PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON May 11, 2006**

INTRODUCTORY STATEMENT

This Proxy Statement and accompanying Proxy Card are furnished in connection with a solicitation of Proxies by the Board of Blast Energy Services, Inc. for use at the 2006 Annual Meeting of Shareholders of the Company, to be held at:

Blast Energy Services, Inc.
14550 Torrey Chase Blvd., Suite 330
Houston, Texas 77014
May 11, 2006, at 10:00 a.m., local time,

for the purpose set forth in the accompanying Notice of Annual Meeting of Shareholders.

Shareholders of record at the close of business on March 31, 2006 will be entitled to receive notice of and to vote at the meeting. Each share of common stock is entitled to one vote for each matter submitted to a vote at the meeting. Shares represented by executed and unrevoked Proxies will be voted in accordance with the specifications made thereon. If the enclosed form of Proxy is executed and returned, it nevertheless may be revoked by giving another Proxy or by letter or fax directed to the Company. Any such revocation must show the shareholder's name and must be received prior to the commencement of the meeting in order to be effective. Additionally, any shareholder attending the meeting in person, who wishes to do so, may vote by ballot at the meeting, thereby canceling any Proxy previously given. Proxy materials will be mailed to shareholders of record on or about April 11, 2006.

Shareholder of Record: Shares Registered in Your Name

If on March 31, 2006 your shares were registered in your name with Blast's transfer agent, then you are a shareholder of record. As such, you may vote in person at the meeting or by proxy. Whether or not you plan to attend the meeting, you are encouraged to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 31, 2006 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are required to be forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

Multiple Shareholders Sharing the Same Address

The SEC has adopted rules that permit companies and intermediaries e.g., brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process potentially means extra convenience for shareholders and cost savings for companies. Shareholders sharing a same address may either contact the Company, or contact their broker, as applicable to request single or multiple proxy statement and annual report delivery, as

desired.

Cost of Proxy Solicitation

The cost of solicitation will be borne by Blast. We will reimburse brokerage firms and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy material to the beneficial owners of common stock. In addition to solicitation by mail, our directors and officers may solicit Proxies personally, without additional compensation.

Page 2

VOTING AND RELATED MATTERS

Quorum Requirement

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shares representing a majority of the voting power of the outstanding shares are represented by shareholders present at the meeting or by proxy. On the record date, there were approximately 41,804,507 shares of common stock outstanding and entitled to vote. Your shares will be counted towards the quorum only if a valid proxy vote is submitted or you vote at the meeting. Abstentions and broker non-votes will be counted in determining a quorum.

Proposal Approval Requirements

Shareholders may vote "For" each nominee for director or withhold authority from voting for any nominee. For each of the other matters, shareholders may vote "For", "Against" or "Abstain". Each Proposal must be approved by an affirmative vote of a majority of the shares present and entitled to vote at the meeting.

Vote Counting

Votes will be counted by the inspector appointed for the meeting, who will separately count "For", "Against", abstentions and broker non-votes. Abstentions and non-votes will not be counted in favor of any proposal.

Voting Results

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in the Company's quarterly report on Form 10-QSB subsequent to the meeting.

ACTION TO BE TAKEN UNDER THE PROXY

Proxies in the accompanying form that are properly executed and returned will be voted at the Annual Meeting in accordance with the instructions thereon. Any proxy upon which no instructions have been indicated by the shareholder with respect to a specific matter will be voted as follows with respect to such matter: (1) "FOR" the election of the slate of seven persons named as Management's nominees for election to our Board of Directors; (2) "FOR" the ratification of appointment of Malone and Bailey, PC as the Independent Public Accountant; and (3) "FOR" the transaction of any other business to come before the Meeting, in the discretion of the holders of such Proxies.

SHAREHOLDER PROPOSALS

According to Rule 14a-8 under the Securities Exchange Act of 1934, a shareholder may require that certain proposals suggested by shareholders be voted on at a shareholders meeting. Information concerning such proposals must be submitted to us for inclusion in our proxy statement. Such proposals for inclusion in our proxy materials relating to our Annual Meeting planned for 2007 must be received by us not later than January 31, 2007.

OTHER BUSINESS

As of the date of this Proxy Statement, we have no knowledge of any business, other than previously described herein, which should be presented for consideration at the meeting. In the event that any other business is presented at the meeting, we intend that the persons named in the enclosed Proxy will have authority to vote such Proxy in accordance with their best judgment on such business.

NOTICE TO BANKS, BROKERS/DEALERS, VOTING TRUSTEES, AND THEIR NOMINEES

Please advise us, in care of our corporate address, whether any other persons are the beneficial owners of the shares of common stock for which Proxies are being solicited from you, and, if so, the number of copies of the Proxy Statement, and other soliciting materials, you wish to receive in order to supply copies to the beneficial owners of

shares.

Recommendation and Vote

It is the intention of the persons named in the accompanying form of Proxy to vote such Proxy "FOR" the election of each person listed above, unless shareholders specifically indicate in their Proxies that they desire to withhold from voting for the electing of such certain Directors to office. Our Board does not contemplate that any nominee will be unable to serve as a Director for any reason, but if that should occur prior to the meeting, the Board reserves the right to substitute another person(s) of their choice as nominee(s). Each nominee must be approved by a plurality of votes cast at the Annual Meeting. A vote to "withhold authority" for a particular nominee shall have no legal effect. Our Management recommends that shareholders vote "FOR" the election of the nominees.

RELATED PARTY TRANSACTIONS

Berg McAfee Companies

In December 2005, a 5% commission fee was earned for a private placement brokered by Chadbourn Securities, which is controlled by Eric McAfee, partner in Berg McAfee Companies. LLC ("BMC") the beneficial owner of approximately 23.0% of the common stock of the Company.

On July 15, 2005, Blast Energy entered into an agreement to develop its' initial abrasive jetting rig with BMC. The arrangement involves two loans for a total of \$1 million to fund the completion of the initial rig and sharing in the expected rig revenues for a ten-year period. Under the terms of the loan agreement with BMC, cash revenues will be shared on the basis of allocating 90 percent to Blast Energy and 10 percent to BMC for a ten-year period following repayment. After ten years, Blast Energy will receive all of the revenue from the rig. The loan, which has a senior and subordinated structure, carries an average interest rate of 7.4 percent, and matures on March 31, 2007. BMC also has the option to fund an additional three rigs under these commercial terms.

In December 2004, BMC purchased 400,000 shares of our common stock at a price of \$0.50 per share in a private transaction valued at \$200,000 with two year warrants attached to purchase 400,000 shares of our common stock at a price of \$1.00 per share. The proceeds from that transaction were used for general corporate purposes.

In October 2004, BMC loaned us \$100,000 under the terms of a convertible promissory note bearing interest at 8% and maturing May 31, 2006. In connection with the note, we issued warrants to purchase 50,000 shares of common stock at \$2.00 per share during the term of the note.

Eric McAfee

In addition to the transactions involving Energy 2000, NGS and Berg McAfee, we had the following transactions with Eric McAfee.

On January 19, 2005, we entered into a settlement agreement and mutual release with Eric McAfee, Edge Capital Group, Inc. ("Edge") and certain entities affiliated with Robert Frazier, Sr. As part of the settlement, Mr. McAfee paid us \$625,000 and gave us 300,000 shares of NGS common stock in exchange for 500,000 shares of our common stock. The 300,000 shares of NGS common stock was collateral for a \$375,000 required payment to us. That payment was made in April 2005, and the NGS shares were released. The \$625,000 in cash was then distributed to Edge along with 750,000 shares of our common stock. At the closing of the settlement agreement, the parties executed a mutual release and dismissed all pending claims and litigation between them.

In October 2004, Mr. McAfee loaned us \$100,000 under the terms of a convertible promissory note bearing interest at 8% and maturing May 31, 2006. In connection with the note, we issued warrants to purchase 50,000 shares of common stock at \$2.00 per share during the term of the note.

We had a consulting agreement with Mr. McAfee for \$10,000 per month through April 30, 2005, with \$120,000 due during 2004 and \$40,000 in 2005. This agreement was cancelled upon his resignation as a director effective March 2, 2004.

Alberta Energy Partners

In March 2006, Alberta Energy Partners (“Alberta”) accelerated the revenue sharing provisions of the Technology Purchase Agreement and assigned the full 50% ownership of the AFJ technology to Blast effective immediately. Blast had previously owned only 20% and the remaining 30% balance had been contingent upon the sharing of future revenues. Alberta is the beneficial owner of 9.3% of the Company’s common stock.

On August 25, 2005, Blast entered into a purchase agreement with Alberta to purchase a one-half interest in Alberta’s Abrasive Fluid Jet (“AFJ”) cutting technology. The purchase agreement replaces in its entirety an October 2004 licensing agreement between Blast and Alberta. Blast issued to Alberta 3,000,000 restricted shares of its common stock and 750,000 warrants exercisable at \$.45 per share for the purchase of Blast common shares. The warrants are exercisable at such time as a minimum of \$225,000 in revenue has been received by operation of Blast Rig # 1, and expire three years from date of issuance. The fair value of the award will be measured and recognized at which time Blast achieves the \$225,000 revenue mark. Royalties are payable to Alberta at the rate of \$2,000 per well or 2% of gross revenues received, whichever is greater, for each well bore in which Blast uses the technology. The agreement shall remain in effect for the commercial life of the technology. Alberta also has agreed to continue the provision of consulting services to Blast at the rate of \$10,000 per month through December 31, 2005.

The members of the Audit Committee shall possess such degree of financial or accounting expertise as may be required by law or by the regulations of the SEC or any self-regulatory organization having jurisdiction over the affairs of the Company, as the Board of Directors interprets such qualification in its business judgment. At least one member of the Audit Committee shall be an “audit committee financial expert” as defined by the Securities and Exchange Commission.

The Audit Committee’s chairperson shall be designated by the Board. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, subject to any limitations or reporting requirements established by law or the Company’s procedures.

III. MEETINGS

The Audit Committee will meet at least quarterly, or more frequently if the Committee determines it to be necessary. To foster open communications, the Audit Committee may invite to its meetings other directors or representatives of management, the outside auditors, the internal auditors, counsel or other persons whose pertinent advice or counsel is sought by the Committee. The agenda for meetings will be prepared in consultation among the Committee chair (with input from Committee members), management, the outside auditors, the internal auditors and counsel. The Audit Committee will maintain written minutes of all its meetings and provide a copy of all such minutes to every member of the Board.

IV. POWERS & RESPONSIBILITIES

The Audit Committee shall have the sole authority to appoint or replace the outside auditors. The Audit Committee shall be directly responsible for the compensation and oversight of the work of the outside auditors (including resolution of disagreements between management and the outside auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Audit Committee shall be responsible for (a) ensuring receipt from outside auditors of a formal written statement delineating all relationships between the auditor and the Company, (b) engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor, and (c) taking, or recommending that the Board take, appropriate action to oversee the independence of the outside auditor. The Audit Committee shall also have the sole authority to (a) appoint or replace any senior internal auditing executive, and (b) appoint or replace any firm engaged to provide internal auditing services.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the outside auditor for the purpose of rendering or issuing an audit report, to any advisors employed by the Audit Committee, and for any administrative expenses that are necessary or appropriate in carrying out the Audit Committee’s duties.

The Audit Committee shall have the power to (a) obtain and review any information that the Audit Committee deems necessary to perform its oversight functions and (b) conduct or authorize investigations into any matters within the Audit Committee’s scope of responsibilities. The Audit Committee will be responsible for establishing procedures for (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (b) the confidential, anonymous

submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

The Audit Committee shall have the power to issue any reports or perform any other duties required by (a) the Company's articles of incorporation or bylaws, (b) applicable law, or (c) rules or regulations of the SEC or any other self-regulatory organization having jurisdiction over the affairs of the Audit Committee.

The Audit Committee shall have the power to consider and act upon any other matters concerning the financial affairs of the Company as the Audit Committee, in its discretion, may determine to be advisable in connection with its oversight functions.

V. PERIODIC OVERSIGHT TASKS

The Audit Committee, to the extent it deems necessary or appropriate or to the extent required by applicable laws or regulations, will perform the oversight tasks delineated in the Audit Committee Checklist. The checklist will be updated annually to reflect changes in regulatory requirements, authoritative guidance, and evolving oversight practices. The most recently updated checklist will be considered to be an addendum to this charter. In addition, the Audit Committee will review and reassess the adequacy of this Charter on an annual basis.

VI. LIMITATIONS

The Committee's failure to investigate any matter, to resolve any dispute or to take any other actions or exercise any of its powers in connection with the good faith exercise of its oversight functions shall in no way be construed as a breach of its duties or responsibilities to the Company, its directors or its shareholders.

The Audit Committee is not responsible for preparing the Company's financial statements, planning or conducting the audit of such financial statements, determining that such financial statements are complete and accurate or prepared in accordance with generally accepted accounting standards, or assuring compliance with applicable laws or the Company's policies, procedures and controls, all of which are the responsibility of management or the outside auditors. The Audit Committee's oversight functions involve substantially lesser responsibilities than those associated with the audit performed by the outside auditors. In connection with the Audit Committee's oversight functions, the Committee may rely on management's representations that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and on the representations of the outside auditors. In carrying out its oversight functions, the Audit Committee believes its policies and procedures should remain flexible in order to best react to a changing environment.
