In the ordinary course of Solus' business as an investment manager of the Managed Entities and by virtue of the Managed Entities' investment in the Issuer, the Reporting Persons have had general discussions with representatives of the Issuer and the General Partner from time to time regarding various matters relating to the business and operations of the Issuer.

On January 12, 2011, the Reporting Persons sent a letter (the "Letter") to the General Partner expressing displeasure with the transactions contemplated by the Global Transaction Agreement, dated as of October 25, 2010, by and among the Issuer, the General Partner, Vitol Holdings B.V. and CB-Blueknight, LLC (the "Global Transaction Agreement"). The Reporting Persons intend to have further discussions and other communications with the General Partner's management and members of its Board of Directors (the "Board of Directors") regarding the subject matter of the Letter. The Reporting Persons may also communicate with other unitholders of the Issuer. In the course of such discussions with the General Partner's management, its Board of Directors and other unitholders of the Issuer, the Reporting Persons may learn of, identify or suggest actions that could result in, among other things: (a) the acquisition by the Reporting Persons of additional Common Units or other securities of the Issuer, or the disposition of Common Units or other securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present Board of Directors or management of the General Partner; (e) a material change in the present capitalization, dividend or distribution policy of the Issuer; (f) any other material change in the Issuer's business or structure; (g) changes in the Issuer's certificate of limited partnership or agreement of limited partnership or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to those enumerated above. The Reporting Persons also intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of the discussions and actions referenced above, the Issuer's financial position and strategic direction, actions taken by the Board of Directors and management of the General Partner, changes to the composition of the Board of Directors, price levels of the Common Units, other investment opportunities available to the Reporting Persons, conditions in the securities markets, general economic and industry

conditions and the general investment policies of the Reporting Persons or the Managed Entities, the Reporting Persons may in the future formulate other purposes, or formulate plans or proposals regarding the Issuer or the Common Units, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) above, or take such other actions and/or pursue such other options or remedies with respect to their investment in the Issuer as they deem appropriate under the circumstances including, without limitation, pursuing litigation against the General Partner, the Board of Directors, management of the General Partner and/or one or more affiliates thereof.

Depending upon the foregoing factors and to the extent deemed advisable in light of their general investment policies, or other factors, the Reporting Persons may, at any time and from time to time, formulate other purposes, or formulate plans or proposals regarding the Issuer or the Common Units, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) above.
