On November 1, 2009, CF Industries Holdings, Inc. issued the following press release:

CF INDUSTRIES OFFERS OVER \$40.50 PER SHARE FOR TERRA INDUSTRIES, CONSISTING OF \$32.00 IN CASH AND 0.1034 OF A CF INDUSTRIES SHARE (INCLUDING \$7.50 PER SHARE DIVIDEND DECLARED BY TERRA)

DEERFIELD, IL, November 1, 2009 CF Industries Holdings, Inc. (NYSE: CF) announced today that it is offering to acquire Terra Industries Inc. (NYSE: TRA) for \$32.00 in cash and 0.1034 of a share of CF Industries common stock for each Terra share (including the \$7.50 per share special dividend declared by Terra).

The offer has a value of \$40.61 per share, based on Friday's closing price for CF Industries common stock. The offer, which is equivalent to a multiple of 7.1 times trailing 12-months EBITDA, represents a premium of 28% to Terra's closing price on Friday and a significantly higher premium to the price at which Terra shares would have traded without takeover speculation. Morgan Stanley has committed \$2.5 billion to provide the funds required for the transaction. The transaction is not subject to a financing condition and is not subject to the approval of CF Industries stockholders. CF Industries has satisfied all antitrust regulatory conditions that are required to close the transaction.

The strategic benefit of combining these two great companies is undeniable, said Stephen R. Wilson, chairman, president and chief executive officer of CF Industries. The substantial cash in our offer makes the combination far more accretive for CF Industries stockholders, while providing certainty on value and closing for Terra stockholders. The transaction is clearly in the best interests of our respective stockholders.

Dear Members of the Board:

We continue to believe that the strategic and financial benefits of combining CF Industries and Terra Industries are compelling. Given our confidence in the benefits of the combination, we are offering to acquire Terra for \$32.00 in cash and 0.1034 of a share of CF Industries common stock for each Terra share (including the \$7.50 per share special dividend declared by Terra). Our offer represents a highly attractive multiple of 7.1 times trailing 12-months EBITDA.

Morgan Stanley has committed to provide the financing required for the transaction. Our offer is not subject to a financing condition or to the approval of CF Industries stockholders. The merger agreement between the two companies would also contain no financing condition. As you are aware, CF Industries has satisfied all antitrust regulatory conditions required to close the transaction.

Our offer is subject to approval by the Terra Board of Directors, entering into a definitive agreement with customary conditions and confirmatory due diligence.

Unless a merger agreement is entered into by November 30, 2009, our financing commitment would expire. We have the right to extend the financing commitment until December 31, 2009, subject to there not having been a disruption in the financing markets. Accordingly, we reserve the right to withdraw our offer if a merger agreement is not entered into by November 30, 2009.

Our offer provides compelling value for Terra stockholders as well as certainty of closing. The transaction clearly is in the best interests of our respective stockholders, and we should move forward promptly and sign a merger agreement to put these two great companies together.

Sincerely,

Stephen R. Wilson

Chairman, President and Chief Executive Officer
