Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard: Transfer of Listing.

Telephone and Data Systems, Inc. ("TDS") is not in compliance with Sections 134 and 1101 of the American Stock Exchange ("AMEX") Company Guide and its listing agreement as a result of TDS's failure to file its quarterly report on Form 10-Q ("Form 10-Q") for the period ended March 31, 2006 on a timely basis. TDS's Common Shares are traded on the AMEX under the symbols TDS and TDS.S. As a result of the prior delay in the filing of TDS's annual report on Form 10-K ("Form 10-K") for the year ended December 31, 2005, TDS and TDS.S are currently trading as TDS.LF and TDS.S.LF, with the indicator "LF" standing for "Late Filer." The AMEX has advised that, as a result of the late filing of the Form 10-Q for the period ended March 31, 2006, this indicator will remain in effect until TDS files both its Form 10-K for the year ended December 31, 2005 and its Form 10-Q for the period ended March 31, 2006. However, as previously disclosed, the AMEX granted TDS an extension until June 30, 2006 to regain compliance with AMEX listing standards. TDS expects to regain compliance with such AMEX listing standards when it has filed with the Securities and Exchange Commission ("SEC") its Form 10-K for the year ended December 31, 2005 and its

Form 10-Q for the period ended March 31, 2006 on or prior to June 30, 2006.

TDS is also not in compliance with listing requirements of the New York Stock Exchange ("NYSE") as a result of TDS's failure to file its Form 10-Q for the period ended March 31, 2006 on a timely basis. TDS debt securities are traded on the NYSE under the symbols TDA and TDI. As a result of the prior delay in the filing of TDS's Form 10-K for the year ended December 31, 2005, TDA is currently trading as TDA.LF and TDI is trading as TDI.LF, with the indicator "LF" standing for "Late Filer." The NYSE has advised that, as a result of the late filing of the Form 10-Q for the period ended March 31, 2006, this indicator will remain in effect until TDS files both its Form 10-K for the year ended December 31, 2005 and its Form 10-Q for the period ended March 31, 2006. TDS expects to regain compliance with such NYSE listing standards when it has filed with the SEC its Form 10-K for the year ended December 31, 2005 and its Form 10-Q for the period ended March 31, 2006.

As previously disclosed, TDS restated its financial results for each of the three years in the period ended December 31, 2004, including quarterly information for 2004 and 2003 and certain selected financial data for 2001 and 2000. As a result, TDS filed its Form 10-Q for the period ended September 30, 2005 on a delayed basis. This delay caused TDS to fail to file its annual report on Form 10-K for the year ended December 31, 2005 and its Form 10-Q for the period ended March 31, 2006 on a timely basis.
