PART II

ITEM 1. Legal Proceedings

US Litigation (Dallas, Texas) – Company is Plaintiff

On December 27, 2012, the Company, and DynaMexico, filed an Original Petition and Application for Temporary Injunction and Permanent Injunction in the 14th Judicial District Court of Dallas, Texas (the “Petition”) against Defendants Goldgroup Mining Inc., Goldgroup Resources Inc., and certain individuals acting in concert with Goldgroup (collectively “Goldgroup”). The Petition alleges, among other things, that Goldgroup has wrongfully used property, confidential information and data belonging to DynaMéxico and consistently failed to disclose several matters of material importance to the public.

The Petition requests that Goldgroup be enjoined from: (a) using or disseminating any confidential information belonging to DynaMéxico, (b) asserting that Goldgroup owns any interest in the San Jose de Gracia Project, rather than owning a common shares equity interest in DynaMéxico, (c) improperly disclosing that Goldgroup is the operator of the San Jose de Gracia Project, rather than Mineras de DynaResource SA de C.V. (“Mineras”), and (d) failing to properly disclose that broad powers of attorney for acting on behalf of DynaMéxico are held by a DynaUSA senior executive.

The Petition further requests, among other things: (a) a temporary and permanent injunction; (b) declaratory relief; (c) disgorgement of funds alleged to have been improperly raised as a consequence of Goldgroup’s wrongful actions; (d) cancellation of shares of DynaMéxico stock held by Goldgroup; and, (d) actual and punitive damages.

The Company believes the filing of the Petition to be necessary in order to protect its shareholder interests in DynaMexico and in order to protect the property, data, and assets of DynaMexico.

The Company is the plaintiff in this litigation, but the outcome is pending. The Company believes that no material adverse change will occur as a result of the actions taken, and the Company further believes there is little to no potential for the assessment of a material monetary judgment against the Company.

Litigation(s) in Mexico – Company is Plaintiff

The Company, and DynaMexico have filed several legal actions in Mexico against Goldgroup Mining Inc, Goldgroup Resources Inc., certain individuals employed or previously employed by Minop, S.A. de C.V. (a Company operating in Mexico and associated with Goldgroup Mining Inc.), and certain individuals retained as agents of Goldgroup Mining Inc. The Company and DynaMexico are plaintiffs in the actions filed in Mexico and the outcomes are pending.

The Company believes that no material adverse change will occur as a result of the actions taken, and the Company further believes that there is little to no potential for the assessment of a material monetary judgment against the Company for legal actions it has filed in Mexico. For purposes of confidentiality, the Company does not provide more specific disclosure in this Form 10-Q.

Litigations – Company and/or Officers and Directors as Defendants

The Company, nor its Officers and Directors have received any formal notice of any legal actions filed against them, nor is the Company or its Officers and Directors aware of any legal actions filed against them.
