PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Certain Documents by Reference.

The following documents previously filed with the Commission are incorporated by reference in this Registration Statement:

- (i) The Registrant's Annual Report on Form 10-K for the year ended December 31, 2004;
- (ii) The Registrant's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2005 and June 30, 2005;
- (iii) The Registrant's Current Reports on Form 8-K filed on February 14, 2005, April 26, 2005, May 12, 2005, August 4, 2005, August 18, 2005, September 2, 2005, September 9, 2005, October 6, 2005, and October 18, 2005; and
- (iv) The description of the Registrant's common stock contained in the Registrant's Registration Statement on Form 8-A (File No. 000-31148) filed with the Commission on February 4, 2005.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), prior to the filing of a post-effective amendment to this Registration Statement which indicates that all the shares of the Registrant's common stock offered hereby have been sold or which deregisters all of such shares then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the shares of the Registrant's common stock registered hereby has been passed upon by Rogers & Hardin LLP.

Item 6. Indemnification of Officers and Directors.

The Registrant's amended and restated articles of incorporation eliminate the personal liability of directors to the Registrant or its shareholders for monetary damage for any breach of duty as a director, provided that the Registrant cannot eliminate or limit the liability of a director for:

a breach of duty involving appropriation of a business opportunity of the Registrant;

an act or omission which involves intentional misconduct or a knowing violation of law;

any transaction from which the director receives an improper personal benefit; or

unlawful corporate distributions.

In addition, if at any time the Georgia Business Corporation Code is amended to authorize further elimination or limitation of the personal liability of a director, then the liability of each of the Registrant's directors shall be eliminated or limited to the fullest extent permitted by such provisions, as so amended, without further action by the shareholders, unless otherwise required.

The Registrant's amended and restated bylaws require the Registrant to indemnify any director or officer who was or is a party or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (including any action or suit by or in the Registrant's right) because such person is or was one of the Registrant's directors or officers, against liability incurred by the director or officer in such proceeding except for any liability incurred in a proceeding in which the director or officer is

Edgar Filing: TRI-S SECURITY CORP - Form S-8

adjudged liable to the Registrant or is subjected to injunctive relief in the Registrant's favor for:

any appropriation, in violation of such director's or officer's duties, of any business opportunity of the Registrant;

acts or omissions which involve intentional misconduct or a knowing violation of law;

unlawful corporate distributions; or

any transaction from which such officer or director received an improper personal benefit.

The Registrant's board of directors also has the authority to extend to employees and agents the same indemnification rights held by directors. Indemnified persons would also be entitled to have the Registrant advance expenses prior to the final disposition of the proceeding. If it is ultimately determined that they are not entitled to indemnification, however, such amounts would be repaid. Insofar as indemnification for liability arising under the Securities Act may be permitted to the Registrant's officers and directors pursuant to these provisions, the Commission has informed the Registrant that in its opinion such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

The Registrant has entered into separate indemnification agreements with each of the Registrant's directors and executive officers, whereby the Registrant agrees to indemnify them

and to advance them expenses in a manner and subject to terms and conditions similar to those set forth in the Registrant's amended and restated articles of incorporation and amended and restated bylaws.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The exhibits to this Registration Statement are listed on the Exhibit Index included elsewhere herein.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this

Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registrant Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to

directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
