The Common Stock was acquired by the Reporting Person for investment purposes. The Reporting Person may acquire additional shares of Common Stock but only through purchases from time to time in the open market at prices prevailing in the market at the time of such purchases or through privately negotiated transactions at prices which may or may not be related to prices prevailing in the open market at the time of such purchases, or by a combination of open market and privately negotiated transactions. The Reporting Person's acquisition of additional shares of Common Stock is, in all cases, subject to the availability of shares at prices deemed by him to be reasonable and consistent with prudent investment criteria and to general economic circumstances. As prices and economic factors are not expected to be static, there can be no assurances that the Reporting Person will purchase additional shares of Common Stock or that he will be purchasing shares at any given time; nor can there be any prediction regarding the number of shares of Common Stock that he will own at any given time or from time to time. The Reporting Person reserves the right to sell or otherwise dispose of any or all the shares of Common Stock the Reporting Person owns at any time or from time to time.

Generally, the Reporting Person may seek to exercise a degree of influence over the affairs of the Issuer through board representation or otherwise. The Reporting Person intends to continue to evaluate the Issuer's business affairs, financial position and prospects, as well as conditions in the securities markets and the economy generally. Based on that continuing evaluation, the Reporting Person will take such action as it deems appropriate, including, but not limited to, (i) engaging in communications with the management, board of directors and/or other shareholders of the Issuer concerning the operations and management of the Issuer and other matters and (ii) proposing additional transactions with the Issuer, including transactions that could result in a change of control of the Issuer.

The Reporting Person has no independent present plans or proposals which relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.
