Closing Date, will be sufficient to consummate the Merger, the Transactions and to pay (i) the Cash Consideration, (ii) any cash in lieu of fractional Parent Common Shares pursuant to Section 3.13 and (iii) all other amounts required to be paid by Parent or Merger Sub in connection with the consummation of the Transactions, and any other related fees and expenses.

Except for the representations and warranties set forth in this Article V, the Company acknowledges that neither Parent nor any other Person acting on its behalf makes, and Company has not relied on, any other express or any implied representations or warranties in this Agreement with respect to (i) Parent, Merger Sub or any other Parent Subsidiary, any of their businesses, operations, assets, liabilities, condition (financial or otherwise) or prospects or any other matter relating to Parent or the Parent Subsidiaries or (ii) the accuracy or completeness of any documentation, forecasts or other information provided by Parent or any Person acting on their behalf to the Company, any Affiliate of the Company or any Person acting on any of their behalf.

Notwithstanding anything to the contrary set forth in this Agreement, but subject to Section 6.1(a)(iii), Section 6.1(a)(xvii) and Section 6.1(a)(xviii), nothing in this Agreement shall prohibit the Company from taking any action, at any time or from time to time, that in the reasonable judgment of the Company Board, upon advice of counsel to the Company, is reasonably necessary for each of the Company or HPC REIT to maintain its qualification as a REIT under the Code for any period or portion thereof ending on or prior to the Effective Time or to eliminate or reduce entity level income or excise Taxes under Sections 856, 857, 860 and 4981 of the Code (and similar provisions of state or local Tax Law) for any period or portion thereof ending on or prior to the Closing Date.

Section 6.3 No Solicitation: Change in Recommendation.

(a) Except as expressly permitted by this Section 6.3, during the Interim Period, the Company shall and shall cause each of the Company Subsidiaries and their respective Representatives (i) to immediately cease any solicitation, encouragement, discussions or negotiations with any Persons that may be ongoing with respect to a Competing Proposal, or any inquiry or proposal that may be reasonably expected to lead to a Competing Proposal, request that any such Person and its Representatives promptly return or destroy all confidential information concerning Parent, the Company or any of their respective Subsidiaries and immediately terminate all physical and electronic dataroom access granted to any such Person or its Representatives and (ii) not to, directly or indirectly, (A) solicit, initiate or knowingly facilitate or encourage or take any other action for the purpose of facilitating, any inquiry or the making of any proposal which constitutes, or may reasonably be expected to lead to, any Competing Proposal, (B) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other Person information in connection with or for the purpose of encouraging or facilitating, a Competing Proposal or (C) enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement, agreement in principle or other agreement with respect to a Competing Proposal. Notwithstanding the foregoing in this Section 6.3(a), upon the unsolicited request of a third party, the Company may grant a limited waiver of a standstill or confidentiality agreement provision for the sole purpose of allowing a third party to

make a confidential unsolicited bona fide written Competing Proposal to the Company Board (directly or through the Company's outside legal counsel or outside financial advisors) if, contemporaneously with granting such limited waiver, the Company notifies Parent of the Company Board's determination (such notice to be made orally and confirmed in writing) and of the identity of the Person party to or bound by the applicable standstill or confidentiality agreement. It is agreed that any violation of the restrictions set forth in this Section 6.3(a) by any Representative of the Company or any of the Company Subsidiaries shall be deemed to be a breach of this Section 6.3(a) by the Company.

(b) Notwithstanding anything to the contrary contained in this Section 6.3(b), (i) if at any time on or after the date of this Agreement and prior to obtaining the Company Stockholder Approval, the Company or any of its Representatives receives an unsolicited written Competing Proposal from any Person or group of Persons that the Company Board determines in good faith, after consultation with the Company's outside financial advisors and outside legal counsel, constitutes or is reasonably likely to result in a Superior Proposal, which Competing Proposal was made in circumstances not otherwise involving a breach of this Agreement and (ii) the Company Board has determined in good faith, after consultation with the Company's outside legal counsel, that a failure to take action with respect to such Competing Proposal would be inconsistent with their directors' duties under applicable Maryland Law, the Company may or cause its respective Representatives to, in response to such Competing Proposal, and subject to compliance with Section 6.3(c), (A) contact such Person or group of Persons to clarify the terms and conditions thereof, (B) furnish, pursuant to an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company and the Company Subsidiaries to the Person or group of Persons who has made such Competing Proposal, provided that the Company shall prior to or concurrently with the time such information is provided to such Person or group of Persons provide to Parent any non-public information concerning the Company or any of the Company Subsidiaries that is provided to any Person given such access which was not previously provided to Parent or its Representatives and (C) engage in or otherwise participate in discussions or negotiations with the Person or group of Persons making such Competing Proposal regarding such Competing Proposal. It is agreed that any violation of the restrictions set forth in this Section 6.3(b) by any Representative of the Company or any of the Company Subsidiaries shall be deemed to be a breach of this Section 6.3(b) by the Company.

(c) The Company shall promptly, and in any event no later than 24-hours after receipt of any Competing Proposal or request for non-public information in connection therewith, as applicable, (i) advise Parent in writing of the receipt of such Competing Proposal and any request for confidential information in connection with such Competing Proposal, the material terms of such Competing Proposal or request for confidential information and the identity of the Person or group of Persons making such Competing Proposal or request for confidential information and (ii) keep Parent promptly advised of all material developments (including all changes to the material terms of any Competing Proposal), discussions or negotiations regarding any Competing Proposal and the status of such Competing Proposal. The Company agrees that it and the Company Subsidiaries will not enter into any confidentiality agreement with any Person subsequent to the date hereof which prohibits it or a Company Subsidiary from providing any information required to be provided to Parent in accordance with this Section 6.3 within the time periods contemplated hereby.

(d) Except as expressly permitted by this Section 6.3(d), the Company Board shall not (i)(A) fail to recommend to its stockholders that the Company Stockholder Approval be given or fail to include the Company Board Recommendation in the Joint Proxy Statement, (B) change, qualify, withhold, withdraw or modify, or publicly propose to change, qualify, withhold, withdraw or modify, the Company Board Recommendation, (C) take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer other than a recommendation against such offer or a temporary "stop, look and listen" communication by the Company Board pursuant to Rule 14d-9(f) of the Exchange Act or (D) adopt, approve or recommend, or publicly propose to adopt, approve or

recommend to the stockholders of the Company a Competing Proposal (actions described in this clause (i) being referred to as an "Adverse Recommendation Change") or (ii) authorize, cause or permit the Company or any of the Company Subsidiaries to enter into any letter of intent, memorandum of understanding, merger agreement, acquisition agreement, agreement in principle or other agreement with respect to a Competing Proposal (other than an Acceptable Confidentiality Agreement) (each, an "Acquisition Agreement"). Notwithstanding anything to the contrary herein, prior to the time the Company Stockholder Approval is obtained, the Company Board, may make (but in each case, subject to compliance with this Section 6.3(d) and Sections 6.3(a)-(c)), an Adverse Recommendation Change and/or terminate this Agreement pursuant to Section 9.1(c)(ii) to enter into a definitive Acquisition Agreement that constitutes a Superior Proposal, if and only if, (A) a written Competing Proposal that was not solicited in violation of this Section 6.3 is made to the Company by a third party and such Competing Proposal is not withdrawn, and (B) prior to taking such action, the Company Board has determined in good faith (y) after consultation with the Company's outside legal counsel, that failure to take such action would be inconsistent with their directors' duties under applicable Maryland Law and (z) after consultation with the Company's outside legal counsel and outside financial advisors, that such Competing Proposal constitutes a Superior Proposal; provided, however, that in connection with any such Competing Proposal (1) the Company has given Parent at least five (5) Business Days' prior written notice of its intention to take such action (which notice shall include the information with respect to such Superior Proposal that is specified in Section 6.3(c) as well as a copy of any proposal, agreement and all material documentation providing for such Superior Proposal), (2) Parent and the Company have negotiated, and have caused their respective Representatives to negotiate, in good faith with the other Party and its Representatives, to the extent the other Party wishes to negotiate, during such notice period to enable the other Party to propose in writing revisions to the terms of this Agreement such that it would cause such Superior Proposal to no longer constitute a Superior Proposal, (3) following the end of such notice period, the Company Board shall have considered in good faith any proposed revisions to this Agreement proposed in writing by Parent and shall have determined that, after consultation with the Company's outside financial advisors and outside legal counsel, the Superior Proposal would continue to constitute a Superior Proposal if such revisions were to be given effect and (4) in the event of any change to the material terms of such Superior Proposal, the Company shall, in each case, have delivered to Parent an additional notice consistent with that described in subclause (1) above and the notice period shall have recommenced, except that the notice period shall be at least three (3) Business Days. Unless this Agreement has been terminated in accordance with Section 9.1, the Company Board shall submit this Agreement to its stockholders even if the Company Board shall have effected an Adverse Recommendation Change, and the Company Board may not submit to the vote of their stockholders any Competing Proposal other than the transactions contemplated by this Agreement.

(e) Except to the extent provided in Section 6.3(c) or Section 6.3(d), nothing in this Section 6.3 shall prohibit the Company Board from: (i) taking and disclosing to the stockholders of the Company, a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, if failure to do so would violate applicable Law or (ii) making any "stop, look and listen" communication to the stockholders of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act, in either case, if the Company Board has determined in good faith, after consultation with its outside legal counsel, that failure to take such action would be inconsistent with their directors' duties under applicable Maryland Law; provided that any disclosure (other than those made pursuant to clause (ii) of this Section 6.3(e)) permitted under this Section 6.3(e) that is not an express rejection of any applicable Competing Proposal or an express reaffirmation of the Company Board Recommendation shall be deemed an Adverse Recommendation Change and; provided, further, that the Company Board shall not, except as expressly permitted by Section 6.3(d), effect an Adverse Recommendation Change.

(f) As used in this Agreement, "Competing Proposal" means any inquiry, proposal or offer from any Person (other than Parent and the Parent Subsidiaries) or "group", within the meaning of Section 13(d) of the Exchange Act, relating to, in a single transaction or series of related transactions, any direct or indirect (i) acquisition or purchase of fifteen percent (15%) or more of the consolidated assets (including equity interests in Subsidiaries) of the Company (based on the fair market value thereof, as determined in good faith by the Company Board, as applicable, after consultation with the Company's outside financial advisors and independent accountants), as applicable, or assets comprising fifteen percent (15%) or more of the revenues or earnings on a consolidated basis of the Company (ii) acquisition of fifteen percent (15%) or more of the outstanding equity securities of the Company or any class of equity securities of the Company, (iii) tender offer or exchange offer that, if consummated, would result in any Person beneficially owning fifteen percent (15%) or more of any class of equity securities of the Company, (iv) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company or any of the Company Subsidiaries, (v) any combination of the foregoing types of transactions, if the sum of the percentage of consolidated assets, consolidated revenues or earnings and any class of equity securities of the Company involved is fifteen percent (15%) or more (in each case, other than the Transactions) or (vi) any of the foregoing types of transactions, regardless of whether they meet the stated fifteen percent (15%) threshold, if they involve, directly or indirectly any Healthcare Properties.

(g) As used in this Agreement, "Superior Proposal" means a bona fide written Competing Proposal (except that, for purposes of this definition, the references in the definition of "Competing Proposal" to "fifteen percent (15%)" shall be replaced by "one hundred percent (100%)") made by a Person or "group", within the meaning of Section 13(d) of the Exchange Act, on terms that the Company Board determines in good faith, after consultation with the Company's outside financial advisors and outside legal counsel, taking into account all financial, legal, regulatory and any other aspects of the transaction described in such proposal that the Company Board deems relevant, including the identity of the Person making such proposal, any break-up fees, expense reimbursement provisions and conditions to consummation, as well as any changes to the terms of this Agreement proposed by the Parent Parties in response to such proposal or otherwise, (i) would, if consummated, result in a transaction that is more favorable to the Company and its stockholders (solely in their capacity as such) from a financial point of view than the Transactions, (ii) for which the third party has demonstrated that the financing for such offer is fully committed or is reasonably likely to be obtained and (iii) is reasonably likely to receive all required approvals from any Governmental Entity on a timely basis and otherwise reasonably capable of being completed on a timely basis on the terms proposed.

Section 6.4 Preparation of Form S-4 and Joint Proxy Statement: Stockholder Approvals.

(a) As promptly as reasonably practicable following the date of this Agreement, (i) the Company and Parent shall jointly prepare and cause to be filed with the SEC the Joint Proxy Statement in preliminary form relating to the Company Stockholder Meeting and the Parent Shareholder Meeting, and (ii) Parent shall prepare (with the Company's reasonable cooperation) and cause to be filed with the SEC, the Form S-4, which will include the Joint Proxy Statement as a prospectus, in connection with the registration under the Securities Act of the Parent Common Shares to be issued in the Merger. Each of the Company and Parent shall use its reasonable best efforts to (A) have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing, (B) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Exchange Act and the Securities Act and (C) keep the Form S-4 effective for so long as necessary to complete the Merger unless this Agreement is terminated pursuant to Section 9.1. Each of the Company and Parent shall furnish all information concerning itself, its Affiliates and the holders of its capital stock or other equity interests to the other and provide such other assistance as may be reasonably requested by the other in connection with the preparation, filing and distribution of the

Form S-4 and the Joint Proxy Statement and shall provide to their and each other's counsel such representations as reasonably necessary to render the opinions required to be filed therewith. The Form S-4 and the Joint Proxy Statement shall include all information reasonably requested by such other Party to be included therein. Each of the Company and Parent shall promptly notify the other upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Form S-4 or the Joint Proxy Statement, and shall, as promptly as practicable after receipt thereof, provide the other with copies of all correspondence between it and its Representatives, on the one hand, and the SEC, on the other hand, and all written comments with respect to the Joint Proxy Statement or the Form S-4 received from the SEC and advise the other Party of any oral comments with respect to the Joint Proxy Statement or the Form S-4 received from the SEC. Each of the Company and Parent shall use its reasonable best efforts to respond as promptly as practicable to any comments from the SEC with respect to the Joint Proxy Statement, and Parent shall use its reasonable best efforts to respond as promptly as practicable to any comments from the SEC with respect to the Form S-4. Notwithstanding the foregoing, prior to filing the Form S-4 (or any amendment or supplement thereto) or mailing the Joint Proxy Statement (or any amendment or supplement thereto) or responding to any comments from the SEC with respect thereto, each of the Company and Parent shall cooperate and provide the other a reasonable opportunity to review and comment on such document or response (including the proposed final version of such document or response). Parent shall advise the Company, promptly after it receives notice thereof, of the time of effectiveness of the Form S-4, the issuance of any stop order relating thereto or the suspension of the qualification of the Parent Common Shares issuable in connection with the Merger for offering or sale in any jurisdiction, and Parent and the Company shall use their reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated. Parent shall also take any other action reasonably required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "blue sky" Laws and the rules and regulations thereunder in connection with the issuance of the Parent Common Shares in the Merger, and the Company shall furnish all information concerning the Company and the holders of the Company Common Stock as may be reasonably requested in connection with any such actions.

(b) If, at any time prior to the receipt of the Company Stockholder Approval or the Parent Shareholder Approval, any information relating to the Company or Parent, or any of their respective Affiliates, should be discovered by the Company or Parent which, in the reasonable judgment of the Company or Parent, should be set forth in an amendment of, or a supplement to, any of the Form S-4 or the Joint Proxy Statement, so that any of such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify the other Parties hereto, and the Company and Parent shall cooperate in the prompt filing with the SEC of any necessary amendment of, or supplement to, the Joint Proxy Statement or the Form S-4 and, to the extent required by Law, in disseminating the information contained in such amendment or supplement to stockholders of the Company and the shareholders of Parent. Nothing in this Section 6.4(b) shall limit the obligations of any Party under Section 6.4(a). For purposes of Section 4.8 and this Section 6.4, any information concerning or related to the Company, its Affiliates or the Company Stockholder Meeting will be deemed to have been provided by the Company, and any information concerning or related to Parent, its Affiliates or the Parent Shareholder Meeting will be deemed to have been provided by Parent.

(c) As promptly as practicable following the date of this Agreement, the Company shall, in accordance with applicable Law and the Company Governing Documents, establish a record date for, duly call, give notice of, convene and hold the Company Stockholder Meeting. The Company shall use its reasonable best efforts to cause the Joint Proxy Statement to be mailed to the stockholders of the Company entitled to vote at the Company Stockholder Meeting and to hold the Company Stockholder Meeting as soon as practicable after the Form S-4 is declared effective under the Securities Act. The

Company shall, through the Company Board, recommend to its stockholders that they give the Company Stockholder Approval, include such recommendation in the Joint Proxy Statement and solicit and use its reasonable best efforts to obtain the Company Stockholder Approval, except to the extent that the Company Board shall have made an Adverse Recommendation Change as permitted by Section 6.3(d). Notwithstanding the foregoing provisions of this Section 6.4(c), if, on a date for which the Company Stockholder Meeting is scheduled, the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Company Stockholder Approval, whether or not a quorum is present, the Company shall have the right to make one or more successive postponements or adjournments of the Company Stockholder Meeting; provided that the Company Stockholder Meeting is not postponed or adjourned to a date that is more than three (3) Business Days prior to the Outside Date. Notwithstanding any Adverse Recommendation Change, unless this Agreement is terminated in accordance with its terms, the obligations of the Parties hereunder shall continue in full force and effect and such obligations shall not be affected by the commencement, public proposal, public disclosure or communication to Company of any Competing Proposal (whether or not a Superior Proposal).

(d) As promptly as practicable following the date of this Agreement, Parent shall, in accordance with applicable Law and the Parent Governing Documents, establish a record date for, duly call, give notice of, convene and hold the Parent Shareholder Meeting. Parent shall use its reasonable best efforts to cause the Joint Proxy Statement to be mailed to the shareholders of Parent entitled to vote at the Parent Shareholder Meeting and to hold the Parent Shareholder Meeting as soon as practicable after the Form S-4 is declared effective under the Securities Act. Parent shall, through the Parent Board, recommend to its shareholders that they give the Parent Shareholder Approval, include such recommendation in the Joint Proxy Statement, and solicit and use its reasonable best efforts to obtain the Parent Shareholder Approval. Notwithstanding the foregoing provisions of this Section 6.4(d), if, on a date for which the Parent Shareholder Meeting is scheduled, Parent has not received proxies representing a sufficient number of Parent Common Shares to obtain the Parent Shareholder Approval, whether or not a quorum is present, Parent shall have the right to make one or more successive postponements or adjournments of the Parent Shareholder Meeting; provided that the Parent Shareholder Meeting is not postponed or adjourned to a date that is more than three (3) Business Days prior to the Outside Date.

(e) The Company and Parent will use their respective reasonable best efforts to hold the Company Stockholder Meeting and the Parent Shareholder Meeting on the same date and as soon as reasonably practicable after the date of this Agreement.

requirements of federal or state securities Laws, and (ii) all other information (financial or otherwise) concerning its business, properties and personnel as such other Party may reasonably request. Notwithstanding the foregoing, neither the Company nor the Parent Parties shall be required by this Section 7.1 to provide the other Party or the Representatives of such other Party with access to or to disclose information (A) relating to the consideration, negotiation and performance of this Agreement and related agreements, (B) the disclosure of which would violate any Law or legal duty of the Party or any of its Representatives (provided, however, that the withholding Party shall use its reasonable best efforts to make appropriate substitute arrangements to permit reasonable disclosure not in violation of any Law or statutory duty) or (C) that is subject to any attorney-client, attorney work product or other legal privilege (provided, however, that the withholding Party shall use its reasonable best efforts to allow for such access or disclosure to the maximum extent that does not result in a loss of any such attorney-client, attorney work product or other legal privilege). Each of the Parties will use its reasonable best efforts to minimize any disruption to the businesses of the other parties that may result from the requests for access, data and information hereunder. Notwithstanding any other provision of this Agreement, each Party agrees that it will not, and will cause its Representatives not to, prior to the Effective Time, use any information obtained pursuant to this Section 7.1 for any competitive or other purpose unrelated to the consummation of the Merger, the other Transactions, the Financing or the Healthcare Properties Sale. Prior to the Effective Time, neither Party shall, and shall cause their respective Representatives and Affiliates not to, contact or otherwise communicate with third parties with which the other Party has a business relationship (including tenants/subtenants) regarding the business of the other Party and its Subsidiaries without the prior written consent of the other Party (provided that, for the avoidance of doubt, nothing in this Section 7.1 shall be deemed to restrict any Party and their respective Representatives and Affiliates from contacting such parties in pursuing its own business in the ordinary course).

(b) Unless and until the Closing occurs, each of the Parties will hold, and will cause its Representatives and Affiliates to hold, any nonpublic information, including any information exchanged pursuant to this Section 7.1, in confidence to the extent required by and in accordance with, and will otherwise comply with, the terms of the Company Confidentiality Agreement and the Parent Confidentiality Agreement.

(c) Notwithstanding the foregoing in this Section 7.1, Parent and its Affiliates and Representatives may disclose to the Financing Sources, SNH and their Representatives, and Parent and its Affiliates and Representatives and the Financing Sources, SNH and their Representatives may use, any such information regarding the Company and the Company Subsidiaries and their business, this Agreement, the Transactions and the Healthcare Properties Sale and documents related thereto, and the Company shall, and shall cause each of the other Company Entities to, afford the Financing Sources, SNH and their Representatives access to the Company's and the Company Subsidiaries' properties, offices, books, contracts, commitments, personnel and records and officers, accountants, manager's employees, counsel and other Representatives as described in Section 7.1(a), in each case, in connection with the Financing, any Alternate Financing or other alternative financing in connection with the Transactions or the Healthcare Properties Sale, including as part of the due diligence investigation by (i) the Financing Sources and their Representatives, for preparation of Offering Materials, and during syndication or marketing of the Financing, Alternate Financing or other alternative financing in connection with the Transactions or (ii) SNH and its lenders and Representatives; provided, however, in each case, that the Financing Sources or SNH, as applicable, shall first have entered into customary confidentiality undertakings with respect to such information (which may, in the case of the Financing Sources, include through a notice and deemed undertaking in a form customarily used in Offering Materials).

Section 7.2 Consents and Approvals.

best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable under applicable Law or pursuant to any contract or agreement to consummate and make effective, as promptly as practicable, the Merger and the other Transactions, including (i) the taking of all actions necessary to cause the conditions to Closing set forth in Article VIII to be satisfied, (ii) the obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Entities or other Persons necessary in connection with the consummation of the Merger and the other Transactions and the making of all necessary registrations and filings (including filings with Governmental Entities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity or other Persons necessary in connection with the consummation of the Merger and the other Transactions, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Merger or the other Transactions, and (iv) the execution and delivery of any additional instruments necessary to consummate the Merger and the other Transactions and to fully carry out the purposes of this Agreement.

(b) In connection with and without limiting the foregoing, each of the Parent Parties and the Company shall give (or shall cause the other Parent Entities or the other Company Entities, respectively, to give) any notices to any Person, and each of the Parent Parties and the Company shall use, and cause each of their respective Affiliates to use, its commercially reasonable efforts to obtain any consents from any Person not covered by Section 7.2(a) that are necessary, proper or advisable to consummate the Merger, the other Transactions or the Healthcare Properties Sale. Each of the Parties will furnish to the other such necessary information and reasonable assistance as the other may request in connection with the preparation of any required governmental filings or submissions and will cooperate in responding to any inquiry from a Governmental Entity, including promptly informing the other Party of such inquiry, consulting in advance before making any presentations or submissions to a Governmental Entity, and supplying each other with copies of all material correspondence, filings or communications between either Party and any Governmental Entity with respect to this Agreement. To the extent reasonably practicable, the Parties or their Representatives shall have the right to review in advance, and each of the Parties will consult the others on, all the information relating to the other and each of their Affiliates that appears in any filing made with, or written materials submitted to, any Governmental Entity in connection with the Merger or the other Transactions, except that confidential competitively sensitive business information may be redacted from such exchanges. To the extent reasonably practicable, neither the Company nor the Parent Parties shall, nor shall they permit their respective Representatives to, participate independently in any meeting or engage in any substantive conversation with any Governmental Entity in respect of any filing, investigation or other inquiry without giving the other Party prior notice of such meeting or conversation and, to the extent permitted by applicable Law, without giving the other Party the opportunity to attend or participate (whether by telephone or in person) in any such meeting with such Governmental Entity. Notwithstanding the foregoing, except as set forth in Section 8.2(g), obtaining any approval or consent from any Person pursuant to this Section 7.2(b) shall not be a condition to the obligations of the Parties to consummate the Merger.

(c) In connection with obtaining any approval or consent from any Person (other than any Governmental Entity) with respect to the Merger or the other Transactions, none of the Parties or any of their Subsidiaries, or any of their respective Representatives, shall be obligated to pay or commit to pay to such Person whose approval or consent is being solicited any cash or other consideration, make any accommodation or commitment or incur any liability or other obligation to such Person prior to the Effective Time. The Parties shall cooperate with respect to accommodations that may be requested or appropriate to obtain such consents.

Section 7.3 Notification of Certain Matters; Transaction Litigation.

(a) Each Party shall give reasonably prompt notice to the other Party of, and keep the other Party reasonably informed on a current basis with respect to, any notice or other communication received by such Party from any Governmental Entity in connection with this Agreement, the Merger or the other transactions contemplated by this Agreement, or from any Person alleging that the consent of such Person is or may be required in connection with the Merger or the other transactions contemplated by this Agreement.

(b) The Company shall give prompt notice to the Parent Parties, and the Parent Parties shall give prompt notice to the Company, if (i) any representation or warranty made by it contained in this Agreement becomes untrue or inaccurate such that it would be reasonable to expect that the applicable closing conditions would be incapable of being satisfied by the Outside Date or (ii) it fails to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the Parties or the conditions to the obligations of the Parties under this Agreement. Without limiting the foregoing, the Company shall give prompt notice to the Parent Parties, and the Parent Parties shall give prompt notice to the Company, if, to the Knowledge of such Party, the occurrence of any state of facts, change, development, event or condition would cause, or would reasonably be expected to cause, any of the conditions to Closing set forth herein not to be satisfied or satisfaction to be materially delayed. Notwithstanding anything to the contrary in this Agreement, the failure by the Company or the Parent Parties to provide such prompt notice under this Section 7.3(b) shall not constitute a breach of covenant for purposes of Section 8.2(b) or Section 8.3(b).

(c) Each of the Parties agree to give prompt written notice to the other Parties upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of the other Company Entities or the other Parent Entities, respectively, which could reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or a Parent Material Adverse Effect, as the case may be.

(d) The Company shall give prompt notice to Parent of and keep Parent reasonably informed on a current basis with respect to, and the Parent Parties shall give prompt notice to the Company of and keep the Company reasonably informed on a current basis with respect to, any claim, action, suit, charge, demand, inquiry, subpoena, proceeding, arbitration, mediation or other investigation commenced or, to such Party's knowledge, threatened against, relating to or involving such Party or any of the other Company Entities or the other Parent Entities, respectively, which relate to this Agreement, the Merger or the other Transactions. The Company shall give the Parent Parties the opportunity to reasonably participate in (but not control), subject to a customary joint defense agreement, the defense and settlement of any stockholder litigation (including arbitration proceedings) against the Company and/or its directors relating to this Agreement and the transactions contemplated hereby, and no such settlement shall be agreed to without Parent's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). The Parent Parties shall give the Company the opportunity to reasonably participate in (but not control), subject to a customary joint defense agreement, the defense and settlement of any stockholder litigation (including arbitration proceedings) against the Parent Parties and/or their directors relating to this Agreement and the transactions contemplated hereby, and no such settlement shall be agreed to without the Company's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 7.4 Publicity. The initial press releases with respect to the execution of this Agreement shall be reasonably agreed upon by Parent and the Company. So long as this Agreement is in effect, neither the Company nor Parent, nor any of their respective Affiliates, shall issue or cause the publication of any press release or other announcement with respect to the Merger or this Agreement

without, to the extent reasonable under the circumstances, consulting the other Party and providing such Party with an opportunity to review and comment upon such press release or other announcement; provided, however, that a Party shall not be required to provide any such review or comment to another Party (i) in connection with the receipt and existence of a Competing Proposal and matters related thereto or an Adverse Recommendation Change or (ii) in connection with the Financing or the Healthcare Properties Sale.

Section 7.5 Directors' and Officers' Insurance and Indemnification.

(a) From and after the Effective Time, the Surviving Entity shall honor and comply with, to the fullest extent permissible under applicable Law, the obligations of the Company with respect to indemnification, advancement of expenses and exculpation and related matters, under the Company Governing Documents in effect on the date hereof and under any indemnification or other similar agreements in effect on the date hereof (the "Indemnification Agreements") to individuals who at or prior to the Effective Time were officers, directors or agents of the Company or a Company Subsidiary and covered by such Company Governing Documents or Indemnification Agreements (the "Covered Persons") arising out of or relating to actions or omissions in their capacity as such occurring at or prior to the Effective Time, including, but not limited to, in connection with the approval of this Agreement and the Transactions.

(b) Without limiting the provisions of Section 7.5(a), for a period of six (6) years after the Effective Time, the Surviving Entity shall: (i) indemnify and hold harmless each Covered Person against and from any costs or expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, to the extent such claim, action, suit, proceeding or investigation arises out of or pertains to: (A) any action or omission or alleged action or omission in such Covered Person's capacity as such, or (B) this Agreement and any of the Transactions; and (ii) pay in advance of the final disposition of any such claim, action, suit, proceeding or investigation the expenses (including attorneys' fees) of any Covered Person upon receipt, to the extent required by applicable Law, of an undertaking by or on behalf of such Covered Person to repay such amount if it shall ultimately be determined by order of a court, regulatory authority or authorized adjudicating body that such Covered Person is not entitled to be indemnified. Notwithstanding anything to the contrary contained in this Section 7.5 or elsewhere in this Agreement, (i) the Surviving Entity shall not settle or compromise or consent to the entry of any judgment or otherwise seek termination with respect to any claim, action, suit or proceeding against or investigation of a Covered Person for which indemnification may be sought under this Section 7.5(b) without the Covered Person's prior written consent (which consent may not be unreasonably withheld, delayed or conditioned) unless such settlement, compromise, consent or termination includes an unconditional release of such Covered Person from all liability arising out of such claim, action, suit, proceeding or investigation, (ii) the Surviving Entity shall be liable for any settlement effected without their prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned) and (iii) the Surviving Entity shall not have any obligation hereunder to any Covered Person to the extent that a court of competent jurisdiction shall determine in a final and non-appealable order that such indemnification is prohibited by applicable Law, in which case the Covered Person shall promptly refund to Parent or the Surviving Entity the amount of all such expenses theretofore advanced pursuant hereto.

(c) For a period of six (6) years after the Effective Time, the articles of organization and limited liability company operating agreement of the Surviving Entity shall contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of Covered Persons for periods prior to and including the Effective Time than are currently set forth in the Company Governing Documents. The Indemnification Agreements with Covered Persons that survive the Merger shall continue in full force and effect in accordance with their terms.

(d) Prior to the Effective Time, the Company shall, in consultation with Parent, obtain and fully pay the premium for the non-cancelable extension of the coverage afforded by the Company's existing directors' and officers' liability insurance policies (the "D&O Insurance"), in each case, for a claims reporting or discovery period of at least six (6) years from and after the Effective Time with respect to any claim related to any period of time at or prior to the Effective Time from one or more insurance carriers with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance with terms, conditions and retentions that are no less favorable in the aggregate than the coverage provided under the Company's existing policies (true, correct and complete copies of which have been provided to Parent prior to the date hereof) and with limits of liability that are no lower than the limits on the Company's existing policies as long as the premium in the aggregate does not exceed two hundred fifty percent (250%) of the annual aggregate premium(s) under the Company's existing policies.

(e) In the event the Surviving Entity or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) liquidates, dissolves or winds-up, or transfers or conveys all or substantially all of its properties and assets to any Person, then and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Entity, as applicable, or such continuing or surviving corporation or entity or transferee of such assets, as the case may be, shall assume all of the applicable obligations set forth in this Section 7.5.

(f) The Covered Persons (and their successors and heirs) are intended third-party beneficiaries of this Section 7.5 and from and after the Effective Time this Section 7.5 shall not be terminated or amended in a manner that is materially adverse to a Covered Person without such Covered Person's consent.

Section 7.6 Takeover Statutes. The Parties shall use their respective reasonable best efforts (a) to take all action necessary so that no Takeover Statute is or becomes applicable to the Merger or any of the other Transactions and (b) if any such Takeover Statute is or becomes applicable to any of the foregoing, to take all action necessary so that the Merger and the other Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Statute on the Merger and the other Transactions.

Section 7.7 Obligations of Merger Sub. Parent shall take all reasonable action necessary to cause Merger Sub and the Surviving Entity to perform their respective obligations under this Agreement and to consummate the Transactions, including the Merger, upon the terms and subject to the conditions set forth in this Agreement.

Section 7.8 Rule 16b-3. Prior to the Effective Time, the Company and Parent shall, as applicable, take all such steps to cause any dispositions of Company Common Stock or acquisitions of Parent Common Stock (including derivative securities related to such stock) resulting from the Merger and the other transactions contemplated by this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act to the extent applicable. Upon request, the Company shall promptly furnish Parent with all requisite information for Parent to take the actions contemplated by this Section 7.8.

Section 7.9 Certain Tax Matters. Each of Parent and the Company shall use its reasonable best efforts to cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, including by executing and delivering the officers' certificates referred to herein and reporting consistently for all federal, state, and local income Tax or other purposes. Neither the Parent Parties nor the Company shall take any action, or fail to take any action, that would reasonably be expected to cause the Merger to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code.

Section 7.10 Financing and Financing Cooperation.

(a) Unless, and to the extent, Parent and Merger Sub have sufficient cash from other sources sufficient to consummate the Merger, the Transactions and to pay the Cash Consideration, any cash in lieu of fractional Parent Common Shares pursuant to Section 3.13, all other amounts required to be paid by Parent or Merger Sub in connection with the consummation of the Transactions and any other related fees and expenses, and for the Refinancing (the "Necessary Financing") (including pursuant to any Alternate Financing or other alternative financing), each of Parent and Merger Sub shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to obtain the full amount of the Financing (or such portion of the Financing as Parent determines to be necessary, together with cash from other sources (including pursuant to any Alternate Financing or other alternative financing), to satisfy its obligations under Section 5.28(d) and for the Refinancing), on the terms and conditions described in the Commitment Letter (as it may be amended in accordance with the provisions below), after giving effect to the market flex terms in the Redacted Fee Letter, and shall not (without the written consent of the Company) permit any amendment or modification to be made to (other than to amend the Commitment Letter to add lenders, co-agents, lead arrangers or similar entities who have not executed the Commitment Letter as of the date hereof or to reassign titles), or any waiver of any provision or remedy under, the Commitment Letter or the Redacted Fee Letter, if such amendment, modification or waiver (i) reduces the aggregate amount of the Financing (taking into account any Alternate Financing or other alternative financing and any cash from other sources) such that Parent or Merger Sub would be unable to pay (A) the Cash Consideration, (B) any cash in lieu of fractional Parent Common Shares pursuant to Section 3.13 and (C) all other amounts required to be paid by Parent or Merger Sub in connection with the consummation of the Transactions, the funding of the Financing on the Closing Date and any other related fees and expenses) or (ii) imposes new or additional conditions or other terms or otherwise expands, amends or modifies any of the conditions to the receipt of the Financing or other terms in a manner that would reasonably be expected to (A) materially delay or prevent the Closing, or (B) make the timely funding of the Financing or satisfaction of the conditions to obtaining the Financing less likely to occur, other than a waiver of any closing conditions by the lead arrangers, lenders or agents or (C) relieve any Financing Source of any of its funding commitments under the Commitment Letter without replacement thereof as provided below; provided that Parent shall have the right to substitute other financing for all or any portion of the Financing from the same and/or alternative financing sources and to replace any Financing Sources with any other financing sources and in connection therewith relieve any such replaced Financing Source of all or a portion of its funding commitments under the Commitment Letter; provided, further, that such substitution shall only be permitted if (1) the terms thereof would not be reasonably expected to materially delay or prevent the Closing or make the timely funding of the Financing or satisfaction of the conditions to obtaining the Financing less likely to occur and (2) the conditions to the Financing set forth in the Commitment Letter would not be expanded or modified in a manner that would reasonably be expected to materially delay or prevent the Closing. Any reference in this Agreement to (I) "Financing" shall include the financing contemplated by the Commitment Letter as amended or modified in compliance with this Section 7.10(a) and (II) "Commitment Letter," and "Redacted Fee Letter" shall include such documents as amended or modified in compliance with this Section 7.10(a).

(b) Unless, and to the extent, Parent and Merger Sub have sufficient cash from other sources available to satisfy their obligations under Section 5.28(d) and for the Refinancing (including pursuant to any Alternate Financing or other alternative financing), each of Parent and Merger Sub shall use its commercially reasonable efforts to (i) maintain in effect, and enforce its rights under, the Commitment Letter in accordance with the terms and subject to the conditions thereof, (ii) negotiate and enter into definitive agreements with respect to the Financing on the terms and conditions contained in the Commitment Letter, including the market flex provisions in the Redacted Fee Letter and (iii) satisfy (or obtain the waiver of) all conditions within Parent and Merger Sub's control to funding contained in

the Commitment Letter and consummate the Financing at or prior to the Closing. Parent and Merger Sub shall inform the Company on a reasonably current basis in reasonable detail of the status of its efforts to obtain the Financing. Without limiting the generality of the foregoing, Parent and Merger Sub shall give the Company prompt notice after becoming aware of (A) any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would reasonably be expected to result in a material breach or default) by any party to the Commitment Letter or any definitive agreement related thereto, (B) any termination of the Financing contemplated by the Commitment Letter and/or (C) the implementation of any of the flex provisions in order to effect all or any portion of the Financing, if such flex provisions would be reasonably expected to prevent or materially delay the Closing.

(c) If, notwithstanding the use of commercially reasonable efforts by Parent to satisfy its obligations under Section 7.10(a) and Section 7.10(b), the Commitment Letter shall expire or be terminated or modified in a manner materially adverse to Parent so as to materially delay or prevent the Closing, for any reason and in whole or in part, prior to the Closing (including as a result of a breach or repudiation), or if any portion of the Financing becomes unavailable (and such portion is necessary for Parent to obtain the Necessary Financing on the terms and conditions contemplated in the Commitment Letter (other than as a result of obtaining substitute debt financing in accordance with Section 7.10(a)) or unless, and to the extent, Parent has sufficient cash from other sources available to satisfy the Necessary Financing (including pursuant to any Alternate Financing or other alternative financing), Parent shall use its commercially reasonable efforts to arrange promptly to obtain alternative financing from alternative sources on terms (including, without limitation, as it relates to economic provisions and the payment of fees, compensation and expenses and any flex provisions contained therein) and in an amount such that the aggregate funds together with other financial resources of Parent and Merger Sub, including any remaining portion of the Financing and any alternative financing, any proceeds from the Healthcare Properties Sale and any other cash on hand and marketable securities of Parent and Merger Sub that would be available to Parent and Merger Sub at the Closing will be sufficient for Parent and Merger Sub to obtain the Necessary Financing (the "Alternate Financing") and to obtain a new financing commitment letter with respect to such Alternate Financing (the "New Commitment Letter"), which shall replace the existing Commitment Letter to the extent such Alternate Financing replaces the Financing. Parent shall promptly notify the Company of such expiration, termination or unavailability referred to in the first sentence of this Section 7.10(c) and the reason therefor, and shall provide a true, correct and complete copy of such New Commitment Letter to the Company (which may include redactions as specified therein). In the event any New Commitment Letter is obtained, (i) any reference in this Agreement to the "Financing" shall mean the financing contemplated by the Commitment Letter as such reference is modified pursuant to clause (ii) below (and include, if applicable, any debt securities issued in lieu of any such financing), (ii) any reference in this Agreement to the "Commitment Letter" shall be deemed to include the Commitment Letter to the extent that it is not superseded by a New Commitment Letter at the time in question and, to the extent so superseded, the New Commitment Letter to the extent then in effect and (iii) any reference in this Agreement to "Redacted Fee Letter" shall be deemed to include any fee or other letter relating to the Commitment Letter that is not superseded by a New Commitment Letter at the time in question and the New Commitment Letter to the extent then in effect.

(d) The Company agrees to, and to cause the Company Subsidiaries to, and to use its reasonable best efforts to cause their respective Representatives to, provide all cooperation reasonably requested by Parent and the Financing Sources in connection with the Financing, including: (i) furnishing to Parent and the Financing Sources as promptly as practicable the Required Information and periodically updating the Required Information so that it is complete and correct in all material respects and does not include an untrue statement of a material fact or omit to state a fact necessary to make the statements, in the light of the circumstances under which they were made, not misleading; (ii) using

("Moody's"), respectively, and public ratings for any of the facilities and any debt securities issued in connection with the Financing from each of S&P and Moody's. The Company hereby consents to the use of all of its and the Company Subsidiaries' logos in connection with the Financing, provided that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Company or the Company Subsidiaries or the reputation or goodwill of the Company or any Company Subsidiary. Notwithstanding any other provision set forth herein or in any other agreement between the Company and Parent (or its Affiliates), the Company agrees that Parent and its Affiliates may share customary projections with respect to the Company and its business with the Financing Sources, and that Parent, its Affiliates and such Financing Sources may share such information with potential Financing Sources

Notwithstanding anything to the contrary in this Agreement, until the Closing Date, none of the Company, any of the Company Subsidiaries or any of its or their respective directors or officers or other personnel shall be required by this Section 7.10(d) to (A) pay any commitment or other fee in connection with any proposed Financing, (B) enter into any definitive agreement, including any credit or other agreements, pledge or security documents, or other certificates, legal opinions or documents, related to any proposed Financing that will be effective at any time before the Closing Date, to the extent not specifically provided in this Section 7.10(d) or Section 7.10(e), (C) unless promptly reimbursed by Parent upon written request of the Company, incur any other out of pocket expenses (other than immaterial incidental expenses) in connection with the Financing, (D) except as expressly provided in this Agreement, take any corporate actions prior to the Closing to permit or facilitate the consummation of the Financing or (E) take any action or provide any assistance that unreasonably interferes with the ongoing operations of the Company and the Company Subsidiaries. Parent shall (1) promptly upon request by the Company, reimburse the Company and the Company Subsidiaries for all reasonable and documented out-of-pocket costs and expenses (including reasonable attorneys' fees) incurred by the Company or any Company Subsidiary in connection with providing the assistance contemplated by this Section 7.10(d) and (2) indemnify and hold harmless the Company and the Company Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses (including attorneys' fees), interest, awards, judgments and penalties suffered or incurred by any of them in connection with the Financing and any information used in connection therewith (other than information provided in writing by the Company or any Company Subsidiary) and all other actions taken by the Company, the Company Subsidiaries and their respective Representatives taken at Parent's request pursuant to this Section 7.10(d), except to the extent finally determined by a court of competent jurisdiction to have arisen from the Company's any Company Subsidiary's or their respective Representatives' fraud, gross negligence or willful misconduct.

(e) The Company shall use reasonable best efforts to deliver all notices and take other actions required to facilitate the termination of commitments in respect of the Existing Credit Agreement, repayment in full of all obligations in respect of Indebtedness under the Existing Credit Agreement and release of any Liens and guarantees in connection therewith on the Closing Date (the "Refinancing"). In furtherance and not in limitation of the foregoing, the Company shall use reasonable best efforts to deliver to Parent at least five (5) Business Days prior to the Closing Date customary payoff letters with respect to the Existing Credit Agreement (the "Payoff Letters" and each, a "Payoff Letter"), in substantially final form and in form and substance reasonably acceptable to Parent from all financial institutions and other Persons to which such Indebtedness is owed, or the applicable agent, trustee or other representative on behalf of such Persons, which Payoff Letters together with any related release documentation shall, among other things, include the payoff amount and provide in substance reasonably acceptable to Parent, among other things, that Liens (and guarantees), if any, granted in connection therewith relating to the assets, rights and properties of the Company Entities securing such Indebtedness and any other obligations secured thereby, shall be, upon the payment of the amount set forth in the applicable payoff letter at or prior to the Closing be released and terminated.

TERMINATION

Section 9.1 Termination. This Agreement may be terminated and the Merger and other Transactions may be abandoned at any time prior to the Effective Time, whether before or after receipt of the Company Stockholder Approval or the Parent Shareholder Approval (except as otherwise expressly noted), as follows:

(a) by mutual written agreement of each of Parent and the Company; or

(b) by either Parent or the Company, if:

(i) the Effective Time shall not have occurred on or before the Outside Date, provided that the right to terminate this Agreement pursuant to this Section 9.1(b)(i) shall not be available to any Party if the failure of such Party (and in the case of Parent, including the failure of Merger Sub) to perform any of its obligations under this Agreement has been a principal cause of, or resulted in, the failure of the Merger to be consummated on or before such date; or

(ii) any Governmental Entity of competent jurisdiction shall have issued an order, decree or ruling permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement, and such order, decree or ruling or other action shall have become final and non-appealable; or

(iii) the Company Stockholder Approval shall not have been obtained at a duly held Company Stockholder Meeting (including any adjournment or postponement thereof) at which the Merger has been voted upon, provided that the right to terminate this Agreement under this Section 9.1(b)(iii) shall not be available to the Company if the failure to obtain such Company Stockholder Approval was primarily due to the Company's failure to perform any of its obligations under this Agreement; or

(iv) the Parent Shareholder Approval shall not have been obtained at a duly held Parent Shareholder Meeting (including any adjournment or postponement thereof) at which the issuance of Parent Common Shares in connection with the Merger has been voted upon, provided that the right to terminate this Agreement under this Section 9.1(b)(iv) shall not be available to Parent if the failure to obtain such Parent Shareholder Approval was primarily due to any Parent Party's failure to perform any of its obligations under this Agreement; or

(c) by the Company:

(i) if any Parent Party shall have breached or failed to perform any of its representations, warranties, covenants or other agreements set forth in this Agreement, which breach or failure to perform (A) would, or would reasonably be expected to, result in a failure of a condition set forth in Section 8.3(a) or Section 8.3(b) and (B) cannot be cured on or before the Outside Date or, if curable, is not cured by the Parent Parties within twenty (20) days of receipt by Parent of written notice of such breach or failure from the Company; provided that the Company shall not have the right to terminate this Agreement pursuant to this Section 9.1(c)(i) if the Company is then in breach of any of its representations, warranties, covenants or agreements set forth in this Agreement such that the conditions set forth in either Section 8.2(a) or Section 8.2(b) could not then be satisfied; or

(ii) at any time prior to the receipt of the Company Stockholder Approval in order to enter into a definitive Acquisition Agreement that constitutes a Superior Proposal in accordance with Section 6.3(d) that was not the result of a breach by the Company of Section 6.3; provided that the Company, prior to or concurrently with such termination, pays the Parent Termination Payment in accordance with Section 9.3.

(d) by Parent:

(i) if the Company shall have breached or failed to perform any of its representations, warranties, covenants or other agreements set forth in this Agreement, which breach or failure to perform (A) would, or would reasonably be expected to, result in a failure of a condition set forth in Section 8.2(a) or Section 8.2(b) and (B) cannot be cured on or before the Outside Date or, if curable, is not cured by the Company within twenty (20) days of receipt by the Company of written notice of such breach or failure from Parent; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 9.1(d)(i) if any Parent Party is then in breach of any of its respective representations, warranties, covenants or agreements set forth in this Agreement such that the conditions set forth in either Section 8.3(a) or Section 8.3(b) could not then be satisfied; or

(ii) prior to the receipt of the Company Stockholder Approval, in the event that (A) the Company Board shall have made an Adverse Recommendation Change, (B) following the disclosure or announcement of a Competing Proposal with respect to the Company (other than a tender offer or exchange offer described in clause (C) below), the Company Board shall have failed to reaffirm publicly the Company Board Recommendation within five (5) Business Days after Parent requests in writing that such recommendation under such circumstances be reaffirmed publicly, (C) a tender offer or exchange offer is commenced that would, if consummated, constitute a Competing Proposal with respect to the Company and the Company Board shall have failed to recommend against acceptance of such tender offer or exchange offer by its stockholders (including, for these purposes, by taking any position contemplated by Rule 14e-2 of the Exchange Act other than recommending rejection of such tender offer or exchange offer) within ten (10) Business Days of the commencement of such tender offer or exchange offer (or, in the event of a change in the terms of the tender offer or exchange offer, within ten (10) Business Days of the announcement of such changes), (D) the Company Board publicly announces an intention to take any of the foregoing actions in clauses (A)-(C), or (E) the Company shall have breached its obligations under Section 6.3 or its obligations pursuant to the third sentence of Section 6.4(c), in each case in any material respect.

Section 9.2 Effect of Termination. In the event that this Agreement is terminated and the Merger and the other Transactions are abandoned pursuant to Section 9.1, written notice thereof shall be given by the terminating Party to the other Party or Parties, specifying the provisions hereof pursuant to which such termination is made and describing the basis therefor in reasonable detail, and this Agreement shall forthwith become null and void and of no further force or effect whatsoever without liability on the part of any Party (or any of the other Company Entities, the other Parent Entities or any of the Company's or Parent's respective Representatives), and all rights and obligations of any Party shall cease; provided, however, that, notwithstanding anything in the foregoing to the contrary, (a) no such termination shall relieve any Party of any liability or damages resulting from or arising out of any fraud or a willful breach and (b) the Company Confidentiality Agreement, the Parent Confidentiality Agreement, this Section 9.2, Section 9.3, Article X and the definitions of all defined terms appearing in such sections shall survive any termination of this Agreement pursuant to Section 9.1. If this Agreement is terminated as provided herein, all filings, applications and other submissions made pursuant to this Agreement, to the extent practicable, shall be withdrawn from the Governmental Entity or other Person to which they were made.

Section 9.3 Termination Payments.

(a) If, but only if, this Agreement is terminated:

(i) by either the Company or Parent pursuant to Section 9.1(b)(i) or by Parent pursuant to Section 9.1(d)(i) and (A) in the case of a termination pursuant to Section 9.1(b)(i), the Parent Shareholder Approval shall have been obtained and the Company Stockholder Approval shall not

have been obtained prior to such termination, and (B) in any such case, (1) after the date of this Agreement, a Competing Proposal shall have been made to the Company or any Person shall have publicly announced an intention (whether or not conditional) to make a Competing Proposal with respect to the Company (and such Competing Proposal or publicly announced intention shall not have been publicly withdrawn without qualification before such termination) and (2) the Company, within twelve (12) months after the termination of this Agreement, consummates a transaction regarding, or executes a definitive agreement which is later consummated with respect to, a Competing Proposal, then the Company shall pay, or cause to be paid, to Parent, the Parent Termination Payment by wire transfer of same day funds to an account designated by Parent, not later than the consummation of such transaction arising from such Competing Proposal; provided, however, that for purposes of this Section 9.3(a)(i), the references to "fifteen percent (15%)" in the definition of Competing Proposal shall be deemed to be references to "fifty percent (50%)" or

(ii) by either the Company or Parent pursuant to Section 9.1(b)(iii), and (A) after the date of this Agreement, a Competing Proposal shall have been made to the Company or any Person shall have publicly announced an intention (whether or not conditional) to make a Competing Proposal with respect to the Company (and such Competing Proposal or publicly announced intention shall not have been publicly withdrawn without qualification before such termination), and (B) the Company, within twelve (12) months after the termination of this Agreement, consummates a transaction regarding, or executes a definitive agreement which is later consummated with respect to, a Competing Proposal, then the Company shall pay, or cause to be paid, to Parent the Parent Termination Payment by wire transfer of same day funds to an account designated by Parent, not later than the consummation of such transaction arising from such Competing Proposal; provided, however, that for purposes of this Section 9.3(a)(ii), the references to "fifteen percent (15%)" in the definition of Competing Proposal shall be deemed to be references to "fifty percent (50%)" or

(iii) by the Company pursuant to Section 9.1(c)(ii), then the Company shall pay, or cause to be paid, to Parent the Parent Termination Payment, by wire transfer of same day funds to an account designated by Parent, prior to or concurrently with such termination; or

(iv) by Parent pursuant to Section 9.1(d)(ii), then the Company shall pay, or cause to be paid, to Parent the Parent Termination Payment, by wire transfer of same day funds to an account designated by Parent, within two (2) Business Days of such termination; or

(v) by Parent or the Company pursuant to Section 9.1(b)(iii), then the Company shall pay, or cause to be paid, to Parent the Parent Expense Amount, by wire transfer of same day funds to an account designated by Parent, (A) concurrently with such termination (in the case of termination by the Company) or (B) within two (2) Business Days of such termination (in the case of termination by Parent); or

(vi) by Parent or the Company pursuant to Section 9.1(b)(iv), then Parent shall pay, or cause to be paid, to the Company the Company Expense Amount, by wire transfer of same day funds to an account designated by the Company, (A) concurrently with such termination (in the case of termination by Parent) or (B) within two (2) Business Days of such termination (in the case of termination by the Company).

(b) Notwithstanding anything to the contrary set forth in Section 9.3(a), the Parties agree that:

(i) under no circumstances shall the Company be required to pay the Parent Termination Payment or the Parent Expense Amount, or Parent be required to pay the Company Expense Amount, earlier than one (1) full Business Day after receipt of appropriate wire transfer instructions from the Party entitled to payment;

(ii) under no circumstances shall the Company be required to pay the Parent Termination Payment on more than one occasion;

(iii) under no circumstances shall the Company be required to pay the Parent Expense Amount on more than one occasion; and

(iv) under no circumstances shall Parent be required to pay the Company Expense Amount on more than one occasion.

(c) Each of the Parties acknowledges that (i) the agreements contained in this Section 9.3 are an integral part of the Transactions, (ii) the Parent Termination Payment is not a penalty, but is liquidated damages, in a reasonable amount that will compensate the Company in the circumstances in which such fee is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision, and (iii) without this agreement, the Parties would not enter into this Agreement. If the Company or Parent fails to timely pay any amount due pursuant to this Section 9.3 and, in order to obtain such payment, Parent or the Company, as applicable, commences a suit that results in a judgment against the other Party for the payment of any amount set forth in this Section 9.3, such other Party shall pay the prevailing Party its costs and expenses (including attorneys' fees) in connection with such suit, together with interest on such amount at the annual rate of five percent (5%) for the period from the date such payment was required to be made through the date such payment was actually received, or such lesser rate as is the maximum permitted by applicable Law.

(d)

(i) If the Company (the "Termination Payor") is required to pay Parent (the "Termination Payee") the Parent Termination Payment such payment shall be paid into escrow on the date such payment is required to be paid by the Termination Payor pursuant to this Agreement by wire transfer of immediately available funds to an escrow account designated in accordance with Section 9.3(d)(ii). The amount payable to the Termination Payee in any tax year of the Termination Payee shall not exceed the lesser of (A) the Parent Termination Payment payable to the Termination Payee, and (B) the sum of (1) the maximum amount that can be paid to the Termination Payee without causing the Termination Payee to fail to meet the requirements of Section 856(c)(2) and (3) of the Code for the relevant tax year, determined as if the payment of such amount did not constitute income described in Sections 856(c)(2) or 856(c)(3) of the Code ("Qualifying Income") and the Termination Payee has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in each case, as determined by the Termination Payee's independent accountants, plus (2) in the event the Termination Payee receives either (x) a letter from the Termination Payee's counsel indicating that the Termination Payee has received a ruling from the IRS as described below in this Section 9.3(d) or (y) an opinion from the Termination Payee's outside counsel as described below in this Section 9.3(d), an amount equal to the excess of the Parent Termination Payment less the amount payable under clause (1) above.

(ii) To secure the Termination Payor's obligation to pay the Parent Termination Payment, the Termination Payor shall deposit into escrow an amount in cash equal to the Parent Termination Payment with an escrow agent selected by the Termination Payor on such terms (subject to this Section 9.3(d)) as shall be mutually agreed upon by the Termination Payor, the Termination Payee and the escrow agent. The payment or deposit into escrow of the Parent Termination Payment pursuant to this Section 9.3(d) shall be made at the time the Termination Payor is obligated to pay the Termination Payee such amount pursuant to this Section 9.3 by wire transfer. The escrow agreement shall provide that the Parent Termination Payment in escrow or any portion thereof shall not be released to the Termination Payee unless the escrow agent receives any one or combination of the following: (A) a letter from the Termination Payee's independent accountants indicating the maximum amount that can be paid by the escrow agent to the Termination Payee

without causing the Termination Payee to fail to meet the requirements of Sections 856(c)(2) and (3) of the Code determined as if the payment of such amount did not constitute Qualifying Income and the Termination Payee has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in which case the escrow agent shall release such amount to the Termination Payee, or (B) a letter from the Termination Payee's counsel indicating that (1) the Termination Payee received a ruling from the IRS holding that the receipt by the Termination Payee of the Parent Termination Payment would either constitute Qualifying Income or would be excluded from gross income within the meaning of Sections 856(c)(2) and (3) of the Code or (2) the Termination Payee's outside counsel has rendered a legal opinion to the effect that the receipt by the Termination Payee of the Parent Termination Payment should either constitute Qualifying Income or should be excluded from gross income within the meaning of Sections 856(c)(2) and (3) of the Code, in which case the escrow agent shall release the remainder of the Parent Termination Payment to the Termination Payee. The Termination Payor agrees to amend this Section 9.3(d) at the reasonable request of the Termination Payee in order to (y) maximize the portion of the Parent Termination Payment that may be distributed to the Termination Payee hereunder without causing the Termination Payee to fail to meet the requirements of Sections 856(c)(2) and (3) of the Code, or (z) assist the Termination Payee in obtaining a favorable ruling or legal opinion from its outside counsel, in each case, as described in this Section 9.3(d). Any amount of the Parent Termination Payment that remains unpaid as of the end of a taxable year shall be paid as soon as possible during the following taxable year, subject to the foregoing limitations of this Section 9.3(d).

Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party or Parties to be bound thereby. Notwithstanding the foregoing, no failure or delay by the Company, Parent or Merger Sub in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right hereunder.

Section 10.6 Counterparts. This Agreement may be executed manually or by facsimile by the Parties, in any number of counterparts, each of which shall be considered one and the same agreement and shall become effective when a counterpart hereof shall have been signed by each of the Parties and delivered to the other Parties.

Section 10.7 Entire Agreement: Third-Party Beneficiaries.

(a) This Agreement (including the Company Disclosure Letter, the Parent Disclosure Letter, the exhibits hereto and the documents and the instruments referred to herein), the Company Confidentiality Agreement, the Parent Confidentiality Agreement and any agreements entered into contemporaneously herewith constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and oral, among the Parties or any of them with respect to the subject matter hereof and thereof.

(b) Except as provided in Section 7.5, neither this Agreement (including the Company Disclosure Letter, the Parent Disclosure Letter, the exhibits hereto and the documents and the instruments referred to herein), nor the Company Confidentiality Agreement and the Parent Confidentiality Agreement are intended to confer upon any Person other than the Parties any rights or remedies hereunder; provided that the provisions of Section 10.1(a), this Section 10.7(b), Section 10.9(c), Section 10.10 and Section 10.12(d), are for the benefit of and may be enforced by the Financing Sources.

(c) The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Parties in accordance with Section 10.1 without notice or

liability to any other Person. The representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the Knowledge of any of the Parties and may have been qualified by certain disclosures not reflected in the text of this Agreement. Accordingly, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 10.8 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions, taken as a whole, are not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the Merger are fulfilled to the extent possible.

Section 10.9 Governing Law; Jurisdiction.

(a) This Agreement, and all claims or causes of actions (whether at Law, in contract or in tort) that may be based upon, arise out of or related to this Agreement or the negotiation, execution or performance of this Agreement, shall be governed by, and construed in accordance with, the Laws of the State of Maryland without giving effect to conflicts of laws principles (whether of the State of Maryland or any other jurisdiction that would cause the application of the Laws of any jurisdiction other than the State of Maryland).

(b) All Legal Proceedings and proceedings arising out of or relating to this Agreement shall be heard and determined exclusively in any Maryland state or federal court. Each of the Parties hereby irrevocably and unconditionally (i) submits to the exclusive jurisdiction of any Maryland state or federal court, for the purpose of any Legal Proceeding arising out of or relating to this Agreement brought by any Party, (ii) agrees not to commence any such action or proceeding except in such courts, (iii) agrees that any claim in respect of any such action or proceeding may be heard and determined in any Maryland state or federal court, (iv) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding and (v) waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each of the Parties agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each Party irrevocably consents to service of process in the manner provided for notices in Section 10.5. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

(c) Notwithstanding anything in preceding clause (b) to the contrary, and without limiting anything set forth in Section 10.12(d), each of the Parties agrees that it will not bring or support any suit, action or other proceeding (whether at law, in equity, in contract, in tort or otherwise) against any Financing Source in any way relating to this Agreement or any of the transactions contemplated by this Agreement (including the Transactions and any related financing), including any dispute arising out of or relating in any way to the Financing, or the performance thereof, in any forum other than any New York State court or federal court sitting in the County of New York and the Borough of Manhattan (and appellate courts thereof). The Parties further agree that all of the provisions of Section 10.10 relating to waiver of jury trial shall apply to any suit, action or other proceeding referenced in this Section 10.9(c).

Section 10.10 Waiver of Jury Trial. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR

RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HERewith, THE MERGER, THE FINANCING AND OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING ANY ACTION, PROCEEDING OR COUNTERCLAIM AGAINST ANY FINANCING SOURCE. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE EITHER OF SUCH WAIVERS, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVERS, (C) IT MAKES SUCH WAIVERS VOLUNTARILY, AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.10.

Section 10.11 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned or delegated, in whole or in part, by operation of Law or otherwise by any of the Parties without the prior written consent of the other Parties. This Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 10.12 Enforcement; Remedies.

(a) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

(b) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Except as set forth in this Section 10.12, including the limitations set forth in Section 10.12(c), it is agreed that prior to the termination of this Agreement pursuant to Article IX, the non-breaching Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by any other Party and to specifically enforce the terms and provisions of this Agreement.

(c) The Parties' right of specific enforcement is an integral part of the Transactions and each Party hereby waives any objections to the grant of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement by any other Party (including any objection on the basis that there is an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity), and each Party shall be entitled to an injunction or injunctions and to specifically enforce the terms and provisions of this Agreement to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement all in accordance with the terms of this Section 10.12. In the event any Party seeks an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such Party shall not be required to provide any bond or other security in connection with such order or injunction all in accordance with the terms of this Section 10.12.

(d) Notwithstanding anything to the contrary contained herein, the Company agrees, on its own behalf and on behalf of the Company Subsidiaries and its and their Affiliates, (i) that none of the Arranger or any of the Lenders (as each such term is defined in the Commitment Letter) nor any other lenders, agents, arrangers or other debt financing sources under the Commitment Letter or any other Financing Sources or any of their respective Affiliates, successors or assigns shall have any liability or obligation to the Company Entities or any of their respective Affiliates and Subsidiaries (collectively, the "Seller Parties"), (ii) none of the Seller Parties shall have any rights or claims against the Arranger or any Lender (as each such term is defined in the Commitment Letter) or any other Financing Sources or any of their respective Affiliates in their respective capacities as arrangers, agents,

lenders, underwriters or purchasers in connection with the debt financing contemplated by the Commitment Letter or any other Financing, (iii) none of the Seller Parties shall bring, join, support or cooperate with (or assist in bringing or supporting) any claim, action, suit or dispute against the Arranger, the Lenders (as each such term is defined in the Commitment Letter) or any other lenders, agents, arrangers or other Financing Sources, in each case, relating to this Agreement or any of the transactions contemplated herein (including the Commitment Letter) and (iv) the Arranger and the Lenders (as each such term is defined in the Commitment Letter) and other Financing Sources shall be third-party beneficiaries of the restrictions on the remedies of the Cole Corporate Income Trust, Inc. Entities set forth in Section 10.7(b).

Section 10.13 Non-liability of Trustees of Parent. The Parent Charter, as filed with SDAT, provides (a) that no current or former trustee or officer of Parent shall be liable to Parent or to any shareholder for money damages and (b) that no shareholder shall be personally liable for any debt, claim, demand, judgment or obligation of any kind of Parent by reason of his or her being a shareholder of Parent. All Persons dealing with Parent in any way shall look only to the assets of Parent for the payment of any sum or the performance of any obligation.

with any taxing authority, and (ii) to give the other parties reasonable written notice prior to transferring, destroying or discarding any such books and records and, if another party so requests, Purchaser, the Property Owners and Seller, as the case may be, shall allow the other party to take possession of such books and records.

SECTION 10. DAMAGE TO OR CONDEMNATION OF PROPERTY.

Section 10.1 Casualty. If, prior to the Closing, any Property is materially destroyed or damaged by fire or other casualty, (a) Purchaser shall have no right to terminate this Agreement and there shall be no abatement to the Purchase Price and (b) Seller shall assign to Purchaser at the Closing the rights of Seller to the proceeds, if any, under Seller's insurance policies covering the Property with respect to such damage or destruction and there shall be no other adjustment to the Purchase Price.

Section 10.3 Survival. The Parties' obligations, if any, under this Section 10 shall survive the Closing.

SECTION 11. TERMINATION

Section 11.1 Termination. This Agreement shall terminate and shall have no further force or effect on the earliest to occur of (i) such date and time as the Merger Agreement shall be terminated pursuant to Article IX thereof, (ii) the termination of this Agreement by mutual written consent of each of Seller and Purchaser, or (iii) at the election of Purchaser, if any material amendment to, or waiver of Parent's rights or the Company's obligations under, or any waiver of any condition to the consummation of the Merger Agreement that, in any case under this clause (iii), is materially adverse to the interests of Purchaser and is effected without Purchaser's consent.

Section 11.2 Termination of Merger Agreement.

(a) If the Merger Agreement is terminated by Parent under Section 9.1(b)(iii) of the Merger Agreement, Parent shall reimburse Purchaser for all reasonable out-of-pocket expenses (including reasonable attorneys', accountants' and consultants' fees and disbursements) incurred by Purchaser in connection with this Agreement and the transactions contemplated hereby ("Purchaser's Expenses"), up to an aggregate amount of \$2,500,000, provided that, if the sum of Parent's Expenses and Purchaser's Expenses exceeds \$20,000,000, Parent's obligation to reimburse Purchaser under this Section 11.2 shall not exceed an amount determined by multiplying Purchaser's Expenses by a fraction, the numerator of which is (i) Purchaser's Expenses and the denominator is (ii) the sum of Parent's Expenses plus Purchaser's Expenses.

(b) If as a result of the termination of the Merger Agreement, Parent receives the Parent Termination Payment, Parent shall (i) reimburse Purchaser for all Purchaser's Expenses to the extent not previously reimbursed by Parent and (ii) pay Purchaser an amount determined by (1) subtracting Parent's Expenses and Purchaser's Expenses from the Parent Termination Payment and (2) multiplying such difference by a fraction, the numerator of which is the Purchase Price and denominator of which is the Enterprise Value.

SECTION 12. MISCELLANEOUS.

Section 12.1 Remedies and Enforcement.

(a) If this Agreement is terminated and the transactions contemplated hereby failed to close (i) as a result of the default or breach of Seller hereunder, Seller shall reimburse Purchaser for Purchaser's Expenses; or (ii) as a result of the default or breach of Purchaser hereunder, Purchaser shall reimburse Seller for (x) Parent's Expenses and (y) any fees and other amounts payable by Parent to the Company as a result of Parent's inability to consummate the Merger or the other Transactions as a result of Purchaser's breach of its obligations under this Agreement. Notwithstanding anything herein to the contrary, no termination of this Agreement shall relieve any Party of any liability or damages resulting from or arising out of any fraud or willful breach.

(b) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

(c) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Except as set forth in this Section 12.1, including the limitations set forth in Section 12.1(d), it is agreed that prior to the termination of this Agreement, the non-breaching Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by any other Party and to specifically enforce the terms and provisions of this Agreement.

(d) The Parties' right of specific enforcement is an integral part of the transactions contemplated hereby and each Party hereby waives any objections to the grant of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement by any other Party (including any objection on the basis that there is an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity), and each Party shall be entitled to an injunction or injunctions and to specifically enforce the terms and provisions of this Agreement to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement all in accordance with the terms of this Section 12.1. In the event any Party seeks an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such Party shall not be required to provide any bond or other security in connection with such order or injunction all in accordance with the terms of this Section 12.1.

Section 12.2 Brokers. Each of the Parties represents to the other Party that, except as disclosed on Schedule 12.2, it dealt with no broker, finder or like agent in connection with this Agreement or the transactions contemplated hereby. Each Party shall indemnify and hold harmless the other Party and its respective legal representatives, heirs, successors and assigns from and against any loss, liability or expense, including reasonable attorneys' fees, charges and disbursements arising out of any claim or claims for commissions or other compensation for bringing about this Agreement or the transactions contemplated hereby made by any other broker, finder or like agent, if such claim or claims are based in whole or in part on dealings with the indemnifying party. The provisions of this Section 12.2 shall survive the Closing.

Section 12.3 Consents. If Purchaser or any Property Owner shall incur or suffer any loss, liability or expense, including default interest, reasonable attorneys' fees, charges and disbursements arising out of any default or acceleration of any amounts due under any Indebtedness set forth on Schedule 6.13(a)(vi) as a result of failure to obtain the consents of the lenders thereunder, Seller shall pay or reimburse Purchaser or the Property Owner, as the case may be, for one-half of all such amounts in excess of (a) the amount by which the Purchase Price was reduced under Section 2.3(b) and

(b) the amount of any assumption fee that would have otherwise been payable had consent of the lenders been obtained.

Section 12.4 Survival of Representations and Warranties; Limitation on Liabilities.

(a) Although certain representations and warranties made by Seller in this Agreement are qualified by Company Material Adverse Effect, Seller agrees that for all purposes of this Section 12.4, such representations and warranties will be deemed to have been made on the date of this Agreement and as of the Closing Date as though the phrase "Material Adverse Effect" were substituted for the phrase "Company Material Adverse Effect" each time the phrase "Company Material Adverse Effect" appears, including, without limitation, for the purpose of determining whether there was breach of such representations and warranties and Purchaser's right to recover for any loss, cost or damage resulting therefrom.

(b) The representations and warranties in this Agreement or in any schedule hereto shall survive the Closing and shall remain in full force and effect until the date that is twelve (12) months from the Closing Date, provided that (i) the representations and warranties in Section 6.2 shall survive for a period of six (6) years and (ii) the representations and warranties in Section 6.12 shall survive for the full period of all applicable statutes of limitation plus sixty (60) days (each, a "Survival Period").

(c) Seller shall be liable to Purchaser for any breach of Seller's representations and warranties set forth in Section 6 provided that Purchaser timely notifies Seller of such breach on or before the end of the applicable Survival Period, and further provided that in no event shall Seller's liability for breach of representations and warranties hereunder exceed in the aggregate an amount equal to five percent (5%) of the Purchase Price ("Seller's Maximum Liability"), and no claim shall be made by Purchaser, and Seller shall not be liable for any such claim, unless and until Purchaser's claims are for an aggregate amount in excess of five-tenths percent (0.5%) of the Purchase Price, in which event Seller's liability respecting any such claim(s) shall be for the entire amount thereof, subject to Seller's Maximum Liability.

(d) If a representation or warranty was not true and correct in all respects on the date of this Agreement and as of the Closing Date as though made on or as of such date (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date), Purchaser shall have the right to recover any loss, cost or damage resulting therefrom during the Survival Period from Seller (subject to Seller's Maximum Liability and the other provisions of Section 12.4(c)) and neither the occurrence of the Closing nor Purchaser's knowledge of such inaccuracy, shall limit or constitute a waiver of such right (except that all representations and warranties of Seller set forth herein shall be deemed modified by information or documentation posted by or on behalf of the Company to the virtual data room managed by R.R. Donnelley & Sons Company, as such virtual data room existed as of one (1) Business Day prior to the date hereof, and made accessible to Purchaser, or as otherwise provided in writing to Purchaser prior to the date hereof.)

(e) The Parties acknowledge that the representations and warranties related to the Interests, the Property Owners and the Properties made by Seller herein at the signing of this Agreement are based upon the representations and warranties made by the Company in the Merger Agreement and Seller's Knowledge.

(f) This Section 12.4 shall not limit any covenant or agreement of the Parties that by its terms contemplated performance after the Closing.

Section 12.5 Publicity. The Parties agree that, except as otherwise required by Law or the rules of any national securities exchange upon which the applicable Party's shares are listed for trading or to the extent Purchaser determines, in consultation with legal counsel, that such disclosure is required or appropriate in any prospectus, report or other filing made by Purchaser with the SEC or any stock

exchange or in any press release, earnings release or supplemental data related thereto or disclosure by Purchaser to Purchaser's underwriters, prospective underwriters, placement agents and prospective placement agents which are advised of its confidentiality, and except for the exercise of any remedy hereunder, no Party shall, with respect to this Agreement and the transactions contemplated hereby, contact or conduct negotiations with public officials, make any public pronouncements, issue press releases or otherwise furnish information regarding this Agreement or the transactions contemplated hereby to any third party without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 12.6 Notices. (a) Any and all notices, demands, consents, approvals, offers, elections and other communications required or permitted under this Agreement shall be deemed adequately given if in writing and the same shall be delivered either in hand, by telecopier with confirmed receipt, or by mail or Federal Express or similar expedited commercial carrier, addressed to the recipient of the notice, postpaid and registered or certified with return receipt requested (if by mail), or with all freight charges prepaid (if by Federal Express or similar carrier).

(b) All notices required or permitted to be sent hereunder shall be deemed to have been given for all purposes of this Agreement upon the date of acknowledged receipt, in the case of a notice by telecopier, and, in all other cases, upon the date of receipt or refusal, except that whenever under this Agreement a notice is either received on a day which is not a Business Day or is required to be delivered on or before a specific day which is not a Business Day, the day of receipt or required delivery shall automatically be extended to the next Business Day.

Section 12.7 Waivers, Etc. Any waiver of any term or condition of this Agreement, or of the breach of any covenant, representation or warranty contained herein, in any one instance, shall not operate as or be deemed to be or construed as a further or continuing waiver of any other breach of such term, condition, covenant, representation or warranty or any other term, condition, covenant, representation or warranty, nor shall any failure at any time or times to enforce or require performance of any provision hereof operate as a waiver of or affect in any manner such Party's right at a later time to enforce or require performance of such provision or any other provision hereof. This Agreement may not be amended, nor shall any waiver, change, modification, consent or discharge be effected, except by an instrument in writing executed by or on behalf of the Party against whom enforcement of any amendment, waiver, change, modification, consent or discharge is sought.

Section 12.8 Assignment; Successors and Assigns. This Agreement and all rights and obligations hereunder shall not be assignable, directly or indirectly, by any Party without the written consent of the other, except that Purchaser may assign this Agreement to any entity wholly owned, directly or indirectly, by Purchaser; provided, however, that, in the event this Agreement shall be assigned to any one or more entities wholly owned, directly or indirectly, by Purchaser, Purchaser named herein shall remain liable for the obligations of the "Purchaser" hereunder. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective legal representatives, successors and permitted assigns. This Agreement is not intended and shall not be construed to create any rights in or to be enforceable in any part by any other Persons.

Section 12.9 Severability. If any provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative or unenforceable as applied to any particular case in any jurisdiction or jurisdictions, or in all jurisdictions or in all cases, because of the conflict of any provision

Edgar Filing: Select Income REIT - Form S-4/A

with any constitution or statute or rule of public policy or for any other reason, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, inoperative or unenforceable in any other jurisdiction or in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to the extent that such other provisions are not themselves actually in conflict with such constitution, statute or rule of public policy, but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative or unenforceable provision had never been contained herein and such provision reformed so that it would be valid, operative and enforceable to the maximum extent permitted in such jurisdiction or in such case.

Section 12.10 Counterparts, Complete Agreement, Etc. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof and shall supersede and take the place of any other instruments purporting to be an agreement of the Parties relating to the subject matter hereof.

Section 12.11 Performance on Business Days. In the event the date on which performance or payment of any obligation of a Party required hereunder is other than a Business Day, the time for payment or performance shall automatically be extended to the first Business Day following such date.

Section 12.12 [Reserved].

Section 12.13 Time of Essence. Time shall be of the essence with respect to the performance of each and every covenant and obligation, and the giving of all notices, under this Agreement.

Section 12.14 Governing Law. The Laws of the State of Maryland shall govern the validity and construction of this Agreement and all rights and obligations of, and disputes between the Parties arising out of or related to this Agreement or the transactions contemplated by this Agreement, whether in contract, tort or otherwise, without regard to the principles of conflict of laws of the State of Maryland. Subject to Section 12.16, the Parties hereby consent and submit to the exclusive jurisdiction of the state and federal courts in the State of Maryland, the venue of the Circuit Court for Baltimore City and the venue of the U.S. District Court for the District of Maryland, and all actions and proceedings arising out of or relating to this Agreement shall be heard and determined in a state or federal court in the State of Maryland.

Section 12.15 WAIVER OF JURY TRIAL. BY EXECUTING THIS AGREEMENT, THE PARTIES KNOWINGLY AND WILLINGLY WAIVE ANY RIGHT THEY HAVE UNDER APPLICABLE LAW TO A TRIAL BY JURY IN ANY DISPUTE ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR THE ISSUES RAISED BY THAT DISPUTE.

Section 12.16 Arbitration.

(a) Any disputes, claims or controversies between Seller and Purchaser (i) arising out of or relating to this Agreement (including, without limitation, pursuant to Section 12.1 or Section 12.4) or (ii) brought by or on behalf of any member or shareholder of Seller or Purchaser (which, for purposes of this Section 12.16, shall mean any member or shareholder of record or any beneficial owner of membership interests or shares of Seller or Purchaser, or any former member or shareholder of record or beneficial owner of membership interests or shares of Seller or Purchaser), either on his, her or its own behalf, on behalf of Seller or Purchaser or on behalf of any series or class of membership interests or shares of Seller or Purchaser or members or shareholders of Seller or Purchaser against Seller or Purchaser or any trustee, director, officer, manager (including Reit Management & Research LLC or its successor), agent or employee of Seller or Purchaser, including disputes, claims or controversies relating to the meaning, interpretation, effect, validity, performance or enforcement of this Agreement, including this arbitration agreement, the declaration of trust, partnership agreement, liability company agreement or analogous governing instruments, as applicable, of Purchaser or Seller, or the bylaws of

Edgar Filing: Select Income REIT - Form S-4/A

Purchaser (all of which are referred to as "Disputes"), or relating in any way to such a Dispute or Disputes, shall on the demand of any party to such Dispute be resolved through binding and final arbitration in accordance with the Commercial Arbitration Rules (the "Rules") of the American Arbitration Association ("AAA") then in effect, except as those Rules may be modified in this Section 12.16. For the avoidance of doubt, and not as a limitation, Disputes are intended to include derivative actions against trustees, directors, officers or managers of Seller or Purchaser and class actions by a member or shareholder against those individuals or entities and Seller or Purchaser. For the avoidance of doubt, a Dispute shall include a Dispute made derivatively on behalf of one party against another party.

(b) There shall be three (3) arbitrators. If there are only two (2) parties to the Dispute, each party shall select one arbitrator within fifteen (15) days after receipt by respondent of a copy of the demand for arbitration. Such arbitrators may be affiliated or interested persons of such parties. If either party fails to timely select an arbitrator, the other party to the Dispute shall select the second arbitrator who shall be neutral and impartial and shall not be affiliated with or an interested person of either party. If there are more than two (2) parties to the Dispute, all claimants, on the one hand, and all respondents, on the other hand, shall each select, by the vote of a majority of the claimants or the respondents, as the case may be, one (1) arbitrator. Such arbitrators may be affiliated or interested persons of the claimants or the respondents, as the case may be. If either all claimants or all respondents fail to timely select an arbitrator then such arbitrator (who shall be neutral, impartial and unaffiliated with any party) shall be appointed by the AAA. The two (2) arbitrators so appointed shall jointly appoint the third and presiding arbitrator (who shall be neutral, impartial and unaffiliated with any party) within fifteen (15) days of the appointment of the second arbitrator. If the third arbitrator has not been appointed within the time limit specified herein, then the AAA shall provide a list of proposed arbitrators in accordance with the Rules, and the arbitrator shall be appointed by the AAA in accordance with a listing, striking and ranking procedure, with each party having a limited number of strikes, excluding strikes for cause.

(c) The place of arbitration shall be Boston, Massachusetts unless otherwise agreed by the parties thereto.

(d) There shall be only limited documentary discovery of documents directly related to the issues in dispute, as may be ordered by the arbitrators.

(e) In rendering an award or decision (the "Award"), the arbitrators shall be required to follow the Laws of the State of Maryland. Any arbitration proceedings or Award rendered hereunder and the validity, effect and interpretation of this arbitration agreement shall be governed by the Federal Arbitration Act, 9 U.S.C. §1 et seq. The Award shall be in writing and may, but shall not be required to, briefly state the findings of fact and conclusions of law on which it is based.

(f) Except as agreed by the parties thereto, each party involved in a Dispute shall bear its own costs and expenses (including attorneys' fees), and the arbitrators shall not render an Award that would include shifting of any such costs or expenses (including attorneys' fees) or, in a derivative case or class action, award any portion of Seller's or Purchaser's Award to the claimant or the claimant's attorneys. Except as agreed by the parties thereto, each party (or, if there are more than two (2) parties to the Dispute, all claimants, on the one hand, and all respondents, on the other hand, respectively) shall bear the costs and expenses of its (or their) selected arbitrator and the parties (or, if there are more than two parties to the Dispute, all claimants, on the one hand, and all respondents, on the other hand) shall equally bear the costs and expenses of the third appointed arbitrator.

(g) An Award shall be final and binding upon the parties thereto and shall be the sole and exclusive remedy between such parties relating to the Dispute, including any claims, counterclaims, issues or accounting presented to the arbitrators. Judgment upon the Award may be entered in any court having jurisdiction. To the fullest extent permitted by Law, no application or appeal to any court

of competent jurisdiction may be made in connection with any question of law arising in the course of arbitration or with respect to any Award made except for actions relating to enforcement of this agreement to arbitrate or any arbitral Award issued hereunder and except for actions seeking interim or other provisional relief in aid of arbitration proceedings in any court of competent jurisdiction.

(h) Any monetary Award shall be made and payable in U.S. dollars free of any Tax, deduction or offset. Each party against which the Award assesses a monetary obligation shall pay that obligation on or before the 30th day following the date of the Award or such other date as the Award may provide.

(i) This Section 12.16 is intended to benefit and be enforceable by the shareholders, trustees, directors, officers, managers (including Reit Management & Research LLC or its successor), agents or employees of any Party and the Parties and shall be binding on the members and shareholders of any Party and the Parties, as applicable, and shall be in addition to, and not in substitution for, any other rights to indemnification or contribution that such individuals or entities may have by contract or otherwise.

Select Income REIT
\$1,000,000,000 Senior Unsecured Bridge Loan
COMMITMENT LETTER

Ladies and Gentlemen:

Select Income REIT (the "*Company*" or "*you*") has advised each of Citigroup Global Markets Inc. ("*CGMI*"), on behalf of Citi (as defined below), and UBS AG, Stamford Branch ("*UBS Bank*"; and individually and collectively with UBS Securities LLC ("*UBS Securities*"), as the context may require, "*UBS*") (each, and together with any additional Lender which may become a Commitment Party after the date hereof pursuant to a joinder to this Commitment Letter, a "*Commitment Party*", and collectively, the "*Commitment Parties*," "*we*" or "*us*") that, in connection with the Acquisition described below, the Company intends to obtain a \$1,000,000,000 senior unsecured bridge loan (the "*Facility*"). In connection with the foregoing, (a) CGMI on behalf of Citi is pleased to advise you of its commitment to provide 50% of the entire principal amount of the Facility (such commitment amount being \$500,000,000), and (b) UBS Bank is pleased to advise you of its commitment to provide 50% of the entire principal amount of the Facility (such commitment amount being \$500,000,000), in each case subject only to the conditions set forth in Section 1(c) of this Commitment Letter (this commitment letter, collectively with Annex I hereto, and as amended or otherwise modified from time to time, this "*Commitment Letter*") and the section entitled "Conditions Precedent to Funding" contained in Annex I attached hereto. The commitments of Citi and UBS Bank hereunder are several and not joint. Citi and UBS Bank are referred to herein as the "*Initial Lenders*" and each an "*Initial Lender*".

Further, each of CGMI and UBS Securities (each, in such capacity, an "*Arranger*" and collectively, in such capacities, the "*Arrangers*") is pleased to inform the Company of its agreement to act as a joint lead arranger and joint book running manager for the Facility, subject only to the conditions set forth in Section 1(c) of this Commitment Letter and the section entitled "Conditions Precedent to Funding" contained in Annex I attached hereto. In addition, (i) CGMI is pleased to inform the Company of Citi's agreement to act as sole administrative agent, and (ii) UBS is pleased to inform the Company of UBS Bank's agreement to act as sole syndication agent for the Facility, in each case subject to the terms and conditions of this Commitment Letter. For purposes of this Commitment Letter, "*Citi*" shall mean CGMI, Citibank, N.A., Citicorp North America, Inc. and/or any of their affiliates as Citi may determine to be appropriate to provide the services contemplated herein.

Edgar Filing: Select Income REIT - Form S-4/A

The Company has informed us that the Company intends to acquire (the "*Acquisition*") 100% of the outstanding equity interests in Cole Corporate Income Trust, Inc. (the "*Target*"). The Acquisition of the Target will be effected pursuant to a merger of the Target with and into a wholly-owned subsidiary of the Company, with such subsidiary being the surviving entity. In addition to financing the Acquisition as described in the preceding sentence, the proceeds of the Facility will be used to pay costs and expenses incurred in connection with the Acquisition, the Facility and related transactions. Capitalized terms not defined herein shall have the meanings given thereto in Annex I.

Section 1. Engagement; Matters Related to Engagement; Conditions Precedent. (a) The Company hereby engages the Arrangers, on an exclusive basis, to act as joint lead arrangers and joint book running managers in connection with the Facility. The parties agree that Citi will act as the sole administrative agent and UBS Bank will act as sole syndication agent with respect to the Facility. Citi shall have "left" placement in any and all marketing materials or other documentation used in connection with the Facility (and shall hold the leading role and responsibilities conventionally associated with such "left" placement), and UBS shall be immediately to the right of Citi in any and all marketing materials or other documentation used in connection with the Facility.

(b) The Company acknowledges that the Arrangers have been engaged, in their capacities as such, solely to provide the services set forth in this Commitment Letter. In rendering such services, the Arrangers shall act as independent contractors, and any obligations of the Arrangers arising out of their engagement hereunder shall be owed solely to the Company.

(c) The obligations of each Arranger and its affiliates and each Commitment Party and its affiliates hereunder are several and not joint and are subject solely to satisfaction of the following conditions: (i) the negotiation, execution and delivery by the Borrower and the Guarantors of customary definitive documentation with respect to the Facility, based on documentation relating to the Existing Credit Facility, consistent with the terms and conditions of this Commitment Letter, with such changes as are described in Annex I and otherwise satisfactory to each Arranger and its counsel and each Commitment Party and its counsel, as applicable (as amended or otherwise modified from time to time, the "*Operative Documents*"); (ii) the payment in full of all fees, expenses and other amounts due and payable by the Borrower on or prior to the Closing Date (which fees and expenses shall have been invoiced at least two business days prior to being due and payable) under this Commitment Letter (which amounts may be offset against the proceeds of the Facility); (iii) the execution and delivery by the Borrower of this Commitment Letter; and (iv) the satisfaction of the other conditions precedent to the initial funding of the Facility contained in the section entitled "Conditions Precedent to Funding" in Annex I.

Notwithstanding anything in this Commitment Letter, the Fee Letter or any other letter agreement or other undertaking concerning the financing of the Acquisition to the contrary, (i) the only representations and warranties which shall be a condition to availability and funding of the Facility on the Closing Date shall be (A) such of the representations made by the Target or its affiliates in the Acquisition Agreement that are material to the interests of the Lenders, but only to the extent that you have the right to terminate your obligations under the Acquisition Agreement as a result of a breach of such representations in the Acquisition Agreement (the "*Acquisition Agreement Representations*") and (B) the Specified Representations (as defined below) and (ii) the terms of the Operative Documents shall be in a form such that they do not impair availability of the Facility on the Closing Date if the conditions expressly set forth in Section 1(c) of this Commitment Letter and the conditions contained in the section entitled "Conditions Precedent to Funding" in Annex I are satisfied (it being acknowledged that delivery of guaranties to be provided by the Target and any subsidiary of the Target that is required to become a Guarantor shall be effected on the Closing Date substantially simultaneously with the consummation of the Acquisition). For purposes hereof, "*Specified Representations*" means the representations and warranties made by the Company and each Guarantor in the Operative Documents as to corporate status, corporate power and authority to enter into the

Edgar Filing: Select Income REIT - Form S-4/A

Operative Documents; the due authorization, execution, delivery and enforceability of the Operative Documents; the Operative Documents not conflicting with charter documents of the Company and each Guarantor or law; solvency as of the Closing Date of the Company and its subsidiaries on a consolidated basis (in the manner consistent with Exhibit B attached to Annex I hereto); Federal Reserve margin regulations; use of proceeds of the Facility not violating anti-money laundering, anti-terrorism and anti-bribery laws, the Patriot Act or OFAC; and the Investment Company Act. This paragraph, and the provisions herein, shall be referred to as the "*Certain Funds Provisions*".

Each of the parties hereto agrees that this Commitment Letter is a binding and enforceable agreement with respect to the subject matter contained herein, including an agreement to negotiate in good faith the Operative Documents by the parties hereto in a manner consistent with this Commitment Letter, it being understood and agreed that the commitments provided hereunder and the funding of the Facility on the Closing Date are subject solely to the conditions precedent set forth in Section 1(c) and the conditions precedent contained in the section entitled "Conditions Precedent to Funding" in Annex I. The parties hereto agree to use good faith efforts to negotiate and finalize the Operative Documents reasonably in advance of the anticipated Closing Date.

Section 2. Commitment Termination. This Commitment Letter and the commitments hereunder will terminate on the earlier to occur of (a) March 31, 2015, and (b) the date the Operative Documents become effective (in which case the commitments shall survive under the Operative Documents) (such earlier date, the "*Termination Date*"). The Initial Lenders' commitments hereunder shall be superseded by the commitments in respect of the Facility set forth in the Operative Documents.

Section 3. Syndication. Each Arranger reserves the right, before or after the execution of the Operative Documents, to syndicate all or a portion of the Facility to one or more financial institutions and institutional lenders that will become parties to the Operative Documents as Lenders, provided that each such financial institution or institutional lender to whom any portion of the Facility is syndicated on or before the execution of the Operative Documents shall be reasonably satisfactory to you (it being understood that after the execution of the Operative Documents the provisions of the Operative Documents shall govern your rights to approve such financial institutions and institutional lenders; provided that in the absence of a default or an event of default under the Operative Documents, this Commitment Letter or the Fee Letter, your consent (not to be unreasonably withheld or delayed) will be required in the case of any assignment of all or a portion of the Facility or any commitments in respect thereof to any person or entity other than a Lender, an affiliate of a Lender or an Approved Fund (as defined in the Existing Credit Facility)); provided further that notwithstanding anything to the contrary contained in this Commitment Letter in no event may all or any portion of the Facility be syndicated or later assigned to Deutsche Bank AG or any of its affiliates. The Company understands (i) that each Arranger intends to commence such syndication efforts promptly and (ii) each Arranger may elect to appoint one or more agents to assist it in such syndication efforts. Each Arranger agrees that any such agent will be reasonably satisfactory to you.

The Arrangers will cooperate with each other and collectively manage all aspects of the syndication of the Facility in consultation with the Company, including the timing of all offers to potential Lenders, the determination of all amounts offered to potential Lenders, the selection of Lenders (subject to the Company's consent rights provided herein), the allocation of commitments among the Lenders, the assignment of any titles and the compensation to be provided to the Lenders (which shall not exceed the amounts agreed to by the Company herein and in the Fee Letter).

The commitments of the Commitment Parties hereunder shall be reduced, on a ratable basis, dollar-for-dollar as and when commitments for the Facility are received from Lenders approved by the Arrangers and, to the extent expressly provided herein, by the Borrower; provided that, notwithstanding any other provision in this Commitment Letter, with respect to any assignment to any Lender, no Commitment Party shall be relieved, released or novated from its obligations hereunder (including its

Edgar Filing: Select Income REIT - Form S-4/A

obligation to fund the Facility on the Closing Date) in connection with any syndication or assignment of the Facility to any Lender including its commitments in respect thereof, until after the Closing Date has occurred; provided further that the Commitment Parties shall be relieved of such obligations to the extent of the commitment of any Lender that executes a joinder to this Commitment Letter and becomes a Commitment Party hereunder (provided that such joinder is also executed by the Borrower).

Until the earliest of (x) the termination of the syndication of the Facility as determined by the Arrangers, (y) the consummation of a Successful Syndication (as defined below) and (z) 90 days after the Closing Date (such period, the "*Syndication Period*"), the Company shall assist the Arrangers in forming a syndicate reasonably acceptable to the Arrangers and the Company. The Company's assistance in forming such syndicate shall include but not be limited to: (a) making senior management, representatives and advisors of the Company available (and using commercially reasonable efforts to cause senior management, representatives and advisors of the Target to be made available) to participate in a reasonable number of informational meetings with potential Lenders at times and places to be mutually agreed; (b) using commercially reasonable efforts to ensure that the syndication effort benefits from the Company's existing lending relationships; (c) assisting (including using commercially reasonable efforts to cause its affiliates and advisors to assist) in the preparation of a customary confidential information memorandum for the Facility and other customary marketing materials to be used in connection with the syndication of the Facility; (d) providing the Arrangers with customary projections of the Company and its subsidiaries, including updated projections of the Company and its subsidiaries, from time to time reasonably requested by the Arrangers during the Syndication Period; and (e) promptly providing the Arrangers with customary and reasonably available information about the Company and its subsidiaries and their businesses (and the Company will use its commercially reasonable efforts to obtain such information from the Target and its subsidiaries (to the extent relating to the Target and such subsidiaries)) to the extent reasonably requested by the Arrangers and reasonably deemed necessary by them to successfully complete the syndication of the Facility. Without limiting your obligations to assist with the syndication efforts as set forth herein, the Commitment Parties agree that the commitments of the Commitment Parties to fund the Facility on the Closing Date are not conditioned upon the Company's compliance with the foregoing or the commencement, conduct or completion of the syndication of the Facility or the completion of a Successful Syndication and in no event shall the successful syndication of the Facility constitute a condition to the availability of the Facility on the Closing Date. "Successful Syndication" as used herein shall mean the Arrangers and their affiliates holding commitments or loans in the aggregate representing not more than \$500,000,000 of the aggregate commitments or loans in respect of or under the Facility.

The Company acknowledges that (i) the Arrangers may make available any Information and Projections (each as defined in Section 8) (collectively, the "*Company Materials*") on a confidential basis to potential Lenders by posting the Company Materials on IntraLinks®, DebtDomain®, the Internet or another similar electronic system (the "*Platform*") and (ii) certain of the potential Lenders may be public side Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to you) (each, a "*Public Lender*"). The Company agrees that (A) at the request of the Arrangers, it will prepare a version of the information package and presentation to be provided to potential Lenders that does not contain material non-public information concerning you, your affiliates or any securities of any thereof for purposes of United States federal and state securities laws; (B) all Company Materials that are to be made available to Public Lenders will be clearly and conspicuously marked "PUBLIC" which, at a minimum, will mean that the word "PUBLIC" will appear prominently on the first page thereof; (C) by marking Company Materials "PUBLIC," the Company will be deemed to have authorized the Arrangers and the proposed Lenders to treat such Company Materials as not containing any material non-public information (although they may be confidential or proprietary) with respect to you, your affiliates or any securities of any thereof for purposes of United States federal and state securities laws; (D) all Company Materials marked "PUBLIC" are permitted to be made available

Edgar Filing: Select Income REIT - Form S-4/A

through a portion of the Platform designated "Public Lender," and (E) the Arrangers will be entitled to treat any Company Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Lender."

It is understood that in connection with your assistance described above, you will provide customary authorization letters (in the case of a public-side version of the Company Materials, containing a customary representation as to the absence of material non-public information therefrom) authorizing the distribution of the Company Materials to prospective Lenders.

To ensure an orderly and effective syndication of the Facility, the Company agrees that, during the Syndication Period, the Company will not and will not permit any of its subsidiaries to, syndicate or issue, attempt to syndicate or issue, announce or authorize the announcement of the syndication or issuance of, any debt security or commercial bank or other debt facility (including any renewals thereof) other than the Facility, without the prior written consent of the Arrangers; provided, however, that the foregoing shall not limit the Company's or any subsidiary's ability to issue common equity, preferred equity, public or 144/Regulation S debt securities, non-recourse property level secured debt or other mortgage financing, any revolving credit indebtedness incurred under the Existing Credit Facility (as defined in Annex I) (including, provided that there has been a Successful Syndication, pursuant to any increase in commitments thereunder) or in the ordinary course of business, any capitalized leases or purchase money financings, any equity or debt securities or other debt issued to finance the Acquisition or any debt incurred to refinance or replace any indebtedness of the Target assumed in connection with the Acquisition.

The Company agrees that no additional agents, co-agents or lead arrangers will be appointed, or other titles conferred, without the consent of the Arrangers (such consent not to be unreasonably withheld). The Company further agrees that no Lender will receive any compensation of any kind for its participation in the Facility, except as expressly provided in this Commitment Letter and the Fee Letter.

Section 4. Fees. The Company will pay (or cause to be paid) the non-refundable fees (when due and payable) set forth in (a) Annex I and (b) without duplication, the separate letter agreement dated as of the date hereof executed and delivered by the Company and the Arrangers, as the same may be amended from time to time (as amended or otherwise modified from time to time, the "*Fee Letter*") in accordance with the terms thereof. The Company agrees that the Commitment Parties shall be granted the benefit of "most favored nation" treatment with respect to any beneficial terms whether economic or otherwise) granted to any Lender or any affiliate of any Lender to induce such Lender to extend its commitment to the Facility (exclusive of any such grant that would violate Section 106 of the Bank Holding Company Act Amendments of 1970, 12 U.S.C. 1972). Such "most favored nation" treatment shall not, however, require the Arrangers, the Commitment Parties or their respective affiliates to accept any term or condition that is less favorable to them than those presently existing. Upon its execution and delivery, the terms of the Fee Letter shall become an integral part of each Arranger's and each Commitment Party's obligations hereunder and constitute part of this Commitment Letter for all purposes hereof. Each of the fees described in this Commitment Letter and Annex I shall be nonrefundable when paid except as expressly set forth therein.

Section 5. Indemnification. You agree to indemnify and hold harmless each Arranger, each Commitment Party, each Lender and each of their respective affiliates and each of their respective officers, directors, partners, employees, agents, advisors and representatives (each, an "*Indemnified Person*", and collectively, the "*Indemnified Persons*") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable and documented fees and disbursements of a single counsel to the Arrangers, the Commitment Parties and their affiliates and of a single reasonably necessary special and local counsel for each applicable jurisdiction and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each applicable jurisdiction

Edgar Filing: Select Income REIT - Form S-4/A

to the affected person or entity), joint or several, that may be incurred by or asserted or awarded against any Indemnified Person (including, without limitation, in connection with, any investigation, litigation or proceeding or the preparation of any defense in connection therewith) in each case arising out of or in connection with or relating to this Commitment Letter or the Operative Documents or the transactions contemplated hereby or thereby, or any use made or proposed to be made with the proceeds of the Facility, or any untrue statement or alleged untrue statement of a material fact contained in, or omissions or alleged omissions from any filing with any governmental agency or similar statements or omissions in or from any information furnished by the Company or any of its subsidiaries or affiliates to any of the Indemnified Person or any other person or entity in connection with the Facility or any commitment in respect thereof, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence, willful misconduct or bad faith breach of a material provision of this Commitment Letter. In the case of an investigation, litigation or proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective, whether or not such investigation, litigation or proceeding is brought by the Company, the Target, any of your or their affiliates, any of your or their respective security holders or creditors, an Indemnified Person or any other person or entity, or an Indemnified Person is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. The reimbursement and indemnity obligations of the Company under this paragraph will be in addition to any liability which the Company may otherwise have, will extend upon the same terms and conditions to any affiliate of any Arranger and any Commitment Party and the partners, directors, agents, employees, and controlling persons or entities (if any), as the case may be, of any Arranger or any Commitment Party and any such affiliate, and will be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company, each Arranger, each Commitment Party, any such affiliate and any such person or entity.

If any action, litigation, proceeding or investigation is commenced as to which any of the Indemnified Persons proposes to demand indemnification, they shall notify the Company with reasonable promptness; provided, however, that any failure by any of the Indemnified Persons to so notify the Company shall not relieve the Company from its obligations hereunder. The Indemnified Persons shall have the right to retain counsel of their choice (which counsel shall be reasonably acceptable to the Company and limited to a single counsel to the Arrangers, the Commitment Parties and their affiliates and of a single reasonably necessary special and local counsel for each applicable jurisdiction and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each applicable jurisdiction to the affected person or entity), and the Company shall jointly and severally pay the reasonable and documented fees, expenses and disbursement of such counsel; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the Company and any counsel designated by the Company. Without the prior written consent of the applicable Indemnified Person, the Company shall not settle or compromise any claim with respect to such Indemnified Person under this section, or permit a default or consent to the entry of any judgment in respect thereof, unless such settlement, compromise or consent includes, as an unconditional term thereof, the giving by the claimant to each of the applicable Indemnified Persons of an unconditional and irrevocable release from all liability in respect of such claim.

None of the Company or any of your affiliates or any Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) arising out of, related to or in connection with the transactions contemplated hereby for special, indirect, consequential or punitive damages, provided that nothing contained in this sentence shall limit your indemnity and reimbursement obligations to the extent such special, indirect, punitive or consequential damages are included in any third party claim in connection with which such Indemnified Person is entitled to indemnification hereunder. It is further agreed that in connection with the transactions contemplated hereby each

Edgar Filing: Select Income REIT - Form S-4/A

Arranger and each Commitment Party shall have liability only to you and shall have no third party liability to any other person or entity.

The Company acknowledges that information and documents relating to the Facility may be transmitted through the Platform. No Indemnified Person will be liable to the Company or any of its affiliates or any of their respective security holders or creditors for any damages arising from the use by unauthorized persons or entities of information or other materials sent through the Platform that are intercepted by such persons or entities, except to the extent such damages are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence, willful misconduct or bad faith breach of a material provision of this Commitment Letter.

Section 6. Costs and Expenses. You shall pay or reimburse each Arranger and each Commitment Party on demand for all reasonable and documented out-of-pocket costs and expenses incurred by such Arranger and its affiliates or such Commitment Party and its affiliates, as applicable (whether incurred before or after the date hereof), in connection with the Facility and the preparation, negotiation, execution and delivery of this Commitment Letter and the Operative Documents, including, without limitation, the reasonable and documented fees and disbursements of counsel (limited to a single counsel to the Arrangers, the Commitment Parties and their affiliates and of a single reasonably necessary special and local counsel for each applicable jurisdiction), regardless of whether any of the transactions contemplated hereby are consummated. The Company further agrees to pay all reasonable and documented out-of-pocket costs and expenses of each Arranger and its affiliates and each Commitment Party and its affiliates (including, without limitation, reasonable fees and disbursements of counsel (limited to a single counsel to the Arrangers, the Commitment Parties and their affiliates and of a single reasonably necessary special and local counsel for each applicable jurisdiction and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each applicable jurisdiction to the affected person or entity)) incurred in connection with the enforcement of any of its rights or remedies hereunder.

Section 7. Confidentiality. (a) By accepting delivery of this Commitment Letter, the Company agrees that this Commitment Letter and the Fee Letter are for its confidential use only and that neither their existence nor the terms hereof or thereof will be disclosed by it to any person or entity. Notwithstanding the foregoing, (i) the Company may disclose this Commitment Letter and the Fee Letter (provided that the Fee Letter is redacted in a manner reasonably satisfactory to the Arrangers) to the Target and its officers, directors, employees, affiliates, independent auditors, legal counsel and other advisors on a confidential basis in connection with the Acquisition and the other transactions contemplated hereby, (ii) the Company may disclose this Commitment Letter and the Fee Letter to its officers, directors, employees, affiliates, independent auditors, legal counsel and other advisors on a confidential basis in connection with the transactions contemplated hereby, (iii) the Company may disclose this Commitment Letter as may be required by law, or compelled in a judicial or administrative proceeding or as otherwise required by law or requested by a governmental authority, (iv) the Company may disclose this Commitment Letter to rating agencies, on a confidential basis, (v) following the Company's acceptance of the provisions hereof and its return of an executed counterpart of this Commitment Letter to the Arrangers as provided below, the Company may file a copy of any portion of this Commitment Letter (but not the Fee Letter) in any public record in which it is required by law to be filed, (vi) the Company may make such other public disclosures of any of the terms and conditions hereof as the Company is required by law to make, including but not limited to any filings with the Securities and Exchange Commission and any other applicable regulatory authorities and stock exchanges; (vii) the Company may disclose this Commitment Letter (but not the Fee Letter) in any offering memoranda relating to any issuance and sale by the Company of unsecured notes (the "*Notes*") in a public offering or in a Rule 144A or other private placement, (viii) the Company may disclose the fees as part of the Projections, pro forma information or a generic

Edgar Filing: Select Income REIT - Form S-4/A

disclosure of aggregate sources and uses related to fee amounts related to the Acquisition and the other transactions contemplated thereby to the extent customary or required in any public release or filing relating to the Acquisition and the other transactions contemplated thereby, and (ix) with our prior written consent.

(b) We will treat as confidential all confidential information provided to us by or on behalf of you hereunder, provided that nothing herein shall prevent us from disclosing any such information (i) as may be required by law, or compelled in a judicial or administrative proceeding or as otherwise required by law or requested by a governmental authority, (ii) to the extent that such information becomes publicly available other than by reason of disclosure by us in violation of this paragraph, (iii) to our officers, directors, employees, affiliates, independent auditors, legal counsel and other advisors and service providers on a confidential basis, and (iv) to actual or potential assignees or participants in the Facility who agree to be bound by the terms of this paragraph or substantially similar confidentiality provisions, provided that our confidentiality obligations under this sentence shall terminate on the earlier of (x) the Closing Date and (y) one year following the date of this Commitment Letter, provided that for the avoidance of doubt, the confidentiality undertakings set forth in this paragraph shall automatically terminate and be superseded by the provisions of the Operative Documents upon the effectiveness thereof. We further advise you that we will not make available to you confidential information that we may have obtained or may obtain from any other customer.

(c) Notwithstanding any other provision in this agreement or any other document, the parties hereby agree that each party (and each employee, representative, or other agent of each party) may disclose to any and all persons and entities, without limitation of any kind, the United States tax treatment and United States tax structure of the transaction and all materials of any kind (including opinions or other tax analyses) that are provided to each party relating to such United States tax treatment and United States tax structure.

Section 8. Representations and Warranties of the Company. You represent and warrant (which representation and warranty shall be deemed to be to your knowledge with respect to information relating to the Target and its subsidiaries and their respective businesses) that (a) all information, other than Projections (as defined below) and information of a general economic or industry nature, that has been or will hereafter be made available to the Arrangers, the Commitment Parties, any Lender or any potential Lender by or on behalf of the Company, or any of your representatives in connection with the transactions contemplated hereby (the "*Information*"), when taken as a whole, is and will be complete and correct in all material respects and does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements were or are made and (b) all financial projections (taking into account the consummation of the transactions contemplated hereby), if any, that have been or will be prepared by or on behalf of the Company, or any of your representatives and made available to the Arrangers, the Commitment Parties, any Lender or any potential Lender (the "*Projections*") have been or will be prepared in good faith based upon assumptions that are believed by you to be reasonable at the time made and at the time the related financial projections are made available to the Arrangers or the Commitment Parties. If, at any time from the date hereof until the termination of this Commitment Letter, any of the representations and warranties in the preceding sentence would not be accurate and complete in any material respect if the Information or Projections were being furnished, and such representations and warranties were being made, at such time, then the Company will promptly supplement the Information and or Projections so that such representations and warranties contained in this paragraph remain accurate and complete in all material respects under those circumstances.

In issuing this Commitment Letter and in arranging the Facility, including the syndication of the Facility, the Arrangers and the Commitment Parties will be entitled to use, and to rely on the accuracy

Edgar Filing: Select Income REIT - Form S-4/A

of, the Information furnished to them by or on behalf of the Company, its affiliates and any of your respective representatives without responsibility for independent verification thereof.

Section 9. No Third Party Reliance, Not a Fiduciary, Etc. The agreements of each Arranger and each Commitment Party hereunder and of any Lender that issues a commitment to provide financing under the Facility are made solely for your benefit and the benefit of such Arranger, Commitment Party, or Lender, as applicable, and may not be relied upon or enforced by any other person or entity. Please note that those matters that are not covered or made clear herein are subject to mutual agreement of the parties. You may not assign or delegate any of your rights or obligations hereunder without each Arranger's and each Commitment Party's prior written consent.

You hereby acknowledge that each Arranger and each Commitment Party is acting pursuant to a contractual relationship on an arm's length basis, and the parties hereto do not intend that any Arranger or any Commitment Party act or be responsible as a fiduciary to you, your management, stockholders, creditors or any other person or entity, in each case in connection with the transactions contemplated hereby. Each Arranger and each Commitment Party hereby expressly disclaims any fiduciary relationship to you in connection with the transactions contemplated hereby and agrees they are each responsible for making their own independent judgments with respect to any transactions entered into between them. You also hereby acknowledge that no Arranger or Commitment Party has advised or is advising you as to any legal, accounting, regulatory or tax matters, and that you are consulting your own advisors concerning such matters to the extent you deem it appropriate.

You understand that each Arranger and its affiliates and each Commitment Party and its affiliates (in each case, collectively, a "*Group*") are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) and that no Group is required to restrict its activities as a result of this Commitment Letter except to the extent required by applicable law. Accordingly, there may be situations where parts of a Group and/or their clients either now have or may in the future have interests, or take actions, that may conflict with your interests. For example, a Group may, in the ordinary course of business, engage in trading in financial products or undertake other investment businesses for their own account or on behalf of other clients, including without limitation, trading in or holding long, short or derivative positions in securities, loans or other financial products of you or your affiliates or other entities connected with the Facility or the transactions contemplated hereby.

You also acknowledge that none of the Commitment Parties or their respective affiliates has any obligation to use in connection with the transactions contemplated by this Commitment Letter, or to furnish to you, the Company or your or their respective subsidiaries, confidential information obtained by the Commitment Parties and their respective affiliates from other persons or entities. This Commitment Letter and the Fee Letter are not intended to create a fiduciary relationship among the parties hereto or thereto.

You acknowledge that the Company has retained UBS as a financial advisor (in such capacity, the "*Financial Advisor*") in connection with the Acquisition. You agree not to assert any claim you might allege based on any actual or potential conflicts of interest that might be asserted to arise or result from, on the one hand, the engagement of any such Financial Advisor by the Company and, on the other hand, UBS and UBS affiliates' relationships with you as described and referred to herein.

Section 10. Assignments. The Company may not assign or delegate any of its rights or obligations under this Commitment Letter without each Arranger's prior written consent, and any attempted assignment without such consent shall be void *ab initio*.

An amount equal to the following amounts shall be applied to prepay the Bridge Loan, without fees, premiums or penalty (other than customary breakage and redeployment costs associated with any LIBOR borrowings prepaid on a date other than the last day of the applicable interest period) (and, prior to the Closing Date, the commitments pursuant to the Commitment Letter relating to the Bridge Loan to which the Arrangers and the Borrower are parties (the "Commitment Letter") or the definitive loan documentation for the Bridge Loan, as applicable, shall be permanently and automatically reduced by an amount equal to): 100% of the Net Cash Proceeds of all (i) Capital Raising Transactions, (ii) Material Asset Sales (as defined below) and (iii) cash equity contributions to the Borrower, in each case on or after the date of the Commitment Letter.

"Net Cash Proceeds" shall mean

(a) with respect to any asset sale, the aggregate amount of all cash (which term, for the purpose of this definition, shall include cash equivalents) proceeds (including any cash proceeds received by way of deferred payment of principal pursuant to a note or installment receivable or purchase price adjustment or otherwise, but only as and when received) actually received in respect of such asset sale, including property insurance or condemnation proceeds paid on account of any loss of any property or assets, net of (1) all reasonable attorneys' fees, accountants' fees, brokerage, consultant and other customary fees and commissions, title and recording tax expenses and other reasonable fees and expenses incurred in connection therewith, (2) all taxes paid or reasonably estimated to be payable as a result thereof, (3) all payments made, and all installment payments required to be made, with respect to any obligation (A) that is secured by any assets subject to such asset sale, in accordance with the terms of any Operative Document or instrument with respect to a lien upon such assets, or (B) that must by its terms, or in order to obtain a necessary consent to such asset sale, or by applicable law, be repaid (including pursuant to any mandatory prepayment or redemption requirement) out of the proceeds from such asset sale, (4) all distributions and other payments required to be made to minority interest holders in subsidiaries or joint ventures as a result of such asset sale, or to any other person or entity (other than the Borrower or any of its subsidiaries) owning a beneficial interest in the assets disposed of in such asset sale, and (5) the amount of any reserves established by the Borrower or any of its subsidiaries in accordance with GAAP to fund purchase price or similar adjustments, indemnities or

Upon each repayment or prepayment of the Bridge Loan, the aggregate Bridge Loan commitments of the Lenders shall be automatically and permanently reduced, on a pro rata basis, by the amount of such repayment or prepayment. Amounts repaid may not be reborrowed. Once terminated, a Bridge Loan commitment may not be reinstated.

INTEREST RATE:

Pricing (the "Applicable Margin") will be determined in accordance with the applicable pricing grid as set forth in the attached Exhibit A.

If the Borrower has not obtained an Investment Grade Rating on the Closing Date, the Applicable Margin will be based on the leverage-based pricing grid as set forth on Exhibit A until the Borrower makes a Pricing Grid Election.

If the Borrower obtains a minimum of two senior unsecured investment grade ratings from S&P, Moody's or Fitch (an "Investment Grade Rating"), then upon written notice to the Administrative Agent, the Borrower may irrevocably elect (a "Pricing Grid Election") that at all times after such election the Applicable Margin with respect to the Bridge Loan be based on the Borrower's Credit Ratings as set forth in the ratings-based pricing grid as set forth on Exhibit A. If the Borrower obtains ratings from Moody's, S&P and Fitch that are not equivalent, the Applicable Margin shall be determined by the lower of the highest two ratings. If the Borrower obtains ratings from only Moody's and S&P, the Applicable Margin shall be determined by the higher of the two ratings. If the Borrower obtains ratings from only one of S&P or Moody's plus Fitch, the Applicable Margin shall be determined by the S&P or Moody's rating. If the Borrower shall cease to have a Credit Rating from S&P or Moody's, the Applicable Margin shall be determined based on Level 5 of such table.

"LIBOR" means, with respect to any LIBOR Loan for any Interest Period, the rate of interest obtained by dividing (i) the rate appearing on the Reuters Screen LIBOR01 page (or on any successor or substitute page of such service, or any successor to or substitute for such service, providing rate quotations comparable to those currently provided on such page, as determined by the Administrative Agent from time to time for purposes of providing quotations of interest rates applicable to Dollar deposits in the London interbank market) at approximately 11:00 a.m., London time, on the date that is two Business Days prior to the first day of such Interest Period and having a maturity equal to

such Interest Period by (ii) a percentage equal to 1 minus the stated maximum rate (stated as a decimal) of all reserves, if any, required to be maintained with respect to Eurocurrency funding (currently referred to as "Eurocurrency liabilities") as specified in Regulation D of the Board of Governors of the Federal Reserve System (or against any other category of liabilities which includes deposits by reference to which the interest rate on LIBOR Loans is determined or any applicable category of extensions of credit or other assets which includes loans by an office of any Lender outside of the United States of America). Any change in such maximum rate shall result in a change in LIBOR on the date on which such change in such maximum rate becomes effective.

"Interest Period" means with respect to each LIBOR Loan, each period commencing on the date such LIBOR Loan is made, or in the case of the continuation of a LIBOR Loan the last day of the preceding Interest Period for such Loan, and ending 7 days thereafter or on the numerically corresponding day in the first, third or sixth calendar month thereafter, as the Borrower may select in a notice of borrowing, notice of continuation or notice of conversion, as the case may be, except that each Interest Period (other than an Interest Period having a duration of 7 days) that commences on the last business day of a calendar month (or on any day for which there is no numerically corresponding day in the appropriate subsequent calendar month) shall end on the last business day of the appropriate subsequent calendar month.

Notwithstanding the foregoing:

(i) if any Interest Period would otherwise end after the Maturity Date, such Interest Period shall end on the Maturity Date; and (ii) each Interest Period that would otherwise end on a day which is not a business day shall end on the immediately following business day (or, if such immediately following business day falls in the next calendar month, on the immediately preceding business day).

"Base Rate" means the LIBOR Market Index Rate; provided, that if for any reason the LIBOR Market Index Rate is unavailable, Base Rate shall mean the per annum rate of interest equal to the Federal Funds Rate plus one and one-half of one percent (1.50%).

"LIBOR Market Index Rate" means, for any day, LIBOR as of that day that would be applicable for a LIBOR Loan having a one-month Interest Period determined at approximately 11:00 a.m. Eastern Standard time for such day (or if such day is not a business day, the immediately

Edgar Filing: Select Income REIT - Form S-4/A

preceding business day). The LIBOR Market Index Rate shall be determined on a daily basis.

Interest will be payable monthly, computed on the actual days elapsed in a 360 day year.

Bridge Loan documentation will include customary provisions (a) protecting the Lenders against increased costs or loss of yield resulting from changes in reserve, tax, capital adequacy and other requirements of law, and (b) indemnifying the Lenders for breakage costs incurred in connection with among other things, any failure to borrow a LIBOR loan, or any repayment of a LIBOR loan on a day other than the last day of an interest period with respect thereto. While an event of default exists, the interest rate on all outstanding obligations will be equal to the Base Rate plus the Applicable Margin plus 2.0%. \$1,000,000,000 Senior Unsecured Bridge Loan Commitment Letter

JOINDER AGREEMENT

Ladies and Gentlemen:

Reference is made to the Senior Unsecured Bridge Loan Commitment Letter dated as of August 30, 2014 (together with the exhibits and annexes attached thereto and as amended and otherwise modified from time to time, the "*Commitment Letter*") between Citigroup Global Markets Inc. ("*CGMI*") on behalf of Citi (as defined below), and UBS AG, Stamford Branch ("*UBS Bank*"; and individually and collectively with UBS Securities LLC ("*UBS Securities*"), as the context may require, "*UBS*", and, together with CGMI, each in its capacity as a Commitment Party, the "*Initial Commitment Parties*") and Select Income REIT (the "*Borrower*"). Capitalized terms used but not defined herein are used with the meanings assigned to them in the Commitment Letter. This Joinder Agreement to Senior Unsecured Bridge Loan Commitment Letter (this "*Joinder Agreement*") sets forth the understanding and agreement of the parties hereto regarding the joinder of each party identified on the signature pages hereof as an "Additional Commitment Party" (collectively, the "*Additional Commitment Parties*" and, together with the Initial Commitment Parties, the "*Commitment Parties*") to the Commitment Letter.

Edgar Filing: Select Income REIT - Form S-4/A

For the purposes of this Joinder Agreement and the Commitment Letter, "Citi" shall mean CGMI, Citibank, N.A., Citicorp North America, Inc. and/or any of their affiliates as Citi shall determine to be appropriate to provide the services contemplated herein and such affiliates shall be entitled to the benefits afforded to Citi hereunder.

Each Additional Commitment Party (a) commits, on a several but not joint basis, on the terms and conditions set forth herein and in the Commitment Letter, to provide a portion of the Facility in the principal amount specified on its signature page hereto (such amount its "*Maximum Commitment Amount*") and (b) shall become a party to the Commitment Letter and shall be deemed a "Commitment Party" thereunder and its commitment hereunder shall be deemed a "commitment" thereunder with the same force and effect as if originally named therein as a Commitment Party and having all the benefits, rights, remedies and protective provisions afforded to a Commitment Party thereunder and having all the same duties and obligations of a Commitment Party thereunder and owed all the duties and obligations of the Borrower to the Commitment Parties thereunder. The commitment of each Commitment Party to provide a portion of the Facility under this Joinder Agreement or the Commitment Letter is referred to herein as its "*Commitment*" and collectively as the "*Commitments*". Each Additional Commitment Party's commitments and agreements hereunder are subject solely to the conditions precedent set forth in Section 1(c) of the Commitment Letter and the conditions precedent contained in the section entitled "Conditions Precedent to Funding" in Annex I of the Commitment Letter (subject in all respects to the Certain Funds Provision).

On or promptly following the date hereof, in connection with the primary syndication of the Facility by the Arrangers, the Arrangers shall allocate (the "*Commitment Allocation*") the Commitments among the Commitment Parties; *provided, however*, that pursuant to the Commitment Allocation (i) the Commitment allocated to any Additional Commitment Party shall not exceed its Maximum Commitment Amount, (ii) any reduction of the Additional Commitment Parties' Commitments below their respective Maximum Commitment Amounts shall be in accordance with the terms of the Commitment Letter and (iii) the aggregate Commitments of all the Commitment Parties shall not be less than \$1,000,000,000 (unless reduced pursuant to the Commitment Letter) or exceed \$1,000,000,000. On the date of the Commitment Allocation the Arrangers shall notify the Additional Commitment Parties and the Borrower of the Commitment Allocation in the form of Schedule I hereto (the "*Commitment Schedule*"), whereupon the Commitments of the Initial Commitment Parties under the Commitment Letter (as in effect immediately prior to the execution hereof) shall, in accordance with the Commitment Letter, be reduced, on a ratable basis, dollar-for-dollar, by the aggregate amount of the Commitments of the Additional Commitment Parties pursuant to the Commitment Allocation, such that the Commitment of each Commitment Party shall be as set forth in the Commitment Schedule and such Commitment Schedule shall be deemed incorporated into this Joinder Agreement.

As consideration for the Commitments of each Additional Commitment Party, the Borrower agrees to pay (without duplication) the fees as set forth in Annex I of the Commitment Letter, which shall be the only fees payable to the Additional Commitment Parties in connection with the Facility.

Each Additional Commitment Party agrees that the syndication of the Facility shall be managed by the Arrangers on the terms set forth in the Commitment Letter. Each Additional Commitment Party acknowledges and agrees that it shall not engage, nor shall it authorize any person on its behalf to engage, in any secondary selling or any solicitation of offers to purchase loans or commitments with respect to the Facility until such time as the Arrangers declare the primary syndication of the Facility to be complete. Furthermore, each Additional Commitment Party represents that its Commitment represents a commitment from such Additional Commitment Party only, and does not in any way include a commitment or other arrangement from any other unaffiliated institution. Each Arranger acknowledges the completion of a Successful Syndication upon the execution and delivery of this Joinder Agreement by all of the parties hereto.

Edgar Filing: Select Income REIT - Form S-4/A

Each party hereto agrees that each Additional Commitment Party shall be bound by the terms and conditions of the Commitment Letter, and shall have all the rights and obligations with respect to its Commitment, to the extent set forth therein; *provided, however*, that this paragraph shall not apply to, and the Additional Commitment Parties shall not have any rights or benefits with respect to, (a) roles or titles assigned to the Arrangers pursuant to the Commitment Letter, (b) the provisions of the Commitment Letter applicable to the Arrangers and the Administrative Agent in their capacities as such and (c) any provisions of the Fee Letter.

This Joinder Agreement may not be assigned by any party hereto without the prior written consent of each other party hereto (and any purported assignment without such consent shall be null and void); *provided, however*, that a Commitment Party may (i) assign its Commitment only in a syndication as permitted by and pursuant to the Commitment Letter and (ii) each Additional Commitment Party shall have its commitments reduced on the same basis as Citi and UBS as set forth in Section 3 of the Commitment Letter and the section entitled "Mandatory Prepayments and Commitment Reductions" in *Annex I* to the Commitment Letter. This Joinder Agreement is intended to be solely for the benefit of the parties hereto (and the Indemnified Persons) and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto (and the Indemnified Persons).

Following the execution and delivery of this Joinder Agreement by each of the parties hereto, the Commitment Letter and this Joinder Agreement shall be construed as a single instrument to the extent necessary to give effect to the provisions hereof and thereof. Notwithstanding any provision hereof or of the Commitment Letter, it is agreed and understood that all obligations of each of the Commitment Parties, whether pursuant hereto or pursuant to the Commitment Letter, shall be several and not joint obligations.

Each Additional Commitment Party acknowledges that it has, independently and without any reliance upon either Arranger or any of its affiliates, or any of its officers, directors, employees, agents, advisors or representatives, and based on the financial statements of the Borrower and its consolidated subsidiaries and the Target and such other documents as it has deemed appropriate, made its own credit analysis and decision to provide a Commitment and enter into this Joinder Agreement.

This Joinder Agreement may not be amended or any provision hereof waived or modified except by an instrument in writing signed by each party hereto. This Joinder Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, when taken together, shall constitute one agreement. Delivery of an executed counterpart of a signature page of this Joinder Agreement by facsimile transmission or by ".pdf" or similar electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

Each party hereto agrees that this Joinder Agreement and its contents are subject to the indemnification, jurisdiction, service of process, governing law, waiver of jury trial and confidentiality provisions of the Commitment Letter.

All Commitments of the Additional Commitment Parties shall continue until the Termination Date. The Commitments of the Additional Commitment Parties hereunder shall be superseded by the commitments in respect of the Facility set forth in the Operative Documents.

If the foregoing correctly sets forth our agreement, please indicate your acceptance of the terms hereof by returning to us an executed counterpart hereof.

VOTING AND STANDSTILL AGREEMENT

This Voting and Standstill Agreement (this "Agreement") is made and entered into as of August 30, 2014, by and among Cole Corporate Income Trust, Inc., a Maryland corporation that has elected to be treated as a real estate investment trust for U.S. federal income tax purposes ("Target"), the undersigned shareholder ("Shareholder") of Select Income REIT, a Maryland real estate investment trust (the "Acquirer"), and solely for the purposes of Section 9 of this Agreement, American Realty Capital Properties, Inc., a Maryland corporation and parent of the sponsor of Target ("Target Sponsor").

RECITALS

A. Concurrently with the execution of this Agreement, the Acquirer, SC Merger Sub LLC, a Maryland limited liability company and a wholly owned subsidiary of the Acquirer ("Merger Sub"), and Target have entered into an Agreement and Plan of Merger, dated as of August 30, 2014, (the "Merger Agreement") which provides for, on the terms and subject to the conditions set forth therein, the merger of Target with and into Merger Sub with Merger Sub being the surviving entity.

B. As a condition and an inducement to Target's willingness to enter into the Merger Agreement, Target has required that Shareholder, and Shareholder has agreed, to enter into this Agreement with respect to all common shares of beneficial interest, \$0.01 par value per share, of the Acquirer ("Acquirer Common Shares") that Shareholder now or hereafter owns beneficially or of record.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. Definitions. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Merger Agreement. When used in this Agreement, the following terms in all of their tenses, cases and correlative forms shall have the meanings assigned to them in this Section 1 or elsewhere in this Agreement.

A Person shall be deemed to "beneficially own" any securities not owned directly by such Person if that Person or a group of which such Person is a member would be the beneficial owner of such shares under Rule 13d-3 and Rule 13d-5 of the Exchange Act.

"Permitted Liens" shall mean any (i) Liens relating to any Indebtedness, (ii) Liens that result from any statutory or other Liens for Taxes or assessments that are not yet due and payable or the validity of which is being contested in good faith by appropriate proceedings and for which there are adequate reserves on Shareholder's financial statements (if such reserves are required pursuant to GAAP), or that are otherwise not material and (iii) Liens imposed or promulgated by Law or any Governmental Entity.

"Permitted Transfer" shall mean, (i) any Transfer to an Affiliate of Shareholder, so long as such Affiliate, in connection with such Transfer, executes a joinder to this Agreement pursuant to which such Affiliate agrees to become a party to this Agreement and be subject to the restrictions applicable to Shareholder and otherwise become a party for all purposes of this Agreement; provided, that no such Transfer shall relieve the transferring Shareholder from its obligations under this Agreement, other than with respect to the Subject Shares transferred in accordance with the foregoing provision; (ii) the creation or assumption of any Permitted Lien and (iii) the creation or

Edgar Filing: Select Income REIT - Form S-4/A

assumption of any Lien as security for Indebtedness and for purposes of clause (iii) of this definition only, "Lien" and "Indebtedness" shall have the meanings ascribed to such terms in Shareholder's Credit Agreement dated as of October 28, 2010, and Shareholder's Term Loan Agreement, dated as of January 12, 2012, each as amended (the "Credit Agreements").

"Transfer" shall mean (i) any direct or indirect offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), either voluntary or involuntary, or entry into any contract, option or other arrangement or understanding with respect to any offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), of any capital stock (or any security convertible or exchangeable into capital stock) or interest in any capital stock, excluding, for the avoidance of doubt, entry into this Agreement or (ii) entering into any swap or any other agreement, transaction or series of transactions that hedges or transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of such capital stock or interest in capital stock, whether any such swap, agreement, transaction or series of transactions is to be settled by delivery of securities, in cash or otherwise, provided, that any transaction described in these clauses (i) or (ii) shall not constitute a Transfer so long as (a) such transaction does not require a filing under the Exchange Act or any other public disclosure of such transaction and (b) such transaction does not in any way limit the ability of Shareholder to vote its Subject Shares.

2. Representations, Warranties and Covenants of Shareholder. Shareholder hereby represents and warrants to Target, as of the date of this Agreement, as follows:

2.1 Due Authority. Shareholder has the full power and authority to make, enter into and carry out the terms of this Agreement and to grant the irrevocable proxy as set forth in Section 4.2 hereof. This Agreement has been duly and validly executed and delivered by Shareholder and constitutes a valid and binding agreement of Shareholder enforceable against it in accordance with its terms, except that the enforcement hereof may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or other similar Laws, now or hereafter in effect, relating to creditors' rights generally and (b) general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

2.2 Organization, Standing and Corporate Power. Shareholder is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is formed and has all requisite power and authority to carry on its business as now being conducted.

2.3 Ownership of Acquirer Common Shares. Shareholder (i) is the beneficial or record owner of the Acquirer Common Shares indicated on Schedule A hereto (the "Subject Shares"), free and clear of any and all Liens, other than Permitted Liens, or those Liens created by this Agreement and (ii) has voting power over, sole power of disposition and sole power to issue instructions with respect to all of the Subject Shares with no other limitations, qualifications or restrictions on such rights, subject to applicable Law, the Parent Governing Documents, the Credit Agreements and the terms of this Agreement.

2.4 No Conflict; Consents.

(a) The execution and delivery of this Agreement by Shareholder does not, and the performance by Shareholder of its obligations under this Agreement and the compliance by Shareholder with any provisions hereof do not and will not: (i) conflict with or violate in any material respects any Laws applicable to Shareholder or the Subject Shares or (ii) result in any material breach of or constitute a material default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any of the Subject Shares pursuant to, any note, bond, mortgage, indenture, contract,

Edgar Filing: Select Income REIT - Form S-4/A

agreement, lease, license, permit, franchise or other instrument or obligation to which Shareholder is a party or by which Shareholder or the Subject Shares are bound. Shareholder's Subject Shares are not, with respect to the voting of, subject to any other agreement, including, any voting agreement, stockholders agreement, irrevocable proxy or voting trust.

(b) Other than the disclosure and filing of this Agreement with the SEC, no consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Entity or any other Person, is required by Shareholder in connection with the execution and delivery of this Agreement or the consummation by Shareholder of the transactions contemplated hereby.

2.5 Absence of Litigation. There is no Action pending against, or, to the knowledge of Shareholder, threatened against or affecting, Shareholder or any of its properties or assets (including the Subject Shares) at law or in equity that would reasonably be expected to materially impair or delay the ability of Shareholder to perform Shareholder's obligations hereunder.

2.6 Acknowledgement. Shareholder understands and acknowledges that Target is entering into the Merger Agreement in reliance upon Shareholder's execution of this Agreement.

3. Agreement to Retain Subject Shares.

3.1 Transfer and Encumbrance of Subject Shares. Other than a Permitted Transfer, from and after the date hereof and until the Expiration Time, Shareholder shall not (i) Transfer any of the Subject Shares, (ii) deposit any Subject Shares into a voting trust or enter into a voting agreement or arrangement with respect to such Subject Shares; (iii) take any action that would cause any representation or warranty of Shareholder contained herein to become untrue or incorrect, in each case in any material respect, or would reasonably be expected to have the effect of preventing or disabling Shareholder from performing its obligations under this Agreement, or (iv) commit or agree to take any of the foregoing actions. If any involuntary Transfer of any Subject Shares shall occur, the transferee shall take and hold such Subject Shares subject to terms of this Agreement.

3.2 Additional Purchases. Any Acquirer Common Shares that Shareholder purchases or otherwise acquires (including, without limitation, by way of stock-split, stock dividend, conversion of securities or distribution or similar event) after the execution of this Agreement and prior to the Expiration Time shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted Subject Shares.

3.3 Unpermitted Transfers. Any Transfer or attempted Transfer of any of the Subject Shares or other action in violation of Section 3.1 shall, to the fullest extent permitted by Law, be null and void ab initio. Notwithstanding the foregoing or any other provision in this Agreement to the contrary, Shareholder shall not be deemed to be in breach of any of its obligation hereunder with which it is unable to comply as a result of any Subject Shares subject to any Permitted Lien becoming subject to foreclosure, forfeiture or other similar proceedings.

4. Agreement to Vote and Approve.

4.1 Subject Shares. Subject to the terms hereof, from and after the date hereof and until the Expiration Time, at every meeting of the shareholders of the Acquirer however called with respect to any of the following matters, and at every adjournment or postponement thereof, Shareholder shall, or shall cause the holder of record on any applicable record date to (including via proxy), vote or cause to be voted, the Subject Shares: (i) in favor of the issuance of Acquirer Common Shares in the Merger on the terms set forth in the Merger Agreement, (ii) in favor of any proposal to adjourn a meeting of the shareholders of the Acquirer to solicit additional proxies

Edgar Filing: Select Income REIT - Form S-4/A

in favor of the approval of the issuance of the Acquirer Common Shares in connection with the Merger, and (iii) against (a) any action or agreement that would reasonably be expected to result in any condition to the consummation of the Merger set forth in Article VIII of the Merger Agreement not being fulfilled and (b) any action which could reasonably be expected to impede or materially delay consummation of the Transactions.

4.2 Irrevocable Proxy. By execution of this Agreement, Shareholder does hereby appoint and constitute Target, and any one or more individuals designated by Target, and each of them individually, until the Expiration Time (at which time this proxy shall automatically be revoked), with full power of substitution and resubstitution, as such Shareholder's true and lawful attorneys-in-fact and proxies, to the fullest extent of such Shareholder's rights with respect to the Subject Shares, to vote each of the Subject Shares solely with respect to the matters set forth in Section 4.1 hereof; provided, however, the foregoing shall only be effective if such Shareholder fails to be counted as present, to consent or to vote such Shareholder's Subject Shares, as applicable, in accordance with Section 4.1 above. Shareholder intends this proxy to be irrevocable and coupled with an interest hereafter until the Expiration Time for all purposes, including without limitation Section 2-507(d) of the MGCL, and hereby revokes any proxy previously granted by such Shareholder with respect to the Subject Shares. Shareholder hereby ratifies and confirms all actions that the proxies appointed hereunder may lawfully do or cause to be done in accordance with this Agreement. The proxy granted by Shareholder pursuant to this Section is granted in order to secure Shareholder's performance under this Agreement and also in consideration of Target entering into the Merger Agreement.

5. Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Target, the Acquirer or any other Person any direct or indirect ownership or incidence of ownership of or with respect to, or pecuniary interest in, any of the Subject Shares. All rights, ownership and economic benefits of and relating to, and pecuniary interest in, the Subject Shares shall remain vested in and belong to Shareholder, and neither Target, the Acquirer nor any other Person shall have any power or authority to direct Shareholder in the voting or disposition of any of the Subject Shares, except as otherwise expressly provided in this Agreement.

6. Further Assurances. From time to time, at the request of Target and without further consideration, Shareholder shall take such further action as may reasonably be requested by Target or the Acquirer to carry out the intent of this Agreement.

7. Termination. This Agreement shall terminate and shall have no further force or effect on the earliest to occur of (i) the Effective Time, (ii) such date and time as the Merger Agreement shall be validly terminated pursuant to Article IX thereof, or (iii) the termination of this Agreement by mutual written consent of the parties hereto (such date, the "Expiration Time").

8. Notice of Certain Events. Shareholder shall notify Target promptly of (a) any fact, event or circumstance that would cause, or reasonably be expected to cause or constitute, a breach in any material respect of any representation or warranty set forth in this Agreement and (b) the receipt by Shareholder of any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with this Agreement; provided, however, that the delivery of any notice pursuant to this Section 8 shall not limit or otherwise affect the remedies available to any party.

9. Standstill.

(a) During the period beginning on the date of this Agreement and ending on the date that is thirty-six (36) months after the date hereof, without the prior written approval or invitation of the board of trustees or directors of a Covered Company, Target Sponsor shall not, and shall cause each entity to which Target Sponsor directly provides management

EXECUTION VERSION

VOTING AND STANDSTILL AGREEMENT

This Voting and Standstill Agreement (this "Agreement") is made and entered into as of August 30, 2014, by and among Cole Corporate Income Trust, Inc., a Maryland corporation that has elected to be treated as a real estate investment trust for U.S. federal income tax purposes ("Target"), the undersigned shareholders (each a "Shareholder," and, together, the "Shareholders") of Select Income REIT, a Maryland real estate investment trust (the "Acquirer"), and solely for the purposes of Section 9 of this Agreement, American Realty Capital Properties, Inc., a Maryland corporation and parent of the sponsor of Target ("Target Sponsor").

RECITALS

A. Concurrently with the execution of this Agreement, the Acquirer, CS Merger Sub LLC, a Maryland limited liability company and a wholly owned subsidiary of the Acquirer ("Merger Sub"), and Target have entered into an Agreement and Plan of Merger, dated as of August 30, 2014, (the "Merger Agreement") which provides for, on the terms and subject to the conditions set forth therein, the merger of Target with and into Merger Sub with Merger Sub being the surviving entity.

B. As a condition and an inducement to Target's willingness to enter into the Merger Agreement, Target has required that each Shareholder, and each Shareholder has agreed, to enter into this Agreement with respect to all common shares of beneficial interest, \$0.01 par value per share, of the Acquirer ("Acquirer Common Shares") that such Shareholder now or hereafter owns beneficially or of record.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. Definitions. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Merger Agreement. When used in this Agreement, the following terms in all of their tenses, cases and correlative forms shall have the meanings assigned to them in this Section 1 or elsewhere in this Agreement.

A Person shall be deemed to "beneficially own" any securities not owned directly by such Person if that Person or a group of which such Person is a member would be the beneficial owner of such shares under Rule 13d-3 and Rule 13d-5 of the Exchange Act.

"Permitted Liens" shall mean any (i) Liens relating to any Indebtedness, (ii) Liens that result from any statutory or other Liens for Taxes or assessments that are not yet due and payable or the validity of which is being contested in good faith by appropriate proceedings or that are otherwise not material and (iii) Liens imposed or promulgated by Law or any Governmental Entity.

"Permitted Transfer" shall mean (i) any Transfer to an Affiliate of a Shareholder, so long as such Affiliate, in connection with such Transfer, executes a joinder to this Agreement pursuant to which such Affiliate agrees to become a party to this Agreement and be subject to the restrictions applicable to such Shareholder and otherwise become a party for all purposes of this Agreement; provided, that no such Transfer shall relieve the transferring Shareholder from its obligations under this Agreement, other than with respect to the Subject Shares transferred in accordance with the foregoing provision and (ii) the creation or assumption of any Permitted Lien.

Table of Contents

"**Transfer**" shall mean (i) any direct or indirect offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), either voluntary or involuntary, or entry into any contract, option or other arrangement or understanding with respect to any offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), of any capital stock (or any security convertible or exchangeable into capital stock) or interest in any capital stock, excluding, for the avoidance of doubt, entry into this Agreement, or (ii) entering into any swap or any other agreement, transaction or series of transactions that hedges or transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of such capital stock or interest in capital stock, whether any such swap, agreement, transaction or series of transactions is to be settled by delivery of securities, in cash or otherwise; provided, that any transaction described in these clauses (i) or (ii) shall not constitute a Transfer so long as (a) such transaction does not require a filing under the Exchange Act or any other public disclosure of such transaction and (b) such transaction does not in any way limit the ability of Shareholder to vote its Subject Shares.

2. Representations, Warranties and Covenants of Shareholder. Each Shareholder hereby represents and warrants to Target, as of the date of this Agreement, as follows:

2.1 Due Authority. Such Shareholder has the legal capacity, full power and authority to make, enter into and carry out the terms of this Agreement and to grant the irrevocable proxy as set forth in Section 4.2 hereof. This Agreement has been duly and validly executed and delivered by such Shareholder and constitutes a valid and binding agreement of such Shareholder enforceable against it in accordance with its terms, except that the enforcement hereof may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or other similar Laws, now or hereafter in effect, relating to creditors' rights generally and (b) general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

2.2 Organization, Standing and Corporate Power. If such Shareholder is not a natural person, that it is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is formed and has all requisite power and authority to carry on its business as now being conducted.

2.3 Ownership of Acquirer Common Shares. Such Shareholder (i) is the beneficial or record owner of the Acquirer Common Shares indicated on Schedule A hereto opposite its name (the "Subject Shares"), free and clear of any and all Liens, other than Permitted Liens or those Liens created by this Agreement and (ii) has voting power over, sole power of disposition and sole power to issue instructions with respect to all of the Subject Shares with no other limitations, qualifications or restrictions on such rights, subject to applicable Law, the Parent Governing Documents, the Credit Agreements and the terms of this Agreement.

2.4 No Conflict; Consents.

(a) The execution and delivery of this Agreement by such Shareholder does not, and the performance by such Shareholder of its obligations under this Agreement and the compliance by such Shareholder with any provisions hereof do not and will not: (i) conflict with or violate in any material respects any Laws applicable to such Shareholder or its Subject Shares or (ii) result in any material breach of or constitute a material default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any of its Subject Shares pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which such Shareholder is a party or by which such Shareholder or its Subject Shares are bound. Shareholder's Subject Shares are not, with respect to the voting of, subject to any other

agreement, including, any voting agreement, stockholders agreement, irrevocable proxy or voting trust.

(b) Other than the disclosure and filing of this Agreement with the SEC, no consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Entity or any other Person, is required by such Shareholder in connection with the execution and delivery of this Agreement or the consummation by such Shareholder of the transactions contemplated hereby.

2.5 Absence of Litigation. There is no Action pending against, or, to the knowledge of such Shareholder, threatened against or affecting, such Shareholder or any of its properties or assets (including its Subject Shares) at law or in equity that would reasonably be expected to materially impair or delay the ability of such Shareholder to perform such Shareholder's obligations hereunder.

2.6 Acknowledgement. Each Shareholder understands and acknowledges that Target is entering into the Merger Agreement in reliance upon Shareholder's execution of this Agreement.

3. Agreement to Retain Subject Shares.

3.1 Transfer and Encumbrance of Subject Shares. Other than a Permitted Transfer, from and after the date hereof and until the Expiration Time, no Shareholder shall (i) Transfer any of its Subject Shares; (ii) deposit any of its Subject Shares into a voting trust or enter into a voting agreement or arrangement with respect to such Subject Shares; (iii) take any action that would cause any representation or warranty of such Shareholder contained herein to become untrue or incorrect, in each case in any material respect, or would reasonably be expected to have the effect of preventing or disabling such Shareholder from performing its obligations under this Agreement; or (iv) commit or agree to take any of the foregoing actions. If any involuntary Transfer of any Subject Shares shall occur, the transferee shall take and hold such Subject Shares subject to terms of this Agreement.

3.2 Additional Purchases. Any Acquirer Common Shares that a Shareholder purchases or otherwise acquires (including, without limitation, by way of stock-split, stock dividend, conversion of securities or distribution or similar event) after the execution of this Agreement and prior to the Expiration Time shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted Subject Shares. For the avoidance of doubt, no Acquirer Common Shares beneficially owned by Government Properties Income Trust, a Maryland real estate investment trust ("GOV"), shall constitute Subject Shares for purposes of this Agreement.

3.3 Unpermitted Transfers. Any Transfer or attempted Transfer of any of the Subject Shares or other action in violation of Section 3.1 shall, to the fullest extent permitted by Law, be null and void ab initio. Notwithstanding the foregoing or any other provision in this Agreement to the contrary, no Shareholder shall be deemed to be in breach of any of its obligation hereunder with which it is unable to comply as a result of any Subject Shares subject to any Permitted Lien becoming subject to foreclosure, forfeiture or other similar proceedings.

4. Agreement to Vote and Approve.

4.1 Subject Shares. Subject to the terms hereof, from and after the date hereof and until the Expiration Time, at every meeting of the shareholders of the Acquirer however called with respect to any of the following matters, and at every adjournment or postponement thereof, each Shareholder shall, or shall cause the holder of record on any applicable record date to (including via proxy), vote or cause to be voted, its Subject Shares: (i) in favor of the issuance of Acquirer Common Shares in the Merger on the terms set forth in the Merger Agreement, (ii) in favor of any proposal to adjourn a meeting of the shareholders of the Acquirer to solicit additional proxies

in favor of the approval of the issuance of the Acquirer Common Shares in connection with the Merger and (iii) against (a) any action or agreement that would reasonably be expected to result in any condition to the consummation of the Merger set forth in Article VIII of the Merger Agreement not being fulfilled and (b) any action which could reasonably be expected to impede or materially delay consummation of the Transactions.

4.2 Irrevocable Proxy. By execution of this Agreement, each Shareholder does hereby appoint and constitute Target, and any one or more individuals designated by Target, and each of them individually, until the Expiration Time (at which time this proxy shall automatically be revoked), with full power of substitution and resubstitution, as such Shareholder's true and lawful attorneys-in-fact and proxies, to the fullest extent of such Shareholder's rights with respect to its Subject Shares, to vote each of its Subject Shares solely with respect to the matters set forth in Section 4.1 hereof; provided, however, the foregoing shall only be effective if such Shareholder fails to be counted as present, to consent or to vote such Shareholder's Subject Shares, as applicable, in accordance with Section 4.1 above. Each Shareholder intends this proxy to be irrevocable and coupled with an interest hereafter until the Expiration Time for all purposes, including without limitation Section 2-507(d) of the MGCL, and hereby revokes any proxy previously granted by such Shareholder with respect to its Subject Shares. Each Shareholder hereby ratifies and confirms all actions that the proxies appointed hereunder may lawfully do or cause to be done in accordance with this Agreement. The proxy granted by Shareholders pursuant to this Section is granted in order to secure Shareholder's performance under this Agreement and also in consideration of Target entering into the Merger Agreement.

5. Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Target, the Acquirer or any other Person any direct or indirect ownership or incidence of ownership of, or with respect to, or pecuniary interest in, any of the Subject Shares. All rights, ownership and economic benefits of and relating to, and pecuniary interest in, the Subject Shares shall remain vested in and belong to the Shareholders, and neither Target, the Acquirer nor any other Person shall have any power or authority to direct any Shareholder in the voting or disposition of any of its Subject Shares, except as otherwise expressly provided in this Agreement.

6. Further Assurances. From time to time, at the request of Target and without further consideration, each Shareholder shall take such further action as may reasonably be requested by Target or the Acquirer to carry out the intent of this Agreement.

7. Termination. This Agreement shall terminate and shall have no further force or effect on the earliest to occur of (i) the Effective Time, (ii) such date and time as the Merger Agreement shall be validly terminated pursuant to Article IX thereof, or (iii) the termination of this Agreement by mutual written consent of the parties hereto (such date, the "Expiration Time").

8. Notice of Certain Events. Each Shareholder shall notify Target promptly of (a) any fact, event or circumstance that would cause, or reasonably be expected to cause or constitute, a breach in any material respect of any representation or warranty set forth in this Agreement and (b) the receipt by such Shareholder of any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with this Agreement; provided, however, that the delivery of any notice pursuant to this Section 8 shall not limit or otherwise affect the remedies available to any party.

9. Standstill.

(a) During the period beginning on the date of this Agreement and ending on the date that is thirty-six (36) months after the date hereof, without the prior written approval or invitation of the board of trustees or directors of a Covered Company, Target Sponsor shall not, and shall cause each entity to which Target Sponsor directly provides management

EXECUTION VERSION

MANAGEMENT TERMINATION AND TRANSITION AGREEMENT AND
SECOND AMENDMENT TO THE ADVISORY AGREEMENT
BY AND BETWEEN COLE CORPORATE INCOME TRUST, INC.
AND COLE CORPORATE INCOME ADVISORS, LLC

This Management Termination and Transition Agreement and Second Amendment to the Advisory Agreement (this "Agreement") is made and entered into as of August 30, 2014, by and among Cole Corporate Income Advisors, LLC, a Delaware limited liability company (the "Advisor"), Cole Realty Advisors, Inc., an Arizona corporation, and CREI Advisors, LLC, an Arizona limited liability company (together with Cole Realty Advisors, Inc., the "Property Managers") and together with the Advisor, the "Advisor Group Parties") and Cole Corporate Income Trust, Inc., a Maryland corporation (the "Company"). The Advisor, the Property Managers and the Company are each sometimes referred to herein as a "Party" and collectively as the "Parties."

RECITALS

A. The Advisor and the Company are parties to that certain Advisory Agreement dated January 18, 2011, as amended by that certain First Amendment to the Advisory Agreement dated November 10, 2011 (the "Advisory Agreement"), pursuant to which the Advisor provides certain services to the Company in connection with the operation of the Company's business.

B. The Property Managers and certain of the Company's subsidiaries are parties to the property management and leasing agreements set forth on Exhibit A hereto (such agreements, the "Property Management Agreements" and together with the Advisory Agreement, the "Management Agreements").

C. Contemporaneously with the entry into this Agreement, the Company has entered into that certain Agreement and Plan of Merger of even date herewith (as such agreement may be amended by the parties thereto, the "Merger Agreement"), with Select Income REIT, a Maryland real estate investment trust ("Parent") and SC Merger Sub LLC, a Maryland limited liability company and a wholly owned subsidiary of Parent ("Merger Sub"), pursuant to which, on the terms and subject to the conditions set forth therein, the Company will merge with and into Merger Sub, with Merger Sub surviving the merger (the "Surviving Entity"). *Any capitalized term used, but not otherwise defined herein, shall have the meaning ascribed to such term in the Merger Agreement. For the avoidance of doubt, any reference herein to the Company shall mean, from and after the Effective Time, the Surviving Entity.*

D. The Parties desire, on and subject to the terms and conditions set forth herein, among other things, (i) to provide for the termination of the Management Agreements automatically upon the Effective Time, (ii) to provide for certain obligations and agreements of the Advisor Group Parties from the date hereof until the Effective Time and (iii) to provide for certain additional obligations and agreements among the Parties following the Effective Time.

NOW THEREFORE, in consideration of the premises herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Representations and Warranties.

(a) Each Party represents and warrants to the other Parties that:

(i)

Such Party has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, in each case to the extent applicable to it. This

Table of Contents

Agreement has been duly authorized by all necessary action on the part of such Party. This Agreement has been duly and validly executed and delivered by such Party and constitutes a valid and binding agreement of such Party enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

(ii)

The execution and delivery of this Agreement by such Party, does not, and the performance by such Party of its obligations hereunder, will not, (i) conflict with or violate the organization documents of such Party, (ii) require any consent or approval of any third party or (iii) result in any breach or default (with or without notice or the lapse of time or both) of any note, bond, debt instrument, indenture, contract, agreement, license, permit or other legally binding obligation to which such Party is a party.

(b) The Advisor represents and warrants to the Company that all fees paid to the Advisor Group Parties by the Company and the Company Subsidiaries have been, and will be, (i) calculated in accordance with the Management Agreements and (ii) paid in accordance with the Management Agreements or as otherwise set forth herein, as applicable.

2. Management Agreements.

(a) The Parties acknowledge and agree that from and after the date hereof through the Effective Time (the "Interim Period"), the Management Agreements shall continue in full force and effect in accordance with their respective terms, except to the extent specifically agreed to by the Parties pursuant to this Agreement.

(b) The Parties agree that, notwithstanding anything to the contrary contained in any Management Agreements, effective as of the Effective Time, and without any further notice or action by any Party, the Management Agreements and all rights and obligations of the Parties thereunder shall be terminated, except that (i) to the extent not previously paid and subject to Section 3.04 of the Advisory Agreement, the Company shall after the Effective Time reimburse the Advisor for expenses incurred by the Advisor prior to the Effective Time in the ordinary course consistent with past practice and reimbursable pursuant to Section 3.02 of the Advisory Agreement, (ii) Sections 4.03(b), 5.01 and 5.02 of the Advisory Agreement shall survive such termination and (iii) termination of the Advisory Agreement pursuant to this Section 2(b) shall not affect any rights or remedies each Party may have accrued under the Advisory Agreement before the date of termination.

3. Books and Records. The Advisor Group Parties shall deliver to the Company (or its designee) all Books and Records immediately upon the Effective Time to a place designated by the Company. For purposes of this Agreement, "Books and Records" means all of the books, records, files, data and information, whether in hard copy or digital format, including, without limitation, organizational documents, leases, debt related documents, title policies, environmental reports, financial and accounting records, Tax records and returns, credit and collection records, budgets, budget forecasts, correspondence and miscellaneous records with respect to tenants and all other general correspondence, in each case relating to the Company, a Company Subsidiary or their respective businesses, assets, properties or liabilities.

4. Fees and Expenses.

(a) Fees during the Interim Period. From and after the date hereof and prior to the termination of the Merger Agreement pursuant to its terms, no fees or other amounts shall be

paid directly or indirectly by the Company or any Company Subsidiary to any Advisor Group Party or any Affiliate or Associate thereof except as expressly provided for in the Management Agreements, and any and all such payments shall be calculated and paid in a manner consistent with past practice; provided, however, that, (i) the Advisory Fee for the month in which the Effective Time occurs shall be pro-rated based on the number of days in such month that have elapsed prior to, but excluding, the date on which the Effective Time occurs compared to the total number of days in such month and the unpaid amount of such fee as of the Effective Time shall be paid at the Effective Time; (ii) an Acquisition Fee or Disposition Fee shall be payable and paid only for acquisitions and sales, as the case may be, that are undertaken and consummated by the Company prior to the Effective Time in compliance with Section 6.1 of the Merger Agreement and no other Acquisition Fee or, except as set forth in Section 4(c) below, Disposition Fee shall be payable or paid under the Advisory Agreement; and (iii) any Acquisition Fee accrued in accordance with clause (ii) and unpaid as of the Effective Time shall be paid at the Effective Time. Each Advisor Group Party acknowledges and agrees that (A) the payment to the Advisor of the amount provided for in clause (i) of this Section 4(a) shall serve as full and final satisfaction of all fees owed by the Company and the Company Subsidiaries under Section 3.01(a) of the Advisory Agreement, (B) the payment to the Advisor of the amount provided for in clauses (ii) and (iii) of this Section 4(a) as an Acquisition Fee shall serve as full and final satisfaction of all fees owed by the Company and the Company Subsidiaries under Section 3.01(b) of the Advisory Agreement and (C) no Disposition Fee shall be paid to the Advisor except as provided in Section 4(c) below.

(b) Expense Reimbursement For Services Provided Prior to Effective Time. After the Effective Time, the Company shall continue to reimburse the Advisor for expenses incurred by it prior to the Effective Time in the ordinary course consistent with past practice in accordance with and to the extent reimbursable pursuant to the Advisory Agreement.

(c) Post Merger Fees and Expenses.

(i)

On or after the Effective Time, the Company or the Surviving Entity shall promptly pay or cause to be paid to the Advisor the Subordinated Performance Fee and the Disposition Fee pursuant to Sections 3.01(c) and 3.01(d) of the Advisory Agreement for periods through and including the Effective Time and taking into account the transactions contemplated by the Merger Agreement, which fees shall not exceed \$14,350,000 in the aggregate (the "Fee Estimate"). The Advisor shall calculate such fees in accordance with Sections 3.01(c) and 3.01(d) of the Advisory Agreement and provide notice thereof to the Company and Parent at least five (5) Business Days prior to Closing; provided, however, that in no case shall such fees in the aggregate exceed the Fee Estimate. Each Advisor Group Party acknowledges and agrees that the payment by the Company or the Surviving Entity to the Advisor of the amounts contemplated by this Section 4(c) shall serve as full and final satisfaction of all fees owed by the Company and the Company Subsidiaries under clauses (c) and (d) of Section 3.01 of the Advisory Agreement.

(ii)

After the Effective Time, the Surviving Entity shall promptly pay or cause to be paid to the Advisor those reasonable, documented, out-of-pocket expenses actually incurred by the Advisor Group Parties in connection (i) with the Transition Services rendered pursuant to Section 6 hereof and (ii) the obligations of the Advisor Group Parties pursuant to Section 5 hereof.

5. Obligation to Assist in Litigation and Disputes.

(a) Cooperation Between the Parties. From and after the Effective Time, the Advisor Group Parties agree to use commercially reasonable efforts to assist and cooperate with Parent and the Surviving Entity, and their respective Representatives, including, but not limited to, providing access to records and other information, in connection with (i) any pending or future third party litigation or disputes related to the Company or the Company Subsidiaries and (ii) any other third party complaints, investigations, audits (including tenant audits) or other similar activities pertaining to the Company or the Company Subsidiaries relating to the period prior to the Effective Time (the "Proceedings"); provided, however that the foregoing shall not require any Advisor Group Party to take any action or provide any assistance or cooperation which, in the reasonable and good faith judgment of the Advisor, will be prejudicial to its interest in such litigation or disputes or any related litigation or disputes or give rise to a conflict of interest between the Parties.

(b) Disclosures Subject to Privileges and/or Protection. The Parties acknowledge that the Advisor Group Parties may possess information that is subject to confidentiality obligations of the Advisor Group Parties or other applicable attorney-client privilege, the work product doctrine or common interest privilege (collectively, "Privileges," and such documents and other information collectively, the "Privileged Information"). Upon receipt of a discovery or other request (i) to which Parent and the Surviving Entity determine it is appropriate to respond, or to which Parent and the Surviving Entity and/or any of the Advisor Group Parties is compelled to respond by order of a court of competent jurisdiction, and (ii) in the opinion of counsel, calls for the production of Privileged Information, the Advisor Group Parties reserve the right to (A) withhold such document from production and log such document on a privilege log to be provided to Parent and the Surviving Entity, and (B) designate counsel to defend the assertion of privilege.

(c) Indemnity. Parent and the Surviving Entity shall jointly and severally defend, indemnify and hold harmless the Advisor Group Parties of and from any and all losses, damage, claims, demands, debts or obligations, including attorneys' fees and punitive damages, arising from or relating to any amounts owed to any third party arising out of or relating to any assistance or cooperation provided by the Advisor Group Parties in connection with such Proceeding pursuant to Section 5(a); provided, that the right of the Advisor Group Parties to indemnification from the Company shall not apply to acts or omissions finally determined by a court of competent jurisdiction to have been attributable primarily to the gross negligence, fraud or willful misconduct by any of the Advisor Group Parties or their respective Representatives.

6. Transition Services. Following the Effective Time and ending upon the later of (a) the ninetieth (90th) day after the Effective Time and (b) the forty-fifth (45th) day after the end of Parent's fiscal quarter in which the Effective Time occurs (such period, the "Transition Period"), the Advisor shall, or shall cause the appropriate Advisor Group Party to, provide such services, information and transition support to Parent and/or the Surviving Entity as is set forth under the appropriate heading on Exhibit B hereto (collectively, the "Transition Services"); provided, however, that the Transition Period with respect to assistance with tax reporting pursuant to item #3 of Exhibit B shall end on October 15, 2015. In addition, Advisor may perform such additional services as are agreed upon by the Surviving Entity or Parent and the Advisor from time to time in writing for which the Advisor will be compensated at a rate and in amounts to be mutually determined by the Parties.

7. Term; Termination of Transition Services and Effect. This Agreement shall terminate upon the earlier of (a) the expiration of the Transition Period and (b) if the Merger Agreement is terminated in accordance with the terms of ARTICLE IX thereof prior to the Effective Time, the date of such termination. Upon termination, this Agreement shall be rendered null and void and have no further force and effect, except that this Section 7, Section 8 and Sections 10 through and including Section 13

Table of Contents

shall survive a termination of this Agreement pursuant to Section 7(a) hereof. In the event of a termination of this Agreement pursuant to Section 7(b), the Management Agreements shall continue in full force and effect in accordance with the terms thereof without the effect of any of the terms of this Agreement.

8. Indemnification. From and after the Effective Time, the Company, to the fullest extent permitted by applicable Law, shall exculpate, indemnify, defend and hold harmless each of the Advisor Group Parties, their Affiliates and Associates (each, an "Indemnatee") from and against any and all losses, claims, damages, liabilities, costs, expenses, judgments, fines, penalties and amounts paid in settlement (including, without limitation, all interest, assessments and other charges paid or payable in connection with or in respect of any thereof and reasonable attorneys' fees) (collectively, "Claims") resulting from, arising under or related to the performance of any Transition Services after the Effective Time by the Advisor Group Parties pursuant to this Agreement; *provided*, that an Indemnatee's right to indemnification from the Company shall not apply to acts or omissions determined by a court of competent jurisdiction to have been attributable to an Indemnatee's negligence, fraud or willful misconduct. At any time from and after the Effective Time, prior to the final disposition of any Claim with respect to which any Indemnatee may be entitled to indemnification hereunder, the Company shall, to the fullest extent permitted by applicable Law, pay to the Indemnatee an amount equal to all expenses of such Indemnatee, including reasonable fees and expenses of legal counsel, incurred in the defense of such Claim in advance of such final disposition and as such expenses are incurred, provided the Company has received a written undertaking from the Indemnatee to repay to the Company the amount so advanced if it shall be determined by a court of competent jurisdiction that such Indemnatee was not entitled to indemnification hereunder.

9. Further Assurances. Subject to the limitations or other provisions of this Agreement, (a) each Party shall use commercially reasonable efforts (subject to, and in accordance with applicable Law) to take promptly, or cause to be taken promptly, all actions, and to do promptly, or cause to be done promptly, and to assist and cooperate with the other Party in doing, all things reasonably necessary, proper or advisable to carry out the intent and purposes of this Agreement, including using commercially reasonable efforts to perform all covenants and agreements herein applicable to such Party and (b) no Party will, without the prior written consent of each other Party, take any action which would reasonably be expected to prevent or materially impede, interfere with or delay the provision of any Transition Services hereunder. Without limiting the generality of the foregoing, where the cooperation of third parties would be necessary in order for a Party to completely fulfill its obligations under this Agreement, such Party shall use commercially reasonable efforts to cause such third parties to provide such cooperation.

10. Governing Law; Jurisdiction and Venue. The laws of the State of Maryland shall govern the validity and construction of this Agreement and all rights and obligations of, and disputes between or among the Parties arising out of or related to this Agreement or the transactions contemplated by this Agreement, whether in contract, tort or otherwise, without regard to the principles of conflict of laws of the State of Maryland. The Parties hereby consent and submit to the exclusive jurisdiction of the state and federal courts in the state of Maryland, the venue of the Circuit Court for Baltimore City and the venue of the U.S. District Court for the District of Maryland, and all actions and proceedings arising out of or relating to this Agreement shall be heard and determined in a state or federal court in the State of Maryland.

11. WAIVER OF JURY TRIAL. BY EXECUTING THIS AGREEMENT, THE PARTIES KNOWINGLY AND WILLINGLY WAIVE ANY RIGHT THEY HAVE UNDER APPLICABLE LAW TO A TRIAL BY JURY IN ANY DISPUTE ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR THE ISSUES RAISED BY THAT DISPUTE.

Select Income REIT

Newton, MA 02458

Dear Members of the Board of Trustees:

We understand that Select Income REIT, a Maryland real estate investment trust ("SIR" or the "Company"), is considering a transaction whereby the Company will acquire control of Cole Corporate Income Trust, a Maryland corporation ("CCIT"). Pursuant to the terms of an Agreement and Plan of Merger, dated August 30, 2014 (the "Agreement"), by and among the Company, SC Merger Sub, LLC, a Maryland limited liability company and wholly-owned subsidiary of the Company ("Merger Sub"), and CCIT, CCIT will merge with and into Merger Sub, as a result of which Merger Sub will remain a wholly owned subsidiary of the Company (the "Transaction") and each common share, \$0.01 par value per share, of the CCIT ("CCIT Common Share"), issued and outstanding immediately prior to the effective time of the Transaction (the "Effective Time") will be converted into the right to receive, at the election of such holder of such CCIT Common Share (the "Election"), either (x) \$10.50 in cash, without interest (the "Per Share Cash Consideration"), or (y) 0.360 validly issued, fully paid and non-assessable common shares of beneficial interest, \$0.01 par value per share, of the Company ("Company Common Share") (the "Per Share Share Consideration"), in each case, subject to certain proration mechanisms which provide that (i) the maximum aggregate number of CCIT Common Shares that may be converted into the right to receive the Per Share Cash Consideration is 60% of the CCIT Common Shares issued and outstanding immediately prior to the Effective Time and (ii) the minimum aggregate number of CCIT Common Shares that may be converted into the right to receive the Per Share Cash Consideration is 40% of the CCIT Common Shares issued and outstanding immediately prior to the Effective Time. The Per Share Cash Consideration and Per Share Share Consideration are referred to herein collectively as the "Per Share Consideration." The terms and conditions of the Transaction are more fully set forth in the Agreement.

We further understand that, in part to finance the acquisition of CCIT, the Company intends to sell all of the equity in certain entities that own 23 identified, healthcare related properties of CCIT (the "Assets") to Senior Housing Properties Trust ("SNH"), a real estate investment trust which is externally managed by Reit Management & Research LLC ("RMR"), the Company's external manager and, effectively, the management of the Company, for an aggregate purchase price of approximately \$539 million in cash (the "SNH Transaction") pursuant to the terms of a Purchase and Sale Agreement and Joint Escrow Instructions, dated August 30, 2014, by and between Merger Sub and SNH (the "SNH Transaction Agreement" and, together with the Agreement, the "Agreements"). In reaching our conclusions hereunder, we have assumed that the SNH Transaction is consummated as contemplated.

You have requested our opinion as to the fairness, from a financial point of view, to the Company of the Per Share Consideration to be paid by the Company in the Transaction.

UBS Securities LLC ("UBS") has acted as financial advisor to the Company in connection with the Transaction and will receive a fee for its services, a portion of which is payable in connection with this

opinion and a significant portion of which is contingent upon consummation of the Transaction. UBS is also acting as financial advisor to the Company in connection with the SNH Transaction, and will receive a fee for the rendering of an opinion in connection therewith. UBS is also providing financing to the Company in connection with the Transaction and will receive compensation in connection therewith. In the past, UBS and its affiliates have provided services to (x) the Company, (y) certain other entities managed (or formerly managed) by RMR, including Hospitality Properties Trust ("HPT"), SNH, Government Properties Income Trust ("GOV"), Five Star Quality Care Inc. ("FVE"), TravelCenters of America LLC ("TA") and Equity Commonwealth REIT ("CWH"), and (z) American Realty Capital Properties, Inc. ("ARCP"), an affiliate of Cole Corporate Income Advisors, LLC ("CCIA"), the external manager of CCIT, and certain of ARCP's affiliates, unrelated to the proposed Transaction, for which UBS and its affiliates received compensation, including having acted as (i) (a) co-lead manager in the initial public offering of Company Common Shares in March 2012, (b) co-lead manager in an \$193 million follow-on offering of Company Common Shares in December 2012, (c) joint-book runner in a \$341 million follow-on offering for Company Common Shares in June 2013 and (d) joint-book runner in a \$300 million follow-on offering for Company Common Shares in May 2014, (ii) (a) co-lead manager in a \$411 million follow-on offering of HPT common shares in March 2013, (b) a joint book runner in a \$300 million senior notes offering for HPT in May 2013, (c) co-lead manager in a \$274 million follow-on offering of HPT common shares in November 2013 and (d) joint book runner in a \$350 million senior notes offering for HPT in March 2014, (iii) (a) joint book runner in a \$301 million follow-on offering of SNH common shares in July 2012, (b) joint book runner in a \$350 million senior notes offering for SNH in July 2012, (c) co-lead manager in a \$238 million follow-on offering of SNH common shares in January 2013 and (d) joint lead manager in a \$650 million senior notes offering for SNH in April 2014, (iv) (a) co-lead manager in a \$200 million follow-on offering of GOV common shares in October 2012, (b) co-lead manager in a \$250 million follow-on offering of GOV common shares in March 2013, (c) co-lead manager in a \$365 million follow-on offering of GOV common shares and (d) joint book runner in a \$350 million senior notes offering for GOV in August 2014, (v) (a) joint book runner in a \$110 million senior notes offering of TA common stock in January 2013 and (b) joint book runner in a \$60 million follow-on offering of TA common shares in December 2013, (vii) (a) joint book runner in a \$175 million senior notes offering for CWH in July 2012 and (b) joint book runner in a \$655 million follow on offering of CWH common shares in February 2013, (viii) financial advisor to Cole Credit Property Trust II in connection with its merger with Spirit Realty Capital in January 2013 and (ix) financial advisor to American Realty Capital Trust III, Inc. in connection with its merger with ARCP in December 2012. In addition, UBS or an affiliate is a participant in a credit facility for each of the Company, CWH, HPT, SNH, GOV, FVE and TA for which it received and continues to receive fees and interest payments. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of the Company, CWH, HPT, SNH, GOV, FVE, TA and ARCP and, accordingly, may at any time hold a long or short position in such securities. As of the date hereof, UBS owned approximately 3.7% of the outstanding common shares of ARCP. The issuance of this opinion was approved by an authorized committee of UBS.

Our opinion does not address the relative merits of the Transaction or any related transaction as compared to other business strategies or transactions that might be available to the Company or the Company's underlying business decision to effect the Transaction or any related transaction, including the SNH Transaction. Our opinion does not constitute a recommendation to any holder of Company Common Shares as to how such holder should vote or act with respect to the Transaction or any related

transaction. At your direction, we have not been asked to, nor do we, offer any opinion herein as to the terms of the Agreement, other than the Per Share Consideration to the extent expressly specified herein, or as to the terms of the SNH Transaction Agreement or any related documents or the form of the Transaction or any related transaction, including the SNH Transaction. In addition, we express no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, directors, trustees or employees of any parties to the Transaction, or any class of such persons, relative to the Per Share Consideration. We express no opinion as to what the value of Company Common Shares will be when issued pursuant to the Transaction or the prices at which Company Common Shares will trade at any time. In rendering this opinion, we have assumed, with your consent, that (i) the parties to the Agreement will comply with all material terms of the Agreement, (ii) the Transaction will be consummated in accordance with the terms of the Agreement without any adverse waiver or amendment of any material term or condition thereof and (iii) the SNH Transaction is consummated (a) as contemplated by SNH Transaction Agreement and (b) without any tax liability to be incurred by the Company in connection with the SNH Transaction. We have also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any material adverse effect on the Company, CCIT or the Transaction.

In arriving at our opinion, we have, among other things: (i) reviewed certain publicly available business and financial information relating to CCIT and the Company; (ii) reviewed certain internal financial information and other data relating to the business and financial prospects of CCIT that were provided to us by the management of the Company, and not publicly available, including financial forecasts and estimates prepared by the management of the Company that you have directed us to utilize for purposes of our analysis; (iii) reviewed certain internal financial information and other data relating to the business and financial prospects of the Company and CCIT that were provided to us by the management of the Company and ARCP (effectively, the management of CCIT), respectively, and not publicly available, including financial forecasts and estimates prepared by the managements of the Company and CCIT that you have directed us to utilize for purposes of our analysis; (iv) reviewed certain estimates of cost savings prepared by the management of the Company that were provided to us by the management of the Company and not publicly available that you have directed us to utilize for purposes of our analysis; (v) conducted discussions with the management of CCIT concerning the business and financial prospects of CCIT and conducted discussions with the management of the Company concerning the business and financial prospects of CCIT and the Company; (vi) reviewed publicly available financial and stock market data with respect to certain other companies we believe to be generally relevant; (vii) compared the financial terms of the Transaction with the publicly available financial terms of certain other transactions we believe to be generally relevant; (viii) reviewed current and historical market prices of Company Common Shares; (ix) considered certain pro forma effects of the Transaction on the Company's financial statements, including certain pro forma effects of the SNH Transaction on the Company's financial statements; (x) reviewed the Agreement and the SNH Transaction Agreement; and (xi) conducted such other financial studies, analyses and investigations, and considered such other information, as we deemed necessary or appropriate.

In connection with our review, with your consent, we have assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by us for the purpose of this opinion. In addition, with your consent, we have not made any independent evaluation or appraisal of any of the assets or liabilities (contingent or

otherwise) of the Company or CCIT, including the Assets, nor have we been furnished with any such evaluation or appraisal. With respect to the financial forecasts, estimates, costs savings and pro forma effects referred to above, we have assumed, at your direction, that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company, CCIT and such cost savings and pro forma effects. In addition, we have assumed with your approval that the financial forecasts and estimates, including cost savings, referred to above will be achieved at the times and in the amounts projected. We also have assumed, with your consent, that the Transaction will qualify for U.S. federal income tax purposes as reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to us as of, the date hereof.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Per Share Consideration to be paid by the Company in the Transaction is fair, from a financial point of view, to the Company.

This opinion is provided for the benefit of the Board of Trustees (in its capacity as such) in connection with, and for the purpose of, its evaluation of the Per Share Consideration in the Transaction.

Very truly yours,

Dear Members of the Board of Trustees:

We understand that Select Income REIT, a Maryland real estate investment trust ("SIR" or the "Company"), is considering a transaction whereby the Company will acquire control of Cole Corporate Income Trust, a Maryland corporation ("CCIT"). Pursuant to the terms of an Agreement and Plan of Merger, dated August 30, 2014 (the "Merger Agreement"), by and among the Company, SC Merger Sub, LLC, a Maryland limited liability company and wholly-owned subsidiary of the Company ("Merger Sub"), and CCIT, CCIT will merge with and into Merger Sub, as a result of which Merger Sub will remain a wholly owned subsidiary of the Company (the "Merger Transaction"). The terms and conditions of the Merger Transaction are more fully set forth in the Merger Agreement.

We further understand that, (i) in part to finance the Company's acquisition of CCIT, Merger Sub intends to sell, concurrently with the Merger Transaction, all of the equity of certain entities which own 23 identified, healthcare related properties of CCIT (the "Assets") to Senior Housing Properties Trust ("SNH"), a real estate investment trust which is externally managed by Reit Management & Research LLC ("RMR"), which is also the Company's external manager and, effectively, the management of the Company, pursuant to the terms of a Purchase and Sale Agreement and Joint Escrow Instructions, dated August 30, 2014, by and between Merger Sub and SNH (the "Purchase Agreement" and, together with the Merger Agreement, the "Agreements"), (ii) currently CCIT (directly and indirectly) owns all of the partnership interests in Cole Corporate Income Operating Partnership, LP, a Delaware limited partnership ("Cole"), which partnership interests are comprised of a 99.9% general partnership interest owned directly by CCIT and a 0.1% limited partnership interest owned by CRI CCIT, LLC, a Delaware limited liability company ("CRI"), which is a wholly owned subsidiary of CCIT, and, upon the consummation of the Merger Transaction, Cole and CRI will be wholly and directly owned by Merger Sub, (iii) Cole directly owns one hundred percent (100%) of the limited liability company membership interests and the limited and general partnership interests, as applicable (in each case, the "Interests") in each of the entities listed in the Purchase Agreement as a property owner (each, a "Property Owner" and collectively, the "Property Owners") which own, in the aggregate, the Assets, and (iv) pursuant to the Purchase Agreement, Merger Sub will sell the Interests to SNH for an aggregate purchase price of \$539 million in cash ("Purchase Price"), subject to certain adjustments described therein (the "Transaction" and, together with the Merger Transaction, the "Combined Transactions"). The terms and conditions of the Transaction are more fully set forth in the Purchase Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to Merger Sub of the Purchase Price to be received by Merger Sub in the Transaction.

UBS Securities LLC ("UBS") has acted as financial advisor to the Company in connection with the Combined Transactions and will receive a fee for its services, a portion of which is payable in connection with this opinion and a significant portion of which is contingent upon consummation of the Merger

In addition, UBS or an affiliate is a participant in a credit facility for each of the Company, CWH, HPT, SNH, GOV, FVE and TA for which it received and continues to receive fees and interest payments. In the ordinary course of business, UBS and its affiliates may hold or trade, for their own accounts and the accounts of their customers, securities of the Company, CWH, HPT, SNH, GOV, FVE, TA and ARCP and, accordingly, may at any time hold a long or short position in such securities. As of the date hereof, UBS owned approximately 3.7% of the outstanding common shares of ARCP. The issuance of this opinion was approved by an authorized committee of UBS.

Our opinion does not address the relative merits of the Transaction or any related transaction as compared to other business strategies or transactions that might be available to the Company or the Company's underlying business decision to effect the Transaction or any related transaction, including the Merger Transaction. At your direction, we have not been asked to, nor do we, offer any opinion herein as to the terms, other than the Purchase Price to the extent expressly specified herein, of the Purchase Agreement, the Merger Agreement or any related documents or the form of the Transaction or any related transaction, including the Merger Transaction. In addition, we express no opinion as to

the fairness of the amount or nature of any compensation to be received by any officers, directors, trustees or employees of any parties to the Transaction, or any class of such persons, relative to the Purchase Price. We express no opinion as to what the value of Company common shares will be when issued pursuant to the Merger Transaction or the prices at which Company common shares will trade at any time. In rendering this opinion, we have assumed, with your consent, that (i) the parties to the Purchase Agreement will comply with all material terms of the Purchase Agreement, (ii) the Transaction will be consummated (a) in accordance with the terms of the Purchase Agreement without any adverse waiver or amendment of any material term or condition thereof and (b) without any tax liability to be incurred by the Company in connection with the Transaction, and (iii) the Merger Transaction is consummated as contemplated by Merger Agreement. We have also assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any material adverse effect on the Company, the Assets or the Transaction.

In arriving at our opinion, we have, among other things: (i) reviewed certain internal financial information and other data relating to the business and financial prospects of the Assets that were provided to us by the management of the Company and not publicly available, including financial forecasts and estimates prepared by the management of the Company that you have directed us to utilize for purposes of our analysis; (ii) conducted discussions with ARCP (effectively, the management of CCIT) concerning the business and financial prospects of the Assets and conducted discussions with the management of the Company concerning the business and financial prospects of the Assets; (iii) reviewed publicly available financial and stock market data with respect to certain other companies we believe to be generally relevant; (iv) compared the financial terms of the Transaction with the publicly available financial terms of certain other transactions we believe to be generally relevant; (v) reviewed the Agreements; and (vi) conducted such other financial studies, analyses and investigations, and considered such other information, as we deemed necessary or appropriate.

In connection with our review, with your consent, we have assumed and relied upon, without independent verification, the accuracy and completeness in all material respects of the information provided to or reviewed by us for the purpose of this opinion. In addition, with your consent, we have not made any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company, any Property Owner or CCIT, including the Assets, nor have we been furnished with any such evaluation or appraisal. With respect to the financial forecasts and estimates referred to above, we have assumed, at your direction, that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Assets, including that the Property Owners own no material assets other than the Assets. In addition, we have assumed with your approval that the financial forecasts and estimates referred to above will be achieved at the times and in the amounts projected and that any amounts held in escrow pursuant to the Purchase Agreement will be released to Merger Sub. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information available to us as of, the date hereof.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Purchase Price to be received by Merger Sub in the Transaction is fair, from a financial point of view, to Merger Sub.

The Board of Directors
Cole Corporate Income Trust, Inc.
2325 East Camelback Road, Suite 1100
Phoenix, Arizona 85016

The Board of Directors:

The Board of Directors (the "Board") of Cole Corporate Income Trust, Inc., a Maryland corporation ("CCIT"), has asked Wells Fargo Securities, LLC ("Wells Fargo Securities") to advise it with respect to the fairness, from a financial point of view, to holders of the common stock, par value \$0.01 per share, of CCIT ("CCIT Common Stock") of the Merger Consideration (defined below) to be received by such holders pursuant to an Agreement and Plan of Merger (the "Merger Agreement") among CCIT, Select Income REIT, a Maryland real estate investment trust ("Select Income"), and SC Merger Sub LLC, a Maryland limited liability company and wholly owned subsidiary of Select Income. Pursuant to the Merger Agreement, CCIT will be merged with and into Merger Sub (the "Merger"), with Merger Sub as the surviving entity of the Merger, and each outstanding share of CCIT Common Stock will be converted into the right to receive, at the election of the holder thereof and subject to certain proration and allocation procedures (as to which we express no opinion), (i) 0.360 of a common share of beneficial interest, par value \$0.01 per share, of Select Income ("Select Income Common Shares" and, such number of Select Income Common Shares so issuable in the Merger, the "Stock Consideration") or (ii) \$10.50 per share in cash (the "Cash Consideration" and, together with the Stock Consideration, the "Merger Consideration"); provided that the minimum and maximum aggregate number of shares of CCIT Common Stock that may be converted into the right to receive the Cash Consideration will be equal to 40% and 60%, respectively, of the outstanding shares of CCIT Common Stock. The terms and conditions of the Merger and related transactions are more fully set forth in the Merger Agreement.

In arriving at our opinion, we have, among other things:

Reviewed a draft, dated August 29, 2014, of the Merger Agreement, including the financial terms thereof;

Reviewed certain publicly available business, financial and other information regarding CCIT and Select Income, including information set forth in their respective annual reports to stockholders and annual reports on Form 10-K for the fiscal years ended December 31, 2011, 2012 and 2013 and quarterly reports on Form 10-Q for the periods ended March 30, 2014 and June 30, 2014;

Reviewed certain other business and financial information regarding CCIT and Select Income furnished to us by and discussed with the managements of CCIT and Select Income, including financial forecasts and estimates relating to CCIT prepared by the management of CCIT and financial forecasts and estimates relating to Select Income prepared by the management of Select Income;

Discussed with the managements of CCIT and Select Income the operations and prospects of CCIT and Select Income, including the historical financial performance and trends in the results of operations of CCIT and Select Income;

Discussed with the managements of CCIT and Select Income the strategic rationale for the Merger and financial and strategic benefits anticipated by the managements of CCIT and Select Income to result from the Merger;

Participated in discussions and negotiations among representatives of CCIT, Select Income and their respective advisors regarding the proposed Merger;

Reviewed reported prices and trading activity for Select Income Common Shares;

Analyzed the estimated net asset value of each of CCIT's and Select Income's real estate portfolios and other assets based upon certain financial forecasts and estimates referred to above and assumptions relating thereto discussed with and confirmed as reasonable by the managements of CCIT and Select Income;

Compared certain financial data of CCIT and Select Income with similar data of certain publicly traded companies that we deemed relevant in evaluating CCIT and Select Income;

Compared the proposed financial terms of the Merger with financial terms of certain business combinations and other transactions that we deemed relevant in evaluating the Merger;

Analyzed the estimated present value of the future dividends per share of CCIT and Select Income based upon certain financial forecasts and estimates referred to above and assumptions relating thereto discussed with and confirmed as reasonable by the managements of CCIT and Select Income; and

Considered such other information, such as financial studies and analyses, as well as financial, economic and market criteria, and made such other inquiries, as we deemed relevant.

In connection with our review, we have assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or otherwise made available to us, including all accounting, tax, regulatory and legal information, and we have not made (and have not assumed any responsibility for) any independent verification of such information. We have relied upon assurances of the managements of CCIT and Select Income that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts, estimates and other information relating to CCIT and Select Income utilized in our analyses, we have been advised by the respective managements of CCIT and Select Income and, at the direction of the Board, we have assumed that they have been reasonably prepared and reflect the best currently available estimates, judgments and assumptions as to the future financial performance of CCIT and Select Income, as the case may be, the potential pro forma financial effects of the Merger and the other matters covered thereby. We assume no responsibility for, and express no view as to, such forecasts, estimates or other information utilized in our analyses or the judgments or assumptions upon which they are based. We also have assumed that there have been no meaningful changes in the condition (financial or otherwise), results of operations, businesses or prospects of CCIT or Select Income since the respective dates of the most recent financial statements and other information provided to us. We have relied, at the direction of the Board, upon the assessments of the managements of CCIT and Select Income as to (i) the potential impact on CCIT and Select Income of certain trends and recent developments in, and prospects for, the commercial real estate market and related credit and financial markets, (ii) the ability to integrate the businesses of CCIT and Select Income and (iii) matters relating to the proposed sale by Select Income of certain healthcare properties of CCIT to Senior Housing Properties Trust, including the expected net proceeds from such sale,

contemplated to occur immediately upon the effective time of the Merger (the "SNH Sale Transaction"). We have assumed, with the Board's consent, that there will not be any developments with respect to any of the foregoing that would in any respect be meaningful to our analyses or opinion.

In arriving at our opinion, we have not conducted physical inspections of the properties or assets of CCIT, Select Income or any other entity, nor have we made or been provided with any evaluations or appraisals of the properties, assets or liabilities (contingent or otherwise) of CCIT, Select Income or any other entity. We also have not evaluated the solvency or fair value of CCIT, Select Income or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters.

In rendering our opinion, we have assumed, at the direction of the Board, that the final form of the Merger Agreement, when signed by the parties thereto, will not differ from the draft Merger Agreement reviewed by us in any respect meaningful to our analyses or opinion, that the Merger and related transactions will be consummated in accordance with the terms described in the Merger Agreement and related documents and in compliance with all applicable laws and other requirements without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary legal, regulatory or third party consents, approvals or agreements for the Merger and related transactions, no delay, limitation or restriction will be imposed or action will be taken that will have an adverse effect on CCIT, Select Income or the Merger. We also have assumed, at the direction of the Board, that the Merger will qualify for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. We have been advised that each of CCIT and Select Income has operated in conformity with the requirements for qualification as a real estate investment trust ("REIT") for U.S. federal income tax purposes since its formation as a REIT. We have assumed, at the direction of the Board, that the Merger and related transactions will not adversely affect such status or operations and that special distributions, if any, made by CCIT or Select Income in order to maintain such status or otherwise will not result in an adjustment to the Merger Consideration that would in any respect be meaningful to our analyses or opinion.

We are not expressing any opinion as to what the value of Select Income Common Shares actually will be when issued pursuant to the Merger or the prices at which Select Income Common Shares or CCIT Common Stock will trade at any time. Our opinion is necessarily based on economic, market, financial and other conditions existing, and information made available to us, as of the date hereof. As the Board is aware, the credit, financial and stock markets have experienced significant volatility and we express no opinion or view as to any potential effects of such volatility on CCIT, Select Income or the Merger or related transactions. Although subsequent developments may affect the matters set forth in this opinion, we do not have any obligation to update, revise, reaffirm or withdraw this opinion or otherwise comment on or consider any such events occurring or coming to our attention after the date hereof.

Our opinion only addresses the fairness, from a financial point of view and as of the date hereof, to holders of CCIT Common Stock of the Merger Consideration to be received by such holders pursuant to the Merger Agreement to the extent expressly specified herein, and does not address any other terms, aspects or implications of the Merger or related transactions, including, without limitation, the form or structure of the Merger Consideration or the Merger, the terms or other aspects of the SNH Sale Transaction or any other agreement, arrangement or understanding entered into in connection with or contemplated by the Merger, the related transactions or otherwise. In addition, our opinion

does not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger or related transactions, or class of such persons, relative to the Merger Consideration or otherwise. Our opinion does not address the merits of the underlying decision by CCIT to enter into the Merger Agreement or the relative merits of the Merger or related transactions compared with other business strategies or transactions available or that have been or might be considered by the management or the Board or in which CCIT might engage. We also are not expressing any view or opinion with respect to, and with the Board's consent have relied upon the assessments of representatives of CCIT regarding, accounting, tax, regulatory, legal or similar matters as to which we understand that CCIT obtained such advice as it deemed necessary from qualified professionals.

The issuance of this opinion was approved by an authorized committee of Wells Fargo Securities. Wells Fargo Securities is the trade name for certain capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Securities, LLC. Wells Fargo Securities has been engaged as financial advisor to CCIT in connection with the Merger and will receive a fee for such services, a portion of which will be payable upon delivery of this opinion and the principal portion of which is contingent upon consummation of the Merger. CCIT has agreed to reimburse certain of Wells Fargo Securities' expenses and to indemnify us and certain related parties against certain liabilities that may arise out of our engagement. Wells Fargo Securities and our affiliates provide a full range of investment banking and financial advisory, securities trading, brokerage and lending services in the ordinary course of business for which we and such affiliates receive customary fees. Wells Fargo Securities and our affiliates in the past have provided, currently are providing, and in the future may provide banking and other financial services to CCIT, Select Income and their respective affiliates for which Wells Fargo Securities and our affiliates have received and expect to receive fees, including having acted or currently acting as a (i) lender under, and as syndication agent, co-documentation agent, joint bookrunner and/or joint lead arranger for, certain credit facilities of CCIT, Select Income and certain of their respective affiliates and (ii) managing underwriter and bookrunner in connection with certain equity and/or debt offerings of certain affiliates of CCIT and of Select Income and certain of its affiliates. In the ordinary course of business, Wells Fargo Securities and our affiliates may actively trade, hold or otherwise effect transactions in the securities or financial instruments (including bank loans or other obligations) of CCIT, Select Income and their respective affiliates for our and our affiliates' own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities or financial instruments.

It is understood that this opinion is for the information and use of the Board (in its capacity as such) in its evaluation of the Merger. Our opinion does not constitute a recommendation to the Board or any other person or entity in respect of the Merger or any related transactions, including as to how any stockholder should vote or act in connection with the Merger, any related transactions or any other matters.

Members of the Board of Directors:

We understand that Cole Corporate Income Trust, Inc. (the "Company") proposes to enter into an Agreement and Plan of Merger (the "Merger Agreement"), dated as of August 30, 2014, among Select Income REIT ("Parent"), SC Merger Sub LLC ("Merger Sub") and the Company, pursuant to which, among other things, the Company will merge with and into Merger Sub, a wholly owned subsidiary of Parent (the "Merger") and each outstanding share of common stock of the Company, \$0.01 par value per share ("Company Common Stock"), other than shares of Company Common Stock owned by any wholly owned Company Subsidiary, Parent or Parent Subsidiary ("Excluded Shares"), will be converted, at the election of the holder thereof, into the right to receive either: (i) \$10.50 in cash, without interest (the "Cash Consideration"), or (ii) 0.360 common shares of beneficial interest, \$0.01 par value, of Parent (each such share, a "Parent Common Share," and such 0.360 shares of Parent Common Stock, the "Stock Consideration"; the aggregate amount of Cash Consideration and Stock Consideration to be received by the holders of Company Common Stock (other than Excluded Shares) is referred to as the "Aggregate Merger Consideration"), subject to adjustment as set forth in the Merger Agreement.

The right of holders of Company Common Stock to elect to convert their Company Common Stock into the right to receive the Cash Consideration and/or the Stock Consideration is subject to certain procedures and limitations contained in the Merger Agreement, including that the number of shares of Company Common Stock converted into the right to receive the Cash Consideration will not exceed 60% of the shares of Company Common Stock issued and outstanding immediately prior to the effective time of the Merger or be less than 40% of the shares of Company Common Stock issued and outstanding immediately prior to the effective time of the Merger, as to which procedures and limitations we are expressing no opinion. Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Merger Agreement.

- (vi) discussed the past and current operations, capitalization and financial condition and the prospects of the Company with Company Management;

We have assumed and relied upon without independent verification the accuracy and completeness of the financial, legal, regulatory, tax, accounting and other information provided to, reviewed by or discussed with us (including information that is available from generally recognized public sources) for the purposes of this opinion. With respect to the financial projections provided to us by Company Management and Parent Management, with your consent, we have assumed that they have been reasonably prepared and are consistent with the best currently available estimates and judgments of Company Management and Parent Management as to the future financial performance of the Company and Parent, respectively. We assume no responsibility for and express no view as to such forecasts or any other forward-looking information or the assumptions on which they are based, and we have relied upon the assurances of Company Management that they are unaware of any facts that would make the information provided to or reviewed by us incomplete or misleading. In rendering our opinion, we express no view as to the reasonableness of such forward-looking information or any estimate, judgment or assumption on which it is based. We have not performed any independent valuation or appraisal of the assets or liabilities (contingent, derivative, off-balance-sheet or otherwise) of the Company, Parent or their subsidiaries, nor have we been furnished with any such valuations or appraisals. We have not assumed any obligation to conduct, nor have we conducted, any physical inspection of the properties or facilities of the Company or Parent. In arriving at our opinion, we have not taken into account any litigation that is pending or may be brought against the Company, Parent or any of their affiliates or representatives. For purposes of rendering our opinion, we have assumed that there has not occurred any material change in the assets, liabilities, financial condition, results of operations, business or prospects of the Company, Parent or any of their subsidiaries since the respective dates on which the most recent financial statements or other information, financial or otherwise, relating to the Company, Parent or any of their subsidiaries, was made available to us. We have also assumed, with your consent, that the final executed Merger Agreement will not differ in any material respect from the draft Merger Agreement reviewed by us, that the representations and warranties of each party set forth in the Merger Agreement are true and correct, that each party to the Merger Agreement will perform all of the covenants and agreements required to be performed by it thereunder and that all conditions to the Merger set forth in the Merger Agreement will be timely satisfied and not modified or waived, that there will be no adjustment to the Cash Consideration or the Stock Consideration pursuant to the terms of the Merger Agreement, and that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement without modification, waiver or delay, except, in each case, as would not be material to our analyses. In addition, we have assumed, with your consent, that any governmental, regulatory or third party consents, approvals or agreements necessary for the consummation of the Merger will be obtained without any imposition of a delay, limitation, restriction or condition that would, in any respect material to our analyses, have an adverse effect on the Company or Parent or the contemplated benefits of the Merger. In addition, we are not legal, accounting, regulatory or tax experts, and with your consent we have relied, without independent verification, on the assessment of the Company and its advisors with respect to such matters. Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that, although subsequent developments may affect our opinion and the assumptions used in preparing it, we do not have any obligation to update, revise or reaffirm our opinion. We do not express any view or opinion as to the price at which any share of Parent Common Stock or any other securities may trade at any time, including subsequent to the date of our opinion.

Our opinion addresses only the fairness, from a financial point of view, to the holders of Company Common Stock (other than Excluded Shares), of the Aggregate Merger Consideration to be received by such holders in the Merger, and we do not express any view as to the fairness of the Merger to, or any consideration of, the holders of any other class of securities of the Company, creditors or other constituencies of the Company or its subsidiaries or any other term of the proposed Merger or the other matters contemplated by the Merger Agreement. We have not been asked to, nor do we, offer any opinion as to any other term or aspect of the Merger Agreement, any other agreement or instrument contemplated by or entered into in connection with the Merger, the form or structure of the Merger Agreement or the likely timeframe in which the Merger will be consummated.

Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors or employees of any party to the Merger, or any class of such persons, relative to the Aggregate Merger Consideration to be received by the holders of Company Common Stock in the Merger or with respect to the fairness of any such compensation. We do not express any opinion as to any tax or other consequences that may result from the transactions contemplated by the Merger Agreement, nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand the Company has received such advice as it deems necessary from qualified professionals, and which advice we have relied upon in rendering our opinion. We express no view or opinion as to the financing of the Merger or the terms or conditions upon which it may be obtained. Our opinion does not address the underlying business decision of the Company to engage in the

Merger or the relative merits of the Merger as compared to any strategic alternatives that may be available to the Company. In arriving at our opinion, we have not been authorized to contact, and have not contacted, any third parties to solicit indications of interest in a possible transaction involving all or a part of the Company, nor have we negotiated or held discussions with any party concerning a possible transaction with the Company.

We have been engaged by certain directors of the Company (the "Independent Directors") and acted as financial advisor to the Independent Directors in connection with the Merger and, at the request of the Independent Directors, rendered this Opinion to the Board of Directors of the Company. We have not acted as financial advisor to any party with regard to the Merger other than the Independent Directors. We have received fees and will continue to receive fees for our services as financial advisor to the Independent Directors in connection with the Merger, a portion of which is payable upon the rendering of this opinion, and none of which is contingent upon the consummation of the Merger. In addition, the Company has agreed to reimburse certain of our expenses and indemnify us for liabilities relating to or arising out of our engagement. Other than as related to the Merger, we have had no other recent financial advisory or other commercial or investment banking relationships of a material nature with the Company, Parent or the external manager of Company or Parent. We and our affiliates may in the future provide financial advice and services to affiliates of Parent for which we and our affiliates would expect to receive compensation.

Our opinion expressed herein is provided for the information and assistance of the Board of Directors of the Company in connection with its consideration of the Merger and does not constitute a recommendation as to whether the Independent Directors or Board of Directors of the Company should recommend or proceed with the Merger, nor does it constitute a recommendation to any holder of Company Common Stock as to how such holder should vote or otherwise act with respect to the Merger or any other matter, including whether any such holder should elect to receive Cash Consideration and/or Stock Consideration in the Merger or make no election. This opinion has been approved by the Fairness Committee of Hentschel & Company, LLC.

Based upon and subject to the foregoing and such other matters as we consider relevant, we are of the opinion that, as of the date hereof, the Aggregate Merger Consideration to be received by the holders of Company Common Stock (other than Excluded Shares) in the Merger is fair, from a financial point of view, to such holders.

Very truly yours,

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Cole Corporate Income Trust, Inc.
Phoenix, Arizona

We have audited the accompanying consolidated balance sheets of Cole Corporate Income Trust, Inc. and subsidiaries (the "Company") as of December 31, 2013 and 2012, and the related consolidated statements of operations, comprehensive income (loss), stockholders' equity and cash flows for each of the three years in the period ended December 31, 2013. Our audits also included the financial statement schedule listed in the Index at Item 15. These financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the financial position of Cole Corporate Income Trust, Inc. and subsidiaries as of December 31, 2013 and 2012, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 2013, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, such financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly in all material respects the information set forth therein.

COLE CORPORATE INCOME TRUST, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 ORGANIZATION AND BUSINESS

Cole Corporate Income Trust, Inc. (the "Company") is a Maryland corporation that was formed on April 6, 2010, which has elected to be taxed, and currently qualifies, as a real estate investment trust ("REIT") for federal income tax purposes. The Company is the sole general partner of, and owns, directly or indirectly a 99.99% interest in, Cole Corporate Income Operating Partnership, LP, a Delaware limited partnership ("CCI OP"). The Company is externally managed by Cole Corporate Income Advisors, LLC ("CCI Advisors"), which was, prior to the ARCP Merger (as defined below), indirectly owned by Cole Real Estate Investments, Inc. ("Cole", formerly known as Cole Credit Property Trust III, Inc.) as a result of Cole acquiring Cole Holdings Corporation ("CHC") on April 5, 2013 pursuant to a transaction whereby CHC merged with and into CREInvestments, LLC ("CREI"), a wholly-owned subsidiary of Cole. CCI Advisors is the sole limited partner and owner of an insignificant noncontrolling partnership interest of less than 0.01% of CCI OP. On February 7, 2014, American Realty Capital Properties, Inc. ("ARCP") acquired Cole pursuant to a transaction whereby Cole merged with and into Clark Acquisition, LLC, a wholly owned subsidiary of ARCP ("Merger Sub"), with Merger Sub surviving as a wholly owned subsidiary of ARCP (the "ARCP Merger"). ARCP is a self-managed publicly traded Maryland corporation listed on The NASDAQ Global Select Market, focused on acquiring and owning single-tenant freestanding commercial properties subject to net leases with high credit quality tenants. As a result of the ARCP Merger, ARCP indirectly owns and/or controls the Company's external advisor, CCI Advisors, the Company's dealer manager, Cole Capital Corporation ("CCC"), the Company's property manager, CREI Advisors, LLC ("CREI Advisors"), and the Company's sponsor, Cole Capital, as discussed in Note 16.

The Company ceased offering shares of common stock in its \$2.975 billion initial public offering (the "Offering") on November 21, 2013. At the completion of the Offering, a total of approximately 192.4 million shares of common stock had been issued, including approximately 189.8 million shares issued in the primary portion of the Offering and approximately 2.6 million shares issued pursuant to a distribution reinvestment plan (the "DRIP").

In addition, the Company registered 10.0 million shares of common stock under the DRIP pursuant to a registration statement filed on Form S-3 (the "DRIP Offering" and collectively with the Offering, the "Offerings"), which was filed with the Securities and Exchange Commission (the "SEC") on September 26, 2013 and automatically became effective with the SEC upon filing. The Company will continue to issue shares of common stock under the DRIP Offering.

As of December 31, 2013, the Company had issued approximately 193.0 million shares of its common stock in the Offerings for gross proceeds of \$1.9 billion, before share redemptions of \$1.3 million and offering costs, selling commissions and dealer manager fees of \$194.4 million.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies presented below is designed to assist in understanding the Company's consolidated financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP"), in all material respects, and have been consistently applied in preparing the accompanying consolidated financial statements.

Appendix I-8

Table of Contents

Principles of Consolidation and Basis of Presentation

The consolidated financial statements include the accounts of the Company, its wholly-owned subsidiaries and a consolidated joint venture arrangement in which the Company has a controlling financial interest. All intercompany balances and transactions have been eliminated in consolidation.

The Company evaluates its relationships and investments to determine if it has variable interests. A variable interest is an investment or other interest that will absorb portions of an entity's expected losses or receive portions of the entity's expected residual returns. If the Company determines that it has a variable interest in an entity, it evaluates whether such interest is in a variable interest entity ("VIE"). A VIE is broadly defined as an entity where either (1) the equity investors as a group, if any, lack the power through voting or similar rights to direct the activities of an entity that most significantly impact the entity's economic performance or (2) the equity investment at risk is insufficient to finance that entity's activities without additional subordinated financial support. The Company consolidates any VIEs when it is determined to be the primary beneficiary of the VIE's operations.

A variable interest holder is considered to be the primary beneficiary of a VIE if it has the power to direct the activities of a VIE that most significantly impact the entity's economic performance and has the obligation to absorb losses of, or the right to receive benefits from, the entity that could potentially be significant to the VIE. The Company qualitatively assesses whether it is (or is not) the primary beneficiary of a VIE. Consideration of various factors include, but are not limited to, the Company's ability to direct the activities that most significantly impact the entity's economic performance, its form of ownership interest, its representation on the entity's governing body, the size and seniority of its investment, its ability and the rights of other investors to participate in policy making decisions and to replace the manager of and/or liquidate the entity. As of December 31, 2013 and 2012, the Company did not have any interests in a VIE.

The Company continually evaluates the need to consolidate its joint venture arrangement based on standards set forth in GAAP. In determining whether the Company has a controlling interest in a joint venture arrangement and the requirement to consolidate the accounts of that entity, management considers factors such as ownership interest, power to make decisions and contractual and substantive participating rights of the partners/members as well as whether the entity is a VIE for which the Company may be the primary beneficiary. As of December 31, 2013, the Company determined it had a controlling interest in its joint venture arrangement (the "Consolidated Joint Venture") and therefore met the GAAP requirements for consolidation. As of December 31, 2013, the Consolidated Joint Venture held real estate assets with an aggregate book value of \$73.2 million. There were no joint venture arrangements as of December 31, 2012.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment in and Valuation of Real Estate Assets

Real estate assets are stated at cost, less accumulated depreciation and amortization. Amounts capitalized to real estate assets consist of the cost of acquisition, excluding acquisition related expenses, construction and any tenant improvements, major improvements and betterments that extend the useful life of the real estate assets and leasing costs. All repairs and maintenance are expensed as incurred.

The Company is required to make subjective assessments as to the useful lives of its depreciable assets. The Company considers the period of future benefit of each respective asset to determine the

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

appropriate useful life of the assets. Real estate assets, other than land, are depreciated or amortized on a straight-line basis. The estimated useful lives of the Company's real estate assets by class are generally as follows:

Buildings	40 years
Tenant improvements	Lesser of useful life or lease term
Intangible lease assets	Lease term

The Company continually monitors events and changes in circumstances that could indicate that the carrying amounts of its real estate assets may not be recoverable. Impairment indicators that the Company considers include, but are not limited to, bankruptcy or other credit concerns of a property's major tenant, such as a history of late payments, rental concessions and other factors, a significant decrease in a property's revenues due to lease terminations, vacancies, co-tenancy clauses, reduced lease rates or other circumstances. When indicators of potential impairment are present, the Company assesses the recoverability of the assets by determining whether the carrying amount of the assets will be recovered through the undiscounted future cash flows expected from the use of the assets and their eventual disposition. In the event that such expected undiscounted future cash flows do not exceed the carrying amount, the Company will adjust the real estate assets to their respective fair values and recognize an impairment loss. Generally, fair value is determined using a discounted cash flow analysis and recent comparable sales transactions. No impairment indicators were identified and no impairment losses were recorded during the years ended December 31, 2013, 2012, or 2011.

When developing estimates of expected future cash flows, the Company makes certain assumptions regarding future market rental income amounts subsequent to the expiration of current lease agreements, property operating expenses, terminal capitalization and discount rates, the expected number of months it takes to re-lease the property, required tenant improvements and the number of years the property will be held for investment. The use of alternative assumptions in estimating expected future cash flows could result in a different determination of the property's expected future cash flows and a different conclusion regarding the existence of an impairment, the extent of such loss, if any, as well as the fair value of the real estate assets.

When a real estate asset is identified by the Company as held for sale, the Company will cease depreciation and amortization of the assets related to the property and estimate the fair value, net of selling costs. If, in management's opinion, the fair value, net of selling costs, of the asset is less than the carrying amount of the asset, an adjustment to the carrying amount would be recorded to reflect the estimated fair value of the property, net of selling costs. There were no assets identified as held for sale as of December 31, 2013, 2012 or 2011.

Allocation of Purchase Price of Real Estate Assets

Upon the acquisition of real properties, the Company allocates the purchase price to acquired tangible assets, consisting of land, buildings and improvements, and identified intangible assets and liabilities, consisting of the value of above market and below market leases and the value of in-place leases, based in each case on their respective fair values. Acquisition related expenses are expensed as incurred. The Company utilizes independent appraisals to assist in the determination of the fair values of the tangible assets of an acquired property (which includes land and building). The Company obtains an independent appraisal for each real property acquisition. The information in the appraisal, along with any additional information available to the Company's management, is used in estimating the amount of the purchase price that is allocated to land. Other information in the appraisal, such as building value and market rents, may be used by the Company's management in estimating the allocation of purchase price to the building and to intangible lease assets and liabilities. The appraisal firm has no involvement in management's allocation decisions other than providing this market information.

Table of Contents

The fair values of above market and below market lease intangibles are recorded based on the present value (using a discount rate which reflects the risks associated with the leases acquired) of the difference between (1) the contractual amounts to be paid pursuant to the in-place leases and (2) an estimate of fair market lease rates for the corresponding in-place leases, which is generally obtained from independent appraisals, measured over a period equal to the remaining non-cancelable term of the lease including any bargain renewal periods, with respect to a below market lease. The above market and below market lease intangibles are capitalized as intangible lease assets or liabilities, respectively. Above market leases are amortized as a reduction to rental income over the remaining terms of the respective leases. Below market leases are amortized as an increase to rental income over the remaining terms of the respective leases, including any bargain renewal periods. In considering whether or not the Company expects a tenant to execute a bargain renewal option, the Company evaluates economic factors and certain qualitative factors at the time of acquisition, such as the financial strength of the tenant, remaining lease term, the tenant mix of the leased property, the Company's relationship with the tenant and the availability of competing tenant space. If a lease were to be terminated prior to its stated expiration, all unamortized amounts of above market or below market lease intangibles relating to that lease would be recorded as an adjustment to rental income.

The fair values of in-place leases include estimates of direct costs associated with obtaining a new tenant and opportunity costs associated with lost rental and other property income, which are avoided by acquiring a property with an in-place lease. Direct costs associated with obtaining a new tenant include commissions and other direct costs and are estimated in part by utilizing information obtained from independent appraisals and management's consideration of current market costs to execute a similar lease. The intangible values of opportunity costs, which are calculated using the contractual amounts to be paid pursuant to the in-place leases over a market absorption period for a similar lease, are capitalized as intangible lease assets and are amortized to expense over the remaining term of the respective leases. If a lease were to be terminated prior to its stated expiration, all unamortized amounts of in-place lease assets relating to that lease would be expensed.

The Company has acquired, and may continue to acquire, certain properties subject to contingent consideration arrangements that may obligate the Company to pay additional consideration to the seller based on the outcome of future events. Additionally, the Company may acquire certain properties for which it funds certain contingent consideration amounts into an escrow account pending the outcome of certain future events (the "Escrow Receivables"). The outcome may result in the release of all or a portion of the escrow funds to the Company or the seller or a combination thereof. Contingent consideration arrangements are based on a predetermined formula and have set time periods regarding the obligation to make future payments, including funds released to the seller from escrow accounts, or the right to receive escrowed funds as set forth in the respective purchase and sale agreement. Contingent consideration arrangements, including amounts funded through an escrow account, are recorded upon acquisition of the respective property at their estimated fair value, and any changes to the estimated fair value, subsequent to acquisition, are reflected in the accompanying consolidated statements of operations. The determination of the amount of contingent consideration arrangements is based on the probability of several possible outcomes as identified by management. The respective amounts recorded are carried at fair value, with any changes in fair value included in net income.

The Company estimates the fair value of assumed mortgage notes payable based upon indications of current market pricing for similar types of debt financing with similar maturities. Assumed mortgage notes payable are initially recorded at their estimated fair value as of the assumption date, and any difference between such estimated fair value and the mortgage note's outstanding principal balance is amortized to interest expense over the term of the respective mortgage note payable.

The determination of the fair values of the real estate assets and liabilities acquired requires the use of significant assumptions with regard to the current market rental rates, rental growth rates, capitalization and discount rates, interest rates and other variables. The use of alternative estimates

Table of Contents

may result in a different allocation of the Company's purchase price, which could impact the Company's results of operations.

Noncontrolling Interest-Redeemable Interest in Consolidated Joint Venture

On December 19, 2013, the Company completed the formation of the Consolidated Joint Venture. Pursuant to the joint venture agreement, the joint venture partner has a right to exercise an option after two years whereby the Company will be required to purchase the ownership interest of the joint venture partner at a fair market value. The Company determined it had a controlling interest in the Consolidated Joint Venture and therefore met the GAAP requirements for consolidation. The Company initially recorded the noncontrolling interest at its acquisition-date fair value as temporary equity, due to the redemption option existing outside the control of the Company.

Cash and Cash Equivalents

The Company considers all highly liquid instruments with maturities when purchased of three months or less to be cash equivalents. The Company considers investments in highly liquid money market accounts to be cash equivalents.

Restricted Cash

Restricted cash included \$4.9 million and \$309,000 held in a lender cash management account as of December 31, 2013 and 2012, respectively. As part of a certain debt agreement, rent from certain of the Company's tenants is deposited directly into a lockbox account, from which the monthly debt service payment is disbursed to the lender and the excess funds are disbursed to the Company. In addition, the Company had escrowed investor proceeds for which shares of common stock had not been issued of \$48,000 in restricted cash as of December 31, 2012. There were no escrowed investor proceeds included in restricted cash as of December 31, 2013.

Rents and Tenant Receivables

Rents and tenant receivables primarily include amounts to be collected in future periods related to the recognition of rental income on a straight-line basis over the lease term and cost recoveries due from tenants. The Company makes estimates of the uncollectability of its accounts receivable related to base rents, expense reimbursements and other revenues. The Company analyzes accounts receivable and historical bad debt levels, customer creditworthiness and current economic trends when evaluating the adequacy of the allowance for doubtful accounts. In addition, tenants in bankruptcy, if any, are analyzed and estimates are made in connection with the expected recovery of pre-petition and post-petition claims. The Company records allowances for those balances that the Company deems to be uncollectible, including any amounts relating to straight-line rent receivables. The Company's reported net income is directly affected by management's estimate of the collectability of accounts receivable. As of December 31, 2013 and 2012, no balances were deemed uncollectible and no allowances were recorded.

Prepaid Expenses

Prepaid expenses include expenses paid as of the balance sheet date that relate to future periods and will be expensed or reclassified to another account during the period to which the costs relate. Any amounts with no future economic benefit are charged to earnings when identified.

Deferred Financing Costs

Deferred financing costs are capitalized and amortized on a straight-line basis over the term of the related financing agreement, which approximates the effective interest method. If a note payable is prepaid, any unamortized deferred financing costs related to the note payable would be expensed.

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

Amortization of deferred financing costs, including any write-offs, for the years ended December 31, 2013, 2012 and 2011 was \$1.7 million, \$124,000 and \$78,000, respectively, and was recorded in interest expense in the consolidated statements of operations.

Concentration of Credit Risk

As of December 31, 2013, the Company had cash on deposit, including restricted cash, at seven financial institutions in which the Company had deposits in excess of federally insured levels, totaling \$67.2 million; however, the Company has not experienced any losses in such accounts. The Company limits significant cash deposits to accounts held by financial institutions with high credit standing; therefore, the Company believes it is not exposed to any significant credit risk on its cash deposits.

No single-tenant accounted for greater than 10% of the Company's 2013 gross annualized rental revenues. The Company had certain geographic concentrations in its property holdings. As of December 31, 2013, the Company had properties located in two states with respective gross annualized rental revenues greater than 10% of the Company's 2013 total gross annualized rental revenues: Texas (24%) and New Jersey (11%). In addition, the Company had tenants in four industries with respective gross annualized rental revenues greater than 10% of the Company's 2013 total gross annualized rental revenues: manufacturing (15%), healthcare (15%), mining and natural resources (14%) and technology (11%).

Revenue Recognition

Certain properties have leases where minimum rental payments increase during the term of the lease. The Company records rental income for the full term of each lease on a straight-line basis. When the Company acquires a property, the terms of existing leases are considered to commence as of the acquisition date for the purpose of this calculation. The Company defers the recognition of contingent rental income, such as percentage rents, until the specific target that triggers the contingent rental income is achieved. Expected reimbursements from tenants for recoverable real estate taxes and operating expenses are included in tenant reimbursement income in the period when such costs are incurred.

Income Taxes

The Company elected to be taxed, and currently qualifies, as a REIT for federal income tax purposes under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended. The Company generally is not subject to federal corporate income tax to the extent it distributes its taxable income to its stockholders, and so long as it, among other things, distributes at least 90% of its annual taxable income (computed without regard to the dividends paid deduction and excluding net capital gains). REITs are subject to a number of other organizational and operational requirements. Even if the Company maintains its qualification for taxation as a REIT, it may be subject to certain state and local taxes on its income and property, and federal income and excise taxes on its undistributed income.

Offering and Related Costs

CCI Advisors funded all of the organization and offering costs on the Company's behalf (excluding selling commissions and the dealer manager fees) and was reimbursed for such costs up to 1.5% of the gross offering proceeds. As of December 31, 2013 and 2012, CCI Advisors had paid organization and offering costs in excess of the 1.5% in connection with the Offering. These excess costs were not included in the financial statements of the Company because such costs were not a liability of the Company as they exceeded 1.5% of gross proceeds from the Offering. When recorded by the Company, organization costs are expensed as incurred and offering costs, which include items such as legal and accounting fees, marketing and personnel, promotional and printing costs are recorded as a reduction

of capital in excess of par value, along with selling commissions and dealer manager fees in the period in which they become payable.

Interest

Interest is charged to interest expense as it accrues. No interest costs were capitalized during the years ended December 31, 2013, 2012 or 2011.

Due to Affiliates

Certain affiliates of CCI Advisors received fees, reimbursements and compensation in connection with services provided relating to the Offering and the acquisition, management, financing and leasing of the properties of the Company.

Derivative Instruments and Hedging Activities

The Company accounts for its derivative instruments at fair value. Accounting for changes in the fair value of a derivative instrument depends on the intended use of the derivative instrument and the designation of the derivative instrument. The change in fair value of the effective portion of the derivative instrument that is designated as a hedge is recorded as other comprehensive income (loss). The changes in fair value for derivative instruments that are not designated as a hedge or that do not meet the hedge accounting criteria are recorded as a gain or loss to operations.

Distributions Payable and Distribution Policy

In order to maintain its status as a REIT, the Company is required to, among other things, make distributions each taxable year equal to at least 90% of its taxable income (computed without regard to the dividends paid deduction and excluding net capital gains). To the extent funds are available, the Company intends to pay regular distributions to stockholders. Distributions are paid to stockholders of record as of the applicable record dates.

The Company's board of directors authorized a daily distribution, based on 365 days, of \$0.001780821 per share (which equates to approximately 6.50% on an annualized basis calculated at the current rate, assuming a \$10.00 per share purchase price) for stockholders of record as of the close of business on each day of the period commencing on January 1, 2013 and ending on December 31, 2013. As of December 31, 2013, the Company had distributions payable of \$10.7 million. The distributions were paid in January 2014, of which \$6.4 million were reinvested in shares through the DRIP Offering.

Earnings (Loss) Per Share

Earnings (loss) per share are calculated based on the weighted average number of common shares outstanding during each period presented. Diluted income (loss) per share considers the effect of any potentially dilutive share equivalents, of which the Company had none for each of the years ended December 31, 2013, 2012 or 2011.

Redeemable Common Stock

Under the Company's share redemption program, the Company's requirement to redeem shares of its outstanding common stock is limited, among other things, to the net proceeds received by the Company from the sale of shares under the DRIP, net of shares redeemed to date. The Company records amounts that are redeemable under the share redemption program as redeemable common stock outside of permanent equity in its consolidated balance sheets. Changes in the amount of redeemable common stock from period to period are recorded as an adjustment to capital in excess of par value.

ASU 2013-02 was effective for the Company beginning January 1, 2013, and the Company has presented the required information within the consolidated statements of comprehensive income (loss) and notes to the financial statements.

NOTE 3 FAIR VALUE MEASUREMENTS

GAAP defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. GAAP emphasizes that fair value is intended to be a market-based measurement, as opposed to a transaction-specific measurement.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Depending on the nature of the asset or liability, various techniques and assumptions can be used to estimate the fair value. Assets and liabilities are measured using inputs from three levels of the fair value hierarchy, as follows:

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date. An active market is defined as a market in which transactions for the assets or liabilities occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active (markets with few transactions), inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data correlation or other means (market corroborated inputs).

Level 3 Unobservable inputs, which are only used to the extent that observable inputs are not available, reflect the Company's assumptions about the pricing of an asset or liability.

The following describes the methods the Company uses to estimate the fair value of the Company's financial assets and liabilities:

Cash and cash equivalents and restricted cash The Company considers the carrying values of these financial assets to approximate fair value because of the short period of time between their origination and their expected realization.

Credit facility and notes payable The fair value is estimated by discounting the expected cash flows based on estimated borrowing rates available to the Company as of the measurement date. The estimated fair value of the Company's debt was \$741.4 million as of December 31, 2013, compared to the carrying value of \$752.6 million. The estimated fair value of the Company's debt was \$162.5 million as of December 31, 2012, which approximated the carrying value on such date. The fair value of the Company's debt is estimated using Level 2 inputs.

Table of Contents

Derivative instruments The Company's derivative instruments represent interest rate swaps. All derivative instruments are carried at fair value and are valued using Level 2 inputs. The fair value of these instruments is determined using interest rate market pricing models. The Company includes the impact of credit valuation adjustments on derivative instruments measured at fair value.

Contingent consideration arrangements The contingent consideration arrangements are carried at fair value and are valued using Level 3 inputs. The fair value of the Escrow Receivables is determined based on the probability of several possible outcomes, which are contingent on the future outcome of various property tax appeals related to certain property acquisitions. During the year ended December 31, 2013, the Company recorded additional income of \$300,000 and expense of \$537,000 as a result of the settlement of the contingent considerations, for a net settlement amount of \$1.4 million. As a result, the Company had no contingent consideration arrangements as of December 31, 2013. As of December 31, 2012, the estimated fair value of these arrangements was \$1.6 million and was included in the accompanying consolidated balance sheets in derivative asset, property escrow deposits, prepaid expenses and other assets as the Company expected such amounts to be refunded.

Considerable judgment is necessary to develop estimated fair values of financial assets and liabilities. Accordingly, the estimates presented herein are not necessarily indicative of the amounts the Company could realize, or be liable for, on disposition of the financial assets and liabilities. As of December 31, 2013 and 2012, there have been no transfers of financial assets or liabilities between fair value hierarchy levels.

In accordance with the fair value hierarchy described above, the following tables show the fair value of the Company's financial liabilities that are required to be measured at fair value on a recurring basis as of December 31, 2013 and 2012 (in thousands):

The following table summarizes the terms of the Company's executed swap agreements designated as hedging instruments as of December 31, 2013 (in thousands). The Company did not have any executed swap agreements as of December 31, 2012.

Additional disclosures related to the fair value of the Company's derivative instruments are included in Note 3 to these consolidated financial statements. The notional amount under the interest rate swap agreements is an indication of the extent of the Company's involvement in each instrument, but does not represent exposure to credit, interest rate or market risks.

Accounting for changes in the fair value of a derivative instrument depends on the intended use and designation of the derivative instrument. The Company designated the interest rate swaps as cash flow hedges, to hedge the variability of the anticipated cash flows on its variable rate debt. The change in fair value of the effective portion of the derivative instruments that are designated as hedges are recorded in other comprehensive income (loss). Any ineffective portion of the change in fair value of the derivative instruments is recorded in interest expense.

The following table summarizes the unrealized gain on the Company's derivative instruments and hedging activities for the year ended December 31, 2013 (in thousands). The Company did not own any derivative instruments for the years ended December 31, 2012 or 2011.

(1) There were no portions of the change in the fair value of the interest rate swap agreements that were considered ineffective during the year ended December 31, 2013. The Company has agreements with each of its derivative counterparties that contain provisions whereby if the Company defaults on certain of its unsecured indebtedness, then the Company could also be declared in default on its derivative obligations resulting in an acceleration of payment. In addition, the Company is exposed to credit risk in the event of non-performance by its derivative counterparties. The Company believes it mitigates its credit risk by entering into agreements with creditworthy counterparties. The Company records credit risk valuation adjustments on its interest rate swaps based on the respective credit quality of the Company and the counterparty. During the year ended December 31, 2013, there were no termination events or events of default related to the interest rate swaps.

Represents fair value adjustment of an assumed mortgage note payable, net of amortization.

As of December 31, 2013, the fixed rate debt included \$41.0 million of variable rate debt subject to an interest rate swap agreement, which had the effect of fixing the variable interest rate per annum through the maturity date of the variable rate debt. In addition, the fixed rate debt included a mortgage note assumed with a face amount of \$12.0 million and a fair value of \$11.9 million at the date of assumption. The fixed rate debt has interest rates ranging from 3.55% to 4.85% per annum. The variable rate debt has a variable interest rate of LIBOR plus 140 basis points per annum. The debt outstanding matures on various dates from July 2016 through June 2023. The aggregate balance of gross real estate and related assets, net of gross intangible lease liabilities, securing the fixed and variable rate debt outstanding was \$555.4 million. Each of the mortgage notes payable comprising the fixed rate debt is secured by the respective properties on which the debt was placed. Certain notes payable contain covenants, representations, warranties and borrowing conditions for similar credit arrangements. These notes also include usual and customary events of default and remedies for agreements of this nature. Based on the Company's analysis and review of its results of operations and financial condition, the Company believes it was in compliance with the covenants of such notes payable as of December 31, 2013.

As of December 31, 2013, the Company had \$445.0 million available under the Credit Facility based on the underlying collateral pool of \$900.0 million. The maturity on the Revolving Loans may be extended to October 25, 2018 subject to satisfying certain conditions as outlined in the Credit Agreement. Depending upon the type of loan specified and overall leverage ratio, ranging from less than 45% to greater than 60%, the Revolving Loans bear interest at one-month, two-month, three-month or six-month LIBOR (the "Eurodollar Rate") plus an interest rate spread ranging from 1.60% to 2.40% (the "Spread") or a base rate, ranging from 0.60% to 1.40%, plus the greater of (a) Bank of America's Prime Rate; (b) the Federal Funds Effective Rate (as defined in the Credit Agreement) plus 0.50%; or one-month Eurodollar Rate plus 1.00%. The Credit Agreement also includes an interest rate pricing structure should the Company obtain an investment grade rating. As of December 31, 2013, the weighted average interest rate in effect for the Revolving Loans was 1.76%. In connection with the Credit Agreement, the Company executed an interest rate swap agreement that effectively fixed the variable interest rate of the Term Loan at 3.03% based on the applicable margin at the current leverage ratio.

The Credit Agreement contains provisions with respect to covenants, events of default and remedies customary for facilities of this nature and borrowing conditions. The Company believes it was in compliance with the covenants under the Credit Agreement as of December 31, 2013.

Concurrently with entry into the Credit Agreement, the secured revolving credit facility, as amended (the "Secured Credit Facility"), was terminated and no amounts were outstanding under the Secured Credit Facility as of December 31, 2013.

\$4 billion; and (3) an annualized rate of 0.65% will be paid on the Company's average invested assets that are over \$4 billion.

The Company reimburses CCI Advisors for the expenses it paid or incurred in connection with the services provided to the Company, subject to the limitation that the Company will not reimburse for any amount by which its operating expenses (including the advisory fee) at the end of the four preceding fiscal quarters exceeds the greater of (1) 2% of average invested assets, or (2) 25% of net income other than any additions to reserves for depreciation, bad debts or other similar non-cash reserves and excluding any gain from the sale of assets for that period. The Company will not reimburse CCI Advisors for personnel costs in connection with services for which CCI Advisors receives acquisition fees or disposition fees. The Company recorded fees and expense reimbursements as shown in the table below for services provided by CCI Advisors and its affiliates related to the services described above during the periods indicated (in thousands):

	Year Ended December 31,		
	2013	2012	2011
Acquisition and Operations:			
Acquisition fees and expenses	\$ 41,919	\$ 5,241	\$ 657
Advisory fees and expenses	\$ 8,046	\$	\$
Operating expenses	\$ 2,192	\$	\$

As of December 31, 2013, \$49.8 million of the amounts shown above had been paid to CCI Advisors and its affiliates and \$2.3 million had been incurred, but not yet paid, for services provided by CCI Advisors or its affiliates in connection with the acquisition and operations stage and is a liability to the Company. During the years ended December 31, 2012 and 2011, CCI Advisors agreed to waive its rights to advisory fees and expense reimbursements; therefore, the Company did not incur any such fees or expense reimbursements during these years.

Liquidation/Listing

If CCI Advisors, or its affiliates, provide a substantial amount of services (as determined by a majority of the Company's independent directors) in connection with the sale of properties, the Company will pay CCI Advisors or its affiliates a disposition fee in an amount equal to up to one-half of the brokerage commission paid on the sale of the property, not to exceed 1% of the contract price of each property sold; provided, however, in no event may the disposition fee paid to CCI Advisors or its affiliates, when added to the real estate commissions paid to unaffiliated third parties, exceed the lesser of the customary competitive real estate commission or an amount equal to 6% of the contract sales price.

If the Company is sold or its assets are liquidated, CCI Advisors will be entitled to receive a subordinated performance fee equal to 15% of the net sale proceeds remaining after investors have received a return of their net capital invested and an 8% annual cumulative, non-compounded return. Alternatively, if the Company's shares are listed on a national securities exchange, CCI Advisors will be entitled to a subordinated performance fee equal to 15% of the amount by which the market value of the Company's outstanding stock plus all distributions paid by the Company prior to listing, exceeds the sum of the total amount of capital raised from investors and the amount of distributions necessary to generate an 8% annual cumulative, non-compounded return to investors. As an additional alternative, upon termination of the advisory agreement, CCI Advisors may be entitled to a subordinated performance fee similar to that to which CCI Advisors would have been entitled had the portfolio been liquidated (based on an independent appraised value of the portfolio) on the date of termination.

During each of the years ended December 31, 2013 and 2012, no commissions or fees were incurred for any such services provided by CCI Advisors and its affiliates in connection with the liquidation/listing stage.

Due to Affiliates

As of December 31, 2013 and 2012, \$2.3 million and \$108,000, respectively, had been incurred primarily for offering, advisory, operating and acquisition related expenses by CCI Advisors or its affiliates, but had not yet been reimbursed by the Company and were included in due to affiliates in the consolidated balance sheets.

NOTE 11 ECONOMIC DEPENDENCY

Under various agreements, the Company has engaged or will engage CCI Advisors and its affiliates to provide certain services that are essential to the Company, including asset management services, supervision of the management and leasing of properties owned by the Company, asset acquisition and disposition decisions, the sale of shares of the Company's common stock available for issuance, as well as other administrative responsibilities for the Company including accounting services and investor relations. As a result of these relationships, the Company is dependent upon CCI Advisors and its affiliates. In the event that these companies are unable to provide the Company with these services, the Company would be required to find alternative providers of these services.

NOTE 12 STOCKHOLDERS' EQUITY

As of December 31, 2013, the Company registered 10.0 million shares of common stock pursuant to the DRIP Offering. All shares of such stock have a par value of \$0.01 per share. The par value of investor proceeds raised from the DRIP Offering is classified as common stock, with the remainder allocated to capital in excess of par value.

As of December 31, 2013 and 2012, the Company was authorized to issue 490.0 million shares of common stock and 10.0 million shares of preferred stock. All shares of such stock have a par value of \$0.01 per share. On April 6, 2010, the Company sold 20,000 shares of common stock, at \$10.00 per share, to CHC. On April 5, 2013, the ownership of such shares was transferred to CREI. On February 7, 2014, the ownership of such shares was transferred to ARC Properties Operating Partnership, L.P. ("ARCP OP"). Pursuant to the Company's charter, ARCP OP is prohibited from selling the 20,000 shares of the common stock that represents the initial investment in the Company for so long as Cole Capital remains the Company's sponsor; provided, however, that ARCP OP may transfer ownership of all or a portion of these 20,000 shares of the Company's common stock to other affiliates of the Company's sponsor. See Note 16 for a further explanation of the ARCP Merger. The Company ceased offering shares of its common stock in the Offering on November 21, 2013 and registered 10.0 million shares of common stock under the DRIP Offering.

Distribution Reinvestment Plan

Pursuant to the DRIP Offering, the Company allows stockholders to elect to have their distributions reinvested in additional shares of the Company's common stock. The purchase price per share under the DRIP Offering is \$9.50 per share until the Company's board of directors determines a reasonable estimate of the value of the Company's shares. Thereafter, the purchase price per share under the DRIP Offering will be the most recently disclosed per share value as determined in accordance with the Company's valuation policy. No sales commissions or dealer manager fees will be paid on shares sold under the DRIP Offering. The Company's board of directors may terminate or amend the DRIP Offering at the Company's discretion at any time upon ten days prior written notice to the stockholders. During the years ended December 31, 2013, 2012, and 2011, approximately 3.0 million, 208,000 and 14,000 shares were purchased under the DRIP portion of the Offering and the DRIP Offering for \$28.9 million, \$2.0 million and \$132,000, respectively.

Share Redemption Program

The Company's share redemption program permits its stockholders to sell their shares back to the Company after they have held them for at least one year, subject to the significant conditions and limitations described below.

The share redemption program provides that the Company will redeem shares of its common stock from requesting stockholders, subject to the terms and conditions of the share redemption program. The Company will limit the number of shares redeemed pursuant to the share redemption program as follows: (1) the Company will not redeem in excess of 5% of the weighted average number of shares outstanding during the trailing 12 months prior to the end of the fiscal quarter for which the redemptions are being paid; and (2) funding for the redemption of shares will be limited to the net proceeds the Company receives from the sale of shares under the DRIP. In an effort to accommodate redemption requests throughout the calendar year, the Company intends to limit quarterly redemptions to approximately one-fourth of 5% (1.25%) of the weighted average number of shares outstanding during the trailing 12-month period ending on the last day of the fiscal quarter, and funding for redemptions for each quarter generally will be limited to the net proceeds the Company receives from the sale of shares in the respective quarter under the DRIP.

Until such time as the Company's shares are listed on a national securities exchange or, if the shares are not listed, until such time as the board of directors determines a reasonable estimate of the value of the Company's shares, the redemption price per share (other than for shares purchased pursuant to the DRIP) will depend on the price paid for the shares and the length of time the stockholder has held such shares as follows: after one year from the purchase date, 95% of the amount paid for each share; after two years from the purchase date, 97.5% of the amount paid for each share; and after three years from the purchase date, 100% of the amount paid for each share. During this time period, the redemption price for shares purchased pursuant to the DRIP will be the amount paid for such shares. (In each case, the redemption price will be adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to the Company's common stock). Accordingly, the redemption price will reflect a stockholder's reduced purchase price if such stockholder received discounted or waived selling commissions and/or a waived dealer manager fee. At any time the Company is engaged in an offering of shares, the per share price for shares purchased under the redemption program will always be equal to or lower than the applicable per share offering price.

Upon receipt of a request for redemption, the Company may conduct a Uniform Commercial Code search to ensure that no liens are held against the shares. If the Company cannot purchase all shares presented for redemption in any fiscal quarter, based upon insufficient cash available and/or the limit on the number of shares the Company may redeem during any quarter or year, the Company will give priority to the redemption of deceased stockholders' shares. The Company next will give priority to requests for full redemption of accounts with a balance of 250 shares or less at the time the Company receives the request, in order to reduce the expense of maintaining small accounts. Thereafter, the Company will honor the remaining redemption requests on a pro rata basis. Following such quarterly redemption period, the unsatisfied portion of the prior redemption request must be resubmitted, prior to the last day of the new quarter. Unfulfilled requests for redemption will not be carried over automatically to subsequent redemption periods.

The Company redeems shares no later than the end of the month following the end of each fiscal quarter. Requests for redemption must be received on or prior to the end of the fiscal quarter in order for the Company to repurchase the shares in the month following the end of that fiscal quarter. The Company's board of directors may amend, suspend or terminate the share redemption program at any time upon 30 days' notice to the stockholders. During the years ended December 31, 2013 and 2012 the Company redeemed approximately 136,000 and 750 shares, respectively, under the share redemption

program for \$1.3 million and \$7,500, respectively. No shares were redeemed during the year ended December 31, 2011.

NOTE 13 INCOME TAXES

For federal income tax purposes, distributions to stockholders are characterized as ordinary dividends, capital gain distributions, or nontaxable distributions. Nontaxable distributions will reduce U.S. stockholders' basis (but not below zero) in their shares. The following table shows the character of the distributions paid on a percentage basis for the years ended December 31, 2013, 2012, and 2011:

	Year Ended December 31,		
	2013	2012	2011
Character of Distributions (Unaudited):			
Ordinary dividends	43%	44%	4%
Nontaxable distributions	57%	56%	96%
Total	100%	100%	100%

As of December 31, 2013, the tax basis carrying value of the Company's land and depreciable real estate assets was \$2.3 billion. During the years ended December 31, 2013, 2012 and 2011, the Company distributed as dividends to its shareholders 100% of its taxable income for federal income tax purposes. Accordingly, no provision for federal income taxes related to such taxable income was recorded on the Company's financial statements. During the years ended December 31, 2013, 2012 and 2011, the Company incurred state and local income and franchise taxes of \$577,000, \$103,000 and \$13,000, respectively, which were recorded in general and administrative expenses in the consolidated statements of operations.

The Company had no unrecognized tax benefits as of or during the years ended December 31, 2013 and 2012. Any interest and penalties related to unrecognized tax benefits would be recognized within the provision for income taxes in the accompanying consolidated statements of operations. The Company files income tax returns in the U.S. federal jurisdiction, as well as various state jurisdictions, and is subject to routine examinations by the respective tax authorities.

NOTE 14 OPERATING LEASES

The Company's real estate properties are leased to tenants under operating leases for which the terms and expirations vary. As of December 31, 2013, the leases had a weighted-average remaining term of 12.2 years. The leases may have provisions to extend the lease agreements, options for early termination after paying a specified penalty, rights of first refusal to purchase the property at competitive market rates, and other terms and conditions as negotiated. The Company retains substantially all of the risks and benefits of ownership of the real estate assets leased to tenants. The future minimum rental income from the Company's investment in real estate assets under non-cancelable operating leases, assuming no exercise of renewal options, as of December 31, 2013 is as follows (in thousands):

COLE CORPORATE INCOME TRUST, INC.

NOTES TO CONDENSED CONSOLIDATED UNAUDITED FINANCIAL STATEMENTS

September 30, 2014

NOTE 1 ORGANIZATION AND BUSINESS

Cole Corporate Income Trust, Inc. (the "Company") is a Maryland corporation that was formed on April 6, 2010, which has elected to be taxed, and currently qualifies, as a real estate investment trust ("REIT") for federal income tax purposes. The Company is the sole general partner of and owns, directly or indirectly, 100% of the partnership interests in Cole Corporate Income Operating Partnership, LP, a Delaware limited partnership. The Company is externally managed by Cole Corporate Income Advisors, LLC, a Delaware limited liability company ("CCI Advisors"), an affiliate of the Company's sponsor, Cole Capital®, which is a trade name used to refer to a group of affiliated entities directly or indirectly controlled by American Realty Capital Properties, Inc. ("ARCP"), a self-managed publicly traded REIT, organized as a Maryland corporation and listed on The NASDAQ Global Select Market. On February 7, 2014, ARCP acquired Cole Real Estate Investments, Inc. ("Cole"), which, prior to its acquisition, indirectly owned and/or controlled the Company's external advisor, CCI Advisors, the Company's dealer manager, Cole Capital Corporation ("CCC"), the Company's property manager, CREI Advisors, LLC ("CREI Advisors"), and the Company's sponsor, Cole Capital. As a result of ARCP's acquisition of Cole, ARCP indirectly owns and/or controls CCI Advisors, CCC, CREI Advisors and Cole Capital.

As of September 30, 2014, the Company owned 87 properties, including a property owned through a consolidated joint venture arrangement, comprising 18.3 million rentable square feet of income-producing necessity corporate office and industrial properties located in 30 states. As of September 30, 2014, the rentable space at these properties was 100% leased.

The Company ceased offering shares of common stock in its \$2.975 billion initial public offering (the "Offering") on November 21, 2013. At the completion of the Offering, a total of approximately 192.4 million shares of common stock had been issued, including approximately 189.8 million shares issued in the primary portion of the Offering and approximately 2.6 million shares issued pursuant to a distribution reinvestment plan (the "DRIP").

In addition, the Company registered 10.0 million shares of common stock under the DRIP pursuant to a registration statement filed on Form S-3 (Registration No. 333-191400) (the "DRIP Offering" and collectively with the Offering, the "Offerings"), which was filed with the U.S. Securities and Exchange Commission (the "SEC") on September 26, 2013 and automatically became effective with the SEC upon filing.

On August 20, 2014, the Board of Directors of the Company (the "Board"), including all of the Company's independent directors, resolved to suspend the Company's DRIP and the Company's share redemption program (the "SRP"). Beginning with the distributions previously authorized by the Board for the month of July 2014, which were paid in August 2014, and continuing until such time as the Board may approve the resumption of the DRIP, if ever, all distributions authorized by the Board will be paid to the Company's stockholders in cash. As a result of the suspension of the share redemption program, all redemption requests received from stockholders during the second quarter of 2014 and determined by the Company to be in good order on or before September 30, 2014 were honored in accordance with the terms, conditions and limitations of the share redemption program. The Company did not process or accept any requests for redemption that were not in good order on or before that date.

Appendix I-39

Table of Contents

On August 30, 2014, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Select Income REIT, a Maryland real estate investment trust ("SIR") and SC Merger Sub LLC, a Maryland limited liability company and wholly-owned subsidiary of SIR ("Merger Sub"). The Merger Agreement provides that, subject to the satisfaction or waiver of certain conditions, the Company will be merged with and into Merger Sub (the "Merger"), with Merger Sub surviving as a wholly-owned subsidiary of SIR and the separate corporate existence of the Company will cease. Refer to Note 2 to these condensed consolidated unaudited financial statements for further discussion regarding the Merger.

Effective September 5, 2014, Brian S. Block was appointed executive vice president, chief financial officer and treasurer of the Company by the Company's board of directors. Mr. Block replaced D. Kirk McAllaster, Jr., who gave notice of his retirement from Cole Capital on August 29, 2014, including from his positions with the Company. Subsequent to September 30, 2014, Mr. Block resigned as the Company's executive vice president, chief financial officer and treasurer. Refer to Note 11 to these condensed consolidated unaudited financial statements for further discussion regarding executive appointments and resignations.

As of September 30, 2014, the Company had issued approximately 198.4 million shares of its common stock in the Offerings for gross offering proceeds of \$2.0 billion, before share redemptions of \$5.8 million and offering costs, selling commissions and dealer manager fees of \$194.4 million.

NOTE 2 MERGER AGREEMENT

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger (the "Effective Time"), each outstanding share of common stock, par value \$0.01, of the Company ("Company Common Stock") will be converted into the right to receive either: (i) \$10.50 per share in cash (the "Cash Consideration"); or (ii) 0.360 of a common share of beneficial interest, par value \$0.01, of SIR ("SIR Common Shares") (the "Share Consideration" and together with the Cash Consideration, the "Merger Consideration"). Each holder of Company Common Stock may elect to receive Cash Consideration or Share Consideration. Each share of Company Common Stock without an election for Cash Consideration or Share Consideration shall receive Share Consideration. The maximum aggregate number of shares of Company Common Stock that may be converted into the right to receive Cash Consideration is 60% of the shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (the "Maximum Cash Consideration Number"). The minimum aggregate number of the shares of Company Common Stock that may be converted into the right to receive Cash Consideration is 40% of the shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (the "Minimum Cash Consideration Number"). If Cash Consideration exceeds the Maximum Cash Consideration Number or falls below the Minimum Cash Consideration Number, the Cash Consideration and Share Consideration shall be allocated in accordance with certain proration and allocation procedures set forth in the Merger Agreement such that the final allocation of the Merger Consideration does not respectively cause the Cash Consideration allocation to exceed the Maximum Cash Consideration Number or fall below the Minimum Cash Consideration Number.

The Company and SIR agreed to certain customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants by each party to conduct its business in all material respects in the ordinary course of business consistent with past practice, subject to certain exceptions, during the period between the execution of the Merger Agreement and the consummation of the Merger.

The consummation of the Merger is subject to certain customary conditions, including, among others, the approval of the Merger by a majority of the outstanding shares of Company Common Stock and the approval of the issuance of SIR Common Shares in connection with the Merger by a majority

Table of Contents

of the SIR Common Shares cast on such proposal, the absence of certain legal impediments to the consummation of the Merger, the effectiveness of a Registration Statement on Form S-4 (the "Registration Statement") filed by SIR in connection with the Merger, the receipt of certain third party consents, the absence of a material adverse effect on either the Company or SIR and compliance by the Company and SIR with their respective obligations under the Merger Agreement. The obligations of the parties to consummate the Merger are not subject to any financing condition or the receipt of any financing by SIR. The Merger currently is expected to close during the first quarter of 2015.

The Merger Agreement may be terminated under certain circumstances by the Company, including prior to the approval of the Merger Agreement by the Company's stockholders, in the event that the Company receives a Competing Proposal that the Company concludes, after following certain procedures and adhering to certain restrictions set forth in the Merger Agreement, is a Superior Proposal (as defined in the Merger Agreement), so long as the Superior Proposal was not the result of a breach by the Company in any material respect of the non-solicitation provisions of the Merger Agreement (such circumstance would require the Company to make the Parent Termination Payment of \$75 million (as defined in the Merger Agreement) in order to terminate the Merger Agreement). In addition, SIR may terminate the Merger Agreement under certain circumstances and subject to certain restrictions, including if the Board has made a Company Adverse Recommendation Change (as defined in the Merger Agreement). In addition to a termination by the Company in the event of the receipt of a Superior Proposal, upon a termination of the Merger Agreement in the event of certain other breaches or the consummation of a transaction resulting from a Competing Proposal within 12 months of a permissible termination of the Merger Agreement, the Company will be required to pay the Parent Termination Payment to SIR. If the Merger Agreement is terminated by the Company for SIR's failure to obtain the approval of SIR's shareholders, SIR will be required to pay the expenses of the Company in an aggregate amount not to exceed \$20 million. If the Merger Agreement is terminated by SIR for the Company's failure to obtain the approval of the Company's stockholders, the Company will be required to pay the expenses of SIR in an aggregate amount not to exceed \$20 million. In no event shall the Company be required to pay SIR the sum of the Parent Termination Payment and the \$20 million expense reimbursement, and any payment of the expense reimbursement shall be credited against any subsequent payment of the Parent Termination Payment.

As of September 30, 2014, the Company had incurred \$4.0 million for legal, consulting and other expenses related to the Merger, which were included in acquisition and merger-related expenses in the condensed consolidated unaudited statements of operations.

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation and Basis of Presentation

The condensed consolidated unaudited financial statements of the Company have been prepared in accordance with the rules and regulations of the SEC regarding interim financial reporting, including the instructions to Form 10-Q and Article 10 of Regulation S-X, and do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America ("GAAP") for complete financial statements. In the opinion of management, the statements for the interim periods presented include all adjustments, which are of a normal and recurring nature, necessary for a fair presentation of the results for such periods. Results for these interim periods are not necessarily indicative of full year results. The information included in this joint proxy statement/prospectus should be read in conjunction with the Company's audited consolidated financial statements as of and for the year ended December 31, 2013, and related notes thereto set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2013. The condensed consolidated unaudited financial statements should also be read in conjunction with Management's Discussion and Analysis of Financial Condition and Results of Operations contained in this joint proxy statement/prospectus.

Table of Contents

The condensed consolidated unaudited financial statements include the accounts of the Company, its wholly-owned subsidiaries and a consolidated joint venture arrangement in which the Company has a controlling financial interest. All intercompany balances and transactions have been eliminated in such consolidation.

The Company evaluates its relationships and investments to determine if it has variable interests. A variable interest is an investment or other interest that will absorb portions of an entity's expected losses or receive portions of the entity's expected residual returns. If the Company determines that it has a variable interest in an entity, it evaluates whether such interest is in a variable interest entity ("VIE"). A VIE is broadly defined as an entity where either (1) the equity investors as a group, if any, lack the power through voting or similar rights to direct the activities of an entity that most significantly impact the entity's economic performance or (2) the equity investment at risk is insufficient to finance that entity's activities without additional subordinated financial support. The Company consolidates any VIEs when it is determined to be the primary beneficiary of the VIE's operations.

A variable interest holder is considered to be the primary beneficiary of a VIE if it has the power to direct the activities of a VIE that most significantly impact the entity's economic performance and has the obligation to absorb losses of, or the right to receive benefits from, the entity that could potentially be significant to the VIE. The Company qualitatively assesses whether it is (or is not) the primary beneficiary of a VIE. Consideration of various factors include, but are not limited to, the Company's ability to direct the activities that most significantly impact the entity's economic performance, its form of ownership interest, its representation on the entity's governing body, the size and seniority of its investment, its ability and the rights of other investors to participate in policy making decisions and to replace the manager of and/or liquidate the entity. As of September 30, 2014 and December 31, 2013, the Company did not have any interests in a VIE.

The Company continually evaluates the need to consolidate its joint venture arrangement based on standards set forth in GAAP. In determining whether the Company has a controlling interest in a joint venture arrangement and the requirement to consolidate the accounts of that entity, management considers factors such as ownership interest, power to make decisions and contractual and substantive participating rights of the partners/members as well as whether the entity is a VIE for which the Company may be the primary beneficiary. The Company determined it had a controlling interest in its joint venture arrangement (the "Consolidated Joint Venture") and therefore met the GAAP requirements for consolidation as of September 30, 2014 and December 31, 2013. As of September 30, 2014 and December 31, 2013, the Consolidated Joint Venture held real estate assets with an aggregate book value of \$71.1 million and \$73.2 million, respectively.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment in and Valuation of Real Estate Assets

Real estate assets are stated at cost, less accumulated depreciation and amortization. Amounts capitalized to real estate assets consist of the cost of acquisition, excluding acquisition-related expenses, construction and any tenant improvements, major improvements and betterments that extend the useful life of the real estate assets and leasing costs. All repairs and maintenance are expensed as incurred.

The Company is required to make subjective assessments as to the useful lives of its depreciable assets. The Company considers the period of future benefit of each respective asset to determine the

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

appropriate useful life of the assets. Real estate assets, other than land, are depreciated or amortized on a straight-line basis. The estimated useful lives of the Company's real estate assets by class are generally as follows:

Buildings	40 years
Tenant improvements	Lesser of useful life or lease term
Intangible lease assets	Lease term

The Company continually monitors events and changes in circumstances that could indicate that the carrying amounts of its real estate assets may not be recoverable. Impairment indicators that the Company considers include, but are not limited to, bankruptcy or other credit concerns of a property's major tenant, such as a history of late payments, rental concessions and other factors, a significant decrease in a property's revenues due to lease terminations, vacancies, co-tenancy clauses, reduced lease rates or other circumstances. When indicators of potential impairment are present, the Company assesses the recoverability of the assets by determining whether the carrying amount of the assets will be recovered through the undiscounted future cash flows expected from the use of the assets and their eventual disposition. In the event that such expected undiscounted future cash flows do not exceed the carrying amount, the Company will adjust the real estate assets to their respective fair values and recognize an impairment loss. Generally, fair value is determined using a discounted cash flow analysis and recent comparable sales transactions. No impairment indicators were identified and no impairment losses were recorded during the nine months ended September 30, 2014 or 2013.

When developing estimates of expected future cash flows, the Company makes certain assumptions regarding future market rental income amounts subsequent to the expiration of current lease agreements, property operating expenses, terminal capitalization and discount rates, the expected number of months it takes to re-lease the property, required tenant improvements and the number of years the property will be held for investment. The use of alternative assumptions in estimating expected future cash flows could result in a different determination of the property's expected future cash flows and a different conclusion regarding the existence of an impairment, the extent of such loss, if any, as well as the fair value of the real estate assets.

When a real estate asset is identified by the Company as held for sale, the Company will cease depreciation and amortization of the assets related to the property and estimate the fair value, net of selling costs. If, in management's opinion, the fair value, net of selling costs, of the asset is less than the carrying amount of the asset, an adjustment to the carrying amount would be recorded to reflect the estimated fair value of the property, net of selling costs. There were no assets identified as held for sale as of September 30, 2014 or December 31, 2013.

Allocation of Purchase Price of Real Estate Assets

Upon the acquisition of real properties, the Company allocates the purchase price to acquired tangible assets, consisting of land, buildings and improvements, and identified intangible assets and liabilities, consisting of the value of above market and below market leases and the value of in-place leases, based in each case on their respective fair values. Acquisition-related expenses are expensed as incurred. The Company utilizes independent appraisals to assist in the determination of the fair values of the tangible assets of an acquired property (which includes land and building). The Company obtains an independent appraisal for each real property acquisition. The information in the appraisal, along with any additional information available to the Company's management, is used in estimating the amount of the purchase price that is allocated to land. Other information in the appraisal, such as building value and market rents, may be used by the Company's management in estimating the allocation of purchase price to the building and to intangible lease assets and liabilities. The appraisal firm has no involvement in management's allocation decisions other than providing this market information.

Table of Contents

The fair values of above market and below market lease intangibles are recorded based on the present value (using a discount rate which reflects the risks associated with the leases acquired) of the difference between (1) the contractual amounts to be paid pursuant to the in-place leases and (2) an estimate of fair market lease rates for the corresponding in-place leases, which is generally obtained from independent appraisals, measured over a period equal to the remaining non-cancelable term of the lease including any bargain renewal periods, with respect to a below market lease. The above market and below market lease intangibles are capitalized as intangible lease assets or liabilities, respectively. Above market leases are amortized as a reduction to rental income over the remaining terms of the respective leases. Below market leases are amortized as an increase to rental income over the remaining terms of the respective leases, including any bargain renewal periods. In considering whether or not the Company expects a tenant to execute a bargain renewal option, the Company evaluates economic factors and certain qualitative factors at the time of acquisition, such as the financial strength of the tenant, remaining lease term, the tenant mix of the leased property, the Company's relationship with the tenant and the availability of competing tenant space. If a lease were to be terminated prior to its stated expiration, all unamortized amounts of above market or below market lease intangibles relating to that lease would be recorded as an adjustment to rental income.

The fair values of in-place leases include estimates of direct costs associated with obtaining a new tenant and opportunity costs associated with lost rental and other property income, which are avoided by acquiring a property with an in-place lease. Direct costs associated with obtaining a new tenant include commissions and other direct costs and are estimated in part by utilizing information obtained from independent appraisals and management's consideration of current market costs to execute a similar lease. The intangible values of opportunity costs, which are calculated using the contractual amounts to be paid pursuant to the in-place leases over a market absorption period for a similar lease, are capitalized as intangible lease assets and are amortized to expense over the remaining term of the respective leases. If a lease were to be terminated prior to its stated expiration, all unamortized amounts of in-place lease assets relating to that lease would be expensed.

The Company has acquired, and may continue to acquire, certain properties subject to contingent consideration arrangements that may obligate the Company to pay additional consideration to the seller based on the outcome of future events. Additionally, the Company may acquire certain properties for which it funds certain contingent consideration amounts into an escrow account pending the outcome of certain future events. The outcome may result in the release of all or a portion of the escrow funds to the Company or the seller or a combination thereof. Contingent consideration arrangements are based on a predetermined formula and have set time periods regarding the obligation to make future payments, including funds released to the seller from escrow accounts, or the right to receive escrowed funds as set forth in the respective purchase and sale agreement. Contingent consideration arrangements, including amounts funded through an escrow account, are recorded upon acquisition of the respective property at their estimated fair value, and any changes to the estimated fair value, subsequent to acquisition, are reflected in the accompanying condensed consolidated unaudited statements of operations. The determination of the amount of contingent consideration arrangements is based on the probability of several possible outcomes as identified by management.

The Company estimates the fair value of assumed mortgage notes payable based upon indications of current market pricing for similar types of debt financing with similar maturities. Assumed mortgage notes payable are initially recorded at their estimated fair value as of the assumption date, and any difference between such estimated fair value and the mortgage note's outstanding principal balance is amortized to interest expense over the term of the respective mortgage note payable.

The determination of the fair values of the real estate assets and liabilities acquired requires the use of significant assumptions with regard to the current market rental rates, rental growth rates, capitalization and discount rates, interest rates and other variables. The use of alternative estimates

Table of Contents

may result in a different allocation of the Company's purchase price, which could impact the Company's results of operations.

Restricted Cash

Restricted cash included \$6.3 million and \$4.9 million held in lender cash management accounts as September 30, 2014 and December 31, 2013, respectively. As part of certain debt agreements, rent from certain of the Company's tenants is deposited directly into a lockbox account, from which the monthly debt service payment is disbursed to the lender and the excess funds are disbursed to the Company.

Concentration of Credit Risk

As of September 30, 2014, the Company had cash on deposit, including restricted cash, at seven financial institutions, in all of which the Company had deposits in excess of federally insured levels, totaling \$33.6 million; however, the Company has not experienced any losses in such accounts. The Company limits significant cash deposits to accounts held by financial institutions with high credit standing; therefore, the Company believes it is not exposed to any significant credit risk on its cash deposits.

As of September 30, 2014, no single tenant accounted for greater than 10% of the Company's 2014 gross annualized rental revenues. The Company had certain geographic concentrations in its property holdings. As of September 30, 2014, the Company had properties located in two states with respective gross annualized rental revenues greater than 10% of the Company's 2014 total gross annualized rental revenues: Texas (22%) and California (11%). In addition, the Company had tenants in three industries with respective gross annualized rental revenues greater than 10% of the Company's 2014 total gross annualized rental revenues: manufacturing (16%), healthcare (15%), and mining and natural resources (12%).

Derivative Instruments and Hedging Activities

The Company accounts for its derivative instruments at fair value. Accounting for changes in the fair value of a derivative instrument depends on the intended use of the derivative instrument and the designation of the derivative instrument. The change in fair value of the effective portion of the derivative instrument that is designated as a hedge is recorded as other comprehensive income (loss). The changes in fair value for derivative instruments that are not designated as a hedge or that do not meet the hedge accounting criteria are recorded as a gain or loss to operations.

Redeemable Common Stock

Under the Company's share redemption program, the Company's requirement to redeem shares of its outstanding common stock is limited, among other things, to the net proceeds received by the Company from the sale of shares under the DRIP, net of shares redeemed to date. The Company records amounts that are redeemable under the share redemption program as redeemable common stock outside of permanent equity in its condensed consolidated unaudited balance sheets. Changes in the amount of redeemable common stock from period to period are recorded as an adjustment to capital in excess of par value.

Reportable Segment

The Company's operating segment consists of commercial properties, which include activities related to investing in real estate such as corporate office and industrial and other real estate-related assets. The commercial properties are geographically diversified throughout the United States and have similar economic characteristics. The Company evaluates operating performance on an overall portfolio level; therefore, the Company's properties are one reportable segment.

Recent Accounting Pronouncements

In April 2014, the U.S. Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") 2014-08, *Presentation of Financial Statements (Topic 205) and Property, Plant, and Equipment (Topic 360): Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity* ("ASU 2014-08"), which amends the reporting requirements for discontinued operations by updating the definition of a discontinued operation to be a component of an entity that represents a strategic shift that has (or will have) a major effect on an entity's operations and financial results, resulting in fewer disposals that qualify for discontinued operations reporting; yet, the pronouncement also requires expanded disclosures for discontinued operations. The adoption of ASU 2014-08 did not have a material impact on the Company's condensed consolidated unaudited financial statements because the Company did not have any discontinued operations.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* ("ASU 2014-09"), which supersedes the revenue recognition requirements in *Revenue Recognition (Topic 605)*, and requires an entity to recognize revenue in a way that depicts the transfer of promised goods or services to customers, including real estate sales, in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016, and is to be applied retrospectively, with early application not permitted. The Company does not believe ASU 2014-09, when effective, will have a material impact on the Company's condensed consolidated unaudited financial statements because the Company currently accounts for real estate sales in a manner that is consistent with ASU 2014-09.

In August 2014, the FASB issued ASU 2014-15, *Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern* ("ASU 2014-15"), which requires management to assess an entity's ability to continue as a going concern, and to provide related footnote disclosures in certain circumstances. ASU 2014-15 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016, with early application permitted. The Company does not believe ASU 2014-15, when effective, will have a material impact on the Company's condensed consolidated unaudited financial statements because the Company currently does not have any conditions that give rise to substantial doubt about its ability to continue as a going concern.

NOTE 4 FAIR VALUE MEASUREMENTS

GAAP defines fair value, establishes a framework for measuring fair value and requires disclosures about fair value measurements. GAAP emphasizes that fair value is intended to be a market-based measurement, as opposed to a transaction-specific measurement.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Depending on the nature of the asset or liability, various techniques and assumptions can be used to estimate the fair value. Assets and liabilities are measured using inputs from three levels of the fair value hierarchy, as follows:

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date. An active market is defined as a market in which transactions for the assets or liabilities occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active (markets with few transactions), inputs other than quoted prices that are observable for the asset or liability (i.e., interest

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data correlation or other means (market corroborated inputs).

Level 3 Unobservable inputs, which are only used to the extent that observable inputs are not available, reflect the Company's assumptions about the pricing of an asset or liability.

The following describes the methods the Company uses to estimate the fair value of the Company's financial assets and liabilities:

Cash and cash equivalents and restricted cash The Company considers the carrying values of these financial assets to approximate fair value because of the short period of time between their origination and their expected realization. These financial assets are considered Level 1.

Credit facility and notes payable The fair value is estimated by discounting the expected cash flows based on estimated borrowing rates available to the Company as of the measurement date. These financial instruments are considered Level 2. The estimated fair value of the Company's debt was \$962.1 million and \$741.4 million as of September 30, 2014 and December 31, 2013, respectively, compared to the carrying value of \$1.0 billion and \$752.6 million as of September 30, 2014 and December 31, 2013, respectively.

Derivative instruments The Company's derivative instruments represent interest rate swaps. All derivative instruments are carried at fair value and are valued using Level 2 inputs. The fair value of these instruments is determined using interest rate market pricing models. The Company includes the impact of credit valuation adjustments on derivative instruments measured at fair value.

Considerable judgment is necessary to develop estimated fair values of financial assets and liabilities. Accordingly, the estimates presented herein are not necessarily indicative of the amounts the Company could realize, or be liable for, on disposition of the financial assets and liabilities. As of September 30, 2014, there have been no transfers of financial assets or liabilities between fair value hierarchy levels.

In accordance with the fair value hierarchy described above, the following tables show the fair value of the Company's financial assets and liabilities that are required to be measured at fair value on a recurring basis as of September 30, 2014 and December 31, 2013 (in thousands):

Table of Contents**NOTE 6 DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES**

In the normal course of business, the Company uses certain types of derivative instruments for the purpose of managing or hedging its interest rate risks. The following table summarizes the terms of the Company's executed swap agreements designated as hedging instruments as of September 30, 2014 (dollars in thousands). The Company did not have any executed swap agreements as of September 30, 2013.

	Balance Sheet Location	Outstanding Notional Amount as of		Interest Rate ⁽¹⁾	Effective Date	Maturity Date	Fair Value of Assets and (Liability)

Interest Rate Swap	Deferred rental income and other liabilities	\$ 41,000		4.16%	7/24/2013	8/3/2020	\$ (570)	\$

(1) The interest rate consists of the underlying index swapped to a fixed rate and the applicable interest rate spread.

Additional disclosures related to the fair value of the Company's derivative instruments are included in Note 4 to these condensed consolidated unaudited financial statements. The notional amount under the interest rate swap agreements is an indication of the extent of the Company's involvement in each instrument, but does not represent exposure to credit, interest rate or market risks.

Accounting for changes in the fair value of a derivative instrument depends on the intended use and designation of the derivative instrument. The Company designated the interest rate swaps as cash flow hedges, to hedge the variability of the anticipated cash flows on its variable rate debt. The change in fair value of the effective portion of the derivative instruments that are designated as hedges are recorded in other comprehensive income (loss). Any ineffective portion of the change in fair value of the derivative instruments is recorded in interest expense.

The following table summarizes the unrealized income (loss) on the Company's derivative instruments and hedging activities for the nine months ended September 30, 2014 and 2013 (in thousands).

Derivatives in Cash Flow Hedging Relationships	Amount of Income (Loss) Recognized as Other Comprehensive Income (Loss)			
	Three Months Ended		Nine Months Ended	
	September 30, 2014	September 30, 2013	September 30, 2014	September 30, 2013

(1) There were no portions of the change in the fair value of the interest rate swap agreements that were considered ineffective during the three and nine months ended September 30, 2014 or 2013. No previously effective portions of the losses that were recorded in accumulated other comprehensive income (loss) during the term of the hedging relationship were reclassified into earnings during the three and nine months ended September 30, 2014 or 2013.

The Company has agreements with each of its derivative counterparties that contain provisions whereby if the Company defaults on certain of its unsecured indebtedness, then the Company could also be declared in default on its derivative obligations resulting in an acceleration of payment. If the Company had breached any of these provisions, it could have been required to settle its obligations under the agreements at their aggregate termination value of \$617,000 at September 30, 2014. In addition, the Company is exposed to credit risk in the event of non-performance by its derivative counterparties. The Company believes it mitigates its credit risk by entering into agreements with creditworthy counterparties. The Company records credit risk valuation adjustments on its interest rate swaps based on the credit quality of the Company and the respective counterparty. There were no termination events or events of default related to the interest rate swaps as of September 30, 2014.

NOTE 7 CREDIT FACILITY AND NOTES PAYABLE

As of September 30, 2014, the Company and the Consolidated Joint Venture had \$1.0 billion of debt outstanding with a weighted average interest rate of 2.23% and a weighted average remaining term of 4.3 years.

The following table summarizes the debt activity for the nine months ended September 30, 2014 and the debt balances as of December 31, 2013 and September 30, 2014 (in thousands):

	During the nine months ended September 30, 2014			
	Balance as of December 31, 2013	Debt Issuance	Repayments	Balance as of September 30, 2014
Fixed rate debt	\$ 257,383	\$	\$	\$ 257,383
Variable rate debt	40,233			40,233
Credit facility	455,000	304,000	(44,000)	715,000
Total	\$ 752,616	\$ 304,000	\$ (44,000)	\$ 1,012,616

As of September 30, 2014, the fixed rate debt included \$41.0 million of variable rate debt subject to an interest rate swap agreement, which had the effect of fixing the variable interest rate per annum through the maturity date of the variable rate debt. In addition, the fixed rate debt included a mortgage note assumed with a face amount of \$12.0 million and a fair value of \$11.9 million at the date of assumption. The fixed rate debt has interest rates ranging from 3.55% to 4.85% per annum. The variable rate debt has a variable interest rate of LIBOR plus 140 basis points per annum. The debt outstanding matures on various dates from July 2016 through June 2023. The aggregate balance of gross real estate assets, net of gross intangible lease liabilities, securing the fixed and variable rate debt outstanding was \$555.4 million as of September 30, 2014. Each of the mortgage notes payable, comprising the fixed rate debt, is secured by the respective properties on which the debt was placed. Certain notes payable contain covenants, representations, warranties and borrowing conditions for similar credit arrangements. These notes also include usual and customary events of default and remedies for agreements of this nature. Based on the Company's analysis and review of its results of operations and financial condition, the Company believes it was in compliance with the covenants of such notes payable as of September 30, 2014.

As of September 30, 2014, the Company had \$715.0 million of debt outstanding under its unsecured revolving credit facility, as amended (the "Credit Facility"), with Bank of America as administrative agent pursuant to a credit agreement (the "Credit Agreement"). On April 28, 2014, the Company entered into a modification agreement with Bank of America that increased the amount available for borrowing under the Credit Facility to \$1.0 billion, including a \$300.0 million term loan (the "Term Loan") and \$700.0 million in revolving loans (the "Revolving Loans"). As of September 30, 2014, the Company had \$285.0 million of available Revolving Loan borrowings under the Credit Facility. The maximum borrowing availability on the Revolving Loans is limited to 65% (or 60%)

subsequent to October 25, 2014) of the unencumbered asset value of the underlying collateral pool. Subject to meeting certain conditions described in the Credit Agreement and the payment of certain fees, the amount of the Credit Facility may be increased up to a maximum of \$1.25 billion. The Term Loan matures on October 25, 2018 and the Revolving Loans mature on October 25, 2017. The maturity on the Revolving Loans may be extended to October 25, 2018 subject to satisfying certain conditions as outlined in the Credit Agreement. Depending upon the type of loan specified and overall leverage ratio, not to exceed 65% (or 60% subsequent to October 25, 2014), the Revolving Loans bear interest at one-month, two-month, three-month or six-month LIBOR (the "Eurodollar Rate") plus an interest rate spread ranging from 1.60% to 2.40% (the "Spread") or a base rate, ranging from 0.60% to 1.40%, plus the greater of: (a) Bank of America's Prime Rate; (b) the Federal Funds Effective Rate (as defined in the Credit Agreement) plus 0.50%; or (c) one-month Eurodollar Rate plus 1.00%. The Credit Agreement also includes an interest rate pricing structure should the Company obtain an investment grade rating. As of September 30, 2014, the weighted average interest rate in effect for the Revolving Loans was 1.75%. In connection with the Credit Agreement, the Company executed an interest rate swap agreement that effectively fixed the variable interest rate of the Term Loan at 3.03% based on the applicable margin at the current leverage ratio.

The Credit Agreement contains provisions with respect to covenants, events of default and remedies customary for facilities of this nature and borrowing conditions. In particular, the Credit Agreement requires the Company to maintain a minimum consolidated net worth of at least \$1.3 billion as of September 30, 2014, a leverage ratio less than or equal to 65%, a fixed charge coverage ratio equal to or greater than 1.50, an unsecured debt to unencumbered asset value ratio less than or equal to 65%, an unsecured debt service coverage ratio equal to or greater than 1.75, a secured debt ratio less than 50%, and a maximum real estate recourse debt ratio of 15%. The Company believes it was in compliance with the covenants under the Credit Agreement as of September 30, 2014.

Additionally, CCI Advisors or its affiliates are reimbursed for acquisition-related expenses incurred in the process of acquiring properties, so long as the total acquisition fees and expenses relating to the transaction does not exceed 6% of the contract purchase price.

Liquidation/Listing

If CCI Advisors or its affiliates provide a substantial amount of services (as determined by a majority of the Company's independent directors) in connection with the sale of properties, the Company will pay CCI Advisors or its affiliates a disposition fee in an amount equal to up to one-half of the brokerage commission paid on the sale of the property, not to exceed 1% of the contract price of each property sold; provided, however, in no event may the disposition fee paid to CCI Advisors or its affiliates, when added to the real estate commissions paid to unaffiliated third parties, exceed the lesser of the customary competitive real estate commission or an amount equal to 6% of the contract sales price.

If the Company is sold or its assets are liquidated, CCI Advisors will be entitled to receive a subordinated performance fee equal to 15% of the net sale proceeds remaining after investors have received a return of their net capital invested and an 8% annual cumulative, non-compounded return. Alternatively, if the Company's shares are listed on a national securities exchange, CCI Advisors will be entitled to a subordinated performance fee equal to 15% of the amount by which the market value of the Company's outstanding stock plus all distributions paid by the Company prior to listing exceeds the sum of the total amount of capital raised from investors and the amount of distributions necessary to generate an 8% annual cumulative, non-compounded return to investors. As an additional alternative, upon termination of the advisory agreement, CCI Advisors may be entitled to a subordinated performance fee similar to the fee to which CCI Advisors would have been entitled had the portfolio been liquidated (based on an independent appraised value of the portfolio) on the date of termination.

During the three and nine months ended September 30, 2014 and 2013, no commissions or fees were incurred for any such services provided by CCI Advisors and its affiliates in connection with the liquidation/listing stage. NOTE 10 ECONOMIC DEPENDENCY

Under various agreements, the Company has engaged or will engage CCI Advisors and its affiliates to provide certain services that are essential to the Company, including asset management services, supervision of the management and leasing of properties owned by the Company, asset acquisition and disposition decisions, the sale of shares of the Company's common stock available for issuance, as well as other administrative responsibilities for the Company including accounting services and investor relations. As a result of these relationships, the Company is dependent upon CCI Advisors and its affiliates. In the event that these companies are unable to provide the Company with these services, the Company would be required to find alternative providers of these services.

NOTE 11 SUBSEQUENT EVENTS

Redemption of Shares of Common Stock

Subsequent to September 30, 2014, the Company redeemed approximately 212,000 shares for \$2.1 million at an average price per share of \$9.68.

Credit Facility

As of November 12, 2014, the Company had \$715.0 million outstanding under the Credit Facility and available borrowings of \$285.0 million.

ARCP/RCAP Agreement

On September 30, 2014, an affiliate of ARCP entered into a definitive agreement (the "RCAP Agreement") with RCS Capital Corporation ("RCAP") pursuant to which RCAP would acquire Cole Capital. The acquisition would include CCI Advisors and CCC. Despite the indirect change of control that would occur for the Company's advisor, dealer manager and sponsor upon consummation of the transaction contemplated by the RCAP Agreement, such entities are expected to continue to serve in their respective capacities to the Company following the transaction.

The RCAP Agreement contemplates a strategic arrangement by which an indirect wholly-owned subsidiary of ARCP would act as sub-advisor (the "Sub-advisor") to, and acquire and property manage real estate assets for, the non-traded real estate investment trusts sponsored by Cole Capital, including the Company, after completion of the transaction. As set forth in the RCAP Agreement, the Sub-advisor and RCAP (by way of its ownership of the Company's advisor) would equally share the acquisition and advisory fees and expenses currently provided pursuant to the Company's advisory agreement. In addition, the Sub-advisor would receive a portion of any disposition and incentive fees that may later become due to RCAP for advising the Company, except that the sub-advisor will be entitled to 100% of the disposition fees and performance fees with respect to the Merger. The Sub-advisor would also receive all acquisition fees and expenses for property acquisitions under any purchase and sale agreement or letter of intent executed on or prior to September 30, 2014. All fees and expenses payable to RCAP or the Sub-advisor under the sub-advisory arrangement would be limited to the total amounts payable to the Company's advisor under the advisory agreement, which would not change as a result of this arrangement. The completion of the transaction contemplated by the RCAP Agreement is subject to various closing conditions.

On October 22, 2014, CCI Advisors entered into an interim sub-advisory agreement (the "Interim Agreement") with RCAP Cole Corporate Income Advisors, LLC, a subsidiary of RCAP (the "RCAP Sub-advisor"), in connection with the first closing under the RCAP Agreement. Pursuant to the Interim Agreement, the RCAP Sub-advisor will use commercially reasonable best efforts to manage and supervise the operations and administration of the Company, other than the acquisition, operation and disposition of the Company's assets, pending the final closing under the RCAP Agreement. The Interim

Agreement provides for substantially the same allocation of advisory services and compensation as contemplated under the RCAP agreement.

On November 3, 2014, RCAP publicly announced that it had notified ARCP of its purported termination of the RCAP Agreement, and that the RCAP Sub-advisor would not act as sub-advisor with respect to the Company. Also on November 3, 2014, ARCP publicly announced that it had informed RCAP that RCAP's attempt to terminate the RCAP Agreement constituted a breach of the RCAP Agreement.

On November 11, 2014, ARCP filed a complaint in the Court of Chancery of the State of Delaware against RCAP alleging that RCAP's attempt to terminate the RCAP Agreement constitutes a breach of the RCAP Agreement and seeking, among other things, specific performance of the RCAP Agreement or, in the alternative, money damages.

Chief Financial Officer Resignation and Appointment

Subsequent to September 30, 2014, and subject to SIR's approval, Simon J. Misselbrook has been appointed chief financial officer and treasurer of the Company by the Company's board of directors. Also subsequent to September 30, 2014, Mr. Block resigned as the Company's executive vice president, chief financial officer and treasurer.

These estimates are based on management's historical industry experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Overview

We were formed on April 6, 2010 to acquire and operate commercial real estate primarily consisting of single-tenant, income producing necessity corporate office and industrial properties net leased to investment grade and other creditworthy tenants located throughout the United States. We commenced our principal operations on June 28, 2011, when we issued the initial 370,727 shares of our common stock in the Offering. We have no paid employees and are externally advised and managed by CCI Advisors, our advisor. We elected to be taxed, and currently qualify, as a REIT for federal income tax purposes.

We ceased offering shares of common stock in the Offering on November 21, 2013 and suspended the sale of shares of common stock under the DRIP Offering beginning with the distributions authorized by the Board for the month of August 2014, which were paid in September 2014. We expect that property acquisitions in 2014 and future periods, if any, will be funded by borrowings under the Credit Facility, proceeds from the DRIP Offering, proceeds from the strategic sale of properties and cash flows from operations.

On February 7, 2014, ARCP acquired Cole, which, prior to its acquisition, indirectly owned and/or controlled our external advisor, CCI Advisors, our dealer manager, CCC, our property manager, CREI Advisors, and our sponsor, Cole Capital. As a result of ARCP's acquisition of Cole, ARCP indirectly owns and/or controls CCI Advisors, CCC, CREI Advisors and Cole Capital.

On August 30, 2014, we entered into the Merger Agreement with SIR and Merger Sub. The Merger Agreement provides that, subject to the satisfaction or waiver of certain conditions, the Company will be merged with and into Merger Sub, with Merger Sub surviving as a wholly-owned subsidiary of SIR and the separate corporate existence of the Company will cease. See Note 2 to our condensed consolidated unaudited financial statements in this joint proxy statement/prospectus for further discussion regarding the Merger.

Our operating results and cash flows are primarily influenced by rental income from our commercial properties, interest expense on our property indebtedness, and acquisition and operating expenses. Rental and other property income accounted for 85% of total revenue for both the three and nine months ended September 30, 2014, and accounted for 83% of total revenue for the three and nine months ended September 30, 2013, respectively. As 100% of our rentable square feet was under lease as of September 30, 2014 with a weighted average remaining lease term of 11.3 years, we believe our exposure to changes in commercial rental rates on our portfolio is substantially mitigated, except for vacancies caused by tenant bankruptcies or other factors. Our advisor regularly monitors the creditworthiness of our tenants by reviewing the tenants' financial results, credit rating agency reports, when available, on the tenant or guarantor, the operating history of the property with such tenant, the tenant's market share and track record within its industry segment, the general health and outlook of the tenant's industry segment and other information for changes and possible trends. If our advisor identifies significant changes or trends that may adversely affect the creditworthiness of a tenant, it will gather a more in-depth knowledge of the tenant's financial condition and, if necessary, attempt to mitigate the tenant credit risk by evaluating the possible sale of the property or identifying a possible replacement tenant should the current tenant fail to perform on the lease.

As of September 30, 2014, the debt leverage ratio of our consolidated real estate assets, which is the ratio of debt to total gross real estate assets, net of gross intangible lease liabilities, was 38%. As we acquire additional commercial real estate, we will be subject to changes in real estate prices and

Edgar Filing: Select Income REIT - Form S-4/A

Table of Contents

changes in interest rates on any new indebtedness used to acquire such properties. We may manage our risk of changes in real estate prices on future property acquisitions, when applicable, by entering into purchase agreements and loan commitments simultaneously, or through loan assumption, so that our operating yield is determinable at the time we enter into a purchase agreement, by contracting with developers for future delivery of properties or by entering into sale-leaseback transactions. We manage our interest rate risk by monitoring the interest rate environment in connection with our future property acquisitions, when applicable, or upcoming debt maturities to determine the appropriate financing or refinancing terms, which may include fixed rate loans, variable rate loans or interest rate hedges. If we are unable to acquire suitable properties or obtain suitable financing terms for future acquisitions or refinancing, our results of operations may be adversely affected.

As of September 30, 2014, 100% of the rentable square feet of our properties was under lease and we expect that occupancy will remain high as the real estate recovery continues. We may experience vacancies or be required to reduce rental rates on occupied space. If we do experience vacancies, our advisor will actively seek to lease our vacant space; nevertheless, such space may be leased at lower rental rates and for shorter lease terms than our current leases provide.

Real Property Investments

As of September 30, 2014, we owned, through separate wholly owned limited liability companies and our operating partnership or a consolidated joint venture agreement, the following portfolio of 87 properties comprising approximately 18.3 million rentable square feet of commercial space located in 30 states.

Funds From Operations, Modified Funds From Operations and Adjusted Funds From Operations

Funds From Operations ("FFO") is a non-GAAP financial performance measure defined by the National Association of Real Estate Investment Trusts ("NAREIT") and widely recognized by investors as one measure of operating performance of a real estate company. The FFO calculation excludes items such as real estate depreciation and amortization. Depreciation and amortization as applied in accordance with GAAP implicitly assumes that the value of real estate assets diminishes predictably over time. Since real estate values have historically risen or fallen with market conditions, it is management's view, and we believe the view of many industry investors, that the presentation of operating results for real estate companies by using the historical cost accounting method alone is insufficient. We compute FFO in accordance with NAREIT's definition.

In addition to FFO, we use Modified Funds From Operations ("MFFO") as a non-GAAP supplemental financial performance measure to evaluate the operating performance of our real estate portfolio. MFFO, as defined by our company, excludes from FFO acquisition and merger-related costs that are required to be expensed in accordance with GAAP. In evaluating the performance of our portfolio over time, management believes that excluding these costs from FFO provides investors with

supplemental performance information that is consistent with the performance models and analysis used by management, and provides investors a view of the Company's portfolio over time.

In addition to FFO and MFFO, we use Adjusted Funds from Operations ("AFFO") as a non-GAAP supplemental financial performance measure to evaluate the operating performance of the Company. AFFO, as defined by our company, excludes from MFFO items such as straight-line rental revenue and certain charges such as amortization of intangibles. The Company's management believes that excluding these costs from MFFO provides investors with supplemental performance information that is consistent with the performance models and analysis used by management, and provides investors a view of the performance of the Company's portfolio over time, including after the Company ceases to acquire properties on a frequent and regular basis. AFFO also allows for a comparison of the performance of the Company's operations with traded REITs that are not currently engaging in acquisitions and mergers, as well as a comparison of the Company's performance with that of other non-traded REITs, as AFFO, or an equivalent measure, is routinely reported by traded and non-traded REITs, and we believe often used by investors for comparison purposes.

For all of these reasons, we believe FFO, MFFO, and AFFO, in addition to net income and cash flows from operating activities, as defined by GAAP, are helpful supplemental performance measures and useful in understanding the various ways in which the Company's management evaluates the performance of the Company over time. However, not all REITs calculate FFO, MFFO and AFFO the same way, so comparisons with other REITs may not be meaningful. FFO, MFFO and AFFO should not be considered as alternatives to net income or to cash flows from operating activities, and are not intended to be used as a liquidity measure indicative of cash flow available to fund our cash needs.

MFFO and AFFO may provide investors with a view of our future performance and of the sustainability of our current distributions policy. However, because MFFO and AFFO exclude items that are an important component in an analysis of the historical performance of a property, MFFO and AFFO should not be construed as historic performance measures. None of the SEC, NAREIT, or any other regulatory body has evaluated the acceptability of the exclusions contemplated to adjust FFO in order to calculate MFFO and AFFO and its use as a non-GAAP financial performance measure.

FFO, MFFO and AFFO are influenced by the timing of acquisitions and the operating performance of our real estate investments. Our calculations of FFO, MFFO and AFFO, and reconciliation to net income, which is the most directly comparable GAAP financial measure, are presented in the table below for the three and nine months ended September 30, 2014 and 2013 (in thousands):

Distributions

Our board of directors authorized a daily distribution, based on 365 days in the calendar year, of \$0.001780821 per share (which equates to approximately 6.50% on an annualized basis calculated at the current rate, assuming a \$10.00 per share purchase price) for stockholders of record as of the close of business on each day of the period, commencing on January 1, 2014 and ending on December 31, 2014.

During the nine months ended September 30, 2014, we paid distributions of \$95.4 million, including \$51.0 million through the issuance of shares pursuant to the DRIP. During the nine months ended September 30, 2013, we paid distributions of \$21.7 million, including \$12.2 million through the issuance of shares pursuant to the DRIP. Net cash provided by operating activities for the nine months ended September 30, 2014 was \$74.1 million and reflected a reduction for real estate acquisition-related expenses incurred of \$7.5 million, in accordance with GAAP. Net cash provided by operating activities for the nine months ended September 30, 2013 was \$3.3 million and reflected a reduction for real estate acquisition-related expenses incurred of \$29.7 million, in accordance with GAAP. We treat our real estate acquisition-related expenses as funded by proceeds from the Offerings, including proceeds from the DRIP. Therefore, for consistency, proceeds from the issuance of common stock for the nine months ended September 30, 2014 are considered a source of our distributions to the extent that real estate acquisition-related expenses have reduced net cash flows used in operating activities. As such, our 2014 distributions were funded by net cash provided by operating activities of \$74.1 million, or 77.7%, proceeds from the issuance of common stock, including excess proceeds from the Offering from prior periods, of \$16.0 million, or 16.8%, and proceeds from the Credit Facility of \$5.3 million, or 5.5%. The distributions paid during the nine months ended September 30, 2013 were funded by net cash provided by operating activities of \$3.3 million, or 15.2%, and the issuance of common stock of \$18.4 million, or 84.8%.

Share Redemptions

Our share redemption program permits our stockholders to sell their shares back to us after they have held them for at least one year, subject to significant conditions and limitations. The share redemption program provides that we will redeem shares of our common stock from requesting stockholders, subject to the terms and conditions of the share redemption program. We will not redeem in excess of 5% of the weighted average number of shares outstanding during the trailing 12 months prior to the end of the fiscal quarter for which the redemptions are being paid. Funding for the redemption of shares will be limited to the net proceeds we receive from the sale of shares under our DRIP Offering. In addition, we will redeem shares on a quarterly basis, at the rate of approximately 1.25% of the weighted average number of shares outstanding during the trailing 12 month period ending on the last day of the fiscal quarter for which the redemptions are being paid. During the nine months ended September 30, 2014, we redeemed 456,582 shares under our share redemption program for \$4.5 million at an average redemption price of \$9.68 per share. As of September 30, 2014, the Company had received valid redemption requests for an additional 212,000 shares, which were redeemed in full subsequent to September 30, 2014 for \$2.1 million at an average redemption price of \$9.68 per share. A valid redemption request is one that complies with the applicable requirements and guidelines of our current share redemption program. We have funded share redemptions with proceeds from the DRIP.

On August 20, 2014, the Board, including all of the Company's independent directors, resolved to suspend the DRIP and the share redemption program.

Liquidity and Capital Resources

General

Our principal demands for funds will be for real estate and real estate-related investments, for the payment of acquisition-related costs, operating expenses, distributions and principal and interest on any current and any future indebtedness. Generally, cash needs for items other than acquisitions and acquisition-related expenses will be generated from operations of our current and future investments. As the Offering has closed, we expect to meet cash needs for acquisitions from borrowings under the Credit Facility, proceeds from the strategic sale of properties and cash flows from operations. The sources of our operating cash flows will primarily be provided by the rental income received from current and future leased properties. As of September 30, 2014, we had issued approximately 198.4 million shares of our common stock in the Offerings for gross offering proceeds of \$2.0 billion, before share redemptions of 5.8 million shares and offering costs, selling commissions and dealer manager fees of \$194.4 million.

As of September 30, 2014, we had cash and cash equivalents of \$29.1 million and available borrowings of \$285.0 million under the Credit Facility. Additionally, as of September 30, 2014, we had unencumbered properties with a gross book value of \$573.6 million, which may be used as collateral to secure additional financing in future periods or as additional collateral to facilitate the refinancing of current mortgage debt as it becomes due.

Short-term Liquidity and Capital Resources

On a short-term basis, our principal demands for funds will be for operating expenses, distributions, and interest and principal on current and any future debt financings. We expect to meet our short-term liquidity requirements through net cash flows provided by operations, as well as secured or unsecured borrowings from banks and other lenders to finance our expected future acquisitions.

We expect our operating cash flows to increase as we acquire additional properties. CCI Advisors paid the organizational and other offering costs associated with the sale of our common stock, which we reimbursed in an amount up to 1.5% of the gross proceeds of the Offering. As of September 30, 2014, CCI Advisors had paid offering and organization costs in excess of such 1.5% limit in connection with the Offering. These excess costs were not included in our financial statements because such costs were not a liability to us as they exceeded 1.5% of gross proceeds from the Offering.

Long-term Liquidity and Capital Resources

On a long-term basis, our principal demands for funds will be for the acquisition of real estate and real estate related investments and the payment of tenant improvements, acquisition-related expenses, operating expenses, distributions and interest and principal on any current and future indebtedness. We expect to meet our long-term liquidity requirements through proceeds from the cash flow from operations, and proceeds from secured or unsecured borrowings from banks and other lenders.

We expect that substantially all cash flows from operations will be used to pay distributions to our stockholders after certain capital expenditures, including tenant improvements and leasing commissions, are paid; however, we may use other sources to fund distributions, as necessary, including proceeds from the Offering borrowings on the Credit Facility and/or future borrowings on unencumbered assets. To the extent that cash flows from operations are lower due to fewer properties being acquired or lower than expected returns on the properties, distributions paid to our stockholders may be lower. We expect that substantially all net cash flows from debt financings will be used to fund acquisitions, certain capital expenditures identified at acquisition, repayments of outstanding debt or distributions to our stockholders in excess of cash flows from operations.

As of September 30, 2014, we and the Consolidated Joint Venture had \$1.0 billion of debt outstanding, with a weighted average interest rate of 2.23%. Our contractual obligations as of September 30, 2014 were as follows (in thousands):

		Payments due by period ⁽¹⁾⁽²⁾

-
- (1) The table does not include amounts due to CCI Advisors or its affiliates pursuant to our advisory agreement because such amounts are not fixed and determinable.
- (2) As of September 30, 2014, we had \$41.0 million of variable rate debt effectively fixed through the use of an interest rate swap agreement. We used the effective interest rate fixed under our swap agreement to calculate the debt payment obligations in future periods.
- (3) Principal payment amounts reflect actual payments based on the face amount of notes payable secured by our wholly-owned properties and the Consolidated Joint Venture. As of September 30, 2014, the fair value adjustment, net of amortization, of mortgage notes assumed was \$127,000.
- (4) A rate of 1.59% was used to calculate the variable debt payment obligations in future periods. This was the rate effective as of September 30, 2014.
- (5) Payment obligations for the Term Loan outstanding under the Credit Facility are based on the interest rate of 3.03% as of September 30, 2014, which was the rate fixed under the executed swap agreement that had the effect of fixing the variable interest rate per annum through the maturity date of October 2018. Payment obligations for the Revolving Loans outstanding were based on the weighted average interest rate in effect of 1.75% as of September 30, 2014.

We expect to incur additional borrowings in the future to acquire additional properties and make other real estate related investments. There is no limitation on the amount we may borrow against any single improved property. Our future borrowings will not exceed 300% of our net assets as of the date of any borrowing, which is the maximum level of indebtedness permitted under the North American Securities Administrators Association REIT Guidelines; however, we may exceed that limit if approved by a majority of our independent directors. Our board of directors has adopted a policy to further limit our borrowings to 60% of the greater of cost (before deducting depreciation or other non-cash reserves) or fair market value of our gross assets, unless the excess borrowing is approved by a majority of our independent directors and disclosed to our stockholders in the next quarterly report along with the justification for such excess borrowing. Our advisor has set a target leverage ratio of 40% to 50% of the greater of cost (before deducting depreciation or other non-cash reserves) or fair market value of our gross assets. As of September 30, 2014, our ratio of debt to total gross real estate assets, net of gross intangible lease liabilities, was 38%.

Cash Flow Analysis

Edgar Filing: Select Income REIT - Form S-4/A

Operating Activities. Net cash provided by operating activities increased \$70.8 million to \$74.1 million during the nine months ended September 30, 2014, compared to net cash provided by operating activities of \$3.3 million for the nine months ended September 30, 2013. The increase was primarily due to an increase in net income of \$50.9 million and an increase in depreciation and

amortization of \$43.1 million, partially offset by an increase in working capital accounts of \$23.2 million. See " Results of Operations" for a more complete discussion of the factors impacting our operating performance.

Investing Activities. Net cash used in investing activities was \$319.1 million for the nine months ended September 30, 2014, compared to \$1.1 billion for the nine months ended September 30, 2013. The decrease was primarily due to a decrease in investment in real estate assets of \$787.0 million.

Financing Activities. Net cash provided by financing activities decreased \$1.2 billion to \$210.0 million for the nine months ended September 30, 2014, compared to \$1.4 billion for the nine months ended September 30, 2013. The decrease was primarily due to a decrease in net proceeds from the issuance of common stock under the Offering of \$1.3 billion, a decrease in proceeds from the Credit Facility and notes payable, net of repayments, of \$225.7 million, and an increase in distributions to investors of \$34.9 million.

Election as a REIT

We are taxed as a REIT under the Internal Revenue Code. To maintain our qualification as a REIT, we must continue to meet certain requirements relating to our organization, sources of income, nature of assets, distributions of income to our stockholders and recordkeeping. As a REIT, we generally are not subject to federal income tax on taxable income that we distribute to our stockholders so long as we, among other things, distribute at least 90% of our annual taxable income (computed without regard to the dividends paid deduction and excluding net capital gains).

If we fail to maintain our qualification as a REIT for any reason in a taxable year and applicable relief provisions do not apply, we will be subject to tax, including any applicable alternative minimum tax, on our taxable income at regular corporate rates. We will not be able to deduct distributions paid to our stockholders in any year in which we fail to maintain our qualification as a REIT. We also will be disqualified for the four taxable years following the year during which qualification was lost unless we are entitled to relief under specific statutory provisions. Such an event could materially adversely affect our net income and net cash available for distribution to stockholders. However, we believe that we are organized and operate in such a manner as to maintain our qualification as a REIT for federal income tax purposes. No provision for federal income taxes has been made in our accompanying condensed consolidated unaudited financial statements. We are subject to certain state and local taxes related to the operations of properties in certain locations, which have been provided for in our accompanying condensed consolidated unaudited financial statements.

Critical Accounting Policies and Estimates

Our accounting policies have been established to conform to GAAP. The preparation of financial statements in conformity with GAAP requires us to use judgment in the application of accounting policies, including making estimates and assumptions. These judgments affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting periods. If our judgment or interpretation of the facts and circumstances relating to the various transactions had been different, it is possible that different accounting policies would have been applied, thus resulting in a different presentation of the financial statements. Additionally, other companies may utilize different estimates that may impact comparability of our results of operations to those of companies in similar businesses. We consider our critical accounting policies to be the following:

Investment in and Valuation of Real Estate Assets;

Allocation of Purchase Price of Real Estate Assets;

Derivative Instruments and Hedging Activities;

Appendix I-76

Table of Contents

Revenue Recognition; and

Income Taxes.

Except as set forth below, a complete description of such policies and our considerations is contained in our Annual Report on Form 10-K for the year ended December 31, 2013. The information included in this joint proxy statement/prospectus should be read in conjunction with our audited consolidated financial statements as of and for the year ended December 31, 2013, and related notes thereto.

Commitments and Contingencies

We may be subject to certain commitments and contingencies with regard to certain transactions. Refer to Note 8 to our condensed consolidated unaudited financial statements in this joint proxy statement/prospectus for further explanations.

Related-Party Transactions and Agreements

We have entered into agreements with CCI Advisors and its affiliates whereby we have paid, and will continue to pay, certain fees to, or reimburse certain expenses of, CCI Advisors or its affiliates, such as acquisition and advisory fees and expenses, organization and offering costs, sales commissions, dealer manager fees and expenses, leasing fees and reimbursement of certain operating costs. See Note 9 to our condensed consolidated unaudited financial statements in this joint proxy statement/prospectus for a further explanation of the various related-party transactions, agreements and fees.

Subsequent Events

Certain events occurred subsequent to September 30, 2014 through the filing date of this joint proxy statement/prospectus. Refer to Note 11 to our condensed consolidated unaudited financial statements in this joint proxy statement/prospectus for further explanation.

Recent Accounting Pronouncements

Refer to Note 3 to our condensed consolidated unaudited financial statements included in this joint proxy statement/prospectus for further explanation. There have been no accounting pronouncements issued, but not yet applied by us, that will significantly impact our financial statements.

Off-Balance Sheet Arrangements

As of September 30, 2014 and December 31, 2013, we had no material off-balance sheet arrangements that had or are reasonably likely to have a current or future effect on our financial condition, results of operations, liquidity or capital resources.

Quantitative and Qualitative Disclosures About Market Risk

We have obtained variable rate debt financing to fund certain property acquisitions and therefore we are exposed to changes in LIBOR. We intend to manage our interest rate risk by limiting the impact of interest rate changes on earnings and cash flows and to lower overall borrowing costs. To achieve these objectives, we expect to borrow primarily at fixed rates or variable rates with the lowest margins available and, in some cases, with the ability to convert variable rates to fixed rates. With regard to variable rate financing, we assess interest rate cash flow risk by continually identifying and monitoring changes in interest rate exposures that may adversely impact expected future cash flows and by evaluating hedging opportunities. We have entered and may continue to enter into derivative financial instruments, such as interest rate swaps, in order to mitigate our interest rate risk. We have not entered, and do not intend to enter, into derivative or interest rate transactions for speculative

Table of Contents

purposes. We may also enter into rate lock arrangements to lock interest rates on future borrowings. We may be exposed to credit and market risks including, but not limited to, the failure of any counterparty to perform under the terms of the derivative contract or the adverse effect on the value of the financial instrument resulting from a change in interest rates.

As of September 30, 2014, we and the Consolidated Joint Venture had \$455.2 million of variable rate debt, including the Revolving Loans, and therefore we are exposed to interest rate changes in LIBOR. As of September 30, 2014, a change of 50 basis points in interest rates would result in a change in interest expense of \$2.3 million per year, assuming all of our derivatives remain effective hedges.

As of September 30, 2014, we had two interest rate swap agreements outstanding, which mature between October 2018 and August 2020, with an aggregate notional amount under the swap agreements of \$341.0 million and an aggregate net fair value of \$1.8 million. The fair value of these interest rate swap agreements is dependent upon existing market interest rates and swap spreads. As of September 30, 2014, an increase of 50 basis points in interest rates would result in an increase to the fair value of the derivative asset of \$6.1 million.

Controls and Procedures

Evaluation of Disclosure Controls and Procedures

As required by Rules 13a-15(b) and 15d-15(b) of the Exchange Act, we, under the supervision and with the participation of our chief executive officer and chief financial officer, carried out an evaluation of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) as of the end of the period covered by this joint proxy statement/prospectus. Based on that evaluation, our chief executive officer and chief financial officer concluded that our disclosure controls and procedures, as of September 30, 2014, were effective to ensure that information required to be disclosed by us in reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the rules and forms promulgated under the Exchange Act, and is accumulated and communicated to management, including our chief executive officer and chief financial officer, as appropriate to allow timely decisions regarding required disclosures.

Changes in Internal Control Over Financial Reporting

No change occurred in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) during the nine months ended September 30, 2014 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Officers and Directors*

Maryland law permits a REIT formed under Maryland law to include in its declaration of trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (i) actual receipt of an improper benefit or profit in money, property or services or (ii) active and deliberate dishonesty by the trustee or officer that was established by a final judgment as being material to the cause of action adjudicated. SIR's declaration of trust contains such a provision which eliminates such liability to the maximum extent permitted by the Maryland law.

SIR's declaration of trust authorizes it, and SIR's bylaws require it, to the maximum extent permitted by Maryland law, to indemnify, without requiring a preliminary determination of ultimate entitlement to indemnification, (i) any present or former trustee or officer of SIR who is made or threatened to be made a party to a proceeding by reason of his or her service in that capacity or (ii) any individual who, while a trustee or officer of SIR and, at SIR's request, serves or has served as a trustee, director, officer or partner of another REIT, corporation, partnership, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to a proceeding by reason of his or her service in that capacity and to pay or reimburse their reasonable expenses in advance of final disposition of the proceeding. SIR's bylaws also permit SIR to indemnify and advance expenses to any person who served any predecessor in the capacities described above and any present or former shareholder, employee or agent of us or any such predecessor. Except with respect to proceedings to enforce rights to indemnification, SIR is only required to indemnify its trustees and officers as described in this paragraph in connection with a proceeding initiated by any such person against SIR if such proceeding was authorized by the SIR board of trustees.

Maryland law permits a REIT to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent permitted by the MGCL for directors and officers of Maryland corporations. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those capacities. However, a Maryland corporation is not permitted to provide this type of indemnification if the following is established:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

Under the MGCL, a Maryland corporation may not indemnify a director for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. The MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of the following:

a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation; and

Table of Contents

a written undertaking by or on behalf of the director or officer to repay the amount paid or reimbursed by the corporation if it is ultimately determined that this standard of conduct was not met.

SIR has also entered into indemnification agreements with its trustees and officers providing for contractual indemnification and for procedures for indemnification by SIR to the fullest extent permitted by law and advancements by SIR of certain expenses and costs relating to claims, suits or proceedings arising from their service to SIR.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, trustees, officers or persons controlling SIR pursuant to the foregoing provisions of Maryland law and SIR's declaration of trust and bylaws, SIR has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and therefore is unenforceable.

SIR has purchased and maintains insurance on behalf of all of its trustees and executive officers against liability asserted against or incurred by them in their official capacities.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(i)

Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii)

The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv)

Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus, which is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

The registrant undertakes that every prospectus: (i) that is filed pursuant to the immediately preceding paragraph, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933, as amended, and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the

Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
