Option Notes

On March 13, 2019, LivePerson, Inc. (the “Company” or “LivePerson”), in accordance with the exercise in full, on March 11, 2019, of the initial purchasers’ option to purchase an additional \$30.0 million aggregate principal amount of the 0.750% Convertible Senior Notes due 2024 (the “Option Notes”) granted to the initial purchasers in our previously announced private offering of \$200.0 million aggregate principal amount of the Notes (as defined below) to qualified institutional buyers pursuant to Rule 144A promulgated under the Securities Act of 1933, as amended (the “Securities Act”) issued on March 4, 2019 (the “Firm Notes” and together with the Option Notes, the “Notes”), issued an additional \$30.0 million in aggregate principal amount of Option Notes to the initial purchasers. The Option Notes have the same terms as the Firm Notes, and are issued pursuant to the same Indenture, dated March 4, 2019, related to the issuance of the Firm Notes, by and between the Company and U.S. Bank National Association, as trustee, as described in the Company’s Current Report on Form 8-K filed on March 5, 2019. The Option Notes are convertible into cash, shares of LivePerson’s common stock or a combination of cash and shares of LivePerson’s common stock at LivePerson’s election.

The net proceeds from the sale of the Option Notes are expected to be approximately \$29.1 million, after deducting the initial purchasers’ discount and estimated offering expenses payable by LivePerson. LivePerson used a portion of the net proceeds from the sale of the Option Notes to pay the cost of the capped call transactions described below. LivePerson intends to use the remainder of the net proceeds from the sale of the Option Notes for general corporate purposes, which may include acquisitions or other strategic transactions.

Capped Call Transactions

In connection with the exercise by the initial purchasers of their option to purchase the Option Notes, on March 11, 2019, the Company entered into additional privately negotiated capped call transactions (the “Additional Capped Call Transactions”) with Barclays Bank, PLC, Citibank, N.A., JPMorgan Chase Bank, National Association, London Branch and Société Générale (the “Option Counterparties”). The Additional Capped Call Transactions are expected generally to reduce the potential dilution to holders of the Company’s common stock upon conversion of the Option Notes and/or offset any cash payments the Company is required to make in excess of the principal amount of the converted Option Notes, as the case may be, upon any conversion of the Option Notes, with such reduction and/or offset subject to a cap initially equal to \$57.16 per share (which represents a premium of approximately 100% over the last reported sale price of \$28.58 per share of the Company’s common stock on February 27, 2019).

The Additional Capped Call Transactions are separate transactions, entered into by LivePerson with the Option Counterparties, are not part of the terms of the Option Notes, and will not affect any holder’s rights under the Option Notes. Holders of the Option Notes will not have any rights with respect to the Additional Capped Call Transactions.

LivePerson used approximately \$3.0 million of the net proceeds from the offering of the Option Notes to pay the cost of the Additional Capped Call Transactions.

The foregoing description of the Additional Capped Call Transactions does not purport to be complete and is qualified in its entirety by reference to the full text of the Form of Additional Capped Call Transaction Confirmation, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1 and is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference into this Item 2.03.

---

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference into this Item 3.02. The Option Notes were sold to the initial purchasers in reliance on the exemption from the registration requirements provided by Section 4(a)(2) of the Securities Act and the Option Notes were resold to qualified institutional buyers as defined in, and in reliance on, Rule 144A of the Securities Act.

The offer and sale of the Option Notes and the common stock issuable upon conversion of the Option Notes have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction, and such securities may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.
