## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and the Plan Administrative Committee of  
the Harsco Corporation Savings Plan:

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Harsco Corporation Savings Plan (the "Plan") at December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of

Edgar Filing: HARSCO CORP - Form 11-K

1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

-----

1. General Description of Plan:

-----

General

-----

The following description of the Harsco Corporation Savings Plan (the

## Edgar Filing: HARSCO CORP - Form 11-K

"Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan designed to comply with the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and with the requirements for qualification under Sections 401(a) and 401(k) of the Internal Revenue Code (the "Code").

As of January 1, 2005, all U.S. hourly and Air-X-Changers salaried employees who are employed by Harsco Corporation (the "Company") or any subsidiary of either the Company or a subsidiary which adopts this Plan with the approval of the Company shall be covered by, or remain covered by this Plan, are deemed "Eligible Employees." Also eligible are employees covered by a collective bargaining agreement where the agreement provides for the employees' eligibility to participate in the Plan. Prior to January 1, 2005, in addition to hourly employees, eligible employees also included all U.S. employees (including officers) who received a stated weekly, monthly, or annual rate of compensation. New employees deemed Eligible Employees under this Plan are eligible to participate in the Plan as of the first payroll of January, April, July or October after the date of hire.

### Contributions

To participate in the Plan, an Eligible Employee must elect to contribute to the Plan through payroll deductions each pay period. Contributions are in whole percentages from 1% to 75% of compensation received for services as an employee of the Company or any subsidiary of the Company. The participant shall designate what percentage of such contributions will be "Pre-Tax Contributions" and what percentage will be "After-Tax Contributions." A participant who makes Matched Pre-Tax and/or Matched After-Tax Contributions in an aggregate amount of 6% of his or her compensation may also elect to contribute from 1% to 69% of his or her compensation as an Unmatched Pre-Tax Contribution and from 1% to 16% of his or her compensation as an Unmatched After-Tax Contribution, subject to IRS and Plan limitations. In no event during the year may (a) Matched Pre-Tax and Matched After-Tax Contributions exceed 6% of compensation, (b) Unmatched Pre-Tax and Unmatched After-Tax Contribution exceed 69% of compensation or (c) Pre-Tax Contributions exceed the amount specified by the Internal Revenue Service (IRS) code which was \$14,000 and \$13,000 for the years ended December 31, 2005 and 2004, respectively, for participants under 50 years of age. For participants who turned 50 on or before the end of the calendar year, the pretax limit was \$18,000 and \$16,000 in 2005 and 2004, respectively, as a result of an additional \$4,000 and \$3,000 of "catch-up contributions" allowed by law in 2005 and 2004, respectively. Pre-Tax Contributions shall constitute a reduction in the participant's taxable income for purposes

-6-

of Section 401(k) of the Code. After-Tax Contributions will be considered to be the participant's contributions to the Plan and shall not constitute a reduction in the participant's taxable income for the purposes of Section 401(k) of the Code. Pursuant to the Plan, the Company will make contributions in cash to the

## Edgar Filing: HARSCO CORP - Form 11-K

trustee for the account of each participant in an amount equal to 50% of the first 6% of such participant's compensation designated as Matched Pre-Tax Contributions and/or Matched After-Tax Contributions. These contributions are referred to as "Company Matching Contributions".

### Vesting

-----

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's Matching Accounts is based on years of vesting service. A participant is 100% vested after three years of credited service.

### Administration

-----

The Company pays administrative fees related to maintaining the Plan as a whole. Fees for investment management are subtracted from fund performance reported by each fund. Loan setup fees, quarterly loan fees and withdrawal fees are paid by the participant. Transfers in and out of the Harsco Corporation Common Stock Fund are assessed a \$0.03 commission per share transferred.

### Participant Loans

-----

Participants may borrow from their fund accounts a minimum of \$500 to a maximum of 50% of their vested account balance, not to exceed \$50,000. Loan transactions are treated as a transfer to (from) the respective investment fund(s) from (to) the Participant Loans fund. The participant may choose the loan repayment period, not to exceed five years. However, the term may be for any period not to exceed 15 years if the purpose of the loan is to acquire the participant's principal residence. The loans are collateralized only by the portion of the participant's account from which the loan is made and bear interest at a rate commensurate with local prevailing rates as determined periodically by the Plan administrator. Interest rates on outstanding loans, based on the trustee's prime rate plus one percent, ranged from 5.00% to 10.5% at December 31, 2005. Principal and interest is paid ratably through payroll deductions.

On termination of service, a participant or beneficiary may elect one of three options. The participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account; a portion paid in a lump-sum, and the remainder paid later; or annual installments over not more than fifteen years.

The Plan provides for various investment options as described above. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

There were 2,744 participants at December 31, 2005 who participated in one or more of the 35 investment funds. At December 31, 2005 the number of participants selecting each of the investment funds for their contributions was as follows:

Plan Termination

While the Company has not expressed any intent to discontinue the Plan, it reserves the right to terminate the Plan at any time or discontinue contributions thereunder. In the event such discontinuance resulted in the termination of the Plan, the accounts of each affected employee who has not yet incurred a break in service shall be fully vested. Complete distributions or withdrawals would be distributed to Plan participants and beneficiaries in proportion to their respective account balances.

2. Summary of Significant Accounting Policies:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation:

The Harsco Corporation Common Stock Fund is stated at market value, which represents the closing price of the stock on the Composite Reporting Tape of the stock exchanges on the last day of trading of the calendar year. Shares in the American Funds EuroPacific Growth Fund, American Funds Growth Fund of America, Ariel Appreciation Fund, Dodge & Cox Stock Fund, Morgan Stanley Institutional Fund, Inc. U.S. Real Estate Fund, Neuberger Berman Genesis Fund, PIMCO Total Return Fund, Putnam Bond Index Fund, Putnam Fund for Growth and Income, Putnam Income Fund, Putnam Money

## Edgar Filing: HARSCO CORP - Form 11-K

Market Fund, Putnam New Opportunities Fund, Putnam Voyager Fund, Vanguard Institutional Index Fund, Putnam Retirement Ready Funds and T. Rowe Price Retirement Funds are valued at net asset value, which represents fair value. Cash, which represents funds held until purchases of common stock are completed, is stated at fair value. Participant loans are valued at cost which approximates fair value

### Payment of Benefits:

Benefit payments to participants are recorded when paid.

### Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

### Income Recognition:

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the market value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

-11-

### NOTES TO FINANCIAL STATEMENTS, continued

#### 2. Summary of Significant Accounting Policies: (continued)

The purchase and sale of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis. Both participant contributions and Company matching contributions are accrued in the period of the related payroll deductions. Forfeitures, a result of participant withdrawals prior to their full vesting in the Plan, are used to reduce the amount of future Company matching contributions. In 2005, forfeited amounts of \$33,037 were used to offset Company matching contributions and \$1,326 remained in a money market fund at December 31, 2005 to be used to offset future Company matching contributions.

#### 3. Investments:

The following table separately identifies those investments which represent five percent or more of the Plan's net assets at December 31, 2005 with comparable information for 2004:

3. Investments: (continued)

During 2005, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$13,502 (in thousands) as follows:

(in thousands)

Common stock	\$ 11,293
Mutual funds	2,207
Common collective trust	2
	-----
	\$ 13,502
	=====

4. Related-Party Transactions:

Certain Plan investments are shares of mutual funds managed by Putnam Investments. Putnam Investments is a sister company of Mercer Human Resource Services which is the trustee and record keeper for the plan. Transactions in these funds qualify as party-in-interest transactions. Transactions in the Harsco Corporation Common Stock Fund also qualify as party-in-interest transactions.

5. Plan Amendments:

The Company amended the Plan effective January 1, 2004, to include rollover contributions when determining whether a Participant's account exceeds \$5,000. This threshold is used to determine if a Participant's balance will be immediately paid-out to the participant upon the participant leaving employment with the Company or if it will remain in the Plan until the Participant chooses to withdraw it.

The Company amended the Plan effective March 28, 2005, to limit the amount that can automatically be paid out in a lump sum payment to \$1,000 and to allow a voluntary election of a lump sum payment of amounts not exceeding \$5,000 without the consent of the Participant's spouse. In addition, the Company amended the Plan effective December 29, 2005, to provide Company contributions as required under collective bargaining

## Edgar Filing: HARSCO CORP - Form 11-K

agreements for the newly acquired participants of the Brambles USA, Inc Company.

### 6. Federal Income Taxes:

-----

The Company received a determination letter from the Internal Revenue Service on May 15, 2003, that the Plan, as amended March 28, 2003, is a qualified plan under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from Federal income taxes under the provisions of Section 501(a). The determination letter renewed the IRS's previous favorable determination made on December 26, 2000. The Plan has been amended since the IRS made its latest determination. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

### 7. Risks and Uncertainties

-----

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest risk, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
