Item 3. Source and Amount of Funds or Other Consideration

On May 14, 2014, MVC and the Issuer entered into a share exchange agreement dated as of May 14, 2014 (the “Agreement”). Pursuant to the Agreement, MVC acquired from the Issuer 2,112,000 shares of Issuer common stock from treasury in exchange for 395,839 shares of MVC common stock from treasury. The exchange ratio was calculated based on each company’s respective net asset values per share. The closing of the share exchange occurred on May 14, 2014.

Since entering into the Agreement, MVC has purchased 512,557 shares of Issuer Common Stock from existing shareholders with \$1,240,387.94 of MVC’s working capital.

Item 4. Purpose of Transaction.

The Agreement was entered into as part of a plan of reorganization of the Issuer adopted by the Board of Directors of the Issuer. Under the terms of the plan of reorganization, the Issuer intends to pursue a merger or consolidation with MVC, a subsidiary of MVC, or one or more of MVC’s portfolio companies. Absent the Issuer merging or consolidating with/into MVC itself (whereby MVC would own a majority of the Issuer shares), the Issuer may (i) restructure into a publicly-traded operating company focused on the energy and/or financial services sectors and (ii) seek to terminate its election as a business development company.

As part of the reorganization, MVC may acquire additional Issuer shares from time to time (in addition to the shares referenced under Item 3), either through the Issuer’s direct sale of newly issued Common Stock to MVC or through the Issuer’s facilitation of purchases of Common Stock by MVC through the introduction of brokers representing current third-party shareholders of the Issuer, where such brokers have indicated to the Issuer their clients’ intent to dispose of large blocks of Common Stock. The consummation of the reorganization is anticipated to occur within one year, and the Issuer currently intends to maintain Common Stock listed on the New York Stock Exchange after that point unless the Issuer is merged with MVC.

As described in more detail below under Item 6, in addition to the share exchange, under the Agreement, and subject to the conditions and limitations set forth therein, MVC has: (i) the right to attend all meetings of the Issuer's Board of Directors and receive all information provided to the members of the Issuer's Board of Directors; (ii) certain registration rights with respect to the Common Stock it received pursuant to the Agreement; and (iii) to the extent permitted by applicable law, a right of rescission with respect to the Agreement and the transactions contemplated thereunder.

CUSIP No. 29476610

Other than as described in this Schedule 13D, none of the Reporting Persons, and to the best of their knowledge, none of the Covered Persons, have any current plans or proposals that would be related to or would result in any of the matters described in Items 4(a)-(j) of Schedule 13D. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Representatives of the Reporting Persons may have discussions from time to time with the Issuer, other stockholders and third parties relating to the Issuer, strategic alternatives that may be available to the Issuer and the Issuer's business, operations, portfolio companies, assets, capitalization, financial condition, governance, management and future plans, including in respect of one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D. There can be no assurance as to the outcome of any of the discussions referred to in this Schedule 13D.

Depending on various factors, including the Issuer's financial position and strategic direction, the outcome of the discussions referenced above, actions taken by the Board of Directors of the Issuer, price levels of the securities of the Issuer, other investment opportunities available to the Reporting Persons, the availability and cost of debt financing, the availability of potential business combinations and other strategic transactions, conditions in the capital markets and general economic and industry conditions, the Reporting Persons (or their affiliates, including MVC's portfolio companies) may in the future take such actions with respect to the Reporting Persons' investments in the Issuer as they deem appropriate, including acquiring or disposing of securities of the Issuer, entering into financial instruments or other agreements which increase or decrease the Reporting Persons' (or their affiliates, including MVC's portfolio companies) economic exposure with respect to the Reporting Persons' investments in the Issuer (or its portfolio companies), engaging in any hedging or similar transactions with respect to such holdings and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) The Reporting Persons are deemed to beneficially own 2,624,557 shares of Common Stock of the Issuer, representing approximately 20.71% of the shares of Common Stock outstanding as of May 15, 2014.

This Common Stock is owned by MVC and may be deemed beneficially owned by TTGA and Mr. Tokarz by virtue of (i) TTGA's investment advisory agreement with MVC, pursuant to which TTGA makes investment decisions on behalf of MVC, and (ii) Mr. Tokarz's control of TTGA.

The following Covered Persons are deemed to beneficially own Common Stock of the Issuer in the following amounts/percentages:

Name	Common Stock Beneficially Owned	Percentage of Common Stock Outstanding
Phillip Goldstein	566,998(1)	4.47%

(1) 35,793 of these shares are directly owned by Mr. Goldstein. The remaining 531,205 shares are deemed to be beneficially owned by Mr. Goldstein through (i) Bulldog Investors, LLC, a Delaware limited liability company that is an SEC-registered investment adviser, and of which Mr. Goldstein is a part owner and control person ("Bulldog"), and (ii) certain investment entities and separate accounts of clients of Bulldog, in each case, solely by virtue of his power to sell or direct the vote of these shares. Other than the 35,793 shares directly owned by Mr. Goldstein, he disclaims beneficial ownership of these shares, except to the extent of his pecuniary interest therein. The inclusion of all 566,988 shares of Common Stock deemed to be beneficially owned by Mr. Goldstein (as determined pursuant to Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) in this Schedule 13D shall not be deemed an admission that Mr. Goldstein has beneficial ownership of such securities for purposes of Section 16 of the Exchange Act or for any other purposes.

CUSIP No. 29476610

(b) Each Reporting Person has shared voting and dispositive power over all of the shares of Issuer Common Stock reported on this Schedule as beneficially owned by it.

With respect to Mr. Goldstein, he has sole voting and dispositive power over the 35,793 shares of Issuer Common Stock that he directly owns. As for the remaining 531,205 shares of Issuer Common Stock that are deemed to be beneficially owned by Mr. Goldstein, Bulldog has sole voting and dispositive power over 298,889 shares, and it may share voting and dispositive power over 232,316 shares with certain of Bulldog's clients (none of whom beneficially own more than 5% of the Issuer's Common Stock).

(c) Except as set forth in this Schedule 13D, none of the Reporting Persons and none of the Covered Persons have effected any transaction in the Common Stock during the sixty days preceding the filing of this Schedule 13D.

(d) No person other than a Reporting Person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of shares of, Issuer Common Stock beneficially owned by the Reporting Persons.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

As described under Item 3, MVC has acquired 2,112,000 shares of Issuer Common Stock pursuant to the Agreement and another 512,557 shares of Issuer Common Stock from existing shareholders with \$1,240,387.94 of MVC's working capital. As described under Item 4, MVC acquired such shares and may acquire additional Issuer shares from time to time (in addition to the shares referenced under Item 3), in connection with the plan of reorganization of the Issuer adopted by the Board of Directors of the Issuer. Under the terms of the reorganization, the Issuer intends to pursue a merger or consolidation with MVC, a subsidiary of MVC, or one or more of MVC's portfolio companies. As part of the Issuer's reorganization, the Reporting Persons may vote any beneficially owned Common Stock or exercise any other rights they may have with respect to any proposal of the Issuer to effect a merger or consolidation of the Issuer with MVC, a subsidiary of MVC, or one or more of MVC's portfolio companies.

Furthermore, in addition to the share exchange, the Agreement granted the following rights to MVC with respect to the Issuer:

- Demand Registration Rights. Upon written notice from MVC that it intends to distribute all or part of the registrable securities via an underwritten offering, the Issuer shall file, within thirty (30) days of such notice, a registration statement under the Securities Act of 1933, as amended (the "Securities Act") covering the registration of all such registrable securities. MVC shall have the right to select such underwriter(s) as it may determine in respect of the distribution of the registrable securities. The Issuer shall be obligated to effect an unlimited number of demand registrations.
- Piggyback Registration Rights. Should the Issuer file a registration statement with respect to an offering of its securities, other than a registration statement on Form S-4 or S-8, the Issuer shall offer to include the registrable securities in such registration statement. The Issuer shall be obligated to effect an unlimited number of piggyback registrations.
- Shelf Registration Rights. Upon written notice from MVC, the Issuer shall file, within thirty (30) days of such notice, a shelf registration statement under the Securities Act covering the registration of all the registrable securities and shall use reasonable best efforts to cause such shelf registration statement to be declared effective within 120 days of such notice and keep such shelf registration statement continuously effective until the earlier of (i) the date when all

such registrable securities have been resold and (ii) the date when all such registrable securities may be resold pursuant Rule 144 promulgated under the Securities Act without any volume or manner of sale restrictions.

- Information and Board Observer Rights. Until the later of such time as (i) one (1) year from the closing date, or (ii) MVC holds less than ten percent (10%) of the outstanding shares of Issuer Common Stock, MVC shall be entitled to receive all information provided to members of the Issuer's Board of Directors or any committee thereof, and shall be entitled to participate in any meeting of such directors or committee on an ex officio basis.
- Right to Unwind. Should the events of reorganization not have occurred during the one-year period following the closing date, and only to the extent permitted by applicable law and regulation, for a period of ninety (90) days following the one (1) year anniversary of the closing date, MVC shall be entitled to rescind the Agreement and the transactions contemplated thereby by providing written notice to the Issuer.
