Item 8.01 **Other Events**

On September 14, 2005, each of the following individuals adopted a stock trading plan for trading in NuVasive, Inc.'s (NuVasive) common stock in accordance with the guidelines specified by the Securities and Exchange Commission's Rule 10b5-1 under the Securities Exchange Act of 1934: Alexis V. Lukianov, NuVasive's Chairman and Chief Executive Officer; Keith Valentine, NuVasive's President; Kevin C. O'Boyle, NuVasive's Chief Financial Officer; Patrick Miles, NuVasive's Senior Vice President, Marketing; James Skinner, NuVasive's Vice President of Strategic Sales Development; and G. Bryan Cornwall, NuVasive's Vice President, Research and Development. Each of these individuals will file Forms 4 evidencing sales under their stock trading plan as required under Section 16 of the Securities Exchange Act of 1934. This type of trading plan allows a corporate insider to gradually diversify holdings of company stock while minimizing any market effects of such trades by spreading them out over an extended period of time and eliminating any market concern that such trades were made by a person while in possession of material nonpublic information. Consistent with Rule 10b5-1, NuVasive's insider trading policy permits personnel to implement Rule 10b5-1 trading plans provided that, among other things, such personnel are not in possession of any material nonpublic information at the time they adopt such plans.

Pursuant to the stock trading plan adopted by Mr. Lukianov, the sale of zero up to 210,000 shares (depending on pre-determined price criteria) of NuVasive's common stock currently held by him or issuable upon the exercise of stock options may occur. Pursuant to the stock trading plan adopted by Mr. Valentine, the sale of zero up to 120,000 shares of NuVasive's common stock (depending on pre-determined price criteria) currently held by him or issuable upon the exercise of stock options may occur. Pursuant to the stock trading plan adopted by Mr. O'Boyle, the sale of zero up to 90,000 shares of NuVasive's common stock (depending on pre-determined price criteria) currently held by him or issuable upon the exercise of stock options may occur. Pursuant to the stock trading plan adopted by Mr. Miles, the sale of zero up to 120,000 shares of NuVasive's common stock (depending on pre-determined price criteria) currently held by him or issuable upon the exercise of stock options may occur. Pursuant to the stock trading plan adopted by Mr. Skinner, the sale of zero up to 12,000 shares of NuVasive's common stock (depending on pre-determined price criteria) currently issuable upon the exercise of stock options may occur. Pursuant to the stock trading plan adopted by Mr. Cornwall, the sale of zero up to 24,000 shares of NuVasive's common stock (depending on pre-determined price criteria) currently held by him or issuable upon the exercise of stock options may occur.

Under each of these plans, the plan's agent will undertake to sell specified numbers of shares each month if the stock trades above certain prearranged minimum prices. The individual stockholder will have no control over the timing of any sales under the plan and there is no assurance that any shares will be sold. Sales under each plan will take effect in December 2005 upon the expiration of existing Rule 10b5-1 trading plans, and will continue for one year.
