Item 1.01 Entry into a Material Definitive Agreement.

On June 10, 2010, American Lithium Minerals, Inc. (the Company) entered into a memorandum of agreement with Japan Oil, Gas and Metals National Corporation (JOGMEC). Under the memorandum of agreement, the Company has granted an option to JOGMEC to purchase up to a 40% participating interest in the North and South Borate Hills Project for \$4,000,000 in cash or in kind to be invested directly in the North and South Borate Project over three years. JOGMEC will receive in kind any production of minerals from the Borate Hills Project in proportion to its ownership interest. JOGMEC has 90 days to complete its due diligence and geologic review of the Borate Hills Project before the memorandum of agreement becomes effective. Thereafter, JOGMEC may terminate the memorandum of agreement at any time after it has invested at least \$600,000. The Company will initially act as the operator of the project. The terms of the memorandum of agreement will be set forth in a definitive agreement
