Business Days	New York.
Ranking	The Notes will rank equally with all present and future unsecured and unsubordinated indebtedness of Vodafone. Because we are a holding company, the Notes will effectively rank junior to any indebtedness or other liabilities of our

subsidiaries.

Regular Record Dates for Interest

With respect to each interest payment date, the regular record date for interest on global securities in registered form will be the close of business on the Clearing System Business Day prior to the date for payment, where Clearing System Business Day means Monday to Friday, inclusive, except December 25 and January 1. The regular record date for interest on debt securities that are represented by physical certificates will be the date that is 15 calendar days prior to such date, whether or not such date is a business day.

Payment of Additional Amounts

We intend to make all payments on the Notes without deducting United Kingdom (U.K.) withholding taxes. If any deduction is required on payments to non-U.K. investors, we will pay additional amounts on those payments to the extent described under Description of Debt Securities We May Offer Payment of Additional Amounts in the prospectus.

Optional Tax Redemption

We may redeem the Notes before they mature if we are obligated to pay additional amounts due to changes on or after the date of this final term sheet in U.K. withholding tax requirements, a merger or consolidation with another entity or a sale or lease of substantially all our assets and other limited circumstances described under Description of Debt Securities We May Offer Payment of Additional Amounts in the prospectus. In that event, we may redeem the Notes in whole but not in part on any interest payment date, at a price equal to 100% of their principal amount plus accrued interest to the date fixed for redemption.

Adjusted Treasury Rate

Adjusted treasury rate means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the comparable treasury issue, assuming a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to the comparable treasury price for such redemption date.

Comparable treasury issue means the U.S. Treasury security selected by the quotation agent as having a maturity comparable to the remaining term of such notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining terms of such notes.

Comparable treasury price means, with respect to any redemption date, the average of the reference treasury dealer quotations for such redemption date.

Quotation agent means the reference treasury dealer appointed by the trustee after consultation with us. Reference treasury dealer means any primary U.S. government securities

dealer in New York City selected by the trustee after consultation with us.

Reference treasury dealer quotations means with respect to each reference treasury dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the comparable treasury issue (expressed as a percentage of its principal amount) quoted in writing to the trustee by such reference treasury dealer at 5:00 p.m. Eastern Standard Time on the third business day preceding such redemption date.
