Participants will be charged a \$25.00 return fee on any unpaid returned checks.

Liability

In addition, the section of the Prospectus entitled "Liability" is amended in its entirety to read as follows:

In administering the Plan, neither Xcel Energy Inc., the Agent nor any independent agent is liable for any good faith act or omission to act, including but not limited to any claim of liability (i) arising out of the failure to terminate a Participant's account upon such Participant's death prior to receipt of a notice in writing of such death, (ii) with respect to the prices or times at which shares are purchased or sold, or (iii) as to the value of the shares acquired for Participants. Selling Participants should be aware that the share price of Xcel Energy Inc. common stock may fall or rise during the period between a request for sale, its receipt by Wells Fargo, and the ultimate sale in the open market. You should evaluate these possibilities while deciding whether and when to sell any shares through the Plan. The price risk will be borne solely by you.

Wells Fargo Shareowner Services as the Agent is authorized to choose a broker/dealer, including an affiliated broker/dealer, at its sole discretion to facilitate purchases and sales of common stock by Plan Participants. The Agent will furnish the name of the registered broker/dealer, including any affiliated broker/dealer, utilized in share transactions within a reasonable time upon written request from the Participant. The Agent is acting solely as agent of the Company and owes no duties, fiduciary or otherwise, to any other person by reason of this Plan, and no implied duties, fiduciary or otherwise, shall be read into this Plan. The Agent undertakes to perform such duties and only such duties as are expressly set forth herein to be performed by it and no implied covenants or obligations shall be read into this Plan against the Agent or the Company. In the absence of negligence or willful misconduct on its part, the Agent, whether acting directly or through agents or attorneys, shall not be liable for any action taken, suffered, or omitted or for any error of judgment made by it in the performance of its duties hereunder. In no event shall the Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profit), even if the Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agent shall: (i) not be required to and shall make no representations and have no responsibilities as to the validity, accuracy, value or genuineness of any signatures or endorsements, other than its own; and (ii) not be obligated to take any legal action hereunder that might, in its judgment, involve any expense or liability, unless it has been furnished with reasonable indemnity. The Agent shall not be responsible or liable for any failure or delay in the performance of its obligations under this Plan arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God, earthquakes, fires, floods, wars, civil or military disturbances, sabotage, epidemics, riots, interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services, accidents, labor disputes, acts of civil or military authority or governmental actions; it being understood that the Agent shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Shares are not insured by the FDIC or any other government agency, are not deposits or other obligations of, and are not guaranteed by, Wells Fargo Bank, N.A., and are subject to investment risks, including possible loss of principal amount invested. Wells Fargo Bank, N.A. and Xcel Energy Inc. provide no advice and make no recommendations with respect to purchasing or selling shares of Xcel Energy Inc. Any decision to purchase or sell must be made by each individual Participant based on his or her own research and judgment.
