**PURPOSE OF ANNUAL MEETING**

At the annual meeting, our shareholders will be asked: (i) to elect six directors of our company to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified, (ii) to approve our 2009 Long-Term Incentive Plan, (iii) to approve the amendment and restatement of our 1999 Long-Term Incentive Plan, and (iv) to transact such other business as may properly be brought before the annual meeting. **QUORUM AND VOTING RIGHTS**

## Edgar Filing: GAIAM, INC - Form DEF 14A

The presence, in person or by proxy, of the holders of a majority of the outstanding votes eligible to be cast by our Class A and Class B Common Stock is necessary to constitute a quorum at the annual meeting. Only shareholders of record at the close of business on the record date, Monday, March 2, 2009, will be entitled to notice of, and to vote at, the annual meeting. As of March 2, 2009, there were 18,541,201 shares of our Class A Common Stock, par value \$.0001, and 5,400,000 shares of our Class B Common Stock, par value \$.0001, outstanding and entitled to vote. The holders of our Class A and Class B Common Stock will vote together as a single class. Cumulative voting is not permitted for any purpose. Once a quorum is present, the affirmative vote of a majority of the votes cast on any subject matter shall be the act of the shareholders, other than with respect to the election of directors as described below.

Mr. Jirka Rysavy, our Chairman, holds all 5,400,000 outstanding shares of our Class B Common Stock and 888,682 shares of our Class A Common Stock. These shares are sufficient to constitute a quorum, to elect all Gaiam directors and to

approve Proposals 2 and 3. Mr. Rysavy has indicated that he plans to be present at the meeting and vote in favor of the six directors nominated by our Board and in favor of each of Proposals 2 and 3.

All shares of our Common Stock represented by properly executed proxies will, unless the proxies have previously been revoked, be voted in accordance with properly executed instructions indicated in the proxies. Abstentions and broker non-votes will have no effect on the result of the vote, although they will count towards the presence of a quorum. Any shareholder executing a proxy has the power to revoke the proxy at any time prior to its exercise. A proxy may be revoked prior to exercise by (a) filing with Gaiam a written revocation of the proxy, (b) appearing at the annual meeting and voting in person, (c) voting by telephone or by using the Internet, either of which must be completed by 11:59 p.m. Eastern Time on April 22, 2009 (your latest telephone or Internet proxy is counted), or (d) submitting to Gaiam a duly executed proxy bearing a later date.

For the second year, we are using the Securities and Exchange Commission's E-Proxy rules and furnishing proxy materials to our shareholders primarily by the Internet. On March 13, 2009, we mailed our shareholders (other than those who previously requested electronic or paper delivery) a Notice of Internet Availability of Proxy Materials containing instructions on how to access our 2009 proxy statement and 2008 annual report. The Notice of Internet Availability of Proxy Materials also instructs you on how to access your proxy card to vote through the Internet or by telephone, and provides instruction on how you can request a paper copy of these documents if you desire. If you received your annual meeting materials by mail, the proxy statement and proxy card from our board of directors and our annual report were enclosed. If you received your annual meeting materials via email, the email contained voting instructions and links to the proxy statement and annual report on the Internet, which are both available at [www.proxyvote.com](http://www.proxyvote.com). This process is designed to expedite our shareholders' receipt of proxy materials, lower the cost of our annual meeting, and help conserve natural resources. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise. Our annual report is not to be considered as a part of the proxy solicitation material or as having been incorporated by reference.

This proxy statement, the form of proxy and voting instructions are being made available to shareholders at [www.proxyvote.com](http://www.proxyvote.com). You may also request a printed copy of this proxy statement and the form of proxy or our annual report by any of the following methods: (a) telephone at 1-800-579-1639; (b) Internet at [www.proxyvote.com](http://www.proxyvote.com); or (c) e-mail at [sendmaterial@proxyvote.com](mailto:sendmaterial@proxyvote.com). **PROPOSAL 1**

**ELECTION OF DIRECTORS**

**Nominees for Election as Directors**

Our board of directors proposes that Jirka Rysavy, Lynn Powers, James Argyropoulos, Barnet M. Feinblum, Barbara Mowry and Paul H. Ray be elected as directors of our company, to hold office until the next annual meeting of shareholders or until their successors are duly elected and qualified. Unless contrary instructions are given, the proxies will be voted for these nominees. Each nominee has agreed to serve if elected, and management has no reason to believe that any of the nominees will be unavailable for service. If for any unforeseen reason any nominee should decline or be unable to serve, the proxies will be voted to fill any vacancy so arising in accordance with the discretionary authority of the persons named in the proxy, unless contrary instructions are given.

The names of the nominees, their ages, the years in which they began serving as directors, and their positions are set forth below. Each of the nominees is currently serving as a director of our company.

He was its Chairman and Chief Executive Officer until September 1998. Mr. Rysavy also founded and served as Chairman and Chief Executive Officer of Crystal Market, a health foods market, which was sold in 1987 to become the first Wild Oats Markets store. Mr. Rysavy is also Chairman of Real Goods Solar, Inc., a subsidiary of Gaiam.

**Lynn Powers** age 59 Chief Executive Officer, President and a Director. Ms. Powers has been our President and a Director since February 1996 and our Chief Executive Officer since March 2009. From February 1996 until September 2001, she was our Chief Operating Officer, and from September 2001 until March 2009 she was our Chief Executive Officer of North American operations. From 1992 to 1996, she was Chief Executive Officer of La Scelta, an importer of natural fiber clothing products. Mr. Argyropoulos also serves as a director of Real Goods Solar, Inc.

**Barnet M. Feinblum** age 61 Director since October 1999. Mr. Feinblum has been the Chairman of Organic Vintners, a marketer of organic wines, since 2007, and prior to becoming Chairman served as President and Chief Executive Officer of Organic Vintners from 2001, when Mr. Feinblum founded the company. Mr. Feinblum was the President, Chief Executive Officer and Director of Horizon Organic Dairy from May 1995 to January 2000. From July 1993 through March 1995, Mr. Feinblum was the President of Natural Venture Partners, a private investment company. From August 1976 until August 1993, Mr. Feinblum held various positions at Celestial Seasonings, Inc., including President, Chief Executive Officer, and Chairman of the Board. Prior to joining Requisite Technology, Ms. Mowry was an officer of Telecommunications, Inc. (cable television) from 1995 to 1997; and UAL, Inc. (airline) from 1983 to 1990. **Paul H. Ray** age 69 Director since October 1999. Since 2000, Mr. Ray has been the Chief Executive Officer of Integral Partnerships LLC, a consulting firm specializing in Cultural Creative topics. From 1986 until 2000, he was

Executive Vice President of American LIVES, Inc., a market research and opinion-polling firm. Prior to joining American LIVES, Mr. Ray was Chief of Policy Research on Energy Conservation at the Department of Energy, Mines and Resources of the Government of Canada from 1981 to 1983. From 1973 to 1981, Mr. Ray was Associate Professor of Urban Planning at the University of Michigan. He is the author of *The Integral Culture Survey*, which first identified the Cultural Creatives subculture.

Each director serves for a one-year term.

\* \* \* \* \*

Directors will be elected by a plurality of the votes cast. If no instructions are indicated on a proxy card, the shares will be voted FOR the election of these nominees for director. Because director nominees must receive a plurality of the votes cast at the annual meeting, a vote withheld from a particular nominee or from all nominees will not affect the election of that nominee.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR  
THE NOMINEES OF THE BOARD**

**DIRECTOR INDEPENDENCE, COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS**

Our board of directors currently consists of six members and meets regularly during the year. Our board of directors has determined that each of Messrs. Argyropoulos, Feinblum and Ray and Ms. Mowry are independent as defined by the listing standards of the NASDAQ Global Market.

During 2008, our board held six meetings. Each director who served as director attended at least 75% of the aggregated number of meetings of our board and of the committees of our board on which the director served during 2008.

All of our directors other than Mr. Feinblum attended our 2008 annual meeting. Our policy on attendance by directors at the annual meeting encourages our directors to attend the annual meeting unless they have a scheduling conflict.

Our board of directors generally has four regularly scheduled meetings during the year. Executive sessions (without management) are generally held adjacent to a regularly scheduled board meeting. Our board has standing audit and compensation committees. We have adopted written charters for both committees, which can be found at: [www.gaiam.com/corporate/](http://www.gaiam.com/corporate/).

*Audit Committee.* Our audit committee consists of Messrs. Feinblum and Argyropoulos and Ms. Mowry, and each member of the audit committee is independent within the meaning of rules of NASDAQ Global Market. Mr. Feinblum serves as chairperson of the audit committee and is an audit committee financial expert, as defined by the Securities

and Exchange Commission's rules adopted pursuant to the Sarbanes-Oxley Act of 2002. Our audit committee is responsible for the appointment, compensation and oversight of our auditor and for approval of any non-audit services provided by the auditor. Our audit committee also oversees (a) management's maintenance of the reliability and integrity of our accounting policies and financial reporting and disclosure practices; (b) management's establishment and maintenance of processes to assure that an adequate system of internal control is functioning; and (c) management's establishment and maintenance of processes to assure our compliance with all laws, regulations and company policies relating to financial reporting. Our audit committee held one in-person meeting and three telephonic meetings during 2008.

*Compensation Committee.* Our compensation committee consists of Ms. Mowry and Messrs. Ray and Argyropoulos. Ms. Mowry serves as chairperson of our compensation committee. Our compensation committee establishes compensation amounts and policies applicable to our executive officers, establishes salaries, bonuses and other compensation plans and matters for our executive officers and administers our stock option plans and employee stock purchase plan. Our compensation committee held three in-person meetings during 2008.

### Compensation Committee Interlocks and Insider Participation

During fiscal 2008, our compensation committee was comprised of Ms. Mowry (Chairperson), Ted C. Nark (who served until his resignation as a director on May 12, 2008), and Messrs. Ray and Argyropoulos (who was appointed to the committee following the resignation of Mr. Nark). None of these persons has at any time been an officer or employee of our company. None of our executive officers serves or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving on our board or our compensation committee, other than Mr. Rysavy, who is an executive officer and director of both Gaiam and its subsidiary, Real Goods Solar, Inc.

We do not have a nominating committee, and nominations for directors are made by our full board. We are exempt from NASDAQ Global Market rules with respect to nominating committees because we may be deemed a controlled company on the basis of Mr. Rysavy's control of more than 50% of our voting power, and in light of Mr. Rysavy's control, our board does not believe a nominating committee would serve a purpose. Our bylaws set forth certain procedures that are required to be followed by shareholders in nominating persons for election to our board. Generally, written notice of a proposed nomination must be received by our corporate secretary not later than the 45th day nor earlier than the 70th day prior to the anniversary of the mailing of the preceding year's proxy materials. Our board considers a variety of factors when it selects candidates for election to the board, including business experience, skills and expertise that are complimentary to those already represented on the board, familiarity and identification with our mission, values and market segments, and other relevant factors. Our board will consider qualified director candidates recommended by our shareholders. Because we are a controlled company under the NASDAQ Global Market rules, our board has not adopted a formal policy regarding the consideration of director candidates recommended by shareholders; however, our board would not evaluate shareholder nominees differently from board nominees.

### DIRECTOR COMPENSATION

Directors who are not employees of our company or its affiliates are paid a fee of \$3,000 for each meeting of our board that they attend, and a fee of \$1,000 for each telephonic meeting attended. In addition, non-employee directors are paid a fee of \$500 for attendance at each committee meeting and \$250 for each telephonic committee meeting attended. Non-employee chairpersons of each standing committee receive an annual fee of \$2,000. All directors elected to receive their 2008 compensation in Gaiam Class A Common Stock, except Mr. Ray, who elected to receive cash compensation.

(1) Amounts in the *Stock Awards* column represent the compensation expense for (and the grant date fair value of) the shares issued. Amounts in these columns include fees earned during 2008, some of which were not paid until 2009.

(2) Amounts in the *Options Awards* column reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2008, in accordance with FASB Statement No. 123 (revised 2004), *Share-Based Payment* ( FAS 123R ), rather than an amount paid to or realized by the director. These option awards were issued pursuant to our 1999 Long-Term Incentive Plan in 2008. Assumptions used in the calculation of this amount for the fiscal year ended December 31, 2008 are included in footnote 12 to our audited financial statements for the fiscal year ended December 31, 2008, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 13, 2009. At fiscal year end, Mr. Argyropoulos had 30,000 outstanding option awards, of which 12,500 were exercisable, with an aggregated grant date fair value of \$167,619; Mr. Nark had 15,000 outstanding option awards, of which 12,500 were exercisable, with an aggregated grant date fair value of \$43,013; and Mr. Feinblum, Ms. Mowry, and Mr. Ray each had 20,000 outstanding option awards, of which each had 2,500 exercisable, each with aggregated grant date fair values of \$91,918.

(3) On May 12, 2008, Mr. Nark resigned his position as a director of Gaiam in order to serve on the board of Gaiam's subsidiary, Real Goods Solar, Inc.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### Overview of Our Compensation Program and Philosophy

Our compensation program is intended to meet three principal objectives: (1) attract, reward and retain qualified, energetic officers and other key employees; (2) motivate these individuals to achieve short-term and long-term corporate goals that enhance shareholder value; and (3) support our corporate values by promoting internal equity and external competitiveness.

*Our corporate values: personal development, health and wellness, and social and environmental responsibility.*

Our executive compensation program is overseen and administered by the compensation committee of our board of directors, which is comprised entirely of independent directors as determined in accordance with various NASDAQ, Securities and Exchange Commission and Internal Revenue Code rules. Our compensation committee operates under a written charter adopted by our board and is empowered to review and approve the annual compensation for our executive officers: Mr. Rysavy, Ms. Powers, Ms. Valentine, and Mr. Jackson. A copy of the charter is available on our Internet site at: [www.gaiam.com/corporate/](http://www.gaiam.com/corporate/).

The principal objectives that guide our compensation committee in assessing our executive and other compensation programs include the proper allocation between long-term compensation, current cash compensation, and short-term bonus compensation. Other considerations include our business objectives, our fiduciary and corporate responsibilities (including internal considerations of fairness and affordability), competitive practices and trends, general economic conditions and regulatory requirements.

In determining the particular elements of compensation that will be used to implement our overall compensation objectives, our compensation committee takes into consideration a number of factors related to our performance, such as our earnings per share, profitability, revenue growth, and business-unit-specific operational and financial performance, as well as the competitive environment for our business. Stock price performance has not been a factor in determining annual compensation because the price of our common stock is subject to a variety of factors outside of our control. Our

compensation committee may, when appropriate as determined on an annual basis, identify individual performance goals for executive and other officers, which goals will play a significant role in determining such officer's incentive compensation for that year and which may be taken into consideration in setting base salary for the next year.

From time to time, our compensation committee meets with our Chairman, Jirka Rysavy, and our Chief Executive Officer and President, Lynn Powers, and/or other executives to obtain recommendations with respect to our compensation programs, practices and packages for executives, other employees and directors. Our management makes recommendations to our compensation committee on the base salary, bonus targets and equity compensation for the executive team and other employees. Our compensation committee considers, but is not bound by and does not always accept, management's recommendations with respect to executive compensation. Our compensation committee has also received input from its independent compensation consultant prior to finalizing determinations on material aspects of our compensation programs, practices and packages, and it expects to do so again from time to time.

Mr. Rysavy attends some of our compensation committee's meetings, but our compensation committee also holds executive sessions not attended by any members of management or non-independent directors. Our compensation committee discusses Mr. Rysavy's and Ms. Powers' compensation packages with each of them, but makes decisions with respect to their compensation without them present. Our compensation committee has the ultimate authority to make decisions with respect to the compensation of our named executive officers, but may, if it chooses, delegate any of its responsibilities to subcommittees. Our compensation committee has delegated to the administrative committee of our board of directors, comprised of Mr. Rysavy and Ms. Powers, the authority to grant long-term incentive awards to employees at or below the level of vice president under guidelines set by our compensation committee. Our compensation committee also has authorized the administrative committee to make salary adjustments and short-term incentive (bonus) decisions for all employees other than certain officers under guidelines approved by our compensation committee.

### **Elements of Our Compensation Program**

Our compensation committee believes that compensation paid to executive officers and other members of our senior management should be closely aligned with our performance on both a short-term and a long-term basis, and that such compensation should assist us in attracting and retaining talented persons who are committed to our mission and critical to our long-term success. To that end, our compensation committee believes that the compensation packages for executive officers should consist of three principal components:

- **Base Salary.** Base salaries for executive officers are reviewed on an annual basis and at the time of promotion or other change in responsibilities. Starting salary levels and increases in salary are based on subjective evaluation of such factors as the level of responsibility, individual performance, market value of the officer's skill set, and relative salary differences within our company for different job levels. Consideration of the same factors, and general economic conditions, may also result in the reduction of an officer's base salary.
- **Annual Incentive Bonus.** Incentive bonuses are generally granted based on a percentage of each executive officer's base salary. After the end of the fiscal year, our compensation committee determines the extent to which the performance goals were achieved and approves the amount of the bonus to be paid to each executive. The total bonus award is determined according to the level of achievement of both the objective performance and individual performance goals. Both our corporate and an individual's performance goals are expected to be established annually, and based upon both our and the individual's achievement of such goals, our executive officers' annual

incentive bonus potentials are expected to be from approximately 30% to 50% of each executive officer's base salary, depending upon his or her position. If either we do not achieve our corporate performance goals, or if we achieve such goals but the individual does not achieve his/her individual goals, an incentive bonus award will not be granted pursuant to the objective performance goal.

- ***Long-Term Incentive Compensation.*** During fiscal 2008, long-term, performance-based compensation of executive officers and other employees took the form of stock option awards granted pursuant to our 1999 Long-Term Incentive Plan.

Because many outstanding stock options granted under our 1999 Long-Term Incentive Plan had exercise prices much higher than the trading price of our Class A Common Stock, our compensation committee determined it would be appropriate to reduce the exercise price of certain outstanding stock options to an amount more likely to provide an incentive to option holders. The exercise price of outstanding stock options with an exercise price in excess of \$10.00 per share was reduced to \$5.00 per share, conditioned upon shareholder approval of Proposal 3 and no exercise of the impacted options prior to June 30, 2009, on January 15, 2009. Our shares closed at a price of \$3.86 on that date. In addition, based on the recommendation of the compensation committee, on January 15, 2009, our board of directors approved, subject to shareholder approval, a revision to our 1999 Long-Term Incentive Plan to expressly permit the repricing of stock options granted under the plan.

On January 15, 2009, our board also approved, subject to shareholder approval, a new 2009 Long-Term Incentive Plan to replace the 1999 Long-Term Incentive Plan, which will expire in accordance with its terms in June 2009. The terms of the proposed 2009 Long-Term Incentive Plan are substantially similar to the terms of the 1999 Long-Term Incentive Plan.

Our compensation committee believes in the importance of equity ownership for all executive officers and a broader-based segment of our work force, for purposes of economic incentive, key employee retention and alignment of employees' interests with those of shareholders. Our compensation committee believes that both our 1999 Long-Term Incentive Plan and the proposed 2009 Long-Term Incentive Plan provide valuable flexibility to achieve a balance between providing equity-based compensation for employees and creating and maintaining long-term shareholder value. Upon an executive officer's hiring, our compensation committee will make its determination regarding long-term incentive compensation awards based upon prevailing compensation levels in the market for the individual's position. Thereafter, such determinations will be based upon the executive officer's past and expected future contributions to our business.

Stock option grants are typically made when a new executive officer is hired, and in determining the size of stock option grants, our compensation committee bases its determinations on such subjective considerations as the individual's position within management, experience, market value of the executive's skill set, and historical grant amounts to similarly positioned executives of our company. All stock options granted during fiscal 2008 were granted with an exercise price equal to or greater than the closing price of the Class A Common Stock on the date of grant and, accordingly, will have value only if the market price of the Class A Common Stock increases after that date. The stock options granted pursuant to both the 1999 Long-Term Incentive Plan and the proposed 2009 Long-Term Incentive Plan generally vest at 2% per month during the 11th through 60th month after grant.

We have selected these elements because each is considered useful and/or necessary to meet one or more of the principal objectives of our compensation policy. For instance, base salary and bonus target percentages are set with the goal of attracting employees and adequately compensating and rewarding them on a day-to-day basis for the time spent and the services they perform, while our equity programs are geared toward providing an incentive and reward for the achievement of long-term business objectives and retaining key talent. We believe that these elements of compensation, when combined, are effective, and will continue to be effective, in achieving the objectives of our compensation program.

Our compensation committee reviews our compensation program on an annual basis. In setting compensation levels for a particular executive, our compensation committee takes into consideration the proposed compensation package as a whole and each element individually, but does not apply any specific formula in doing so. While the importance of one compensation element to another may vary among executive officers, our compensation committee attempts to correlate the overall compensation package to each executive officer's past and expected future contributions to our business. With the exception of Mr. Rysavy's and Ms. Powers' employment agreements, we do not have any employment or severance agreements with our executive officers.

(1) Ms. Powers was elected Chief Executive Officer and President effective March 9, 2009; Mr. Rysavy was the Chief Executive Officer for each of the years set forth in the Summary Compensation Table and continues to serve as Chairman.

(2) Ms. Valentine was hired as the Chief Financial Officer in April 2006 and Mr. Jackson became an executive officer in March 2007.

(3) The *Salary* and *Bonus* columns represent amounts earned during 2008 and, because of the timing of bonuses, do not represent amounts paid during 2008. The current annual salary rate for each named executive officer is \$330,000 for Mr. Rysavy and Ms. Powers, \$260,000 for Mr. Jackson, and \$270,000 for Ms. Valentine. Bonuses are given at the discretion of our board of directors compensation committee. The bonuses for a compensation year are typically paid between February and May of the following year.

(4) The amounts in the *Stock Awards* and *Option Awards* columns reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2008, in accordance with FAS 123R, rather than an amount paid to or realized by the named executive officer. These awards were issued pursuant to our 1999 Long-Term Incentive Plan and thus include amounts from awards granted in and prior to 2008. Assumptions used in the calculation of this amount for the fiscal year ended December 31, 2008 are included in footnote 12 to our audited financial statements for the fiscal year ended December 31, 2008, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 13, 2009. Further information is included in the *2008 Grants of Plan-Based Awards* and *Outstanding Equity Awards At Fiscal Year-End* tables.

(5) For 2006, the amounts in the *All Other Compensation* column include \$962,500 for Ms. Powers representing the value realized (net of the exercise price) upon exercise of options conveyed to her by Mr. Rysavy in a

transaction approved by Gaiam's compensation committee. The options were issued pursuant to our 1999 Long-Term Incentive Plan, were fully vested at the time of transfer and had an exercise price of \$4.375 per share. Shares received upon exercise of the options were restricted shares issued in reliance on the exemption from registration contained in Section 4(2) of the Securities Act as a transaction by an issuer not involving any public offering and were sold at a price of \$14.00 per share.

(6) *All Other Compensation* includes for Ms. Powers \$1,500 of 401(k) company match given during each of the years ended December 31, 2007 and 2008.

**Grants of Plan-Based Awards Table**

The following table sets forth certain information with respect to the options granted during or for the year ended December 31, 2008 to any of our executive officers listed in the Summary Compensation Table above. No restricted stock awards were granted to executive officers in 2008.

| Lynn Powers     | 11/13/08   | 50,000                             | \$ 147,322                                |            |
| Vilia Valentine | 11/13/08   | 40,000                             | \$ 117,857                                |            |

(1) These stock awards were granted as discretionary bonuses pursuant to our 1999 Long-Term Incentive Plan and approved by our board of directors compensation committee. The grant date fair value per share of these awards was equal to the closing price of the underlying stock on the date of the grant. The grant date fair value of these options was determined in accordance with FAS 123R using the Black-Scholes option pricing model. For further information, see footnote 12 to our audited financial statements for the fiscal year ended December 31, 2008, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 13, 2009. The exercise price of these awards is \$5.00 per share.

(1) This table reflects the status of option and stock awards granted pursuant to our 1999 Long-Term Incentive Plan as of December 31, 2008. Our options normally vest and become exercisable at 2% per month over the 50 months beginning in the eleventh month after date of grant. The exercise price of the options is normally equal to or greater than the closing stock market price of our Class A Common Stock on the date of grant and the options expire seven years from date of grant. The stock awards vest 50% per year. For further information, see footnote

12 to our audited financial statements for the fiscal year ended December 31, 2008, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 13, 2009.

**Option Exercises and Stock Vested Table**

The following table includes certain information with respect to the options exercised by our executive officers named above in the Summary Compensation Table during the year ended December 31, 2008.

| Lynn Powers | 110,000              |               | \$             |

(1) Ms. Powers was the only executive officer who exercised option awards in 2008, and she exercised option awards that were scheduled for expiration and forfeiture if not exercised. Ms. Powers paid the applicable option exercise price in cash and has not sold any of the shares of Class A Common Stock issued to her upon exercise. The exercise price in connection with these option awards was \$10.19 per share.

**Generally Available Benefit Programs.** We maintain a tax-qualified 401(k) Plan, which provides for broad-based employee participation. Our executive officers are eligible to participate in the 401(k) Plan on the same basis as other employees. On April 1, 2007, we started making matching contributions to the 401(k) Plan. As of that date, under the 401(k) Plan, all of our employees are eligible to receive matching contributions from us, and this matching contribution will be equal to \$0.50 for each dollar contributed by an employee up to a maximum annual matching benefit of \$1,500 per person. The matching contribution is calculated and paid on a payroll-by-payroll basis subject to applicable Federal limits. We do not provide defined benefit pension plans or defined contribution retirement plans to our executives or other employees other than our 401(k) Plan described herein.

In fiscal 2008, our executive officers were eligible to receive the same health care coverage that is generally available to other of our employees. We also offer a number of other benefits to our named executive officers pursuant to benefit programs that provide for broad-based employee participation. These benefits programs include medical, dental and vision insurance, long-term and short-term disability insurance, life and accidental death and dismemberment insurance, health and dependent care flexible spending accounts, business travel insurance, wellness programs (including chiropractic, massage therapy, acupuncture, and fitness classes), relocation/expatriate programs and services, educational assistance, and certain other benefits.

Our compensation committee believes that our 401(k) Plan and the other generally available benefit programs allow us to remain competitive for employee talent, and that the availability of the benefit programs generally enhances employee productivity and loyalty to us. The main objectives of our benefits programs are to give our employees access to quality healthcare, financial protection from unforeseen events,

assistance in achieving retirement financial goals, and enhanced health and productivity, in full compliance with applicable legal requirements. These generally available benefits typically do not specifically factor into decisions regarding an individual executive officer's total compensation or Long-Term Incentive Plan award package.

**Stock Option Grant Timing Practices**

During fiscal 2008, our compensation committee and our board consistently applied the following guidelines for stock option grant timing practices.

- ***New Employees:*** stock option grants to new hires are effective on the first day of the new employee's employment with us or upon approval by our compensation committee, and the exercise price for the options is set at the closing price of our Class A Common Stock on that date.

- **Existing Employees:** stock option grants to existing employees are effective on the date that our compensation committee approves the grant, and the exercise price for the options is set at or above the closing price of our Class A Common Stock on that date.

#### **Compensation of Mr. Rysavy**

During fiscal 2008, Mr. Rysavy, received a weighted-average annual salary of \$326,342. Mr. Rysavy served as our Chief Executive Officer until March 2009. He continues to serve as our Chairman of the Board of Directors and is our largest shareholder. At Mr. Rysavy's request, he was not awarded any stock options under our 1999 Long-Term Incentive Plan. Our compensation committee and our board of directors strongly believe that Mr. Rysavy's salary and overall compensation level are modest given the importance of Mr. Rysavy to our future, his previous experience and business accomplishments and the market value of his skill set as an executive.

#### **Employment Contracts and Potential Payments Upon Termination or Change-in-Control**

We do not have employment agreements with any of our executive officers besides Mr. Rysavy and Ms. Powers, which agreements expire on August 4, 2009 and which under certain circumstances may entitle them to salary continuation upon termination during the remainder of the contract term, and we do not have change of control agreements with any of our executive officers. Ms. Valentine and Mr. Jackson are entitled to paid time off amounts of \$20,769 and \$11,044, respectively, that would be payable upon termination from our company if such paid time off is not utilized prior to employment termination. Our directors, officers, and managers are also required to sign a confidentiality agreement and, upon receiving a stock option grant, a two-year non-compete agreement commencing with the date they leave our company.

#### **Accounting and Tax Considerations**

In designing our compensation programs, we take into consideration the accounting and tax effect that each element will or may have on us and the executive officers and other employees as a group. We aim to keep the expense related to our compensation programs as a whole within certain affordability levels. When determining how to apportion between differing elements of compensation, the goal is to meet our objectives while maintaining relative cost neutrality. For instance, if we increase benefits under one program resulting in higher compensation expense, we may seek to decrease costs under another program in order to avoid a compensation expense that is above the level then deemed affordable under existing circumstances. We recognize a charge to earnings for accounting purposes equally from the grant date until the end of the vesting period.

We have structured our compensation program to comply with Internal Revenue Code Sections 162(m) and 409A. Under Section 162(m) of the Internal Revenue Code, a limitation was placed on tax deductions of any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the service provider is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income. We have no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

**PROPOSAL 2**

**APPROVAL OF THE GAIAM, INC.**

**2009 LONG-TERM INCENTIVE PLAN**

**General**

The Gaiam, Inc. 2009 Long-Term Incentive Plan (the 2009 Incentive Plan ) was approved by our board of directors on January 15, 2009. Our board recommends that our shareholders approve the 2009 Incentive Plan. The following is a summary of the material features of the 2009 Incentive Plan, which is qualified in its entirety by reference to the copy of the 2009 Incentive Plan attached hereto as Exhibit A and incorporated herein by reference in its entirety.

**Summary of the 2009 Incentive Plan**

The purpose of the 2009 Incentive Plan is to advance the interests of our company and its shareholders by providing incentives to certain employees and other key individuals who perform services for us, including those who contribute significantly to the strategic and long-term performance objectives and growth of our company.

The 2009 Incentive Plan is administered by our board of directors or, if the board of directors so designates, by a committee of the board. Our board of directors has designated the board's compensation committee to administer the 2009 Incentive Plan. The compensation committee may delegate administrative responsibilities if so permitted by applicable law, other than with respect to executive officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, or the Exchange Act. The 2009 Incentive Plan provides for the granting of several types of awards, including stock options, stock appreciation rights, or SARs (rights to receive, without payment to us, cash, Class A Common Stock, other property or any combination thereof, based on the increase in the value of the number of shares of Class A Common Stock specified in the award), restricted stock (an award of a number of shares of Class A Common Stock that are subject to certain restrictions, such as a requirement that the shares shall be forfeited if the holder's employment or performance of services for us terminates), performance grants (cash, shares of Class A Common Stock, other consideration such as other of our company's securities or property or a combination

## Edgar Filing: GAIAM, INC - Form DEF 14A

thereof that is paid based on the performance of the holder, our company, one or more of our subsidiaries, divisions or units, or any combination thereof) and other awards deemed by the compensation committee to be consistent with the purposes of the 2009 Incentive Plan. Awards may be granted alone, or in conjunction with one or more other awards, as determined by the compensation committee.

A maximum of 3,000,000 shares of our Class A Common Stock will be authorized to be issued under the Incentive Plan in connection with the grant of awards, subject to adjustments described below. As of March 9, 2009, the market value of the Class A Common Stock that may be granted under the 2009 Incentive Plan was \$7,590,000. The Class A Common Stock issued under the 2009 Incentive Plan may be either newly issued shares, treasury shares, reacquired shares or any combination thereof. If our Class A Common Stock issued as restricted stock or otherwise subject to repurchase or forfeiture rights is reacquired by us pursuant to such rights, or if any award is canceled, terminates or expires unexercised, the Class A Common Stock which would otherwise have been issuable pursuant to such awards will be available for issuance under new awards.

Our compensation committee will have exclusive discretion to select the employees and other key individuals performing services for us to whom awards will be granted; to determine the type, size and terms of each award; to modify within certain limits the terms of any award; to determine the time when awards will be granted; to establish performance objectives; to prescribe the form of documents representing awards under the 2009 Incentive Plan; and to make all other

determinations that it deems necessary or desirable in the interpretation and administration of the 2009 Incentive Plan. Our compensation committee will have the authority to administer and interpret the 2009 Incentive Plan, and its decisions will be final, conclusive and binding. We currently anticipate that approximately 100 of our employees or other key individuals will be eligible to participate in the 2009 Incentive Plan. It is not possible to determine awards that will be made under the 2009 Incentive Plan to any person, nor is it possible to estimate the amount of awards that any person might have received under the 2009 Incentive Plan in the last completed fiscal year if the plan had been in effect during that year.

#### **Awards under the 2009 Incentive Plan**

*Stock Options.* A stock option, which may be a nonqualified or an incentive stock option, is the right to purchase a specified number of shares of our Class A Common Stock at a price fixed by the compensation committee. The option exercise price for nonqualified options may be equal to or greater than the fair market value of the Class A Common Stock on the date of grant. In the case of incentive stock options, the option exercise price may not be less than the fair market value of the underlying shares of Class A Common Stock on the date of grant and, with respect to incentive stock options granted to our employees or any of our affiliates who own more than 10% of the voting power of all classes of our stock or the stock of any of our affiliates, the option exercise price may not be less than 110% of fair market value on the date of the grant.

Stock options will generally expire not later than ten years or, in the case of incentive stock options granted to employees who own more than 10% of our stock, five years, after the date on which they are granted. Stock options become exercisable at such times and in such installments as the compensation committee determines. Payment of the option exercise price must be made in full at the time of exercise in cash, by tendering to us shares of Class A Common Stock, by a combination thereof or by any other means that the compensation committee deems appropriate, which may include the surrender of rights in one or more outstanding awards.

*Other Awards.* The 2009 Incentive Plan also authorizes several other types of awards. These include SARs, restricted stock and performance grants.

#### **Additional Information**

Under the 2009 Incentive Plan, if any change in the outstanding shares of Class A Common Stock occurs by reason of a stock split, reverse stock split, stock dividend, split-up, split-off, spin-off, recapitalization, merger, consolidation, rights offering, reorganization, combination, subdivision or exchange of shares, any distribution to shareholders other than a normal cash dividend, or other extraordinary or unusual event, then our compensation committee shall make an equitable adjustment in the terms of any outstanding award or in the number of shares of Class A Common Stock available for awards.

The 2009 Incentive Plan permits our compensation committee to determine whether it is advisable for us or any of our affiliates to provide financing in connection with the exercise of an award and the payment of related taxes, or to assist in obtaining financing from a bank or other third party in this regard. Such assistance may take any form and be on such terms as our compensation committee considers appropriate, which may include a direct loan, a guaranty of the obligation to a third party or the maintenance by us or any of our affiliates of deposits with a bank or

third party.

Our compensation committee may permit payment of taxes required to be withheld with respect to an award in any appropriate manner, which may include by the surrender to us of shares of Class A Common Stock owned by such person or that would otherwise be distributed, or have been distributed, as the case may be, pursuant to such award.

Generally, no awards under the 2009 Incentive Plan may be assigned or transferred in whole or in part, either directly or by operation of law or otherwise (except in the event of a holder's death), although our compensation committee may approve transfers of awards to certain permitted transferees as defined under the 2009 Incentive Plan.

The expenses of the 2009 Incentive Plan are borne by us. The 2009 Incentive Plan will terminate upon the earlier of the adoption of a resolution by the board of directors terminating the 2009 Incentive Plan or the close of business on the tenth anniversary of the effective date, unless extended by action of the board of directors for up to an additional five years for the grant of awards other than incentive stock options. However, the compensation committee may not grant any award

under the 2009 Incentive Plan after the tenth anniversary of the earlier of the adoption of the 2009 Incentive Plan by the board of directors and the effective date.

The board of directors may amend the 2009 Incentive Plan at any time and from time to time. However, if failure to obtain shareholder approval would adversely affect compliance of the 2009 Incentive Plan with any applicable law or regulation, no amendment will be effective unless and until approved by shareholders. In addition, the compensation committee may in its discretion amend the terms of any previously granted award in any manner it deems appropriate, including acceleration of the date of exercise of any award or payments thereunder or repricing of any award) if the compensation committee could grant such amended award under the terms of the 2009 Incentive Plan at the time of such amendment. No amendment of the 2009 Incentive Plan and, subject to limited exceptions, no amendment to any previously granted award may adversely affect in a material manner any right of any participant with respect to the previously granted award without such participant's written consent.

### **Federal Income Tax Consequences**

The following is a summary of the principal current federal income tax consequences to us and to an award recipient of the issuance and exercise of options under the 2009 Incentive Plan. This summary does not describe all federal tax consequences under the 2009 Incentive Plan, nor does it describe state, local or foreign tax consequences.

***Incentive Stock Options.*** No taxable income is realized by the award recipient upon the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may result in alternative minimum tax liability for the award recipient. If the award recipient does not dispose of the shares received upon exercise of an incentive stock option within two years from the date of grant and within one year after the transfer of such shares to the award recipient, then upon sale of such shares, any amount realized in excess of the exercise price will be taxed to the award recipient as a long-term capital gain and any loss sustained will be a long-term capital loss. In that case, we will not be allowed any deduction for federal income tax purposes.

If the shares of Class A Common Stock acquired upon the exercise of an incentive stock option are disposed of prior to the expiration of the two-year or one-year holding periods described above, generally the award recipient will realize ordinary income in the year of disposition. The ordinary income will equal the amount of the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on an arms-length sale of such shares) over the exercise price thereof, and we will be entitled to deduct such amount. Any further gain realized will be taxed as short-term or long-term capital gain and will not result in any deduction by us. Special rules may apply where all or a portion of the exercise price of the incentive stock option is paid by tendering shares of Class A Common Stock.

If an incentive stock option is exercised at a time when it does not qualify for the tax treatment described above, the option is treated as a nonqualified stock option. Generally, an incentive stock option will not be eligible for the tax treatment described above if it is exercised more than three months following termination of employment (one year following termination of employment by reason of permanent and total disability), except in certain cases where the incentive stock option is exercised after the death of an employee.

***Nonqualified Options.*** No income is realized by the award recipient at the time a nonqualified stock option is granted under the 2009 Incentive Plan. Generally, upon exercise, ordinary income is realized by the award recipient in an

amount equal to the difference between the option price and the fair market value of the shares on the date of exercise, and we receive a tax deduction for the same amount. At disposition, appreciation or depreciation after the date of exercise is treated as either short-term or long-term capital gain or loss, depending on how long the shares have been held.

At the meeting, the approval of the 2009 Incentive Plan requires the affirmative vote of a majority of the total votes cast on the proposal. In determining whether the proposal has received a majority, abstentions and broker non-votes will not be considered as votes cast and therefore will have no effect on the vote.

THE PROPOSAL TO APPROVE THE 2009 INCENTIVE PLAN.**

**PROPOSAL 3**

**APPROVAL OF AMENDED AND RESTATED**

**GAIAM, INC. 1999 LONG-TERM INCENTIVE PLAN**

**General**

On January 15, 2009, our board of directors amended and restated the Gaiam, Inc. 1999 Long-Term Incentive Plan (as amended and restated, the Amended 1999 Incentive Plan ), subject to shareholder approval, in order to (1) expressly permit repricing of options and other awards issued under the plan and (2) conform the provisions of the existing plan to the new 2009 Incentive Plan for the purpose of facilitating administration of the two plans. In connection with the amendment of the 1999 Long-Term Incentive Plan, we also approved the repricing of certain outstanding options issued under the plan to purchase up to 555,100 shares of our Class A Common Stock (the Eligible Options ), including 70,000 options held by John Jackson and 60,000 options held by Vilia Valentine. Under the existing rules of the Nasdaq Global Market, shareholder approval is required to approve the Amended 1999 Incentive Plan and implement the related repricing.

**Reasons for the Amended 1999 Incentive Plan**

After careful consideration, our board of directors has determined that it would be in the best interest of our company and its shareholders to approve the Amended 1999 Incentive Plan, which would facilitate implementing the option repricing. The objective of the 1999 Long-Term Incentive Plan is to provide to key personnel whose long-term employment or service is considered essential to our continued progress an ownership stake in our success. The Amended 1999 Incentive Plan facilitates the repricing of options so that such options can continue to serve as an effective tool to retain, motivate and reward employees. The Amended 1999 Incentive Plan and related repricing results in no change in the number of shares of Class A Common Stock subject to each repriced Eligible Option and no material change in the vesting, term or other provisions governing such Eligible Options.

In determining to recommend that shareholders approve the Amended 1999 Long-Term Incentive Plan, our board of directors considered and rejected two alternatives to provide competitive compensation to our employees. Replacing equity incentives would substantially increase base and target bonus compensation, which would substantially increase our compensation expenses and reduce our cash flow from operations. Granting employees additional stock options at current market prices would substantially increase our total number of outstanding stock options, or overhang. In short, repricing allows us to conserve cash resources and does not result in additional overhang .

**Changes to the 1999 Long-Term Incentive Plan**

The amendments to the 1999 Long-Term Incentive Plan are intended to expressly permit the repricing of company options and conform the provisions of the plan to the new 2009 Incentive Plan for the purpose of facilitating administration of the two plans. Other than such changes, the Amended 1999 Incentive Plan makes no material changes to the existing plan.

Among other things, the Amended 1999 Incentive Plan:

- authorizes our board of directors, or other authorized administrator, to make necessary or desirable adjustments that may be in assumption of or in substitution for existing outstanding awards previously granted by our company or its affiliates or an entity acquired by our company or its affiliates or with which our company or its affiliates combines;
- clarifies that our board of directors, or other authorized administrator, shall, in the event of any stock split, stock dividend, split-up, split-off, spin-off, recapitalization, merger, consolidation, share exchange or other specified transaction, adjust (i) the aggregate number of shares covered by the plan; (ii) the number and exercise price of outstanding stock options and stock appreciation rights; (iii) the number of outstanding restricted stock units; and (iv) the number of shares subject to any other awards granted under the plan, in each case as may be determined to be appropriate by our board of directors or such authorized administrator, and that such adjustments shall be final, conclusive and binding for all purposes of the plan;

- eliminates the provision in the existing plan that the exercise price not be less than the fair market value of the shares of Class A Common Stock subject to the option at the time the option is granted;
- eliminates the provision in the existing plan that, in the case of incentive stock options, limits the aggregate fair market value of the shares of Class A Common Stock underlying the options to \$100,000 or such other amount as is specified in the Internal Revenue Code of 1986, as amended; and
- updates provisions in light of changes to the tax code and other relevant law.

The foregoing description of certain provisions of the Amended 1999 Incentive Plan set forth above is qualified in its entirety by reference to the copy of the Amended 1999 Incentive Plan, which is attached hereto as Exhibit B and incorporated herein by reference in its entirety.

If the Amended 1999 Incentive Plan is approved by shareholders, the repricing will set the new exercise price of Eligible Options at \$5.00, which was higher than the fair market value of the options on January 15, 2009, the date of the repricing. As of March 2, 2009, options for approximately 1,265,710 shares were outstanding under our existing 1999 Long-Term Incentive Plan of which options to purchase approximately 553,100 shares of Class A Common Stock, having exercise prices ranging from \$10.22 to \$24.03, constituted Eligible Options.

Pursuant to Statement of Financial Accounting Standards, (SFAS) No. 123(R), *Share-Based Payment*, we will incur a noncash charge for all options that are repriced.

\* \* \* \* \*

At the meeting, the approval of the amendment and restatement of the 1999 Long-Term Incentive Plan requires the affirmative vote of a majority of the total votes cast on the proposal. In determining whether the proposal has received a majority, abstentions and broker non-votes will not be considered as votes cast and therefore will have no effect on the vote.

**AUDIT COMMITTEE REPORT**

## Edgar Filing: GAIAM, INC - Form DEF 14A

Our audit committee, on behalf of our board of directors, oversees management's conduct of internal control processes and procedures for financial reporting designed to ensure the integrity and accuracy of our financial statements and to ensure that we are able to timely record, process and report information required for public disclosure.

Our management is responsible for establishing and maintaining adequate internal financial controls, for the preparation of our consolidated financial statements and for the public reporting process. The firm of Ehrhardt Keefe Steiner & Hottman P.C. (EKS&H), as our independent registered public accounting firm for 2008, was responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon expressing its opinion as to whether our consolidated financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of our company in conformity with accounting principles generally accepted in the United States. EKS&H was also responsible for performing an audit and expressing its own opinion on the effectiveness of our internal control over financial reporting.

In this context, our audit committee reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2008 with management and representatives of EKS&H, management's assessment of the effectiveness of our internal control over financial reporting and EKS&H's evaluation of our internal control over financial reporting. EKS&H concluded, in its Report of Independent Registered Public Accounting Firm dated March 12, 2009, that in our opinion, Gaiam, Inc. and subsidiaries maintained, in all material respects, effective internal control over financial reporting.

as of December 31, 2008, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission.

Our audit committee also discussed with EKS&H the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees. Our audit committee reviewed with EKS&H, who was responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States, their judgment as to the quality, not just the acceptability, of our accounting principles, the reasonableness of significant judgments and the clarity of disclosures in our financial statements. Also, our audit committee discussed the results of the annual audit and such other matters required to be communicated with our audit committee under professional auditing standards.

In discharging its oversight responsibility over the audit process, our audit committee obtained from our independent auditors statements describing all relationships between our independent auditors and us that might bear on our auditors' independence consistent with applicable requirements of the Public Company Accounting Oversight Board and discussed with our auditors any relationships that may impact their objectivity and independence.

Our audit committee recommended to our board that our audited financial statements for the year ended December 31, 2008 be included in our Annual Report on Form 10-K for 2008 for filing with the Securities and Exchange Commission, in reliance upon (1) our audit committee's reviews and discussions with management and EKS&H; (2) management's assessment of the effectiveness of our internal control over financial reporting; (3) the receipt of an opinion from EKS&H, dated March 12, 2009, stating our 2008 consolidated financial statements present fairly in all material respects, the consolidated financial position of our company and its consolidated subsidiaries at December 31, 2008 and the consolidated results of operations and cash flows for the year ended December 31, 2008 in conformity with accounting principles generally accepted in the United States, and (4) the receipt of EKS&H's opinion on the effectiveness of our internal control over financial reporting dated March 12, 2009.

(1) Audit fees are fees that we paid for the audit of our annual financial statements included in our Form 10-K

and review of unaudited financial statements included in our Form 10-Qs; for the audit of our internal control over financial reporting; for services in connection with the filing of our Form S-3; and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements; and all costs and expenses in connection with the above.

- (2) Audit related fees consisted of accounting consultations and audits in connection with acquisitions and proposed transactions.
- (3) Tax fees represent fees charged for services for tax advice, tax compliance, tax studies and domestic and international tax planning.
- (4) All other fees are amounts paid for the audit of carve-out financial statements, including fees associated with the audits required for Real Goods Solar, Inc.'s registration statement with the Securities and Exchange Commission relating to a proposed initial public offering of a minority interest of its Class A Common Stock.

In accordance with the policies of our audit committee and legal requirements, all services to be provided by our independent registered public accounting firm are pre-approved by our audit committee. Pre-approved services include audit services, audit-related services, tax services and other services. In some cases, pre-approval is provided by the full audit committee for up to a year, and such services relate to a particular defined task or scope of work and are subject to a specific budget. In other cases, the chairman of our audit committee has the delegated authority from our audit committee to pre-approve additional services, and such action is then communicated to the full audit committee at the next audit committee meeting. To avoid certain potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its auditing firm. If we need such services, we obtain them from other service providers.

EKS&H is currently engaged to provide auditing services through the second quarter of 2009. Our audit committee is in negotiations with EKS&H to be our independent registered public accounting firm again for the remainder of 2009. Representatives of EKS&H are expected to be present at our 2009 annual meeting. We expect EKS&H to be available to respond to appropriate questions.

#### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Any related party transaction is reviewed by disinterested members of management and, if material, by disinterested members of our board or a committee thereof to ensure that the transaction reflects terms that are at least as favorable for us as we would expect in a similar transaction negotiated at arm's length by unrelated parties.

Jacquelyn Abraham, the daughter of Gaiam's Director, President and Chief Executive Officer, Lynn Powers, is Gaiam's Director of Human Resources, and for 2008 Ms. Abraham earned an annual salary of \$125,000 and received a bonus of \$28,050.

#### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our directors, officers and persons who own more than 10% of a registered class of our equity securities to file with the Securities and Exchange Commission reports of ownership and changes in ownership of our Class A Common Stock and other equity securities of our company. Our directors, officers and 10% holders are required by Securities and Exchange Commission regulations to furnish us with copies of all of the Section 16(a) reports they file.

## Edgar Filing: GAIAM, INC - Form DEF 14A

Based solely upon a review of the copies of the forms furnished to us and the representations made by the reporting persons to us, the following persons failed to file on a timely basis the following reports required by Section 16(a): Barbara Mowry, Barnet Feinblum and James Argyropoulos each filed three late reports covering three transactions; Lynn Powers filed two late reports covering two transactions; and Vilia Valentine, Paul H. Ray and our former director Ted C. Nark each

filed one late report covering one transaction. Each of the foregoing transactions was related to the receipt or exercise of options and/or the receipt of shares in lieu of director fees.

### **SHAREHOLDER PROPOSALS**

Shareholders may submit proposals on matters appropriate for shareholder action at our annual meetings consistent with regulations adopted by the Securities and Exchange Commission. For shareholder proposals to be considered for inclusion in our proxy statement and form of proxy relating to the 2010 annual meeting of shareholders, they must be received by us not later than November 13, 2009, unless the date of the 2010 meeting of shareholders is changed by more than 30 days from April 23, 2010.

In addition, under the terms of our Bylaws, unless the date of the 2010 meeting of shareholders is changed by more than 30 days from April 23, 2010, shareholders who intend to present an item of business or nomination at the 2010 annual meeting of shareholders (other than a proposal submitted for inclusion in our proxy material(s)) must provide notice in writing of such business or nomination to us no earlier than January 2, 2010 and no later than January 27, 2010.

Such written notice must contain specified information, including, among other things, information as would be required to be included in a proxy statement under Securities and Exchange Commission rules, as set forth more fully in our Bylaws. All proposals or other notices should be addressed to us at 833 W. South Boulder Road, Louisville, Colorado 80027, Attention: Secretary, Gaiam, Inc.

### **DELIVERY OF MATERIALS**

Securities and Exchange Commission rules permit a single set of annual reports, proxy statements or Notice of Internet Availability of Proxy Materials, as applicable, to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. In accordance with a notice that is being sent to certain beneficial shareholders (who share a single address) only one annual report, proxy statement or Notice of Internet Availability of Proxy Materials, as applicable, will be sent to that address unless any shareholder at that address gave contrary instructions. We will promptly deliver a copy of such materials to any shareholder requesting the same. However, if any such beneficial shareholder residing at such an address wishes to receive a separate annual report, proxy statement or Notice of Internet Availability of Proxy Materials, as applicable, or if any shareholders who share an address wish to receive a single set of annual reports, proxy statements or Notice of Internet Availability of Proxy Materials, as applicable, in the future, please contact Computershare Trust Company (our transfer agent & registrar) in writing by mailing to Computershare Trust Company, Attention: Householding, 250 Royall Street, Canton, MA 02021, or by faxing your request to: 303-262-0700. You can also contact us by calling 303-222-3600.

### **COMMUNICATION WITH THE BOARD**

Shareholders may communicate with our board of directors, including the non-management directors, by sending a letter to the Gaiam Board of Directors, c/o Corporate Secretary, Gaiam, Inc., 833 W. South Boulder Road, Louisville, Colorado 80027. Our corporate secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate

communications. If deemed an appropriate communication, our corporate secretary will submit your correspondence to the chairman of the board or to any specific director to whom the correspondence is directed.

**OTHER MATTERS**

Our management does not intend to present, and has no information as of the date of preparation of this proxy statement that others will present, any business at the annual meeting, other than business pertaining to matters set forth in the notice of annual meeting and this proxy statement. However, if other matters requiring the vote of the shareholders properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote the proxies held by them in accordance with their best judgment on such matters.

**YOUR VOTE IS IMPORTANT**

WE URGE YOU TO DATE, SIGN AND PROMPTLY RETURN YOUR PROXY, OR TO VOTE BY THE INTERNET OR BY TELEPHONE PROMPTLY, SO THAT YOUR SHARES MAY BE VOTED IN ACCORDANCE WITH YOUR WISHES.

**2009 LONG-TERM INCENTIVE PLAN**

**Section 1. Purpose.** The purpose of this Plan is to advance the interests of Gaiam and its shareholders by providing incentives to certain Eligible Persons (as defined below) who contribute significantly to the strategic and long-term performance objectives and growth of the Company.

**Section 2. Definitions.** Certain capitalized terms applicable to this Plan are set forth in Appendix A.

**Section 3. Administration.** The Committee shall administer this Plan and shall have all the powers vested in it by the terms of this Plan, such powers to include exclusive authority to select the Eligible Persons to be granted Awards under this Plan, to determine the type, size, terms and conditions of the Award to be made to each Eligible Person selected, to modify or waive the terms and conditions of any Award that has been granted, to determine the time when Awards will be granted, to establish performance objectives, to make any adjustments necessary or desirable as a result of the granting of Awards to Eligible Persons located outside the United States and to prescribe the form of the agreements evidencing Awards made under this Plan. Awards may, in the discretion of the Committee, be made under this Plan in assumption of, or in substitution for, outstanding Awards previously granted by the Company, or an entity acquired by the Company or with which the Company combines. The number of Class A Shares underlying such substitute Awards shall be counted against the aggregate number of Class A Shares available for Awards under this Plan.

The Committee is authorized to interpret this Plan and the Awards granted under this Plan, to establish, amend and rescind any rules and regulations relating to this Plan, and to make any other determinations that it deems necessary or desirable for the administration of this Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable to carry it into effect. Any decision of the Committee in the interpretation and administration of this Plan, as described in this Plan, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned. The Committee may act only by a majority of its members in office, *except* that the Committee may authorize any one or more of its members or any officer of the Company to execute and deliver documents or to take any other ministerial action on behalf of the Committee with respect to Awards made to Participants or to be made to Eligible Persons. Notwithstanding the foregoing or any other provision of this Plan, the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1).

No member of the Committee and no officer of the Company shall be liable for anything done or omitted to be done by such member or officer, by any other member of the Committee or by any officer of the Company in connection with the performance of duties under this Plan, *except* for such member's or officer's own willful misconduct or as expressly provided by law. In addition to all other rights of indemnification and reimbursement to which a member of the Committee and an officer of the Company may be entitled, Gaiam shall indemnify and hold harmless each such member or officer who was or is a party or is threatened to be made a party to any threatened, pending or completed proceeding or suit in connection with the performance of duties under this Plan against expenses (including reasonable attorneys' fees), judgments, fines, liabilities, losses and amounts paid in settlement actually and reasonably incurred by him in connection with such proceeding or suit, *except* for his own willful misconduct or as expressly provided otherwise by law. Expenses (including reasonable attorneys' fees) incurred by such a member or officer in defending any such proceeding or suit shall be paid by Gaiam in advance of the final disposition of such proceeding or suit upon receipt of a written affirmation by such member or officer of his good faith belief that he has met the standard of conduct necessary for indemnification and a written undertaking by or on behalf of such member or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by Gaiam as authorized in this Section.

**Section 4. *Participation.* Consistent with the purposes of this Plan, the Committee shall have exclusive power to select the Eligible Persons who may participate in this Plan and be granted Awards under this Plan. Eligible Persons may be selected individually or by groups or categories, as determined by the Committee in its discretion.**

Section 5. *Awards under this Plan.*

(a) **Types of Awards.** Awards under this Plan may include, but need not be limited to, one or more of the following types, either alone or in any combination thereof: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Restricted Stock Units, (v) Performance Grants and (vi) any other type of Award deemed by the Committee in its discretion to be consistent with the purposes of this Plan (including, but not limited to, Awards of or options or similar rights granted with respect to unbundled stock units or components thereof, and Awards to be made to Participants who are foreign nationals or are employed or performing services outside the United States).

(b) **Maximum Number of Shares that May be Issued.** There may be issued under this Plan (as Restricted Stock, as Restricted Stock Units, in payment of Performance Grants, pursuant to the exercise of Stock Options or Stock Appreciation Rights or in payment of or pursuant to the exercise of such other Awards as the Committee, in its discretion, may determine) an aggregate of not more than 3,000,000 Class A Shares, subject to adjustment as provided in Section 15. No Eligible Person may receive Awards under this Plan for more than 400,000 Class A Shares in any one fiscal year of the Company, subject to adjustment as provided in Section 15. Class A Shares issued pursuant to this Plan may be either authorized but unissued shares, treasury shares, reacquired shares or any combination thereof. If any Class A Shares issued as Restricted Stock, Restricted Stock Units or otherwise subject to repurchase or forfeiture rights are reacquired by the Company pursuant to such rights or, if any Award is canceled, terminates or expires unexercised, any Class A Shares that would otherwise have been issuable pursuant thereto will be available for issuance under new Awards.

(c) **Rights with Respect to Class A Shares and Other Securities.** Except as provided in subsection 8(c) with respect to Awards of Restricted Stock and unless otherwise determined by the Committee in its discretion, a Participant to whom an Award is made (and any person succeeding to such a Participant's rights pursuant to this Plan) shall have no rights as a shareholder with respect to any Class A Shares or as a holder with respect to other securities, if any, issuable pursuant to any such Award until the date of the issuance of a book entry or stock certificate to such Participant for such Class A Shares or other instrument of ownership, if any. Except as provided in Section 15, no adjustment shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities, other property or other forms of consideration, or any combination thereof) for which the record date is prior to the date such book entry or stock certificate or other instrument of ownership, if any, is required to be issued based upon the date any Award was exercised. In all events, a Participant with whom an Award agreement is made to issue Class A Shares in the future shall have no rights as a shareholder with respect to such Class A Shares related to such agreement until issuance to such Participant of a book entry or stock certificate representing such shares.

**Section 6. Stock Options.** The Committee may sell Purchased Options or grant other Stock Options either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter; *provided* that an Incentive Stock Option may be granted only to Eligible Persons who are employees of Gaiam (or any parent or subsidiary of Gaiam) and who have other Awards only to the extent that such other Awards do not disqualify the Incentive Stock Option's status as such under the Code. Each Stock Option granted or sold under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Stock Option or the Class A Shares issuable upon exercise thereof, as the Committee, in its discretion, shall establish.

Section 4. Participation. Consistent with the purposes of this Plan, the Committee shall have exclusive power to se

(a) The exercise price of a Stock Option may be equal to or greater than the Fair Market Value of the Class A Shares subject to such Stock Option at the time the Stock Option is granted, as determined by the Committee; *provided, however,* that in the case of an Incentive Stock Option granted to a Ten Percent Employee, such exercise price shall not be less than 110% of such Fair Market Value at the time the Stock Option is granted.

(b) The Committee shall determine the number of Class A Shares to be subject to each Stock Option. In the case of a Stock Option awarded in conjunction with another Award, the number of Class A Shares subject to an outstanding Stock Option may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(c) Any Stock Option may be exercised during its term only at such time or times and in such installments as the Committee may establish.

(d) A Stock Option shall not be exercisable:

(i) in the case of any Incentive Stock Option granted to a Ten Percent Employee, after the expiration of five years from the date it is granted, and, in the case of any other Stock Option, after the expiration of ten years from the date it is granted; and

(ii) unless payment in full is made for the shares being acquired thereunder at the time of exercise as provided in subsection 6(i).

(e) The Committee shall determine in its discretion and specify in each agreement evidencing a Stock Option the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Stock Option; *provided, however*, that an Incentive Stock Option shall not be exercisable at a time that is beyond the time an Incentive Stock Option may be exercised in order to qualify as such under the Code and *provided, further*, that if a Participant's employment is terminated for a reason other than cause (as defined in such Participant's Award agreement or employment agreement, if any), then such Participant's right to exercise his or her Stock Options (to the extent that the Participant is entitled to exercise on the date employment terminates) shall continue until the earlier of the option expiration date or (i) at least six (6) months from the date of termination if termination was caused by death or disability and (ii) at least thirty (30) days from the date of termination if termination was caused by other than death or disability.

(f) It is the intent of Gaiam that Nonqualified Stock Options granted under this Plan not be classified as Incentive Stock Options, that the Incentive Stock Options granted under this Plan be consistent with and contain or be deemed to contain all provisions required under Section 422 and the other appropriate provisions of the Code and any implementing regulations (and any successor provisions thereof), and that any ambiguities in construction shall be interpreted in order to effectuate such intent. If a Stock Option is intended to be an Incentive Stock Option, and if for any reason such Stock Option (or portion thereof) shall fail to qualify as an Incentive Stock Option, then, to the extent of such failure, such Stock Option (or portion thereof) shall be regarded as a Nonqualified Stock Option granted under this Plan; *provided*, that, such Stock Option (or portion thereof) otherwise complies with this Plan's requirements relating to Nonqualified Stock Options. In no event shall any member of the Committee or the Company (or its employees, officers or directors) have any liability to any Participant (or any other person) due to the failure of a Stock Option to qualify for any reason as an Incentive Stock Option.

(g) A Purchased Option may contain such additional terms not inconsistent with this Plan, including but not limited to the circumstances under which the purchase price of such Purchased Option may be returned to the holder of the Purchased Option, as the Committee may determine in its sole discretion.

(h) For purposes of payments made to exercise Stock Options, such payment shall be made in such form (including, but not limited to, cash, Class A Shares, the surrender of all or part of an Award or another outstanding Award under this Plan or any combination thereof) as the Committee may determine in its discretion.

**Section 7. Stock Appreciation Rights. The Committee may grant Stock Appreciation Rights either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. Each Award of Stock Appreciation Rights granted**

(c) Any Stock Option may be exercised during its term only at such time or times and in such installments as

**under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Award of Stock Appreciation Rights or the Class A Shares issuable upon exercise thereof, as the Committee, in its discretion, shall establish.**

(a) The Committee shall determine the number of Class A Shares to be subject to each Award of Stock Appreciation Rights. In the case of an Award of Stock Appreciation Rights awarded in conjunction with another Award, the number of Class A Shares subject to an outstanding Award of Stock Appreciation Rights may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(b) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of Stock Appreciation Rights the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Award of Stock Appreciation Rights.

(c) An Award of Stock Appreciation Rights shall entitle the holder to exercise such Award or to surrender unexercised another Award (or any portion of such other Award) to Gaiam and to receive from Gaiam in exchange thereof, without payment to Gaiam, that number of Class A Shares having an aggregate value equal to (or, in the discretion of the Committee, less than) the excess of the Fair Market Value of one share, at the time of such exercise, over the exercise price, times the number of shares subject to the Award, or portion thereof, that is so exercised or surrendered, as the case may be. The Committee shall be entitled in its discretion to elect to settle the obligation arising out of the exercise of a Stock Appreciation Right by the payment of cash or Other Gaiam Securities or property, or other forms of payment or any combination thereof, as determined by the Committee, equal to the aggregate value of the Class A Shares it would otherwise be obligated to deliver. Any such election by the Committee shall be made as soon as practicable after the receipt by the Committee of written notice of the exercise of the Stock Appreciation Right.

(d) A Stock Appreciation Right may provide that it shall be deemed to have been exercised at the close of business on the business day preceding the expiration date of the Stock Appreciation Right or of the related Stock Option (or other Award), or such other date as specified by the Committee, if at such time such Stock Appreciation Right has a positive value. Such deemed exercise shall be settled or paid in the same manner as a regular exercise thereof as provided in subsection 7(d) of this Agreement.

**Section 8. *Restricted Stock and Restricted Stock Units.* The Committee may grant Awards of Restricted Stock and Restricted Stock Units either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. Each Award of Restricted Stock or Restricted Stock Units under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Section and this Plan, and with such other terms and conditions as the Committee, in its discretion, shall establish.**

(a) The Committee shall determine the number of Class A Shares to be issued to a Participant pursuant to the Award of Restricted Stock or Restricted Stock Units, and the extent, if any, to which they shall be issued in exchange for cash, other consideration, or both.

(b) Until the expiration of such period as the Committee shall determine from the date on which the Award is granted and subject to such other terms and conditions as the Committee in its discretion shall establish (the *Restricted Period*), a Participant to whom an Award of Restricted Stock is made shall be issued, but shall not be entitled to the delivery of, a book entry or stock certificate representing the Class A Shares subject to such Award.

(c) Unless otherwise determined by the Committee in its discretion, a Participant to whom an Award of Restricted Stock has been made (and any person succeeding to such a participant's rights pursuant to this Plan) shall have, after issuance of a certificate for the number of Class A Shares awarded and prior to the expiration of the Restricted Period, ownership of such Class A Shares, including the right to vote such Class A Shares and to receive dividends or other distributions made or paid with respect to such Class A Shares (*provided* that such Class A Shares, and any new, additional or different shares, or Other Gaiam Securities or property, or other forms of consideration that the Participant may be entitled to receive with respect to such Class A Shares as a result of a stock split, stock dividend or any other change in the corporation or capital structure of Gaiam, shall be subject to the restrictions set forth in this Plan as determined by the Committee in its discretion), subject, however, to the options, restrictions and limitations imposed thereon pursuant to this Plan.

(b) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of St

(d) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of Restricted Stock or Restricted Stock Units the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Restricted Period shall have on such Award of Restricted Stock.

(e) The Committee may grant Awards of Dividend Equivalents to Participants in connection with Awards of Restricted Stock Units. The Committee may provide, at the date of grant or thereafter, that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Class A Shares, or other investment vehicles as the Committee may specify; provided that, unless otherwise determined by the Committee, Dividend Equivalents shall be subject to all conditions and restrictions of the underlying Restricted Stock Units to which they relate.

**Section 9. *Performance Grants.* The Committee may grant Awards of Performance Grants either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. The Award of a Performance Grant to a Participant will entitle him to receive a specified amount determined by the Committee (the *Actual Value*), if the terms and conditions specified in this Plan**

and in the Award are satisfied. Each Award of a Performance Grant shall be subject to the applicable terms and conditions of this Plan, and to such other terms and conditions, including but not limited to, restrictions upon any cash, Class A Shares, Other Gaiam Securities or property, or other forms of payment, or any combination thereof, issued with respect to the Performance Grant, as the Committee, in its discretion, shall establish, and shall be embodied in an agreement in such form and substance as is determined by the Committee.

(a) The Committee shall determine the value or range of values of a Performance Grant to be awarded to each Participant selected for an Award and whether or not such a Performance Grant is granted in conjunction with another Award. As determined by the Committee, the maximum value of each Performance Grant (the *Maximum Value*) shall be: (i) an amount fixed by the Committee at the time the Award is made or amended thereafter, (ii) an amount that varies from time to time based in whole or in part on the then current value of the Class A Shares, Other Gaiam Securities or property, or other securities or property, or any combination thereof or (iii) an amount that is determinable from criteria specified by the Committee. Performance Grants may be issued in different classes or series having different names, terms and conditions. In the case of a Performance Grant awarded in conjunction with another Award, the Performance Grant may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(b) The award period (*Award Period*) related to any Performance Grant shall be a period determined by the Committee. At the time each Award is made or within the first 90 days of any performance period, the Committee shall establish performance objectives to be attained within the Award Period as the means of determining the Actual Value of such a Performance Grant. The performance objectives shall be based on such measure or measures of performance, which may include, but need not be limited to, the performance of the Participant, the Company or one or more of its divisions or units, or any combination of the foregoing, as the Committee shall determine, and may be applied on an absolute basis or be relative to industry or other indices or any combination thereof. The Actual Value of a Performance Grant shall be equal to its Maximum Value only if the performance objectives are attained in full, but the Committee shall specify the manner in which the Actual Value of Performance Grants shall be determined if the performance objectives are met in part. Such performance measures, the Actual Value or the Maximum Value, or any combination thereof, may be adjusted in any manner by the Committee in its discretion at any time and from time to time during or as soon as practicable after the Award Period, if it determines that such performance measures, the Actual Value or the Maximum Value, or any combination thereof, are not appropriate under the circumstances.

(c) The Committee shall determine in its discretion and specify in each agreement evidencing a Performance Grant the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Award Period shall have on such Performance Grant.

(d) The Committee shall determine whether the conditions of a Performance Grant have been met and, if so, shall ascertain the Actual Value of the Performance Grant. If the Performance Grant has no Actual Value, the Award and such Performance Grant shall be deemed to have been canceled and the any associated Award, if any, may be canceled or permitted to continue in effect in accordance with its terms. If the Performance Grant has any Actual Value and:

(i) was not awarded in conjunction with another Award, the Committee shall cause an amount equal to the Actual Value of the Performance Grant earned by the Participant to be paid to him or his permitted assignee or Beneficiary; or

(ii) was awarded in conjunction with another Award, the Committee shall determine, in accordance with criteria specified by the Committee (A) to cancel the Performance Grant, in which event no amount with respect thereto shall be paid to the Participant or his permitted assignee or Beneficiary, and the associated Award may be permitted to continue in effect in accordance with its terms, (B) to pay the Actual Value of the Performance Grant to the

Participant or his permitted assignee or Beneficiary as provided below, in which event the associated Award may be canceled or (C) to pay to the Participant or his Beneficiary, the Actual Value of only a portion of the Performance Grants, in which event all or a portion of the associated Award may be permitted to continue in effect in accordance with its terms or be canceled, as determined by the Committee.

**Such determination by the Committee shall be made as promptly as practicable following the end of the Award Period or upon the earlier termination of employment or performance of services, or at such other time or times as the Committee shall determine, and shall be made pursuant to criteria specified by the Committee.**

(e) Payment of any amount with respect to the Performance Grants that the Committee determines to pay as provided above shall be made by Gaiam as promptly as practicable after the end of the Award Period or at such other time or times as the Committee shall determine, and may be made in cash, Class A Shares, Other Gaiam Securities or property, or other forms of payment, or any combination thereof or in such other manner, as determined by the Committee in its discretion. Notwithstanding anything in this Section to the contrary, the Committee may, in its discretion, determine and pay out the Actual Value of the Performance Grants at any time during the Award Period.

**Section 10. *Deferral of Compensation.*** The Committee shall determine whether or not an Award shall be made in conjunction with the deferral of the Participant's salary, bonus or other compensation, or any combination thereof, and whether or not such deferred amounts may be (i) forfeited to Gaiam or to other Participants or any combination thereof, under certain circumstances (which may include, but need not be limited to, certain types of termination of employment or performance of services for the Company); (ii) subject to increase or decrease in value based upon the attainment of or failure to attain, respectively, certain performance measures; and/or; (iii) credited with income equivalents (which may include, but need not be limited to, interest, dividends or other rates of return) until the date or dates of payment of the Award, if any. Notwithstanding the foregoing or any other provision of this Plan, any deferral of compensation under this Section 10 must comply with the provisions of Code Section 409A, and no deferral of compensation under this Section 10 which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1) is permitted.

**Section 11. *Deferred Payment of Awards.*** The Committee may specify that the payment of all or any portion of cash, Class A Shares, Other Gaiam Securities or property, or any other form of payment, or any combination thereof, under an Award shall be deferred until a later date. Deferrals shall be for such periods or until the occurrence of such events, and upon such terms, as the Committee shall determine in its discretion, provided however, that any such deferral shall comply with the requirements of Code Section 409A. Deferred payments of Awards may be made by undertaking to make payment in the future based upon the performance of certain investment equivalents (which may include, but need not be limited to, government securities, Class A Shares, other securities, property or consideration, or any combination thereof), together with such additional amounts of income equivalents (which may be compounded and may include, but need not be limited to, interest, dividends or other rates of return or any combination thereof) as may accrue thereon

Such determination by the Committee shall be made as promptly as practicable following the end of the Award Period.

until the date or dates of payment, such investment equivalents and such additional amounts of income equivalents to be determined by the Committee in its discretion.

**Section 12. *Transferability of Awards.*** A Participant's rights and interest under this Plan or any Award may not be assigned or transferred, hypothecated or encumbered in whole or in part either directly or by operation of law or otherwise, including, but not by way of limitation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner; *provided, however*, the Committee may permit such transfer to a Permitted Transferee; and *provided, further*, that, unless otherwise permitted by the Code, any Incentive Stock Option granted pursuant to this Plan shall not be transferable other than by will, by the laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by Participant or by such Permitted Transferee.

**Section 13. *Amendment or Substitution of Awards under this Plan.*** The terms of any outstanding Award under this Plan may be amended or modified from time to time by the Committee in its discretion in any manner that it deems appropriate (including, but not limited to, acceleration of the date of exercise of any Award and/or payments thereunder and repricing of any Award) if the Committee could grant such amended or modified Award under the terms of this Plan at the time of such amendment or modification; *provided* that no such amendment or modification shall adversely affect in a material manner any right of a Participant under the Award without such Participant's written consent, unless the Committee determines in its discretion that there have occurred or are about to occur significant changes in the Participant's position, duties or responsibilities, or significant changes in economic, legislative, regulatory, tax, accounting or cost/benefit conditions that are determined by the Committee in its discretion to have or to be expected to have a substantial effect on the performance of the Company, or any affiliate, division or department thereof, on this Plan or on any Award under this Plan and provided further that the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1). The Committee may, in its discretion, permit

**Section 11. *Deferred Payment of Awards.*** The Committee may specify that the payment of all or any portion of cash

**holders of Awards under this Plan to surrender outstanding Awards in order to exercise or realize the rights under other Awards, or in exchange for the grant of new Awards, or require holders of Awards to surrender outstanding Awards as a condition precedent to the grant of new Awards under this Plan.**

**Section 14. *Termination of a Participant.* For all purposes under this Plan, the Committee shall determine whether a Participant has terminated employment with, or the performance of services for, the Company, *provided, however,* an absence or leave**

approved by the Company, to the extent permitted by applicable provisions of the Code, shall not be considered an interruption of employment or performance of services for any purpose under this Plan.

**Section 15. *Dilution and Other Adjustments.*** If any change in the outstanding Class A Shares of the Company occurs by reason of any stock split, reverse stock split, stock dividend, split-up, split-off, spin-off, recapitalization, merger, consolidation, rights offering, reorganization, combination, subdivision or exchange of shares, any distribution to shareholders other than a normal cash dividend, or other extraordinary or unusual event, the Committee shall make such adjustment in: (i) the aggregate number of shares that may be delivered under the Plan as described in Section 5(b) and the individual Award maximums under Section 5(b); (ii) the number and exercise price of outstanding Stock Options and outstanding Stock Appreciation Rights; (iii) the number of outstanding Restricted Stock Units; and (iv) the number of shares subject to any other Awards granted under the Plan (provided that the number of shares of subject to Awards shall always be a whole number), in each case as may be determined to be appropriate by the Committee, and such adjustments shall be final, conclusive and binding for all purposes of the Plan. The Committee may also provide for the adjustment and settlement of outstanding Awards as it deems appropriate and consistent with the Plan's purpose in the event of a change in control of Gaiam, and such adjustments or settlements shall be final, conclusive and binding for all purposes of the Plan.

**Section 16. *Designation of Beneficiary by Participant.*** A Participant may name a beneficiary to receive any payment to which such Participant may be entitled with respect to any Award under this Plan in the event of death, on a written form to be provided by and filed with the Committee, and in a manner determined by the Committee in its discretion (a *Beneficiary*). The Committee reserves the right to review and approve Beneficiary designations. A Participant may change his Beneficiary from time to time in the same manner, unless such Participant has made an irrevocable designation. Any designation of a Beneficiary under this Plan (to the extent it is valid and enforceable under applicable law) shall be controlling over any other disposition, testamentary or otherwise, as determined by the Committee in its discretion. If no designated Beneficiary survives the Participant and is living on the date on which any amount becomes payable to such a Participant's Beneficiary, such

Section 14. Termination of a Participant. For all purposes under this Plan, the Committee shall determine whether a

payment will be made to the legal representatives of the Participant's estate, and the term *Beneficiary* as used in this Plan shall be deemed to include such person or persons. If there are any questions as to the legal right of any Beneficiary to receive a distribution under this Plan, the Committee in its discretion may determine that the amount in question be paid to the legal representatives of the estate of the Participant, in which event the Company, the Board, the Committee, the Designated Administrator (if any), and the members thereof, will have no further liability to anyone with respect to such amount.

*Section 17. Financial Assistance.* If the Committee determines that such action is advisable, the Company may assist any Participant in obtaining financing from the Company (or under any program of the Company approved pursuant to applicable law), or from a bank or other third party, on such terms as are determined by the Committee, and in such amount as is required to accomplish the purposes of this Plan, including, but not limited to, to permit the exercise of an Award, the participation therein, and/or the payment of any taxes with respect thereto. Such assistance may take any form that the Committee deems appropriate, including, but not limited to, a direct loan from the Company, a guarantee of the obligation by the Company or the maintenance by the Company of deposits with such bank or third party.

*Section 18. Miscellaneous Provisions.*

(a) Any proceeds from Awards shall constitute general funds of Gaiam.

(b) Except as otherwise determined by the Committee, no fractional shares may be delivered under an Award, but in lieu thereof cash or other adjustment may be made as determined by the Committee in its discretion.

(c) No Eligible Person or other person shall have any claim or right to be granted an Award under this Plan. Determinations made by the Committee under this Plan need not be uniform and may be made selectively among Eligible Persons under this Plan, whether or not such Eligible Persons are similarly situated. Neither this Plan nor any action taken hereunder shall be construed as giving any Eligible Person any right to continue to be employed by or perform services for the Company, and the right to terminate the employment of or performance of services by Eligible Persons at any time and for any reason is specifically reserved.

Section 16. Designation of Beneficiary by Participant. A Participant may name a beneficiary to receive any payment

(d) No Participant or other person shall have any right with respect to this Plan, the Class A Shares reserved for issuance under this Plan or in any Award, contingent or otherwise, until written evidence of the Award shall have been delivered to the recipient and all the terms, conditions and provisions of this Plan and the Award applicable to such recipient (and each person claiming under or through him) have been met.

(e) No Class A Shares, Other Company Securities, other securities or property or other forms of payment shall be issued hereunder with respect to any Award unless counsel for Gaiam shall be satisfied that such issuance will be in compliance with applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Shares are listed.

(f) It is the intent of Gaiam that this Plan comply in all respects with any applicable provisions of Rule 16b-3 and Section 162(m) with respect to Awards granted to executive officers of Gaiam, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with any applicable provisions of Rule 16b-3 or Section 162(m), such provision shall be deemed null and void with respect to Awards granted to executive officers of the Company to the extent required to permit such Awards to comply with Rule 16b-3 and Section 162(m). It is also the intent of Gaiam that this Plan comply in all respects with the provisions of the Code providing favorable treatment to Incentive Stock Options, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with the Incentive Stock Option provisions of the Code, such provision shall be deemed null and void with respect to Incentive Stock Options granted to employees of Gaiam (or any parent or subsidiary of Gaiam) to the extent required to permit such Incentive Stock Options to receive favorable treatment under the Code.

It is the intent of Gaiam that this Plan comply in all respects with any applicable provisions of Code Section 409A with respect to Awards granted under this plan and any amendment or revision of such Awards, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with any applicable provisions of Code Section 409A such Plan provision shall be deemed null and void to the extent required to permit such Awards to comply with any applicable provisions of Code Section 409A. Specifically, the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A or the regulations issued thereunder, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1).

(g) The Company shall have the right to deduct from any payment made under this Plan any federal, state, local or foreign income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to any obligation of Gaiam to issue Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof, upon exercise, settlement or payment of any Award under this Plan, that the Participant (or any Beneficiary or person entitled to act) pay to Gaiam, upon its demand, such amount as may be required by the Company for the purpose of satisfying any liability to withhold federal, state, local or foreign income or other taxes. If the amount requested is not paid, Gaiam may refuse to issue Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof. Notwithstanding anything in this Plan to the contrary, the Committee may, in its discretion, permit a Participant (or any Beneficiary or person entitled to act) to elect to pay a portion or all of the amount requested by the Company for such taxes with respect to such Award, at such time and in such manner as the Committee shall deem to be appropriate (including, but not limited to, by authorizing Gaiam to withhold, or agreeing to surrender to Gaiam on or about the date such tax liability is determinable, Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof, owned by such person or a portion of such forms of payment that would otherwise be distributed, or have been distributed, as the case may be, pursuant to such Award to such person, having a Fair Market Value equal to the amount of such taxes).

(h) The expenses of this Plan shall be borne by Gaiam; *provided, however*, Gaiam may recover from a Participant or his Beneficiary, heirs or assigns any and all damages, fees, expenses and costs incurred by the Company arising out of any actions taken by a Participant in breach of this Plan or any agreement evidencing such Participant's Award.

(i) This Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Award under this Plan, and rights to the payment of Awards shall be no greater than the rights of the Company's general creditors.

(d) No Participant or other person shall have any right with respect to this Plan, the Class A Shares reserved

(j) By accepting any Award or other benefit under this Plan, each Participant and each person claiming under or through such Participant shall be conclusively deemed to have indicated his acceptance and ratification of, and consent to, any action taken under this Plan by the Company, the Board, the Committee or the Designated Administrator (if applicable).

(k) The appropriate officers of the Company shall cause to be filed any reports, returns or other information regarding Awards hereunder of any Class A Shares issued pursuant hereto as may be required by applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Shares are listed.

(l) The validity, construction, interpretation, administration and effect of this Plan, and of its rules and regulations, and rights relating to this Plan and to Awards granted under this Plan, shall be governed by the substantive laws, but not the choice of law rules, of the State of Colorado.

(m) Records of the Company shall be conclusive for all purposes under this Plan or any Award, unless determined by the Committee to be incorrect.

(n) If any provision of this Plan or any Award is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of this Plan or any Award, but such provision shall be fully severable, and this Plan or Award, as applicable, shall be construed and enforced as if the illegal or invalid provision had never been included in this Plan or Award, as applicable.

(o) The terms of this Plan shall govern all Awards under this Plan and in no event shall the Committee have the power to grant any Award under this Plan that is contrary to any of the provisions of this Plan.

(p) For purposes of interpretation of this Plan, the masculine pronoun includes the feminine and the singular includes the plural wherever appropriate.

**Section 19. *Plan Amendment or Suspension.* This Plan may be amended or suspended in whole or in part at any time from time to time by the Board. No amendment of this Plan shall adversely affect in a material manner any right of any Participant with respect to any Award previously granted without such Participant's written consent, except as permitted under Section 13.**

**Section 20. *Plan Termination.* This Plan shall terminate upon the earlier of the following dates or events to occur:**

(a) the adoption of a resolution of the Board terminating this Plan; or

(j) By accepting any Award or other benefit under this Plan, each Participant and each person claiming under

(b) the close of business on the tenth anniversary of the Effective Date; *provided, however*, that the Board may, prior to such date, extend the term of this Plan for an additional period of up to five years for the grant of Awards other than Incentive Stock Options. No termination of this Plan shall materially alter or impair any of the rights or obligations of any Participant, without such Participant's consent, under any Award previously granted under this Plan, *except* that subsequent to termination of this Plan, the Committee may make amendments or modifications permitted under Section 13. Notwithstanding anything in this Plan to the contrary, the Committee shall not grant any Award pursuant to this Plan after the tenth anniversary of the earlier to occur of (i) the date this Plan is adopted by the Board and (ii) the Effective Date.

**Section 21. *Effective Date.* This Plan shall be effective, and Awards may be granted under this Plan, on or after the Effective Date.**

**GAIAM, INC.**

**1999 LONG-TERM INCENTIVE PLAN**

**Section 1. Purpose.** The purpose of this Plan is to advance the interests of Gaiam and its shareholders by providing incentives to certain Eligible Persons (as defined below) who contribute significantly to the strategic and long-term performance objectives and growth of the Company.

**Section 2. Definitions.** Certain capitalized terms applicable to this Plan are set forth in Appendix A.

**Section 3. Administration.** The Committee shall administer this Plan and shall have all the powers vested in it by the terms of this Plan, such powers to include exclusive authority to select the Eligible Persons to be granted Awards under this Plan, to determine the type, size, terms and conditions of the Award to be made to each Eligible Person selected, to modify or waive the terms and conditions of any Award that has been granted, to determine the time when Awards will be granted, to establish performance objectives, to make any adjustments necessary or desirable as a result of the granting of Awards to Eligible Persons located outside the United States and to prescribe the form of the agreements evidencing Awards made under this Plan. Awards may, in the discretion of the Committee, be made under this Plan in assumption of, or in substitution for, outstanding Awards previously granted by the Company, or an entity acquired by the Company or with which the Company combines. The number of Class A Shares underlying such substitute Awards shall be counted against the aggregate number of Class A Shares available for Awards under this Plan.

The Committee is authorized to interpret this Plan and the Awards granted under this Plan, to establish, amend and rescind any rules and regulations relating to this Plan, and to make any other determinations that it deems necessary or desirable for the administration of this Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable to carry it into effect. Any decision of the Committee in the interpretation and administration of this Plan, as described in this Plan, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned. The Committee may act only by a majority of its members in office, *except* that the Committee may authorize any one or more of its members or any officer of the Company to execute and deliver documents or to take any other ministerial action on behalf of the Committee with respect to Awards made to Participants or to be made to Eligible Persons. Notwithstanding the foregoing or any other provision of this Plan, the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1).

Section 1. Purpose. The purpose of this Plan is to advance the interests of Gaiam and its shareholders by providing

No member of the Committee and no officer of the Company shall be liable for anything done or omitted to be done by such member or officer, by any other member of the Committee or by any officer of the Company in connection with the performance of duties under this Plan, *except* for such member's or officer's own willful misconduct or as expressly provided by law. In addition to all other rights of indemnification and reimbursement to which a member of the Committee and an officer of the Company may be entitled, Gaiam shall indemnify and hold harmless each such member or officer who was or is a party or is threatened to be made a party to any threatened, pending or completed proceeding or suit in connection with the performance of duties under this Plan against expenses (including reasonable attorneys' fees), judgments, fines, liabilities, losses and amounts paid in settlement actually and reasonably incurred by him in connection with such proceeding or suit, *except* for his own willful misconduct or as expressly provided otherwise by law. Expenses (including reasonable attorneys' fees) incurred by such a member or officer in defending any such proceeding or suit shall be paid by Gaiam in advance of the final disposition of such proceeding or suit upon receipt of a written affirmation by such member or officer of his good faith belief that he has met the standard of conduct necessary for indemnification and a written undertaking by or on behalf of such member or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by Gaiam as authorized in this Section.

**Section 4. *Participation.* Consistent with the purposes of this Plan, the Committee shall have exclusive power to select the Eligible Persons who may participate in this Plan and be granted Awards under this Plan. Eligible Persons may be selected individually or by groups or categories, as determined by the Committee in its discretion.**

Section 5. *Awards under this Plan.*

(a) **Types of Awards.** Awards under this Plan may include, but need not be limited to, one or more of the following types, either alone or in any combination thereof: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Restricted Stock Units, (v) Performance Grants and (vi) any other type of Award deemed by the Committee in its discretion to be consistent with the purposes of this Plan (including, but not limited to, Awards of or options or similar rights granted with respect to unbundled stock units or components thereof, and Awards to be made to Participants who are foreign nationals or are employed or performing services outside the United States).

(b) **Maximum Number of Shares that May be Issued.** There may be issued under this Plan (as Restricted Stock, as Restricted Stock Units, in payment of Performance Grants, pursuant to the exercise of Stock Options or Stock Appreciation Rights or in payment of or pursuant to the exercise of such other Awards as the Committee, in its discretion, may determine) an aggregate of not more than 3,000,000 Class A Shares, subject to adjustment as provided in Section 15. No Eligible Person may receive Awards under this Plan for more than 400,000 Class A Shares in any one fiscal year of the Company, subject to adjustment as provided in Section 15. Class A Shares issued pursuant to this Plan may be either authorized but unissued shares, treasury shares, reacquired shares or any combination thereof. If any Class A Shares issued as Restricted Stock, Restricted Stock Units or otherwise subject to repurchase or forfeiture rights are reacquired by the Company pursuant to such rights or, if any Award is canceled, terminates or expires unexercised, any Class A Shares that would otherwise have been issuable pursuant thereto will be available for issuance under new Awards.

(c) **Rights with Respect to Class A Shares and Other Securities.** Except as provided in subsection 8(c) with respect to Awards of Restricted Stock and unless otherwise determined by the Committee in its discretion, a Participant to whom an Award is made (and any person succeeding to such a Participant's rights pursuant to this Plan) shall have no rights as a shareholder with respect to any Class A Shares or as a holder with respect to other securities, if any, issuable pursuant to any such Award until the date of the issuance of a book entry or stock certificate to such Participant for such Class A Shares or other instrument of ownership, if any. Except as provided in Section 15, no adjustment shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities, other property or other forms of consideration, or any combination thereof) for which the record date is prior to the date such book entry or stock certificate or other instrument of ownership, if any, is required to be issued based upon the date any Award was exercised. In all events, a Participant with whom an Award agreement is made to issue Class A Shares in the future shall have no rights as a shareholder with respect to such Class A Shares related to such agreement until issuance to such Participant of a book entry or stock certificate representing such shares.

**Section 6. Stock Options.** The Committee may sell Purchased Options or grant other Stock Options either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter; *provided* that an Incentive Stock Option may be granted only to Eligible Persons who are employees of Gaiam (or any parent or subsidiary of Gaiam) and who have other Awards only to the extent that such other Awards do not disqualify the Incentive Stock Option's status as such under the Code. Each Stock Option granted or sold under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Stock Option or the Class A Shares issuable upon exercise thereof, as the Committee, in its discretion, shall establish.

Section 4. Participation. Consistent with the purposes of this Plan, the Committee shall have exclusive power to se

(a) The exercise price of a Stock Option may be equal to or greater than the Fair Market Value of the Class A Shares subject to such Stock Option at the time the Stock Option is granted, as determined by the Committee; *provided, however,* that in the case of an Incentive Stock Option granted to a Ten Percent Employee, such exercise price shall not be less than 110% of such Fair Market Value at the time the Stock Option is granted.

(b) The Committee shall determine the number of Class A Shares to be subject to each Stock Option. In the case of a Stock Option awarded in conjunction with another Award, the number of Class A Shares subject to an outstanding Stock Option may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(c) Any Stock Option may be exercised during its term only at such time or times and in such installments as the Committee may establish.

(d) A Stock Option shall not be exercisable:

(i) in the case of any Incentive Stock Option granted to a Ten Percent Employee, after the expiration of five years from the date it is granted, and, in the case of any other Stock Option, after the expiration of ten years from the date it is granted; and

(ii) unless payment in full is made for the shares being acquired thereunder at the time of exercise as provided in subsection 6(i).

(e) The Committee shall determine in its discretion and specify in each agreement evidencing a Stock Option the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Stock Option; *provided, however*, that an Incentive Stock Option shall not be exercisable at a time that is beyond the time an Incentive Stock Option may be exercised in order to qualify as such under the Code and *provided, further*, that if a Participant's employment is terminated for a reason other than cause (as defined in such Participant's Award agreement or employment agreement, if any), then such Participant's right to exercise his or her Stock Options (to the extent that the Participant is entitled to exercise on the date employment terminates) shall continue until the earlier of the option expiration date or (i) at least six (6) months from the date of termination if termination was caused by death or disability and (ii) at least thirty (30) days from the date of termination if termination was caused by other than death or disability.

(f) It is the intent of Gaiam that Nonqualified Stock Options granted under this Plan not be classified as Incentive Stock Options, that the Incentive Stock Options granted under this Plan be consistent with and contain or be deemed to contain all provisions required under Section 422 and the other appropriate provisions of the Code and any implementing regulations (and any successor provisions thereof), and that any ambiguities in construction shall be interpreted in order to effectuate such intent. If a Stock Option is intended to be an Incentive Stock Option, and if for any reason such Stock Option (or portion thereof) shall fail to qualify as an Incentive Stock Option, then, to the extent of such failure, such Stock Option (or portion thereof) shall be regarded as a Nonqualified Stock Option granted under this Plan; *provided*, that, such Stock Option (or portion thereof) otherwise complies with this Plan's requirements relating to Nonqualified Stock Options. In no event shall any member of the Committee or the Company (or its employees, officers or directors) have any liability to any Participant (or any other person) due to the failure of a Stock Option to qualify for any reason as an Incentive Stock Option.

(g) A Purchased Option may contain such additional terms not inconsistent with this Plan, including but not limited to the circumstances under which the purchase price of such Purchased Option may be returned to the holder of the Purchased Option, as the Committee may determine in its sole discretion.

(h) For purposes of payments made to exercise Stock Options, such payment shall be made in such form (including, but not limited to, cash, Class A Shares, the surrender of all or part of an Award or another outstanding Award under this Plan or any combination thereof) as the Committee may determine in its discretion.

**Section 7. Stock Appreciation Rights. The Committee may grant Stock Appreciation Rights either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. Each Award of Stock Appreciation Rights granted**

(c) Any Stock Option may be exercised during its term only at such time or times and in such installments as

**under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Plan, and with such other terms and conditions, including, but not limited to, restrictions upon the Award of Stock Appreciation Rights or the Class A Shares issuable upon exercise thereof, as the Committee, in its discretion, shall establish.**

(a) The Committee shall determine the number of Class A Shares to be subject to each Award of Stock Appreciation Rights. In the case of an Award of Stock Appreciation Rights awarded in conjunction with another Award, the number of Class A Shares subject to an outstanding Award of Stock Appreciation Rights may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(b) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of Stock Appreciation Rights the effect, if any, the termination of the Participant's employment with or performance of services for the Company shall have on the exercisability of the Award of Stock Appreciation Rights.

(c) An Award of Stock Appreciation Rights shall entitle the holder to exercise such Award or to surrender unexercised another Award (or any portion of such other Award) to Gaiam and to receive from Gaiam in exchange thereof, without payment to Gaiam, that number of Class A Shares having an aggregate value equal to (or, in the discretion of the Committee, less than) the excess of the Fair Market Value of one share, at the time of such exercise, over the exercise price, times the number of shares subject to the Award, or portion thereof, that is so exercised or surrendered, as the case may be. The Committee shall be entitled in its discretion to elect to settle the obligation arising out of the exercise of a Stock Appreciation Right by the payment of cash or Other Gaiam Securities or property, or other forms of payment or any combination thereof, as determined by the Committee, equal to the aggregate value of the Class A Shares it would otherwise be obligated to deliver. Any such election by the Committee shall be made as soon as practicable after the receipt by the Committee of written notice of the exercise of the Stock Appreciation Right.

(d) A Stock Appreciation Right may provide that it shall be deemed to have been exercised at the close of business on the business day preceding the expiration date of the Stock Appreciation Right or of the related Stock Option (or other Award), or such other date as specified by the Committee, if at such time such Stock Appreciation Right has a positive value. Such deemed exercise shall be settled or paid in the same manner as a regular exercise thereof as provided in subsection 7(d) of this Agreement.

**Section 8. *Restricted Stock and Restricted Stock Units.* The Committee may grant Awards of Restricted Stock and Restricted Stock Units either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. Each Award of Restricted Stock or Restricted Stock Units under this Plan shall be evidenced by an agreement in such form as the Committee shall prescribe from time to time in accordance with this Plan and shall comply with the applicable terms and conditions of this Section and this Plan, and with such other terms and conditions as the Committee, in its discretion, shall establish.**

(a) The Committee shall determine the number of Class A Shares to be issued to a Participant pursuant to the Award of Restricted Stock or Restricted Stock Units, and the extent, if any, to which they shall be issued in exchange for cash, other consideration, or both.

(b) Until the expiration of such period as the Committee shall determine from the date on which the Award is granted and subject to such other terms and conditions as the Committee in its discretion shall establish (the *Restricted Period*), a Participant to whom an Award of Restricted Stock is made shall be issued, but shall not be entitled to the delivery of, a book entry or stock certificate representing the Class A Shares subject to such Award.

(c) Unless otherwise determined by the Committee in its discretion, a Participant to whom an Award of Restricted Stock has been made (and any person succeeding to such a participant's rights pursuant to this Plan) shall have, after issuance of a certificate for the number of Class A Shares awarded and prior to the expiration of the Restricted Period, ownership of such Class A Shares, including the right to vote such Class A Shares and to receive dividends or other distributions made or paid with respect to such Class A Shares (*provided* that such Class A Shares, and any new, additional or different shares, or Other Gaiam Securities or property, or other forms of consideration that the Participant may be entitled to receive with respect to such Class A Shares as a result of a stock split, stock dividend or any other change in the corporation or capital structure of Gaiam, shall be subject to the restrictions set forth in this Plan as determined by the Committee in its discretion), subject, however, to the options, restrictions and limitations imposed thereon pursuant to this Plan.

(b) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of St

(d) The Committee shall determine in its discretion and specify in each agreement evidencing an Award of Restricted Stock or Restricted Stock Units the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Restricted Period shall have on such Award of Restricted Stock.

(e) The Committee may grant Awards of Dividend Equivalents to Participants in connection with Awards of Restricted Stock Units. The Committee may provide, at the date of grant or thereafter, that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Class A Shares, or other investment vehicles as the Committee may specify; provided that, unless otherwise determined by the Committee, Dividend Equivalents shall be subject to all conditions and restrictions of the underlying Restricted Stock Units to which they relate.

**Section 9. *Performance Grants.* The Committee may grant Awards of Performance Grants either alone, or in conjunction with other Awards, either at the time of grant or by amendment thereafter. The Award of a Performance Grant to a Participant will entitle him to receive a specified amount determined by the Committee (the *Actual Value*), if the terms and conditions specified in this Plan**

and in the Award are satisfied. Each Award of a Performance Grant shall be subject to the applicable terms and conditions of this Plan, and to such other terms and conditions, including but not limited to, restrictions upon any cash, Class A Shares, Other Gaiam Securities or property, or other forms of payment, or any combination thereof, issued with respect to the Performance Grant, as the Committee, in its discretion, shall establish, and shall be embodied in an agreement in such form and substance as is determined by the Committee.

(a) The Committee shall determine the value or range of values of a Performance Grant to be awarded to each Participant selected for an Award and whether or not such a Performance Grant is granted in conjunction with another Award. As determined by the Committee, the maximum value of each Performance Grant (the *Maximum Value*) shall be: (i) an amount fixed by the Committee at the time the Award is made or amended thereafter, (ii) an amount that varies from time to time based in whole or in part on the then current value of the Class A Shares, Other Gaiam Securities or property, or other securities or property, or any combination thereof or (iii) an amount that is determinable from criteria specified by the Committee. Performance Grants may be issued in different classes or series having different names, terms and conditions. In the case of a Performance Grant awarded in conjunction with another Award, the Performance Grant may be reduced on an appropriate basis to the extent that the other Award has been exercised, paid to or otherwise received by the Participant, as determined by the Committee.

(b) The award period (*Award Period*) related to any Performance Grant shall be a period determined by the Committee. At the time each Award is made or within the first 90 days of any performance period, the Committee shall establish performance objectives to be attained within the Award Period as the means of determining the Actual Value of such a Performance Grant. The performance objectives shall be based on such measure or measures of performance, which may include, but need not be limited to, the performance of the Participant, the Company or one or more of its divisions or units, or any combination of the foregoing, as the Committee shall determine, and may be applied on an absolute basis or be relative to industry or other indices or any combination thereof. The Actual Value of a Performance Grant shall be equal to its Maximum Value only if the performance objectives are attained in full, but the Committee shall specify the manner in which the Actual Value of Performance Grants shall be determined if the performance objectives are met in part. Such performance measures, the Actual Value or the Maximum Value, or any combination thereof, may be adjusted in any manner by the Committee in its discretion at any time and from time to time during or as soon as practicable after the Award Period, if it determines that such performance measures, the Actual Value or the Maximum Value, or any combination thereof, are not appropriate under the circumstances.

(c) The Committee shall determine in its discretion and specify in each agreement evidencing a Performance Grant the effect, if any, the termination of the Participant's employment with or performance of services for the Company during the Award Period shall have on such Performance Grant.

(d) The Committee shall determine whether the conditions of a Performance Grant have been met and, if so, shall ascertain the Actual Value of the Performance Grant. If the Performance Grant has no Actual Value, the Award and such Performance Grant shall be deemed to have been canceled and the any associated Award, if any, may be canceled or permitted to continue in effect in accordance with its terms. If the Performance Grant has any Actual Value and:

(i) was not awarded in conjunction with another Award, the Committee shall cause an amount equal to the Actual Value of the Performance Grant earned by the Participant to be paid to him or his permitted assignee or Beneficiary; or

(ii) was awarded in conjunction with another Award, the Committee shall determine, in accordance with criteria specified by the Committee (A) to cancel the Performance Grant, in which event no amount with respect thereto shall be paid to the Participant or his permitted assignee or Beneficiary, and the associated Award may be permitted to continue in effect in accordance with its terms, (B) to pay the Actual Value of the Performance Grant to the

Participant or his permitted assignee or Beneficiary as provided below, in which event the associated Award may be canceled or (C) to pay to the Participant or his Beneficiary, the Actual Value of only a portion of the Performance Grants, in which event all or a portion of the associated Award may be permitted to continue in effect in accordance with its terms or be canceled, as determined by the Committee.

**Such determination by the Committee shall be made as promptly as practicable following the end of the Award Period or upon the earlier termination of employment or performance of services, or at such other time or times as the Committee shall determine, and shall be made pursuant to criteria specified by the Committee.**

(e) Payment of any amount with respect to the Performance Grants that the Committee determines to pay as provided above shall be made by Gaiam as promptly as practicable after the end of the Award Period or at such other time or times as the Committee shall determine, and may be made in cash, Class A Shares, Other Gaiam Securities or property, or other forms of payment, or any combination thereof or in such other manner, as determined by the Committee in its discretion. Notwithstanding anything in this Section to the contrary, the Committee may, in its discretion, determine and pay out the Actual Value of the Performance Grants at any time during the Award Period.

**Section 10. *Deferral of Compensation.*** The Committee shall determine whether or not an Award shall be made in conjunction with the deferral of the Participant's salary, bonus or other compensation, or any combination thereof, and whether or not such deferred amounts may be (i) forfeited to Gaiam or to other Participants or any combination thereof, under certain circumstances (which may include, but need not be limited to, certain types of termination of employment or performance of services for the Company); (ii) subject to increase or decrease in value based upon the attainment of or failure to attain, respectively, certain performance measures; and/or; (iii) credited with income equivalents (which may include, but need not be limited to, interest, dividends or other rates of return) until the date or dates of payment of the Award, if any. Notwithstanding the foregoing or any other provision of this Plan, any deferral of compensation under this Section 10 must comply with the provisions of Code Section 409A, and no deferral of compensation under this Section 10 which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1) is permitted.

**Section 11. *Deferred Payment of Awards.*** The Committee may specify that the payment of all or any portion of cash, Class A Shares, Other Gaiam Securities or property, or any other form of payment, or any combination thereof, under an Award shall be deferred until a later date. Deferrals shall be for such periods or until the occurrence of such events, and upon such terms, as the Committee shall determine in its discretion, provided however, that any such deferral shall comply with the requirements of Code Section 409A. Deferred payments of Awards may be made by undertaking to make payment in the future based upon the performance of certain investment equivalents (which may include, but need not be limited to, government securities, Class A Shares, other securities, property or consideration, or any combination thereof), together with such additional amounts of income equivalents (which may be compounded and may include, but need not be limited to, interest, dividends or other rates of return or any combination thereof) as may accrue thereon

Such determination by the Committee shall be made as promptly as practicable following the end of the Award Period.

until the date or dates of payment, such investment equivalents and such additional amounts of income equivalents to be determined by the Committee in its discretion.

**Section 12. *Transferability of Awards.*** A Participant's rights and interest under this Plan or any Award may not be assigned or transferred, hypothecated or encumbered in whole or in part either directly or by operation of law or otherwise, including, but not by way of limitation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner; *provided, however*, the Committee may permit such transfer to a Permitted Transferee; and *provided, further*, that, unless otherwise permitted by the Code, any Incentive Stock Option granted pursuant to this Plan shall not be transferable other than by will, by the laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by Participant or by such Permitted Transferee.

**Section 13. *Amendment or Substitution of Awards under this Plan.*** The terms of any outstanding Award under this Plan may be amended or modified from time to time by the Committee in its discretion in any manner that it deems appropriate (including, but not limited to, acceleration of the date of exercise of any Award and/or payments thereunder and repricing of any Award) if the Committee could grant such amended or modified Award under the terms of this Plan at the time of such amendment or modification; *provided* that no such amendment or modification shall adversely affect in a material manner any right of a Participant under the Award without such Participant's written consent, unless the Committee determines in its discretion that there have occurred or are about to occur significant changes in the Participant's position, duties or responsibilities, or significant changes in economic, legislative, regulatory, tax, accounting or cost/benefit conditions that are determined by the Committee in its discretion to have or to be expected to have a substantial effect on the performance of the Company, or any affiliate, division or department thereof, on this Plan or on any Award under this Plan and provided further that the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1). The Committee may, in its discretion, permit

Section 11. *Deferred Payment of Awards.* The Committee may specify that the payment of all or any portion of cash

**holders of Awards under this Plan to surrender outstanding Awards in order to exercise or realize the rights under other Awards, or in exchange for the grant of new Awards, or require holders of Awards to surrender outstanding Awards as a condition precedent to the grant of new Awards under this Plan.**

**Section 14. *Termination of a Participant.* For all purposes under this Plan, the Committee shall determine whether a Participant has terminated employment with, or the performance of services for, the Company, *provided, however,* an absence or leave**

approved by the Company, to the extent permitted by applicable provisions of the Code, shall not be considered an interruption of employment or performance of services for any purpose under this Plan.

**Section 15. *Dilution and Other Adjustments.*** If any change in the outstanding Class A Shares of the Company occurs by reason of any stock split, reverse stock split, stock dividend, split-up, split-off, spin-off, recapitalization, merger, consolidation, rights offering, reorganization, combination, subdivision or exchange of shares, any distribution to shareholders other than a normal cash dividend, or other extraordinary or unusual event, the Committee shall make such adjustment in: (i) the aggregate number of shares that may be delivered under the Plan as described in Section 5(b) and the individual Award maximums under Section 5(b); (ii) the number and exercise price of outstanding Stock Options and outstanding Stock Appreciation Rights; (iii) the number of outstanding Restricted Stock Units; and (iv) the number of shares subject to any other Awards granted under the Plan (provided that the number of shares of subject to Awards shall always be a whole number), in each case as may be determined to be appropriate by the Committee, and such adjustments shall be final, conclusive and binding for all purposes of the Plan. The Committee may also provide for the adjustment and settlement of outstanding Awards as it deems appropriate and consistent with the Plan's purpose in the event of a change in control of Gaiam, and such adjustments or settlements shall be final, conclusive and binding for all purposes of the Plan.

**Section 16. *Designation of Beneficiary by Participant.*** A Participant may name a beneficiary to receive any payment to which such Participant may be entitled with respect to any Award under this Plan in the event of death, on a written form to be provided by and filed with the Committee, and in a manner determined by the Committee in its discretion (a *Beneficiary*). The Committee reserves the right to review and approve Beneficiary designations. A Participant may change his Beneficiary from time to time in the same manner, unless such Participant has made an irrevocable designation. Any designation of a Beneficiary under this Plan (to the extent it is valid and enforceable under applicable law) shall be controlling over any other disposition, testamentary or otherwise, as determined by the Committee in its discretion. If no designated Beneficiary survives the Participant and is living on the date on which any amount becomes payable to such a Participant's Beneficiary, such

**Section 14. *Termination of a Participant.*** For all purposes under this Plan, the Committee shall determine whether

payment will be made to the legal representatives of the Participant's estate, and the term *Beneficiary* as used in this Plan shall be deemed to include such person or persons. If there are any questions as to the legal right of any Beneficiary to receive a distribution under this Plan, the Committee in its discretion may determine that the amount in question be paid to the legal representatives of the estate of the Participant, in which event the Company, the Board, the Committee, the Designated Administrator (if any), and the members thereof, will have no further liability to anyone with respect to such amount.

*Section 17. Financial Assistance.* If the Committee determines that such action is advisable, the Company may assist any Participant in obtaining financing from the Company (or under any program of the Company approved pursuant to applicable law), or from a bank or other third party, on such terms as are determined by the Committee, and in such amount as is required to accomplish the purposes of this Plan, including, but not limited to, to permit the exercise of an Award, the participation therein, and/or the payment of any taxes with respect thereto. Such assistance may take any form that the Committee deems appropriate, including, but not limited to, a direct loan from the Company, a guarantee of the obligation by the Company or the maintenance by the Company of deposits with such bank or third party.

*Section 18. Miscellaneous Provisions.*

(a) Any proceeds from Awards shall constitute general funds of Gaiam.

(b) Except as otherwise determined by the Committee, no fractional shares may be delivered under an Award, but in lieu thereof a cash or other adjustment may be made as determined by the Committee in its discretion.

(c) No Eligible Person or other person shall have any claim or right to be granted an Award under this Plan. Determinations made by the Committee under this Plan need not be uniform and may be made selectively among Eligible Persons under this Plan, whether or not such Eligible Persons are similarly situated. Neither this Plan nor any action taken hereunder shall be construed as giving any Eligible Person any right to continue to be employed by or perform services for the Company, and the right to terminate the employment of or performance of services by Eligible Persons at any time and for any reason is specifically reserved.

Section 16. Designation of Beneficiary by Participant. A Participant may name a beneficiary to receive any payment

(d) No Participant or other person shall have any right with respect to this Plan, the Class A Shares reserved for issuance under this Plan or in any Award, contingent or otherwise, until written evidence of the Award shall have been delivered to the recipient and all the terms, conditions and provisions of this Plan and the Award applicable to such recipient (and each person claiming under or through him) have been met.

(e) No Class A Shares, Other Company Securities, other securities or property or other forms of payment shall be issued hereunder with respect to any Award unless counsel for Gaiam shall be satisfied that such issuance will be in compliance with applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Shares are listed.

(f) It is the intent of Gaiam that this Plan comply in all respects with any applicable provisions of Rule 16b-3 and Section 162(m) with respect to Awards granted to executive officers of Gaiam, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with any applicable provisions of Rule 16b-3 or Section 162(m), such provision shall be deemed null and void with respect to Awards granted to executive officers of the Company to the extent required to permit such Awards to comply with Rule 16b-3 and Section 162(m). It is also the intent of Gaiam that this Plan comply in all respects with the provisions of the Code providing favorable treatment to Incentive Stock Options, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with the Incentive Stock Option provisions of the Code, such provision shall be deemed null and void with respect to Incentive Stock Options granted to employees of Gaiam (or any parent or subsidiary of Gaiam) to the extent required to permit such Incentive Stock Options to receive favorable treatment under the Code.

It is the intent of Gaiam that this Plan comply in all respects with any applicable provisions of Code Section 409A with respect to Awards granted under this plan and any amendment or revision of such Awards, that any ambiguities or inconsistencies in construction of this Plan be interpreted to give effect to such intention and that if any provision of this Plan is found not to be in compliance with any applicable provisions of Code Section 409A such Plan provision shall be deemed null and void to the extent required to permit such Awards to comply with any applicable provisions of Code Section 409A. Specifically, the Committee shall not have the authority to accelerate the time or schedule of any payment in a manner which is not permitted under Code Section 409A or the regulations issued thereunder, or to grant or amend any Award in any manner which would result in an inclusion of any amount in gross income under Code Section 409A(a)(1).

(g) The Company shall have the right to deduct from any payment made under this Plan any federal, state, local or foreign income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to any obligation of Gaiam to issue Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof, upon exercise, settlement or payment of any Award under this Plan, that the Participant (or any Beneficiary or person entitled to act) pay to Gaiam, upon its demand, such amount as may be required by the Company for the purpose of satisfying any liability to withhold federal, state, local or foreign income or other taxes. If the amount requested is not paid, Gaiam may refuse to issue Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof. Notwithstanding anything in this Plan to the contrary, the Committee may, in its discretion, permit a Participant (or any Beneficiary or person entitled to act) to elect to pay a portion or all of the amount requested by the Company for such taxes with respect to such Award, at such time and in such manner as the Committee shall deem to be appropriate (including, but not limited to, by authorizing Gaiam to withhold, or agreeing to surrender to Gaiam on or about the date such tax liability is determinable, Class A Shares, Other Gaiam Securities or property, other securities or property, or other forms of payment, or any combination thereof, owned by such person or a portion of such forms of payment that would otherwise be distributed, or have been distributed, as the case may be, pursuant to such Award to such person, having a Fair Market Value equal to the amount of such taxes).

(h) The expenses of this Plan shall be borne by Gaiam; *provided, however*, Gaiam may recover from a Participant or his Beneficiary, heirs or assigns any and all damages, fees, expenses and costs incurred by the Company arising out of any actions taken by a Participant in breach of this Plan or any agreement evidencing such Participant's Award.

(i) This Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any Award under this Plan, and rights to the payment of Awards shall be no greater than the rights of the Company's general creditors.

(d) No Participant or other person shall have any right with respect to this Plan, the Class A Shares reserved

(j) By accepting any Award or other benefit under this Plan, each Participant and each person claiming under or through such Participant shall be conclusively deemed to have indicated his acceptance and ratification of, and consent to, any action taken under this Plan by the Company, the Board, the Committee or the Designated Administrator (if applicable).

(k) The appropriate officers of the Company shall cause to be filed any reports, returns or other information regarding Awards hereunder of any Class A Shares issued pursuant hereto as may be required by applicable law and any applicable rules of any stock exchange or other market quotation system on which Class A Shares are listed.

(l) The validity, construction, interpretation, administration and effect of this Plan, and of its rules and regulations, and rights relating to this Plan and to Awards granted under this Plan, shall be governed by the substantive laws, but not the choice of law rules, of the State of Colorado.

(m) Records of the Company shall be conclusive for all purposes under this Plan or any Award, unless determined by the Committee to be incorrect.

(n) If any provision of this Plan or any Award is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of this Plan or any Award, but such provision shall be fully severable, and this Plan or Award, as applicable, shall be construed and enforced as if the illegal or invalid provision had never been included in this Plan or Award, as applicable.

(o) The terms of this Plan shall govern all Awards under this Plan and in no event shall the Committee have the power to grant any Award under this Plan that is contrary to any of the provisions of this Plan.

(p) For purposes of interpretation of this Plan, the masculine pronoun includes the feminine and the singular includes the plural wherever appropriate.

**Section 19. *Plan Amendment or Suspension.* This Plan may be amended or suspended in whole or in part at any time from time to time by the Board. No amendment of this Plan shall adversely affect in a material manner any right of any Participant with respect to any Award previously granted without such Participant's written consent, except as permitted under Section 13.**

**Section 20. *Plan Termination.* This Plan shall terminate upon the earlier of the following dates or events to occur:**

(a) the adoption of a resolution of the Board terminating this Plan; or

(j) By accepting any Award or other benefit under this Plan, each Participant and each person claiming under

(b) the close of business on the tenth anniversary of the Effective Date; *provided, however*, that the Board may, prior to such date, extend the term of this Plan for an additional period of up to five years for the grant of Awards other than Incentive Stock Options. No termination of this Plan shall materially alter or impair any of the rights or obligations of any Participant, without such Participant's consent, under any Award previously granted under this Plan, *except* that subsequent to termination of this Plan, the Committee may make amendments or modifications permitted under Section 13. Notwithstanding anything in this Plan to the contrary, the Committee shall not grant any Award pursuant to this Plan after the tenth anniversary of the earlier to occur of (i) the date this Plan is adopted by the Board and (ii) the Effective Date.
