INDEBTEDNESS OF DIRECTORS AND SENIOR OFFICERS

None of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, and no associates or affiliates of any of them, have been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed financial year.

INTEREST OF INSIDERS IN MATERIAL TRANSACTIONS

No insider of the Company, no proposed nominee for election as a director of the Company and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, in any transaction since the commencement of the Company's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries other than as disclosed under the headings "Executive Compensation" and "Particulars of Matters to be Acted Upon" and as set out below.

10

On November 30, 2001, the Company completed a re-financing of its outstanding \$5,687,000 subordinated debt. Working Opportunity Fund (EVCC) Ltd. ("WOF") increased its subordinate debt with new debt of \$3,960,000, which was used to repay the outstanding indebtedness owed to BCMC Capital Limited Partnership, BCMC Capital II Limited Partnership and Business Development Bank of Canada. In consideration for advancing these funds and agreeing to extend the term of the loan past its February 2002 due date to December 2002, the Company agreed to pay WOF interest at 36% per annum and to grant WOF warrants to purchase up to an aggregate 160,000 Class B Subordinate Voting Shares at a price of \$1.255 per share until 30th June 2003. Yad Garcha, who was a Director of the Company at the end of the fiscal year and John Derek Douglas, a Director of the Company, are also insiders of WOF, which in turn is an insider of the Company.

As consideration for not requiring the interest rate to be increased from 18% to 36% per annum, the Company agreed to grant Timothy Gamble, the former Director and President of the Company and W.D. Cameron White, the Chairman of the Company, warrants to purchase up to a total of 70,000 Class B Subordinate Voting Shares at a price of \$1.255 per share until 30th June 2003.

It was a further term of the Subordinate Debt refinancing that the Company agreed, subject to regulatory approval, to reduce the exercise price from \$5.00 per share to the then current market price of the Company's shares in respect of an aggregate 17,998 Class A Multiple Voting Shares extension warrants and 12,958 Class B Subordinate Voting Shares extension warrants held by Timothy Gamble, Cameron White and WOF which were issued pursuant to Loan Agreements dated August 2000, but not exercisable until after 15th February 2002. The Toronto Stock Exchange declined to approve the reduction in exercise price on all but 2,880 Class A Multiple Voting Share extension warrants held by Mr. Gamble.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or senior officers of the Company, no management nominee for election as a director of the Company, none of the persons who have been directors or senior officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than as disclosed under the headings "Executive Compensation" and "Particulars of Matters to be Acted Upon".

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Under the rules of The Toronto Stock Exchange (the "TSX"), the Company is required to disclose information relating to its system of corporate governance, with reference to the guidelines set out in the TSX Company Manual (the "Guidelines"). The Company's disclosure addressing each of the Guidelines is set out in Schedule "A" to this Information Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

A. APPROVAL OF SHARE ISSUANCES

The Company has entered into agreements with regard to a series of transactions (referred to collectively as the "Transactions"), each of which is subject to regulatory approval. Pursuant to the Transactions, the Company is proposing to issue or reserve for issuance an aggregate 16,196,333 Class B Subordinate Voting Shares to effect the Private Placement Financing, Asset Acquisition, Debt Restructuring and Release and Reconstitution of Loan Guarantee described below (referred to collectively as the "Share Issuances"). The transactions are each contingent upon the other transactions and will close concurrently. Management recommends that the shareholders approve the Share Issuances described herein.

Pursuant to the rules adopted by The Toronto Stock Exchange (the "TSX"), shareholder approval is required for share issuances of more than 25% of the number of shares which are outstanding (on a non-diluted basis) at the commencement of any six month period or that materially affect control of the Company. The 16,196,333 Class B Subordinate Shares proposed to be issued or reserved for issuance pursuant to the Share Issuances represent in excess of 25% of the 3,887,845 currently issued shares of the Company and the 8,333,333 Class B Subordinate

11

Voting Shares proposed to be issued pursuant to the Asset Acquisition represent approximately 28% of the 29,911,044 voting rights attached to the outstanding shares of the Company after the proposed Share Issuances.

The proceeds of the Private Placement Financing are intended to be used for general working capital purposes and will assist the Company in remedying its working capital deficiency and providing growth capital. MANAGEMENT BELIEVES THAT IF SHAREHOLDERS DO NOT APPROVE THE SHARE ISSUANCES, THE COMPANY WILL NOT HAVE ADEQUATE WORKING CAPITAL TO CONTINUE OPERATIONS.

It is anticipated that the Asset Acquisition will provide the Company with \$2,500,000 of additional working capital within the next 18 months. In addition, this acquisition will add valuable management expertise and increase the business of the Company in a complementary manner. If the shareholders do not approve the Share Issuances, the Transactions will not take place.

It is proposed that Gary Howsam be appointed Chief Executive Officer of the Company effective December 20, 2002 pending closing of the Asset Acquisition. Gary Howsam is a nominee for director as more particularly described below. Each of the Transactions is at arm's length.

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

Pursuant to the Transactions, the Company's Board of Directors will be reconstituted in favor of directors with specific financial and entertainment industry experience (See above under the heading "Election of Directors").

The current shareholders of the Company, as a group (on a non-diluted basis) will hold approximately 22.6% of the 17,221,178 issued and outstanding shares of the Company, and approximately 50.7% of the 27,048,044 voting rights attached to the issued and outstanding shares of the Company, immediately following the Share Issuances.

The following table sets out the pro forma share capital (on a non-diluted basis) prior to the Transactions and immediately following the Share Issuances:

PRO FORMA CAPITALIZATION	
	CLASS A MULTIPLE VOTING SHARES
Shares issued as at December 13, 2002	1,091,874
Shares to be issued pursuant to the Share Issuances:	
Private Placement Financing	Nil
Asset Acquisition	Nil
Reserved for Debt Restructuring	Nil
Reserved for Release and Reconstitution of Loan Guarantee	Nil
ISSUED CAPITAL:	1,091,874

(1) The proposed Debt Restructuring could result in the additional issuance of a maximum of approximately 2,527,000 Class B Subordinate Voting Shares during the ninety days following December 31, 2004 and the proposed Release and Reconstitution of Loan Guarantee could result in the additional issuance of a maximum of approximately 336,000 Class B Subordinate Voting Shares during the ninety days following December 31, 2005.

12

AT THE MEETING, THEREFORE, THE MEMBERS WILL BE ASKED TO PASS A RESOLUTION IN THE FORM SET FORTH IN SCHEDULE B TO THIS INFORMATION CIRCULAR, WHICH RESOLUTION APPROVES THE ISSUANCE OR RESERVATION FOR ISSUANCE OF AN AGGREGATE 16,196,333 CLASS B SUBORDINATE VOTING SHARES PURSUANT TO THE PRIVATE PLACEMENT FINANCING, ASSET ACQUISITION, DEBT RESTRUCTURING AND RELEASE AND RECONSTITUTION OF LOAN GUARANTEE. IF SHAREHOLDER APPROVAL OF THE SHARE ISSUANCES IS NOT GIVEN, NONE OF THE TRANSACTIONS WILL PROCEED.

1. PRIVATE PLACEMENT FINANCING

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

The Company has agreed to a private placement of 5,000,000 Class B Subordinate Voting Shares at a subscription price of \$0.30 per share, which price approximates the market price of the Class B Subordinate Voting Shares at the time the private placement was negotiated, for total proceeds of \$1,500,000 (the "Private Placement Financing"). Under the Private Placement Financing, not less than four (4) arm's length investors will irrevocably subscribe and pay an aggregate CDN\$1,500,000, in cash, for 5,000,000 Class B Subordinate Voting treasury shares of the Company. The Private Placement Financing is subject to and will close concurrently with the other Transactions.

The Board of Directors believes that the subscription price is reasonable in the circumstances. The proceeds of the Private Placement Financing are intended to be used for general working capital purposes and would assist the Company to remedy its working capital deficiency and provide growth capital. In July 2002, the Company announced that it requires additional capital to enable it to continue operations.

13

2. ASSET ACQUISITION

The Company has agreed to acquire a portfolio of assets owned and controlled by CPC Communications Inc. ("CPC") and/or its subsidiaries, in consideration for the issuance of 8,333,333 Class B Subordinate Voting Shares of the Company at a deemed price of \$0.30 per share (the "Asset Acquisition"). The assets include Film Production Company Assets, the Assigned Receivable Assets and the ongoing business activities of Greenlight Film and Television Inc. ("Greenlight"), a wholly owned subsidiary of CPC, collectively (the "Assets"). The Assets, described herein, are represented by CPC to have a value of not less than CDN\$2,500,000.

Greenlight, a Toronto company, has been in business since 1997 and is primarily in the business of producing theatrical motion pictures. In the five years since its inception, Greenlight has produced, through its wholly owned subsidiaries, more than thirty (30) feature films for worldwide distribution. These films, produced and/or executive produced by its President and founder, Mr. Gary Howsam, have been licensed by entities including Lions Gate Entertainment, Artisan Entertainment, Trimark, HBO and Blockbuster, Showtime, Hallmark Entertainment and Encore. Greenlight focuses on films with budgets from \$4 million to \$25 million, designed both for theatrical release and DVD/television. Following the Acquisition, the Company will continue the future business activities of Greenlight.

The Film Production Company Assets proposed to be acquired by the Company from CPC include five films, held by single purpose companies, that qualify as Canadian content as determined by the CRTC (Canadian Radio-television and Telecommunications Commission), four (4) of which are being produced under tax treaties between Canada and the UK. The films, which are presently in production, have aggregate Canadian budgets of approximately \$26.5 million. The five companies are wholly owned by CPC or its subsidiaries and their feature films are described as follows:

1. GFT Crime Spree Films Inc. is in production of a feature film "Crime Spree", a caper comedy starring Gerard Depardieu and Harvey Keitel, and directed by Brad Mirman. Crime Spree is scheduled to be delivered in January, 2003.
2. GFT Absolon Films Inc. is in production of a feature film "Absolon", a futuristic thriller starring Christopher Lambert and Lou Diamond

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

Philips. This film is scheduled for delivery in January, 2003.

3. GFT Rough Rider Films Inc. is in production of "Partners in Action", an action thriller starring Armand Assante and directed by Sidney J. Furie. This film is scheduled for delivery in December, 2002.
4. GFT Detention Films Inc. is in production of "Detention", an action thriller starring Dolf Lungren and directed by Sidney J. Furie. This film is scheduled for delivery in March, 2003.
5. GFT Limit Films Inc. is in production of "The Limit", a suspense film starring Lauren Bacall and Claire Forlani and directed by Lewin Webb. This film is scheduled for delivery in June, 2003.

The above single purpose production companies (collectively the "Prodcos") own majority copyright and certain residual rights to the above noted feature films. Prior to closing of the Acquisition, Greenlight will transfer 100% of the shares of the Prodcos to GFT Entertainment Inc., a newly incorporated company. Upon closing, the Company will acquire 100% of the shares of GFT Entertainment Inc.

The Assigned Receivable Assets to be acquired by the Company are as follows:

1. Federal and Ontario tax credit receivables due to the Prodcos in the estimated amount of CDN\$280,000;
2. Interim collateral deposit release of CDN\$300,000;
3. Ownership of loan due to a subsidiary of CPC from GFT Limit Films Inc. in the amount of US\$959,713; and
4. Assignment of CDN\$408,000 due to CPC with respect to proceeds of France exploitation of Crime Spree (the "French Proceeds"). Provided that the Company receives actual cash from the Assigned Receivable Assets and from the Film Production Company Assets in the amount of CDN\$2,500,000, the Company

14

shall remit any further cash received from these assets to CPC until an amount equal to the French Proceeds actually received by the Company has been recouped by CPC.

The Company retained Ellis Foster, Chartered Accountants to provide an independent estimate of the fair market value of the Assets. The conclusion of such estimate was that, as at November 15, 2002, the fair market value of the Assets proposed to be acquired by the Company is not less than CDN\$2,500,000.

The Board of Directors of the Company believes that CDN\$2,500,000 is a reasonable price for the Assets and that \$0.30 per share is a reasonable price per share in the circumstances for the issuance of 8,333,333 Class B Subordinate Voting Shares pursuant to the Asset Acquisition.

In connection with the proposed Asset Acquisition, the President of Greenlight, Gary Howsam, who is a producer with over twenty years experience at an executive level, is to become the new President and CEO of the Company. The Company's current President and Chief Executive Officer, Juliet Jones, will continue her employment with the Company throughout a transition period and her ongoing employment will be determined by mutual approval. Mr. Howsam is to be appointed

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

CEO of the Company effective December 20, 2002. He is also a nominee for director of the Company.

The Asset Acquisition is estimated to provide the Company with \$2,500,000 of additional working capital within the next eighteen (18) months, further assisting the Company in improving its financial position. In addition, management believes the Asset Acquisition will add valuable management expertise and increase the business of the Company in a complimentary manner.

3. DEBT RESTRUCTURING

The Company has agreed to a restructuring of the debt (the "Debt Restructuring") due to Fremantle Media Enterprises Ltd. ("Fremantle").

As at the date of this Information Circular, the Company is indebted to Fremantle in the approximate aggregate principal amount of CDN\$7.58 million, accruing interest at a rate of 10% per annum (the "Fremantle Debt"). The Fremantle Debt is secured, providing Fremantle with a fixed and floating charge over all of the assets of the Company and its subsidiaries and a specific charge on certain assets held by the Company or its subsidiaries, subject to certain other priority charges.

Pursuant to the proposed Debt Restructuring, and subject to and coincidentally with the closing of the other Transactions, Fremantle has agreed that the scope of the Fremantle Debt and collateral charged will be restricted to the business, assets and undertaking of the Company as they exist immediately prior to the closing of the Transactions and any proceeds derived from the pre-existing business of the Company after those closings. Fremantle will not have any recourse, right or claim against any funding, proceeds and/or assets conveyed to the Company as a result of the Private Placement Financing or Asset Acquisition.

Upon closing of the Transactions, the pre-existing assets and undertaking of the Company will be conveyed to one or more new or existing wholly-owned subsidiaries of the Company on the condition that such conveyance will not adversely affect the Fremantle Debt. The new subsidiary(s) will assume the Fremantle Debt and the Company will be released from liability in respect of the Fremantle Debt. Payments on the Fremantle Debt shall be made directly from the income stream of the new subsidiary(s). The Company will manage the business of the new subsidiary(s), subject to Fremantle's approval of operating budgets and business plans.

It is a term of the proposed Debt Restructuring that the Company deliver, on or before the closing of the Transactions, an instrument in favour of Fremantle that evidences the principal amount of the Fremantle Debt and permits Fremantle, for a period of ninety (90) days from December 31, 2004, to convert, subject to regulatory approval, such principal amount outstanding at December 31, 2004, into Class B Subordinate Voting Shares of the Company at the lower price of either (a) CDN\$5.00 per share or (b) the closing price of the Class B Subordinate Voting Shares for the thirty (30) days prior to December 31, 2004, provided that in no event shall the conversion price be less than CDN\$3.00 per share. If the whole of the principal amount of the Fremantle Debt, (excluding interest), remains outstanding at December 31, 2004 and the 30-day average closing price of the shares is CDN\$3.00 or less, the maximum number of shares issuable on such conversion would be 2,527,000 Class B Subordinate Voting Shares.

The restructuring of the Fremantle debt will further assist the Company in

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

improving its financial position.

4. RELEASE AND RECONSTITUTION OF LOAN GUARANTEE

The Company has agreed to a reconstitution of a loan guarantee (the "Release and Reconstitution of Loan Guarantee") provided to Comerica Bank - California ("Comerica") with respect to the guarantee of a loan from Comerica to Big Sound Productions Inc. of the United Kingdom, an unrelated company controlled by Jamie Brown, a nominee for director of the Company.

There is approximately US\$1.075 million due to Comerica under the loan agreement, which is currently in default. Big Sound Productions Inc. was the Company's co-production partner on its 22 episode television series, "Big Sound". In the event that the loan is in default, the Company may at its option assume all of the co-producer's rights and interest to the series, subject to Comerica's charge on the rights to the proceeds from exploitation of the series in certain international territories (the "Exploitation Rights").

Pursuant to the Release and Reconstitution of Loan Guarantee and subject to and coincidentally with the closing of the other Transactions, Comerica will release the Company from its guarantee of the loan and the guarantee shall be reconstituted into the form of a non-interest bearing, unsecured liability (the "Comerica Liability"). Furthermore, Comerica has agreed that, with the exception of the Exploitation Rights, the scope of the Comerica Liability will be restricted to the business, assets and undertaking of the Company as they exist immediately prior to the closing of the Transactions and any proceeds derived from the pre-existing business of the Company after these closings, subject to the secured creditors and the priority of the Fremantle Debt. Comerica will not have any recourse, right or claim against any funding, proceeds and/or assets conveyed to the Company as a result of the Private Placement Financing or Asset Acquisition.

Upon closing of the Transactions, the pre-existing assets and undertaking of the Company will be conveyed to one or more new or existing wholly-owned subsidiaries of the Company as described in the section entitled "Debt Restructuring" above. The new subsidiary(s) will assume the Comerica Liability and the Company will be released from liability in respect of the guarantee. Payments of the Comerica Liability shall be made directly from the income stream of the new subsidiary(s), subject to priority and security interests.

It is a term of the Release and Reconstitution of Loan Guarantee that the Company deliver on or before the closing of the Transactions, an instrument in favour of Comerica that evidences the principal amount of the Comerica Liability and permits Comerica, for a period of ninety (90) days from December 31, 2005, to convert, subject to regulatory approval, such principal amount outstanding at December 31, 2005, into Class B Subordinate Voting Shares of the Company at a price of CDN\$5.00 per share. If the whole of the current balance of the Comerica Liability of US \$1.075 million, remains outstanding at December 31, 2005, the maximum number of shares issuable on such conversion, based on the August 31, 2002 US exchange rate of \$1.56, would be 335,077 Class B Subordinate Voting Shares.

B. APPROVAL OF FUTURE PRIVATE PLACEMENTS

In order for the Company to raise funds to expand its activities, the Company may require further funding which would be raised under one or more private placements.

At the Meeting, members will be asked to pass a resolution, in addition to the

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

resolution in respect of the proposed Share Issuances referred to above under the heading "Approval of Share Issuances", authorizing the Board of Directors to enter into one or more private placements, in addition to the Private Placement Financing and Asset Acquisition, in the 12 month period following the Meeting, to issue additional shares to subscribers who are substantially at arm's length to the Company. Pursuant to the rules adopted by The Toronto Stock Exchange (the "TSX"), shareholder approval is required for the issuance of shares by private placement of more than 25% of the number of shares which are currently outstanding (on a non-diluted basis) in any six month period. Management is proposing that the reference to the number of shares currently outstanding be a reference to the number of shares outstanding after giving effect to the Share Issuances contemplated above under the headings "Approval of Share Issuances - Private Placement Financing and Asset Acquisition". In this regard, there are currently an aggregate of 3,887,845 shares of all classes issued and outstanding. Following such Share Issuances, there will be an aggregate

16

of 17,221,178 shares of all classes issued and outstanding. Accordingly, it is prudent to have authority for such private placements at the present time to save the time and expense of seeking shareholder approval at future special meetings of shareholders.

It is not the intention of management to issue the entire number of shares authorized pursuant to the proposed resolution. The private placements will be negotiated only if management believes the subscription price is reasonable in the circumstances and if the funds are required by the Company to expand its activities. The issuance of shares pursuant to these private placements will not materially affect control of the Company. Each such private placement will be made in accordance with applicable by-laws and rules of the TSX, which require the approval of the TSX prior to completion of each individual private placement. These rules provide that private placements be priced at the closing price on the day prior to the notice of private placement, subject to prescribed discounts as set forth below:

MARKET PRICE -----	MAXIMUM DISCOUNT T -----
\$0.50 or less	25%
\$0.51 to \$2.00	20%
Above \$2.00	15%

As well, warrants may accompany shares issued under the private placement, where such warrants are priced at or above market and do not exceed the number of shares issued under the private placement.

Paragraph 620 of the TSX Company Manual (the "Manual") provides that the total number of shares of a listed company which are issued or subject to issuance pursuant to private placement transactions during any six month period must not exceed 25% of the number of shares of the Company which are outstanding prior to giving effect to such transactions. The Manual, however, permits this restriction to be relaxed with shareholder approval on certain terms.

Shareholders are being asked, therefore, to pass a resolution, in addition to

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

the resolution in respect of the proposed Share Issuances referred to above under the heading "Approval of Share Issuances", authorizing additional private placements which would take place within one year of the date of the Meeting. Such future private placements will be subject to the following terms:

1. All of the private placement financings will be carried out in accordance with the guidelines of the TSX in accordance with paragraphs 619 and 622 of the Manual.
2. Such future private placements would not result in additional shares of the Company being issued in any amount exceeding the number of issued and outstanding shares (in the aggregate) of the Company after giving effect to the share issuances described under the headings "Approval of Share Issuances - Private Placement Financing and Asset Acquisition" set out above.
3. Any of the future private placements would be substantially at arm's length and would not materially affect control of the Company.

The resolution with respect to private placement financings requires confirmation by a majority of the votes cast thereon at the Meeting. In the event the resolution is not passed, the Company will not proceed with any private placement that requires shareholder approval under the rules of the TSX unless and until such shareholder approval is received.

The text of the resolution to be submitted to the shareholders at the Meeting is set forth in Schedule C attached to this Information Circular.

C. APPROVAL OF AMENDMENTS TO AMENDED SHARE OPTION PLAN

The Company has an outstanding Share Option Plan (the "Plan") which was approved by the Company's shareholders on January 20, 1998. On July 14, 1999 and February 21, 2001 the Company's shareholders approved amendments to the Plan (the "Amended Plan"). In accordance with the Amended Plan, the number of

17

shares issuable upon the exercise of options pursuant to the Amended Plan and any other Share Compensation Arrangements (as such term is defined in the Amended Plan) is 115,950 Class A Multiple Voting Shares and 650,000 Class B Subordinate Voting Shares. Options to purchase Class A Multiple Voting Shares and Class B Subordinate Voting Shares have been exercised or cancelled, such that at the date of this Information Circular, options to purchase up to 19,800 Class A Multiple Voting Shares and 519,600 Class B Subordinate Voting Shares are outstanding. The Amended Plan further provides that any options granted after 14th July 1999 may only be exercisable into Class B Subordinate Voting Shares.

The purpose of the Amended Plan is to advance the interests of the Company through the acquisition of shares of the Company (the "Shares") by its directors, officers, employees and others who assist in the conduct and growth of its business ("Participants"). This provides an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The Amended Plan is structured to permit option grants to Participants, including Incentive Stock Option grants to employees and employee/directors of

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

the Company or its affiliates in accordance with U.S. federal income tax laws, and provides that the maximum number of Shares reserved for issuance to any one Participant upon the exercise of options shall not exceed 5% of the combined number of Class A Multiple Voting Shares and Class B Subordinate Voting Shares outstanding immediately prior to such reservation for issuance. Under the Amended Plan, the exercise price must be determined by the Board of Directors of the Company and shall not be less than the higher of (i) the Fair Market Value (as defined in the Amended Plan) of the Shares on the date the option is granted and, if the Participant is a Restricted Shareholder (as defined in the Amended Plan), shall not be less than 110% of the Fair Market Value of the Shares on the date the option is granted, and (ii) the average of the daily high and low board lot trading prices of the Shares on The Toronto Stock Exchange (or, if the Shares are not then listed on such exchange, the American Stock Exchange or such other stock exchange on which the Shares are listed, posted and called for trading) (the "Exchange") over the 10 day period immediately preceding the date of the grant; and (iii) the closing price of the Shares on the Exchange on the last trading day preceding the date on which the grant of the option is approved by the Board of Directors (or if the Shares are not then listed and posted for trading on the Exchange, on such exchange or quotation system upon which the Shares are listed and posted for trading as may be selected by the Board of Directors) or, if the Shares did not trade on the Exchange on such last trading day, the average of the high and low prices in respect of the Shares on the Exchange for the previous five trading days. In the event that the Shares are not listed and posted for trading on any stock exchange or other quotation system, the exercise price shall be the fair market value of the Shares as determined by the Board of Directors in its sole discretion. The shares in respect of which options are granted but expire, terminate or are surrendered unexercised are available for subsequent option grants.

The period during which options may be exercised shall be determined by the Board of Directors, in its discretion, to a maximum of ten years from the date the option is granted, except as the same may be reduced with respect to any option on termination of employment or death of the Participant and except that no Participant who is a Restricted Shareholder may be granted an Incentive Stock Option which is exercisable after the expiration of five years after the date of the grant of the option.

The Amended Plan provides that a Participant may, rather than exercise options which he or she is entitled to exercise, elect in lieu of receiving the Shares to which such Participant would have been entitled on exercise of such options ("Designated Shares"), to receive instead the number of Shares, disregarding fractions which, when multiplied by the fair value per share (which shall be the weighted average trading price of the Shares on the Exchange (or if the Shares are not listed and posted for trading on the Exchange, on such other stock exchange or quotation system on which the Shares are listed and posted for trading as selected by the Board of Directors) during the five (5) days preceding the date of determination) of the Designated Shares, is equal to the product of the number of Designated Shares times the difference between the fair value and the exercise price per share of the Designated Shares.

The Board of Directors in its sole discretion may from time to time appoint a Committee of no less than two members of the Board of Directors to administer the Amended Plan and, subject to, and to the extent required by, applicable law to exercise all of the powers, authority and discretion of the Board of Directors under the Amended Plan and may from time to time remove members from, or add members to, the Committee, and vacancies on the Committee shall be filled by the Board of Directors. The Board of Directors may abolish the Committee at any time or reconstitute in the Board of Directors the administration of the Amended Plan. The Committee shall report to the

Board of Directors the names of Participants granted options under the Amended Plan, the number of Shares covered by each such option and the terms and conditions of each such option.

In light of the purpose of the Amended Plan, the Company is of the view that it is appropriate to have approximately 20% of its issued capital reserved for issuance upon the exercise of options granted pursuant to the Amended Plan and any other Share Compensation Arrangements (as such term is defined in the Amended Plan). As at the date of this Information Circular, there are an aggregate 3,887,845 Class A Multiple Voting Shares and Class B Subordinate Voting Shares outstanding, such that approximately 20% thereof is 777,569. Upon closing of the Private Placement Financing and Asset Acquisition more particularly described above under the heading "Approval of Share Issuances", there will be an aggregate 17,221,178 Class A Multiple Voting Shares and Class B Subordinate Voting Shares outstanding such that approximately 20% thereof is 3,444,235. As there are currently options to purchase 19,800 Class A Multiple Voting Shares outstanding and options to purchase up to 5,500 Class A Multiple Voting Shares have been exercised and no further options to purchase Class A Multiple Voting Shares may be granted under the Amended Plan, the Company is proposing that the Amended Plan be further amended by decreasing the number of Class A Multiple Voting Shares issuable upon the exercise of options from 115,950 to 25,300 and ;

(a) if the Share Issuances are approved, reducing the percentage of shares reserved for issuance upon the exercise of options to 15% of the Company's issued capital, and increasing the number of Class B Subordinate Voting Shares issuable upon the exercise of options from 650,000 to 2,560,000, on the closing of the Private Placement Financing and Asset Acquisition; or

(b) if the Share Issuances are not approved, increasing the number of Class B Subordinate Voting Shares issuable upon the exercise of options from 650,000 to 750,000;

subject to adjustment or increase of such number pursuant to Section 2.10 of the Amended Plan.

Section 2.04 of the Amended Plan entitled "Limits with Respect to Insiders" provides that:

- (a) The number of Shares issuable to Insiders pursuant to options granted under the (Amended) Plan, together with Shares issuable to Insiders under any other Share Compensation Arrangement of the Company, shall not:
- (i) exceed 10% of the combined number of Class A Multiple Voting Shares and Class B Subordinate Voting Shares outstanding immediately prior to the grant of any such option; or
 - (ii) result in the issuance to Insiders, within a one year period, of in excess of 10% of the combined number of Class A Multiple Voting Shares and Class B Subordinate Voting Shares outstanding immediately prior to the grant of any such option.
- (b) The number of Shares issuable to any Insider and such Insider's Associates pursuant to options granted under the (Amended) Plan, together with Shares issuable to such Insider or such Insider's Associates under any other Share Compensation Arrangement of the Company shall not, within a one year period, exceed 5% of the combined number of Class A Multiple Voting Shares

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

and Class B Subordinate Voting Shares outstanding immediately prior to the grant of any such option.

The term "Insider" is defined in the Amended Plan as having the meaning ascribed to it in the Securities Act (British Columbia) and generally includes directors and senior officers of the Company and its subsidiaries, the five highest paid employees and holders of greater than 10% of the voting securities of the Company, but the Amended Plan excludes from such definition a person who is an Insider solely by virtue of being a director or senior officer of a subsidiary of the Company and any Associates of an Insider.

In accordance with the terms of the Amended Plan, the proposed amendments to the Amended Plan are subject to the approval of the stock exchanges upon which the Company's Shares are listed or of other regulatory bodies having jurisdiction over the securities of the Company. Furthermore, the rules of The Toronto Stock Exchange (the "TSX") require that any amendment to a stock option plan must be pre-cleared with the TSX and, if there is a proposal to increase the maximum number of shares issuable under the Amended Plan, then such proposal must

19

be approved by a majority of the votes cast, in person or by proxy, at the shareholders meeting. The American Stock Exchange has similar shareholder approval requirements. The rules of the TSX also require, in certain circumstances, shareholder approval by a majority of the votes cast other than respecting securities owned by insiders to whom shares may be issued under the stock option plan or their associates but, because of the limitations set out in Section 2.04 limits with respect to Insiders of the Amended Plan, insiders and their associates will be permitted to vote on the proposed resolution, provided the resolution is not amended to remove these limitations.

The text of the resolution to be submitted to the shareholders at the Meeting is set forth in Schedule D to this Information Circular.

In the event the proposed amendments to the Amended Plan, or a modified version thereof, are not approved by the requisite vote of shareholders, the proposed amendments to the Amended Plan will not be proceeded with.

The Amended Plan incorporating the proposed further amendments will be available for inspection at the Meeting. The Directors recommend that the members approve the proposed amendments to the Amended Plan.
