**SPECIAL MEETING OF STOCKHOLDERS
OF
SJW GROUP
TO BE HELD ON • , 2018**

**PROXY STATEMENT
OF
CALIFORNIA WATER SERVICE GROUP**

**SOLICITATION OF PROXIES IN OPPOSITION TO THE PROPOSED
MERGER OF SJW GROUP AND CONNECTICUT WATER SERVICE, INC.**

This Proxy Statement (this "*Proxy Statement*") and the enclosed **WHITE** proxy card are furnished by California Water Service Group, a Delaware corporation ("*California Water*," "*we*" or "*us*") in connection with California Water's solicitation of proxies to be used at the special meeting of stockholders of SJW Group, a Delaware corporation ("*SJW*"), to be held on • , 2018, at • at • , and at any adjournments or postponements thereof (the "*Special Meeting*"). SJW has set • , 2018 as the record date for determining those SJW stockholders who will be entitled to vote at the Special Meeting (the "*Record Date*").

On March 14, 2018, SJW entered into a merger agreement (the "*CTWS Merger Agreement*") with Connecticut Water Service, Inc. ("*CTWS*"), pursuant to which SJW would acquire CTWS in an all-stock transaction (the "*Proposed CTWS Merger*"). Completion of the Proposed CTWS Merger requires that SJW stockholders approve (1) a proposal to issue shares of SJW common stock to CTWS shareholders pursuant to the Proposed CTWS Merger (the "*Share Issuance Proposal*") and (2) a proposal to adopt an amendment to the SJW certificate of incorporation in connection with the closing of the Proposed CTWS Merger (the "*Certificate Amendment Proposal*"). SJW intends to submit each of the two proposals to an SJW stockholder vote at the Special Meeting. Also at the Special Meeting, SJW will submit to a stockholder vote a proposal to adjourn the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the Share Issuance Proposal or the Certificate Amendment Proposal (the "*Adjournment Proposal*"). The Share Issuance Proposal, the Certificate Amendment Proposal and the Adjournment Proposal are intended to facilitate completion of the Proposed CTWS Merger, and in this Proxy Statement we refer to all three proposals collectively as the "*SJW Proposals*."

As further described in this Proxy Statement, California Water has submitted an all-cash proposal to acquire SJW for \$68.25 per share, conditioned on termination of the Proposed CTWS Merger (the "*California Water Acquisition Proposal*"). The Board of Directors and management of SJW have failed to engage with us regarding our acquisition proposal. Therefore, we are soliciting proxies from SJW stockholders to vote "**AGAINST**" the SJW Proposals.

WE ARE NOT ASKING YOU TO VOTE ON OR APPROVE THE CALIFORNIA WATER ACQUISITION PROPOSAL AT THIS TIME. HOWEVER, WE BELIEVE THAT A VOTE "AGAINST" THE SJW PROPOSALS WILL SEND A MESSAGE TO THE SJW BOARD THAT THE SJW BOARD SHOULD GIVE PROPER CONSIDERATION TO OTHER OFFERS THAT IT RECEIVES, INCLUDING THE CALIFORNIA WATER ACQUISITION PROPOSAL. A VOTE AGAINST THE SJW PROPOSALS WILL NOT OBLIGATE YOU TO VOTE FOR THE CALIFORNIA WATER ACQUISITION PROPOSAL IN THE FUTURE. THERE CAN BE NO ASSURANCE THAT THE CALIFORNIA WATER ACQUISITION PROPOSAL WILL BE CONSUMMATED IF THE SJW PROPOSALS ARE REJECTED BY SJW STOCKHOLDERS.

The principal executive offices of SJW are located at 110 West Taylor Street, San Jose, California 95110, United States. This Proxy Statement and the enclosed **WHITE** proxy card are first being mailed to SJW stockholders on or about • , 2018.

REASONS TO VOTE "AGAINST" THE SJW PROPOSALS

California Water urges all SJW stockholders to vote "AGAINST" each of the Share Issuance Proposal, the Certificate Amendment Proposal and the Adjournment Proposal for the following reasons:

A rejection of the SJW Proposals by SJW stockholders at the Special Meeting preserves their opportunity to receive the consideration contemplated by the California Water Acquisition Proposal which, if consummated, in our view provides superior economics to SJW stockholders as compared to the Proposed CTWS Merger.

We believe that the California Water Acquisition Proposal, if consummated, would be economically superior to the Proposed CTWS Merger for SJW stockholders because it would provide SJW stockholders an opportunity to receive a significant premium for their shares of common stock of SJW ("*SJW Shares*"). In that regard, the California Water Acquisition Proposal to acquire SJW for \$68.25 per SJW Share in cash:

exceeds SJW's all-time high closing price of \$68.13 as of November 30, 2017;

represents a 30% premium to the \$52.41 closing price of the SJW Shares on April 3, 2018, the day prior to California Water's April 4, 2018 proposal; and

represents a 20% premium to the \$56.90 closing price of the SJW Shares on April 25, 2018, the last trading day prior to the public announcement of the California Water Acquisition Proposal.

Measuring the economic value of the Proposed CTWS Merger is difficult given that we cannot know with certainty what value, if any, might accrue to SJW shareholders if the transaction is consummated. However, we believe the California Water Acquisition Proposal is economically superior because:

As a threshold matter our all-cash \$68.25 per share proposal is higher than the high-end of the range of implied stand-alone equity values per SJW share resulting from the discount cash flow analysis conducted by SJW's own financial advisor in connection with the approval of the CTWS transaction. Such range, as set forth in the SJW/CTWS Proxy Statement, was \$40.75 to \$62.00 (rounded to the nearest \$0.25).(1)

In our view SJW has not provided any concrete quantified and properly supported evidence of the additive value to be created for SJW shareholders in combining SJW and CTWS, such that in concluding that the California Water Acquisition Proposal is economically superior we do not assign any quantifiable value to such SJW Board expectations.

In particular, the summary of SJW's financial advisor's opinion does not include any analysis of the pro forma valuation of SJW following the Proposed CTWS Merger, and whether such valuation would be higher or lower than the standalone valuation of SJW.

The SJW/CTWS Proxy Statement cites as reasons for the Proposed CTWS Merger the increased pro forma enterprise value of the combined company (based on the arithmetic addition of the enterprise value of both companies pre-transaction) and an expectation that the transaction will result "in mid-to-high single-digit accretion on an earnings per share basis to both companies by the second full year," among other reasons.(2) However, absent any more detailed information around such accretion expectations and, more importantly,

Edgar Filing: SJW GROUP - Form PRN14A

the specific assumptions on which they are based, we believe SJW shareholders should substantially discount such expectations.

Any value that SJW expects to create from its transaction with CTWS, if any, is speculative in nature. Among other things, SJW has acknowledged in the SJW/CTWS Proxy Statement:

the challenges inherent in combining the businesses, operations and workforces of two businesses of the size, geographic diversity and complexity of SJW and CTWS, including the potential for (i) unforeseen difficulties in integrating operations and systems, (ii) the possible distraction of management's attention for an extended period of time and (iii) difficulties in assimilating employees;

the risk that the transaction and subsequent integration of the two businesses may preclude other business development opportunities;

the risk of losing key CTWS or SJW employees during the pendency of the merger and thereafter;

the substantial costs to be incurred in connection with the merger, including the costs of integrating the businesses of SJW and CTWS and the refinancing costs, transaction fees, expenses and other payments that will or may arise from the merger;

the risk that governmental entities may impose undesirable conditions on SJW and/or CTWS prior to approving the merger that may adversely impact the combined company; and

the potential of negative regulatory outcomes in Connecticut, Maine, California and Texas following the merger.

As such, expectations of value creation, if any, would have to be risk-adjusted by SJW stockholders.

Although the matter subject to approval by SJW's stockholders is the issuance of additional shares to CTWS (not the receipt of additional consideration), we note that if the Proposed CTWS Merger is completed SJW stockholders will retain their SJW Shares and receive no premium, while paying CTWS shareholders a premium of 18% (based on the relative closing price of SJW and CTWS shares on the last trading day prior to the announcement of the Proposed CTWS Merger).

Information with respect to the range of closing prices for the SJW Shares, which are traded on the New York Stock Exchange ("NYSE"), for certain dates and periods is set forth in the preliminary joint proxy statement/prospectus included in the registration statement on Form S-4 filed by SJW (the "*SJW/CTWS Proxy Statement*") with the United States Securities and Exchange Commission (the "*SEC*") on April 25, 2018. California Water urges SJW stockholders to obtain a current market quotation for the SJW Shares.

Rejection of the SJW Proposals by SJW stockholders at the Special Meeting stops the SJW Board's attempt to proceed with a transaction that California Water believes is an inferior transaction.

We believe that the Proposed CTWS Merger is an inferior transaction, as compared to the California Acquisition Proposal, because among other things:

For the reasons stated above, we believe that the California Water Acquisition Proposal, if consummated, would be economically superior to the Proposed CTWS Merger for SJW stockholders.

If the Proposed CTWS Merger is completed, SJW stockholders would be forced to bear the substantial execution risks associated with operating two separate businesses located 3,000 miles apart in different regulatory environments. In that regard:

We note the following disclosure included on page 33 of the SJW/CTWS Proxy Statement:

"The [Proposed CTWS Merger] involves the combination of two companies that currently operate as independent public companies. The success of the merger will depend, in large part, on the ability of the combined company to realize the anticipated benefits from combining the businesses of SJW and CTWS. To realize these anticipated benefits, the businesses of SJW and CTWS must be successfully integrated. This integration will be complex and time consuming. The failure to integrate successfully and to manage successfully the challenges presented by the integration process may result in the combined company not fully achieving the anticipated benefits of the merger. Potential difficulties the combined company may encounter as part of the integration process include the following:

the inability to successfully combine the businesses of SJW and CTWS in a manner that permits the combined company to achieve the full benefits expected to result from the elimination of duplicative public company and other related costs expected as a result of the merger;

complexities associated with managing the combined businesses, including the challenge of integrating complex systems, technology, networks and other assets of each of the companies in a seamless manner that minimizes any adverse impact on customers, suppliers, employees and other constituencies;

coordinating geographically separated organizations, systems and facilities;

addressing possible differences in business backgrounds, corporate cultures and management philosophies;

integrating the workforces of the two companies while maintaining focus on providing consistent, high quality customer service;

potential unknown liabilities and unforeseen increased or new expenses, delays or regulatory conditions associated with the merger;

diversion of the attention of each company's management;

failure to perform by third-party service providers who provide key services for the combined company; and

the disruption of, or the loss of momentum in, each company's ongoing businesses or inconsistencies in operations, services, standards, controls, procedures and policies, any of which could adversely affect each company's ability to maintain relationships with customers, vendors, employees and other constituencies or SJW's and CTWS's ability to achieve the anticipated benefits of the merger, or which could reduce each company's earnings or otherwise adversely affect the business and financial results of the combined company."

Edgar Filing: SJW GROUP - Form PRRN14A

We are not aware of any member of SJW or CTWS senior management having experience of concurrently managing water utility systems in California and New England. SJW's current CEO, Eric Thornburg, previously ran CTWS and, therefore, is familiar with the regulatory environment in which CTWS operates, and based on his seven-month tenure as SJW's CEO he is presumably now becoming familiar with San Jose, but in our view still has limited exposure to the California regulatory environment and rule setting as prescribed by the California Public

Edgar Filing: SJW GROUP - Form PRN14A

Utilities Commission. And we do not believe he has relevant experience running and managing the risks and complexities of both systems simultaneously.

Following completion of the Proposed CTWS Merger, SJW would be led by a CEO and Board half of which in our view is largely unfamiliar with the San Jose community and the unique challenges of running a California-based water utility. Five out of 12 directors for the new SJW/CTWS Board would come from CTWS, and CTWS appoints the lead independent director. A sixth member of the new SJW/CTWS Board, Eric Thornburg, who will also be CEO of the combined company, ran CTWS for more than 11 years, until last September 2017. We do not believe that Mr. Thornburg's less-than-a-year tenure as CEO of SJW is long enough to equip him with the level of familiarity and depth of experience in the State of California ideal to run a California-based water utility.

The path to completion is uncertain given that a third party, Eversource Energy, has submitted a proposal to acquire CTWS and is soliciting proxies from CTWS shareholders to vote against the Proposed CTWS Merger. Since the Proposed CTWS Merger requires the approval of holders of two-thirds of the outstanding CTWS common shares, we believe that the Eversource Energy proposal and solicitation creates a high degree of uncertainty around the completion of the Proposed CTWS Merger.

The Proposed CTWS Merger requires regulatory approvals in both Connecticut and Maine. We believe that regulators in these two states have no formal relationships with SJW given SJW's lack of operations in either state, which could delay the receipt of requisite approvals in one or both jurisdictions beyond calendar year 2018.

BACKGROUND OF THE SOLICITATION

California Water's Board of Directors continuously explores all available avenues for profitable growth, including evaluating opportunities for strategic acquisitions. In connection with such strategic evaluation, California Water has numerous times over many years proposed to SJW that SJW and California Water engage in discussions regarding a potential business combination transaction. SJW has declined to engage in such discussions.

During August 2017, Martin Kropelnicki, the CEO of California Water, talked with W. Richard Roth, the then-President, Chief Executive Officer ("*CEO*") and Chairman of the Board of SJW, to discuss a possible merger of the companies. Mr. Roth advised California Water to direct its inquiries to Daniel More of the SJW Board of Directors.

On September 18, 2017, California Water privately submitted a written non-binding proposal to the SJW Board of Directors (the "*SJW Board*") to acquire 100% of the issued and outstanding SJW Shares for a 25% to 30% premium to SJW's then-current share price in cash and/or California Water common shares, at the election of SJW stockholders. At the close of business on September 18, 2017, the closing price of SJW Shares was \$56.54 per share.

On September 28, 2017, SJW announced that it had appointed Eric Thornburg, the then-CEO of CTWS, to serve as president and CEO of SJW, effective as of November 6, 2017.

On October 26, 2017, Mr. More sent a response e-mail to a representative of California Water's financial advisor that indicated that the SJW Board had unanimously decided that California Water's September 18, 2017 proposal was not in the best interests of SJW's stockholders, and the SJW Board was not going to pursue California Water's proposal at that time.

On March 15, 2018, SJW and CTWS announced that they had entered into the CTWS Merger Agreement.

On April 4, 2018, California Water privately submitted a written all-cash proposal to the SJW Board to acquire 100% of the issued and outstanding SJW Shares for \$68.25 per share.

On April 16, 2018, Peter Nelson, Chairman of the Board of Directors of California Water, called Robert Van Valer, lead independent director of SJW, to follow up regarding California Water's April 4, 2018 proposal. Mr. Nelson left a message at Mr. Van Valer's office requesting a call back.

On April 17, 2018, California Water delivered a private letter to SJW that noted California Water's surprise that it had not received a response from the SJW Board to California Water's April 4, 2018 proposal.

On April 18, 2018, Mr. Van Valer sent an e-mail to Mr. Nelson assuring Mr. Nelson that SJW Group would be back in touch regarding California Water's proposal "in due course."

On the morning of April 25, 2018, SJW held its annual meeting of stockholders to elect all eight members of its Board of Directors. Later that day after the close of business, SJW filed the SJW/CTWS Proxy Statement with the SEC. The SJW/CTWS Proxy Statement disclosed for the first time that the SJW Board had already met on April 13, 2018 and voted at that time to reject California Water's April 4, 2018 all-cash proposal and had also determined that it neither constituted nor was reasonably likely to lead to a superior proposal as defined in the CTWS Merger Agreement. The SJW/CTWS Proxy Statement referred to California Water as "Company X."

Concurrent with the filing of the SJW/CTWS Proxy Statement, SJW delivered to California Water a private letter communicating the SJW Board's April 13, 2018 determinations. Shortly thereafter, on the evening of April 25, 2018, press reports surfaced indicating that California Water was "Company X."

Edgar Filing: SJW GROUP - Form PRN14A

On the morning of April 26, 2018, before the opening of the market, California Water issued a press release confirming that it had previously delivered to SJW an all-cash proposal to acquire SJW for \$68.25 per share. Concurrent with the issuance of the press release, California Water delivered to SJW a letter reiterating its \$68.25 all-cash proposal. A copy of the letter was included in California Water's press release.

Later in the morning of April 26, 2018, SJW issued a press release reaffirming its rejection of California Water's \$68.25 per share all-cash proposal. The press release included a copy of the letter delivered by SJW to California Water the prior evening.

On May 2, 2018, California Water filed a preliminary Proxy Statement with the SEC with respect to soliciting votes against the Share Issuance Proposal, the Certificate Amendment Proposal and the Adjournment Proposal.

CERTAIN INFORMATION CONCERNING THE CALIFORNIA WATER ACQUISITION PROPOSAL

California Water has proposed to acquire SJW for \$68.25 per share in an all-cash transaction. The proposal, which we refer to in this Proxy Statement as the California Water Acquisition Proposal, is conditioned on termination of the existing merger transaction with CTWS, completion by California Water of confirmatory due diligence of SJW, and finalizing definitive transaction documents between California Water and SJW. We believe that with the cooperation of the SJW Board, we can complete such confirmatory due diligence and the negotiation of definitive transaction documents within two weeks. We are confident in our ability to finance this transaction, and any definitive transaction documentation will not include a financing condition.

The SJW Board has taken the position that the California Water Acquisition Proposal does not constitute a superior proposal and is not reasonably likely to lead to a superior proposal under the terms of its existing merger agreement with CTWS, such that SJW purports to be contractually constrained from engaging in discussions with California Water. We disagree with that conclusion given the economic terms of our proposal, which represented a 30% premium to SJW's share price at the time of California Water's April 4, 2018 proposal, and represents a 20% premium to SJW's closing stock price the day prior to our public announcement of our proposal. In that regard, we believe that the SJW Board has sufficient flexibility under the terms of its merger agreement with CTWS to immediately engage with us in good faith discussions regarding the merits of our proposal.

If the SJW Board concludes our proposal is a "superior proposal" and it then proceeds to terminate the CTWS Merger Agreement to enter into a definitive transaction agreement with California Water, CTWS may be entitled to a termination fee from SJW in an amount of \$42.5 million.

Required Regulatory Approvals

Completion of the acquisition of SJW by California Water would be subject to the following regulatory approvals, which we believe we can obtain within eight months following submission of the requisite applications based on our review of relevant regulatory requirements with the assistance of outside counsel:

The California Public Utilities Code requires California Public Utilities Commission ("*CPUC*") approval before a utility may sell the whole of its system, and before any person shall "merge, acquire, or control either directly or indirectly any public utility organized and doing business" in California. Both California Water and SJW would jointly file an application for the acquisition. The CPUC will review the transaction to determine whether the transaction will be "adverse to the public interest."

Because SJW is the parent of a Texas water utility ("*SJWTX*"), approval of the Texas Public Utilities Commission ("*TPUC*") will also be required. The Texas Codes require TPUC approval of any "sale, transfer, merger, consolidation, acquisition, lease, or rental" of a water utility.

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "*HSR Act*"), California Water and SJW would need to file notifications with the United States Federal Trade Commission and the Antitrust Division of the United States Department of Justice and observe a mandatory pre-acquisition waiting period before completing the acquisition.

Under Federal Communications Commission ("*FCC*") regulations implementing provisions of the Communications Act of 1934, as amended, an entity holding private radio licenses for internal communications purposes generally must obtain the pre-approval of the FCC before the direct or indirect transfer of control or assignment of those licenses. If it is determined during our confirmatory due diligence of SJW that SJW holds FCC licenses for private internal communications, then SJW will have to obtain prior FCC approval to assign or transfer indirect control of those licenses.

Transaction Financing

California Water anticipates that the sources of funds necessary to finance the consummation of the acquisition of SJW and to pay fees, commissions and expenses in connection therewith would be comprised of borrowings by California Water under a new \$1.55 billion bridge loan facility (the "*Bridge Financing*") that may be refinanced with a combination of (i) new debt financing, including the issuance by California Water of senior notes, other debt securities pursuant to a public offering or Rule 144A or other private placement or loans (the "*Debt Financing*"), (ii) equity or equity linked securities of California Water issued to new public or private investors (the "*Equity Financing*") and/or (iii) available balance sheet cash on hand.

On April 2, 2018, California Water's financial advisor, Morgan Stanley & Co. LLC ("*MS&Co.*"), delivered to California Water a letter expressing that as of that date MS&Co. was highly confident of its ability to arrange and underwrite up to \$1.55 billion of the Bridge Financing for the SJW acquisition, including through its affiliates or joint venture partners (the "*Highly Confident Letter*"). A copy of such letter was delivered to SJW's Board with our April 4, 2018 proposal.

The Highly Confident Letter was not intended to be and should not be construed as a commitment by MS&Co. to, when delivered or in the future, provide, arrange, underwrite, purchase or place all or any portion of the Bridge Financing, the Debt Financing or the Equity Financing, or confer any benefits upon, or create any rights in favor of, any person or entity and may not be relied upon by any person or entity, and MS&Co. expressed no view as to its willingness to hold any portion of the Bridge Financing, the Debt Financing or the Equity Financing. Please be advised that, while such view may change subsequent to the date of the date of the Highly Confident Letter, MS&Co. does not have any obligation to inform California Water of any change in such view or to withdraw or reaffirm such view in the Highly Confident Letter.

CERTAIN INFORMATION CONCERNING THE PROPOSED CTWS MERGER

At the Special Meeting, SJW stockholders of record at the close of business on the Record Date will be voting on, among other things, whether to approve the Share Issuance Proposal and the Certificate Amendment Proposal in connection with the closing of the Proposed CTWS Merger. According to the SJW/CTWS Proxy Statement, under the terms of the CTWS Merger Agreement, each share of common stock, without par value, of CTWS (each, a "*CTWS Common Share*"), other than CTWS Common Shares directly or indirectly owned by SJW, Hydro Sub, Inc., a direct wholly owned subsidiary of SJW ("*Merger Sub*"), CTWS or any of their respective subsidiaries (in each case, other than any CTWS Common Shares held on behalf of third parties), will be converted into the right to receive 1.1375 SJW Shares. SJW stockholders would continue to retain their shares after the Proposed CTWS Merger. According to the SJW/CTWS Proxy Statement, as a result of the Proposed CTWS Merger, SJW stockholders would own approximately 60% of the combined company.

Closing Conditions

According to the SJW/CTWS Proxy Statement, each party's obligations to consummate the Proposed CTWS Merger is conditioned upon the satisfaction (or waiver by such party) at or prior to the closing of the Proposed CTWS Merger of each of the following:

approval of the merger agreement by CTWS shareholders;

approval of the Share Issuance Proposal by SJW stockholders;

approval of the Certificate Amendment Proposal by SJW stockholders;

filing with and acceptance by the Secretary of State of the State of Delaware of the SJW certificate of incorporation amendment;

approval of the listing on the NYSE of the shares of SJW common stock to be issued to CTWS shareholders pursuant to the merger, subject to official notice of issuance;

any required approvals (as listed below) having been obtained and having become final orders (as to which all conditions, not within the control of SJW or CTWS, to the consummation of such transactions prescribed by applicable law or order have been satisfied) and any waiting period having expired or been terminated, and that do not impose terms or conditions that are materially adverse to CTWS, SJW, or CTWS and SJW as a combined company ("*Combined SJW*"), in each case, taken as a whole (and in the case of SJW and Combined SJW, the materiality assessed for an equivalent entity of the size and scale of CTWS);

the expiration or earlier termination of the waiting period applicable to the completion of the merger and the other transactions contemplated by the merger agreement under the HSR Act. SJW and CTWS announced on April 30, 2018 that the Federal Trade Commission has granted early termination of the waiting period under the HSR Act;

any pre-approvals of license transfers by the FCC;

consents required by the Connecticut Public Utilities Regulatory Authority; and

consents required by the Maine Public Utilities Commission;

absence of any statute, law, ordinance, rule, regulation, binding legal requirement, judgment, order or decree by any court, tribunal or other governmental entity of appropriate jurisdiction that seeks to make illegal or prohibit the consummation of

the merger, the SJW certificate of incorporation amendment or the other transactions contemplated by the merger agreement;
and

effectiveness of the SJW/CTWS Proxy Statement and the absence of a stop order or proceedings initiated and not
subsequently withdrawn by the SEC for that purpose.

Edgar Filing: SJW GROUP - Form PRN14A

According to the SJW/CTWS Proxy Statement, the obligations of each of SJW and Merger Sub, on the one hand, and CTWS, on the other hand, to effect the merger is subject to the satisfaction or waiver of each of the following additional conditions:

the representations and warranties of the other party (other than the representations and warranties related to (i) the shares of capital stock issued and outstanding or reserved for issuance, (ii) the absence of any outstanding voting debt interests, (iii) the authority with respect to the execution, delivery, and performance of the merger agreement and the due and valid authorization and enforceability of the merger agreement, (iv) the fees payable to a financial advisor, broker or finder in connection with the transactions under the merger agreement and (v) solely in the case of SJW and Merger Sub, the sole purpose of and lack of business engagement by Merger Sub) will be true and correct (without giving effect to any materiality or material adverse effect qualifications contained in such representations and warranties) as of the closing date of the merger (except to the extent such representations or warranties are expressly made as of an earlier date, which need only be true and correct as of such earlier date), except to the extent that any failures of such representations and warranties to be so true and correct, individually or in the aggregate, have not had and would not reasonably be expected to have a material adverse effect;

the representations and warranties of the other party relating to (i) the absence of any outstanding voting debt interests, (ii) the authority with respect to the execution, delivery, and performance of the merger agreement and the due and valid authorization and enforceability of the merger agreement and (iii) the fees payable to a financial advisor, broker or finder in connection with the transactions under the merger agreement will be true and correct in all material respects as of the closing date of the merger (except to the extent such representations or warranties address matters only as of an earlier date, which need only be true and correct as of such earlier date);

the representations and warranties of the other party relating to (i) the shares of capital stock issued and outstanding or reserved for issuance and (ii) solely in the case of SJW and Merger Sub, the sole purpose of and lack of business engagement by Merger Sub, will be true and correct in all respects (except *de minimis* errors) as of the closing date of the merger (except to the extent such representations or warranties are expressly made as of an earlier date, which need only be true and correct as of such earlier date);

the other party having performed in all material respects all of its obligations under the merger agreement at or prior to the closing of the merger;

receipt of a certificate executed by an executive officer of the other party certifying as to the satisfaction of the conditions described in the preceding four bullet points;

no fact, circumstance, effect, change, event or development will have occurred that, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect on the other party that has not been ameliorated or cured; and

receipt of a legal opinion of such party's counsel (or such other nationally recognized tax counsel), dated as of the closing date of the merger, to the effect that the merger will qualify as a "reorganization" within the meaning of Section 368(a) of the U.S. Internal Revenue Code of 1986, as amended.

Termination

According to the SJW/CTWS Proxy Statement, the merger agreement may be terminated at any time prior to the effective time of the merger, before or after the receipt of the required SJW stockholder and CTWS shareholder approvals, under the following circumstances:

by mutual written consent of SJW and CTWS;

by either SJW or CTWS:

if the merger is not consummated on or before March 14, 2019, except if, as of 5:00 p.m., Pacific time, on March 14, 2019, all the conditions to closing have been satisfied or waived, or will then be capable of being satisfied (other than the conditions related to required governmental approvals having been obtained and having become final orders and those conditions that by their nature are to be satisfied at the closing of the merger), such date will be extended automatically to June 14, 2019 (such date, as so extended, the "end date"); provided that the right to terminate the merger agreement under the provision described in this bullet will not be available to any party if such failure of the merger to occur on or before the end date is the result of a material breach of any representation, warranty, covenant or agreement of the merger agreement by such party (the "*end-date termination provision*");

if any law or final and non-appealable judgment, order or decree is issued, imposed or deemed applicable to the merger by any governmental entity of competent jurisdiction which permanently prohibits or makes illegal the consummation of the merger, the SJW certificate of incorporation amendment or the other transactions contemplated by the merger agreement; except that the right to terminate the merger agreement under the provision described in this bullet will not be available to any party if such failure of the merger to be capable of being consummated is the result of the failure of such party to comply with the reasonable best efforts covenant under the merger agreement;

if SJW stockholders fail to approve either the Share Issuance Proposal or Certificate Amendment Proposal at the Special Meeting (the "*SJW stockholder approval failure termination provision*"); or

if CTWS shareholders fail to approve the merger agreement at the CTWS shareholders meeting (or, if the CTWS shareholders meeting has been adjourned or postponed, at the final adjournment or postponement thereof) (the "*CTWS shareholder approval failure termination provision*");

by SJW:

if CTWS has breached or failed to perform any of its obligations under the merger agreement, or if any of its representations or warranties has failed to be true and correct, which breach or failure to perform (i) is not reasonably capable of being cured by CTWS by the end date, or is not cured by CTWS within the earlier of (x) 45 days after receiving written notice from SJW or (y) three business days prior to the end date and (ii) would give rise to the failure of certain closing conditions; provided that the right to terminate the merger agreement under the provision described in this bullet will not be available to SJW if SJW is then also in breach of any of its covenants or agreements, or if any of its representation or warranties has failed to be true and correct such as would give rise to the failure of certain closing conditions;

prior to the time that CTWS shareholders approve the merger agreement, if:

CTWS materially breaches any of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement;

the CTWS board of directors has made an adverse recommendation change;

CTWS has failed to include, in this joint proxy statement/prospectus, the recommendation of its board of directors that CTWS shareholders approve the merger agreement;

following the receipt of a takeover proposal with respect to CTWS, the CTWS board of directors has failed to publicly reaffirm its recommendation of the merger agreement, the merger and the other transactions contemplated by the merger agreement within 10 business days after SJW reasonably requests in writing that such recommendation be reaffirmed; or

a tender or exchange offer relating to any shares of CTWS common stock has been publicly commenced and CTWS has not, within 10 business days after the commencement thereof, recommended rejection of such tender or exchange offer and reaffirmed its recommendation of the merger agreement and the merger and the other transactions contemplated by the merger agreement; or

prior to the time that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal, if SJW is not in material breach of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement in order to accept a superior proposal with respect to SJW and enter into an acquisition agreement related to such superior proposal, and SJW pays to CTWS a termination fee of \$42.5 million pursuant to the terms of the merger agreement;

by CTWS:

if SJW or Merger Sub has breached or failed to perform any of its obligations under the merger agreement, or if any of their respective representations or warranties has failed to be true and correct, which breach or failure to perform (i) is not reasonably capable of being cured by SJW or Merger Sub by the end date, or is not cured by SJW or Merger Sub, as applicable, within the earlier of (x) 45 days after receiving written notice from CTWS or (y) three business days prior to the end date and (ii) would give rise to the failure of certain closing conditions; provided that the right to terminate the merger agreement under the provision described in this bullet will not be available to CTWS if CTWS is then also in breach of any of its covenants or agreements, or if any of its representation or warranties has failed to be true and correct such as would give rise to the failure of certain closing conditions (the "*SJW material breach termination provision*");

prior to the time that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal, if:

SJW materially breaches any of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement;

the SJW board of directors has made an adverse recommendation change;

SJW has failed to include, in the SJW/CTWS Proxy Statement, the recommendation of its board of directors that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal;

Edgar Filing: SJW GROUP - Form PRN14A

following the receipt of a takeover proposal with respect to SJW, the SJW board of directors has failed to publicly reaffirm its recommendation of the merger agreement, the merger and the other transactions contemplated by the merger agreement within 10 business days after CTWS reasonably requests in writing that such recommendation be reaffirmed; or

a tender or exchange offer relating to any shares of SJW common stock has been publicly commenced and SJW has not, within 10 business days after the commencement thereof, recommended rejection of such tender or exchange offer and reaffirmed its recommendation of the merger agreement and the merger and the other transactions contemplated by the merger agreement; or

prior to the time that CTWS shareholders approve the merger agreement, if CTWS is not in material breach of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement in order to accept a superior proposal with respect to CTWS and enter into an acquisition agreement related to such superior proposal, and CTWS pays to SJW a termination fee of \$28.1 million pursuant to the terms of the merger agreement.

Effects of Termination; Termination Fees

According to the SJW/CTWS Proxy Statement, in the event of a valid termination of the merger agreement, other than termination by mutual written consent, written notice will be given by the terminating party to the other party specifying the provision pursuant to which such termination is made. In the event of a valid termination of the merger agreement, the merger agreement will be terminated and will become void and have no effect, without any liability or obligation on the part of SJW or CTWS, except that certain provisions regarding the termination fee and other general matters will survive such termination and nothing in the merger agreement will relieve any party from liabilities or damages incurred or suffered as a result of fraud, willful misconduct, intentional misrepresentation or intentional breach by such party of any covenant or agreement set forth in the merger agreement. In such case, neither party will be under any obligation to hold a special meeting. The termination of the merger agreement will not affect the obligations of the parties contained in the confidentiality agreement between SJW and CTWS.

According to the SJW/CTWS Proxy Statement, each party will pay all fees and expenses incurred by it in connection with the merger and the other transactions contemplated by the merger agreement. SJW will be obligated to pay a termination fee of \$42.5 million to CTWS if:

CTWS terminates the merger agreement, prior to the time that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal, as a result of any of the following:

SJW materially breaches any of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement;

the SJW board of directors has made an adverse recommendation change;

SJW has failed to include, in the SJW/CTWS Proxy Statement, the recommendation of its board of directors that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal;

following the receipt of a takeover proposal with respect to SJW, the SJW board of directors has failed to publicly reaffirm its recommendation of the merger agreement, the merger and the other transactions contemplated by the merger agreement within 10

Edgar Filing: SJW GROUP - Form PRN14A

business days after CTWS reasonably requests in writing that such recommendation be reaffirmed; or

a tender or exchange offer relating to any shares of SJW common stock has been publicly commenced and SJW has not, within 10 business days after the commencement thereof, recommended rejection of such tender or exchange offer and reaffirmed its recommendation of the merger agreement and the merger and the other transactions contemplated by the merger agreement;

SJW terminates the merger agreement because SJW stockholders fail to approve either the Share Issuance Proposal and Certificate Amendment Proposal at the Special Meeting, at any time during which CTWS would have been permitted to terminate the merger agreement under the provision described in the primary bullet immediately above;

SJW terminates the merger agreement in order to accept a superior proposal and enter into an acquisition agreement related to such superior proposal, prior to the time that SJW stockholders approve both the Share Issuance Proposal and Certificate Amendment Proposal, if SJW is not in material breach of its obligations described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement; or

each of the following three events occurs:

a takeover proposal is made to SJW or becomes publicly known, or an intention to make such a takeover proposal is publicly announced and not publicly withdrawn, after the date of the merger agreement and prior to the SJW stockholders meeting;

the merger agreement is thereafter terminated by (A) CTWS or SJW pursuant to either of the end-date termination provision (if the SJW stockholders meeting has not been held) or the SJW stockholder approval failure termination provision, or (B) CTWS pursuant to the SJW material breach termination provision; and

within 12 months of such termination of the merger agreement, SJW enters into a definitive contract to consummate or consummates a takeover proposal; provided that for purposes of the provision described in this bullet, the term "takeover proposal" has the meaning described under " No Solicitation of Alternative Proposals" in the SJW/CTWS Proxy Statement, except that all references to 15% therein will be changed to 50%.

SJW will be obligated to reimburse CTWS for certain fees and expenses in an amount not to exceed \$5 million if either SJW or CTWS terminates the merger agreement because SJW stockholders fail to approve of either or both of the Share Issuance Proposal and Certificate Amendment Proposal. If any termination fee is later payable by SJW to CTWS, the amount of such termination fee payable by SJW will be reduced by the expense reimbursement amount actually paid by SJW to CTWS.

VOTING PROCEDURES

According to the SJW/CTWS Proxy Statement, as of the Record Date there were • SJW Shares entitled to vote at the Special Meeting. Each outstanding SJW Share is entitled to one vote on each proposal and any other matter properly coming before the Special Meeting.

Under SJW's bylaws, the presence, in person or by proxy, of the holders of a majority of the SJW Shares outstanding as of the Record Date and entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. Once an SJW Share is represented at the Special Meeting, it will be counted for the purpose of determining a quorum at the Special Meeting and any adjournment of the Special Meeting. However, if a new Record Date is set for the adjourned Special Meeting, then a new quorum will have to be established.

In accordance with NYSE rules, brokers and nominees who hold SJW Shares in street-name for customers may not exercise their voting discretion with respect to the Share Issuance Proposal, the Certificate Amendment Proposal, or the Adjournment Proposal related thereto. Thus, absent specific instructions from the beneficial owner of such SJW Shares, these SJW Shares will not be counted for purposes of determining whether a quorum is present.

The Share Issuance Proposal requires the affirmative vote of holders of a majority of the outstanding SJW Shares present in person or represented by proxy at the Special Meeting and entitled to vote on the proposal. Failures to vote and broker non-votes will have no effect on the proposal, assuming a quorum is present. Abstentions are treated the same as votes "AGAINST" this proposal.

Approval of the Certificate Amendment Proposal requires the affirmative vote of holders of a majority of the outstanding SJW Shares entitled to vote on the proposal. Failures to vote, broker non-votes and abstentions will have the effect of a vote "AGAINST" this proposal.

Approval of the Adjournment Proposal requires the affirmative vote of holders of a majority of the outstanding SJW Shares present in person or represented by proxy at the Special Meeting and entitled to vote on the proposal. SJW stockholders may adjourn the Special Meeting to another time or place without further notice unless the adjournment is for more than 30 days or if after the adjournment a new record date is fixed for the adjourned meeting, in which case a notice of the adjourned meeting shall be given to each SJW stockholder of record entitled to vote at the meeting. Failures to vote and broker non-votes will have no effect on the proposal. Abstentions will have the effect of a vote "AGAINST" this proposal.

SJW stockholders may abstain from voting on any or all of the proposals or may vote for or against any or all of the proposals by internet or telephone or by marking the proper box on the **WHITE** proxy card and signing, dating and returning it promptly in the enclosed postage-paid envelope. If an SJW stockholder returns a **WHITE** proxy card that is signed, dated and not marked with respect to an SJW Proposal, that stockholder will be deemed to have voted "AGAINST" such proposal.

If an SJW stockholder returns a **WHITE** proxy card that is signed and dated but not marked with respect to any proposal unrelated to the Proposed CTWS Merger, we will vote to "ABSTAIN" unless such proposal adversely affect the interests of California Water as determined by California Water in its sole discretion, in which event such persons will vote on such proposals in their discretion.

Only SJW stockholders (or their duly appointed proxies) of record on the Record Date are eligible to vote in person or submit a proxy.

FORWARD-LOOKING STATEMENTS

This Proxy Statement contains forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("*Act*"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about California Water, the water utility industry and general economic conditions. Such words as would, expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forward-looking statement. Factors that may cause a result different than expected or anticipated include, but are not limited to: the failure to consummate the proposed transaction with SJW upon the terms set forth in California Water's Acquisition Proposal; governmental and regulatory commissions' decisions; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; changes in environmental compliance and water quality requirements; electric power interruptions; changes in customer water use patterns and the effects of conservation; the impact of weather and climate on water availability, water sales and operating results; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; labor relations matters as we negotiate with the unions; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forward-looking statements, you should keep in mind the cautionary statements included in this paragraph, as well as our Annual 10-K, Quarterly 10-Q, and other reports filed from time-to-time with the Securities and Exchange Commission. California Water assumes no obligation to provide public updates of forward-looking statements except to the extent required by law.

OTHER INFORMATION

The information concerning SJW and the Proposed CTWS Merger contained herein (including Schedule II) has been taken from, or is based upon, publicly available documents on file with the SEC and other publicly available information. Although California Water has no knowledge that would indicate that statements relating to SJW or the CTWS Merger Agreement contained in this Proxy Statement, in reliance upon publicly available information, are inaccurate or incomplete, to date it has not had access to the books and records of SJW, was not involved in the preparation of such information and statements and is not in a position to verify any such information or statements. See Schedule II for information regarding persons who beneficially own more than 5% of the SJW Shares and the ownership of the SJW Shares by the directors and officers of SJW.

Pursuant to Rule 14a-5 promulgated under the Securities Exchange Act of 1934, as amended, reference is made to the preliminary joint proxy statement/prospectus included in the SJW/CTWS Proxy Statement for information concerning the CTWS Merger Agreement, the Proposed CTWS Merger, financial information regarding SJW, CTWS and the proposed combination of SJW and CTWS, the proposals to be voted upon at the Special Meeting, the SJW Shares, other information concerning SJW's management, the procedures for submitting proposals for consideration at the next annual meeting of stockholders of SJW and certain other matters regarding SJW and the Special Meeting.

The California Water Acquisition Proposal is subject to a number of conditions, including the termination of the CTWS Merger Agreement, and receipt of all required regulatory approvals, consents and waivers. There are no assurances that all of the conditions to the California Water Acquisition Proposal will be satisfied or that the California Water Acquisition Proposal will be consummated if SJW stockholders reject the Proposed CTWS Merger. Consequently, following a rejection of the Proposed CTWS Merger, SJW may remain independent of California Water and CTWS. SJW stockholders should take all of these factors into account when determining how to vote their SJW Shares.

THIS PROXY STATEMENT RELATES SOLELY TO THE SOLICITATION OF PROXIES WITH RESPECT TO THE PROPOSED CTWS MERGER AND IS NOT A SOLICITATION OF PROXIES WITH RESPECT TO THE CALIFORNIA WATER ACQUISITION PROPOSAL.

WE URGE YOU NOT TO RETURN ANY PROXY CARD YOU RECEIVE FROM SJW EVEN AS A PROTEST VOTE AGAINST THE PROPOSED CTWS MERGER.
