**Report of Independent Registered Public Accounting Firm**

To the Plan Administrator and Trustees

Ecolab Savings Plan and ESOP

We have audited the accompanying statements of net assets available for benefits of the Ecolab Savings Plan and ESOP (the Plan) as of December 31, 2007 and 2006, and the related statement of changes in net assets available for benefits for the year ended December 31, 2007. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Ecolab Savings Plan and ESOP as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the year ended December 31, 2007, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2007, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. This supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan:

The following brief description of the Ecolab Savings Plan and ESOP (the Plan ) is provided for general information purposes only. Participants should refer to the Plan document for complete information regarding the Plan s definitions, benefits, eligibility and other matters.

GENERAL AND ELIGIBILITY:

The Plan is a contributory qualified defined contribution plan available to employees of Ecolab Inc. and certain of its subsidiaries (the Company ). Employees regularly scheduled to work at least 20 hours per week may participate immediately in the Plan provided they are not subject to a collective bargaining agreement which does not provide for their inclusion. Part-time employees working less than 20 hours a week must have been employed for a twelve consecutive month period during which they have worked at least 1,000 hours to be eligible to participate. Employee participation in the Plan is voluntary.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ( ERISA ) and the Internal Revenue Code of 1986, as amended (the Code ).

CONTRIBUTIONS:

Contributions are made to the Plan as before-tax savings contributions and employer matching contributions.

Before-tax savings contributions are contributions made by the Company on behalf of participants who have agreed to have their taxable compensation reduced. Participants may reduce their compensation up to 16% (subject to a statutory annual maximum of \$15,500 for 2007) for the purpose of making before-tax savings contributions to the Plan.

Participants who have attained age 50 or above are allowed to make catch-up contributions in accordance with enacted legislation (\$5,000 in 2007).

Employer matching contributions are made by the Company in an amount equal to a \$1 match for each \$1 of employee pre-tax contributions on the first 3% of compensation and \$0.50 for each \$1 of employee pre-tax contributions on the next 2% of compensation. Employer matching contributions are initially invested entirely in the Ecolab Stock Fund. The Plan allows employees to immediately re-allocate employer matching

## Edgar Filing: ECOLAB INC - Form 11-K

contributions in the Ecolab Stock Fund to other investment funds within the Plan. The Plan also allows additional employer matching contributions to true-up the employer match. This true-up ensures all participants receive their full annualized employer match.

The Plan contains a separate Employee Stock Ownership Plan ( ESOP ) account for employer and employee contributions (except contributions for participants in Puerto Rico) which are invested in the Ecolab Stock Fund. The ESOP allows employees to elect the withdrawal of dividends paid on shares to the ESOP account.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

The levels of contributions made by or on behalf of participants who are highly compensated, as defined in the Code, are subject to limitations under the Code.

VESTING:

Participants are fully vested in their account at all times.

PLAN BENEFITS:

As participants are fully vested at all times, benefits to participants are equal to their account balances. Upon retirement, death, disability or separation from service, a distribution may be made to the participant or beneficiary equal to the participant's account. Loans and in-service withdrawals for hardships are also available. An employee distribution or withdrawal from the Plan generally is subject to federal income tax and may be subject to a penalty.

PARTICIPANT LOANS:

Active employee participants (and beneficiaries who are parties in interest as defined by ERISA) are permitted to borrow from their accounts. The total amount of a participant's loan may not exceed the lesser of (a) \$50,000 minus the participant's highest outstanding loan balance for the previous twelve-month period, or (b) 50% of the participant's interest in his or her account. When a loan is granted, the appropriate account balances are reduced and a separate loan account is created. Loan payments, together with interest at a market rate determined by the Plan Administrator, are repaid generally over 5 or 10 years. Participant loans at December 31, 2007 had interest rates ranging from 4.0% to 9.5% and were due at various dates through January, 2018. A participant can have no more than two loans outstanding at any time. Participant loans are collateralized by the borrower's account balance and are repaid through payroll deductions.

PARTICIPANT ACCOUNTS AND ALLOCATION:

Fidelity Management Trust Company ( Fidelity ) provides investment management, recordkeeping and trustee services for the Plan directly or indirectly through one or more of its subsidiaries. The trust agreement authorizes services to be performed by the trustee, its agents or affiliates.

## Edgar Filing: ECOLAB INC - Form 11-K

Each participant's account is credited with the participant's contributions, the employer matching contributions and investment income thereon, net of Plan expenses.

Participants are allowed to allocate their entire account balance in any combination of the available investment options. Participants can transfer their account balances among the investment options and/or change the investment of their future contributions, and earnings thereon daily. These transfers and changes must be made in whole dollar amounts of at least \$250 and/or in whole percent increments.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

All participant contributions made under the Plan are paid to and invested by Fidelity in one or more of the available investment options as directed by the participants

PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies:

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America and use the following significant accounting policies.

VALUATION OF INVESTMENTS:

Investments in registered investment companies are recorded at the underlying net asset value per unit, which approximates fair value based on the publicly quoted market price of these funds. Investments in common/collective trusts, with the exception of the investment in the fully benefit-responsive investment contract, are recorded at the underlying net asset value per unit, which approximates fair value based on the audited financial statements of these funds. The investment in the fully benefit-responsive investment contract (Managed Income Portfolio II Fund) is stated at fair value on the statement of net assets available for benefits, with an adjustment from fair value to contract value on that statement. Investment contracts are generally valued at contract value, rather than fair value, to the extent it is fully benefit-responsive. The fair value of fully benefit-responsive investment contracts is calculated using a discounted cash flow model which considers recent fee bids as determined by recognized dealers, discount rate and the duration of the underlying portfolio securities. Investments in the Ecolab Stock Fund are recorded at the underlying net asset value per unit as determined by the Plan's trustee, which approximates fair value based on the quoted market price of the Company's common stock. Participant loans are recorded at estimated fair value consisting of the principal value of outstanding loans, plus accrued interest.

REVENUE RECOGNITION:

Interest income is recorded as earned on an accrual basis and dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses related to sales of investments are recorded on a traded-date basis, and unrealized gains and losses are recorded based on the fair values as of the reporting date.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

CONTRIBUTIONS:

Participant before-tax contributions are recorded in the period the employer makes the payroll deductions. Employer matching contributions are recorded based on participant contributions.

USE OF ESTIMATES:

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan management to make significant estimates and assumptions that affect the reported amounts of Net Assets Available for Benefits at the date of the financial statements and the Changes in Net Assets Available for Benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES:

The Plan provides for various investment options in various combinations of investment funds. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

CONCENTRATION OF MARKET RISK:

At December 31, 2007 and 2006, approximately 54% and 59%, respectively, of the Plan's net assets were invested in the common stock of Ecolab Inc. The underlying value of the Ecolab Stock Fund is dependent on the performance of Ecolab Inc. and the market's evaluation of such performance. It is at least reasonably possible that changes in the fair value of Ecolab Inc. common stock in the near term could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

DISTRIBUTIONS TO PARTICIPANTS:

Distributions to participants are recorded when the distributions are made.

PLAN EXPENSES:

The Company pays a portion of the administrative expenses of the Plan and a portion is paid by plan participants within the plan. Certain asset management and administrative fees of the Plan are charged against the Plan's investment income.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

NEW ACCOUNTING PRONOUNCEMENTS:

In September 2006, the Financial Accounting Standards Board ( FASB ) issued Statement on Financial Accounting Standards No. 157 ( SFAS 157 ), *Fair Value Measurements*. SFAS 157 establishes a single authoritative definition of fair value, sets out a framework for measuring fair value and requires additional disclosures about fair value measurement. SFAS 157 is effective for financial assets and liabilities for financial statements issued for fiscal years beginning after November 15, 2007 and for non-financial assets and liabilities for financial statements issued for fiscal years beginning after November 15, 2008. The Plan does not believe the adoption of SFAS 157 will have a material impact on its financial statements.

In February 2007, FASB issued Statement on Financial Accounting Standards No. 159 ( SFAS 159 ), *The Fair Value Option for Financial Assets and Financial Liabilities including an amendment of FASB Statement No. 115*. SFAS 159 provides an option to report selected financial assets and liabilities at fair value, which can be elected on an instrument-by-instrument basis. SFAS 159 is effective for financial statements issued for fiscal years beginning after November 15, 2007. The Plan does not believe the adoption of SFAS 159 will have a material impact on its financial statements.

ECOLAB SAVINGS PLAN and ESOP

NOTES TO FINANCIAL STATEMENTS

3. Investments:

Investments that represent 5 percent or more of the Plan's net assets available for benefits at December 31, 2007 and 2006 are summarized as follows:

(in thousands)	2007	2006
Spartan U.S. Equity Index Fund	\$ 100,785	\$ 96,763
Dodge & Cox International Stock Fund	78,615	54,835
Ecolab Stock	601,873	595,784

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

(in thousands)	2007
Investment in common/collective trusts and registered investment companies	\$ 1,220
Ecolab Stock Fund	71,688
Net appreciation in fair value of investments	\$ 72,908

4. Tax Status:

The Plan constitutes a qualified plan and trust under Section 401(a) of the Code and therefore is exempt from federal income taxes under provisions of Section 501(a). The Plan consists of a profit sharing portion and a stock bonus portion. The stock bonus portion constitutes an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Code. The Plan also complies with the provisions of Section 401(k) of the Code. A tax qualification letter, dated April 14, 2004, was received from the Internal Revenue Service. The letter stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and tax-exempt, as described above. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. Related Party and Party-In-Interest Transactions:

The trustee is authorized under contract provisions, or by ERISA regulations providing an administrative or statutory exemption, to invest in funds under its control and in securities of the Company.

Participant contributions are invested in one or more of the investment fund options offered under the Plan, including the Ecolab Stock Fund. In addition, employer matching contributions are invested in the Ecolab Stock Fund, consisting of primarily Ecolab Inc. common stock and also short-term investment funds under the trustee's control.

6. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

(in thousands)	December 31, 2007
Net assets available for benefits per the financial statements	\$ 1,124,808
Less: Adjustment from fair value to contract value for fully benefit-responsive investment contracts	(335)
Net assets available for benefits per the Form 5500	\$ 1,124,473

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500:

(in thousands)	2007
Net increase in net assets available for benefits per the financial statements	\$ 102,904
Add: Prior year adjustment from fair value to contract value of fully benefit-responsive investment contracts	490
Less: Current year adjustment from fair value to contract value of fully benefit-responsive investment contracts	(335)
Less: Transfers of assets per the Form 5500	(315)
Total net income per the Form 5500	\$ 102,744
