FirstEnergy Corp. Letterhead

May 1, 2007

Dear Shareholder:

We value your support of FirstEnergy and our leadership team. In 2006, we achieved our strongest financial and operating performance since FirstEnergy's inception. In addition, over the last three years, we have:

- Achieved an annualized total shareholder return of 24 percent;
- Increased our market capitalization by \$7.6 billion (66 percent); and
- Returned over \$3 billion to shareholders in the form of share repurchases and common stock dividends.

Just as important, we have made this significant financial progress while keeping a strong focus on good corporate governance. In fact, we are outperforming nearly 90 percent of companies in both the S&P 500 and the Utilities Group in the Institutional Shareholder Services Inc. (ISS) Corporate Governance Quotient—a commonly used measure of corporate governance effectiveness.

In spite of this strong performance, ISS and other voting advisory firms, based on their own voting policies, have recommended that votes be withheld from existing director nominees. As you carefully weigh your voting options, I ask that you consider the outstanding leadership provided by our Board in supporting our financial and governance performance and that you vote in favor of all director nominees.

I appreciate your consideration of our position on this issue. If you would like to discuss this matter, or any other issue regarding our Proxy Statement, please contact our Vice President and Corporate Secretary, David Whitehead, at 330-761-4400.

Thank you for your continued support of FirstEnergy.

Sincerely,

/s/ Anthony J. Alexander
