Agreement").

The Distribution Agreement gives Sentex, effective as of the Closing (as defined below), the exclusive world-wide rights over the fifty-year term of the agreement to market SecITV technology to end users in the biometric and security product arena based on Fingerprint Identification, Face Recognition and Voice Recognition technology. The exclusive distribution rights were granted in exchange for 69,082,924 shares of Common Stock issued to SecITV or its affiliates and 27,000,000 shares of Common Stock issued to the Financial Advisors (as defined below) and other terms and conditions set forth in a share issuance and corporate governance agreement (the "SICG Agreement") entered into on July 19, 2006 among Sentex, SecITV, Henrik Rubinstein, who directly and indirectly owns SecITV, Mr. Kendall, who is also the president and significant shareholder of Sentex, Balmoral Financial Services Company ("Balmoral") and Viewpoint Technology, Inc. ("Viewpoint" and together with Balmoral, the "Financial Advisors").

Pursuant to the SICG Agreement, at the Closing, Sentex will issue the 69,082,924 shares of Common Stock, at the direction of SecITV, to 1st Management Finance, Inc., a 90% shareholder of SecITV wholly-owned by Mr. Rubinstein ("1stMF"). Such shares will represent approximately 35% of the issued and outstanding shares of Common Stock (taking into account the issuance of shares to the Financial Advisors described below), based on the number of shares outstanding on the date hereof. 1stMF will have demand registration rights with respect to up to 100,000,000 shares of Common Stock that it receives and piggyback registration rights with respect to its shares of Common Stock, as well as any shares of Common Stock issued to other SecITV affiliates under the SICG Agreement, in any registration statement that Sentex files, in each case, for specified periods after the Closing.

The SICG Agreement also provides for additional financing and management arrangements for Sentex involving Mr. Kendall, Mr. Rubinstein and the Financial Advisors. At the Closing, Sentex will issue 15,000,000 shares of Common Stock to Balmoral and 12,000,000 shares of Common Stock to Viewpoint in exchange for the services provided by the Financial Advisors to SecITV and Sentex. The Financial Advisors will then hold approximately 14% of the issued and outstanding Common Stock (taking into account the issuance of shares to 1stMF described above), based on the number of shares outstanding on the date hereof. In addition, the Financial Advisors have committed to raise additional funding for Sentex on a best-efforts basis. Of this additional funding, \$600,000 is to be raised through the sale of 10,000,000 shares of Common Stock held by CPS (and indirectly by Mr. Kendall), subject to the approval of Mr. Kendall's bank, which holds the shares as collateral. The proceeds from this sale will be paid to Sentex in exchange for its agreement to issue 10,000,000 shares of Common Stock to Mr. Kendall by November 16, 2006.

Within 180 days of the Closing, Mr. Kendall will also have the right to sell 40,000,000 of the shares of Common Stock beneficially owned by him through CPS (which includes the 10,000,000 replacement shares discussed above), also subject to his bank's approval, either to Mr. Rubinstein or to other investors, as arranged by Mr. Rubinstein through a private transaction or a registered resale arrangement, for a purchase price of \$0.05 per share, or an aggregate of \$2,000,000. If such shares are sold to Mr. Rubinstein or entities affiliated with him, Mr. Rubinstein would then control approximately 52% of the issued and outstanding shares of Sentex (based on the number of shares of Common Stock outstanding on the date hereof and assuming the issuance of the shares to the Financial Advisors and an additional 10,000,000 shares are issued to Mr. Kendall). Alternatively, Mr. Kendall may in his sole discretion decide to retain the 40,000,000 shares for an additional 18 months and instead sell them at a price of \$0.08 per share, for an aggregate purchase price of \$3,200,000, at such later date. Mr. Kendall and/or CPS will retain ownership of approximately 8,000,000 additional shares.

Mr. Kendall will also contribute \$4,000,000 of the debt owed to him by Sentex, which debt will be sold to investors as arranged by SecITV for proceeds to be used by Sentex as working capital. After Mr. Kendall's 40,000,000 shares have been sold as discussed above, the remaining \$3,500,000 of Sentex debt held by Mr. Kendall will be distributed on a monthly basis over a three-year period among Messrs. Kendall and Rubinstein and the Financial Advisors.

Under the SICG Agreement, following the Closing, Mr. Rubinstein will be the president and Mr. Kendall will be the treasurer of Sentex, the parties agree to elect Messrs. Rubinstein and Kendall as its sole directors and Mr. Kendall will enter into an employment agreement with Sentex (the "Employment Agreement") pursuant to which he will serve as the chairman of the board until the earlier to occur of his death, permanent disability, sale of his 40,000,000 shares (at which time Mr. Rubinstein will become Sentex's chief executive officer), or conviction of a crime resulting in at least one year of incarceration. In addition, if not terminated earlier, Mr. Kendall will retire from Sentex not later than the end of the second fiscal year following the Closing. Mr. Kendall's annual base salary is still subject to negotiation. The Employment Agreement will also provide for a one-year non-compete and confidentiality obligations.

The shares of Common Stock to be issued to each of SecITV (or its affiliates) and the Financial Advisors are expected to be placed into escrow as soon as practicable and released at the Closing. The closing of the transactions contemplated by the Distribution Agreement and the SICG Agreement (the "Closing") will occur following receipt by the parties of all necessary approvals and submission of all required governmental filings, including the filing of a definitive information statement with the Securities and Exchange Commission. The transactions contemplated by the Distribution Agreement and the SICG Agreement have been approved by the parties' boards of directors and by a majority of the Sentex shareholders in an action by written consent. The information statement will also be mailed to Sentex shareholders who did not approve the transactions by written consent.

The foregoing descriptions of the Distribution Agreement and the SICG Agreement are qualified in their entirety by the full text of the Distribution Agreement and the SICG Agreement, which are filed as Exhibits A and B, respectively, and are incorporated by reference herein.

(a) As of the date hereof, CPS beneficially owned 47,719,814 shares of Common Stock, which represents 46% of the outstanding shares of Common Stock as of the date hereof, based on 103,764,911 shares of Common Stock then outstanding.
