Item 1.01. Entry into a Material Definitive Agreement.

KeyBank \$92.0 Million Interim Loan

On May 23, 2013, Summit Hotel OP, LP (Operating Partnership), as borrower, and Summit Hotel Properties, Inc. (Company), as guarantor, entered into a \$92.0 million senior secured interim loan (the Interim Loan) with KeyBank National Association, as administrative agent and lender, and Regions Bank, as lender.

The Interim Loan is collateralized by a pledge of the equity interests in the subsidiaries that own the White Lodging Portfolio (as defined in Item 2.01 of this Current Report on Form 8-K). The Interim Loan has an initial maturity of six months, and the Operating Partnership may extend the maturity for an additional six months, subject to certain conditions, including securing mortgages and entry into typical security and loan agreements on the White Lodging Portfolio. The Interim Loan is cross-defaulted to the Company 's senior secured revolving credit facility and any cross-defaults identified in the senior secured revolving credit facility will trigger a default under the Interim Loan.

Outstanding borrowings on the Interim Loan carry an interest rate of, at our option, 1-, 2-, 3- or 6- month LIBOR plus 225 bps or the base rate plus 125 bps. The base rate is the greatest of (i) the administrative agent 's prime rate, (ii) 0.50% plus the federal funds effective rate or (iii) 1-month LIBOR (incorporating a floor of 0.50%) plus 1.00%. Interest is paid monthly, with all outstanding principal and accrued but unpaid interest due at maturity, unless the maturity is extended pursuant to the terms of the Interim Loan. We have the right to repay all or any portion of the outstanding borrowings from time to time without penalty or premium, other than customary early payment fees if we repay a LIBOR loan before the end of the contract period.

In addition, we are required to maintain a trailing twelve-month Adjusted Net Operating Income (as defined in the Interim Loan) of at least \$9.3 million on the White Lodging Portfolio.

We are also subject to other customary covenants, including restrictions on investments, limitations on liens and maintenance of properties. The Interim Loan also contains typical events of default, including, among others, the failure to make payments when due under any of the Interim Loan documentation, breach of any covenant continuing beyond any cure period and bankruptcy or insolvency.

Senior Secured Revolving Credit Facility Amendment

The Operating Partnership, as borrower, the Company, as guarantor, and the lenders that are a party to our \$150 million senior security revolving credit facility, entered into a Fourth Amendment to the Credit Agreement executed April 29, 2011 (Credit Agreement), which became effective upon the execution of the Interim Loan.

The Fourth Amendment amended the following provisions of the Credit Agreement:

Edgar Filing: Summit Hotel OP, LP - Form 8-K

1. The permissible concentration of borrowing base assets in any metropolitan statistical area was increased from 20% to 30% to permit the addition of the Company's Courtyard by Marriott hotel and Springhill Suites hotel in New Orleans, Louisiana, to the borrowing base of the credit facility; and
2. Certain provisions were added so that the Interim Loan would not violate the indebtedness or lien covenants of the credit facility.

Simultaneously with the amendment of the Credit Agreement, we added the Courtyard by Marriott hotel and Springhill Suites hotel in New Orleans, Louisiana to the borrowing base of the credit facility. The addition of these two hotels increases our borrowing availability under the credit facility by \$36.7 million.

The summaries of the material terms of the Interim Loan and Fourth Amendment to the Credit Agreement are qualified in their entirety by the Interim Loan and the Fourth Amendment to the Credit Agreement, which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On May 23, 2013, the Company, through the Operating Partnership, completed the acquisition of a portfolio of four unencumbered hotels located in Louisville, Kentucky and Indianapolis, Indiana (the White Lodging Portfolio) for an aggregate purchase price of \$153.0 million. The Company funded the acquisition with borrowings under its senior secured revolving credit facility and with proceeds from the Interim Loan. The White Lodging Portfolio was acquired from Louisville Jefferson Partners, L.L.C. and Incourtspring, L.L.C. (collectively, the Sellers). The White Lodging Portfolio consists of:

- a 135-room Fairfield Inn and Suites hotel located in Louisville;
- a 198-room SpringHill Suites hotel located in Louisville;
- a 156-room SpringHill Suites hotel located in Indianapolis; and
- a 297-room Courtyard by Marriott hotel located in Indianapolis.

The White Lodging Portfolio will continue to be managed by White Lodging Services Corporation, an affiliate of the Sellers, under their current franchise flags.

The Company and the Operating Partnership are filing with this Current Report on Form 8-K the audited combined historical financial statements for the White Lodging Portfolio referred to in Item 9.01(a) below and the unaudited pro forma financial information for the Company and the Operating Partnership referred to Item 9.01(b) below.
