Item 2.06 Material Impairments

As a result of the nonrenewal of the exclusive distribution agreement with Jerome Stevens Pharmaceuticals (JSP), as more fully discussed in Item 8.01 below, Lannett Company, Inc. (the Company) has determined that such nonrenewal represents a triggering event under United States Generally Accepted Accounting Principles (US GAAP) and, accordingly, will perform an analysis to determine the potential for impairment of goodwill and certain long-lived assets of the Company in the first quarter of fiscal 2019. As of June 30, 2018, the carrying value of goodwill was \$339.6 million. The Company believes that its impairment assessment will likely result in a material impairment of the Company s goodwill; however, at this time the Company cannot estimate an amount or range of amounts for such impairment. Any impairment would result in a noncash charge to earnings in the first quarter of fiscal 2019.

Item 8.01 Other Events

After the close of business on August 17, 2018, JSP notified the Company that JSP will not extend or renew the exclusive distribution agreement between JSP and the Company, pursuant to which the Company distributes Butalbital, Aspirin, Caffeine with Codeine Phosphate Capsules USP, Digoxin Tablets USP and Levothyroxine Sodium Tablets USP, when the current term of the exclusive distribution agreement expires on March 23, 2019. Net sales of JSP products totaled \$253.1 million in fiscal year 2018. Of that amount, Levothyroxine Sodium Tablets USP net sales totaled \$245.9 million, with gross margins of approximately 60%, in fiscal year 2018.
