Amending MTS OJSC Charter

The issue on amending MTS OJSC Charter was submitted to MTS OJSC General Shareholders Meeting for approval.

The necessity to amend MTS OJSC Charter is caused by the fact that, if the shareholders approve the reorganization of MTS OJSC by merger with Mobile Communication Systems OJSC and BashCELL CJSC, a resolution shall be approved on amending MTS OJSC Charter with regard to the insertion of information on MTS OJSC legal succession of rights and obligations of merged companies.

Items relating to MTS OJSC legal succession of rights and obligations of the companies Mobile Communication Systems OJSC and BashCELL CJSC to be merged with MTS OJSC shall be included into MTS OJSC Charter.

Please find attached the amendments to MTS OJSC Charter.

On the tenth issue on the agenda:

Determination of the total number of MTS OJSC Board of Directors members

Edgar Filing: MOBILE TELESYSTEMS OJSC - Form 6-K

In accordance with the Federal Law On Joint Stock Companies (the Law), the size of the company's Board of Directors shall be as set forth in the Charter of the company, or shall be determined by resolution of the general shareholders meeting.

In accordance with existing MTS OJSC Charter, the size of MTS OJSC Board of Directors members shall be determined by resolution of the general shareholders meeting and may be not less than seven (7). The Annual General Shareholders Meeting on June 29, 2007 make a decision on the number of MTS OJSC Board of Directors members, i.e. decided that the number of MTS OJSC Board of Directors members should be seven.

When preparing MTS OJSC Annual General Shareholders Meeting based on 2007 results, the Company received the list of persons entitled to participate in the Annual General Shareholders Meeting. According to this list, the number of MTS OJSC shareholders exceeded ten thousand.

The Board of Directors of a company with over ten thousand shareholders may not have less than nine (9) members, as required by the Law. Thereby, to meet the requirements of the Law, the Company must increase the number of Board members up to nine.

As required by MTS OJSC Charter (Item 31.5), the shareholders of the Company shall be govern, in nominating candidates for the Board of Directors, by the current number of Board members determined by resolution of the General Shareholders Meeting by the time of such nomination. Because the number of the Board of Directors members was seven at the moment of nominating candidates for MTS OJSC Board of Directors, as decided by the General Shareholders Meeting, MTS OJSC shareholders were governed by that same number.

Thus, it does not seem possible to form MTS OJSC Board of Directors of nine members at the present Annual General shareholders Meeting.

To observe shareholders' legal rights to participate in the management of Company's affairs, this MTS OJSC Annual General Shareholders Meeting is proposed to decide that the size of MTS OJSC board of Directors should be nine members, for the purpose of subsequent re-election of the Board of Directors at an extraordinary general meeting of MTS OJSC shareholders.

In view of the above, the shareholders are proposed to approve the resolution on determination of the total number of members of MTS OJSC Board of Directors.

Procedure for adoption of resolutions:

A resolution shall be adopted by three-fourths majority of votes of shareholders attending the meeting.

Draft resolution:

Be it resolved that the total number of members of MTS OJSC Board of Directors be nine (9).

The list of merged companies:

The merger of subsidiaries with MTS OJSC will make it possible to achieve the following results:

Due to the fact that MTS OJSC is the holder of 100% of the placed shares of the subsidiaries, and the President of MTS OJSC (the individual executive body) makes decisions on all

- Common registered shares of subsidiaries that are held by MTS OJSC, shall not be converted into the shares of MTS OJSC, with which the subsidiaries are merged ;
- All common registered shares of the subsidiaries, that are held by MTS OJSC and are not subject to conversion, shall be redeemed on the date when an entry regarding the termination of activities of the merged subsidiaries is made in the register;
