Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

### Adoption of Amended Key Manager Incentive Plan

On April 3, 2007, the Compensation Committee of the Board of Directors of ENGlobal Corporation (the "Company") adopted an amended Key Manager Incentive Plan, effective January 1, 2007. In amending the Key Manager Incentive Plan, the Company combined its former Executive Level Incentive Plan, which was terminated by the Company's Board of Directors effective December 31, 2006, with its existing Key Manager Incentive Plan. Participants in the former Executive Level Incentive Plan, including the Company's CFO and Senior Vice President of Business Development, are now covered under the amended Key Manager Incentive Plan. The Company's Chief Executive Officer, William A. Coskey, has elected not to be a participant in the Key Manager Incentive Plan in 2007.

The Key Manager Incentive Plan is designed to motivate the Company's executives and certain key managers to promote the Company's core values. Under the Key Manager Incentive Plan, if the Company's adjusted earnings per share for a year, after subtracting all incentive compensation, exceeds adjusted earnings per share in the immediately preceding calendar year, the Company designates a bonus pool equal to \$80,000 for each penny per share of earnings the Company makes that is above the prior year's earnings per share. However, for 2007, earnings per share will be measured against 2005 earnings per share. The amount of the bonus pool under the Key Manager Incentive Plan is not permitted to exceed 10% of adjusted pre-tax, pre-bonus earnings for the year for which the bonus is paid. Amounts in the bonus pool are distributed in the discretion of the Chief Executive Officer, after consultation with the Company's management, based on evaluations of each eligible participant, assessing factors such as financial performance, client satisfaction, and leadership. In addition, in the discretion of the Chief Executive Officer, an amount equal to 10% to 15% of the total bonus pool may be allocated for any employees exhibiting performance over and above requirements of their position, when their performance has resulted in the addition of new clients, an improvement in the Company's financial performance, the award of new projects, or other significant activities that reflect the Company's core values.

The foregoing description of the Key Manager Incentive Plan does not purport to be complete and is qualified in its entirety by reference to the plan, which is filed as Exhibit 10.43 and is incorporated herein by reference.
