PROXY STATEMENT

Annual Meeting of Shareholders to be held March 14, 2007

The enclosed proxy is solicited by the Board of Directors of Bridgford Foods Corporation, a California corporation (the Company), for use at the annual meeting of shareholders of the Company (the Annual Meeting) to be held at the Four Points Sheraton, 1500 South Raymond Avenue, Fullerton, California, on Wednesday, March 14, 2007 at 10:00 a.m., and at any adjournment thereof. All shareholders of record at the close of business on February 9, 2007 are entitled to notice of and to vote at such meeting. This Proxy Statement and the accompanying proxy are being mailed on or about February 16, 2007.

The persons named as proxies were designated by the Board of Directors and are officers and directors of the Company. Any proxy may be revoked or superseded by executing a later proxy or by giving notice of revocation in writing prior to, or at, the Annual Meeting, or by attending the Annual Meeting, withdrawing the proxy and voting in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of the proxy. All proxies, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and not revoked, will be voted in accordance with the instructions given in the proxy. If a choice is not specified in the proxy, the proxy will be voted FOR election of the director nominees proposed by the Board of Directors and FOR ratification of the Company's appointment of Haskell & White LLP as independent public accountants for the Company. Management does not know of any matters which will be brought before the Annual Meeting other than those specifically set forth in the notice hereof. However, if any other matter properly comes before the Annual Meeting, it is intended that the proxies, or their substitutes, will vote on such matters in accordance with their best judgment.

Solicitation of proxies will be primarily by mail, although some of the officers, directors and employees of the Company may solicit proxies personally or by telephone, facsimile or electronic mail. All expenses incurred in connection with this solicitation will be borne by the Company. The Company will reimburse brokers and others who incur costs to send proxy materials to beneficial owners of stock in a broker or nominee name.

At the close of business on February 2, 2007, there were 9,947,763 shares of common stock of the Company outstanding. The presence at the meeting of a majority of the outstanding shares, in person or by proxy relating to any matter to be acted upon at the meeting, is necessary to constitute a quorum for the meeting. Each share of common stock entitles the holder thereof to one vote on each matter to be voted upon by such shareholders and, upon prior notice, to cumulate votes for the election of directors. For purposes of the quorum and the discussion below regarding the vote necessary to take shareholder action, shareholders of record who are present at the meeting in person or by proxy and who abstain or withhold their vote, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, are considered shareholders who are present and entitled to vote and count toward the quorum. Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received instructions from its customers on such matters and the broker has so notified the Company on a proxy form in accordance with industry practice or has otherwise advised the Company that it lacks voting authority. As used herein, "broker non-vote" means the votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. The effect of proxies marked "withheld" as to any director nominee or "abstain" as to a particular proposal and broker non-votes on proposals Nos. 1 and 2 is discussed under each respective proposal.

PROPOSAL 1**ELECTION OF DIRECTORS**

The directors of the Company are elected annually to serve until the next annual meeting of the shareholders or until their respective successors are elected. At the Annual Meeting, eight directors are to be elected. The election of directors shall be by the affirmative vote of the holders of a plurality of the shares voting in person or by proxy at the annual meeting. Every shareholder, or his proxy, entitled to vote upon the election of directors may cumulate his or her votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which his or her shares are entitled, or distribute his or her votes on the same principle among as many candidates as he or she thinks fit. No shareholder or proxy, however, shall be entitled to cumulate votes unless such candidate or candidates have been nominated prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of the shareholder's intention to cumulate such shareholder's votes. If any one shareholder gives such notice, all shareholders may cumulate their votes for candidates in nomination. Each of these individuals has served as director since the last annual meeting. All current directorships are being filled.

The Company's Board of Directors recommends that you vote FOR the election of each of the nominees named below. Unless otherwise instructed, shares represented by the proxies will be voted FOR the election of the nominees listed below. Broker non-votes and proxies marked withheld as to one or more of the nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action. Each nominee has indicated that he is willing and able to serve as director if elected. In the event that any of such nominees shall become unavailable for any reason, an event which management does not anticipate, it is intended that proxies will be voted for substitute nominees designated by management.

The following table and biographical summaries set forth, with respect to each nominee for director, his age, the positions he holds in the Company and the year in which he first became a director of the Company. Data with respect to the number of shares of the Company's common stock beneficially owned by each of such directors as of February 9, 2007 appears on page 6 of this Proxy Statement.

During fiscal year 2006 the Company's Board of Directors held twelve regular monthly meetings. Board Committees

Paul A. Gilbert resigned from the Board of Directors in November 2005 and D. Gregory Scott was elected to fill this vacancy, including the vacancies on the Compensation and Audit Committees respectively, effective January 1, 2006.

The Board of Directors maintains three committees, the Compensation Committee, the Nominating Committee and the Audit Committee. The Compensation Committee consisted of Messrs. Andrews (Chairman), Foster, Scott, and Zippwald at the close of the Company's fiscal year 2006. Assuming the election of management's nominees to the Board of Directors, the Compensation Committee for fiscal year 2007 shall consist of Messrs. Andrews, Foster, Scott and Zippwald. Each member served without additional compensation. Each of the members of the Compensation Committee is a non-employee director and independent as defined under the NASD's listing standards. The Compensation Committee held two formal meetings during fiscal 2006, each of which was attended by all committee members.

The Audit Committee consisted of Messrs. Andrews (Chairman), Foster, Scott and Zippwald at the close of the fiscal year 2006 each of whom received \$300 or \$500 per meeting, depending on length of meeting attended. The Audit Committee meets periodically with the Company's independent registered public accountants and reviews the Company's accounting policies and internal controls. It also reviews the scope and adequacy of the independent registered public accountants' examination of the Company's annual financial statements. In addition, the Audit Committee selects the firm of independent registered public accountants to be retained by the Company, subject to shareholder approval, pre-approves services rendered

by its independent registered public accountants and pre-approves all related-party transactions. The Audit Committee held eleven meetings during fiscal 2006. In addition, the Audit Committee holds a pre-earnings release conference with the Company's independent registered public accountants on a quarterly basis. The Audit Committee adopted a written Audit Committee Charter on May 8, 2000 and amended and restated the charter on August 14, 2006. A copy of the amended and restated charter is filed as Exhibit A to this Proxy Statement.

Nominating Committee

The Board of Directors has decided that the full Board should perform the functions of a nominating committee for the Company. It made that decision because the Board believes that selecting new Board nominees is one of the most important responsibilities the Board members have to the Company's shareholders and, for that reason, all of the members of the Board should have the right and responsibility to participate in the selection process. In its role as nominating committee, the Board identifies and screens new candidates for Board membership. Nevertheless, actions of the Board, in its role as nominating committee, can be taken only with the affirmative vote of a majority of the independent directors on the Board, as defined by the NASD. The Board met in December 2005 to approve the appointment of one new director in its role as nominating committee. [The nominating committee does not act pursuant to a written charter.]

The Director Nominating Process. In identifying new Board candidates, the Board will seek recommendations from existing board members and executive officers. In addition, the Board intends to consider any candidates that may have been recommended by any of the Company's shareholders who have chosen to make those recommendations in accordance with the procedures described below. The Board in its capacity as nominating committee does not evaluate nominees recommended by shareholders differently from its evaluation of other director nominees. The Board also has the authority to engage an executive search firm and other advisors as it deems appropriate to assist in identifying qualified candidates for the Board.

In assessing and selecting Board candidates, the Board will consider such factors, among others, as the candidate's independence, experience, knowledge, skills and expertise, as demonstrated by past employment and board experience; the candidate's reputation for integrity; and the candidate's participation in local community and local, state, regional or national charitable organizations. When selecting a nominee from among candidates considered by the Board, it will conduct background inquiries of and interviews with the candidates the Board members believe are best qualified to serve as directors. The Board members will consider a number of factors in making their selection of a nominee from among those candidates, including, among others, whether the candidate has the ability, willingness and enthusiasm to devote the time and effort required of members of the Board; whether the candidate has any conflicts of interest or commitments that would interfere with the candidate's ability to fulfill the responsibilities of directors of the Company, including membership on Board committees; whether the candidate's skills and experience would add to the overall competencies of the Board; and whether the candidate has any special background or experience relevant to the Company's business.

Shareholder Recommendation of Board Candidates. Any shareholder desiring to submit a recommendation for consideration by the Board of a candidate that the shareholder believes is qualified to be a Board nominee at any upcoming shareholders meeting may do so by submitting that recommendation in writing to the Board not later than 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to shareholders. However, if the date of the upcoming annual meeting has been changed by more than 30 days from the date of the prior year's meeting, the recommendation must be received within a reasonable time before the Company begins to print and mail its proxy materials for the upcoming annual meeting. In addition, the recommendation should be accompanied by the following information: (i) the name and address of the nominating shareholder and of the person or persons being recommended for consideration as a candidate for Board membership; (ii) the number of shares of voting stock of the Company that are owned by the nominating shareholder, his or her recommended candidate and any other shareholders known by the nominating shareholder to be supporting the candidate's nomination; (iii) a description of any arrangements or understandings, that relate to the election of directors of the Company, between the nominating shareholder, or any person that (directly or indirectly through one or more intermediaries) controls, or is controlled by, or is under common control with, such shareholder and any other person or persons (naming such other person or persons); (iv) such other information regarding each such recommended candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC; and (v) the written consent of each such recommended candidate to be named as a nominee and, if nominated and elected, to serve as a director. No director nominations by shareholders have been received as of the filing of this Proxy

Statement.

The Plan, administered by a major life insurance company, presently provides that participants receive an annual benefit on retirement equal to 1.5% of their total compensation from the Company during their period of participation from 1958. Benefits are not reduced by Social Security payments or by payments from other sources and are payable in the form of fully-insured monthly lifetime annuity contracts commencing at age 65 or the participant's date of retirement, whichever is later. Allan L. Bridgford and Hugh Wm. Bridgford began drawing benefits under the plan in fiscal year 2006. The actual (1) or projected (2) benefits under the Plan at normal retirement are as follows:

DEFINED BENEFIT PENSION PLAN

Allan L. Bridgford (1)	\$ 67,761
Hugh Wm. Bridgford (1)	48,771
William L. Bridgford (2)	42,817
John V. Simmons (2)	35,508
Raymond F. Lancy (2)	30,367
All officers	\$ 225,224

(1) Currently drawing monthly benefits.

(2) Projected benefit at retirement.

Effective May 12, 2006, future benefit accruals under this plan were frozen. As a result, estimated benefits payable at retirement under this plan were substantially reduced compared to the prior year. The Company implemented a 401(k) plan and effective May 13, 2006 and for the period through December 31, 2006, the Company guaranteed a minimum contribution of 3% of qualified earnings to all 401(k) plan participants. The following amounts were contributed by the Company under this plan through December 31, 2006, the guarantee period:

401(k) PLAN (EXECUTIVE OFFICERS)

Allan L. Bridgford	\$ 3,546
Hugh Wm. Bridgford	4,353
William L. Bridgford	3,748
John V. Simmons	3,748
Raymond F. Lancy	3,748
All officers	\$ 19,143

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

Retirement benefits otherwise available to certain key executives under the Company's Plan have been limited by the effects of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and the Tax Reform Act of 1986 (TRA). To offset the loss of retirement benefits associated with TEFRA and TRA, the Company has adopted a non-qualified "makeup" benefit plan (Supplemental Executive Retirement Plan). Benefits will be provided under this plan in an amount equal to 60% of their final average earnings minus any pension benefits and primary insurance amounts available to them under Social Security. However, in all cases the benefits are capped at \$120,000 per year for Allan L. Bridgford and Hugh Wm. Bridgford. Benefits provided under this plan for William L. Bridgford and Raymond F. Lancy are calculated at 50% of final average earnings, capped at \$200,000 per year, without offsets for other pension or Social Security benefits. Eligibility is determined by the Board of Directors of the Company and the projected annual benefits to be paid at normal or current retirement date to those presently selected are as follows:

Allan L. Bridgford	\$ 51,528
Hugh Wm. Bridgford	61,080
William L. Bridgford	159,180
Raymond F. Lancy	153,060
All officers	\$ 424,848

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following reports of the Compensation Committee and the Audit Committee and the Performance Graph on page 12 shall not be incorporated by reference into such filings.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Company consists of the outside members of the Board of Directors. As of October 28, 2005, the Compensation Committee consisted of Messrs. Andrews, Gilbert, Foster and Zippwald. Effective January 1, 2006, D. Gregory Scott was elected to the Board of Directors and appointed to the Compensation Committee to fill the vacancy created by the resignation of Paul A. Gilbert in November 2005. The Company's executive compensation policy's aim is to attract, retain and motivate key employees while making sure that a relationship exists between executive compensation and the Company's performance. Accordingly, the Company policy related to providing compensation for its executive officers is to combine annual base salaries with bonuses based upon corporate performance.

Historically, the Company has been principally managed by an Executive Committee consisting of senior executive officers of the Company. The Executive Committee, as a unit, serves as the Company's Chief Executive Officer. The Executive Committee currently consists of five members. The current members are Hugh Wm. Bridgford, Vice President and Chairman of the Executive Committee, Allan L. Bridgford, Senior Chairman of the Board of Directors, William L. Bridgford, Chairman, John V. Simmons, President and Raymond F. Lancy, Chief Financial Officer, Executive Vice President and Treasurer. For the last several years, the Compensation Committee has determined that Allan L. Bridgford and Hugh Wm. Bridgford should be compensated on an equal basis with pro-rata adjustments for reduced work schedules.

For the 53 week year ending November 3, 2006, the compensation plan for Allan L. Bridgford and Hugh Wm. Bridgford sets forth a minimum base salary of \$2,000 per week plus a 3% share of operating profits (as defined) with incentive amounts that may be earned as additional future salary and/or as deferred contingent compensation (bonuses) payable over either three or five years, based on the judgment of the Compensation Committee. The Compensation Committee deems continuity of management to be an important consideration for the long-term success of the business and, therefore, payments of bonuses are generally deferred over a five year period. No interest is paid or accrued on the earned but unpaid bonuses. Consistent with the compensation policy for all of the Company's corporate officers, as discussed below, the principal factor used by the Compensation Committee to determine the bonuses to be paid the members of the Executive Committee is the measure of the Company's performance which is based upon the Company's pretax income. For fiscal 2006, the base salary for Allan L. Bridgford was \$63,600 and previously deferred salary was \$147,314. For Hugh Wm. Bridgford the base salary was \$106,000 and previously deferred salary totaled \$135,460. William L. Bridgford, John V. Simmons and Raymond F. Lancy earned a guaranteed base salary of \$198,750 for fiscal year 2006.

The Compensation Committee has elected not to provide incentive compensation to Allan L. Bridgford and Hugh Wm. Bridgford in the form of stock options, stock appreciation rights, restricted stock or other similar plans. The Compensation Committee also directs that perquisite compensation be minimal for members of the Executive Committee. Members of the Executive Committee are not to be provided with country club memberships or other similar perquisites.

The Company provides post-retirement healthcare for certain executives and their spouses (who are within fifteen years of age of the employee) who have reached normal retirement age. This coverage is secondary to Medicare. Coverage for spouses continues upon the death of the employee. The maximum benefit under the plan is \$100,000 per year per retiree. The plan is subject to annual renewal by the Board of Directors and may be discontinued at the Board's discretion. The plan was renewed for one year at the Board of Directors meeting held in December 2006. The combined cost of this plan during the fiscal year ended November 3, 2006 was \$165,613 for all participants.

Compensation for other executive officers is recommended to the Compensation Committee by Allan L. Bridgford and Hugh Wm. Bridgford who regularly report to the Board of Directors and the Compensation Committee on compensation matters relating to other corporate officers. All corporate officers, top-level managers and many midlevel managers receive compensation determined by performance-based criteria, including both individual and team accomplishments.
