### Edgar Filing: PUBLICARD INC - Form 8-K

#### Item 1.01 Entry into a Material Definitive Agreement

On May 28, 2002, a lawsuit was filed against PubliCARD, Inc. (the "Company") and four of its current and former directors and executive officers in the Superior Court of the State of California, in the County of Los Angeles by Leonard M. Ross and affiliated entities alleging, among other things, misrepresentation and securities fraud (the "Lawsuit"). The plaintiffs sought compensatory and punitive damages for alleged actions of the defendants in order to induce the plaintiff to purchase, hold or refrain from selling shares of the Company's common stock. The plaintiffs alleged that the defendants made a series of material misrepresentations, misleading statements, omissions and concealments, specifically and directly to the plaintiffs concerning the nature, existence and status of contracts with certain purchasers, the nature and existence of investments in the Company by third parties, the nature and existence of business relationships and investments by the Company.

In November 2002, the Company and the individual defendants served with the Lawsuit filed a demurrer seeking the dismissal of six of the plaintiffs' nine purported causes of action. In January 2003, the court ruled in favor of the demurrer and dismissed the entire complaint. The plaintiffs were granted the right to replead and subsequently filed an amended complaint in February 2003. The Company and individual defendants filed a second demurrer in March 2003. In June 2003, the court ruled in favor of the demurrer and dismissed, without leave to amend, six of the eleven purported causes of action in the amended complaint. The parties to the Lawsuit subsequently began the document discovery process and responded to interrogatories.

The parties to the Lawsuit agreed to engage in non-binding mediation and on July 20, 2005, reached an agreement to settle the Lawsuit. Pursuant to this agreement, in exchange for a payment, the plaintiffs have agreed to dismiss the case with prejudice and the parties have agreed to execute mutual general releases. The Company's primary directors and officers liability insurance carrier has agreed to fund the full cost of the settlement.
