  - Pre-commencement communications pursuant to Rule 13e-4 (c) under the Exchange Act (17 CFR 240.13e-4 (c))
-

**Item 1.01      Entry Into a Material Agreement**

On February 29, 2012, Alexandria Real Estate Equities, Inc. (the "Company") issued and sold \$550,000,000 aggregate principal amount of its 4.60% Senior Notes due 2022 (the "Notes") in a registered public offering pursuant to an effective shelf registration statement on Form S-3 on file with the Securities and Exchange Commission. The Notes are governed by the terms of an Indenture, dated as of February 29, 2012 (the "Base Indenture"), by and among the Company, as issuer, Alexandria Real Estate Equities, L.P., as guarantor (the "Guarantor"), and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), as supplemented by Supplemental Indenture No. 1, dated as of February 29, 2012 (the "Supplemental Indenture" and, together with the Base Indenture, the "Indenture"), by and among the Company, the Guarantor and the Trustee.

The Notes bear interest at a rate of 4.60% per year, from and including February 29, 2012 or the most recent interest payment date to which interest has been paid, and are payable semi-annually in arrears on April 1 and October 1 of each year, beginning on October 1, 2012. The Notes mature on April 1, 2022 and are fully and unconditionally guaranteed, on a senior basis, by the Guarantor (the "Guarantee"). The Notes are the unsecured senior obligations of the Company and rank equally with the Company's existing and future unsecured senior indebtedness.

The Company has the option to redeem all or a part of the Notes at any time or from time to time. Before January 1, 2022, the redemption price for Notes will equal the sum of (i) 100% of the principal amount of the Notes being redeemed, (ii) accrued and unpaid interest thereon, if any, to the date of the redemption, and (iii) a make-whole amount. On or after January 1, 2022, the redemption price for the Notes will be equal to the sum of 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption.

The Indenture contains covenants that, among other things, limit the ability of the Company, the Guarantor and the Company's subsidiaries to (i) consummate a merger, consolidation or sale of all or substantially all of the Company's assets and (ii) incur secured or unsecured indebtedness. These covenants are subject to a number of important exceptions and qualifications.

The Indenture also provides for customary events of default. In the case of an event of default resulting from certain events of bankruptcy, insolvency or reorganization, the principal of and accrued and unpaid interest, if any, on all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs and is continuing, the Trustee or holders of not less than 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

The foregoing descriptions of the Notes and the Indenture do not purport to be complete and are qualified in their entirety by the full text of the Base Indenture, the Supplemental Indenture and the form of the Note and Guarantee, which are filed as

Exhibits 4.1, 4.2 and 4.3, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

**Item 2.03** **Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement**  
**of a Registrant**

The information provided in Item 1.01 of this Current Report on Form 8-K pertaining to the Notes and the Indenture is incorporated by reference into this Item 2.03.

**Item 9.01** **Financial Statements and Exhibits**
