PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD OCTOBER 31, 2002

GENERAL INFORMATION

GENERAL

The Board of Directors of The First Philippine Fund Inc. (the "Fund") solicits the proxies of the holders of the Fund's common stock for use at the Annual Meeting of Stockholders of the Fund (the "Annual Meeting") to be held at the offices of Clemente Capital, Inc., 152 West 57th Street, New York, New York 10019, on Thursday, October 31, 2002 at 9:30 A.M., New York time, and at any adjournments thereof. This Proxy Statement and the form of proxy enclosed herewith were first mailed to stockholders on or about October 1, 2002.

The cost of soliciting the proxies will be borne by the Fund. Directors, officers and regular employees of the Fund may solicit proxies by telephone, telegram or personal interview. In addition, the Fund has retained the services of Georgeson Shareholder Communications Corporation to solicit proxies from stockholders. The cost of such services is estimated at \$10,000 plus out-of-pocket expenses. The Fund will, upon request, bear the reasonable expenses of brokers, banks and their nominees who are holders of record of the Fund's shares of common stock on the record date incurred in mailing copies of the Annual Report, this Notice of Annual Meeting of Stockholders and Proxy Statement and the enclosed form of proxy to the beneficial owners of the Fund's shares of common stock.

REVOCABILITY AND VOTING OF PROXY

Any stockholder who executes and delivers a proxy may revoke it by written communication at any time prior to its use or by voting in person at the Annual Meeting. If the enclosed proxy is properly executed and returned in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked on the proxy. If no instructions are marked on the proxy, the proxy will be voted FOR the election of the nominees for Director, FOR the ratification of the selection of PricewaterhouseCoopers LLP as independent public accountants, and AGAINST approval of the liquidation and dissolution of the Fund, and in accordance with the judgment of the persons appointed as proxies upon any other matter which may properly come before the Annual Meeting.

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

All proxies sent to the Fund to be voted at the Annual Meeting will be voted if received prior to the Annual Meeting. Votes shall be tabulated by the Fund's transfer agent, American Stock Transfer & Trust Company. A quorum is constituted by the presence in person or represented by proxy of the holders of more than 50% of the outstanding shares of the Fund entitled to vote at the Annual Meeting. Stockholders should note that while votes to abstain or withhold authority and broker "non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with

1

respect to which the brokers or nominees do not have discretionary power) will count toward establishing a quorum, passage of any proposal being considered at the Annual Meeting will occur only if a sufficient number of votes are cast for the proposal. Accordingly, votes to abstain or withhold authority, broker "non-votes" and votes against a proposal will have the same effect in determining whether the proposal is approved.

In the event that a sufficient number of votes in favor of any proposal set forth in the Notice of Annual Meeting of Stockholders are not received prior to the Annual Meeting, the persons named in the enclosed form of proxy may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. Any such adjournments will require the affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the session of the Annual Meeting to be adjourned. The persons named in the enclosed form of proxy will vote in favor of such adjournment those proxies which are required to be voted in favor of the proposal for which further solicitation of proxies is made. They will vote against any such adjournments those proxies which are required to be voted against such proposal for which further solicitation of proxies is made. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.

RECORD DATE AND VOTING RIGHTS

Only holders of issued and outstanding shares of the Fund's common stock of record at the close of business on August 21, 2002 are entitled to notice of, and to vote at, the Annual Meeting. Each such holder is entitled to one vote per share of common stock so held on all business of the Annual Meeting and any adjournments thereof. There is one class of stock. As of the record date, there were 10,093,400 shares of common stock outstanding.

COPIES OF THE FUND'S ANNUAL REPORT ARE AVAILABLE FREE OF CHARGE TO ANY STOCKHOLDER. ANNUAL REPORTS MAY BE ORDERED BY WRITING CLEMENTE CAPITAL, INC., 152 WEST 57TH STREET, NEW YORK, NEW YORK 10019 OR CALLING (800) 937-5449.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The Board of Directors of the Fund (the "Board") is divided into three classes in accordance with the Fund's Charter and By-Laws. The Board presently consists of seven members and there is one existing vacancy in Class I. The class of Directors (Class III) whose term will expire at the Annual Meeting consists of three current Directors, Lilia C. Clemente, Roberto de Ocampo and Joseph A. O'Hare, S.J., each of whom are nominated for election for a term of

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

three years to expire on the date of the Annual Meeting of Stockholders in 2005 and until their successors are duly elected and qualified.

Each of the nominees has consented to serve as a Director of the Fund if elected. In the event that any of such nominees should become unavailable for election for any presently unforeseen reason, the proxies which are required to be voted for such nominee will instead be voted for such person, if any, as shall be designated by the Board to replace any such nominee.

The information set forth below as to the ages and principal occupations and other directorships held by these nominees and the other members of the Board, and the number of shares of common stock of the Fund beneficially owned by them, directly or indirectly, has been furnished to the Fund by such Directors or nominees. The Fund is not part of a Fund Complex or Family of Investment Companies as such terms are defined under the Securities Exchange Act of 1934 and hence the number of portfolios overseen by each Director is one. No Director of the Fund oversees any fund affiliated with the Fund, the Fund's investment adviser, Clemente Capital, Inc. or the Fund's Philippine adviser, PNB Investments Limited.

VOTE REQUIRED

Directors shall be elected by a plurality of the votes cast at the Annual Meeting. If you indicate "withhold authority" on your proxy card, your vote will count toward establishing a quorum. Also, broker "non-votes" on this proposal will count towards establishing a quorum. Accordingly, votes to withhold authority, broker "non-votes" and votes against a nominee will have the same effect in determining whether the nominee is elected.

THE BOARD DEEMS THE ELECTION OF THE NOMINEES LISTED ABOVE TO BE IN THE FUND'S BEST INTEREST AND IN THE BEST INTERESTS OF ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH NOMINEE.

PROPOSAL NO. 2: RATIFICATION OF THE SELECTION OF INDEPENDENT ACCOUNTANTS

At a meeting held on July 25, 2002, the Board, including a majority of Directors who are not interested persons of the Fund, selected PricewaterhouseCoopers LLP to act as the Fund's independent public accountants for the fiscal year ending June 30, 2003. Such selection is being submitted to the stockholders for ratification. The employment of PricewaterhouseCoopers LLP is conditioned on the right of the Fund, by majority vote of its stockholders, to terminate such employment. PricewaterhouseCoopers LLP has acted as the Fund's independent public accountants from the Fund's inception.

The services to be provided by the Fund's independent public accountants include auditing the Fund's annual financial statements and assistance and consultation in connection with Securities and Exchange Commission and New York Stock Exchange filings.

One or more representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire. Such representatives are expected to be available to respond to appropriate questions from stockholders.

AUDIT FEES

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

VOTE REQUIRED

An affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the ratification of the appointment of PricewaterhouseCoopers LLP. If you indicate "abstain" on your proxy card your vote will count toward establishing a quorum. Also, broker "non-votes" on this proposal will count toward establishing a quorum. Accordingly, votes to abstain, broker "non-votes" and votes against this proposal will have the same effect in determining whether this proposal is approved.

THE BOARD DEEMS PROPOSAL NO. 2 TO BE IN THE FUND'S BEST INTEREST AND IN THE BEST INTERESTS OF ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

9

PROPOSAL NO. 3: PROPOSAL TO LIQUIDATE AND DISSOLVE THE FUND

BACKGROUND

The Fund is a non-diversified, closed-end management investment company, which was incorporated under the laws of the State of Maryland on September 11, 1989 and is registered under the 1940 Act. Common shares of the Fund were first offered to the public in November 1989 and have been listed on the New York Stock Exchange since that time under the symbol "FPF." The Fund seeks long-term capital appreciation through investment primarily in equity securities of Philippine incorporated companies which generate at least 50% of their revenue from operations within the Republic of the Philippines.

The Board is proposing a vote on liquidation of the Fund because in July 2001 the Board made a commitment to authorize certain actions in one year's time in the event a discount threshold was met. The Board authorized under specified circumstances an unlimited tender offer at net asset value ("NAV"), or alternatively at the Board's option to allow stockholders to vote either on liquidation or open-ending of the Fund. Such actions were authorized if, as of July 19, 2002, the average discount to NAV of the Fund's shares during the preceding twenty (20) trading days equaled or exceeded 12%. For such 20-day period the Fund's average discount to NAV was 12.3%.

In deciding to authorize a vote on liquidation, the Board at its meeting on July 25, 2002 thoroughly considered the alternatives of an unlimited tender offer or open-ending. Open-ending was rejected due to the small size of the Fund, the size and liquidity constraints of the Philippine market, and the lack of a distribution system to continuously offer shares. The alternative of conducting an unlimited tender offer was very carefully considered by the Board. The Board viewed the Fund's small size, the difficulties of liquidating significant assets in a thinly-traded market on short notice, and the unfairness to stockholders who do not tender, all as weighing heavily against an unlimited tender offer. The Board unanimously concluded that conducting an unlimited tender offer at NAV was not in the best interests of the Fund's stockholders.

Consequently, recognizing its prior commitment, the Board has authorized a vote by stockholders on the attached Plan of Liquidation (the "Plan"), which would be implemented promptly in the event of stockholder approval. The Plan is attached as Exhibit A to this Proxy Statement. If the Plan is approved by stockholders, the Fund's assets will be sold, creditors will be paid or reserves for such payments will be established, the net proceeds of such sales will be distributed to stockholders in cash, pro rata in accordance with their shareholdings, and the Fund will file Articles of Dissolution with the State of Maryland. Therefore, in the event of a liquidation, the Fund's

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

stockholders will receive net asset value for their shares without any discount from market price. In the event the Plan is not approved, the Fund will continue to exist as a registered investment company and operate in accordance with its stated objective and policies and continue considering various alternatives to address the discount.

THE BOARD OF DIRECTORS' RECOMMENDATION

The Board of Directors of The First Philippine Fund Inc., after thorough consideration, has decided to recommend against the liquidation of the Fund. The Board has decided to recommend against liquidation because it believes that it would not be in the stockholders' best long-term interests. In so recommending the Board has cited the following factors: (a) the effectiveness of the Fund's continuing 20% buyback program, under which the Fund has committed over a 2-year period ending July 2003 to repurchase up to 20% of its shares in the open market. Such program has to date resulted in the repurchase of about 10% of the Fund's shares and the narrowing of the Fund's average discount in the year-to-date through June 30, 2002 to under 12%; (b) the average discount for most of the 20-trading day period was under 12% and the 20-day average only narrowly exceeded 12%; (c) calculation of the average discount by a different means, such as use of a weighted average which takes into account the volume of trades at various prices, would have led to a different result; (d) the

10

unrepresentativeness of the trading during one day, and within five minutes of closing on several other days, of the 20-day period, which the Board believes caused the discount to be wider than it otherwise would have been; and (e) the perceived favorable prospects for the Philippine market and the Fund's share price in the medium to longer term, based on the Board's belief in the country's continued economic growth and progress, greater political stability and initial success in anti-terrorism efforts.

The Fund's most recent Annual Report for its fiscal year ended June 30, 2002 contains audited financial statements and financial highlights detailing the performance of the Fund. The market price and discount of the Fund's market price from its NAV for the last two years is set forth in Exhibit B.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS OF
THE FUND VOTE AGAINST APPROVAL OF THE LIQUIDATION PLAN

REQUIRED VOTE

PURSUANT TO THE FUND'S ARTICLES OF INCORPORATION, THE AFFIRMATIVE VOTE OF THE HOLDERS OF AT LEAST 75% OF THE OUTSTANDING SHARES OF THE FUND ENTITLED TO VOTE THEREON IS NEEDED TO APPROVE THE LIQUIDATION OF THE FUND. The presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund will constitute a quorum. For purposes of the vote on the Plan, abstentions and broker non-votes will have the same effect as a vote against the Plan, but will be counted toward the presence of a quorum. In the event that a quorum is not present, the Annual Meeting may be adjourned. Unless a contrary specification is made, the accompanying Proxy Card will be voted AGAINST approval of the Plan.

SUMMARY OF PLAN OF LIQUIDATION

1. Effective Date of the Plan and Cessation of the Business of the Fund. The Plan will become effective on the date of its adoption and approval by 75% of the shares of the Fund entitled to vote. Following this approval, the Fund (i) will cease to invest its assets in accordance with its investment objective and will sell the portfolio securities it owns in order to convert its

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

assets to cash; (ii) will not engage in any business activities except for the purposes of winding up the business and affairs of the Fund, preserving the value of assets of the Fund and distributing its assets to stockholders after the payment to (or reservation of assets for payment to) all creditors of the Fund; and (iii) the Fund will terminate in accordance with the laws of the State of Maryland and the Articles of Incorporation of the Fund. (Plan, Section 2)

2. Closing of Books and Restriction of Transfer and Redemption of Shares. The proportionate interests of stockholders in the assets of the Fund shall be fixed on the basis of their respective holdings on the Effective Date of the Plan. On such date the books of the Fund will be closed. Thereafter, unless the books of the Fund are reopened because the Plan cannot be carried into effect under the laws of the State of Maryland or otherwise, the stockholders' respective interests in the Fund's assets will not be transferable by the negotiation of share certificates and the Fund's shares will cease to be traded on the New York Stock Exchange, Inc. ("NYSE") (Plan, Section 3)

3. Liquidating Distribution. The distribution of the Fund's assets will be made in up to two cash payments in complete cancellation of all the outstanding shares of capital stock of the Fund. The first distribution of the Fund's assets (the "First Distribution") is expected to consist of cash representing substantially all the assets of the Fund, less an estimated amount necessary to discharge any (a) unpaid liabilities and obligations of the Fund on the Fund's books on the First Distribution date, and (b) liabilities as the Board of Directors reasonably deem to exist against the assets of the Fund on the Fund's books. However, there can be no assurance that the Fund will be able to declare and pay the First Distribution. The amount of the First Distribution, if it will be declared and paid, currently is uncertain. A second distribution (the "Second Distribution"), if necessary, is anticipated to be made within 90 days after the First Distribution and will consist of cash from any assets remaining after the payment of expenses, the proceeds of any sale of assets of the Fund under the Plan not sold prior to the First Distribution and any other miscellaneous income of the Fund.

11

Each stockholder not holding stock certificates will receive liquidating distributions equal to the stockholder's proportionate interest in the net assets of the Fund. Each stockholder holding stock certificates of the Fund will receive a confirmation showing such stockholder's proportionate interest in the net assets of the Fund with an advice that such stockholder will be paid in cash upon return of the stock certificate. All stockholders will receive information concerning the sources of the liquidating distribution. (Plan, Section 7)

4. Expenses. The Fund will bear all expenses incurred by it in carrying out the Plan. It is expected that other liabilities of the Fund incurred or expected to be incurred prior to the date of the liquidating distribution will be paid by the Fund, or set aside for payment, prior to the mailing of the liquidating distribution. The liabilities of the Fund relating to the Plan are estimated at no more than \$90,000, which includes legal and auditing expenses and printing, mailing, soliciting and miscellaneous expenses arising from the liquidation, which the Fund normally would not incur if it were to continue doing business. The total liabilities of the Fund prior to the liquidating distribution are estimated to be \$300,000 (including proxy costs). This amount includes the termination expenses referred to above and amounts accrued, or anticipated to be accrued, for custodial and transfer agency services, legal, audit and directors fees and printing costs. (Plan, Section 8)

5. Continued Operation of the Fund. After the date of mailing of the

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

liquidating distribution, the outstanding shares of the Fund will be cancelled and the termination of the Fund will be effected. The Plan provides that the Board shall have the authority to authorize such variations from or amendments of the provisions of the Plan as may be necessary or appropriate to marshal the assets of the Fund and to effect the complete liquidation and termination of the existence of the Fund and the purposes to be accomplished by the Plan. (Plan, Sections 7 and 10)

LIQUIDATION DISTRIBUTIONS

Prior to completion of the liquidation, the Fund will send to its stockholders of record (stockholders with stock certificates) a letter of transmittal for the purpose of exchanging each stockholder's Fund shares for liquidation distributions. Stockholders whose shares are held in the name of their broker or other financial institution will receive their distributions through their nominee firms. No amount will be distributed by the Fund to a stockholder of record unless and until such stockholder delivers to the Fund a signed letter of transmittal and the certificates representing the stockholder's Fund shares or, in the event a share certificate has been lost, a lost certificate affidavit and such surety bonds and other documents and instruments as are reasonably required by the Fund, together with appropriate forms of assignment, endorsed in blank and with any and all signatures thereon guaranteed by a financial institution reasonably acceptable to the Fund.

If the Plan is adopted, the Fund anticipates that its shares will stop trading on the NYSE shortly before the Fund's final liquidation distribution. Prior to that time, the right of a stockholder to sell his or her Fund shares on the Exchange will not be impaired. The Fund expects that on or about the date of its final liquidation distribution, the listing of the Fund's shares on the Exchange will terminate.

GENERAL INCOME TAX CONSEQUENCES

The following is only a general summary of the United States federal income tax consequences of the Plan and is limited in scope. This summary is based on the federal tax laws and regulations in effect on the date of this Proxy Statement, all of which are subject to change by legislative or administrative action, possibly with retroactive effect. While this summary discusses the effect of certain federal income tax provisions on the Fund resulting from its liquidation and dissolution, the Fund has not sought a ruling from the Internal Revenue Service (the "IRS") with respect to the liquidation and dissolution of the Fund. The statements below are, therefore, not binding upon the IRS, and there can be no assurance that the IRS will concur with this summary or that the tax consequences to any stockholder upon receipt of a liquidating distribution will be as set forth below.

12

The payment of liquidation distributions will be a taxable event to stockholders. Each stockholder will be viewed as having sold his or her Fund shares for an amount equal to the liquidation distribution he or she receives. Each stockholder will recognize gain or loss in an amount equal to the difference between (a) the stockholder's adjusted basis in the Fund shares, and (b) such liquidation distribution. The gain or loss will be capital gain or loss to the stockholder if the Fund shares were capital assets in the stockholder's hands and generally will be long-term if the Fund shares were held for more than one year before the liquidation distribution is received. The Fund anticipates that it will retain its qualification as a regulated investment company under the Internal Revenue Code of 1986, as amended, during the liquidation period and, therefore, will not be taxed on any of its net income from the sale of its assets.

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

The foregoing summary is generally limited to the material federal income tax consequences to stockholders who are individual United States citizens and who hold shares as capital assets. It does not address the federal income tax consequences to stockholders who are corporations, trusts, estates, tax-exempt organizations or non-resident aliens. This summary also does not address state or local tax consequences. Because the income tax consequences for a particular stockholder may vary depending on individual circumstances, each stockholder is urged to consult his or her own tax adviser concerning the federal, state and local tax consequences of receipt of a liquidation distribution.

IMPACT OF THE PLAN ON THE FUND'S STATUS UNDER THE 1940 ACT

On the Effective Date, the Fund will cease doing business as a registered investment company and, as soon as practicable, will apply for deregistration under the 1940 Act. It is expected that the Securities and Exchange Commission (the "Commission") will issue an order approving the deregistration of the Fund if the Fund is no longer doing business as an investment company. Accordingly, the Plan provides for the eventual cessation of the Fund's activities as an investment company and its deregistration under the 1940 Act, and a vote in favor of the Plan will constitute a vote in favor of such a course of action. (Plan, Section 11)

The Fund will prepare and file, in a timely manner, any and all required income tax returns and other documents and instruments. The Fund will file any and all other reports, documents and instruments necessary to terminate the regulation of the Fund and its business and affairs by the Commission. Until the Fund's withdrawal as an investment company becomes effective, the Fund, as a registered investment company, will continue to be subject to and will comply with the 1940 Act.

PROCEDURE FOR DISSOLUTION UNDER MARYLAND LAW

After the Effective Date, pursuant to the Fund's Articles of Incorporation, if at least 75% of the Fund's aggregate outstanding shares of capital stock are voted for the Plan, the Fund will file Articles of Dissolution with the Maryland State Department of Assessments and Taxation, and will become effective in accordance with such law. Upon the Effective Date of such Articles of Dissolution, the Fund will be legally dissolved and will cease to exist, and no stockholder will have any interest whatsoever in the Fund. The Fund will cease to carry on its business and will proceed to sell its assets for cash for the purpose of paying, satisfying, and discharging any existing debts or obligations, collecting and distributing its assets, and doing all other acts required to liquidate and wind up its business and affairs. The Fund will then distribute in one or more payments the remaining assets among the stockholders, with each stockholder receiving his or her proportionate share of each liquidation distribution in cash.

APPRAISAL RIGHTS

Stockholders will not be entitled to appraisal rights under Maryland law in connection with the Plan. (Plan, Section 14)

THE FIRST PHILIPPINE FUND INC. PROPOSED PLAN OF LIQUIDATION

This Plan of Liquidation ("Plan") concerns The First Philippine Fund Inc. (the "Fund"), which is a corporation organized and existing under the laws of the State of Maryland. The Fund began operations on September 11, 1989. The Fund is registered as a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the "Act"). The Plan is intended to accomplish the complete liquidation and termination of the Fund in conformity with all provisions of Maryland law and the Fund's Articles of Incorporation.

WHEREAS, the Fund's Board of Directors, on behalf of the Fund, has determined that the stockholders should vote on whether to liquidate and terminate the Fund; and

WHEREAS, the Board of Directors proposed this Plan as the method of liquidating and terminating the Fund and directed that this Plan be submitted to stockholders of the Fund for their consideration;

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

NOW THEREFORE, the liquidation and termination of the Fund shall be carried out in the manner hereinafter set forth:

1. Effective Date of Plan. The Plan shall be and become effective only upon the adoption and approval of the Plan, at the Annual Meeting of stockholders, by the affirmative vote of the holders of 75% of the outstanding shares of the Fund entitled to vote. The date of such adoption and approval by stockholders is hereinafter called the "Effective Date."
2. Cessation of Business. After the Effective Date of the Plan, the Fund shall cease its business as an investment company and shall not engage in any business activities except for the purpose of paying, satisfying and discharging any existing debts and obligations, collecting and distributing its assets, and doing all other acts required to liquidate and wind up its business and affairs and will dissolve in accordance with the Plan.
3. Restriction of Transfer and Redemption of Shares. The proportionate interests of stockholders in the assets of the Fund shall be fixed on the basis of their respective shareholdings at the close of business on the Effective Date. On the Effective Date, the books of the Fund shall be closed. Thereafter, unless the books are reopened because the Plan cannot be carried into effect under the laws of the State of Maryland or otherwise, the stockholders' respective interests in the Fund's assets shall not be transferable by the negotiation of stock certificates and the Fund's shares will cease to be traded on the New York Stock Exchange, Inc.
4. Notice of Liquidation. As soon as practicable after the Effective Date, the Fund shall mail notice to the appropriate parties that this Plan has been approved by the Board of Directors and the stockholders and that the Fund will be liquidating its assets, to the extent such notice is required under the Maryland General Corporation Law (the "MGCL"). Specifically, upon approval of the Plan, the Fund shall mail notice to its known creditors at their addresses as shown on the Fund's records.
5. Liquidation of Assets. As soon as is reasonable and practicable after the Effective Date, all portfolio securities of the Fund not already converted to U.S. cash or U.S. cash equivalents shall be converted to U.S. cash or U.S. cash equivalents.
6. Payment of Debts. As soon as practicable after the Effective Date, the Fund shall determine and pay, or set aside in U.S. cash or U.S. cash equivalents, the amount of all known or reasonably ascertainable liabilities of the Fund incurred or expected to be incurred prior to the date of liquidating distribution provided for in Section 7, below.

A-1

7. Liquidating Distributions. In accordance with Section 331 of the Internal Revenue Code of 1986, as amended, the Fund's assets are expected to be distributed by up to two cash payments in complete cancellation of all the outstanding shares of capital stock of the Fund. The first distribution of the Fund's assets (the "First

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

Distribution") is expected to consist of cash representing substantially all the assets of the Fund, less an estimated amount necessary to (a) discharge any unpaid liabilities and obligations of the Fund on the Fund's books on the First Distribution date, and (b) liabilities as the Board of Directors shall reasonably deem to exist against the assets of the Fund on the Fund's books. A second distribution (the "Second Distribution"), if necessary, is anticipated to be made within 90 days after the First Distribution and will consist of cash from any assets remaining after payment of expenses, the proceeds of any sale of assets of the Fund under the Plan not sold prior to the First Distribution and any other miscellaneous income to the Fund.

Each stockholder not holding stock certificates of the Fund will receive liquidating distributions equal to the stockholder's proportionate interest in the net assets of the Fund. Each stockholder holding stock certificates of the Fund will receive a confirmation showing such stockholder's proportionate interest in the net assets of the Fund with an advice that such stockholder will be paid in cash upon return of the stock certificate. All stockholders will receive information concerning the sources of the liquidating distribution.

8. Expenses of the Liquidation and Dissolution. The Fund shall bear all of the expenses incurred by it in carrying out this Plan including, but not limited to, all printing, legal, accounting, custodian and transfer agency fees, and the expenses of any reports to or meeting of stockholders whether or not the liquidation contemplated by this Plan is effected.
9. Power of Board of Directors. The Board of Directors and, subject to the direction of the Board of Directors, the Fund's officers shall have authority to do or authorize any or all acts and things as provided for in the Plan and any and all such further acts and things as they may consider necessary or desirable to carry out the purposes of the Plan, including, without limitation, the execution and filing of all certificates, documents, information returns, tax returns, forms and other papers which may be necessary or appropriate to implement the Plan or which may be required by the provisions of the 1940 Act or any other applicable laws.

The death, resignation or other disability of any director or any officer of the Fund shall not impair the authority of the surviving or remaining directors or officers to exercise any of the powers provided for in the Plan.
10. Amendment of Plan. The Board of Directors shall have the authority to authorize such variations from or amendments of the provisions of the Plan as may be necessary or appropriate to effect the marshalling of Fund assets and the dissolution, complete liquidation and termination of the existence of the Fund, and the distribution of its net assets to stockholders in accordance with the laws of the State of Maryland and the purposes to be accomplished by the Plan.
11. De-Registration Under the 1940 Act. As soon as practicable after the liquidation and distribution of the Fund's assets, the Fund shall prepare and file a Form N-8F with the Securities and Exchange Commission in order to de-register the Fund under the 1940 Act. The Fund shall also file, if required, a final Form N-SAR (a semi-annual report) with the Securities and Exchange

Edgar Filing: FIRST PHILIPPINE FUND INC - Form DEF 14A

Commission.

12. Articles of Dissolution. Consistent with the provisions of the Plan, the Fund shall be liquidated and terminated in accordance with the laws of the State of Maryland and the Fund's Articles of Incorporation. As soon as practicable after the Effective Date and pursuant to the MGCL, the Fund shall prepare and file Articles of Dissolution with and for acceptance by the Maryland State Department of Assessments and Taxation.

A-2

The Fund's Board of Directors shall be the trustees of its assets for purposes of liquidation after the acceptance of the Articles of Dissolution, unless and until a court appoints a receiver. The Director-trustees will be vested in their capacity as trustees with full title to all the assets of the Fund. The Director-trustees shall collect and distribute any remaining assets, apply them to the payment, satisfaction and discharge of existing debts and obligations of the Fund, including necessary expenses of liquidation, and distribute the remaining assets among the stockholders. The Director-trustees may also (a) carry out the contracts of the Fund, (b) sell all or any part of the assets of the Fund at public or private sale, (c) sue or be sued in their own names as trustees or in the name of the Fund and (d) do all other acts consistent with law and the Articles of Incorporation of the Fund necessary or proper to liquidate the Fund and wind up its affairs.

13. Power of the Directors. Implementation of this Plan shall be under the direction of the Board of Directors, who shall have full authority to carry out the provisions of this Plan or such other actions as they deem appropriate without further stockholder action.
14. Appraisal Rights. Stockholders will not be entitled to appraisal rights under Maryland law and in connection with the Plan.
