Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective February 24, 2012, William Terrill resigned as our Chief Technology Officer. Mr. Terrill had served as our Chief Technology Officer since July 2002, and as of August 2011 he had been working in this role on a part-time basis. While it is expected that Mr. Terrill will continue to assist our company from time to time in connection with various technical and product development matters on an independent consulting basis, the functions for which Mr. Terrill previously had primary responsibility within our company have been assumed for the time being by our Chief Executive Officer, Steven Malone. Although Mr. Malone will not be receiving any related additional compensation from the company, and we do not expect that he will in the future, we do expect him to continue to perform these additional functions until such time, if at all, as we hire a permanent replacement for Mr. Terrill.
