Item 5.07. Submission of Matters to a Vote of Security Holders

A special meeting of stockholders of Lime Energy Co. (the Company) was held on January 31, 2017 (the Special Meeting). At the Special Meeting, the holders of the Company's Common Stock and the holders of the Company's Series C Preferred Stock voted on proposed amendments to the Company's Certificate of Incorporation intended to enable the Company to reduce the number of record holders of the Common Stock, so as to allow the Company to terminate registration of the Common Stock under Section 12(g) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Terminating such registration will allow the Company to suspend its reporting obligations under the Exchange Act and thereby eliminate the significant tangible and intangible costs of being a reporting company under the Exchange Act. The results of the voting on the four proposals submitted to stockholders were as follows:

1. *Approval of Reverse Stock Split (Option 1)*. To authorize the amendment of the Company's Certificate of Incorporation to effect a reverse stock split of the Company's outstanding shares of Common Stock at a ratio of 1-for-300.

4. *Approval of Forward Stock Split*. Each stockholder of record owning fewer than 300 shares of Common Stock immediately prior to the effective time of the Reverse Stock Split (6:00 p.m. on February 10, 2017) will receive a cash payment equal to the greater of (A) \$2.49 and (B) the average closing market price over the 10-day period ending on
