Item 1.01 Entry into a Material Definitive Agreement

On April 25, 2018, Lexaria announced it has entered a definitive technology licensing agreement (the Agreement) with GP Holdings LLC. (GP) whereby Lexaria is providing its patented DehydraTECH™ technology to empower next-generation performance in high absorption, fast acting cannabis infused beverages to be developed and sold in California.

GP has acquired 5-year semi-exclusive rights to use Lexaria's DehydraTECH™ technology for beverage applications within California for an undisclosed sum and a royalty on revenue generated on products sold utilizing DehydraTECH™. In addition, GP also intends to develop topical skin products using the technology and has also acquired matching rights for this application.
