PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the board of directors (which we refer to in this Proxy Statement as the Board of Directors or the Board) of Bluefly, Inc., a Delaware corporation (which we refer to in this Proxy Statement as the Company, we, us or our), of proxies to be voted at the annual meeting of stockholders of the Company to be held at 9:00 a.m., local time, on May 19, 2011 at the Company's offices at 42 West 39th Street, 9th Floor, New York, New York 10018, and at any adjournment thereof. The purposes of the meeting are:

1. To elect three Class 2 directors of the Company to the Board of Directors to hold office until the 2014 annual meeting of stockholders.
2. To approve an amendment to the Amended and Restated Bluefly, Inc. 2005 Stock Incentive Plan (which we refer to in this Proxy Statement as the Plan) to modify the provisions related to awards granted to non-employee directors pursuant to the Plan (which we refer to in this Proxy Statement as the Plan Amendment).
3. To transact such other business as may properly come before the meeting.

If proxy cards in the accompanying form are properly executed and returned by a stockholder of record, the shares of the Company's Common Stock, \$.01 par value per share (which we refer to in this Proxy Statement as the Common Stock), held by such stockholder will be voted as instructed on the proxy card. If no instructions are given, such shares will be voted (i) for the election as Class 2 directors of the nominees of the Board of Directors named below; (ii) for the approval of the Plan Amendment and (iii) in the discretion of the proxies named in the proxy card on any other proposals to properly come before the meeting or any adjournment thereof. Any proxy may be revoked by a stockholder of record prior to its exercise upon written notice to the Secretary of the Company, or by the vote of such stockholder cast in person at the meeting. The approximate date of mailing of this Proxy Statement and accompanying form of proxy card is April 19, 2011.

VOTING

Holders of record of Common Stock as of the close of business on April 13, 2011 (which we refer to in this Proxy Statement as the Record Date), the record date for the solicitation of proxies pursuant to this Proxy Statement, will be entitled to vote at the meeting or any adjournment thereof. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the stockholders at the meeting. The holders of our Common Stock are not entitled to cumulative voting.

Holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum for the transaction of business. As of the Record Date, there were 24,609,692 shares of Common Stock outstanding, each entitled to one vote. The total number of votes entitled to be cast at the meeting is, therefore, 24,609,692 votes. Abstentions and so-called "broker non-votes" (instances in which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy) are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The favorable vote of a plurality of the votes cast by holders of shares of Common Stock, present in person or represented by proxy at the meeting, is necessary to elect the Class 2 directors of the Company. Effective January 1, 2010, a broker is no longer permitted to vote on a stockholder's behalf with respect to the election of directors unless the stockholder has provided specific voting instructions to the broker. For your vote to be counted, you now will need to communicate your voting instructions to your broker, bank or other financial institution before the date of the meeting. Withheld votes and broker non-votes will not be counted as votes cast with respect to, and therefore will have no effect on, the election of the Class 2 directors.

The favorable vote of holders of a majority of the shares of Common Stock, present in person or represented by proxy at the meeting, and entitled to vote is required for the approval of the Plan Amendment. Abstentions and broker non-votes will have the same effect as a vote against the approval of the Plan Amendment.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors currently consists of ten directors. Our amended and restated certificate of incorporation classifies the Board of Directors into three classes, each having a staggered term expiring at successive annual meetings. Three Class 2 directors are to be elected at the annual meeting to serve a three-year term expiring at the 2014 annual meeting of stockholders. The term of our Class 1 directors shall expire at the 2013 annual meeting of stockholders and the term of our Class 3 directors shall expire at the 2012 annual meeting of stockholders.

The Board of Directors has nominated the persons named in the table below for election as Class 2 directors. All such persons are presently directors of the Company, and each has consented to being named as a nominee for election as a Class 2 director and has agreed to serve if elected. Unless otherwise specified in the accompanying proxy, the shares voted pursuant to it will be voted for the persons named below as nominees for election as Class 2 directors. If, for any reason, at the time of the election, any of the nominees should be unable or unwilling to accept election, such proxy will be voted for the election, in such nominee's place, of a substitute nominee recommended by the Board of Directors to the extent that such substitute nominee exists. However, the Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director.

Also listed are the remaining seven directors whom will continue to serve their respective terms.

Pursuant to the Amended and Restated Voting Agreement (which we refer to in this Proxy Statement as the Voting Agreement) entered into by and among us, Rho Ventures VI, L.P. (which we refer to in this Proxy Statement as Rho), Quantum Industrial Partners LDC (which we refer to in this Proxy Statement as QIP), SFM Domestic Investments LLC (which we refer to in this Proxy Statement as SFM and, together with QIP, as the Soros Parties), Maverick Fund USA, Ltd. (which we refer to in this Proxy Statement as Maverick USA), Maverick Fund, L.D.C. (which we refer to in this Proxy Statement as Maverick Fund), and Maverick Fund II, Ltd. (which we refer to in this Proxy Statement as Maverick Fund II and, together with Maverick USA and Maverick Fund, as the Maverick Parties) and certain funds affiliated with Prentice Capital Management, L.P. (which we refer to in this Proxy Statement as Prentice), Rho and the Soros Parties each have the right to nominate an additional director to the Board but have not yet done so. If Rho and/or the Soros Parties nominate a second director to the Board pursuant to the Voting Agreement, such director would be appointed to serve as a Class 2 director of the Company.

CORPORATE GOVERNANCE

The Board reviewed the independence of each of our directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under applicable NASDAQ rules. As a result of this review, the Board affirmatively determined that each of our directors other than Ms. Payner is an “independent director” within the meaning of applicable NASDAQ rules.

During the fiscal year ended December 31, 2010, the Board met six times and acted by unanimous written consent three times. Each of the directors participated in 75% or more of the aggregate number of meetings and/or written consents of the Board and committee(s) on which he or she served during the 2010 fiscal year, except for Mr. Russell who was recently appointed to the Board. The Company does not have a policy with regard to the attendance by directors at our annual meeting of stockholders. Ms. Payner and Mr. Wassong attended last year’s annual meeting of stockholders.

The Board has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is comprised of Anthony Plesner, Michael Helfand and Martin Miller. Mr. Plesner acts as Chairman of the Audit Committee. The Audit Committee is responsible for the appointment of the Company’s independent registered public accountants, examining the results of audits, reviewing internal accounting controls and reviewing related party transactions. The duties of the Audit Committee are fully set forth in the charter adopted by that committee, a copy of which is available on our website at www.bluefly.com. The Board has determined that Mr. Plesner is an “audit committee financial expert,” as defined by Item 407(d)(5) of Regulation S-K of the Exchange Act, and that each member of the Audit Committee is “independent,” as required by the Exchange Act and applicable NASDAQ rules. The Audit Committee met four times and did not act by unanimous written consent during fiscal 2010.

The Board has established a Compensation Committee. The Compensation Committee has four members, consisting of Mario Ciampi, David Janke, Habib Kairouz and David Wassong, and met five times and acted by unanimous written consent two times in fiscal 2010. The Compensation Committee is comprised solely of non-employee directors, all of whom the Board has determined are “independent” in accordance with applicable NASDAQ rules. The Compensation Committee does not have a written charter.

The Compensation Committee’s responsibilities include, among other duties, the responsibility to:

- establish the base salary, incentive compensation and any other compensation for the officers of the Company;
- monitor the Company’s management incentive and stock based compensation, retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and
- perform other functions or duties deemed appropriate by the Board.

The agenda for meetings of the Compensation Committee is determined by its Chairman. The Compensation Committee reports directly to the Board. The Compensation Committee has the authority to engage and from time to time has engaged independent consultants to advise on particular aspects of compensation. The Compensation Committee has authority to retain, terminate and approve fees for advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when

rendering advice to the Compensation Committee. In determining the compensation levels of the Company's executive officers, the Compensation Committee considers proposals from the Company's Chief Executive Officer with respect to the appropriate levels of bonus and equity compensation for the Company's executive officers (other than the Chief Executive Officer).

The Board has also established a Nominating Committee, consisting of David Wassong and Anthony Plesner. The purposes of the Nominating Committee are to assist the Board by identifying individuals qualified to become directors, setting criteria for, and evaluating, director candidates, and recommending to the Board the director nominees for election at the annual meetings of stockholders or for appointments to fill vacancies; recommend to the Board nominees for each committee of the Board; advise the Board about the appropriate composition of the Board and its committees; advise the Board about and recommend to the Board appropriate corporate governance practices and assist the Board in implementing those practices; lead the Board in its annual review of the performance of the Board and its committees; and perform such other functions as the Board may assign to it from time to time. The Nominating Committee utilized the services of Russell Reynolds Associates, a paid third-party search firm, to identify Denise Seegal as a suitable director candidate. The duties of the Nominating Committee are fully set forth in the charter adopted by that

committee, a copy of which is available on our website at www.bluefly.com. The Nominating Committee met two times and did not act by unanimous written consent during fiscal 2010.

The Nominating Committee will consider many factors when evaluating candidates for the nomination to the Board, with the goal of fostering a Board comprised of directors with a variety of experience and backgrounds. While the Nominating Committee does not have a formal policy with respect to diversity, the Board and the Nominating Committee believe that it is essential that Board members represent diverse backgrounds and experience. Important factors that will be considered as part of the Nominating Committee's evaluation include (without limitation) skill, specialized expertise, experience, business acumen and an understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity and sufficient time to devote to Company matters.

The Nominating Committee will consider persons recommended by stockholders as candidates for nomination as a director. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board, must comply with applicable law.

Communication by stockholders may be made to any or all of the members of the Board by writing directly to them c/o Bluefly, Inc., 42 West 39th Street, New York, New York 10018. All such communications will be relayed to the appropriate members of the Board.

We have adopted a Code of Ethics applicable to all directors, officers and employees which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K, and we maintain procedures for the confidential, anonymous submission by employees of complaints regarding our accounting, internal accounting controls, auditing matters and other issues. A copy of our code of ethics is available on our website at www.bluefly.com. Any amendment to or waiver of a provision of the code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions and relates to elements of the code specified in the rules of the SEC will be posted on our website.

Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board of Directors, provide presentations on operations including significant risks, and are available to address any questions or concerns raised by the Board of Directors. Additionally, our three Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Pursuant to its charter, the Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. Management regularly reports to the Audit Committee on these areas. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our directors and corporate governance. When any of the Committees receives a report related to material risk oversight, the Chairman of the relevant committee reports on the discussion to the full

Board of Directors.

As noted above, our Board is currently comprised of nine independent non-employee directors and one employee director who is the Company's Chief Executive Officer. The Company divides the leadership role between an independent Chairman of the Board and the Chief Executive Officer. Mr. Wassong has served as interim Chairman of the Board since February 2007. We believe that the number of independent, experienced directors that make up our Board, along with the oversight of our Chairman, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for us because it demonstrates to our employees, suppliers, customers and other stakeholders that the Company is under strong leadership, with the Chairman maintaining an effective working relationship with management and other Board members and the Chief Executive Officer. We believe that the Company, like many U.S. companies, has been well-served by this leadership structure.

The Chairman has the responsibility to: (1) coordinate with the Chief Executive Officer in establishing the agenda for the annual meeting of stockholders as well as the agenda for Board meetings; (2) provide management with direction and input regarding Board priorities, mandates and suggestions; and (3) perform such other functions as the directors may designate from time to time.

Our Chief Executive Officer has authority regarding day to day operations of the Company, oversight over all other officers of the Company and responsibility for executing strategies approved by the Board. The Chief Executive Officer reports to the Chairman and to the Board.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

Employment Agreements

Melissa Payner-Gregor

On November 14, 2006, we entered into a 36 month employment agreement (which we refer to in this Proxy Statement as the Payner Agreement) with Melissa Payner-Gregor providing for her continued service as our Chief Executive Officer and a member of our Board. The Payner Agreement was effective as of July 1, 2006 and replaced Ms. Payner's prior employment agreement, which would have expired on March 1, 2007. Upon expiration of the initial term on July 1, 2009, the agreement, by its terms, automatically renewed for a one year term to July 1, 2010. On April 27, 2010, we amended the Payner Agreement to extend the term through December 31, 2012 and to effect certain other changes in compensation, as described below. At the end of the term, the agreement automatically extends for an additional one year term unless we provide Ms. Payner with written notice of non-renewal at least 90 days prior to the end of the then-current term (including any one year renewal term).

Under the Payner Agreement, as amended, Ms. Payner is entitled to an annual base salary of \$500,000, subject to increases in the sole discretion of the Compensation Committee, as well as annual cost of living adjustments based on adjustments to the United States Consumer Price Index, beginning on January 1, 2011. She is also eligible to receive an annual performance bonus based upon the achievement of one or more targets to be set for each fiscal year by the Compensation Committee in its sole discretion, and subject to pro rata adjustment for underachievement or overachievement of the targets within limits determined by the Compensation Committee in its sole discretion, provided that such bonus shall not be in limitation of additional discretionary bonuses.

If Ms. Payner's employment is terminated without cause (as defined in the Payner Agreement) or as a result of a constructive termination (as defined in the Payner Agreement), all equity benefits previously granted, including stock options, restricted stock awards and deferred stock unit awards shall be deemed fully vested as of the date of termination, and she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for a period of 12 months from the date of termination and the reimbursement of the cost of maintaining (or the Company shall maintain) in effect the medical and dental insurance, disability and hospitalization plans, and life insurance policies in which Ms. Payner participates for a period of one-year from the date of termination.

In the event of a change of control (as defined in the Payner Agreement) any unvested restricted stock awards and one-half of any unvested stock options and/or deferred stock unit awards granted to Ms. Payner which are outstanding as of the date of the change of control and have not yet vested (which we refer to in this Proxy Statement as the Payner COC Unvested Options and/or DSUs) shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Payner COC Unvested Options and/or DSUs shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control. In the event that Ms. Payner would be subject to tax under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), the payments to her under the Payner Agreement will be reduced to the maximum amount that she could receive without being subject to such tax.

The Payner Agreement provides Ms. Payner with a monthly housing allowance of \$4,000 and an annual allowance of approximately \$27,500 for life insurance and supplemental disability insurance. Ms. Payner is subject to certain covenants under the Payner Agreement, including a non-competition covenant covering the term of her employment and an additional period of 18 months thereafter.

Kara B. Jenny

On March 19, 2008, we entered into an amended and restated employment agreement (which we refer to in this Proxy Statement as the Jenny Agreement) with Kara Jenny providing for her service as our Chief Financial Officer. The Jenny Agreement amends and restates the earlier employment agreement between us and Ms. Jenny, which covered her service as our Vice President of Finance and was set to expire in June 2008. On April 27, 2010, we amended the Jenny Agreement to extend the term through December 31, 2012 and to effect certain other changes in compensation, as described below. At the end of the term, the agreement automatically extends for an additional one year term unless we provide Ms. Jenny with written notice of non-renewal at least 90 days prior to the end of the then-current term (including any one year renewal terms).

Pursuant to the Jenny Agreement, as amended, Ms. Jenny is entitled to an annual base salary of \$300,000, subject to increases in the sole discretion of the Compensation Committee. She is also eligible to receive an annual performance bonus in an amount determined by the Compensation Committee in its sole discretion. During the term of the Jenny Agreement, Ms. Jenny shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to our other senior executive officers; additionally, we shall provide Ms. Jenny with an annual allowance of \$10,000 for the purchase of life insurance and disability insurance.

Pursuant to the Jenny Agreement, if Ms. Jenny's employment is terminated without cause (as defined in the Jenny Agreement) or as a result of a constructive termination (as defined in the Jenny Agreement), she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for 180 days from the date of termination. In addition, if Ms. Jenny's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect any of our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Ms. Jenny participates as of the date of such termination for one year from the date of termination.

In the event of a change of control (as defined in the Jenny Agreement) any unvested stock options granted to Ms. Jenny which are outstanding as of the date of the change of control and have not yet vested (which we refer to in this Proxy Statement as the Jenny COC Unvested Options) shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Jenny COC Unvested Options shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control. In the event that Ms. Jenny would be subject to tax under Section 4999 of the Code, the payments to her under the Jenny Agreement will be reduced to the maximum amount that she could receive without being subject to such tax. Ms. Jenny is subject to certain covenants under the Jenny Agreement, including a non-competition and non-solicitation covenant covering the term of her employment and an additional period of two years thereafter.

Bradford Matson

On August 31, 2009, we entered into an employment agreement (which we refer to in this Proxy Statement as the Matson Agreement) with Bradford Matson providing for his service as our Chief Marketing Officer. The Matson Agreement has a term ending on September 30, 2012.

Pursuant to the Matson Agreement, Mr. Matson is entitled to an annual base salary of \$350,000, subject to increases in the sole discretion of the Compensation Committee. Mr. Matson is eligible to receive an annual performance bonus in an amount determined by the Compensation Committee in its sole discretion. During the term of the Matson Agreement, Mr. Matson shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to other senior executive officers of the Company. The Matson Agreement provided for a one-time grant to Mr. Matson of incentive stock options under the Company's 2005 Stock

Incentive Plan to purchase 10,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Such options vest in 36 equal monthly installments, subject to accelerated vesting in the event that his employment is terminated without cause or as a result of a constructive termination (as each such term is defined in the Matson Agreement).

Pursuant to the Matson Agreement, if Mr. Matson's employment is terminated without cause (as defined in the Matson Agreement) or as a result of a constructive termination (as defined in the Matson Agreement), he would be entitled to receive his base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as his then-current base salary for 180 days from the date of termination. In addition, if Mr. Matson's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Mr. Matson participates as of the date of such termination for one year from the date of termination.

In the event that Mr. Matson would be subject to tax under Section 4999 of the Code, the payments to him under the Matson Agreement will be reduced to the maximum amount that he could receive without being subject to such tax. Mr. Matson is subject to certain covenants under the Matson Agreement, including a non-competition and non-solicitation covenant covering the term of his employment and an additional period of two years thereafter.

David Wassong(5)	—	3,375	—	3,375

(1) Ms. Payner is not included in the table as she is included as a Named Executive Officer in the Summary Compensation Table. Ms. Payner receives no additional compensation for her service as a director of the Company. Mr. Russell is also not included in the table as he was recently appointed to the Board in 2011.

(2) Represents the grant date fair value of the following Restricted Stock Awards recognized for financial statement reporting purposes with respect to the fiscal year that was outstanding as of December 31, 2010, all of which vested in full in February 2011 and were issued pursuant to the terms of the 2005 Stock Incentive Plan: 750 shares of Restricted Stock issued to Mr. Ciampi; 750 shares of Restricted Stock issued to Mr. Helfand; 750 shares of Restricted Stock issued to Mr. Janke; 1,875 shares of Restricted Stock issued to Mr. Kairouz; 750 shares of Restricted Stock issued to Mr. Miller; 937 shares of Restricted Stock issued to Mr. Plesner; and 1,500 shares of Restricted Stock issued to Mr. Wassong.

(3) Represents the grant date fair value, with value determined for options based upon the Black Scholes method of valuation, of 54,348 shares of Common Stock issuable upon the exercise of stock options awarded to Ms. Seegal, upon joining the board, recognized for financial statement reporting purposes with respect to the fiscal year in which it was issued pursuant to the modified terms of the 2005 Stock Incentive Plan, subject to stockholder approval as discussed in Proposal No. 2. The fair value of the stock options will likely vary from the actual value the holder receives because the actual value depends on the number of options exercised and the market price of our Common Stock on the date of exercise. For a discussion of the assumptions made in the valuation of the stock options awarded, see the Notes to Financial statements, included in our annual report on Form 10-K for the year ended December 31, 2010.

(4) Ms. Jackson resigned from the Board in January 2010.

(5)

As of December 31, 2010, the total aggregate number of stock option awards outstanding for Mr. Miller, Ms. Seegal and Mr. Wassong, which were the only directors that held stock option awards as of such date, were 3,125, 54,348 and 3,500, respectively.

(6) Ms. Seegal was appointed to the Board in November 2010.

In connection with the modification to the provisions related to awards granted to non-employee directors described further below, beginning in 2011, each independent, outside non-employee directors (other than Messrs. Ciampi, Janke, Kairouz and Wassong who are designated under the Voting Agreement) will be paid an annual cash retainer of \$15,000 per year, with an additional annual cash retainer of \$10,000 and \$5,000 in the case of the Audit Committee Chairman and the Chair of any other committee, respectively, at the first regularly scheduled Board meeting of each fiscal year, and cash per meeting fees (for in person meetings) of \$1,500.

Under the existing terms of the 2005 Stock Incentive Plan, each non-employee director (including Messrs. Ciampi, Janke, Kairouz and Wassong) would typically receive a one-time grant of 1,125 shares of Restricted Stock (1,875 shares in the case of the Chairman of the Board and 1,500 shares in the case of the Chairman of the Audit Committee) at the time of the first regularly scheduled Board meeting after such director is appointed to the Board and an annual restricted stock grant of 750 shares of Restricted Stock (1,500 shares in the case of the Chairman of the Board and 937 shares in the case of the Chairman of the Audit Committee) at the first regularly scheduled Board meeting of each fiscal year (even if such director is receiving a restricted stock grant in connection with his or her appointment at such meeting). All such restricted stock grants vest on the one year anniversary of the date of grant.

In November 2010, in order to provide compensation to directors designed to attract and retain high quality directors, the Compensation Committee approved a modification of the existing director compensation program for nonemployee directors. As part of the modification, the Compensation Committee determined that the Plan Amendment should be put in place, subject to stockholder approval, to remove the formula equity grants to nonemployee directors described above, and instead provide the Compensation Committee with the flexibility to determine equity grants to nonemployee directors in their discretion, without further amendments to the Plan. At that time, the Compensation Committee determined that, until further amended, the equity compensation program for nonemployee directors should provide for a \$100,000 equity grant for new directors who join the board and annual grants of \$25,000 for all directors, at the first regularly scheduled board meeting following the annual meeting of each fiscal year. All equity grants shall be made under the Plan and shall be either in the form of restricted stock or stock options (with value determined for options based upon the Black Sholes method of valuation), as elected by the director. All equity awards for joining the board shall vest in three equal annual installments commencing with the first anniversary of such grant. All annual grants shall vest on the first anniversary of the date of grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us during or with respect to fiscal 2010, or written representations that no Forms 5 were required, we believe that during the fiscal year ended December 31, 2010 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

PROPOSAL NO. 2

APPROVAL OF THE PLAN AMENDMENT

On November 5, 2010, the Compensation Committee of the Board of Directors approved the Plan Amendment, an amendment to the Plan, subject to stockholder approval, to remove the formula equity grants to nonemployee directors described above, and instead provide the Compensation Committee with the flexibility to determine equity grants to nonemployee directors in their discretion, without further amendments to the Plan. In connection with its approval of the Plan Amendment, the Compensation Committee also approved the equity compensation policy for nonemployee directors that is currently in place, which is described in detail under the heading “Director Compensation – Year Ended December 31, 2010.”

The Company currently has 30 officers and key employees and four non-employee directors participating in the Plan. As of April 13, 2011, awards with respect to 2,057,566 shares of Common Stock had been granted and remain outstanding under the Plan, and Options to purchase 440,377 shares of Common Stock under the Plan had been exercised resulting in 2,408,619 shares remaining available for future issuance under the Plan.

The Board of Directors recommended that the Plan Amendment be presented to the Company’s stockholders for approval. The Board of Directors adopted the Plan Amendment to allow future grants under the Plan necessary for the Company to remain competitive in its recruiting efforts and for the Company to retain existing executives and other key employees and directors.

If the stockholders fail to approve the Plan Amendment, the Company would likely be severely constrained in its ability to attract and retain high quality directors, and in motivating and retaining skilled directors necessary for the Company’s success.

A copy of the Amendment No. 3 to the Amended and Restated 2005 Stock Incentive Plan, to take effect if the Plan Amendment is approved, is attached hereto as Annex A.

Summary of the Plan

The following is a summary of the material provisions of the Amended and Restated 2005 Stock Incentive Plan.

Administration; Eligibility; Shares Available for Issuance; Limitations on Issuance. The Plan is administered by the Compensation Committee. The Compensation Committee is authorized from time to time to select and to grant awards under the Plan to such key employees, non-employee directors, contractors and consultants of the Company and its subsidiaries as the Compensation Committee, in its discretion, selects. The Compensation Committee is authorized to delegate any of its authority under the Plan (including the authority to grant awards) to such executive officers of the Company as it thinks appropriate and is permitted by Rule 16b-3 of the Exchange Act and Section 162(m) of the Code.

Shares granted under the Plan will be made available from unissued Common Stock or from Common Stock held in treasury. The aggregate number of shares of Common Stock presently authorized for issuance under the Plan is equal to 4,017,495 shares of Common Stock, plus any shares that became available after February 17, 2005 under the Prior Plans as a result of awards that lapsed or were terminated. The Plan, as currently in effect, also imposes the following limitations on awards issued under the Plan: (i) the maximum number of shares of Common Stock that may be granted as awards granted to any participant in any fiscal year shall not exceed 5,000,000 shares; (ii) the maximum amount of cash or cash payments that may be granted as awards in any fiscal year shall not exceed \$2,000,000; and (iii) the maximum number of dividend rights that may be granted as awards to any participant in any fiscal year shall

not exceed dividend rights with respect to 2,000,000 shares. The shares of Common Stock subject to the Plan and each limit are subject to adjustment in the event of certain changes of capitalization as set forth in Section 8(a) of the Plan.

Options. The Plan authorizes the Compensation Committee to grant to participants options to purchase Common Stock, which may be in the form of a non-statutory stock option or, if granted to an employee, in the form of an Incentive Stock Option (which we refer to in this Proxy Statement as an ISO). The terms of all ISOs issued under the Plan will comply with the requirements of Section 422 of the Code. The exercise price of options granted under the Plan may not be less than 100% of the fair market value of the Common Stock at the time the option is granted. The Compensation Committee will determine the time an option may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable, method of delivery and whether a stock appreciation right will be granted in tandem with other awards.

Stock Appreciation Rights. The Plan authorizes the Compensation Committee to grant to participants stock appreciation rights. A stock appreciation right entitles the grantee to receive upon exercise, the excess of (a) the fair market value of a specified

number of shares of Common Stock at the time of exercise over (b) the fair market value of the Common Stock at the time the stock appreciation right was granted. The Compensation Committee will determine the time a stock appreciation right may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable, method of delivery and whether a stock appreciation right will be granted in tandem with other awards.

Deferred Stock Units. The Plan authorizes the Compensation Committee to grant to participants deferred stock units. A deferred stock unit is an award that entitles a participant to elect, at the discretion of the Compensation Committee, to defer receipt of all or a portion of a bonus, or a stock-based award or cash payment made pursuant to the Plan. No Common Stock will be issued at the time a deferred stock unit is granted. Rather, the Company will establish an account for the participant and will record in such account the number of deferred stock units granted to such participant (which units will be valued initially based upon the then-fair market value of the Common Stock). The Compensation Committee will also determine whether and to what extent to credit to the account of, or to pay currently to, each recipient of a deferred stock unit, an amount equal to any dividends paid by the Company during the period of deferral with respect to the corresponding number of shares of Common Stock.

Restricted Stock. The Plan authorizes the Compensation Committee to grant to participants restricted Common Stock with such restriction periods, restrictions on transferability, and performance goals as the Compensation Committee may designate at the time of grant. Restricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered during the restriction period. Other than the restrictions on transfer, a participant will have all the rights of a holder of the shares of Common Stock, representing the restricted stock, including the rights to all distributions (including regular cash dividends) made or declared with respect to the restricted stock. If any such dividends are distributed in stock, the stock will be subject to restrictions and a risk of forfeiture to the same extent as the restricted stock with respect to which the stock has been distributed. Restricted stock will be forfeitable to the Company upon a participant's termination of employment during the applicable restricted period. The Compensation Committee, in its discretion, may accelerate the time at which restrictions or forfeiture conditions will lapse, or may remove any performance goal requirement upon the death, disability, or retirement of a participant.

Cash Payments. The Plan authorizes the Compensation Committee, subject to limitations under applicable law, to grant cash payments to participants. These may be granted separately or as a supplement to any stock-based award.

Dividend Rights. The Plan authorizes the Compensation Committee to grant dividend rights to participants, which rights entitle a participant to receive the dividends on Common Stock to which the participant would be entitled if the participant owned the number of shares of Common Stock represented by the dividend rights. Dividend rights may be granted separately or in tandem with any other awards. If a dividend right is granted in tandem with another award, it will lapse, expire or be forfeited simultaneously with the lapse, expiration or forfeiture of the tandem award. If the dividend right is granted separately, it will lapse, expire or be forfeited as the Compensation Committee determines.

Other Stock-Based Awards. To permit the Compensation Committee the flexibility to respond to future changes in compensation arrangements, the Plan authorizes the Compensation Committee, subject to limitations under applicable law, to grant to participants such other stock-based awards as deemed by the Compensation Committee to be consistent with the purposes of the Plan. The Compensation Committee may determine the terms and conditions of such stock-based awards.

Loans. Subject at all times to laws and regulations and other binding obligations or provisions applicable to the Company, including but not limited to the Sarbanes-Oxley Act of 2002, the Plan authorizes the Compensation Committee, on behalf of the Company, to make, guarantee or arrange for a loan or loans to participants with respect to the exercise of any option or other payment in connection with any award, including the payment by a participant of any or all federal, state or local income or other taxes due in connection with any award. The terms and conditions of

each loan, including the interest rates, maturity date and whether the loan will be secured or unsecured will be established by the Compensation Committee.

Terms of Awards. The term of each award will be determined by the Compensation Committee at the time each award is granted, provided that the terms of options, stock appreciation rights and dividend rights may not exceed ten years. Awards granted under the Plan generally will not be transferable, except by will and the laws of descent and distribution. However, the Compensation Committee may grant awards to participants (other than ISOs) that may be transferable without consideration to immediate family members (i.e., children, grandchildren or spouse), to trusts for the benefit of such immediate family members and to partnerships in which such family members are the only partners.

Award Agreements. All awards granted under the Plan will be evidenced by a written agreement that may include such additional terms and conditions not inconsistent with the Plan as the Compensation Committee may specify. Award agreements are not required to contain uniform terms or provisions.

Term of the Plan; Amendment and Adjustment. No awards may be granted under the Plan after February 16, 2015. The Plan may be terminated by the Board of Directors at any time, but the termination of the Plan will not adversely affect awards that have

previously been granted. In addition, the Board of Directors may amend, alter, suspend, discontinue or terminate the Plan or the Compensation Committee's authority to grant awards under the Plan without the consent of the Company's stockholders or participants, except that any such amendment, alteration, suspension, discontinuation or termination shall be subject to the approval of the Company's stockholders within one year after such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Common Stock may then be listed or quoted.

Federal Income Tax Consequences

The following discussion is intended to provide only a general outline of the federal income tax consequences of participation in the Plan and the receipt of equity awards or payments thereunder to participants subject to U.S. income taxes. It does not address any other taxes imposed by the United States, taxes imposed by any state or political subdivision thereof or foreign jurisdiction, or the tax consequences applicable to participants who are not subject to U.S. income taxes. As a consequence, the discussion does not purport to be a complete analysis of all potential tax consequences relevant to participants and the Company, and is based on federal income tax law and interpretational authorities as of the date of this Proxy Statement, which are subject to change at any time.

Options. The grant of an option to purchase Common Stock will have no tax consequences for the participant or the Company. A participant will have no taxable income upon exercise of an ISO, except that the alternative minimum tax may apply. Upon the exercise of a non-statutory stock option, a participant generally must recognize ordinary income equal to the fair market value of the Common Stock acquired upon exercise of the option minus the exercise price.

Gain realized upon a disposition of the Common Stock acquired pursuant to the exercise of an ISO will be taxed as long-term capital gain if the participant holds the shares of Common Stock for at least two years after the date the ISO was granted and for one year after the date of the ISO was exercised. Upon a disposition of Common Stock acquired by exercise of an ISO before the end of the applicable ISO holding periods, the participant generally must recognize ordinary income equal to the lesser of (1) the fair market value of the Common Stock at the date of exercise of the ISO minus the exercise price or (2) the amount realized upon the disposition of the Common Stock acquired upon exercise of the ISO minus the exercise price.

The Company will not be entitled to any tax deduction with respect to an ISO if the participant holds the Common Stock acquired pursuant to the exercise of the ISO for the ISO holding periods.

Stock Appreciation Rights. As with an option, the grant of a stock appreciation right will have no tax consequences for the participant or the Company. Upon exercise of a stock appreciation right, a participant generally must recognize ordinary income equal to the fair market value of the Common Stock acquired over the grant price of the stock appreciation right at the time the stock appreciation right was granted.

Deferred Stock Units. A participant who is granted a deferred stock unit will not recognize any compensation income upon the grant or the vesting of the deferred stock unit, although if the deferred stock unit vests prior to delivery of such award, the deferred stock unit will be subject to employment tax, but not federal income tax, on the applicable vesting dates. The participant will recognize ordinary income equal to the amount of cash and the fair market value of the Common Stock delivered to the participant in settlement of the deferred stock units.

Restricted Stock. A participant normally will not recognize taxable income and the Company will not be entitled to a deduction upon the grant of restricted Common Stock. When the Common Stock vests, the participant will recognize ordinary income in an amount equal to the fair market value of the Common Stock that vests at that time less the

amount, if any, paid for the Common Stock. However, a participant may elect to recognize ordinary income in the year the Common Stock is granted in an amount equal to the excess of the fair market value of the Common Stock at the grant date, determined without regard to certain restrictions, over the amount, if any, paid for the Common Stock. Any gain or loss recognized by the participant upon the subsequent disposition of the Common Stock will be taxed as short-term or long-term capital gain but will not result in any further deduction for the Company.

Cash and Dividend Payments. A participant will recognize ordinary income upon receipt of any cash pursuant to any award, including as a dividend right.

Generally, and except as noted above with respect to ISOs, the Company should be able to claim an income tax deduction at the time the participant recognizes the income attributable to an award in an amount equal to the income recognized by the participant, subject to Section 162(m) of the Code applicable to awards payable to covered employees and awards which vest or become payable to a participant who is a “disqualified individual” and that constitute an “excess parachute payment” within the meaning of Section 280G of the Code by reason of a change of control.

The following is a summary of the material provisions of the Bluefly, Inc. 2000 Stock Option Plan (the “2000 Plan”), our only equity compensation plan that has not been approved by our stockholders.

Eligibility. Key employees of the Company who are not officers or directors of the Company and its affiliates and consultants to the Company are eligible to be granted options.

Administration of the 2000 Plan. The Option Plan/Compensation Committee administers the 2000 Plan. The Option Plan/Compensation Committee has the full power and authority, subject to the provisions of the 2000 Plan, to designate participants, grant options and determine the terms of all options. The 2000 Plan provides that no participant may be granted options to purchase more than 1,000,000 shares of Common Stock in a fiscal year. The Option Plan/Compensation Committee is required to make adjustments with respect to options granted under the 2000 Plan in order to prevent dilution or expansion of the rights of any holder. The 2000 Plan requires that the Option Plan/Compensation Committee be composed of at least two directors.

Amendment. The 2000 Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board of Directors, but no amendment without the approval of our stockholders shall be made if stockholder approval would be required under any law or rule of any governmental authority, stock exchange or other self-regulatory organization to which we are subject. Neither the amendment, suspension or termination of the 2000 Plan shall, without the consent of the holder of an option under the 2000 Plan, alter or impair

any rights or obligations under any option theretofore granted.

Options Issued Under 2000 Plan. The Option Plan/Compensation Committee determines the term and exercise price of each option under the 2000 Plan and the time or times at which such option may be exercised in whole or in part, and the method or methods by which, and the form or forms in which, payment of the exercise price may be paid.

Upon the exercise of an option under the 2000 Plan, the option holder shall pay us the exercise price plus the amount of the required federal and state withholding taxes, if any. The 2000 Plan also allows participants to elect to have shares withheld upon exercise for the payment of withholding taxes.

The unexercised portion of any option granted to a key employee under the 2000 Plan generally will be terminated (i) 30 days after the date on which the optionee's employment is terminated for any reason other than (a) Cause (as defined in the 2000 Plan), (b) retirement or mental or physical disability, or (c) death; (ii) immediately upon the termination of the optionee's employment for Cause;

(iii) three months after the date on which the optionee's employment is terminated by reason of retirement or mental or physical disability; or (iv) (A) 12 months after the date on which the optionee's employment is terminated by reason of his death or (B) three months after the date on which the optionee shall die if such death occurs during the three-month period following the termination of the optionee's employment by reason of retirement or mental or physical disability. The Option Plan/Compensation Committee has in the past, and may in the future, extend the period of time during which an optionee may exercise options following the termination of his or her employment.

Under the 2000 Plan, an option generally may not be transferred by the optionee other than by will or by the laws of descent and distribution. During the lifetime of an optionee, an option under the 2000 Plan may be exercised only by the optionee or, in certain instances, by the optionee's guardian or legal representative, if any.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE PLAN AMENDMENT.

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The equity compensation to be granted to each of our non-employee directors (i.e., all directors other than Ms. Payner) is affected by the Plan Amendment. Therefore, each of these directors has an interest in the approval of the Plan Amendment.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Person Transactions

Our Code of Ethics and Standards of Business Conduct applies to all directors and employees (including our named executive officers). Under the Code of Ethics and Standards of Business Conduct, all employees are required to take all reasonable efforts to identify actual or potential conflicts of interest between Company interests and their personal or professional relationships and to bring such conflicts to the attention of our counsel. Members of the Board who have any personal interest in a transaction upon which the Board passes are required to disclose such interest to the other directors and to recuse themselves from participation in any decision in which there is a conflict between their personal interests and our interests.

Our Audit Committee reviews any related party transaction and transactions involving conflicts of interest with officers and directors whenever possible in advance of the creation of such transaction or conflict, unless either the Compensation Committee or a another committee of the Board, consisting of independent directors has previously reviewed such transaction.

Related Person Transactions

We are not aware of any transactions since the beginning of our last fiscal year or any proposed transactions in which the Company was or is a party, in which the amount involved exceeded \$120,000 and in which a director, director nominee, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has selected WeiserMazars LLP (which we refer to in this Proxy Statement as WeiserMazars) as the independent registered public accounting firm for the fiscal year ending December 31, 2011. The Company's financial statements for the 2010 fiscal year were audited by WeiserMazars.

A representative from WeiserMazars will be present at the meeting, will be provided the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

Changes In Certifying Accountant

Previous Independent Registered Public Accounting Firm

On June 3, 2009, the Company dismissed PricewaterhouseCoopers LLP (which we refer to in this Proxy Statement as PwC) as the Company's independent registered public accounting firm. The Audit Committee approved the dismissal of PwC on that date.

During the years ended December 31, 2008 and 2007 and through June 3, 2009, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused them to make reference thereto in their reports on the financial statements for such years.

In addition, for the years ended December 31, 2008 and 2007, the reports of PwC on the Company's financial statements did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principle. There were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) for the years ended December 31, 2008 and 2007 and through June 3, 2009.

The Company requested that PwC furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements under the caption "Previous Independent Registered Public Accounting Firm." PwC furnished such a letter, dated June 16, 2009, a copy of which was filed as Exhibit 16.1 to the Company's Form 8-K/A filed on June 16, 2009.

New Independent Registered Public Accounting Firm

On June 3, 2009, the Audit Committee approved the appointment of WeiserMazars as the Company's independent registered public accounting firm for the year ended December 31, 2009 and WeiserMazars was subsequently engaged as the Company's independent registered public accounting firm on June 4, 2009.

During the years ended December 31, 2008 and 2007 and through June 4, 2009, neither the Company nor anyone on its behalf has consulted with WeiserMazars with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that WeiserMazars concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

Audit Fees

The aggregate fees billed for professional services rendered by WeiserMazars for the audit of the Company's annual financial statements, including the reviews of the Company's unaudited interim financial information included in its quarterly reports on Form 10-Q, for fiscal 2010 and 2009 was approximately \$247,000 and \$261,000, respectively.

Audit Related Fees

WeiserMazars did not bill the Company for professional services for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements during fiscal 2010 and 2009.

Tax Fees

The aggregate fees billed for professional services rendered to the Company during fiscal 2010 and 2009 by WeiserMazars for tax compliance, tax advice or tax planning was approximately \$1,000 and \$21,000, respectively.

Fees for tax services consist of tax return preparation services.

Other Fees

WeiserMazars did not bill the Company for any other professional services rendered during fiscal 2010 and 2009 other than those described above.

Audit Committee Pre-Approval Policies

The Company's policy is that, before WeiserMazars is engaged by the Company to render audit or non-audit services, the engagement is approved by the Audit Committee.

OTHER BUSINESS

The Board of Directors currently knows of no other matters to be presented at the meeting. However, if any other matters properly come before the meeting, or any adjournment thereof, it is intended that proxies in the accompanying form will be voted in accordance with the judgment of the persons named therein.

STOCKHOLDER PROPOSALS

Stockholders who, in accordance with SEC Rule 14a-8, wish to present proposals for the inclusion in the proxy materials to be distributed in connection with next year's annual meeting must submit their proposals so that they are received at our principal executive offices not later than the close of business on December 21, 2011 and must otherwise comply with the rules of the SEC for inclusion in the proxy materials.

The Company's bylaws provide that a stockholder who wishes to present a proposal for stockholder vote at the Company's next annual meeting (other than a matter brought pursuant to SEC Rule 14a-8) must give written notice to the Secretary of the Company not less than 90 days nor more than 120 days prior to the date that is one year from the date of this annual meeting. Accordingly, any such proposal must be received by the Secretary of the Company not later than February 19, 2012 and no earlier than January 20, 2012. The cost of soliciting proxies in the accompanying form has been or will be borne by the Company. Directors, officers and employees of the Company may solicit proxies personally or by telephone or other means of communications. Although there is no formal agreement to do so, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals, and the Company may reimburse them for any attendant expenses.

MISCELLANEOUS

We undertake to deliver promptly upon request a separate copy of this Proxy Statement to any stockholder at a shared address to which a single copy of this Proxy Statement was delivered and provide instructions as to how the stockholder can notify us that the stockholder wishes to receive a separate copy of this Proxy Statement or other communications to the stockholder in the future. In the event a stockholder desires to provide us with such a request, it may be given verbally by telephoning our offices at (212) 944-8000 or by mail to our address at 42 West 39th Street, New York, NY 10018, Attn: Corporate Secretary.
