Item 1.01. Entry Into a Material Definitive Agreement.

On August 23, 2012, Rockwood Holdings, Inc. ("Rockwood") entered into a Scheme Implementation Agreement (the "Agreement") with Talison Lithium Limited, a company incorporated in Australia ("Talison"), pursuant to which a designated subsidiary of Rockwood will acquire all of the ordinary shares in the capital of Talison for C\$6.50 per share in cash for approximately C\$724 million in the aggregate on a fully diluted basis (US\$732 million, based on an exchange rate of C\$1 = US\$1.011635) (the "Transaction"). Talison is a leading producer of lithium concentrate from its lithium mineral project in Western Australia and has its ordinary shares listed on the Toronto Stock Exchange.

Pursuant to the terms of the Agreement, the Transaction will be accomplished in accordance with a scheme of arrangement under Australian law. The Transaction is subject to certain closing conditions, including approval of Talison's shareholders, approval from the Australian court in accordance with the Australian Corporations Act and regulatory approvals. The Agreement contains "no shop" and "no talk" provisions (subject to directors' fiduciary duty exemptions), and provides that Talison must notify Rockwood in the event it receives a competing offer and must permit Rockwood to propose a matching offer. If the Agreement is terminated in certain circumstances, Talison or Rockwood would be required to pay the other a fee of C\$7 million. Subject to the satisfaction or waiver of the closing conditions, the Transaction is expected to be completed in November 2012.

Rockwood expects to finance the Transaction using existing cash on its balance sheet and new debt financing.

The foregoing description of the Transaction does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

On August 23, 2012, Rockwood issued a press release announcing the signing of a definitive agreement that provides for the Transaction. A copy of the press release announcing the planned acquisition is furnished as Exhibit 99.1 of this report and incorporated herein by reference.
