Canadian Superior Energy Inc. Announces That Participating Consideration Condition Under Its Amended Offer For Canada Southern Has Not Been Met

CALGARY, ALBERTA (CCNMatthews August 24, 2006) Canadian Superior Energy Inc. (Canadian Superior) (TSX:SNG) (AMEX:SNG) of Calgary, Alberta, Canada, announced today that the Participating Consideration condition under its amended offer to shareholders of Canada Southern Petroleum Ltd. (Canada Southern) (NASDAQ:CSPLF) (TSX:CSW) has not been met.

Pursuant to a Notice of Variation and Extension, dated August 8, 2006, Canadian Superior amended its offer to purchase all of the issued and outstanding common shares (including common shares which become outstanding upon exercise of options to acquire common shares) of Canada Southern, to provide that the amended offer was being made at a price per share of, at the election of each Canada Southern shareholder, either (a) Cdn.\$2.50 in cash, 2.0 common shares of Canadian Superior and one special exchangeable share of Canadian Superior (the Participating Consideration), or (b) Cdn.\$2.50 in cash and 2.75 common shares of Canadian Superior (the Original Consideration). Under the amended offer, it is a condition to the payment of the Participating Consideration that no other offeror takes up and pays for 50.1% or more of the outstanding common shares of Canada Southern prior to the expiration of Canadian Superior s amended offer.

On August 19, 2006, Canadian Oil Sands Trust announced that its wholly owned subsidiaries, Canadian Oil Sands Limited and 1212707 Alberta Ltd., had taken up 9.8 million common shares of Canada Southern validly deposited under Canadian Oil Sands Trust s offer. Canadian Oil Sands Trust announced that such shares represented approximately 65 percent of the outstanding common shares of Canada Southern. Since Canadian Oil Sands Trust has announced that it has taken up greater than 50.1% of the outstanding common shares of Canada Southern, the condition to payment of the Participating Consideration under Canadian Superior s amended offer has not been met and, pursuant to the terms of the amended offer, the Participating Consideration will therefore not be payable. Under Canadian Superior s amended offer, shareholders of Canada Southern that elect to receive the Participating Consideration are required to make a further election, to take effect if the conditions to payment of the Participating Consideration are not met, to (i) withdraw and require the return of their Canada Southern common shares or (ii) receive the Original Consideration. If no such election is made, such shareholders will be deemed to have elected to receive the Original Consideration.

Shareholders of Canada Southern may elect to receive the Original Consideration under the amended offer until 3:00 p.m. (Mountain Daylight Time) on September 7, 2006, unless the amended offer is further extended or withdrawn. Canadian Superior is a Calgary, Alberta, Canada based oil and gas exploration and production company with operations in Western Canada, offshore Trinidad and Tobago and offshore Nova Scotia.
