**Item 2.05. Costs Associated with Exit or Disposal Activities**

On April 1, 2011, Troon Golf of Scottsdale, Arizona will assume the management of the Kapalua Plantation and Bay Golf Courses (the Golf Courses). As a result of Troon's assumption of the management of the Golf Courses, Maui Land & Pineapple Company, Inc. (the Company) anticipates that, as of March 31, 2011, it will terminate the employment of a number of its employees affected by the management change. The impact of the change in management of the Golf Courses is currently being evaluated by the Company and the total number of employees that will be affected is uncertain.

Under the provisions of the U.S. Department of Labor Worker Adjustment and Retraining Notification Act (WARN), on January 25, 2011, the Company notified each of its employees of the upcoming change in management of the Golf Courses and its potential impact on their employment status.

At this time, the Company is unable to reasonably estimate the charges or cash expenditures associated with the change in management of the Golf Courses.

**Forward-Looking Statements**

Any statement contained in this Current Report on Form 8-K that refers to events that may occur in the future or other non-historical matters are forward-looking statements. These forward-looking statements are based on the Company's expectations as of the date of this report and are subject to risks and uncertainties that could cause actual results to differ materially from current expectations. Actual results could differ materially from those projected in the forward-looking statements as a result of the following factors, among others: the ability of Troon Golf to successfully assume the management of the Golf Courses, issues arising during the transition of management of the Golf Courses, the direct and indirect impact that the change in management of the Golf Courses may have on other areas of the Company's operations, and such other risks and uncertainties as detailed from time to time in the Company's public filings with the U.S. Securities and Exchange Commission, including but not limited to the Company's Annual Report on Form 10-K for the year ended December 31, 2009, and its Quarterly Report on Form 10-Q for the quarter ended September 30, 2010.
