Item 8.01 Other Events

On October 19, 2012, the Board of Directors of Greene County Bancorp, Inc. announced a quarterly cash dividend of \$0.175 per share. A press release announcing the details of the declaration is filed as exhibit 99.1.

The Company is the majority-owned subsidiary of Greene County Bancorp, MHC, a federal mutual holding company, which owns 55.1% of the Company's outstanding common shares. Historically, Greene County Bancorp, MHC has waived its right to receive dividends declared on its shares of the Company's common stock, and Greene County Bancorp, MHC has waived the receipt of dividends for the quarter end September 30, 2012, subject to the non-objection of the Federal Reserve Board. The Federal Reserve Board has adopted interim final regulations that impose significant conditions and restrictions on the ability of mutual holding companies to waive the receipt of dividends from their subsidiaries, and the Board of Directors does not expect that Greene County Bancorp, MHC will obtain the non-objection of the Federal Reserve Board to waive the receipt of its dividends on the Company's common stock for the September 30, 2012 quarter. Accordingly, it is expected that the dividend for the September 30, 2012 quarter will be paid to Greene County Bancorp, MHC. The MHC intends to hold a special meeting of members to vote on a proposal to approve the waiver of future dividends paid by the Company. However, this meeting is not expected to occur in time for the MHC to waive its receipt of the dividend payable for the September 30, 2012 quarter.
